(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of 20/200 or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States department of veterans affairs or its successor to have a 50% permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

(j) "Rent constituting property taxes accrued" means 10% of the gross rent actually paid in cash or its equivalent in 2015 or any taxable year thereafter by a claimant and claimant's household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, rent constituting property taxes accrued shall be computed by adding the rent constituting property taxes accrued for each property rented by the household while occupied by the household as its homestead during the year.

(k) "Gross rent" means the rental paid at arm's length solely for the right of
occupancy of a homestead or space rental paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the gross rent charge was excessive, the director may adjust the gross rent to a reasonable amount for the purposes of the claim.

c) The claimant may elect not to record the amount claimed on the claim. The claim allowable to persons making this election shall be computed by the department which shall notify the claimant by mail of the amount of the allowable claim.

d) In the case of all tax years commencing after December 31, 2004, the upper limit threshold amount prescribed in this section, shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

property claimed as a homestead and a statement that the property taxes accrued used
for purposes of this act have been or will be paid by the claimant. Upon request by the
division, such claimant shall provide a copy of the statement of property taxes levied
upon the property claimed as a homestead. The amount of personal property taxes
levied on a manufactured home or mobile home shall be set out on the personal
property tax statement showing the amount of such tax as a separate item.

partly upon homestead rental at some time during the calendar year, shall supply to
the division, in support of a claim, a statement prescribed by the director certifying the

and such claimant has failed to provide any documentation or information requested by
the division to verify such household income in support of a claim as required pursuant

for any such year. The provisions of this section shall be part of and supplemental to the
homestead property tax refund act."

EXPLANATION OF VOTE

Madam President: I change my “Pass” to “Yes” on S Sub HB 2074 because I hope that one day in this chamber, we will consider the same fairness for the Greyhound Park as we have for other similar parks in our state. —OLETHA FAUST-GOUDEAU

Madam President: This legislation ignores the interest of Wyandotte County and the State of Kansas. This legislation requires no minimum amount of financial investment for the Woodlands to open their doors to gambling nor does it require competitive bidding for the right to place slot machines in this facility. There is no requirement to negotiate with the Unified Government and substantially reduces revenues to the state. Expanding the Lottery Act jeopardizes the state contract with Hollywood Casino and could very likely result in litigation. I vote "No" on S Sub HB 2074. —PAT PETTEY

(b) The provisions of this act shall be part of and supplemental to the provisions of K.S.A. 74-4901 et seq., and amendments thereto, subject to the limitations contained in this act.
New Sec. 5. (a) As used in this act, unless otherwise provided or the context otherwise requires:
(1) "Act" means the Kansas deferred retirement option program act;
(2) "board" means the board of trustees of the Kansas public employees retirement
system;
(3) "DROP" means the deferred retirement option program established by section 6, and amendments thereto;
(4) "DROP account" means the notional account to which is credited the monthly DROP accrual;
(5) "DROP period" means the period of time that a member irrevocably elects to participate in the DROP pursuant to section 7, and amendments thereto;
(6) "member" means a trooper, examiner or officer of the Kansas highway patrol who is eligible to participate in the DROP and who elects to participate in the DROP as provided in this act;
(7) "monthly DROP accrual" means the amount equal to the monthly retirement benefit that would have been payable to the member had the member terminated service and retired on the day the member elected; and
(8) "system" means the Kansas police and firemen's retirement system.
(b) Unless specifically provided in this section or in this act, words and phrases used in this act shall have the meanings ascribed to them as provided under the provisions of K.S.A. 74-4901 et seq. and K.S.A. 74-4951 et seq., and amendments thereto.

New Sec. 6. (a) The board shall establish within the Kansas police and firemen's retirement system a deferred retirement option program for members. The board shall administer the DROP in compliance with the federal internal revenue code and applicable treasury regulations, including, but not limited to, the incidental benefit and required minimum distribution requirements of section 401(a)(9) of the federal internal revenue code.

(b) The board shall establish a DROP account for each member. Each DROP account shall be credited annually with interest as provided in this subsection. Interest may only be credited in a year in which the actual rate of return on the market value on the investments of the DROP reach the system's assumed investment rate of return. Such interest credit may not exceed 50% of the actual rate of return, and such interest credit shall not exceed 3%.

New Sec. 7. (a) (1) A member who is appointed or employed prior to July 1, 1989, and who did not make an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service or at the completion of 32 years of credited service regardless of the age of such member.

(2) A member who is appointed or employed on or after July 1, 1989, or who made an election pursuant to K.S.A. 74-4955a, and amendments thereto, may elect to participate in the DROP by making application in such form prescribed by the system at the attainment of age 55 and the completion of 20 years of credited service, age 50 and the completion of 25 years of credited service or age 60 with the completion of 15 years of credited service.

(b) A member shall indicate on the application the DROP period such member wishes to participate in the DROP. A member may elect to participate in the DROP for a minimum of three years and may not participate for more than five years from the effective date of the election to participate in the DROP. A member may participate in the DROP only once. An election under this section is a one-time irrevocable election.
Once the application is accepted by the system, such member becomes a DROP participant. If a member fails to participate in the DROP for a minimum of three years, all of the member's interest credits shall be forfeited, unless such member retires due to disability as defined in K.S.A. 74-4952, and amendments thereto. A member who remains in active service at the expiration of the member's elected DROP period shall not be eligible for any additional interest credits.

(c) A member who makes an election under this section shall continue in the active service under the Kansas police and firemen's retirement system but shall not earn service credit under K.S.A. 74-4951 et seq., and amendments thereto, after the election's effective date. On and after the effective date of the member's election to participate, such member is ineligible to purchase service credit under K.S.A. 74-4901 et seq., and amendments thereto.

(d) Participation in the DROP by a member does not guarantee continued employment. During a member's participation in the DROP, employer contributions under K.S.A. 74-4967, and amendments thereto, and member contributions under K.S.A. 74-4965, and amendments thereto, shall be made to the retirement system. No member or employer contributions shall be applied to a member's DROP account.

New Sec. 8. (a) For each DROP member, the board shall calculate a monthly DROP accrual. The system shall determine the DROP member's retirement benefit under K.S.A. 74-4958 or 74-4958a, and amendments thereto. In determining the retirement benefit, the system shall use the member's total service credit and final average salary as of the last day of the employer's payroll period immediately prior to the effective date of the member's election to participate in the DROP. Before entering the DROP, a member may elect to have such member's retirement benefit determined under one of the options provided in K.S.A. 74-4964 or 74-4964a, and amendments thereto, in lieu of having it determined in the form stated in K.S.A. 74-4958 or 74-4958a, and amendments thereto, except such member may not elect the lump sum payment option. During the DROP period, an amount equal to the monthly DROP accrual shall be credited to the member's DROP account. The calculation of the monthly DROP accrual will be calculated using the member's age and, if the member elected a joint and survivor option, the age of the beneficiary as of the calendar year which contains the beginning of the DROP period. The monthly DROP accrual shall comply with the requirements of section 401(a)(9) of the federal internal revenue code and treasury regulation § 1.401(a)9-6, Q&A-2(c).

(b) A member shall not receive a monthly retirement benefit, as calculated pursuant to K.S.A. 74-4958 or 74-4958a, and amendments thereto, until termination of such member's DROP participation and commencement of retirement. A DROP member shall not have any claim to any funds in such member's DROP account until such member retires at the termination of such member's DROP participation. Upon terminating DROP participation, a member is entitled to such member's retirement benefit, including any postretirement benefit adjustment for which the member is eligible.

New Sec. 9. (a) A member's participation in the DROP ceases on the occurrence of the earliest of the following:

1) Termination of the member's active service with the Kansas highway patrol;
2) the last day of the member's elected DROP period that begins on the effective date of the member's election to participate in the DROP;
(3) retirement due to disability as defined in K.S.A. 74-4952, and amendments thereto; or
(4) the member's death.
(b) If a member dies before taking a distribution from such member's DROP account, the member's designated beneficiary shall receive a lump-sum payment equal to the member's DROP account balance. If the DROP member has not named a beneficiary for such member's DROP account, the amount in the DROP account shall be paid to the beneficiary of the member's retirement benefit.

New Sec. 10. (a) A member, who satisfies the requirements of this act, shall be entitled to a distribution of such member's DROP account. Such distribution may be through any combination of the following payout options, each of which is subject to the applicable provisions of the federal internal revenue code and the applicable regulations of the internal revenue service:

(1) A direct rollover to an eligible retirement plan; or
(2) a lump-sum distribution.
(b) The board may specify minimum account balances for purposes of allowing benefit payment options and rollovers in accordance with federal law.

New Sec. 11. The provisions of sections 4 through 11, and amendments thereto, shall expire on January 1, 2020;"

And by renumbering sections accordingly;

On page 1, in the title, in line 2, after "system" by inserting "and systems thereunder"; in line 4, after the semicolon by inserting "enacting the Kansas deferred retirement option program act; providing terms, conditions, requirements, benefits and contributions related thereto; relating to member election; Kansas highway patrol affiliation; interest credits; account distribution;";

SIXTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, May 15, 2015, 8:00 a.m.

The Senate was called to order by Senator Ty Masterson.
The roll was called with 23 senators present.
Senators Faust-Goudeau, Fitzgerald, Haley, Hawk, Hensley, Holland, King, LaTurner, Longbine, Love, Lynn, McGinn, Melcher, O’Donnell, Olson, Wagle and Wolf were excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, We’re in a spot here; where certain decisions have to be made. In the 1800s one Ambrose Bierce, gave his tongue in cheek definition of what it means to “decide.” It’s “to succumb to the preponderance of one set of influences over another set.” He then gave this example of a leaf. “A leaf was driven from a tree, 'I mean to fall to earth,' said he. The west wind, rising, made him veer. 'Eastward,' said he, 'I now shall steer.' The east wind rose with greater force. Said he: 'Twas wise to change my course.'” Lord, help us to increase our connectedness to You that more and more our decisions will be firm and resolute…not wishy washy…not as it’s mentioned in Ephesians 4:14…like that immature leaf, tossed and blown about by every wind of new teaching. You said that the principles of Your Word would stand forever. So, Lord help us to avoid duplicity and truly be grounded in the strength of Your Word. And Lord, as we journey to our various destinations for the weekend, place hedges of protection around the vehicles. Take us and bring us safely. Bless our loved ones and bless us with times of rest. Let our testimony of praise be like David’s, in Psalm 23, “Surely goodness and mercy shall follow me all the days of my life and I shall dwell in the House of the Lord forever.” In the name of Jesus the Christ. Amen

The Pledge of Allegiance was led by Senator Ty Masterson.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, In the poetry of Proverbs 8, You personified “Wisdom” and presented her as a lady wanting to guide us...to help us navigate the turbulent storms of life. Lord, You coupled her with a twin sister called “Understanding” and Lord, we need them both; to know what to do and how to do it. In Proverbs 1:7, You said the beginning of “Wisdom” is to have a reverential fear...a humble respect for You, as our Lord. Please help each of us to lay that beginning foundation and then to build upon it. Help us with the application. Once we know what to do, help us do what we know. Help us use wisdom and understanding, first to see and then to respond to life’s challenges, from Your perspective. In the days that lie ahead, give us the enabling power to personify the wisdom and understanding that really originates with You. And Lord, since wisdom is really a description of YOU...since You ARE wisdom...what we’re indeed asking, is for You to use us as Your conduits. Let our attitudes and actions be continuous reflections of Your inner presence. As we grow in wisdom and understanding, let our love for one another...our love for You and Your truths, noticeably exemplify that You are in us. Help us, through personal relationships with You, to avoid shortsighted decisions and to make choices that will truly bless You and the people we serve. Thank You for hearing and for answering. In Jesus Name. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, It was 41 years ago, and it was on this day, May 19th, that one of
the most baffling puzzles ever contrived was introduced. Erno Rubik, the one who
engineered and developed it said “IF you are curious, you’ll find the puzzles around you
and IF you are determined, you will solve them.” Lord, puzzles and challenges are
being engineered and constantly developing around us, even without looking for them.
And we’ve found that determination by itself, just isn’t enough. I twisted it and turned it
with all the determination I could muster but it didn’t help me solve that puzzle. After
struggling with it and failing, I discovered there was someone who could show me how
to solve it. As we tackle the things that puzzle us…the things that test us…as we look at
the problems of life and government, give us the determination that we need, but also
give us answers. Many of us have discovered that You have the answers because You’re
the Divine Engineer and You know exactly what we need to do. You are the Ultimate
Resolver of our problems. You allow them and bring good out of them. When the
puzzling difficulties of life come upon us, You said in James 1:3-4 that our faith would
be tested and our endurance would be given a chance to grow. Help us remember to
lean and depend on You for answers. We’ll always need Your guidance to resolve the
quandaries of our “Rubics Cube” dilemmas. Thanks again Lord, for hearing our plea. In
Jesus name. Amen

The Pledge of Allegiance was led by President Susan Wagle.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator McGinn introduced the following Senate resolution, which was read:

**SENATE RESOLUTION No. 1751—**

A RESOLUTION recognizing Tick-Borne Disease Awareness Month and supporting further Lyme disease research.

WHEREAS, The Centers for Disease Control (CDC) states that neurological borreliosis cases are increasing tenfold as the fastest growing vector-borne disease in the nation and is significantly under-reported and misdiagnosed; and

WHEREAS, Lyme disease is the most commonly reported tick-transmitted disease in the United States, yet the CDC acknowledges that the number of cases reported annually represents only about one-tenth of the true number of cases. Approximately 30,000 cases of Lyme disease are reported to the CDC by state health departments each year. However, other studies of the disease suggest that the number of people actually diagnosed with Lyme disease each year is around 300,000, leaving approximately 270,000 cases unreported; and

WHEREAS, Lyme disease is most common among boys aged five to 19, with this age group being affected at three times the average rate of all other age groups. Around 25% of all reported cases of Lyme disease are children; and
WHEREAS, Lyme disease is undiagnosed in many Americans due to the lack of an accurate screening test, no standard presentation, a lack of reliable tick and tick-borne disease studies and many other reasons; and

WHEREAS, New research by the Infectious Disease Society of America states, "Sensitivity of the two-tier testing for early Lyme disease samples ranged from 43% to 48%," meaning the current blood testing used for diagnosis is inadequate for over 52% of those tested; and

WHEREAS, Lyme disease can present in a variety of ways. One common sign of Lyme disease is the presentation of a red bull's-eye rash on the skin near the tick bite mark. However, only approximately 30% of Lyme disease patients present with this symptom. Lyme disease is known as "The New Great Imitator" because it can be misdiagnosed as fibromyalgia, multiple sclerosis, Parkinson's disease, chronic fatigue syndrome, Lou Gehrig's disease, cardiac problems, Alzheimer's disease, attention deficit disorder, vision and hearing problems and other conditions, including psychiatric disorders; and

WHEREAS, Lyme disease can affect almost any part of the body and produces a wide range of symptoms, including skin lesions, meningitis, progressive muscular and joint pain, mood changes and behavioral problems. If left untreated, Lyme disease can become an incurable and lifelong debilitating illness characterized by neurological disorders, emotional and mental disorders, serious pain syndromes in the bone and muscles, fatal heart disease and respiratory failure; and

WHEREAS, In Kansas, we encourage all Kansans to recognize that tick-borne infections are a public health threat. We recognize the importance of early detection, accurate testing and encourage equal access to the International Lyme and Associated Diseases Standard of Care and Physician Training; and

WHEREAS, May is Lyme Disease Awareness Month. The ticks that transmit Lyme disease to humans are most active during May through July: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize Tick-Borne Disease Awareness Month and acknowledge that Lyme disease is significantly underdiagnosed in the United States and support further research of the disease, its symptoms and its treatment; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to each member of the Kansas Congressional Delegation; the Chair and Ranking Member of the United States Senate Committee on Health, Education, Labor and Pensions; the Chair, Vice Chair and Ranking Member of the United States House Energy Subcommittee on Health; the Chair, Vice Chair and Ranking Member of the United States House Appropriations Subcommittee on Labor, Health and Human Services, Education and Related Agencies; and the Chair, Vice Chair and Ranking Member of the United States House Ways and Means Subcommittee on Health.

(3) In the case of a non-participating manufacturer, neither the tobacco product manufacturer nor a brand family shall be included or retained in the directory if the attorney general concludes:

(A) That an escrow payment required pursuant to K.S.A. 50-6a03, and amendments thereto, for any period for any brand family, whether or not listed by such non-participating manufacturer, has not been fully paid into a qualified escrow fund governed by an escrow agreement that has been approved by the attorney general;

B. (i) A tobacco product manufacturer that is removed from the state directory under this subsection (b) shall be eligible for relisting in the directory described in this subsection (b) on the earlier of the date on which the tobacco product manufacturer cures the violation or the date on which the tobacco product manufacturer is reinstated to the directory in the other state; or

The roll was called with 39 senators present.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, Please hear our prayers today. When we look at our economy…when we look at the need in contrast to the supply, our concern goes through the roof. On one side are the needs and the needs are great. On the other side is the supply and it falls far short of the need. In John 6, we’re presented with the same kind of picture. The need was significant...there were well over 5,000 people. And the supply fell far short...they had nothing to eat. When the want is greater than what’s in the reservoir, what do we do? When the prescription is not adequate for the pain...when what we have in the bank is insufficient, what is our cry? Upon observing the magnitude of the need, the cry from Your disciples (verse 7) was “We just don’t have enough!” But not so with You. In fact, You prove to be adequate for all our problems! From an inadequate supply...two fish and five loaves of bread, (verses 11-13), You ministered to the needs of those people and their lack of supply was reversed. They wound up with “more than enough.” Lord the cry that’s very prevalent today is “We just don’t have enough!” Still, not so with You. Take into Your hands our meager, inadequate supply and let our place of weakness become Your place of strength. Without You Lord, our cry will always be “not enough!” But with You, not so; we will have “more than enough!” So keep us trusting in You in all that we do. In Jesus name. Amen

The Pledge of Allegiance was led by President Susan Wagle.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, When we have studied the issues and believe with everything in us, that we are right, remind us that we always thought that way as teenagers. When we are fully prepared to argue our position, before we do, give us at least some of the sense that you gave King Solomon. In 1 Kings 3:7-9, we are again reminded, of how in his humility, he said "I know so little about being a leader. He asked You to make him wise and teach him the difference between right and wrong. Or there’d be no way he could lead the people. Lord, it pleased You that he asked for some sense to be put in his head, rather than for cents to be put in his pocket. It pleased You so much, that You gave him both. Now, Lord the tension we’re feeling today, is the ongoing struggle between the head and the pocket. So, as we debate and argue our positions, help us find that point of balance, where the head and the pocket can come together with priorities determined by You. We want You to be pleased with our prayer requests. Let the first desire of our hearts be that You put some sense in our heads. And after the votes have been cast put some cents in our pockets. For Lord, we need both in order to bless Your people. In the precious name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, May we begin by saying thanks? Thanks for the days You gave us to get away. And as we stopped to remember, thanks for those who’ve made great sacrifices for us. Thanks for the hedge of protection, as You’ve given us safe travel. Thanks for allowing us to once again enter these chambers. And Lord, as we bear the burden of finishing the work, guide our efforts toward promising, hope filled outcomes.  
To illustrate the degree of promise that could come from one submitted to You, in Matthew 13:31-32 and Mark 4:31-32, You gave us the parable of a tiny mustard seed. In its presence, very small and outwardly not appearing very significant. But it carried within itself the potential to become large and productive, benefiting even the birds to find covering in its shade. Lord, as we seek Your guidance and submit to You, we may feel small, deficient and under-supplied for the tasks at hand. But remind us that individually and collectively as a team, like that mustard seed, we have within us the potential to so significantly bless Your people, that under the shade of this dome, they’ll say they found protection. Lord, give these men and women that Matthew 17:20 mountain moving, mustard seed faith. And as this week progresses, let them experience mustard seed efficiency. In the name of Jesus, the Christ. Amen

