The Department of Revenue estimates that the new Eisenhower Foundation plate created in HB 2176 would increase state revenues by \$40,000 in FY 2014. Of this amount, \$20,000 would be credited to the State Highway Fund from a provision in K.S.A 8-1,141, which subjects the plate to a minimum of 500 plates for the initial issuance and a \$40 personalized plate fee. The \$40,000 also includes \$20,000 which is required of the sponsoring organization and credited to the Distinctive License Plate Fund to help the Department of Revenue defray the costs associated with the development of the new plate.

The Department estimates the bill would increase its expenditures by \$8,990 from the Division of Vehicles Operating Fund in FY 2014 which include \$2,640 for 16 hours of
