Every appeal under this rule shall be taken without debate.

**Rule 76. Executive Reorganization Orders.** When an executive reorganization order is received from the Governor, it shall be referred to an appropriate committee by the President. The committee to which an executive reorganization order is referred shall report its recommendations thereon, by recommending adoption of a Senate resolution, not later than the 60th calendar day of any regular session and not later than 30 calendar days after it has received such referral whichever occurs first. If a committee fails to report upon an executive reorganization order within the time specified in this rule, such committee shall be deemed to have returned the same to the Senate without recommendation. When a report or return of an executive reorganization is made, it and all resolutions for approval or disapproval thereof shall be made the special order of business in accordance with Rule 6 (special order of business) at a time not later than the last day the executive reorganization order may be disapproved under section 6 of article 1 of the Constitution of Kansas. The Senate shall act to approve or reject every reorganization order unless at the time set for such action the House of Representatives shall have already rejected such executive reorganization order.

**Rule 77. Censure or Expulsion.** Whenever three or more Senators desire to lodge a complaint against any other Senator requesting that the Senator be censured or expelled for misconduct, the complaining Senators shall sign and file a written statement of such complaint with the Secretary of the Senate. In such event, the President shall appoint a select committee for consideration thereof composed of five Senators, no more than three of whom shall be members of the same political party, and none of whom shall have signed the complaint to be considered. The select committee may dismiss the complaint after inquiry or may set the matter for hearing. Reasonable notice and an opportunity to appear shall be afforded the Senator against whom a complaint has been filed. Select committees meeting under authority of this section shall be authorized to meet and exercise compulsory process without further authorization, subject only to the limitations and conditions prescribed in article 10 of chapter 46 of Kansas Statutes
Annotated. Upon completing its hearing and deliberations thereon the select committee may dismiss the complaint or may submit a recommendation to the full Senate for censure or expulsion, and upon receiving such report the Senate may without further hearing or investigation censure or expel the member against whom the complaint was filed. Censure or expulsion of a Senator under this rule shall require a 2/3 majority vote of those members elected (or appointed) and qualified.

Taking from the Table.** The affirmative vote of a 2/3 majority of all Senators then elected (or appointed) and qualified shall be required for the adoption of a motion to take any question or proposition from the table after the adoption of a motion to table or lay such question or proposition on the table. Joint rule 1. Joint rules; application and date of expiration; adoption, amendment, suspension and revocation. (a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day’s previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) Presiding officer at joint sessions; record of joint session; rules applicable. The speaker of the house of representatives shall preside at all joint sessions of the senate
and house of representatives, and the clerk of the house of representatives shall keep a
record of the proceedings thereof and shall enter the record of each such session in the
journal of the house of representatives. The rules of the house of representatives and the
joint rules of the two houses, insofar as the same may be applicable shall be the rules
for joint sessions of the two houses.

c) Votes in joint session; taking; requirements. All votes in a joint session shall be
taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the
senate first to call the names of the members of the senate, and after which the clerk of
the house of representatives shall in like manner call the names of the members of the
house. Each member of the senate and the house of representatives present shall be
required to vote on all matters considered in joint session, unless excused by a vote of a
majority of the members of both houses present.

Joint rule 3. Conference committee procedure. (a) Action by house of origin of bill
or concurrent resolution amended by other house. When a bill or concurrent resolution
is returned to the house of origin with amendments by the other house, the house of
origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments;
or (3) refuse to concur in such amendments and request a conference on the bill or
concurrent resolution.

(b) Concurrence by house of origin; concurrence prior to taking action on
conference committee report by other house; final action; effect of failure of motion to
concur. The house of origin of any bill or concurrent resolution may concur in any
amendments made by the other house, except that if the bill or concurrent resolution has
been referred to a conference committee such action may only be taken prior to the
taking of final action upon the conference committee report upon such bill or concurrent
resolution by the other house. A vote in the house of origin of any bill or concurrent
resolution on a motion to concur in amendments to such bill or concurrent resolution by
the other house shall be considered action on the final passage of the bill or concurrent
resolution and the affirmative and negative votes thereon shall be entered in the journal.
If the motion to concur is upon amendments to a bill or concurrent resolution for which
a conference committee has been appointed and action has not been taken upon the
report of such committee by the other house and such motion fails, the bill or
concurrent resolution shall not be deemed to have been killed thereby and the motion to
concur may be renewed but not on the same legislative day. If the motion to concur is
upon amendments to a bill or concurrent resolution for which a conference committee
has not been appointed and such motion fails, the bill or concurrent resolution shall be
deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion.
A vote in the house of origin of any bill or concurrent resolution on a motion to
nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by
the other house which is not coupled with a request for the appointment of a conference
committee shall be considered action on final passage of the bill or concurrent
resolution and the affirmative and negative votes thereon shall be entered in the journal,
and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference;
procedure. When a bill or concurrent resolution is returned by either house to the house
of origin with amendments, and the house of origin refuses to concur or to nonconcur
therein, a conference may be requested by a majority vote of the members present and
voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its
consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk’s or secretary’s desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of 2/3 of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption of either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.
(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on February 2, 2015, during the 2015 regular session and on February 1, 2016, during the 2016 regular session.

(b) Bill introduction deadline for individual members. Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 11, 2015, during the 2015 regular session and on February 10, 2016, during the 2016 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 9, 2015, during the 2015 regular session and on February 8, 2016, during the 2016 regular session.

Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be introduced in either house after the hour of adjournment on February 13, 2015, during the 2015 regular session and on February 12, 2016, during the 2016 regular session.

(e) House of origin bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered in the house in which such bill originated after the hour of adjournment on February 27, 2015, during the 2015 regular session and on February 26, 2016, during the 2016 regular session.
(f) Second house bill consideration deadline. No bill, except bills sponsored by, referred to or acted upon by the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall be considered by either house, not the house of origin of such bill, after the hour of adjournment on March 25, 2015, during the 2015 regular session and March 23, 2016, during the 2016 regular session.

(g) Exceptions to limitation of (d), (e) and (f); procedure. Specific exceptions to the limitations prescribed in subsections (d), (e) and (f) may be made in either house by resolution adopted by the affirmative vote of not less than a majority of the members of such house then elected (or appointed) and qualified.

(h) Deadline which falls on day neither house in session; effect. In the event that any deadline prescribed in this rule falls on a day that neither house of the legislature is in session, such deadline shall be observed on the next following day that either house is in session.

(i) Bills introduced in odd-numbered years after deadlines; effect. Bills may be introduced by members and committees in regular sessions occurring in an odd-numbered year after the times prescribed in (b) and (d) of this rule, but there shall be no final action thereon by either house during the session when introduced. Such bills shall be held over for consideration at the next succeeding regular session held in an even-numbered year.