The Pledge of Allegiance was led by President Susan Wagle.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, We’re closer now than when we started…closer than even a week ago. As the days of this session draw nigh, thank You for our progress. Through it all, Your overriding love, mercy and goodness have been with us. Let us not be like the lepers of old, in Luke, chapter 17. Ten were healed but only one returned to say thanks. Give us hearts of appreciation…of gratefulness for Your faithfulness throughout this session. Today, we’re receiving afresh from Your gracious hand. Give us a renewed awareness of Your presence and a persistent gratitude for Your unwavering love. In 1972, You blessed us through Andre Crouch with a song entitled “My Tribute.” And Lord, I believe those words even echo our hearts today: “How can I say thanks for the things You have done for me? Things so undeserved, yet you gave to prove Your love for me. The voices of a million angels could not express my gratitude. All that I am, and ever hope to be, I owe it all to Thee.” All the glory, honor and praise belongs to You. In Jesus name. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Sec. 24. K.S.A. 2014 Supp. 79-32,269 is hereby amended to read as follows: 79-32,269. (a) (1) Except as provided in subsection (a)(2), commencing with fiscal year 2018, in any fiscal year in which the amount of selected actual state general fund receipts from such fiscal year exceeds the selected actual state general fund receipts for the immediately preceding fiscal year by more than 2%, the director of legislative research shall certify such excess amount to the secretary of revenue and the director of the budget. Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section;

(B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage. In any such computation by the secretary pursuant to this subsection in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined
with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

(2) In any fiscal year in which the amount of selected actual state general fund receipts for such fiscal year are 102% or less than the selected actual state general fund receipts from the immediately preceding fiscal year, the director of legislative research shall certify such amount and fact to the secretary of revenue and the director of the budget. Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

SEVENTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, May 28, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 38 senators present.
Senators Arpke and Masterson were excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, As we open in prayer today, open our hearts. Would You speak to each of us today, and turn ALL of our hearts toward You? As we pause for these few moments, as it says in Matthew 6:6, help us enter our individual prayer closets. Help us to momentarily close out all other concerns, that we may hear Your still small voice. Help us to avoid the pretense of prayer. Let bowed heads be true reflections of humble hearts. Let these few moments of prayer tune us in to Your frequency, Lord, speak to the depths of our need today. Deeply engage us Lord, that we may lock in to Your wisdom, in all our levels of involvement. By Your Spirit, speak to us individually and personally, but also collectively. Lord, bring us together, united around the issues, in humble submission to You, with love and respect for one another. Cancel in us any issues of pride and move us to do Your will…to do Your will Your way. In 1 Thessalonians 5:17, You said we should always pray…without ceasing. So, Lord, help us keep our antennas extended, always seeking a signal from You. Thank You for the blessed privilege of prayer. In Jesus name. Amen

The Pledge of Allegiance was led by President Susan Wagle.

(3) The director may issue a temporary permit for a special event approved by the governing body of a city, county or township pursuant to subsection (e)(1), which may, at the director's discretion, be valid for the entire period of such special event, but in no event shall such permit be issued for a period of time that exceeds 30 consecutive days.

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2352 submits the following report:
The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:
On page 6, in line 24, before "K.S.A" by inserting "On January 1, 2016,"; in line 33, by striking "individual or small group"; in line 34, before "health" by inserting "individual or group";
On page 12, following line 43, by inserting:
"Sec. 2. K.S.A. 2014 Supp. 40-3118 is hereby amended to read as follows: 40-3118. (a) No motor vehicle shall be registered or reregistered in this state unless the owner, at the time of registration, has in effect a policy of motor vehicle liability insurance covering such motor vehicle, as provided in this act, or is a self-insurer thereof, or the motor vehicle is used as a driver training motor vehicle, as defined in K.S.A. 72-5015, and amendments thereto, in an approved driver training course by a school district or an accredited nonpublic school under an agreement with a motor vehicle dealer, and such policy of motor vehicle liability insurance is provided by the school district or accredited nonpublic school. As used in this section, the term "financial security" means such policy or self-insurance. The director shall require that the owner certify and provide verification of financial security, in the manner prescribed by K.S.A. 8-173, and amendments thereto, that the owner has such financial security, and the owner of each motor vehicle registered in this state shall maintain financial security continuously throughout the period of registration. In addition, when an owner certifies that such financial security is a motor vehicle liability insurance policy meeting the requirements of this act, the director may require that the owner or owner's insurance company produce records to prove the fact that such insurance was in effect at the time the vehicle was registered and has been maintained continuously from that date. Such records may be produced by displaying such records on a cellular phone or any other type of portable electronic device. Any person to whom such records are displayed on such cellular phone or other type of portable electronic device shall be prohibited from viewing any other content or information stored on such cellular phone or other type of portable electronic device. Failure to produce such records shall be prima facie evidence that no financial security exists with regard to the vehicle concerned. It shall be the duty of insurance companies, upon the request of the director, to notify the director within 30 calendar days of the date of the receipt of such request by the director of any insurance that was not in effect on the date of registration and maintained continuously from that date."
(b) Except as otherwise provided in K.S.A. 40-276, 40-276a and 40-277, and amendments thereto, and except for termination of insurance resulting from nonpayment of premium or upon the request for cancellation by the insured, no motor vehicle liability insurance policy, or any renewal thereof, shall be terminated by cancellation or failure to renew by the insurer until at least 30 days after mailing a notice of termination, by certified or registered mail—or, United States post office certificate of mailing, or any other mail tracking method currently used, approved or accepted by the United States postal service to the named insured at the latest address filed with the insurer by or on behalf of the insured. Time of the effective date and hour of termination stated in the notice shall become the end of the policy period. Every such notice of termination sent to the insured for any cause whatsoever shall include on the face of the notice a statement that financial security for every motor vehicle covered by the policy is required to be maintained continuously throughout the registration period, that the operation of any such motor vehicle without maintaining continuous financial security therefor is a class B misdemeanor and shall be subject to a fine of not less than $300 and not more than $1,000 and that the registration for any such motor vehicle for which continuous financial security is not provided is subject to suspension and the driver's license of the owner thereof is subject to suspension.

(c) The director of vehicles shall verify a sufficient number of insurance certifications each calendar year as the director deems necessary to insure compliance with the provisions of this act. The owner or owner's insurance company shall verify the accuracy of any owner's certification upon request, as provided in subsection (a).

(d) (1) In addition to any other requirements of this act, the director shall require a person to acquire insurance and for such person's insurance company to maintain on file with the division evidence of such insurance for a period of one year when a person has been convicted in this or another state of any of the violations enumerated in K.S.A. 8-285, and amendments thereto.

(2) The director shall also require any driver whose driving privileges have been suspended pursuant to this section to maintain such evidence of insurance as required above.

(3) The company of the insured shall immediately mail notice to the director whenever any policy required by this subsection to be on file with the division is terminated by the insured or the insurer for any reason. The receipt by the director of such termination shall be prima facie evidence that no financial security exists with regard to the person concerned.

(4) No cancellation notice shall be sent to the director if the insured adds or deletes a vehicle, adds or deletes a driver, renews a policy or is issued a new policy by the same company. No cancellation notice shall be sent to the director prior to the date the policy is terminated if the company allows a grace period for payment until such grace period has expired and the policy is actually terminated.

(5) For the purposes of this act, the term "conviction" includes pleading guilty or nolo contendere, being convicted or being found guilty of any violation enumerated in this subsection without regard to whether sentence was suspended or probation granted. A forfeiture of bail, bond or collateral deposited to secure a defendant's appearance in court, which forfeiture has not been vacated, shall be equivalent to a conviction.

(6) The requirements of this subsection shall apply whether or not such person owns a motor vehicle.
(e) Whenever the director shall receive prima facie evidence, as prescribed by this section, that continuous financial security covering any motor vehicle registered in this state is not in effect, the director shall notify the owner by registered or certified mail or United States post office certificate of mailing that, at the end of 30 days after the notice is mailed, the registration for such motor vehicle and the driving privileges of the owner of the vehicle shall be suspended or revoked, pursuant to such rules and regulations as the secretary of revenue shall adopt, unless within 10 days after the notice is mailed: (1) Such owner shall demonstrate proof of continuous financial security covering such vehicle to the satisfaction of the director. Such proof of continuous financial security may be provided by the owner by displaying such proof on a cellular phone or other portable electronic device; or (2) such owner shall mail a written request which is postmarked within 10 days after the notice is mailed requesting a hearing with the director. Any person to whom such proof of continuous financial security is displayed on a cellular phone or other portable electronic device shall view only such evidence of continuous financial security. Such person shall be prohibited from viewing any other content or information stored on such cellular phone or other portable electronic device. Upon receipt of a timely request for a hearing, the director shall afford such person an opportunity for hearing within the time and in the manner provided in K.S.A. 8-255, and amendments thereto. If, within the ten-day period or at the hearing, such owner is unable to demonstrate proof of continuous financial security covering the motor vehicle in question, the director shall revoke the registration of such motor vehicle and suspend the driving privileges of the owner of the vehicle.

(f) Whenever the registration of a motor vehicle or the driving privileges of the owner of the vehicle are suspended or revoked for failure of the owner to maintain continuous financial security, such suspension or revocation shall remain in effect until satisfactory proof of insurance has been filed with the director as required by subsection (d) and a reinstatement fee in the amount herein prescribed is paid to the division of vehicles. Such reinstatement fee shall be in the amount of $100 except that if the registration of a motor vehicle of any owner is revoked within one year following a prior revocation of the registration of a motor vehicle of such owner under the provisions of this act such fee shall be in the amount of $300. The division of vehicles shall remit such fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the state highway fund.

(g) In no case shall any motor vehicle, the registration of which has been revoked for failure to have continuous financial security, be reregistered in the name of the owner thereof, the owner's spouse, parent or child or any member of the same household, until the owner complies with subsection (f). In the event the registration plate has expired, no new plate shall be issued until the motor vehicle owner complies with the reinstatement requirements as required by this act.

(h) Evidence that an owner of a motor vehicle, registered or required to be registered in this state, has operated or permitted such motor vehicle to be operated in this state without having in force and effect the financial security required by this act for such vehicle, together with proof of records of the division of vehicles indicating that the owner did not have such financial security, shall be prima facie evidence that the owner did at the time and place alleged, operate or permit such motor vehicle to be
operated without having in full force and effect financial security required by the
provisions of this act.

(i) Any owner of a motor vehicle registered or required to be registered in this state
who shall make a false certification concerning financial security for the operation of
such motor vehicle as required by this act, shall be guilty of a class A misdemeanor.
Any person, firm or corporation giving false information to the director concerning
another's financial security for the operation of a motor vehicle registered or required to
be registered in this state, knowing or having reason to believe that such information is
false, shall be guilty of a class A misdemeanor.

(j) The director shall administer and enforce the provisions of this act relating to the
registration of motor vehicles, and the secretary of revenue shall adopt such rules and
regulations as may be necessary for its administration.

(k) Whenever any person has made application for insurance coverage and such
applicant has submitted payment or partial payment with such application, the insurance
company, if payment accompanied the application and if insurance coverage is denied,
shall refund the unearned portion of the payment to the applicant or agent. Such refund
may:

(1) Accompany the notice of denial of coverage; or

(2) be separately returned in not more than 10 days from the date of such notice.

If payment did not accompany the application to the insurance company but was
made to the agent, the agent shall refund the unearned portion of the payment to the
applicant upon receipt of the company's notice of denial.

(l) For the purpose of this act, "declination of insurance coverage" means a final
denial, in whole or in part, by an insurance company or agent of requested insurance
coverage.

commissioner.

(2) The amount paid for all outside consulting and data processing fees necessary

services.

d) A duplicate of every such sworn statement shall be kept on file in the office of

company examination fund. The state treasurer shall issue duplicate receipts therefor,
one to be delivered to the commissioner of insurance and the other to be filed with the
director of accounts and reports.

Absent or Not Voting: Arpke, Kerschen, Masterson.

The Conference Committee Report was adopted.

On motion of Senator Bruce, the Senate adjourned until 10:00 a.m., Friday, May 29, 2015.
The Senate was called to order by President Susan Wagle. The roll was called with 39 senators present. Senator Arpke was excused. Invocation by Reverend Cecil T. Washington:

Lord, It is in the news. On this past Monday, as new leadership is posturing to take over, the Federal Government declared this day, Friday May 29, a public holiday. And the government urged all citizens to pray...to pray for the success of the democratic process. Now, although this occurred over in Nigeria, we know that You will hear our prayers right here in Kansas. So, Lord, would You motivate the citizens who would, to join us and pray. Because prayer that truly seeks Your face, is the key to success in government. You said in Romans 13:1 that all authority comes from You. Therefore all of us in government are accountable to You. And You made it clear when You said in Proverbs 14:34, that righteousness exalts a nation but sin (the attitude of wanting our way instead of Yours) is what brings people down. So, fill the men and women of these chambers with a craving for Your righteousness...the only righteousness that really counts. So that appropriate decisions will be made and the citizens will be lifted up, due to a democratic process that You’ve made successful. Lord, we’re grateful to live in a land, where we have the freedom to pray openly. Thank You! Thank You! Thank You! In Jesus name. Amen

The Pledge of Allegiance was led by President Susan Wagle.

On motion of Senator Bruce, the Senate recessed until 2:00 p.m.

SEVENTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Saturday, May 30, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Arpke was excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, You are so beyond us that words fail us...they just fall short in
proclaiming Your attributes. When we say that You’re omnipresent; when we say
You’re omniscient; when we say you’re omnipotent, You’re all that and more. The Old
Testament prophet Isaiah, refers to You three times in 41, 44-48 as the First and the
Last. Four times, in the New Testament, the book of Revelation, refers to You, by using
the first and last letters of the Greek alphabet (1:8, 11; 21:6; 22:13). You’re the Alpha
and Omega. Lord, You’re the Beginning and the End. This means that You are the
whole of everything...You’re all we need, from the beginning to the end. You’ve been
with us from the first day we gathered under this dome. And Lord, we know You’ll be
with us to the last day. Although we pull in one direction and then push in another, the
beginning, middle and end of it all, is in Your sovereign Hand. It’s all been in Your
Hands from day one. Hebrews 12:2 says, You are the Author and You are the Finisher of
our faith, You are the Beginning, the Middle and the End of all we will accomplish,
during this time together. So, Lord, the same way that You bring the beginning into the
middle and then into the end, where we have conflicting views, would You do the same.
Bring us from the beginning of conflict into the middle ground of agreement and then
bring us to a glorious end. In Jesus name. So be it!

The Pledge of Allegiance was led by President Susan Wagle.

SENATE RESOLUTION No. 1753—

A RESOLUTION congratulating and commending Vanya Shivashankar of Olathe, Kansas, for winning the 2015 National Spelling Bee.

WHEREAS, Vanya Shivashankar, a 13-year-old student at California Trail Junior High in Olathe, Kansas, is the 2015 Scripps National Spelling Bee co-champion. Vanya devoted much of her free time to studying spelling and takes her education very seriously, aspiring to one day be a cardiac surgeon. Earlier this year, Vanya was named the winner of Lifetime's "Child Genius" competition show; and

WHEREAS, Vanya, with support from her parents, Mirle and Sandy, and sister Kavya, made the trip to Washington, D.C., for the 88th annual competition. More than 11 million students took part in local and state spelling bees and only 285 competitors made it to the national competition. This was Vanya's fifth appearance in the National Spelling Bee; and

WHEREAS, Vanya's sister, Kavya, was named the national champion in 2009. Vanya's victory marked the first time in the National Spelling Bee's history that a sibling of a previous winner had also gone on to win the competition; and

WHEREAS, Vanya's words included "thamakau," "hippocrepiform" and "scherenschnitte." Vanya and Gokul Venkatachalam were crowned co-winners after Gokul exhausted the championship word list by successfully spelling "nunatak." Each
champion received a $30,000 prize plus an engraved trophy; a $5,000 cash prize from Words With Friends; a $2,500 U.S. savings bond and a reference library from Merriam-Webster; and $1,100 worth of reference works from Encyclopedia Britannica: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and commend Vanya Shivashankar for winning the 2015 National Spelling Bee competition and take pride in her outstanding achievements as a role model for her peers in Kansas and across the nation. We wish her all the best for continued success in all future academic, personal and career challenges as she further develops and applies her amazing gifts; and

SEVENTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Sunday, May 31, 2015, 2:00 p.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Arpke was excused.
The President introduced the guest chaplain, Reverend Chris Halverson who delivered the invocation:

As we open in prayer, listen to the Word of the Lord: “Jesus appointed disciples and sent them two by two before His face into every place where He Himself was about to go. Then He said to them...whatever house you enter, first say, ‘Peace to this house.’ And if a son of peace is there, your peace will rest on it; if not, it will return to you...and say to that house, ‘The kingdom of God has come near to you.’ ” (Luke 10:1,2,5,9)
Father in heaven, You have sent me and my friends for a season to this city and to this state house. You have asked us to announce the presence of your kingdom and to pray for laborers to represent the people of Kansas in righteousness and justice. You have instructed that we first say, ‘peace to this house’. And You have promised that if a son of peace is here, that your peace will rest upon them. We know that a son of peace is here. We have found many a child of peace in this legislative household. They have received us and welcomed us in. And in receiving us, they have received You. So, in obedience I pronounce peace upon this body – a peace that passes all understanding – a peace that covers all who receive it, from the leadership to the newest members, from the far right to the distant left. Like the properly drawn strings of a violin between two fixed points – not too tight or too loose – I pray that the hand of peace will fine-tune the given tensions in this legislative body, that a sound rendition will ring forth from this chamber to the people who eagerly await its hearing. I offer this prayer in the name of Jesus, who taught me to make it. Amen

The Pledge of Allegiance was led by President Susan Wagle.

On roll call, the vote was: Yeas 25; Nays 14; Present and Passing 0; Absent or Not Voting 1.

The Conference Committee Report was adopted.

EXPLANATION OF VOTE

Madam President: Once again, (as did the majority of this same Senate just yesterday) I will continue to VOTE "No" on HB 2005. Nothing has changed with this legislation since yesterday. Now, all that has changed is the will of a fickle and too easily manipulated majority. This conference committee report remains lawsuit inducing and potentially unconstitutional. To paraphrase concerns expressed in a recent editorial by a respected Kansas newspaper, this bill, in part, is "...about court funding and it risks both the balance of powers and the ability of the State's judiciary to function ..." autonomously of the Legislature's purse-strings. I respect and have sworn to uphold Kansas' and the United States', THREE branches of government as provided for in the Constitutions of both; Executive, Legislative and Judicial. Last year's bill began to tie judicial funding to policy initiatives when the Legislature (over my objection then too) took away the Supreme Court's power to appoint chief district judges or to then directly control their appropriations. This year, this bill apparently once again shows blatant disrespect for our State's Constitution. We should instead insure that the Judiciary has both funding and independence. Accordingly, as both the ranking member of Senate Judiciary and but one of only three lawyers in this Chamber of forty members, I continue to vote "No" on the conference committee report on HB 2005. —DAVID HALEY
On motion of Senator Bruce, the Senate recessed until 8:00 p.m.

And by renumbering sections accordingly;
On page 1, in the title, in line 13, before the period by inserting "; income tax, eligibility for credits; amending K.S.A. 2014 Supp. 79-32,265 and repealing the existing section".

