

73-2301. Official amphibian of Kansas. The barred tiger salamander (*ambystoma tigrinum mavortium*, Baird, 1850) being a strikingly marked species, with robust body, and living in a range from the humid tallgrass prairie of eastern Kansas to the arid high plains at the western border, is hereby designated as the official amphibian of the state of Kansas.

History: L. 1994, ch. 79, § 10; July 1.