(j) Modification of schedule of deadlines for introduction and consideration of bills; procedure. In any regular session a concurrent resolution may be adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house setting forth a different schedule of deadlines for introduction and consideration of bills for that session and the provisions of such concurrent resolution shall apply to such session notwithstanding provisions of this rule to the contrary.

(k) Bill consideration deadline; exceptions. No bills shall be considered by the Legislature after April 3, 2015, during the 2015 regular session and after April 1, 2016, during the 2016 regular session except bills vetoed by the Governor, the omnibus appropriation act and the omnibus reconciliation spending limit bill provided for under K.S.A. 75-6702, and amendments thereto. This subsection (k) may be suspended for the consideration of a specific bill or bills not otherwise exempt under this subsection by the affirmative vote of a majority of the members then elected (or appointed) and qualified in the house in which the bill is to be considered.

Joint rule 6. Floor amendments to bills making appropriations. Unless by majority consent to correct an error in drafting, no amendment from the floor in either house of the legislature to increase the amount of expenditures that would be authorized in a provision of an appropriations bill shall be in order unless the amendment contains a provision reducing, by a like or greater amount, expenditures that would be authorized in another provision of such appropriations bill. Notwithstanding any rule in either house of the legislature, those portions of a motion to amend a bill as described in this rule shall be indivisible.

EXPLANATION OF PAGE NUMBERING

In accordance with the provisions of the Constitution of the State of Kansas and by the virtue of her office as President of the Senate, President Susan Wagle declared the 2015 Senate to be in session.

President Wagle welcomed Father Don Davidson, who will again serve as the Senate Chaplain. He delivered the following invocation:

Almighty and Creator God, bless this chamber and all who labor herein as a new session begins this day. Help us to know that the eyes of Kansas are upon the work done here and the words said here. From the people of the land and the people of our cities, from industry and shops, from farms and diners, the people are watching. Help our legislators, oh God, not to be tempted by the scripts of the past, but seek inspiration from you by reaching into their hearts and relying on your gifts of compassion, honesty and forbearance as they meet in the days ahead. Help our legislators, oh God, not to be tempted to do the easy when the difficult is the better, not to be seduced into action without reason or decision without understanding. Keep them safe, dear God, and grant them the grace to listen and the wisdom for each and every hour. We pray this day in the wonder of your love and the holiness of your Name. Amen

The Pledge of Allegiance was led by President Wagle.

President Wagle introduced the new Reading Clerk, Kendall Kaut, who is a second year student at the University of Kansas School of Law.

The roll was called with 39 senators present.
Senator Ostmeyer was excused.
Invocation by Father Don Davidson:

Holy God, in all the things that we have to do in our full days, help us to remember those who are most important to us. The simplest of greetings, a nice word, maybe an embrace, can say more than beautiful poetry and generous prose. The busier we become the more we may be inclined to put aside those whose lives are most intertwined with our own. So today, Lord, grant us the patience to stop, thank and care about the loved ones in our lives. In your mighty name we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

POINT OF PERSONAL PRIVILEGE

Senator Haley rose on a Point of Personal Privilege to share remarks in remembrance of Doctor Martin Luther King, Jr.:

Madame President and Gentle Colleagues of the Kansas Senate:
First, again I sincerely Thank You for allowing this annual exhortation of the Doctor Martin Luther King, Junior, Holiday, to be spread upon the Journal. After twenty-one times now, I appreciate that some may understandably be weary of a theme whose mantra is alien and distant; especially those of you in this Chamber who might even find it, and its true meaning, irrelevant. So cognizant of that, I’ll be brief.

Wherever you happen to fall between stark political lines that we call our great democracy, here we have the Holiday bearing the name of but one American who wanted to insure that justice and equal access to life and liberty and the pursuit of happiness and all of those inalienable rights imagined in our federal Constitution and in subsequent defining papers like the Bill of Rights ... that these ideals would not be the sole province of one race or culture or one sexual orientation or gender or of one religion or political persuasion ... but that the beauty and bounty of being American should belong to ALL Americans ... each five-fifths a human ... irrespective of other pre-existing or adopted conditions that might repress or divide us.

Now honestly, I personally don’t go out to the movies often. But, breaking tradition last week, I cajoled my nineteen-year-old daughter Mariah and her boyfriend Shawn to join me at the opening of the movie “SELMA”; which, upon further reflection, was a troubling mistake. I knew our children have little idea of virulent segregation and of blatant discrimination as an acceptable and constant way of life in our country. And
that, too often, their “take-away” from the way that “we were” as a society is a “that was then, but this is now” misperception. In short, when exposed to obvious yesteryear divisions, they are lulled into a potentially false sense of complacency of the world condition towards equality today.

Further realizing my mistake, after the movie, I realized how comfortable I too had become in accepting and not working harder to bridge the still all too prevalent chasm between Americans. What about you, Madame President? What about you, Gentle Colleagues? Can we at least too sadly agree that national events of 2014 from social and political unrest and discord have unified some of different hues but fragmented and further polarized others? THIS … is an APOLITICAL observation. I am not here today to JUDGE … only, most optimistically … to BUDGE!

So, SELMA was not an entertaining movie for me. As it turned out, I paid good money to be troubled; over and over again since. In closing, it is obvious that 50 years later, the people of the United States of America may be as polarized along stupid dividing lines in as many ways now than ever before.

But, my hope, in these moments as we approach this uniquely American Holiday, symbolic of a healing and unifying spirit of enduring ascension is simply this … my children and yours will not just hear our words of unity but see our actions practice the same. That our neighbors and fellow congregants and constituents will find noble a healthy and even worthy division of ideas and opinions that have nothing to do with religion or race or gender or age or income or creed of whom might hold a differing view.

Madame President, Senate Colleagues … the powerful imagery of crossing the Edmund Pettis bridge in Alabama towards voting rights and inclusion is as relevant today in the bridges of access and of income and of freedom to assemble …“equalities” our great country has yet to completely cross. That’s a walk my plea to each of you is for all of us to share. We are a courageous, diverse and resourceful nation, aren’t we? And United, our walk can be illustrated every day. It is the courage of a 7-year-old girl who, as a sole survivor of a small plane crash, courageously picked her way through brush and bramble and muck through the night; much like we must still muster courage through the darkness of hate and prejudice and discrimination, to find the safety and solace of light, warmth, societal inclusion. Dr. King once spoke of such determination saying: “Faith is taking that first step even when you can’t see the entire staircase.”