S Sub HB 2109 be further amended by motion of Senator Pilcher-Cook, on page 48, following line 5, by inserting:

"Sec. 2. K.S.A. 2014 Supp. 79-201, as amended by section 4 of 2015 Senate Bill No. 91, is hereby amended to read as follows: 79-201. The following described property, to the extent herein specified, shall be and is hereby exempt from all property or ad valorem taxes levied under the laws of the state of Kansas:

First. All buildings used exclusively as places of public worship and all buildings used exclusively by school districts and school district interlocal cooperatives organized under the laws of this state, with the furniture and books therein contained and used exclusively for the accommodation of religious meetings or for school district or school district interlocal cooperative purposes, whichever is applicable, together with the grounds owned thereby if not leased or otherwise used for the realization of profit, except that: (a) (1) Any school building, or portion thereof, together with the grounds upon which the building is located, shall be considered to be used exclusively by the school district for the purposes of this section when leased by the school district to any political or taxing subdivision of the state, including a school district interlocal
cooperative, or to any association, organization or nonprofit corporation entitled to tax exemption with respect to such property; and (2) any school building, together with the grounds upon which the building is located, shall be considered to be used exclusively by a school district interlocal cooperative for the purposes of this section when being acquired pursuant to a lease-purchase agreement; and (b) any building, or portion thereof, used as a place of worship, together with the grounds upon which the building is located, shall be considered to be used exclusively for the religious purposes of this section when used as a not-for-profit day care center for children which is licensed pursuant to K.S.A. 65-501 et seq., and amendments thereto, or when used to house an area where the congregation of a church society and others may purchase tracts, books and other items relating to the promulgation of the church society's religious doctrines.

Second. All real property, and all tangible personal property, actually and regularly used exclusively for literary, educational, scientific, religious, benevolent or charitable purposes, including property used exclusively for such purposes by more than one agency or organization for one or more of such exempt purposes. Except with regard to real property which is owned by a religious organization, is to be used exclusively for religious purposes and is not used for a nonexempt purpose prior to its exclusive use for religious purposes which property shall be deemed to be actually and regularly used exclusively for religious purposes for the purposes of this paragraph, this exemption shall not apply to such property, not actually used or occupied for the purposes set forth herein, nor to such property held or used as an investment even though the income or rentals received therefrom is used wholly for such literary, educational, scientific, religious, benevolent or charitable purposes. In the event any such property which has been exempted pursuant to the preceding sentence is not used for religious purposes prior to its conveyance which results in its use for nonreligious purposes, there shall be a recoupment of property taxes in an amount equal to the tax which would have been levied upon such property except for such exemption for all taxable years for which such exemption was in effect. Such recoupment tax shall become due and payable in such year as provided by K.S.A. 79-2004, and amendments thereto. A lien for such taxes shall attach to the real property subject to the same on November 1 in the year such taxes become due and all such taxes remaining due and unpaid after the date prescribed for the payment thereof shall be collected in the manner provided by law for the collection of delinquent taxes. Moneys collected from the recoupment tax hereunder shall be credited by the county treasurer to the several taxing subdivisions within which such real property is located in the proportion that the total tangible property tax levies made in the preceding year for each such taxing subdivision bear to the total of all such levies made in that year by all such taxing subdivisions. Such moneys shall be credited to the general fund of the taxing subdivision or if such taxing subdivision is making no property tax levy for the support of a general fund such moneys may be credited to any other tangible property tax fund of general application of such subdivision. This exemption shall not be deemed inapplicable to property which would otherwise be exempt pursuant to this paragraph because an agency or organization: (a) Is reimbursed for the provision of services accomplishing the purposes enumerated in this paragraph based upon the ability to pay by the recipient of such services; or (b) is reimbursed for the actual expense of using such property for purposes enumerated in this paragraph; or (c) uses such property for a nonexempt purpose which is minimal in scope and insubstantial in nature if such use is incidental to the exempt purposes of this paragraph;
or (d) charges a reasonable fee for admission to cultural or educational activities or permits the use of its property for such activities by a related agency or organization, if any such activity is in furtherance of the purposes of this paragraph; or (e) is applying for an exemption pursuant to this paragraph for a motor vehicle that is being leased for a period of at least one year.

Third. All moneys and credits belonging exclusively to universities, colleges, academies or other public schools of any kind, or to religious, literary, scientific or benevolent and charitable institutions or associations, appropriated solely to sustain such institutions or associations, not exceeding in amount or in income arising therefrom the limit prescribed by the charter of such institution or association.

Fourth. The reserve or emergency funds of fraternal benefit societies authorized to do business under the laws of the state of Kansas.

Fifth. All buildings of private nonprofit universities or colleges which are owned and operated by such universities and colleges as student union buildings, presidents' homes and student dormitories.

Sixth. All real and tangible personal property actually and regularly used exclusively by the alumni association associated by its articles of incorporation with any public or nonprofit Kansas college or university approved by the Kansas board of regents to confer academic degrees or with any community college approved by its board of trustees to grant certificates of completion of courses or curriculum, to provide accommodations and services to such college or university or to the alumni, staff or faculty thereof.

Seventh. All parsonages owned by a church society and actually and regularly occupied and used predominantly as a residence by a minister or other clergyman of such church society who is actually and regularly engaged in conducting the services and religious ministrations of such society, and the land upon which such parsonage is located to the extent necessary for the accommodation of such parsonage.

Eighth. Seventh. All real property, all buildings located on such property and all personal property contained therein, actually and regularly used exclusively by any individually chartered organization of honorably discharged military veterans of the United States armed forces or auxiliary of any such organization, which is exempt from federal income taxation pursuant to section 501(c)(19) of the federal internal revenue code of 1986, for clubhouse, place of meeting or memorial hall purposes, and real property to the extent of not more than two acres, and all buildings located on such property, actually and regularly used exclusively by any such veterans' organization or its auxiliary as a memorial park.

Ninth. Eighth. All real property and tangible personal property actually and regularly used by a community service organization for the predominant purpose of providing humanitarian services, which is owned and operated by a corporation organized not for profit under the laws of the state of Kansas or by a corporation organized not for profit under the laws of another state and duly admitted to engage in business in this state as a foreign not-for-profit corporation if: (a) The directors of such corporation serve without pay for such services; (b) the corporation is operated in a manner which does not result in the accrual of distributable profits, realization of private gain resulting from the payment of compensation in excess of a reasonable allowance for salary or other compensation for services rendered or the realization of any other form of private gain; (c) no officer, director or member of such corporation has any pecuniary interest in the
property for which exemption is claimed; (d) the corporation is organized for the purpose of providing humanitarian services; (e) the actual use of property for which an exemption is claimed must be substantially and predominantly related to the purpose of providing humanitarian services, except that, the use of such property for a nonexempt purpose which is minimal in scope and insubstantial in nature shall not result in the loss of exemption if such use is incidental to the purpose of providing humanitarian services by the corporation; (f) the corporation is exempt from federal income taxation pursuant to section 501(c)(3) of the internal revenue code of 1986; and (g) contributions to the corporation are deductible under the Kansas income tax act. As used in this clause, "humanitarian services" means the conduct of activities which substantially and predominantly meet a demonstrated community need and which improve the physical, mental, social, cultural or spiritual welfare of others or the relief, comfort or assistance of persons in distress or any combination thereof including, but not limited to, health and recreation services, child care, individual and family counseling, employment and training programs for handicapped persons and meals or feeding programs. Notwithstanding any other provision of this clause, motor vehicles shall not be exempt hereunder unless such vehicles are exclusively used for the purposes described therein, except that the use of any such vehicle for the purpose of participating in a coordinated transit district in accordance with the provisions of K.S.A. 75-5032 through 75-5037, and amendments thereto, or K.S.A. 75-5051 through 75-5058, and amendments thereto, shall be deemed as exclusive use.

Tenth. For all taxable years commencing after December 31, 1986, any building, and the land upon which such building is located to the extent necessary for the accommodation of such building, owned by a church or nonprofit religious society or order which is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, and actually and regularly occupied and used exclusively for residential and religious purposes by a community of persons who are bound by vows to a religious life and who conduct or assist in the conduct of religious services and actually and regularly engage in religious, benevolent, charitable or educational ministrations or the performance of health care services.

Eleventh. For all taxable years commencing after December 31, 1998, all property actually and regularly used predominantly to produce and generate electricity utilizing renewable energy resources or technologies when the applicant for such property, on or before December 31, 2016, has filed an application for exemption pursuant to this subsection or has received a conditional use permit to produce and generate electricity on the property from the county in which the property is located. Any exemption granted under the provisions of this subsection for such property when the applicant, after December 31, 2016, has filed such application or filed such application and received a conditional use permit, shall be in effect for the 10 taxable years immediately following the taxable year in which construction or installation of such property is completed. For purposes of this section, "renewable energy resources or technologies" shall include wind, solar, photovoltaic, biomass, hydropower, geothermal and landfill gas resources or technologies.

Twelfth. For all taxable years commencing after December 31, 2001, all personal property actually and regularly used predominantly to collect, refine or treat landfill gas or to transport landfill gas from a landfill to a transmission pipeline, and the landfill gas produced therefrom.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, When the man that You created made the decision to choose wrongly, (Genesis 2:16-17, 3:6), a leaning...a bent toward wrong choices, has plagued us...and has plagued our world ever since. The bias of nature has been toward the wild (Gen. 3:17-18). Like a lawn which is left to itself, will go to weeds; like a child that is left to itself, will go astray, naturally a leader without Your guidance will go awry. In Proverbs 3:5-7, You made it clear that we are to trust You and NOT lean on or follow the natural bent of our own understanding. You said that in ALL our ways we should acknowledge You and that You would direct us. Emphatically, You said we are NOT to be wise in our own eyes. So, Lord, please don’t leave us to ourselves. Like the gardener that intervenes to prevent the natural decline of the lawn, intervene here as we move about in making decisions. Without Your intervention, the decisions we make follow the dangerous course of the natural. But when You step in, the results will be super natural. So Lord, have Your way in this place. And don’t leave us to ourselves. In the dear name of Jesus. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to SB 12 submits the following report:

The Senate accedes to all House amendments to the bill, and your committee on conference further agrees to amend the bill, as printed as House Substitute for Senate Bill No. 12, as follows:

On page 1, by striking all in lines 7 through 36;
By striking all on pages 2 through 8;
On page 9, by striking all in lines 1 through 4; following line 4, by inserting:
"Section 1. K.S.A. 59-29a01 is hereby amended to read as follows: 59-29a01. (a) The legislature finds that there exists an extremely dangerous group of sexually violent predators who have a mental abnormality or personality disorder and who are likely to engage in repeat acts of sexual violence if not treated for their mental abnormality or personality disorder. Because the existing civil commitment procedures under K.S.A. 59-2901 et seq., and amendments thereto, are inadequate to address the special needs of sexually violent predators and the risks they present to society, the legislature determines that a separate involuntary civil commitment process for the potentially long-term control, care and treatment of sexually violent predators is necessary. The legislature also determines that because of the nature of the mental abnormalities or personality disorders from which sexually violent predators suffer and the dangers they present, it is necessary to house involuntarily committed sexually violent predators in an environment separate from persons involuntarily committed under K.S.A. 59-2901 et seq., and amendments thereto.

(b) Notwithstanding any other evidence of legislative intent, it is hereby declared that any time requirements set forth in K.S.A. 59-29a01 et seq., and amendments thereto, either as originally enacted or as amended, are intended to be directory and not mandatory and serve as guidelines for conducting proceedings under K.S.A. 59-29a01 et seq., and amendments thereto.

(c) The provisions of K.S.A. 59-29a01 et seq., and amendments thereto, shall be known and may be cited as the Kansas sexually violent predator act.

Sec. 2. K.S.A. 59-29a03 is hereby amended to read as follows: 59-29a03. (a) When it appears that a person may meet the criteria of a sexually violent predator as defined in K.S.A. 59-29a02, and amendments thereto, the agency with jurisdiction shall give written notice of such to the attorney general and the multidisciplinary team established
in subsection (d) (f), 90 days prior to:

(1) The anticipated release from total confinement of a person who has been convicted of a sexually violent offense, except that in the case of persons who are returned to prison for no more than 90 days as a result of revocation of postrelease supervision, written notice shall be given as soon as practicable following the person's readmission to prison;

(2) release of a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial pursuant to K.S.A. 22-3305, and amendments thereto;

(3) release of a person who has been found not guilty by reason of insanity of a sexually violent offense pursuant to K.S.A. 22-3428, and amendments thereto; or

(4) release of a person who has been found not guilty of a sexually violent offense pursuant to K.S.A. 22-3428, and amendments thereto, and the jury who returned the verdict of not guilty answers in the affirmative to the special question asked pursuant to K.S.A. 22-3221, and amendments thereto.

(b) The agency with jurisdiction shall inform the attorney general and the multidisciplinary team established in subsection (d) (f) of the following:

(1) The person's name, identifying factors, anticipated future residence and offense history; and

(2) documentation of institutional adjustment and any treatment received.

(c) Any reports of evaluations prepared or provided pursuant to subsection (b) shall demonstrate that the person evaluated was informed of the following: (1) The nature and purpose of the evaluation; and (2) that the evaluation will not be confidential and that any statements made by the person and any conclusions drawn by the evaluator may be disclosed to a court, the detained person's attorney, the prosecutor and the trier of fact at any proceeding conducted under the Kansas sexually violent predator act.

(d) The permitted disclosures required to be submitted to the attorney general under this section shall be deemed to be in response to the attorney general's civil demand for relevant and material information to investigate whether a petition shall be filed. The information provided shall be specific to the purposes of the Kansas sexually violent predator act and as limited in scope as reasonably practicable.

(e) The agency with jurisdiction, its employees, officials, members of the multidisciplinary team established in subsection (d) (f), members of the prosecutor's review committee appointed as provided in subsection (g) and individuals contracting, appointed or volunteering to perform services hereunder shall be immune from liability for any good-faith conduct under this section.

(f) The secretary of corrections shall establish a multidisciplinary team which may include individuals from other state agencies to review available records of each person referred to such team pursuant to subsection (a). The team shall include the mental health professional who prepared any evaluation, interviewed the person or made any recommendation to the attorney general. The team, within 30 days of receiving notice, shall assess whether or not the person meets the definition of a sexually violent predator, as established in K.S.A. 59-29a02, and amendments thereto. The team shall notify the attorney general of its assessment.

(g) The attorney general shall appoint a prosecutor's review committee to review the records of each person referred to the attorney general pursuant to subsection (a). The prosecutor's review committee shall assist the attorney general in the
determination of whether or not the person meets the definition of a sexually violent predator. The assessment of the multidisciplinary team shall be made available to the attorney general and the prosecutor's review committee.

(h) The provisions of this section are not jurisdictional and failure to comply with such provisions not affecting constitutional rights in no way prevents the attorney general from proceeding against a person otherwise subject to the provision of K.S.A. 59-29a01 et seq. and amendments thereto provisions of the Kansas sexually violent predator act.

Sec. 3. K.S.A. 2014 Supp. 59-29a04 is hereby amended to read as follows: 59-29a04. (a) When it appears that the person presently confined may be a sexually violent predator and the prosecutor's review committee, appointed as provided in subsection (e) of K.S.A. 59-29a03(g), and amendments thereto, has determined that the person meets the definition of a sexually violent predator, the attorney general, within 75 days of the date the attorney general received the written notice by the agency of jurisdiction as provided in subsection (a) of K.S.A. 59-29a03(a), and amendments thereto, may file a petition in the county where the person was convicted of or charged with a sexually violent offense alleging that the person is a sexually violent predator and stating sufficient facts to support such allegation.

(b) Notwithstanding the provisions of subsection (a), when the person named in the petition is a person who has been convicted of or charged with a federal or other state offense that under the laws of this state would be a sexually violent offense, as defined in K.S.A. 59-29a02, and amendments thereto, the attorney general may file the petition in the county where the person now resides, was charged or convicted of any offense, or was released.

(c) Service of the petition on the attorney appointed or hired to represent the person shall be deemed sufficient service.

(d) The provisions of this section are not jurisdictional, and failure to comply with such provisions not affecting constitutional rights in no way prevents the attorney general from proceeding against a person otherwise subject to the provision of K.S.A. 59-29a01 et seq., and amendments thereto provisions of the Kansas sexually violent predator act.

(e) Whenever a determination is made regarding whether a person may be a sexually violent predator, the county responsible for the costs incurred, including, but not limited to, costs of investigation, prosecution, defense, juries, witness fees and expenses, expert fees and expenses and other expenses related to determining whether a person may be a sexually violent predator, shall be reimbursed for such costs by the office of the attorney general from the sexually violent predator expense fund. The attorney general shall develop and implement a procedure to provide such reimbursements. If there are no moneys available in such fund to pay any such reimbursements, the county may file a claim against the state pursuant to article 9 of chapter 46, of the Kansas Statutes Annotated, and amendments thereto.

(f) The person against whom a petition is filed shall be responsible for the costs of the medical care and treatment provided or made accessible by the governmental entity having custody, and the governmental entity having custody may seek reimbursement from the person against whom a petition has been filed for such costs.

(g) Pre-commitment proceedings, post-commitment proceedings, including conditional release and final discharge and other court proceedings are civil in nature.
Such proceedings shall follow the procedures set forth in chapter 60 of the Kansas Statutes Annotated, and amendments thereto, except as expressly provided elsewhere in the Kansas sexually violent predator act.

Sec. 4. K.S.A. 2014 Supp. 59-29a04a is hereby amended to read as follows: 59-29a04a. (a) There is hereby created in the state treasury the sexually violent predator expense fund which shall be administered by the attorney general. All moneys credited to such fund shall be used to reimburse counties under:

(1) K.S.A. 59-29a04, and amendments thereto, responsible for the costs related to determining whether a person may be a sexually violent predator; and

(2) K.S.A. 2014 Supp. 59-29a23, and amendments thereto, for the costs related to a person filing a petition pursuant to K.S.A. 60-1501 et seq., and amendments thereto, and civil action relating to the civil commitment pursuant to K.S.A. 59-29a01 et seq., and amendments thereto, the Kansas sexually violent predator act.

(a) Upon filing of a petition under K.S.A. 59-29a04, and amendments thereto, the judge shall determine whether probable cause exists to believe that the person named in the petition is a sexually violent predator. If such determination is made, the judge shall:

(1) Direct that person be taken into custody and detained in the county jail until such time as a determination is made that the person is a sexually violent predator subject to commitment under the Kansas sexually violent predator act; and

(2) file a protective order permitting disclosures of protected health information to the parties, their counsel, evaluators, experts and others necessary to the litigation during the course of the proceedings subject to the Kansas sexually violent predator act.

(b) Within 72 hours after a person is taken into custody pursuant to subsection (a), or as soon as reasonably practicable or agreed upon by the parties, such person shall be provided with notice of, and an opportunity to appear in person at, a hearing to contest probable cause as to whether the detained person is a sexually violent predator. At this hearing the court shall: (1) Verify the detainer's identity; and (2) determine whether probable cause exists to believe that the person is a sexually violent predator. The state may rely upon the petition and supplement the petition with additional documentary evidence or live testimony.

(c) At the probable cause hearing as provided in subsection (b), the detained person shall have the following rights in addition to the rights previously specified: (1) To be represented by counsel; (2) to present evidence on such person's behalf; (3) to cross-examine witnesses who testify against such person; and (4) to view and copy all petitions and reports in the court file.

(d) If the probable cause determination is made, the court shall order that the person be transferred to an appropriate secure facility, including, but not limited to, a county jail, for an evaluation as to whether the person is a sexually violent predator. The evaluation ordered by the court shall be conducted by a person deemed to be professionally qualified to conduct such an examination.

