

74-8837. Racing or wagering equipment or services licenses. (a) No organization licensee or facility manager licensee shall permit any business not owned and operated by the organization licensee to provide integral racing or wagering equipment or services, as designated by the commission, to an organization licensee unless such business has been issued a racing or wagering equipment or services license by the commission. Such equipment and services include, but are not limited to, totalisator, photo finish, video replay and video reception and transmission equipment or services.

(b) Businesses required to be licensed pursuant to this section shall apply for racing or wagering equipment or services licenses in a manner and upon forms prescribed and furnished by the commission. The commission shall require disclosure of information about the owners and officers of each applicant and may require such owners and officers to submit to fingerprinting. The commission also may require disclosure of information about and fingerprinting of such employees of each applicant as the commission considers necessary. Racing or wagering equipment or services licenses shall be issued for a period of time established by the commission but not to exceed 10 years. The commission shall establish a schedule of application fees and license fees for racing or wagering equipment or services licenses based upon the type and size of business. The application fee shall not be refundable if the business fails to qualify for a license. If the application fee is insufficient to pay the reasonable expenses of processing the application and investigating the applicant's qualifications for licensure, the commission shall require the applicant to pay to the commission, at such times and in such form as required by the commission, any additional amounts necessary to pay such expenses. No license shall be issued to an applicant until the applicant has paid such additional amounts in full, and such amounts shall not be refundable except to the extent that they exceed the actual expenses of processing the application and investigating the applicant's qualifications for licensure.

(c) The commission may require applicants as a condition of licensure to consent to allow agents of the Kansas bureau of investigation or security personnel of the commission to search without warrant the licensee's premises and personal property and the persons of its owners, officers and employees while engaged in the licensee's business within the racetrack facility or adjacent facilities under the control of the organization licensee for the purpose of investigating criminal violations of this act or violations of rules and regulations of the commission.

(d) Denial of a racing or wagering equipment or services license by the commission shall be in accordance with the Kansas administrative procedure act. The commission may refuse to issue a racing or wagering equipment or services license to any business if any person having an ownership interest in such business, any person who is an officer of such business or any person employed by such business within the racetrack facility:

(1) Has been convicted of a felony in a court of any state or of the United States or has been adjudicated in the last five years, in any such court of committing as a juvenile an act which, if committed by an adult, would constitute a felony;

(2) has been convicted of a violation of any law of any state or of the United States involving gambling or controlled substances or has been adjudicated in the last five years in any such court of committing as a juvenile an act which, if committed by an adult, would constitute such a violation;

(3) fails to disclose any material fact or provides information, knowing such information to be false, in connection with the application for the license;

(4) has been found by the commission to have violated any provision of this act or any rule and regulation of the commission; or

(5) has failed to meet any monetary or tax obligation to the federal government or to any state or local government, whether or not relating to the conduct or operation of a race meet held in this state or any other jurisdiction.

(e) The commission may suspend or revoke the racing or wagering equipment or services license of any business for any reason which would justify refusal to issue such a license. Proceedings to suspend or revoke such license shall be conducted by the commission or a presiding officer from the office of administrative hearings in accordance with the provisions of the Kansas administrative procedure act.

(f) The commission may provide by rules and regulations for the temporary suspension of a racing or wagering equipment or services license by summary adjudicative proceedings in accordance with the Kansas administrative procedure act upon finding that there is probable cause to believe that grounds exist for a permanent suspension or revocation of such license. Such suspension shall be for a period not exceeding 30 days. Upon expiration of such suspension, the license shall be restored unless the license has been suspended or revoked as a result of proceedings conducted pursuant to subsection (e).

(g) This section shall be part of and supplemental to the Kansas parimutuel racing act.