Now, as for the rest who cannot or who simply will not, I leave the refrain of a timeless song: “Go ahead and hate your neighbor, Go ahead and cheat a friend, Do it in the name of Heaven, You can justify it in the End, There won’t be any trumpets blowing, Come your judgment day, On the bloody morning after…one tin soldier rides away.”

Either way, I bid each of you a safe and reflective, Dr. King Holiday weekend.

WHEREAS, D.W. Carter, a Kansas historian and educator, authored a book entitled "Mayday over Wichita: The Worst Military Aviation Disaster in Kansas History," recalling the events of that cold winter day in January 1965, and examining the myths and realities of the crash while providing new insights about the horrific four-minute flight that forever changed the history of Kansas; and

There can be no hope unless there is hope for every child in your heart without label or stereotype. Our nation lives out its creed by the way we practice what Dr. King taught. MESSAGE FROM THE GOVERNOR

January 16, 2015

Pursuant to Article 1, Section 6(b) of the Constitution of the State of Kansas, I am transmitting this day Executive Reorganization Order No. 43 to both houses of the Kansas Legislature. Simultaneous with this Order, I am transmitting the accompanying Governor’s Message.

This reorganization affects operations at the Kansas Department of Health and Environment and the Kansas Department for Children and Families.

Beginning July 1, 2015 the Department for Children and Families will assume foster care licensing responsibilities that currently fall under KDHE. DCF is responsible for child welfare services in Kansas. Placing that responsibility under DCF will help streamline the process and further the agency’s ability to monitor the entire foster care system and serve those in need.

This Executive Reorganization Order also transfers Medicaid eligibility processing duties from DCF to KDHE on January 1, 2016. KDHE is the State Medicaid agency and currently has employees in the Division of Health Care Finance with knowledge and expertise in Medicaid eligibility. Combining the current KDHE and DCF work groups that manage Medicaid eligibility will improve service by reducing the Kansas Medicaid Payment Error Rate Measurement by coordinating staff training and ensuring uniform implementation of policy and processing changes.

This will be a positive change for both agencies and the State of Kansas. The reorganization will allow DCF to better monitor the entire foster care system. It will also enhance the coordination between when a client applies for Medicaid, is determined eligible and receives medical services.

My administration looks forward to working with the Kansas Legislature on this and other solutions to provide better service to the citizens of Kansas.

Sam Brownback
Governor

**EXPLANATION OF VOTE**

Madam President: Voting “AYE” for **HCR 5002** (Joint Rules) is only a vote for faith in the Conference Committee process that will clarify a number, or a policy, for the “bundling” of several bills into a single measure for passage. Having been here in the Legislature over 20 years, I have witnessed too many procedural maneuvers which play fast and loose with transparency; and even, sometimes, clarity as to what is being voted on. Switching bill numbers to insert new, often barely related, topics and issues (affectionately called a “gut and go”) and “bundling” of several committee bills into one (1), often quasi-related, bill are a few major parliaments. In my opinion, limiting to two (2) the number of bills that might be “bundled”; (as the House so correctly adopted), is a major step towards both transparency and Legislative awareness and accuracy. But not wanting to reject an otherwise good work product due to this one misstep of a Senate amendment (which I proudly, by show in a division vote of 30-10, showed that I did NOT support), again, I exercise FAITH in the future GOOD COMPROMISE in the Conference Committee process, and Vote “AYE” on **HCR 5002**.—**DAVID HALEY**

**REPORTS OF STANDING COMMITTEES**

Committee on **Assessment and Taxation** recommends **SB 31** be amended on page 8, in line 24, by striking the second "and"; in line 25, by striking "personal"; following line 29, by inserting:

"(b) Once the warrant has been docketed with the clerk of the district court, the secretary or the secretary's designee shall file with the office of the secretary of state a notice of lien. The notice of lien shall be filed in the uniform commercial code filing system with the secretary of state in accordance with part 5 of article 9 of the uniform commercial code, and amendments thereto, in an electronic format as prescribed by the secretary of state. No fee shall be charged by the secretary of state for the initial filing. The fee to terminate the filing shall be set in accordance with the rules and regulations filing act. (b) Sentences expressed in the sentencing guidelines grid for nondrug crimes represent months of imprisonment.

(c) The sentencing guidelines grid is a two-dimensional crime severity and criminal history classification tool. The grid's vertical axis is the crime severity scale which classifies current crimes of conviction. The grid's horizontal axis is the criminal history scale which classifies criminal histories.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:
   (A) Prison sentence;
   (B) maximum potential reduction to such sentence as a result of good time; and
   (C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:
   (A) Prison sentence; and
   (B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2014 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

21-6807, and amendments thereto.

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2014 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2014 Supp. 21-5823, and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2014 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2014 Supp. 21-5414(b)(3), subsections (b)(3) and (b)(4) of K.S.A. 2014 Supp. 21-5823(b)(3) and (b)(4), K.S.A. 2014 Supp. 21-6412 and K.S.A. 2014 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2014 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2014 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2014 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may
impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2014 Supp. 21-5807(a)(1), and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2014 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715(a) or (b), prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2014 Supp. 21-5807(a)(1) or (a)(2), or subsection (b) of K.S.A. 2014 Supp. 21-5807(b), and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (a)(2) of K.S.A. 2014 Supp. 21-5913(a)(2), and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2014 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705(b), prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2014 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, when such
person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has one prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2014 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;
(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and
(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the
secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

(1) An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
(2) the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
(3) the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2014 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(s) The sentence for a violation of K.S.A. 2014 Supp. 21-5512, and amendments thereto, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(t) (1) If the trier of fact makes a finding that an offender wore or used ballistic resistant material in the commission of, or attempt to commit, or flight from any felony, in addition to the sentence imposed pursuant to the Kansas sentencing guidelines act, the offender shall be sentenced to an additional 30 months' imprisonment.

(2) The sentence imposed pursuant to subsection (t)(1) shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(3) As used in this subsection, "ballistic resistant material" means: (A) Any commercially produced material designed with the purpose of providing ballistic and trauma protection, including, but not limited to, bulletproof vests and kevlar vests; and (B) any homemade or fabricated substance or item designed with the purpose of providing ballistic and trauma protection.

(u) The sentence for a violation of K.S.A. 2014 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2014 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of K.S.A. 21-4018, prior to its repeal, or K.S.A. 2014 Supp. 21-6107, and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(v) The sentence for a third or subsequent violation of K.S.A. 8-1568, and amendments thereto, shall be presumptive imprisonment and shall be served
consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

(w) The sentence for a violation of K.S.A. 2014 Supp. 21-5813(b) and amendments thereto, when such person being sentenced has a prior conviction for any nonperson felony shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

Committee on Natural Resources recommends SB 36 be passed.