(e) The person conducting the evaluation ordered by the court pursuant to this
section shall notify the detained person of the following: (1) The nature and purpose of the evaluation; and (2) that the evaluation will not be confidential and that any statements made by the detained person and any conclusions drawn by the evaluator, will be disclosed to the court, the detained person’s attorney, the prosecutor and the trier of fact at any proceeding conducted under K.S.A. 59-29a01 et seq., and amendments thereto, the Kansas sexually violent predator act.

Sec. 6. K.S.A. 2014 Supp. 59-29a06 is hereby amended to read as follows: 59-29a06. (a) Within 60 days after the completion of any hearing held pursuant to K.S.A. 59-29a05, and amendments thereto, the court shall conduct a trial set the matter for a pretrial conference to establish a mutually agreeable date for trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice and when the respondent will not be substantially prejudiced.

(b) At all stages of the proceedings under K.S.A. 59-29a01 et seq., and amendments thereto, any person subject to K.S.A. 59 29a01 et seq., and amendments thereto, in proceedings under this section, the person shall be entitled to the assistance of counsel and an independent examination pursuant to K.S.A. 60-235, and amendments thereto, if the person is indigent, the court shall appoint counsel to assist such person. Whenever any person is subjected to an examination under K.S.A. 59-29a01 et seq., and amendments thereto, such person may retain experts or professional persons to perform an examination of such person's behalf. When the person wishes to be examined by a qualified expert or professional person of such person’s own choice, such pursuant to K.S.A. 60-235, and amendments thereto, the examiner shall be permitted to have reasonable access to the person for the purpose of such examination, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court, upon the person's request, shall determine whether the services are necessary and reasonable compensation for such services. If the court determines that the services are necessary and the expert or professional person's examiner's requested compensation for such services is reasonable, the court shall assist the person in obtaining an expert or professional person examiner to perform an examination or participate in the trial on the person's behalf. The court shall approve payment for such services upon the filing of a certified claim for compensation supported by a written statement specifying the time expended, services rendered, expenses incurred on behalf of the person and compensation received in the same case or for the same services from any other source.

(c) Notwithstanding K.S.A. 60-456, and amendments thereto, at any proceeding conducted under K.S.A. 59-29a01 et seq., and amendments thereto, the Kansas sexually violent predator act, the parties shall be permitted to call expert witnesses. The facts or data in the particular case upon which an expert bases an opinion or inference may be those perceived by or made known to the expert at or before the hearing. If the facts or data are of a type reasonably relied upon by experts in the particular field in forming opinions or inferences upon the subject, such facts and data need not be admissible in evidence in order for the opinion or inference to be admitted.

(22) The right To spend such patient's person's money as such patient person chooses with reasonable limitations, except under the following circumstances: (A) When restricted by facility rules and policies; or (B) to the extent that authority over the money is held by another, including the parent of a minor, a court-appointed guardian of the patient's person's estate or a representative payee. A treatment facility may, as a part of its security procedures, use a patient trust account in lieu of currency that is held by a patient person, and may establish reasonable policies governing patient account transactions.

(c)(1) A patient's rights guaranteed A person's rights under subsections (b)(15) to (b)(24) (22) may be denied for cause after review by the superintendent of the facility or the superintendent's designee, and may be denied or when medically or therapeutically contraindicated as documented by the patient's physician or licensed psychologist, licensed psychologist or licensed master's level psychologist in the patient's person's treatment record. The individual shall be informed in writing of the grounds for withdrawal of the right and shall have the opportunity for a review of the withdrawal of the right in an informal hearing before the superintendent of the facility or the superintendent's designee. There shall be documentation of the grounds for withdrawal of rights in the patient's person's treatment record. After an informal hearing is held, a patient or such patient's representative may petition for review of the denial of any right under this subsection through the use of the grievance procedure provided in subsection (d).

(2) Notwithstanding subsection (c)(1), when the facility makes an administrative decision that applies equally to all persons and there is a legitimate governmental reason for the decision, notice of the decision is all that is required.

(d) The secretary for aging and disability services shall establish procedures to
assure protection of the persons' rights guaranteed under this section.

(c) No person may intentionally retaliate or discriminate against any patient or employee for contacting or providing information to any state official or to an employee of any state protection and advocacy agency, or for initiating, participating in, or testifying in a grievance procedure or in an action for any remedy authorized under this section.

(f)(1) This section shall be a part of and supplemental to article 29a of chapter 59 of the Kansas Statutes Annotated, and amendments thereto. Proceedings under this section or any other appeal concerning an action by the Kansas department for aging and disability services shall be governed under the Kansas administrative procedure act and the Kansas judicial review act. A person appealing any alleged violations of this section or any other agency determination shall exhaust all administrative remedies available through the Larned state hospital, including the sexual predator treatment program, before having any right to request a hearing under the Kansas administrative procedure act.

(2) A final agency determination shall include notice of the right to appeal such determination only to the office of administrative hearings. Within 30 days after service of a final agency determination and the notice of right to appeal, the appellant may file a request for hearing in writing with the office of administrative hearings for a review of that determination. Any request for hearing must be accompanied by a copy of the final agency determination. Failure to timely request a hearing constitutes a waiver of the right to any review. The request shall be examined by the presiding officer assigned. If the appellant seeks to challenge the final agency determination on any grounds other than material facts in controversy or agency violation of a relevant rule, regulation or statute, the appellant shall express such allegations with particularity within the request for hearing. If it plainly appears from the face of the request and accompanying final agency determination that the appellant failed to state a claim on which relief could be granted, the request shall be dismissed. The burden shall be on the appellant to prove by a preponderance of the evidence that the agency action violated a specific rule, regulation or statute. If the request for hearing does not allege a violation of a specific rule, regulation or statute, the burden shall be on the appellant to prove by a preponderance of the evidence that the agency had no legitimate government interest in taking such action. Any dispositive ruling of the hearing officer assigned by the office of administrative hearings shall be deemed an initial order under the Kansas administrative procedure act.

(3) The person shall participate by telephone or other electronic means at any hearing before the office of administrative hearings or any proceeding under the Kansas judicial review act, unless the presiding officer or court determines that the interests of justice require an in-person proceeding. Notwithstanding K.S.A. 77-609, and amendments thereto, if an in-person proceeding is necessary, such proceeding shall be conducted at the place where the person is committed.

(4) Except as otherwise provided in the Kansas sexually violent predator act and notwithstanding K.S.A. 77-609, and amendments thereto, venue shall be in Pawnee county, Kansas, for all proceedings brought pursuant to the Kansas judicial review act.

(b) (1) Subject to subsection (c), any court may authorize the commencement of any civil action, or appeal therein, without prepayment of fees or security therefor, by a civilly committed person who submits an affidavit that includes a statement of all assets that such person possesses and a statement that such person is unable to pay such fees or give security therefor. In addition, such person shall submit a certified copy of all private banking account and investment account statements for the six-month period immediately preceding the filing of the action or notice of appeal for which the person is the account owner or beneficiary.

(4) Any district court receiving a statement of costs from another district court shall forthwith approve the same for payment out of the general fund of its county, except that it may refuse to approve the same for payment only on the ground that it is not the county responsible for the costs. If the claim for costs is not paid within 120 days, an action may be maintained thereon by the claimant county in the district court of the claimant county against the debtor county.

(5) The county responsible for the costs incurred pursuant to this subsection (a) shall be reimbursed for such costs by the office of the attorney general from the sexually violent predator expense fund. The attorney general shall develop and implement a procedure to provide such reimbursements. If there are no moneys available in such fund to pay any such reimbursements, the county may file a claim against the state pursuant to article 9 of chapter 46, of the Kansas Statutes Annotated, and amendments thereto.

(6) An appeal may not be taken in forma pauperis if the trial court certifies in writing that such appeal is not taken in good faith.

(c) (1) Notwithstanding subsection (b), if a civilly committed person brings a civil

(2) After payment of the initial partial filing fee, the civilly committed person shall be required to make monthly payments of 20% of the preceding month's income, credited to the civilly committed person's account. The agency having custody of the civilly committed person shall forward payments from the civilly committed person's account to the clerk of the court each time the amount in the account exceeds $10 until the filing fees are paid. The clerk shall then forward the payments to the county responsible for the costs for reimbursement.

(3) In no event shall the filing fee collected exceed the amount of fees permitted by statute for the commencement of a civil action or an appeal of a civil action.

(4) In no event shall a civilly committed person be prohibited from bringing a civil action or appealing a civil action for the reason that such person has no assets and no means by which to pay the initial partial filing fee.

(d) Notwithstanding any filing fee, or any portion thereof, that may have been paid, the court shall dismiss the case at any time if the court determines that:
(1) The allegation of poverty is untrue; or
(2) the action or appeal:

(C) In no event shall the costs collected exceed the amount of the costs ordered by the court.

(f) In no event shall a civilly committed person bring a civil action or appeal a judgment in a civil action or proceeding in forma pauperis if such person has, on three or more prior occasions, while confined in any facility, brought an action or appeal in a court of the state of Kansas or of the United States that was dismissed on the grounds that it was frivolous, malicious or failed to state a claim upon which relief may be granted, unless such person is under imminent danger of serious physical injury.

EXPLANATION OF VOTE

Madam President: House Substitute for Senate Bill 12 mandates a 100 percent increase in the number of sexually violent predators to be housed in Miami County. This was at the request of the Kansas Department for Aging and Disability Services (KDADS) Secretary. We have been in ongoing communication with the Secretary and her staff, however this expansion, that directly impacts our communities, was never communicated. We cannot support such a significant change without the opportunity to communicate this action with county leaders and community members, prior to a final vote. —Molly Baumgardner; Caryn Tyson

Sec. 17. K.S.A. 2014 Supp. 44-706 is hereby amended to read as follows: 44-706. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection. For purposes of this subsection, "good cause" is cause of such gravity that would impel a reasonable, not supersensitive, individual exercising ordinary common sense to leave employment. Good cause requires a showing of good faith of the individual leaving work, including the presence of a genuine desire to work. Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing health care provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "health care provider" means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to enlist in the armed forces of the United States, but was rejected or delayed from entry;
(4) the spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job, which is for the same employer or for a different employer, at a geographic location which makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision the term "armed forces" means active duty in the army, navy, marine corps, air force, coast guard or any branch of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties which is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such agreement for the settlement of disputes before terminating. For the purposes of this paragraph, a demotion based on performance does not constitute a violation of the work agreement;
(11) after making reasonable efforts to preserve the work, the individual left work due to a personal emergency of such nature and compelling urgency that it would be contrary to good conscience to impose a disqualification; or

(12) (A) the individual left work due to circumstances resulting from domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at or en route to or from the individual's place of employment;

(ii) the individual's need to relocate to another geographic area in order to avoid future domestic violence;

(iii) the individual's need to address the physical, psychological and legal impacts of domestic violence;

(iv) the individual's need to leave employment as a condition of receiving services or shelter from an agency which provides support services or shelter to victims of domestic violence; or

(v) the individual's reasonable belief that termination of employment is necessary to avoid other situations which may cause domestic violence and to provide for the future safety of the individual or the individual's family.

(B) An individual may prove the existence of domestic violence by providing one of the following:

(i) A restraining order or other documentation of equitable relief by a court of competent jurisdiction;

(ii) a police record documenting the abuse;

(iii) documentation that the abuser has been convicted of one or more of the offenses enumerated in articles 34 and 35 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54 or 55 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2014 Supp. 21-6104, 21-6325, 21-6326 or 21-6418 through 24-6424, 21-6422, and amendments thereto, where the victim was a family or household member;

(iv) medical documentation of the abuse;

(v) a statement provided by a counselor, social worker, health care provider, clergy, shelter worker, legal advocate, domestic violence or sexual assault advocate or other professional who has assisted the individual in dealing with the effects of abuse on the individual or the individual's family; or

(vi) a sworn statement from the individual attesting to the abuse.

(C) No evidence of domestic violence experienced by an individual, including the individual's statement and corroborating evidence, shall be disclosed by the department of labor unless consent for disclosure is given by the individual.

(b) If the individual has been discharged or suspended for misconduct connected with the individual's work. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and in cases where the disqualification is due to discharge for misconduct has had earnings from insured work of at least three times the individual's determined weekly benefit amount, except that if an individual is discharged for gross misconduct connected with the individual's work, such individual shall be disqualified for benefits until such individual again becomes employed and has had earnings from insured work of at least eight times such individual's determined weekly benefit amount. In addition, all wage credits attributable to the employment from which the individual was discharged for
gross misconduct connected with the individual's work shall be canceled. No such cancellation of wage credits shall affect prior payments made as a result of a prior separation.

(1) For the purposes of this subsection, "misconduct" is defined as a violation of a duty or obligation reasonably owed the employer as a condition of employment including, but not limited to, a violation of a company rule, including a safety rule, if:
(A) The individual knew or should have known about the rule; (B) the rule was lawful and reasonably related to the job; and (C) the rule was fairly and consistently enforced.

(2) (A) Failure of the employee to notify the employer of an absence and an individual's leaving work prior to the end of such individual's assigned work period without permission shall be considered prima facie evidence of a violation of a duty or obligation reasonably owed the employer as a condition of employment.
(B) For the purposes of this subsection, misconduct shall include, but not be limited to, violation of the employer's reasonable attendance expectations if the facts show:
   (i) The individual was absent or tardy without good cause;
   (ii) the individual had knowledge of the employer's attendance expectation; and
   (iii) the employer gave notice to the individual that future absence or tardiness may or will result in discharge.
(C) For the purposes of this subsection, if an employee disputes being absent or tardy without good cause, the employee shall present evidence that a majority of the employee's absences or tardiness were for good cause. If the employee alleges that the employee's repeated absences or tardiness were the result of health related issues, such evidence shall include documentation from a licensed and practicing health care provider as defined in subsection (a)(1).

(3) (A) The term "gross misconduct" as used in this subsection shall be construed to mean conduct evincing extreme, willful or wanton misconduct as defined by this subsection. Gross misconduct shall include, but not be limited to: (i) Theft; (ii) fraud; (iii) intentional damage to property; (iv) intentional infliction of personal injury; or (v) any conduct that constitutes a felony.

      (a) The test was either:
         (1) Required by law and was administered pursuant to the drug free workplace act, 41 U.S.C. § 701 et seq.;
         (2) administered as part of an employee assistance program or other drug or alcohol treatment program in which the employee was participating voluntarily or as a condition of further employment;
         (3) requested pursuant to a written policy of the employer of which the employee had knowledge and was a required condition of employment;
(4) required by law and the test constituted a required condition of employment for the individual's job; or
(5) there was reasonable suspicion to believe that the individual used, had possession of, or was impaired by alcoholic liquor, cereal malt beverage or a nonprescribed controlled substance while working;
  (b) the test sample was collected either:
    (1) As prescribed by the drug free workplace act, 41 U.S.C. § 701 et seq.;
    (2) as prescribed by an employee assistance program or other drug or alcohol treatment program in which the employee was participating voluntarily or as a condition of further employment;
    (3) as prescribed by the written policy of the employer of which the employee had knowledge and which constituted a required condition of employment;
    (4) as prescribed by a test which was required by law and which constituted a required condition of employment for the individual's job; or
    (5) at a time contemporaneous with the events establishing probable cause;
  (c) the collecting and labeling of a chemical test sample was performed by a licensed health care professional or any other individual certified pursuant to paragraph (b)(3)(A)(iii)(f) or authorized to collect or label test samples by federal or state law, or a federal or state rule or regulation having the force or effect of law, including law enforcement personnel;
  (d) the chemical test was performed by a laboratory approved by the United States department of health and human services or licensed by the department of health and environment, except that a blood sample may be tested for alcohol content by a laboratory commonly used for that purpose by state law enforcement agencies;
  (e) the chemical test was confirmed by gas chromatography, gas chromatography-mass spectroscopy or other comparably reliable analytical method, except that no such confirmation is required for a blood alcohol sample or a breath alcohol test;
  (f) the breath alcohol test was administered by an individual trained to perform breath tests, the breath testing instrument used was certified and operated strictly according to a description provided by the manufacturers and the reliability of the instrument performance was assured by testing with alcohol standards; and
  (g) the foundation evidence establishes, beyond a reasonable doubt, that the test results were from the sample taken from the individual;
  (iv) an individual's refusal to submit to a chemical test or breath alcohol test, provided:
    (a) The test meets the standards of the drug free workplace act, 41 U.S.C. § 701 et seq.;
    (b) the test was administered as part of an employee assistance program or other drug or alcohol treatment program in which the employee was participating voluntarily or as a condition of further employment;
    (c) the test was otherwise required by law and the test constituted a required condition of employment for the individual's job;
    (d) the test was requested pursuant to a written policy of the employer of which the employee had knowledge and was a required condition of employment; or
(e) there was reasonable suspicion to believe that the individual used, possessed or was impaired by alcoholic liquor, cereal malt beverage or a nonprescribed controlled substance while working;

(v) an individual's dilution or other tampering of a chemical test.

(C) For purposes of this subsection:

(i) "Alcohol concentration" means the number of grams of alcohol per 210 liters of breath;

(4) An individual shall not be disqualified under this subsection if the individual is discharged under the following circumstances:

(A) The employer discharged the individual after learning the individual was seeking other work or when the individual gave notice of future intent to quit, except that the individual shall be disqualified after the time at which such individual intended to quit and any individual who commits misconduct after such individual gives notice to such individual's intent to quit shall be disqualified;

(B) the individual was making a good-faith effort to do the assigned work but was discharged due to: (i) Inefficiency; (ii) unsatisfactory performance due to inability, incapacity or lack of training or experience; (iii) isolated instances of ordinary negligence or inadvertence; (iv) good-faith errors in judgment or discretion; or (v) unsatisfactory work or conduct due to circumstances beyond the individual's control; or
(C) the individual's refusal to perform work in excess of the contract of hire.

(e) If the individual has failed, without good cause, to either apply for suitable work when so directed by the employment office of the secretary of labor, or to accept suitable work when offered to the individual by the employment office, the secretary of labor, or an employer, such disqualification shall begin with the week in which such failure occurred and shall continue until the individual becomes reemployed and has had earnings from insured work of at least three times such individual's determined weekly benefit amount. In determining whether or not any work is suitable for an individual, the secretary of labor, or a person or persons designated by the secretary, shall consider the degree of risk involved to health, safety and morals, physical fitness and prior training, experience and prior earnings, length of unemployment and prospects for securing local work in the individual's customary occupation or work for which the individual is reasonably fitted by training or experience, and the distance of the available work from the individual's residence. Notwithstanding any other provisions of this act, an otherwise eligible individual shall not be disqualified for refusing an offer of suitable employment, or failing to apply for suitable employment when notified by an employment office, or for leaving the individual's most recent work accepted during approved training, including training approved under section 236(a)(1) of the trade act of 1974, if the acceptance of or applying for suitable employment or continuing such work would require the individual to terminate approved training and no work shall be deemed suitable and benefits shall not be denied under this act to any otherwise eligible individual for refusing to accept new work under any of the following conditions: (1) If the position offered is vacant due directly to a strike, lockout or other labor dispute; (2) if the remuneration, hours or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; (3) if as a condition of being employed, the individual would be required to join or to resign from or refrain from joining any labor organization; and (4) if the individual left employment as a result of domestic violence, and the position offered does not reasonably accommodate the individual's physical, psychological, safety, or legal needs relating to such domestic violence.