On motion of Senator Bruce, the Senate adjourned until 2:30 p.m., Thursday, February 5, 2015.
The Senate was called to order by Vice President Jeff King.
The roll was called with 37 senators present.
Senators Hawk, Lynn and Wolf were excused.
Invocation by Father Don Davidson:

Dear Lord, one of your more peculiar creatures is said to be given the power of weather prediction and has told us that we will experience winter for another six weeks. The prediction is at least partly based in the calendar, for spring is indeed six weeks away, and on his ability to see or not see his shadow. There are many things that keep humans amused, some more serious than others, all creative in their own way. Even in the midst of difficult decision making, let us not forget to have fun with each other, to laugh with others and sometimes at ourselves, for that too is your gift. Smile down upon us, merciful God, with your grace. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS

HB 2003, HB 2008, HB 2048, HB 2064 were thereupon introduced and read by title.
INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator McGinn introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1706—

A RESOLUTION commemorating the 11th Anniversary of National Wear Red Day.

WHEREAS, Heart disease is the number one killer of women, yet is often preventable; and
WHEREAS, Cardiovascular diseases cause one in three women's deaths each year, killing approximately one woman every minute; and
WHEREAS, An estimated 43 million women in the United States are affected by cardiovascular diseases; and
WHEREAS, Heart disease kills more women than all forms of cancer combined, but is often undiagnosed; and
WHEREAS, Ninety percent of women have one or more risk factors for developing heart disease, yet only one in five American women believes that heart disease is her greatest health threat; and
WHEREAS, Women comprise only 24% of participants in all heart-related studies; and
WHEREAS, Since 1984, more women than men have died each year from heart disease and the gap between men's and women's survival continues to widen; and
WHEREAS, Women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than they are if someone else was having a heart attack; and
WHEREAS, The American Heart Association's Go Red for Women movement has been impacting the health of women for 11 years. More than 627,000 women's lives have been saved and 330 fewer women are dying every day; and
WHEREAS, In celebration of the 11th Anniversary of National Wear Red Day on February 5, 2015, Go Red for Women is asking all women across America to 'Go Red' by wearing red and speaking about awareness. Women can prevent heart disease by: Asking their doctors to check their blood pressure and cholesterol; stopping smoking, losing weight, exercising and eating healthy; realizing their risk, since heart disease is the cause of one in three female deaths each year; making healthy food choices for themselves and their families and teaching their children the importance of staying active; and by telling every woman they know that heart disease is their number one killer; and
WHEREAS, By increasing awareness, speaking up about cardiovascular disease and empowering women to reduce their risk, thousands of women's lives can be saved each year: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we commemorate the 11th Anniversary of National Wear Red Day and urge all citizens to show their support for women and the fight against heart disease by wearing the color red.

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator McGinn.

On emergency motion of Senator McGinn SR 1706 was adopted by voice vote.
Senator Haley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1707—

A RESOLUTION recognizing 50 years of black state senators in Kansas and honoring George W. Haley, the first elected black state senator in Kansas.

WHEREAS, February of each year is designated "Black History Month" in the United States, and, in Kansas, Governor Sam Brownback has also designated the same, urging all Kansans to recognize accomplishments and contributions to Kansas made by people of color; and

WHEREAS, The 1965 session of the Kansas State Legislature was the first time in history that blacks would serve in the Kansas Senate, a legislative body that first commenced upon Statehood in 1861; and

WHEREAS, George Williford Boyce Haley was born on August 28, 1925, in Henning, Tennessee. After serving in World War II in the U.S. Air Force, George Haley attended Morehouse College with fellow student Martin Luther King, Jr. and became one of the first African-Americans to graduate from the University of Arkansas School of Law. George Williford Boyce Haley, a Republican Kansas City attorney and resident of Wyandotte County, and Democrat Curtis McClinton, Sr., a realtor from Wichita and member of the Kansas House of Representatives, were both elected to the Kansas Senate in the general election held in November, 1964. Haley was officially accorded first-elected status because his district number, 11, numerically preceded McClinton's district number, 26. Haley's last name alphabetically precedes McClinton's and Wyandotte County election officials reported election results to the Secretary of State's office before Sedgwick County election officials reported results; and

WHEREAS, Haley joined the firm of Stevens, Jackson and Davis in Kansas City, Kansas, who provided legal assistance in the landmark civil rights case, Brown v. Board of Education in Topeka, Kansas. Haley then served as Deputy City Attorney in Kansas City, Kansas; and

WHEREAS, In the Kansas Legislature, Senator George Haley was an advocate for personal liberties and social equity, and a visionary for inclusion. He was often not supported by fellow members of the Kansas Senate, including members from his own political party. A noted example of putting principles above partisan or popular politics was his near-solo support for fair and equal housing; and

WHEREAS, Haley went on to serve in six United States presidential administrations. He served as Chief Counsel of the Federal Transportation Administration under President Nixon, Associate Director for the Equal Employment Opportunity Commission at the U.S. Information Agency and General Counsel and Congressional Liaison under President Ford, Senior Advisor to the U.S. delegation of the United Nations Educational, Scientific and Cultural Organization under President Reagan, Chairman of the Postal Rate Commission under President George H.W. Bush and, under President Clinton, as the U.S. Ambassador to the Republic of The Gambia in West Africa, from whence Haley's forefather Kunta Kinte was brought to America; and

WHEREAS, Haley now lives in Silver Spring, Maryland, with his wife of 60 years, Doris; and

WHEREAS, Over the last 50 years, beginning with George W. Haley, only eight other black people have served in the Kansas State Senate: Curtis R. McClinton; Bill McCray; Eugene Anderson; U.L. "Rip" Gooch; Sherman J. Jones; David B. Haley;
Donald Betts Jr.; and Oletha Faust-Goudeau. Edward Sexton Jr. held the honorary title of Kansas State Senator, but did not serve; Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we do hereby honor and recognize the half century of elected Afri-Kansans in this Chamber, cognizant during Black History Month of their contributions to the greatness of our state. We especially acknowledge the accomplishments of our first elected black member, George W. Haley, who, through determination, hard work and the grace of God, broke numerous barriers to become a distinguished and inspiring American statesman.

Be it further resolved: That the Secretary of the Senate shall send two enrolled copies of this resolution to Ambassador George W. Haley.

On emergency motion of Senator Haley SR 1707 was adopted by voice vote.

SPECIAL REMARKS

This morning in the Statehouse’s new Visitor’s Center, Gov. Brownback signed a proclamation recognizing Black History Month in Kansas. We are all called upon to recognize the accomplishments and contributions African-Americans have made, and continue to make to our great State during February. As SR 1707 details, this year marks only the 50th (of Kansas’ 154) Sessions in which Kansas could boast of an elected black Senator. I am especially humbled and proud that this half-century of service was started with the swearing in of my own father, George W. Haley, here in this very Chamber in January of 1965. There’s a picture of that moment here on my desk at what was that historic day with me and my sister Anne on his knee, my mother Doris, my Uncles Julius and Alex Haley, my grandfather Simon Haley and my Aunt Virginia Hannon. Only eight others of color have since served. I will read their names and ask each of us to recall the distinction with which they have served over the last half-century in the Kansas Senate. (Names were read. One, Darryl Gray, was inadvertently omitted.) Thank you, Mr. Vice President.—DAVID HALEY

CONSIDERATION OF MOTIONS TO CONCUR AND NONCONCUR

Senator Masterson moved the Senate concur in House amendments to H Sub SB 4.

H Sub SB 4, AN ACT making and concerning appropriations for fiscal years ending June 30, 2015, and June 30, 2016, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2014 Supp. 72-8814, 74-4914d, 74-4920 and 74-50,107 and repealing the existing sections.

On roll call, the vote was: Yeas 24; Nays 13; Present and Passing 0; Absent or Not Voting 3.

Absent or Not Voting: Hawk, Lynn, Wolf.

The Senate concurred.
EXPLANATION OF VOTE

MR. VICE PRESIDENT: I recognize that the state must find revenue to pay its bills this month and set aside the money to cover some increased expenses. The state employees who have not been given a raise for many years are being required to contribute more of their salary to the KPERS retirement fund, reducing their take-home pay. Yet, in the debate on this bill, it was claimed that reducing the state employer contributions to that same fund won’t even be noticed. We are transferring money identified for specific purposes including the Children’s Initiatives Fund, the State Highway Fund, the Kansas Highway Patrol Operations Fund, and the Underground Storage Tank Redevelopment Fund to shore up general fund expenses. We are asking state agencies to take another across-the-board cut. This bill is asking some Kansans to take the hit to pay for the cost of services that should be shared more equitably by us all.

I vote “NO” on H Sub for SB 4.—MARCI FRANCISCO

MR. VICE PRESIDENT: It is with the greatest of reservations I cast an affirmative vote on this measure. As a fiscal conservative, this measure strikes me as wholly inadequate. We cannot continue to meet our budget obligations by delaying KPERS payments, transferring funds from our highway program and postponing revenue owed by the state to local schools. Yet we must pay our bills this month and this is the only alternative before the Senate. In the remaining days of this session, we must have real discussions about a balanced, sustainable budget based on revenues to meet our obligations and provide the services that Kansans expect and deserve. —JEFF LONGBINE

MR. VICE PRESIDENT: I vote no on this measure as it fails to meet the test of fiscal responsibility. I am growing weary of state policy that continues to shift responsibility to local units of government, robs more money from KDOT and makes our KPERS liability even greater. Yet we must pay our bills this month and the measure before us is the only alternative we’ve been given. Many of us supported the TWORKS program and now we've taken so much money from this program that the program will be adversely affected. Road maintenance will suffer. We must cease this practice of shifting money away from the top job-creating program in our state. I look forward to an honest debate in this session about the realities of our revenue picture and the budget priorities of our citizens.—CAROLYN MCGINN

Senators Kelly and Schmidt requests the record to show they concur with the Explanation of Vote offered by Senator McGinn on H Sub SB 4.

MR. VICE PRESIDENT: I cannot in good conscience support a bill that has an $800,000 deficit below 0 for 2015 and does not address the underlying problem, an unsustainable and inequitable tax policy. We have put at risk our state, our security, our children, and our future. I vote “NO” on H Sub SB 4.—PAT PETTEY

Senator Kelly requests the record to show that she concurs with the Explanation of Vote offered by Senator Pettey on H Sub SB 4.

Invocation by Father Don Davidson:

For some, dear Lord, it is curly and for others long and straight...for a few it is crafted with great artistry and for others it is more of a fantasy. Some have bad days while others have no days without the despair of watching changes from black or brown or red or blonde to a mixture of more than 50 shades of gray. Hats provide comfort, shelter, padding or invisibility...medicine and sickness cause havoc and obscurity. Maturity is not always insurance that cowlicks and oddities will play nicely together, and sprays, gels and all kinds of assistance seldom mask the reality of multi-year existence. The wind may take away what was here today, so help us Lord, to know that beyond the primping, combing and all matter of extension there is no match to the inside of a person, for there in lies the substance without need of pretension. Thank you Lord. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Give them pardon when they make mistakes and hope when problems seem intractable. Grant that they and all the people of Kansas may have grace to maintain our liberties in righteousness and peace; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

SENATE RESOLUTION No. 1709—

A RESOLUTION designating February 10, 2015,
as Multiple Sclerosis Awareness Day at the Capitol.

WHEREAS, Multiple sclerosis (MS) interrupts the flow of information between the
brain and the body and stops people from moving. It is an unpredictable, often disabling
disease of the central nervous system, and every hour someone is newly diagnosed in
the United States; and

WHEREAS, The Mid America Chapter of the National Multiple Sclerosis Society
reports that MS affects an estimated 2.5 million people worldwide, 400,000 nationwide
and over 4,600 Kansans; and
WHEREAS, Often first diagnosed in individuals aged 20 to 50, attacking them in the
prime of their lives, MS is the most common neurological disease leading to disability
in young adults; and
WHEREAS, The symptoms of MS range from numbness and tingling to blindness
and paralysis. The progress, severity and specific symptoms of MS in any one person
cannot yet be predicted, but advances in research and treatment are moving us closer to
a world free of MS; and
WHEREAS, The Mid America Chapter of the National MS Society has been
committed to mobilize people throughout Kansas who want to assist those afflicted with
MS; and

people and resources to drive research for a cure and to address the challenges of
everyone affected by MS: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we declare February 10,
2015, as Multiple Sclerosis Awareness Day at the Capitol to raise awareness for this
disease that has no known cause and no known cure. We recognize the importance of
moving closer to a world free of multiple sclerosis and express appreciation to the Mid
America Chapter of the National MS Society for its work.

Be it further resolved: That the Secretary of the Senate shall send five enrolled copies

SENATE RESOLUTION No. 1710—

A RESOLUTION congratulating and commending
the Rossville High School football team.