(d) For any week with respect to which the secretary of labor, or a person or persons designated by the secretary, finds that the individual's unemployment is due to a stoppage of work which exists because of a labor dispute or there would have been a work stoppage had normal operations not been maintained with other personnel previously and currently employed by the same employer at the factory, establishment or other premises at which the individual is or was last employed, except that this subsection (d) shall not apply if it is shown to the satisfaction of the secretary of labor, or a person or persons designated by the secretary, that: (1) The individual is not participating in or financing or directly interested in the labor dispute which caused the stoppage of work; and (2) the individual does not belong to a grade or class of workers of which, immediately before the commencement of the stoppage, there were members employed at the premises at which the stoppage occurs any of whom are participating in or financing or directly interested in the dispute. If in any case separate branches of work which are commonly conducted as separate businesses in separate premises are conducted in separate departments of the same premises, each such department shall, for the purpose of this subsection be deemed to be a separate factory, establishment or other premises. For the purposes of this subsection, failure or refusal to cross a picket
line or refusal for any reason during the continuance of such labor dispute to accept the individual's available and customary work at the factory, establishment or other premises where the individual is or was last employed shall be considered as participation and interest in the labor dispute.

(e) For any week with respect to which or a part of which the individual has received or is seeking unemployment benefits under the unemployment compensation law of any other state or of the United States, except that if the appropriate agency of such other state or the United States finally determines that the individual is not entitled to such unemployment benefits, this disqualification shall not apply.

(f) For any week with respect to which the individual is entitled to receive any unemployment allowance or compensation granted by the United States under an act of congress to ex-service men and women in recognition of former service with the military or naval services of the United States.

(g) For the period of five years beginning with the first day following the last week of unemployment for which the individual received benefits, or for five years from the date the act was committed, whichever is the later, if the individual, or another in such individual's behalf with the knowledge of the individual, has knowingly made a false statement or representation, or has knowingly failed to disclose a material fact to obtain or increase benefits under this act or any other unemployment compensation law administered by the secretary of labor. In addition to the penalties set forth in K.S.A. 44-719, and amendments thereto, an individual who has knowingly made a false statement or representation or who has knowingly failed to disclose a material fact to obtain or increase benefits under this act or any other unemployment compensation law administered by the secretary of labor shall be liable for a penalty in the amount equal to 25% of the amount of benefits unlawfully received. Notwithstanding any other provision of law, such penalty shall be deposited into the employment security trust fund.

(h) For any week with respect to which the individual is receiving compensation for temporary total disability or permanent total disability under the workmen's compensation law of any state or under a similar law of the United States.

(i) For any week of unemployment on the basis of service in an instructional, research or principal administrative capacity for an educational institution as defined in subsection (v) of K.S.A. 44-703(v), and amendments thereto, if such week begins during the period between two successive academic years or terms or, when an agreement provides instead for a similar period between two regular but not successive terms during such period or during a period of paid sabbatical leave provided for in the individual's contract, if the individual performs such services in the first of such academic years or terms and there is a contract or a reasonable assurance that such individual will perform services in any such capacity for any educational institution in the second of such academic years or terms.

(j) For any week of unemployment on the basis of service in any capacity other than service in an instructional, research, or administrative capacity in an educational institution, as defined in subsection (v) of K.S.A. 44-703(v), and amendments thereto, if such week begins during the period between two successive academic years or terms if the individual performs such services in the first of such academic years or terms and there is a reasonable assurance that the individual will perform such services in the second of such academic years or terms, except that if benefits are denied to the
individual under this subsection and the individual was not offered an opportunity to
perform such services for the educational institution for the second of such academic
years or terms, such individual shall be entitled to a retroactive payment of benefits for
each week for which the individual filed a timely claim for benefits and for which
benefits were denied solely by reason of this subsection.

(k) For any week of unemployment on the basis of service in any capacity for an
educational institution as defined in subsection (v) of K.S.A. 44-703(v), and
amendments thereto, if such week begins during an established and customary vacation
period or holiday recess, if the individual performs services in the period immediately
before such vacation period or holiday recess and there is a reasonable assurance that
such individual will perform such services in the period immediately following such
vacation period or holiday recess.

(l) For any week of unemployment on the basis of any services, substantially all of
which consist of participating in sports or athletic events or training or preparing to so
participate, if such week begins during the period between two successive sport seasons
or similar period if such individual performed services in the first of such seasons or
similar periods and there is a reasonable assurance that such individual will perform
such services in the later of such seasons or similar periods.

(m) For any week on the basis of services performed by an alien unless such alien
is an individual who was lawfully admitted for permanent residence at the time such
services were performed, was lawfully present for purposes of performing such
services, or was permanently residing in the United States under color of law at the time
such services were performed, including an alien who was lawfully present in the
United States as a result of the application of the provisions of section 212(d)(5) of the
federal immigration and nationality act. Any data or information required of individuals
applying for benefits to determine whether benefits are not payable to them because of
their alien status shall be uniformly required from all applicants for benefits. In the case
of an individual whose application for benefits would otherwise be approved, no
determination that benefits to such individual are not payable because of such
individual's alien status shall be made except upon a preponderance of the evidence.

(n) For any week in which an individual is receiving a governmental or other
pension, retirement or retired pay, annuity or other similar periodic payment under a
plan maintained by a base period employer and to which the entire contributions were
provided by such employer, except that: (1) If the entire contributions to such plan were
provided by the base period employer but such individual's weekly benefit amount
exceeds such governmental or other pension, retirement or retired pay, annuity or other
similar periodic payment attributable to such week, the weekly benefit amount payable
to the individual shall be reduced, but not below zero, by an amount equal to the
amount of such pension, retirement or retired pay, annuity or other similar periodic
payment which is attributable to such week; or (2) if only a portion of contributions to
such plan were provided by the base period employer, the weekly benefit amount
payable to such individual for such week shall be reduced, but not below zero, by the
prorated weekly amount of the pension, retirement or retired pay, annuity or other
similar periodic payment after deduction of that portion of the pension, retirement or
retired pay, annuity or other similar periodic payment that is directly attributable to the
percentage of the contributions made to the plan by such individual; or (3) if the entire
contributions to the plan were provided by such individual, or by the individual and an
employer, or any person or organization, who is not a base period employer, no reduction in the weekly benefit amount payable to the individual for such week shall be made under this subsection; or (4) whatever portion of contributions to such plan were provided by the base period employer, if the services performed for the employer by such individual during the base period, or remuneration received for the services, did not affect the individual's eligibility for, or increased the amount of, such pension, retirement or retired pay, annuity or other similar periodic payment, no reduction in the weekly benefit amount payable to the individual for such week shall be made under this subsection. No reduction shall be made for payments made under the social security act or railroad retirement act of 1974.

(o) For any week of unemployment on the basis of services performed in any capacity and under any of the circumstances described in subsection (i), (j) or (k) which an individual performed in an educational institution while in the employ of an educational service agency. For the purposes of this subsection, the term "educational service agency" means a governmental agency or entity which is established and operated exclusively for the purpose of providing such services to one or more educational institutions.

(p) For any week of unemployment on the basis of service as a school bus or other motor vehicle driver employed by a private contractor to transport pupils, students and school personnel to or from school-related functions or activities for an educational institution, as defined in subsection (v) of K.S.A. 44-703(v), and amendments thereto, if such week begins during the period between two successive academic years or during a similar period between two regular terms, whether or not successive, if the individual has a contract or contracts, or a reasonable assurance thereof, to perform services in any such capacity with a private contractor for any educational institution for both such academic years or both such terms. An individual shall not be disqualified for benefits as provided in this subsection for any week of unemployment on the basis of service as a bus or other motor vehicle driver employed by a private contractor to transport persons to or from nonschool-related functions or activities.

(q) For any week of unemployment on the basis of services performed by the individual in any capacity and under any of the circumstances described in subsection (i), (j), (k) or (o) which are provided to or on behalf of an educational institution, as defined in subsection (v) of K.S.A. 44-703(v), and amendments thereto, while the individual is in the employ of an employer which is a governmental entity, Indian tribe or any employer described in section 501(c)(3) of the federal internal revenue code of 1986 which is exempt from income under section 501(a) of the code.

An individual shall not be disqualified for benefits as provided in this subsection provided:

1. The individual was engaged in full-time employment concurrent with the individual's school attendance;
2. The individual is attending approved training as defined in subsection (s) of K.S.A. 44-703(s), and amendments thereto; or
(3) the individual is attending evening, weekend or limited day time classes, which would not affect availability for work, and is otherwise eligible under subsection (c) of K.S.A. 44-705(c), and amendments thereto.

(s) For any week with respect to which an individual is receiving or has received remuneration in the form of a back pay award or settlement. The remuneration shall be allocated to the week or weeks in the manner as specified in the award or agreement, or in the absence of such specificity in the award or agreement, such remuneration shall be allocated to the week or weeks in which such remuneration, in the judgment of the secretary, would have been paid.

(1) For any such weeks that an individual receives remuneration in the form of a back pay award or settlement, an overpayment will be established in the amount of unemployment benefits paid and shall be collected from the claimant.

(2) If an employer chooses to withhold from a back pay award or settlement, amounts paid to a claimant while they claimed unemployment benefits, such employer shall pay the department the amount withheld. With respect to such amount, the secretary shall have available all of the collection remedies authorized or provided in K.S.A. 44-717, and amendments thereto.

(t) (1) Any applicant for or recipient of unemployment benefits who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary of labor, secretary of commerce or secretary for children and families, and a job skills program approved by the secretary of labor, secretary of commerce or the secretary for children and families. Subject to applicable federal laws, any applicant for or recipient of unemployment benefits who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive unemployment benefits until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of unemployment benefits may be subject to periodic drug screening, as determined by the secretary of labor. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, an applicant for or recipient of unemployment benefits shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from unemployment benefits for a period of 12 months, or until such applicant for or recipient of unemployment benefits completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, an applicant for or a recipient of unemployment benefits shall be terminated from receiving unemployment benefits, subject to applicable federal law.

(2) Any individual who has been discharged or refused employment for failing a preemployment drug screen required by an employer may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any such individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening.

(b) In a criminal case wherein there has been a special allegation, the state shall prove beyond a reasonable doubt that the accused committed the crime with a sexual motivation. The court shall make a finding of fact of whether or not a sexual motivation was present at the time of the commission of the crime, or if a jury trial is had, the jury, if it finds the defendant guilty, also shall find a special verdict as to whether or not the defendant committed the crime with a sexual motivation. This finding shall not be
applied to sex offenses as defined in article 35 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or article 55 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2014 Supp. 21-6419 through \texttt{21-6421-21-6422}, and amendments thereto.  

d) The county or district attorney shall not withdraw the special allegation of sexual motivation without approval of the court through an order of dismissal of the special allegation. The court shall not dismiss this special allegation unless it finds that such an order is necessary to correct an error in the initial charging decision or unless there are evidentiary problems which make proving the special allegation doubtful.

Sec. 20. K.S.A. 2014 Supp. 60-455 is hereby amended to read as follows: 60-455.  
(a) Subject to K.S.A. 60-447, and amendments thereto, evidence that a person committed a crime or civil wrong on a specified occasion, is inadmissible to prove such person's disposition to commit crime or civil wrong as the basis for an inference that the person committed another crime or civil wrong on another specified occasion.

(b) Subject to K.S.A. 60-445 and 60-448, and amendments thereto, such evidence is admissible when relevant to prove some other material fact including motive, opportunity, intent, preparation, plan, knowledge, identity or absence of mistake or accident.

c) Subject to K.S.A. 60-445 and 60-448, and amendments thereto, in any criminal action other than a criminal action in which the defendant is accused of a sex offense under articles 34, 35 or 36 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54, 55 or 56 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2014 Supp. 21-6104, 21-6325, 21-6326 or \texttt{21-6418-21-6419} through \texttt{21-6421-21-6422}, and amendments thereto, such evidence is admissible to show the modus operandi or general method used by a defendant to perpetrate similar but totally unrelated crimes when the method of committing the prior acts is so similar to that utilized in the current case before the court that it is reasonable to conclude the same individual committed both acts.

d) Except as provided in K.S.A. 60-445, and amendments thereto, in a criminal action in which the defendant is accused of a sex offense under articles 34, 35 or 36 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54, 55 or 56 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2014 Supp. 21-6104, 21-6325, 21-6326 or \texttt{21-6418-21-6419} through \texttt{21-6421-21-6422}, and amendments thereto, evidence of the defendant's commission of another act or offense of sexual misconduct is admissible, and may be considered for its bearing on any matter to which it is relevant and probative.

e) In a criminal action in which the prosecution intends to offer evidence under this rule, the prosecuting attorney shall disclose the evidence to the defendant, including statements of witnesses, at least 10 days before the scheduled date of trial or at such later time as the court may allow for good cause.

(f) This rule shall not be construed to limit the admission or consideration of evidence under any other rule or to limit the admissibility of the evidence of other crimes or civil wrongs in a criminal action under a criminal statute other than in articles 34, 35 or 36 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54, 55 or 56 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 2014 Supp. 21-6104, 21-6325, 21-6326 or \texttt{21-6418-21-6419} through \texttt{21-6421-21-6422}, and amendments thereto.

(3) board deems reasonable, because the victim was likely engaging in, or attempting to engage in, unlawful activity at the time of the crime upon which the claim for compensation is based. This subsection shall not be construed to reduce or deny compensation to a victim of domestic abuse or sexual assault.

(d) Compensation may be awarded only if the board finds that unless the claimant is awarded compensation the claimant will suffer financial stress as the result of economic loss otherwise reparable. A claimant suffers financial stress only if the claimant cannot maintain the claimant's customary level of health, safety and education for self and dependents without undue financial hardship. In making its determination...
of financial stress, the board shall consider all relevant factors, including:

(1) The number of claimant's dependents;
(2) the usual living expenses of the claimant and the claimant's family;
(3) the special needs of the claimant and the claimant's dependents;
(4) the claimant's income and potential earning capacity; and
(5) the claimant's resources.

(e) Compensation may not be awarded unless the criminally injurious conduct resulting in injury or death was reported to a law enforcement officer within 72 hours after its occurrence or the board finds there was good cause for the failure to report within that time.

(f) The board, upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies, may deny, withdraw or reduce an award of compensation.

(g) Except in K.S.A. 21-3602 or 21-3603, prior to their repeal, or K.S.A. 2014 Supp. 21-5604, and amendments thereto, or cases of sex offenses established in article 35 of chapter 21, of the Kansas Statutes Annotated, prior to their repeal, or article 55 of chapter 21 of the Kansas Statutes Annotated, or amendments thereto, K.S.A. 2014 Supp. 21-6419 through 21-6424, 21-6422, and amendments thereto, or human trafficking or aggravated human trafficking, as defined in K.S.A. 21-3446 or 21-3447, prior to their repeal, or K.S.A. 2014 Supp. 21-5426, and amendments thereto, compensation may not be awarded if the economic loss is less than $100.

(h) Compensation for work loss, replacement services loss, dependent's economic loss and dependent's replacement service loss may not exceed $400 per week or actual loss, whichever is less.

(i) Compensation payable to a victim and to all other claimants sustaining economic loss because of injury to or death of that victim may not exceed $25,000 in the aggregate.

EXPLANATION OF VOTE

Madam President: This legislation preempts the ability of cities or counties to enforce any ordinance, resolution or regulation relating to the sale of firearms by an individual in their home. These local units of government have a responsibility to their citizens to use the planning and zoning process to regulate home sales. Is a gun and ammunition home sale business safer for a neighborhood than a home hair salon? This legislation removes all local control. I vote “No” on HB 2331. —Pat Pettey

Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. EXPLANATION OF VOTE

Mr. Chairman: I vote to "Pass" on the amendment to create the income tax exclusion
for some individuals. I do not believe the way the proposal is structured is fair. It will
create a "cliff" in tax rates by exempting individuals with taxable incomes of $5,000 or
married individuals filing joint returns with taxable incomes of $12,500 yet charging the
full tax due to those making just one dollar more so they end up with less. There was
some discussion that this would make up for eliminating the food sales tax rebate and
the increase in sales tax but with no information about who this would help or if it is the
best way to help. I understand that the reductions in income tax have created the
shortfalls in revenue. This is one more proposal to eliminate income tax with the cost
proposed to be paid by raising sales taxes. I will continue to work on proposals to make
our Kansas taxes fair, balanced, and stable. —MARCI FRANCISCO

Part 2 raises the sales and compensating use tax to 6.5% as of July 1, 2015 and
changes the rate on food to 6% on January 1, 2016 and is contained in sections 7, 8, 9,
10, 22 and 23.

Upon the showing of five hands a roll call vote was requested.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, In Exodus 3:7, You told Moses that You could surely see the significant problems the people were facing. You told him that You heard the people’s cries for help and that You were aware of their distress. As we come to You today, we know You see what we’re facing and You hear our cries for help. Then in verse 8, You gave Moses some real encouraging words. You said You had come to the rescue and would bring them into a land of plenty. But in verse 10, Your words seemed to take a turn. After telling Moses what You were going to do for the people, You told him with his human limitations to go and do it. Lord, like Moses, we’re mere human beings, charged with the responsibility of leading the people into a place of plenty. The magnitude of what we’re facing and the responsibility of it, in view of our finiteness and our differing opinions, is so overwhelming that it often feels like it’s too much for us. But to relieve Moses’ concern over the heaviness of his charge, the promising words You spoke to him were “I’LL BE WITH YOU.” And Lord, that’s what we really need to remember. In view of the gravity of what we’re trying to accomplish, remind us to rest on Your promise in Hebrews 13:5, that even during times of financial struggle, we can be content that You’ll never leave us nor forsake us. Thank You Lord for Your Words of assurance. In Jesus name. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

(a) Without a majority vote so providing, the governing body of any municipality shall not approve any appropriation or budget, as the case requires, which may be funded by revenue produced from property taxes, and which provides for funding with such revenue in an amount exceeding that of the next preceding year, adjusted to reflect
changes in the consumer price index for all urban consumers as published by the United States department of labor for the preceding calendar year. If the total tangible property valuation in any municipality increases from the next preceding year due to increases in the assessed valuation of existing tangible property and such increase exceeds changes in the consumer price index, the governing body shall lower the amount of ad valorem tax to be levied to the amount of ad valorem tax levied in the next preceding year, adjusted to reflect changes in the consumer price index. This subsection shall not apply to ad valorem taxes levied under K.S.A. 76-6b01 and 76-6b04 and section 11 of 2015 House Substitute for Senate Bill No. 7, and amendments thereto, and any other ad valorem tax levy which was previously approved by the voters of such municipality. Except as provided in subsection (g), notwithstanding the requirements of this subsection, nothing herein shall prohibit a municipality from increasing the amount of ad valorem tax to be levied if the municipality approves the increase with a majority vote of the governing body by the adoption of a resolution and publishes such vote as provided in subsection (c).

(1) New improvements to real property;
(2) increased personal property valuation, other than increased valuation of oil and gas leases and mobile homes;

d) The provisions of this section shall be applicable to all fiscal and budget years commencing on and after the effective date of this act.

e) The provisions of this section shall not apply to revenue received from property tax levied for the sole purpose of repayment of the principal of and interest upon bonded indebtedness, temporary notes and no-fund warrants.