WHEREAS, The Rossville High School football team is the 2014 Class 3A
undefeated State Champion; and
WHEREAS, The Bulldawgs, coached by head coach Derick Hammes, finished the
season with a record of 14 wins and 0 losses and won its first ever state championship
with a 21-14 victory over Scott Community High School. The road to 2014 3A state
championship was filled with some of Kansas' best small class football programs. In
the regular season, Rossville defended and won its second consecutive Mid East League

challenging as Rossville beat three tradition-rich programs in reaching only the 2nd state

programs from Centralia, Pittsburg and Silver Lake with coaches who have recorded
multiple state championships. The victory over Silver Lake was the first post-season
victory over Rossville's arch rival in school history. The state championship game marked the battle of unbeaten teams as the Bulldawgs played four-time state champion Scott City. Facing its first deficit of the season, Rossville scored 14 unanswered points in the final 8 minutes of the game to claim the victory; and

WHEREAS, The team's success was due to tremendous commitment and included several remarkable achievements. Be it resolved by the Senate of the State of Kansas: That we congratulate and commend the Rossville Bulldawg football team for winning the 2014 Class 3A state football championship.

INTRODUCTION OF HOUSE BILLS AND CONCURRENT RESOLUTIONS

HB 2006, HB 2025, HB 2042, HB 2043, HB 2055, HB 2065, HB 2066, HB 2111, HB 2126 were thereupon introduced and read by title.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Powell introduced the following resolution which was read:

SENATE RESOLUTION No. 1711—

A RESOLUTION endorsing the twenty-sixth anniversary of sister state relations with the Republic of China (Taiwan), Taiwan's participation in the Trans-Pacific Partnership (TPP) and the United Nations Framework Convention on Climate Change (UNFCCC) and Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO).

WHEREAS, On November 14, 1989, the State of Kansas and the Republic of China (Taiwan) entered into a sister state relationship of enduring friendship and international cooperation; and

WHEREAS, Over the past twenty-six years, the bonds of true friendship and steadfast trade partnership between Kansas and Taiwan have been strengthened, resulting in tourism and a strong economic, social and cultural exchange; and

WHEREAS, Every other year, Taiwan has sent an agricultural trade goodwill mission to the U.S. Midwest region, including Kansas, to demonstrate Taiwan's continuing goodwill and willingness to purchase Kansas agricultural products. The Kansas agricultural industry has benefited greatly over the past decades from the sale of beef, wheat and corn to Taiwan; and

WHEREAS, Kansas and Taiwan have enjoyed a long and mutually beneficial relationship and anticipate continuing growth. Taiwan ranks as Kansas' 12th largest export destination with $194.5 million worth of Kansas goods shipped to Taiwan; and

WHEREAS, The United States ranks as Taiwan's third largest trading partner. Taiwan is the tenth largest trading partner of the United States with bilateral trade reaching $63.6 billion; and

WHEREAS, The Trade and Investment Framework Agreement (TIFA) meeting between the United States and Taiwan is laying the groundwork for a Bilateral Investment Agreement (BIA). Negotiation for a BIA is an important step toward further strengthening bilateral trade and paving the way for entering into a free trade agreement between the United States and Taiwan, thereby increasing the exports of Kansas to Taiwan and creating bilateral investment through tariff reduction and other trade facilitation measures; and

WHEREAS, Taiwan, seeking to contribute to greater regional integration in the Asia-Pacific region and promote bilateral investment and trade relations with the United States, applauds the United States' announcement of its intent not only to join the Trans-Pacific Partnership (TPP), but to expand TPP membership in the future to include other countries, such as the Republic of China (Taiwan); and
WHEREAS, Taiwan's inclusion in the TPP would contribute substantially to the depth, viability, and quality of the TPP. Taiwan's strong economic weight in the Asia-Pacific and the world, its well-developed knowledge base and highly skilled workforce, its vital position along regional supply chains and value chains and the positive economic and strategic gains for all make Taiwan an ideal candidate economy for the TPP's expansion; and

WHEREAS, Taiwan's absence from the United Nations Framework Convention on Climate Change has hampered Taiwan's ability to participate in global climate initiatives and respond to natural disasters. Taiwan can be a valuable and constructive partner in the international response to the adverse effects of climate change and severe weather emergencies, as evidenced by Taiwan's speedy and generous response to aid the victims of Typhoon Haiyan in the Philippines, which included donations of approximately $12.22 million; and

WHEREAS, The development of international civil aviation in a safe and orderly manner is the supreme cause of the International Civil Aviation Organization (ICAO). The ICAO depends to a great extent on multilateral cooperation to achieve the goals of safety, order and sustainable development; and

WHEREAS, Taiwan is an integral part of the global aviation network. With an excellent geographic location, Taiwan is a key aviation hub for regions in Asia and the world; and

WHEREAS, Taiwan Taoyuan International Airport is ranked 16th globally in international passenger traffic by the Airports Council International (ACI), and 58 domestic and foreign airlines connect Taiwan with 117 cities across the world. The Taipei Flight Information Region (FIR) each year provides more than 1.3 million navigation services to aircraft carrying 45 million passengers and over 1.68 million tons of cargo. The large volume of cargo and passenger traffic make Taiwan an important part of the global air transport network; and

WHEREAS, Without Taiwan's participation, international flight plans, regulations and procedures that the ICAO formulates will be incomplete and unsafe; and

WHEREAS, Taiwan's request to participate in the ICAO is fully in line with the United States government's policy of supporting Taiwan's meaningful participation in United Nations specialized agencies: Now, therefore,

Be it resolved by the Senate of the State of Kansas:

(1) That Kansas is celebrating the twenty-sixth anniversary of sister state relations with the Republic of China (Taiwan); and

(2) Kansas supports Taiwan's efforts to secure entry into the Trans-Pacific Partnership (TPP), and endorses the signing of the Bilateral Investment Agreement (BIA) with the United States; and

(3) Kansas supports Taiwan's appropriate participation in the United Nations Framework Convention on Climate Change (UNFCCC) and endorses Taiwan's participation as an observer in the International Civil Aviation Organization (ICAO); and

Be it further resolved: That copies of this resolution are sent to the United States Secretary of State, John F. Kerry, President Ma Ying-jeou of the Republic of China (Taiwan), Secretary General Raymond Benjamin of the International Civil Aviation Organization, Executive Secretary Christiana Figueres of the United Nations Framework Convention on Climate Change, each member of the Kansas Congressional
Delegation and Director General Jack J.C. Yang of the Taipei Economic and Cultural Office.

On emergency motion of Senator Powell SR 1711 was adopted by voice vote.

Invocation by Father Don Davidson:

Dear God, tomorrow is a feast day for Anglicans and Lutherans, and St. Valentine is also remembered on the calendar of Saints in Orthodoxy, but not until July. Although historically questionable, the story is that the original St. Valentine was locked-up for performing unauthorized marriages, and providing counsel for the lovelorn. Although blanketed with silliness, there is a great wonder and mystery, beauty and hope to the love that exists between people. Let us celebrate the joy that love brings to all of us, and be reminded that God is love and where love is, God is there. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

For many Christians today is the day we clean out the fat and have one last moment of gluttony before we take seriously our dependence on your grace. What would happen if everyone would try ridding themselves of the unnecessary, so as to have more room to show compassion and concern for all your precious children? Now that would be a Mardi Gras worth remembering. Help us, O Lord. Amen

As used in this subsection, "capitalized interest" means interest payments on the bonds that are pre-funded or financed from bond proceeds as part of the issue for a specified period of time in order to offset one or more initial debt service payments.

(9) Notwithstanding the provisions of subsection (8), the actuarial cost of the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be first reflected in employer contribution rates effective with the first day of the first payroll period for the fiscal year 2005. The actuarial accrued liability incurred for the provisions of K.S.A. 74-49,109 et seq., and amendments thereto, shall be amortized over 10 years.

who were employees of local employers which affiliated with the Kansas police and
firemen's retirement system shall be amortized over 10 years.

(14) The board with the advice of the actuary may fix the contribution rates for
participating employers joining the system after one year from the first entry date or for
employers who exercise the option contained in K.S.A. 74-4912, and amendments
thereto, at rates different from the rate fixed for employers joining within one year of
the first entry date.

(15) Employer contributions shall in no way be limited by any other act which now
or in the future establishes or limits the compensation of any member.

(16) Notwithstanding any provision of law to the contrary, each participating
employer shall remit quarterly, or as the board may otherwise provide, all employee
deductions and required employer contributions to the executive director for credit to
the Kansas public employees retirement fund within three days after the end of the
period covered by the remittance by electronic funds transfer. Remittances of such
deductions and contributions received after such date are delinquent. Delinquent
payments due under this subsection shall be subject to interest at the rate established
for interest on judgments under subsection (a) of K.S.A. 16-204(a), and amendments
thereto. At the request of the board, delinquent payments which are due or interest owed
on such payments, or both, may be deducted from any other moneys payable to such
employer by any department or agency of the state.

The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Father Don Davidson:

The great poet Ralph Waldo Emerson once said that: “In art, the hand can never execute anything higher than the heart can imagine.” Decisions made without the heart tend to be decisions poorly made. It is the heart of a person that demonstrates our humanity, our relationship to others and our ability to care. Help us always in our days, O Lord, to engage our heart in all the decisions we make. In your name we pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

POINT OF PERSONAL PRIVILEGE
Senator Kelly rose on a Point of Personal Privilege to honor and introduce four Robinson Middle School students from Topeka who helped save a man's life after they witnessed him struggling in the cold. The students, Tehya Bush, Alejandro Esparza, Noah Bush and Jessica Widow, saw a homeless man who was frozen from head to toe stumbling down their street and they sensed something was wrong. Rather than ignoring the man, the youngsters got involved, helping him after he had fallen, making sure he didn’t walk away, then called 911 for emergency care. Police who responded to the scene told the youths their actions likely saved the man’s life. As the man continued trying to get up, Tehya Bush told him help was on the way. The man heard sirens coming a short time later and became upset. “He kept saying, ‘I don’t got the money for this,’ ” Bush said. “And I said, ‘Well, we’re still gonna call for help, ’cause you could get hurt out here.’ ” (excerpts taken from The Topeka Capital-Journal story dated February 3, 2015)

Other guests introduced included: Ann Bush, Anthony Bush, Maribel Heirrich, John Heirrich, Maria Chacon, Tinya Widow, Christina O’Brian, Temmy Hazelton, Todd Berry, Tammyh Hazelton, Todd Berry and Dr. Julie Ford.

Senators honored the students and guests with a standing ovation.

On roll call, the vote was: Yeas 31; Nays 9; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Madam President: To destroy an unborn child by employing the barbaric and immoral practice of dismemberment is deplorable. It is unimaginable how such a procedure could be utilized by a medical practitioner. Given its use, however, I'm saddened to say the necessity of this bill arises. Failure to specifically prohibit dismemberment abortion not only continues the liberal assault on the unborn, it amounts to the implicit approval of a brutal and inhumane procedure and will further coarsen society to the humanity of the unborn, as well as all vulnerable and innocent human life. Accordingly, I vote “Aye.”—**TERRY BRUCE**

Senators Abrams, Arpke, Baumgardner, Holmes, Lynn, Olson, Ostmeyer, Petersen, Pilcher-Cook and Smith request the record to show they concur with the "Explanation of Vote" offered by Senator Bruce on **SB 95**.

Madam President: Some women are faced with difficult choices; some of those women feel they have no choice. Prior to the passage of the laws to allow for safe and legal abortions, abortions were taking place, however, with women putting their lives at risk and by doctors who became criminals. I believe **SB 95** takes a step back to that former time, placing a doctor in the difficult position of following the code to provide the best standard of care or breaking the law with the same result – greater risks for some women. If we are spending tax dollars, let us spend them on research and training to improve our medical practices rather than litigation on constitutionality. This vote is not an easy choice, but I vote “No” and believe in doing so I am standing on the side of love.—**MARCI FRANCISCO**

Senator Hawk requests the record to show he concurs with the "Explanation of Vote" offered by Senator Francisco on **SB 95**.

Madam President: I vote “No” on **SB 95** because it will do nothing to reduce the number of abortions in the state of Kansas. It will only make them less safe and more costly.—**LAURA KELLY**

Senator Hensley requests the record to show he concurs with the "Explanation of Vote" offered by Senator Kelly on **SB 95**.
Madam President: I vote "No" on SB 95; a so-called "Kansas Unborn Child Protection From Dismemberment Act." I am personally and publicly opposed to dismemberment of any human, born or deceased. (I believe that most of the world shares my shock over the rise of beheadings.) And I realize, all of this is theater and grand posturing and dedication to reducing women's private health-related choices that should, by constitutionality, remain unfettered. Kansans want more access and less governmental intrusion in their lives. It might play well for headlines back home. And, so, SB 95's title, despite its sinister somber idioms, to quote a quotable Alaskan is merely putting "lipstick on a pig;" limiting freedom to Americans. And by voting for this (actually "The Physician Intimidation and Criminalization Act"), you are! You are insuring that approximately nine (9%) percent of all women who are in an unwanted or crisis pregnancy will not have the safest clinical-based option. You are insuring yet another expensive lawsuit against our state; our broke, cash-strapped state, as we continue our race to the bottom of the fifty states. The continued mislabeling of a fetus in SB 95 as an "unborn child" does not undo the correct scientific category of this period of human gestation. I trust medical manuals for accurate biological definitions. Although I am not a woman, I trust women to conduct their lives in a free society. Accordingly, I vote "No" on SB 95.—DAVID HALEY

Sec. 10. K.S.A. 2014 Supp. 38-2343 is hereby amended to read as follows: 38-
2343. (a) Basis for extended detention; findings and placement. Whenever a juvenile is
taken into custody, the juvenile shall not remain in detention for more than 48 hours,
excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk
of the court is not accessible, from the time the initial detention was imposed, unless the
court determines after hearing, within the 48-hour period, that further detention is
necessary because detention is warranted in light of all relevant factors, including, but
not limited to, the criteria listed in K.S.A. 2014 Supp. 38-2331, and amendments thereto, and the juvenile is dangerous to self or others or is not likely to appear for further proceedings.