(f) For purposes of this section, "municipality" means any political subdivision of the state which levies an ad valorem tax on property and includes, but is not limited to, any county, township, municipal university, school district, community college, drainage district or other taxing district. "Municipality" shall not include any such political subdivision or taxing district which receives $1,000 or less in revenue from property taxes in the current year.

g) In the case of cities and counties, a resolution authorizing the adoption of any appropriation or budget under subsection (a) shall not become effective unless such resolution has been submitted to and approved by a majority of the qualified electors of the city or county voting at an election called and held thereon. The election shall be held at the next regularly scheduled election. Nothing in this subsection shall prevent any city or county from holding more than one election in any year.";

EXPLANATION OF VOTE

Mr. Chair: I Vote “No” on the amendment offered by Senator King. This amendment basically strips out of the bill much of the debate and the hard work of the Senate which has occurred over the last twelve days. It makes a waste of precious time of almost two weeks. Many of my constituents (many of our constituents, Mr. Chair), actually expect us to come to the Senate to represent them and their opinions, reflect their voices, by our amendments and our votes through debate and legislation. That is precisely what we have all attempted to do here over these last, soon, thirteen days of “overtime;” past the ninety days accorded every “regular” session. With this amendment, the decisions of this crucial, time-consuming and tax-payer expensive, bill will be left in the hands of only six (actually FOUR) conference committee legislators. This is pure, simple abdication of our individual and collective elected responsibilities as Kansas Senators. Again, the only truly responsible vote for this amendment is “No.” Accordingly, I do.—

DAVID HALEY

Senator Faust-Goudeau requests the record to show she concurs with the "Explanation of Vote" offered by Senator Haley on S Sub HB 2109.

Journal of the Senate
SEVENTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, June 3, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Arpke was excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, In view of our financial predicament, a principle that You’ve given
to guide our decisions is found in Luke 16:10. You said, whoever can be trusted with
little can also be trusted with much. With that in mind, Lord, this seems to be a time
when You’re trusting us with little. What we have is very little in view of what we need.
And there’s a real struggle going on, trying to be trustworthy. Lord, guide our
stewardship over whatever resources there are that we might prove worthy of Your trust.
And as we’re going through, help us pass the test of the “little,” looking forward to the
test of the “much.” Take us through this time of testing to a time of testimony. And
when the struggles of these days are well behind us, let our testimony be like that of
King David. You said he was a man after Your own heart as You placed him in
leadership (I Samuel 13:14.) Later, as he reflected on how You blessed him, he
exclaimed in Psalm 37:25, that he had, at one time, been young and was now old, yet
had never seen the righteous forsaken or their children begging for bread. Like David,
You’ve entrusted us with leadership responsibility. Like David, give us hearts after You.
Let the “little” in our state’s resources, be blessed by Your hand. And like David, we’ll
look back in gratefulness when You’re trusting us with the “much”! In the name of
Jesus. Amen

The Pledge of Allegiance was led by President Susan Wagle.

On motion of Senator Bruce an emergency was declared by a 2/3 constitutional majority, and **S Sub HB 2109** was advanced to Final Action and roll call.

**S Sub HB 2109**, AN ACT concerning taxation; relating to tax amnesty; income tax, eligibility for credits; property tax exemptions; sales and compensating use tax, exemptions; income tax, subtraction modifications; motor vehicle taxation; sales and compensating use tax, rates, distribution thereof; amending K.S.A. 79-5108 and K.S.A. 2014 Supp. 79-201, as amended by section 4 of 2015 Senate Bill No. 91, 79-32,117, 79-32,265, 79-3603, as amended by section 20 of 2015 Senate Substitute for House Bill No. 2155, 79-3606, 79-3620, 79-3703 and 79-3710 and repealing the existing sections.

On roll call, the vote was: Yeas 25; Nays 13; Present and Passing 1; Absent or Not Voting 1.

Present and Passing: Holland.

Absent or Not Voting: Arpke.

The substitute bill passed, as amended.

**EXPLANATION OF VOTE**

Madam President: I vote “Aye” on **S Sub HB 2109**, hoping that the House will non-concur and that the bill will go to conference committee. The Senate is obligated to address the shortfall in the budget. Now, after full debate, I hope the conference committee will make recommendations to set our tax policy in a direction that is more fair, balanced, and stable. I appreciate the support in the Senate for including the proposal for a bifurcated sales tax that sets a lower rate on sales of food. I agree with the proposals to repeal the “by and on behalf of” in sales tax exemptions, continue to send letters for motor vehicle tax notification, and correct the tax treatment for Christmas tree farms. I would like hearings before some other policies added in amendments on the floor are recommended, especially the requirement for cities and counties to hold elections if increases in their budgets funded by revenue produced from the total tangible property valuation exceeds the change in the consumer price index. The legislature should work to keep property tax increases to a minimum by including appropriate levels of funding for infrastructure and services in the state budget.—**MARCI FRANCISCO**

Madam President: I vote "No" on **S Sub HB 2109**. In a speech Governor Brownback made earlier this year he blamed the Kansas Legislature for our budget shortfall. One of my favorite Presidents, Harry Truman, made one of the most difficult decisions in American history – to drop the atom bomb on two cities in Japan to end World War II. There was a sign on Truman’s desk that stated, “The buck stops here.” If there were a sign on Sam Brownback’s desk it would read, “The buck stops anywhere but here.”
This bill is the result of a Governor who either intentionally refuses to lead or doesn’t know how to. The Governor blames everyone else for our budget shortfall but himself. The legendary UCLA basketball coach John Wooden once said, “You are not a failure until you start blaming others for your mistakes.” This bill is also the result of a Governor who, in the 2012 primary elections, wanted to change the makeup of the Kansas Senate. He got exactly what he wanted. And, now the order of the day is gridlock and dysfunction, which at the end of the day, I predict, will result in the largest tax increase in Kansas history.—ANTHONY HENSLEY

Madam President: I ran for the senate on cutting taxes and forcing government to live within its means. Squaring that with some of the realities we face this session has been difficult. A vote to pass out this incomplete bill was an impossibility for me until yesterday. Property tax reform is enabling me to vote yes today and in part will enable me to vote yes on future conference committee reports. It has been estimated that if a property tax lid were in place it could have potentially saved Kansas tax payers over five billion dollars in the last 17 years. It is also estimated that in the next ten years it could potentially save Kansans over $2.2 billion in property tax increases. This reform will make a tangible difference in our constituents lives, and it will make our state more competitive regionally. I vote yes today so this will be the senate position and trust that our conferees will use a position that was strongly endorsed by this body in future conference committee reports. I vote "Yes" on S Sub HB 2109, Madam President.—JACOB LATURNER

Senators Pilcher-Cook and Smith request the record to show they concur with the “Explanation of Vote” offered by Senator LaTurner on S Sub HB 2109.

Madam President: I am voting against S Sub HB 2109 for several reasons, but primarily due to a particularly egregious attack on local government that was put on the bill yesterday in the form of a previously unconsidered floor amendment. The amendment would tie the hands of local elected officials through an unrealistic property tax lid that does not take into account community growth for which local governments have to build infrastructure. Finally, the amendment is just one more example of the legislature refusing to recognize all of the costs that counties are forced to pay for through property taxes as the legislature rejects more and more of its own responsibility. I believe government closest to the people is best.—CARYLON MCGINN

Senator Pettay requests the record to show she concurs with the "Explanation of Vote" offered by Senator McGinn on S Sub HB 2109.

Invocation by Reverend Cecil T. Washington:

Gracious Father, In the same way that Moses, Your leader got tired...got weary, the leaders here get tired and weary. But Lord, You said, in Galatians 6:9, that we’re not to get tired of helping others. Yet and still, we do. It gets tedious in here. At one point, in Exodus 18:18, Moses’ father-in-law told him he was going to wear himself out trying to carry the weight of all those people. So, Lord, there’s a struggle...a tension that exists between the will to keep on going and the desire to just shut it down, rest and say “I’m out of here!” In Exodus 17:12, Moses had gotten weary of holding up his hands in seeking You for success. But some friends showed up, and helped hold him up, until victory for the people was achieved. Lord, even though we get weary IN this work, we’re not to weary OF it. You said, in Isaiah 40:31, that they who wait upon You, will have their strength renewed. So, Lord we’re looking to You to keep us energized and would You also bless us with some praying friends, to help hold us up? In the precious name of our Savior. Amen and Amen

The Pledge of Allegiance was led by President Susan Wagle.

On motion of Senator Bruce, the Senate recessed until 2:00 p.m.

The Senate met pursuant to recess with President Wagle in the chair.

   (5) assign the defendant to a conservation camp for a period not to exceed six months as a condition of probation followed by a six-month period of follow-up through adult intensive supervision by a community correctional services program, if the offender successfully completes the conservation camp program;

   (6) assign the defendant to a house arrest program pursuant to K.S.A. 2014 Supp. 21-6609, and amendments thereto;

   (7) order the defendant to attend and satisfactorily complete an alcohol or drug education or training program as provided by subsection (c) of K.S.A. 2014 Supp. 21-6602(c), and amendments thereto;

   (8) order the defendant to repay the amount of any reward paid by any crime
stoppers chapter, individual, corporation or public entity which materially aided in the apprehension or conviction of the defendant; repay the amount of any costs and expenses incurred by any law enforcement agency in the apprehension of the defendant, if one of the current crimes of conviction of the defendant includes escape from custody or aggravated escape from custody, as defined in K.S.A. 2014 Supp. 21-5911, and amendments thereto; repay expenses incurred by a fire district, fire department or fire company responding to a fire which has been determined to be arson or aggravated arson as defined in K.S.A. 2014 Supp. 21-5812, and amendments thereto, if the defendant is convicted of such crime; repay the amount of any public funds utilized by a law enforcement agency to purchase controlled substances from the defendant during the investigation which leads to the defendant's conviction; or repay the amount of any medical costs and expenses incurred by any law enforcement agency or county. Such repayment of the amount of any such costs and expenses incurred by a county, law enforcement agency, fire district, fire department or fire company or any public funds utilized by a law enforcement agency shall be deposited and credited to the same fund from which the public funds were credited to prior use by the county, law enforcement agency, fire district, fire department or fire company;

(9) order the defendant to pay the administrative fee authorized by K.S.A. 22-4529, and amendments thereto, unless waived by the court;

(10) order the defendant to pay a domestic violence special program fee authorized by K.S.A. 20-369, and amendments thereto;

(11) if the defendant is convicted of a misdemeanor or convicted of a felony specified in subsection (i) of K.S.A. 2014 Supp. 21-6804(i), and amendments thereto, assign the defendant to work release program, other than a program at a correctional institution under the control of the secretary of corrections as defined in K.S.A. 75-5202, and amendments thereto, provided such work release program requires such defendant to return to confinement at the end of each day in the work release program. On a second or subsequent conviction of K.S.A. 8-1567, and amendments thereto, an offender placed into a work release program shall serve the total number of hours of confinement mandated by that section;

(12) order the defendant to pay the full amount of unpaid costs associated with the conditions of release of the appearance bond under K.S.A. 22-2802, and amendments thereto;

(13) impose any appropriate combination of (1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11) and (12); or

(14) suspend imposition of sentence in misdemeanor cases.

(b) (1) In addition to or in lieu of any of the above, the court shall order the defendant to pay restitution, which shall include, but not be limited to, damage or loss caused by the defendant's crime, unless the court finds compelling circumstances which would render a plan of restitution unworkable. In regard to a violation of K.S.A. 2014 Supp. 21-6107, and amendments thereto, such damage or loss shall include, but not be limited to, attorney fees and costs incurred to repair the credit history or rating of the person whose personal identification documents were obtained and used in violation of such section, and to satisfy a debt, lien or other obligation incurred by the person whose personal identification documents were obtained and used in violation of such section. In regard to a violation of K.S.A. 2014 Supp. 21-5801, 21-5807 or 21-5813, and amendments thereto, such damage or loss shall include the cost of repair or replacement
of the property that was damaged, the reasonable cost of any loss of production, crops and livestock, reasonable labor costs of any kind, reasonable material costs of any kind and any reasonable costs that are attributed to equipment that is used to abate or repair the damage to the property. If the court finds a plan of restitution unworkable, the court shall state on the record in detail the reasons therefor.

(2) If the court orders restitution, the restitution shall be a judgment against the defendant which may be collected by the court by garnishment or other execution as on judgments in civil cases. If, after 60 days from the date restitution is ordered by the court, a defendant is found to be in noncompliance with the plan established by the court for payment of restitution, and the victim to whom restitution is ordered paid has not initiated proceedings in accordance with K.S.A. 60-4301 et seq., and amendments thereto, the court shall assign an agent procured by the attorney general pursuant to K.S.A. 75-719, and amendments thereto, to collect the restitution on behalf of the victim. The chief judge of each judicial district may assign such cases to an appropriate division of the court for the conduct of civil collection proceedings.

(c) In addition to or in lieu of any of the above, the court shall order the defendant to submit to and complete an alcohol and drug evaluation, and pay a fee therefor, when required by subsection (d) of K.S.A. 2014 Supp. 21-6602(d), and amendments thereto.

(d) In addition to any of the above, the court shall order the defendant to reimburse the county general fund for all or a part of the expenditures by the county to provide counsel and other defense services to the defendant. Any such reimbursement to the county shall be paid only after any order for restitution has been paid in full. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment.

(e) In releasing a defendant on probation, the court shall direct that the defendant be under the supervision of a court services officer. If the court commits the defendant to the custody of the secretary of corrections or to jail, the court may specify in its order the amount of restitution to be paid and the person to whom it shall be paid if restitution is later ordered as a condition of parole, conditional release or postrelease supervision.

(f) (1) When a new felony is committed while the offender is incarcerated and serving a sentence for a felony, or while the offender is on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony, a new sentence shall be imposed consecutively pursuant to the provisions of K.S.A. 2014 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(2) When a new felony is committed during a period of time during which the defendant would have been on probation, assignment to a community correctional services program, parole, conditional release or postrelease supervision for a felony had
the defendant not been granted release by the court pursuant to subsection (d) of K.S.A. 2014 Supp. 21-6608(d), and amendments thereto, or the prisoner review board pursuant to K.S.A. 22-3717, and amendments thereto, the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(3) When a new felony is committed while the offender is incarcerated in a juvenile correctional facility pursuant to K.S.A. 38-1671, prior to its repeal, or K.S.A. 2014 Supp. 38-2373, and amendments thereto, for an offense, which if committed by an adult would constitute the commission of a felony, upon conviction, the court shall sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure. The conviction shall operate as a full and complete discharge from any obligations, except for an order of restitution, imposed on the offender arising from the offense for which the offender was committed to a juvenile correctional facility.

(4) When a new felony is committed while the offender is on release for a felony pursuant to the provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto, or similar provisions of the laws of another jurisdiction, a new sentence may be imposed consecutively pursuant to the provisions of K.S.A. 2014 Supp. 21-6606, and amendments thereto, and the court may sentence the offender to imprisonment for the new conviction, even when the new crime of conviction otherwise presumes a nonprison sentence. In this event, imposition of a prison sentence for the new crime does not constitute a departure.

(g) Prior to imposing a dispositional departure for a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, prior to sentencing a defendant to incarceration whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2014 Supp. 21-6824, and amendments thereto, prior to revocation of a nonprison sanction of a defendant whose offense is classified in grid blocks 4-E or 4-F of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and whose offense does not meet the requirements of K.S.A. 2014 Supp. 21-6824, and amendments thereto, or prior to revocation of a nonprison sanction of a defendant whose offense is classified in the presumptive nonprison grid block of either sentencing guideline grid or grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, the court shall consider placement of the
defendant in the Labette correctional conservation camp, conservation camps established by the secretary of corrections pursuant to K.S.A. 75-52,127, and amendments thereto, or a community intermediate sanction center. Pursuant to this subsection the defendant shall not be sentenced to imprisonment if space is available in a conservation camp or community intermediate sanction center and the defendant meets all of the conservation camp's or community intermediate sanction center's placement criteria unless the court states on the record the reasons for not placing the defendant in a conservation camp or community intermediate sanction center.

(h) In committing a defendant to the custody of the secretary of corrections, the court shall fix a term of confinement within the limits provided by law. In those cases where the law does not fix a term of confinement for the crime for which the defendant was convicted, the court shall fix the term of such confinement.

(i) In addition to any of the above, the court shall order the defendant to reimburse the state general fund for all or part of the expenditures by the state board of indigents' defense services to provide counsel and other defense services to the defendant. In determining the amount and method of payment of such sum, the court shall take account of the financial resources of the defendant and the nature of the burden that payment of such sum will impose. A defendant who has been required to pay such sum and who is not willfully in default in the payment thereof may at any time petition the court which sentenced the defendant to waive payment of such sum or any unpaid portion thereof. If it appears to the satisfaction of the court that payment of the amount due will impose manifest hardship on the defendant or the defendant's immediate family, the court may waive payment of all or part of the amount due or modify the method of payment. The amount of attorney fees to be included in the court order for reimbursement shall be the amount claimed by appointed counsel on the payment voucher for indigents' defense services or the amount prescribed by the board of indigents' defense services reimbursement tables as provided in K.S.A. 22-4522, and amendments thereto, whichever is less.

(j) This section shall not deprive the court of any authority conferred by any other Kansas statute to decree a forfeiture of property, suspend or cancel a license, remove a person from office or impose any other civil penalty as a result of conviction of crime.

(k) An application for or acceptance of probation or assignment to a community correctional services program shall not constitute an acquiescence in the judgment for purpose of appeal, and any convicted person may appeal from such conviction, as provided by law, without regard to whether such person has applied for probation, suspended sentence or assignment to a community correctional services program.

(l) The secretary of corrections is authorized to make direct placement to the Labette correctional conservation camp or a conservation camp established by the secretary pursuant to K.S.A. 75-52,127, and amendments thereto, of an inmate sentenced to the secretary's custody if the inmate:

1. Has been sentenced to the secretary for a probation revocation, as a departure from the presumptive nonimprisonment grid block of either sentencing grid, for an offense which is classified in grid blocks 5-H, 5-I or 6-G of the sentencing guidelines grid for nondrug crimes, in grid blocks 3-E, 3-F, 3-G, 3-H or 3-I of the sentencing guidelines grid for drug crimes committed prior to July 1, 2012, in grid blocks 4-E, 4-F, 4-G, 4-H or 4-I of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, or for an offense which is classified in grid blocks 4-E or 4-F of the
sentencing guidelines grid for drug crimes committed prior to July 1, 2012, or in grid blocks 5-C, 5-D, 5-E or 5-F of the sentencing guidelines grid for drug crimes committed on or after July 1, 2012, and such offense does not meet the requirements of K.S.A. 2014 Supp. 21-6824, and amendments thereto; and

(2) otherwise meets admission criteria of the camp.

If the inmate successfully completes a conservation camp program, the secretary of corrections shall report such completion to the sentencing court and the county or district attorney. The inmate shall then be assigned by the court to six months of follow-up supervision conducted by the appropriate community corrections services program. The court may also order that supervision continue thereafter for the length of time authorized by K.S.A. 2014 Supp. 21-6608, and amendments thereto.

(m) When it is provided by law that a person shall be sentenced pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, the provisions of this section shall not apply.

(n) (1) Except as provided by subsection (l) of K.S.A. 2014 Supp. 21-6630 and 21-6805, and amendments thereto, in addition to any of the above, for felony violations of K.S.A. 2014 Supp. 21-5706, and amendments thereto, the court shall require the defendant who meets the requirements established in K.S.A. 2014 Supp. 21-6824, and amendments thereto, to participate in a certified drug abuse treatment program, as provided in K.S.A. 2014 Supp. 75-52,144, and amendments thereto, including, but not limited to, an approved after-care plan. The amount of time spent participating in such program shall not be credited as service on the underlying prison sentence.

(2) If the defendant fails to participate in or has a pattern of intentional conduct that demonstrates the defendant's refusal to comply with or participate in the treatment program, as established by judicial finding, the defendant shall be subject to sanction or revocation pursuant to the provisions of K.S.A. 22-3716, and amendments thereto. If the defendant's probation is revoked, the defendant shall serve the underlying prison sentence as established in K.S.A. 2014 Supp. 21-6805, and amendments thereto.

(A) Except as provided in subsection (n)(2)(B), for those offenders who are convicted on or after July 1, 2003, but prior to July 1, 2013, upon completion of the underlying prison sentence, the offender shall not be subject to a period of postrelease supervision.

(B) Offenders whose crime of conviction was committed on or after July 1, 2013, and whose probation is revoked pursuant to subsection (c) of K.S.A. 22-3716, and amendments thereto, or whose underlying prison term expires while serving a sanction pursuant to subsection (c)(1)(C) or (c)(1)(D) of K.S.A. 22-3716(c)(1)(C) or (c)(1)(D), and amendments thereto, shall serve a period of postrelease supervision upon the completion of the underlying prison term.

(o) (1) Except as provided in paragraph (3), in addition to any other penalty or disposition imposed by law, upon a conviction for unlawful possession of a controlled substance or controlled substance analog in violation of K.S.A. 2014 Supp. 21-5706, and amendments thereto, in which the trier of fact makes a finding that the unlawful possession occurred while transporting the controlled substance or controlled substance analog in any vehicle upon a highway or street, the offender's driver's license or privilege to operate a motor vehicle on the streets and highways of this state shall be suspended for one year.

(2) Upon suspension of a license pursuant to this subsection, the court shall require the person to surrender the license to the court, which shall transmit the license to the
division of motor vehicles of the department of revenue, to be retained until the period
of suspension expires. At that time, the licensee may apply to the division for return of
the license. If the license has expired, the person may apply for a new license, which
shall be issued promptly upon payment of the proper fee and satisfaction of other
conditions established by law for obtaining a license unless another suspension or
revocation of the person's privilege to operate a motor vehicle is in effect.

(3) (A) In lieu of suspending the driver's license or privilege to operate a motor
vehicle on the highways of this state of any person as provided in paragraph (1), the
judge of the court in which such person was convicted may enter an order which places
conditions on such person's privilege of operating a motor vehicle on the highways of
this state, a certified copy of which such person shall be required to carry any time such
person is operating a motor vehicle on the highways of this state. Any such order shall
prescribe the duration of the conditions imposed, which in no event shall be for a period
of more than one year.

(B) Upon entering an order restricting a person's license hereunder, the judge shall
require such person to surrender such person's driver's license to the judge who shall
cause it to be transmitted to the division of vehicles, together with a copy of the order.
Upon receipt thereof, the division of vehicles shall issue without charge a driver's
license which shall indicate on its face that conditions have been imposed on such
person's privilege of operating a motor vehicle and that a certified copy of the order
imposing such conditions is required to be carried by the person for whom the license
was issued any time such person is operating a motor vehicle on the highways of this
state. If the person convicted is a nonresident, the judge shall cause a copy of the order
to be transmitted to the division and the division shall forward a copy of it to the motor
vehicle administrator of such person's state of residence. Such judge shall furnish to any
person whose driver's license has had conditions imposed on it under this paragraph a
copy of the order, which shall be recognized as a valid Kansas driver's license until such
time as the division shall issue the restricted license provided for in this paragraph.

(C) Upon expiration of the period of time for which conditions are imposed
pursuant to this subsection, the licensee may apply to the division for the return of the
license previously surrendered by such licensee. In the event such license has expired,
such person may apply to the division for a new license, which shall be issued
immediately by the division upon payment of the proper fee and satisfaction of the
other conditions established by law, unless such person's privilege to operate a motor
vehicle on the highways of this state has been suspended or revoked prior thereto. If any
person shall violate any of the conditions imposed under this paragraph, such person's
driver's license or privilege to operate a motor vehicle on the highways of this state
shall be revoked for a period of not less than 60 days nor more than one year by the
judge of the court in which such person is convicted of violating such conditions.

(4) As used in this subsection, "highway" and "street" mean the same as in K.S.A.
8-1424 and 8-1473, and amendments thereto.

(p) In addition to any of the above, for any criminal offense that includes the
domestic violence designation pursuant to K.S.A. 2014 Supp. 22-4616, and
amendments thereto, the court shall require the defendant to: (1) Undergo a domestic
violence offender assessment conducted by a certified batterer intervention program;
and (2) follow all recommendations made by such program, unless otherwise ordered
by the court or the department of corrections. The court may order a domestic violence
offender assessment and any other evaluation prior to sentencing if the assessment or evaluation would assist the court in determining an appropriate sentence. The entity completing the assessment or evaluation shall provide the assessment or evaluation and recommendations to the court and the court shall provide the domestic violence offender assessment to any entity responsible for supervising such defendant. A defendant ordered to undergo a domestic violence offender assessment shall be required to pay for the assessment and, unless otherwise ordered by the court or the department of corrections, for completion of all recommendations.

(q) In imposing a fine, the court may authorize the payment thereof in installments. In lieu of payment of any fine imposed, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed by the later of one year after the fine is imposed or one year after release from imprisonment or jail, or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance shall become due on that date. If conditional reduction of any fine is rescinded by the court for any reason, then pursuant to the court's order the person may be ordered to perform community service by one year after the date of such rescission or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date. All credits for community service shall be subject to review and approval by the court.

(r) In addition to any other penalty or disposition imposed by law, for any defendant sentenced to imprisonment pursuant to K.S.A. 21-4643, prior to its repeal, or K.S.A. 2014 Supp. 21-6627, and amendments thereto, for crimes committed on or after July 1, 2006, the court shall order that the defendant be electronically monitored upon release from imprisonment for the duration of the defendant's natural life and that the defendant shall reimburse the state for all or part of the cost of such monitoring as determined by the prisoner review board.

(s) Whenever the court has released the defendant on probation pursuant to subsection (a)(3), the defendant's supervising court services officer, with the concurrence of the chief court services officer, may impose the violation sanctions as provided in subsection (e)(1)(D) of K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court, unless:

1. The court has specifically withheld this authority in its sentencing order; or
2. the defendant, after being apprised of the right to a revocation hearing before the court pursuant to subsection (b) of K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

(t) Whenever the court has assigned the defendant to a community correctional services program pursuant to subsection (a)(4), the defendant's community corrections officer, with the concurrence of the community corrections director, may impose the violation sanctions as provided in subsection (e)(1)(B) of K.S.A. 22-3716(c)(1)(B), and amendments thereto, without further order of the court unless:

1. The court has specifically withheld this authority in its sentencing order; or
2. the defendant, after being apprised of the right to a revocation hearing before
the court pursuant to subsection (b) of K.S.A. 22-3716(b), and amendments thereto, refuses to waive such right.

Sec. 11. K.S.A. 2014 Supp. 21-6804 is hereby amended to read as follows: 21-6804. (a) The provisions of this section shall be applicable to the sentencing guidelines grid for nondrug crimes. The following sentencing guidelines grid shall be applicable to nondrug felony crimes:

conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2014 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

Journal of the Senate

EIGHTY-FIRST DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, June 5, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 39 senators present.
Senator Arpke was excused.
The President introduced Pastor Gary Roten, interim pastor at Emmanuel Baptist Church in Topeka, who delivered the invocation:

Our Heavenly Father, You are the same yesterday, today, and tomorrow. We praise Your holy name. The Bible says, Psalm 61:1-2: God, hear my cry for help. Listen to my prayer. From a place far away I call out to you. I call out as my heart gets weaker. Lead me to the safety of a rock that is high above me. As a United States citizen . . . As a Kansas citizen . . . Jesus, as a Christian, I cry out to you this morning. Hear my cry. Currently in our state we are hearing a lot about money. We hear the words like taxes, gas prices, groceries prices, jobs, renewable energy, need to invest, need to spend, need to cut spending . . . We hear about healthcare cost, wasting money, we need to provide for education . . . we hear we need to get control of costs and rebuild our economy. We are hearing the state is not receiving enough taxes to fund current programs. Those who now gather have decisions to make . . . Those who now gather carry the burden of choosing the direction for our state. Give them the wisdom to solve our state’s funding and budget challenges. Give them the courage to solve our state’s funding and budget challenges. Help them. Guide them. I also pray for the individuals in this room . . . Some of them are also carrying burdens and worries in their personal life. You also brought me here this morning to acknowledge that you love them, know of their challenge and your desire for them to trust you. The Bible says, Psalm 55:22 “Turn your worries over to the Lord. He will keep you going. He will never let godly people fall.” Also, help them . . . guide them . . . Bless them. Jesus, also hear this . . . I know the Bible says Psalm 27:7 “Lord, hear my voice when I call out to you. Show me your favor and answer me.” This morning we have called out to you . . . we have cried to you . . . we do ask you to be gracious and answer our prayer . . . In Jesus name I pray . . . Amen

The Pledge of Allegiance was led by President Susan Wagle.

Invocation by Reverend Cecil T. Washington:

Gracious Father, It’s been said that in order to make a good run, you have to press all the way through the finish line. And that even when you don’t feel like you won the race, you do want to feel as though you ended well. The prayer today, as we enter the home stretch, is for a good finish. In reflecting over the scores of legislative sessions that have been contributed to, let these senators…and all those involved in their support…be able to share with their families and the citizens of this state, the same words that Paul shared with his son, Timothy. In his 2nd letter to him, he said in chapter 4, verses 7-8, “I have fought the good fight, I have finished the course, I have kept the faith; in the future there is laid up for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day; and not only to me, but also to all who have loved His appearing.” Lord, we thank you that the “all who have loved Your appearing” is not a one sided, partisan statement. We thank You that the day will come, when You will settle all differences of opinions. On that day, there’ll be no more debates and all conflicts will be resolved as we come together at the foot of Your throne. As we look forward to that coming together day, help us practice it this day. In Jesus name. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

among the county and each city located in such county in the following manner: (1)
One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and (2) one-half of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and (B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies
applicable to all tangible property located within each such city or county. The ad
valorem property tax levy of any county or city district entity or subdivision shall be
included within this term if the levy of any such district entity or subdivision is
applicable to all tangible property located within each such city or county.

2. For the purposes of subsections (a) and (b), any ad valorem property tax levied
on property located in a city in Johnson county for the purpose of providing fire
protection service in such city shall be included within the term "total tangible property
tax levies" for such city regardless of its applicability to all tangible property located
within each such city. If the tax is levied by a district which extends across city
boundaries, for purposes of this computation, the amount of such levy shall be
apportioned among each city in which such district extends in the proportion that such
tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed
pursuant to paragraphs (2), (3)(C), (3)(F), (6), (7), (8), (9), (12), (14), (15), (16), (17),
(18), (19), (20), (22), (23), (25), (27), (28) and (29) of subsection (b) of K.S.A. 12-
187(b)(2), (3)(C), (3)(F), (3)(G), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19),
(20), (22), (23), (25), (27), (28), (29), (30) and (31), and amendments thereto, shall be

revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the
respective treasurers thereof and deposited in the general fund of the city. Whenever the
territory of any city is located in two or more counties and any one or more of such
counties do not levy a countywide retailers' sales tax, or whenever such counties do not
levy countywide retailers' sales taxes at a uniform rate, the revenue received by such
city from the proceeds of the countywide retailers' sales tax, as an alternative to
depositing the same in the general fund, may be used for the purpose of reducing the tax
levies of such city upon the taxable tangible property located within the county levying
such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county
treasurer of the revenue collected in such county from the state retailers' sales tax for the
preceding calendar year.

secretary of revenue to apportion and remit revenue to the counties and cities pursuant
to this section.

All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount the tax rates during the fiscal year after the next fiscal year according to the provisions of this section, as follows: (A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. In any such computation by the secretary pursuant to this subsection: (i) The resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0%. Based on all such determinations, the secretary shall reduce individual income tax rates prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section;

such computation by the secretary pursuant to this subsection in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

The Conference Committee Report was not adopted

EXPLANATION OF VOTE

Madam President: I vote "No" on S Sub HB 2109. This legislation does nothing for
the working poor, it removes a measure that would have allowed a Tax Exemption for
the lowest earners in Kansas. It would also repeal a tax credit previously allowed for certain individuals for food sales tax, which is a benefit to our citizens and people with disabilities. This bill is unfair! I vote "No!"—OLETHA FAUST-GOUDEAU

Madam President: I vote “No” on S Sub HB 2109. This bill provides for the highest tax increase ever, but NO change to the income tax problem that has put the state of Kansas in a $400 million dollar hole. S Sub HB 2109 also impacts cities’ and counties’ ability to manage their budgets to provide the services our constituents expect. This was done without ever going through the legislative process. After 107 days we should have a tax plan that is sustainable and funds our necessary state services without going after cities, counties and schools.—PAT PETTEY

The conference committee report on S Sub HB 2109 includes many policy directions that help close our shortfall and balance our budget. It also includes policy I believe needs to be modified in order to provide a stable, predictable economic environment for Kansas families and businesses. However on this, the 107th day of session, knowing this is not the final resolution to our shortfall, I vote "Aye" to keep the legislative process moving towards resolution of differences.—SUSAN WAGLE

Senators Masterson and Powell request the record to show they concur with the "Explanation of Vote" offered by Senator Wagle on S Sub HB 2109.

ORIGINAL MOTION

Having voted on the prevailing side on S Sub HB 2109, Senator King moved the Senate reconsider its action on S Sub HB 2109 to adopt the conference committee report and appoint a third conference.

The motion of Senator King to not adopt the conference committee report on S Sub HB 2109 and appoint new conferees prevailed.

The President appointed Senators Donovan, Tyson and Holland as third conferees on the part of the Senate.

MESSAGE FROM THE HOUSE

Announcing passage of SB 11, as amended by H Sub SB 11.

ORIGINAL MOTION

Senator Bruce moved that subsection 4(k) of the Joint Rules of the Senate and House of Representatives be suspended for the purpose of considering the following bill: H Sub SB 11.

CONSIDERATION OF MOTIONS TO CONCUR AND NONCONCUR

Senator Masterson moved the Senate concur in House amendments to H Sub SB 11. H Sub SB 11, AN ACT concerning state officers and employees; relating to duties of the secretary of administration; concerning essential state employees; amending K.S.A. 2014 Supp. 75-3747 and repealing the existing section.

On roll call, the vote was: Yeas 39; Nays 0; Present and Passing 0; Absent or Not Voting 1.
Absent or Not Voting: Arpke.
The Senate concurred.

EXPLANATION OF VOTE

Madam President: Today I stand here to strongly support H Sub SB 11, deeming all state employees essential. State employees provide vital services to all Kansans and often times do so with few resources and little recognition. It has been my honor to represent so many hard working people and I am insulted that they would be used as pawns in the waning hours of this legislative session. We have had 107 days to balance the budget and we should not risk the livelihoods of our state employees because we couldn’t come to a consensus. I hope you will join me in fighting for the thousands of hardworking Kansans who keep this state running by voting “Yea” on H Sub SB 11.—VICKI SCHMIDT

Senators Fitzgerald, Francisco, Haley, Hawk, Holland, Holmes, Kelly, Longbine, Lynn, McGinn and Olson request the record to show they concur with the "Explanation of Vote" offered by Senator Schmidt on H Sub SB 11.

Madam President: I vote “Yes” on H Sub SB 11. As the regular work week came to a close yesterday afternoon, thousands of state employees went home uncertain of when they will receive their next paycheck. State employees commit their lives to serving Kansas year-round. They deserve to receive their paychecks as scheduled and the people of Kansas deserve to have service continue without interruption. State employees have families. They all have bills to pay, food to buy, and responsibilities they cannot shirk simply because the Kansas Legislature has failed to do its job. They, too, are taxpayers and help pay for the services state government provides and, ironically, help pay for their own salaries. Thousands of state employees received letters yesterday notifying them that they are “nonessential.” This bill provides that all state employees are essential and thereby avoids furloughs. This or any future Legislature should never again allow state employees to be held as hostages to the political process. Instead, we should always treat state employees with the dignity and respect they deserve. That is why I strongly support this bill.—ANTHONY HENSLEY

On motion of Senator Bruce the Senate recessed until 5:00 p.m.

The Senate met pursuant with Vice President King in the chair.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Haley and Faust-Goudeau introduced the following Senate resolution, which was read:
SENATE RESOLUTION No. 1754—

A RESOLUTION recognizing the observance of an annual Juneteenth Day.

WHEREAS, The Kansas Senate acknowledged its support for Juneteenth Day in 2007 and 2011; and

WHEREAS, June 19th, the oldest known celebration of the ending of slavery, is known in many places as "Juneteenth Day"; and

WHEREAS, News of the end of slavery did not reach frontier areas of the United States for more than two years after President Lincoln's Emancipation Proclamation of January 1, 1863, and months after the conclusion of the Civil War; and

WHEREAS, On June 19th, 1865, Union soldiers led by Major General Gordon Granger arrived in Galveston, Texas, with news that the Civil War had ended and that the enslaved were free; and

WHEREAS, News of the end of slavery did not have the same impact on Kansas because Kansas was established as and remained a "free" state; and

WHEREAS, Many African-Americans continue the tradition of celebrating Juneteenth Day as inspiration and encouragement for future generations, and for more than 140 years, Juneteenth Day celebrations have been held to honor African-American freedom while encouraging self-development and respect for all cultures; and

WHEREAS, Although Juneteenth Day is beginning to be recognized as a national, and even global event, the history behind the celebration should not be forgotten; and

WHEREAS, The faith and strength of character demonstrated by former slaves remain examples for all people of the United States, regardless of background, religion or race: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we recognize the historical significance of Juneteenth Day, support the continued celebration of Juneteenth Day to provide an opportunity for the people of the State of Kansas to learn more about the past, to better understand the experiences that have shaped the nation and encourage the people of the State of Kansas to observe Juneteenth Day with appropriate ceremonies, activities and programs; and

Be it further resolved: That the Secretary of the Senate shall send two enrolled copies of this resolution to Senator Haley and one enrolled copy to Senator Faust-Goudeau.

On emergency motion of Senator Haley SR 1754 was adopted by voice vote.

(a) General eligibility requirements for assistance for which federal moneys are expended. Subject to the additional requirements below, assistance in accordance with plans under which federal moneys are expended may be granted to any needy person who:

(1) Has insufficient income or resources to provide a reasonable subsistence compatible with decency and health. Where a husband and wife or cohabiting partners are living together, the combined income or resources of both shall be considered in determining the eligibility of either or both for such assistance unless otherwise prohibited by law. The secretary, in determining need of any applicant for or recipient of assistance shall not take into account the financial responsibility of any individual for any applicant or recipient of assistance unless such applicant or recipient is such individual's spouse, cohabiting partner or such individual's minor child or minor stepchild if the stepchild is living with such individual. The secretary in determining need of an individual may provide such income and resource exemptions as may be permitted by federal law. (1) As used in this subsection, "family group" or "household" means the applicant or recipient for TANF, child care subsidy or employment services and all individuals living together in which there is a relationship of legal responsibility or a qualifying caretaker relationship. This will include a cohabiting boyfriend or girlfriend living with the person legally responsible for the child. The family group shall not be eligible for TANF if the family group contains at least one adult member who has received TANF, including the federal TANF assistance received in any other state, for 36 calendar months beginning on and after October 1, 1996, unless the secretary determines a hardship exists and grants an extension allowing receipt of TANF until the 48-month limit is reached. Adults who are not otherwise eligible for TANF, such as ineligible aliens, relative/non-relative caretakers and adults receiving supplemental security income are not required to complete the assessment process. During the application processing period, applicants must complete at least one module or its equivalent of the work program assessment to be considered eligible for TANF benefits, unless good cause is found to be exempt from the requirements. Good cause exemptions shall only include:

with state law and agency policy.

(4) TANF mandatory work program applicants and recipients shall participate in work components that lead to competitive, integrated employment. Components are defined by the federal government as being either primary or secondary. In order to meet federal work participation requirements, households need to meet at least 30 hours of participation per week, at least 20 hours of which need to be primary and at least 10 hours may be secondary components in one parent households where the youngest child is six years of age or older. For occupations with less than an average job outlook, educational plans shall require approval of the secretary or secretary's designee. Child care may also be approved if the student provides verification of a specific job offer that will be available to such student upon completion of the program. Child care for post-secondary education shall be allowed for a lifetime maximum of 24 months per adult. The 24 months may not have to be consecutive. Students shall be engaged in paid employment for a minimum of 15 hours per week. In a two-parent adult household, child care would not be allowed if both parents are adults and attending a formal education or training program at the same time. (17) The secretary for children and families is prohibited from requesting or implementing a waiver or program from the U.S. department of agriculture for the time limited assistance provisions for able-bodied adults aged 18 through 49 without dependents in a household under the food assistance program. The time on food assistance for able-bodied adults aged 18 through 49 without dependents in the household shall be limited to three months in a 36-month period if such adults are not
meeting the requirements imposed by the U.S. department of agriculture that they must work for at least 20 hours per week or participate in a federally approved work program or its equivalent.

(18) Eligibility for the food assistance program shall be limited to those individuals who are citizens or who meet qualified non-citizen status as determined by U.S. department of agriculture. Non-citizen individuals who are unable or unwilling to provide qualifying immigrant documentation, as defined by the U.S. department of agriculture, residing within a household shall not be included when determining the household's size for the purposes of assigning a benefit level to the household for food assistance or comparing the household's monthly income with the income eligibility standards. The gross non-exempt earned and unearned income and resources of disqualified individuals shall be counted in its entirety as available to the remaining household members.

(19) The secretary for children and families shall not enact the state option from the U.S. department of agriculture for broad-based categorical eligibility for households applying for food assistance according to the provisions of 7 C.F.R. § 273.2(j)(2)(ii).

(20) No federal or state funds shall be used for television, radio or billboard advertisements that are designed to promote food assistance benefits and enrollment. No federal or state funding shall be used for any agreements with foreign governments designed to promote food assistance.

(21) (A) The secretary for children and families shall not apply gross income standards for food assistance higher than the standards specified in 7 U.S.C. § 2014(c) unless expressly required by federal law. Categorical eligibility exempting households from such gross income standards requirements shall not be granted for any non-cash, in-kind or other benefit unless expressly required by federal law.

(B) The secretary for children and families shall not apply resource limits standards for food assistance that are higher than the standards specified in 7 U.S.C. § 2014(g)(1) unless expressly required by federal law. Categorical eligibility exempting households from such resource limits shall not be granted for any non-cash, in-kind or other benefit unless expressly required by federal law.

(e) Temporary assistance for needy families; assignment of support rights and limited power of attorney. By applying for or receiving temporary assistance for needy families such applicant or recipient shall be deemed to have assigned to the secretary on behalf of the state any accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. In any case in which an order for child support has been established and the legal custodian and obligee under the order surrenders physical custody of the child to a caretaker relative without obtaining a modification of legal custody and support rights on behalf of the child are assigned pursuant to this section, the surrender of physical custody and the assignment shall transfer, by operation of law, the child's support rights under the order to the secretary on behalf of the state. Such assignment shall be of all accrued, present or future rights to support of the child surrendered to the caretaker relative. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant, recipient or obligee. By applying for or receiving temporary assistance for needy families, or by surrendering physical custody of a child to a caretaker relative
who is an applicant or recipient of such assistance on the child's behalf, the applicant, recipient or obligee is also deemed to have appointed the secretary, or the secretary's designee, as an attorney-in-fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full.

(d) **Requirements for medical assistance for which federal moneys or state moneys or both are expended.** (1) When the secretary has adopted a medical care plan under which federal moneys or state moneys or both are expended, medical assistance in accordance with such plan shall be granted to any person who is a citizen of the United States or who is an alien lawfully admitted to the United States and who is residing in the state of Kansas, whose resources and income do not exceed the levels prescribed by the secretary. In determining the need of an individual, the secretary may provide for income and resource exemptions and protected income and resource levels. Resources from inheritance shall be counted. A disclaimer of an inheritance pursuant to K.S.A. 59-2291, and amendments thereto, shall constitute a transfer of resources. The secretary shall exempt principal and interest held in irrevocable trust pursuant to K.S.A. 16-303(c), and amendments thereto, from the eligibility requirements of applicants for and recipients of medical assistance. Such assistance shall be known as medical assistance.

(2) For the purposes of medical assistance eligibility determinations on or after July 1, 2004, if an applicant or recipient owns property in joint tenancy with some other party and the applicant or recipient of medical assistance has restricted or conditioned their interest in such property to a specific and discrete property interest less than 100%, then such designation will cause the full value of the property to be considered an available resource to the applicant or recipient. Medical assistance eligibility for receipt of benefits under the title XIX of the social security act, commonly known as medicaid, shall not be expanded, as provided for in the patient protection and affordable care act, public law 111-148, 124 stat. 119, and the health care and education reconciliation act of 2010, public law 111-152, 124 stat. 1029, unless the legislature expressly consents to, and approves of, the expansion of medicaid services by an act of the legislature.

(3) (A) Resources from trusts shall be considered when determining eligibility of a trust beneficiary for medical assistance. Medical assistance is to be secondary to all resources, including trusts, that may be available to an applicant or recipient of medical assistance.

(B) If a trust has discretionary language, the trust shall be considered to be an available resource to the extent, using the full extent of discretion, the trustee may make any of the income or principal available to the applicant or recipient of medical assistance. Any such discretionary trust shall be considered an available resource unless: (i) At the time of creation or amendment of the trust, the trust states a clear intent that the trust is supplemental to public assistance; and (ii) the trust: (a) Is funded from resources of a person who, at the time of such funding, owed no duty of support to the applicant or recipient of medical assistance; or (b) is funded not more than nominally from resources of a person while that person owed a duty of support to the applicant or recipient of medical assistance.

(C) For the purposes of this paragraph, "public assistance" includes, but is not
limited to, medicaid, medical assistance or title XIX of the social security act.

4 (A) When an applicant or recipient of medical assistance is a party to a contract, agreement or accord for personal services being provided by a nonlicensed individual or provider and such contract, agreement or accord involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits, or other related issues, any moneys paid under such contract, agreement or accord shall be considered to be an available resource unless the following restrictions are met: (i) The contract, agreement or accord must be in writing and executed prior to any services being provided; (ii) the moneys paid are in direct relationship with the fair market value of such services being provided by similarly situated and trained nonlicensed individuals; (iii) if no similarly situated nonlicensed individuals or situations can be found, the value of services will be based on federal hourly minimum wage standards; (iv) such individual providing the services will report all receipts of moneys as income to the appropriate state and federal governmental revenue agencies; (v) any amounts due under such contract, agreement or accord shall be paid after the services are rendered; (vi) the applicant or recipient shall have the power to revoke the contract, agreement or accord; and (vii) upon the death of the applicant or recipient, the contract, agreement or accord ceases.

B When an applicant or recipient of medical assistance is a party to a written contract for personal services being provided by a licensed health professional or facility and such contract involves health and welfare monitoring, pharmacy assistance, case management, communication with medical, health or other professionals, or other activities related to home health care, long term care, medical assistance benefits or other related issues, any moneys paid in advance of receipt of services for such contracts shall be considered to be an available resource.

5 Any trust may be amended if such amendment is permitted by the Kansas uniform trust code.

(e) Eligibility for medical assistance of resident receiving medical care outside state. A person who is receiving medical care including long-term care outside of Kansas whose health would be endangered by the postponement of medical care until return to the state or by travel to return to Kansas, may be determined eligible for medical assistance if such individual is a resident of Kansas and all other eligibility factors are met. Persons who are receiving medical care on an ongoing basis in a long-term medical care facility in a state other than Kansas and who do not return to a care facility in Kansas when they are able to do so, shall no longer be eligible to receive assistance in Kansas unless such medical care is not available in a comparable facility or program providing such medical care in Kansas. For persons who are minors or who are under guardianship, the actions of the parent or guardian shall be deemed to be the actions of the child or ward in determining whether or not the person is remaining outside the state voluntarily.

(f) Medical assistance; assignment of rights to medical support and limited power of attorney; recovery from estates of deceased recipients. (1) (A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and amendments thereto, or as otherwise authorized on and after September 30, 1989, under section 303 of the federal medicare catastrophic coverage act of 1988, whichever is applicable, by applying for or receiving medical assistance under a medical care plan in which federal funds are expended, any
accrued, present or future rights to support and any rights to payment for medical care from a third party of an applicant or recipient and any other family member for whom the applicant is applying shall be deemed to have been assigned to the secretary on behalf of the state. The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary’s designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary’s designee, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary’s duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (d) is: (A) A claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 9-1216, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to or on behalf of an individual under subsection (d) except after the death of the surviving spouse of the individual, if any, and only at a time when the individual has no surviving child who is under 21 years of age or is blind or permanently and totally disabled. Transfers of real or personal property by recipients of medical assistance without adequate consideration are voidable and may be set aside. Except where there is a surviving spouse, or a surviving child who is under 21 years of age or is blind or permanently and totally disabled, the amount of any medical assistance paid under subsection (d) is a claim against the estate in any guardianship or conservatorship proceeding. The monetary value of any benefits received by the recipient of such medical assistance under long-term care insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall be a credit against the amount of the claim provided for such
medical assistance under this subsection. The secretary of health and environment is authorized to enforce each claim provided for under this subsection. The secretary of health and environment shall not be required to pursue every claim, but is granted discretion to determine which claims to pursue. All moneys received by the secretary of health and environment from claims under this subsection shall be deposited in the social welfare fund. The secretary of health and environment may adopt rules and regulations for the implementation and administration of the medical assistance recovery program under this subsection.

(3) By applying for or receiving medical assistance under the provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, such individual or such individual's agent, fiduciary, guardian, conservator, representative payee or other person acting on behalf of the individual consents to the following definitions of estate and the results therefrom:

(A) If an individual receives any medical assistance before July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim is limited to the individual's probateable estate as defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1, 2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated, and amendments thereto, which forms the basis for a claim under paragraph (2), such claim shall apply to the individual's medical assistance estate. The medical assistance estate is defined as including all real and personal property and other assets in which the deceased individual had any legal title or interest immediately before or at the time of death to the extent of that interest or title. The medical assistance estate includes, without limitation, assets conveyed to a survivor, heir or assign of the deceased recipient through joint tenancy, tenancy in common, survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed
for a continuous period of at least 90 days without being readmitted as an inpatient to a
nursing or medical facility. The amount of the lien shall be for the amount of assistance
paid by the department of health and environment until the time of the filing of the lien
and for any amount paid thereafter for such medical assistance to the recipient. After the
lien is filed against any real property owned by the recipient, such lien will be dissolved
if the recipient is discharged, returns home and resides upon the real property to which
the lien is attached for a continuous period of at least 90 days without being readmitted
as an inpatient to a nursing or medical facility. If the recipient is readmitted as an
inpatient to a nursing or medical facility for a continuous period of less than 90 days,
another continuous period of at least 90 days shall be completed prior to dissolution of
the lien.

(5) The lien filed by the secretary of health and environment or the secretary's
designee for medical assistance correctly received may be enforced before or after the
death of the recipient by the filing of an action to foreclose such lien in the Kansas
district court or through an estate probate court action in the county where the real
property of the recipient is located. However, it may be enforced only:

(A) after the death of the surviving spouse of the recipient;

(B) when there is no child of the recipient, natural or adopted, who is 20 years of

age or less residing in the home;

(C) when there is no adult child of the recipient, natural or adopted, who is blind or
disabled residing in the home; or

(D) when no brother or sister of the recipient is lawfully residing in the home, who
has resided there for at least one year immediately before the date of the recipient's
admission to the nursing or medical facility, and has resided there on a continuous basis
since that time.

(6) The lien remains on the property even after a transfer of the title by conveyance,

sale, succession, inheritance or will unless one of the following events occur:

(A) the lien is satisfied. The recipient, the heirs, personal representative or assigns

of the recipient may discharge such lien at any time by paying the amount of the lien to
the secretary of health and environment or the secretary's designee;

(B) the lien is terminated by foreclosure of prior lien of record or settlement action
taken in lieu of foreclosure; or

(C) the value of the real property is consumed by the lien, at which time the

secretary of health and environment or the secretary's designee may force the sale for
the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of health and

environment, or both, or such secretary's designee has not filed an action to foreclose
the lien in the Kansas district court in the county where the real property is located
within 10 years from the date of the filing of the lien, then the lien shall become
dormant, and shall cease to operate as a lien on the real estate of the recipient. Such
dormant lien may be revived in the same manner as a dormant judgment lien is revived
under K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for children and families

or the secretary's designee of the death of a recipient of medical assistance under this
subsection, the secretary for children and families or the secretary's designee shall give
notice of such recipient's death to the secretary of health and environment or the
secretary's designee.
(9) All rules and regulations adopted on and after July 1, 2013, and prior to July 1, 2014, to implement this subsection shall continue to be effective and shall be deemed to be duly adopted rules and regulations of the secretary of health and environment until revised, amended, revoked or nullified pursuant to law.

(g) Placement under the revised Kansas code for care of children or revised Kansas juvenile justice code; assignment of support rights and limited power of attorney. In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2014 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(h) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(i) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(j) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned, pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become
effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job
skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at any time when reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, the designated individual's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the designated individual indicating unlawful use of a controlled substance or controlled substance analog.

(B) Any designated individual whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any designated individual who requests an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such designated individual who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance or controlled substance analog, the designated individual shall not receive cash assistance on behalf of the parent's or legal guardian's minor child, and another designated individual shall be selected by the secretary for children and families to receive cash assistance on behalf of such parent's or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any offense which is classified as a felony by the law of the jurisdiction and which has as an element of such
offense the manufacture, cultivation, distribution, possession or use of a controlled substance or controlled substance analog, and the date of conviction is on or after July 1, 2013, such person shall thereby become forever ineligible to receive any cash assistance under this subsection unless such conviction is the person's first conviction. (6) Except for hearings before the Kansas department for children and families or, the results of any drug screening administered as part of the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

EIGHTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Sunday, June 7, 2015, 2:00 p.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 38 senators present.
Senators Arpke and Olson were excused.
Invocation by Reverend Cecil T. Washington:

Lord, today is Your day. Being the first Day of the week, we thing of a new
beginning. That's what we need Lord...a new beginning. It's the day of resurrection. It's
a day that reminds us of the miracle of life springing from the dead. You have proved to
have resurrection power. In John 11:44, Lazarus was raised from the dead. You
commanded him to come out of the tomb. But the grave clothes...the remnants of his
deadness, continued to hang on...hinder his progress. Until you commanded, “Lose
him and let him go”, so he could continue in Your plan for his life. Would You speak,
with the same authority and call us out of any deadness. And then lose us. Free us from
anything that would impede the work in carrying out Your plan. On this resurrection
day, would You give us a resurgence of life, that we might progress and finish our
assignment. Thank You for hearing our prayer. In Jesus name, Amen

The Pledge of Allegiance was led by President Susan Wagle.

On motion of Senator Bruce, the Senate recessed until 3:30 p.m.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

Upon receipt of such certified amount, the secretary shall compute the excess percentage increase in selected actual state general fund receipts above 2%. Based on such excess percentage of calculated receipt growth, the secretary shall compute the income tax rate reductions to go into effect for the next tax year that would reduce by such certified amount in dollars, the tax rates during the fiscal year.
after the next fiscal year according to the provisions of this section, as follows:

(A) Rate reductions for individual income tax rates shall be applied to reduce the highest marginal income tax rate applicable to the current tax year, by such excess percentage minus 0.5%, and the lowest marginal income tax rate applicable to the current tax year by such excess percentage plus 0.5%, except that in no case shall such excess percentage plus 0.5% result in an income tax rate increase. The secretary shall compute any income tax rate reductions so that any excess amount is applied such that an equal number of dollars are used to lower all individual income tax rates in K.S.A. 79-32,110, and amendments thereto. In any such computation by the secretary pursuant to this subsection: (i) the resulting income tax rate shall be rounded down to the nearest 0.1%; and (ii) in any case in which the income tax rate for any individual marginal income tax rate is below 0.4%, such rate shall be 0% 0.01%. (B) upon all individual marginal income tax rates being reduced to 0% pursuant to the provisions of subsection (a)(1)(A), rate reduction next shall be applied for the surtax on corporations applicable to the current tax year by such excess percentage amount. In any such computation by the secretary pursuant to this subsection in which the surtax is below 0.4%, such surtax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, as required by this section; and

(C) upon the surtax on corporations being reduced to a rate which when combined with the normal tax rate on corporations is equal to or below the combined surtax and normal tax imposed on national banking associations and state banks or is equal to or below the combined surtax and normal tax imposed on trust companies and savings and loan associations, rate reductions shall be proportionately applied for the tax on corporations, the tax on national banking associations and state banks, and the tax on trust companies and savings and loan associations. Such rate reductions shall be first applied to the surtax until reduced to 0% and then applied to the normal tax for each such tax. In any such computation by the secretary pursuant to this subsection in which any such tax is below 0.4%, such tax rate shall be 0%. Based on such determination, the secretary shall reduce the surtax and the normal tax on corporations prescribed by K.S.A. 79-32,110, and amendments thereto, the surtax and normal tax on national banking associations and state banks prescribed by K.S.A. 79-1107, and amendments thereto, and the surtax and normal tax on trust companies and savings and loan associations prescribed by K.S.A. 79-1108, and amendments thereto, as required by this section.

Upon receipt of such amount and fact, the secretary of revenue shall not make any adjustment to the income tax rates for that tax year.

(b) The secretary of revenue shall report any reduction in income tax rates
prescribed by this section to the chairperson of the assessment and taxation committee of the senate, the chairperson of the taxation committee of the house of representatives and the governor, and shall cause notice of any such reduction to be published in the Kansas register prior to September 15 of the calendar year immediately preceding the tax year in which such reduction takes effect.

Senator Donovan moved the Senate adopt the Conference Committee Report on S Sub HB 2109.

Upon the showing of 5 hands, Senator Hensley requested a call of the Senate.

On roll call, the vote was: Yeas 21; Nays 17; Present and Passing 0; Absent or Not Voting 2.

Absent or Not Voting: Arpke, Olson.

The Conference Committee Report was adopted.

The call was lifted.

EXPLANATION OF VOTE

Madam President: I vote no on this bill, S Sub HB 2109. Anti-tax advocate Grover Norquist sent out a letter on June 5 as a reminder to Senators who pledged to not increase taxes. In it he writes, “For those lawmakers who have signed the Taxpayer Protection Pledge, promising the people of Kansas to ‘oppose any and all efforts to increase taxes,’ a vote for this multi-billion dollar tax increase would be in clear violation.” There are 14 Senators who voted for this bill and are now in violation of their pledge. Worse yet, this bill is the largest tax increase in the history of our state. Our $800 million self-inflicted budget crisis was caused by Sam Brownback’s failed economic experiment. The majority party in this Senate chose to ignore that Brownback’s reckless income tax cuts were to blame and, instead, raised regressive taxes on the backs of low income and working Kansans in order to balance the budget. I vote “No.”—Anthony Hensley

On motion of Senator Bruce, the Senate recessed until 7:30 p.m.
The Senate met pursuant to recess with Vice President King in the chair.

ORIGINAL MOTION

Senator Bruce moved Joint Rule 3(f) of the Senate and House of Representatives be suspended and the 30 minute rule be waived on the conference committee report on H Sub SB 112.