(1) If the juvenile is in custody on the basis of a new offense which would be a felony or misdemeanor if committed by an adult and no prior judicial determination of probable cause has been made, the court shall determine whether there is probable cause to believe that the juvenile has committed the alleged offense.

(2) If the court finds the juvenile is dangerous to self or others, the juvenile may be detained in a juvenile detention facility or youth residential facility which the court shall designate.

(3) If the court finds the juvenile is not likely to appear for further proceedings, the juvenile may be detained in a juvenile detention facility or youth residential facility which the court shall designate or may be released upon the giving of an appearance bond in an amount specified by the court and on the conditions the court may impose, in accordance with the applicable provisions of article 28 of chapter 22 of the Kansas Statutes Annotated, and amendments thereto.

(4) In the absence of the necessary findings, the court shall order the juvenile released or placed in temporary custody as provided in subsection (g).

(b) Waiver of detention hearing. The detention hearing may be waived in writing by the juvenile and the juvenile's attorney with approval of the court. The right to a detention hearing may be reasserted in writing by the juvenile or the juvenile's attorney or parent at anytime not less than 48 hours prior to trial.

(c) Notice of hearing. Whenever it is determined that a detention hearing is required the court shall immediately set the time and place for the hearing. Except as otherwise provided by subsection (e)(1) of K.S.A. 2014 Supp. 38-2332(e)(1), and amendments thereto, notice of the detention hearing shall be given at least 24 hours prior to the hearing, unless waived.

When there is insufficient time to give written notice, oral notice may be given and is completed upon filing a certificate of oral notice with the clerk.

(d) Attorney for juvenile. At the time set for the detention hearing if no retained attorney is present to represent the juvenile, the court shall appoint an attorney, and may recess the hearing for 24 hours, excluding Saturdays, Sundays and legal holidays, to obtain attendance of the attorney appointed.

(e) Hearing. The detention hearing is an informal procedure to which the ordinary rules of evidence do not apply. The court may consider affidavits, professional reports and representations of counsel to make the necessary findings, if the court determines that these materials are sufficiently reliable. If probable cause to believe that the juvenile has committed an alleged offense is contested, the court shall allow the opportunity to present contrary evidence or information upon request. If the court orders the juvenile to be detained in a juvenile detention facility, the court shall record the specific findings of fact upon which the order is based.

(f) Rehearing. (1) If detention is ordered and the parent was not notified of the hearing and did not appear and later requests a rehearing, the court shall re hear the matter without unnecessary delay.

(2) Within 14 days of the detention hearing, if the juvenile had not previously presented evidence regarding the determination of probable cause to believe that the juvenile has committed an offense, the juvenile may request a rehearing to contest the
determination of probable cause to believe that the juvenile has committed an offense. The rehearing request shall identify evidence or information that the juvenile could not reasonably produce at the detention hearing. If the court determines that the evidence or information could not reasonably be produced at the detention hearing, the court shall rehear the matter without unnecessary delay.

(g) **Temporary custody.** If the court determines that detention is not necessary but finds that release to the custody of a parent is not in the best interests of the juvenile, the court may place the juvenile in the temporary custody of some suitable person willing to accept temporary custody or the commissioner. Such finding shall be made in accordance with K.S.A. 2014 Supp. 38-2334 and 38-2335, and amendments thereto.

(h) **Audio-visual communications.** Detention hearings may be conducted by two-way electronic audio-visual communication between the juvenile and the judge in lieu of personal presence of the juvenile or the juvenile's attorney in the courtroom from any location within Kansas in the discretion of the court. The juvenile may be accompanied by the juvenile's attorney during such proceedings or the juvenile's attorney may be personally present in court as long as a means of confidential communication between the juvenile and the juvenile's attorney is available.

Sec. 11. K.S.A. 2014 Supp. 38-2344 is hereby amended to read as follows: 38-2344. (a) When the juvenile appears without an attorney in response to a complaint, the court shall inform the juvenile of the following:

1. The nature of the charges in the complaint;
2. the right to hire an attorney of the juvenile's own choice;
3. the duty of the court to appoint an attorney for the juvenile if no attorney is hired by the juvenile or parent; and
4. that the court may require the juvenile or parent to pay the expense of a court appointed attorney.

Upon request the court shall give the juvenile or parent an opportunity to hire an attorney. If no request is made or the juvenile or parent is financially unable to hire an attorney, the court shall forthwith appoint an attorney for the juvenile. The court shall afford the juvenile an opportunity to confer with the attorney before requiring the juvenile to plead to the allegations of the complaint.

(b) When the juvenile appears with an attorney in response to a complaint, the court shall require the juvenile to plead guilty, nolo contendere or not guilty to the allegations stated in the complaint, unless there is an application for and approval of an immediate intervention program. Prior to making this requirement, the court shall inform the juvenile of the following:

1. The nature of the charges in the complaint;
2. the right of the juvenile to be presumed innocent of each charge;
3. the right to jury trial without unnecessary delay;
4. the right to confront and cross-examine witnesses appearing in support of the allegations of the complaint;
5. the right to subpoena witnesses;
6. the right of the juvenile to testify or to decline to testify; and
7. the sentencing alternatives the court may select as the result of the juvenile being adjudicated a juvenile offender.
(c) If the juvenile pleads guilty to the allegations contained in a complaint or pleads nolo contendere, the court shall determine, before accepting the plea and entering a sentence: (1) That there has been a voluntary waiver of the rights enumerated in subsections (b)(2), (3), (4), (5) and (6); and (2) that there is a factual basis for the plea.

(d) If the juvenile pleads not guilty, the court shall schedule a time and date for trial to the court.

(e) First appearance may be conducted by two-way electronic audio-video audio-visual communication between the juvenile and the judge in lieu of personal presence of the juvenile or the juvenile's attorney in the courtroom from any location within Kansas in the discretion of the court. The juvenile may be accompanied by the juvenile's attorney during such proceedings or the juvenile's attorney may be personally present in court as long as a means of confidential communication between the juvenile and the juvenile's attorney is available."

Humanity agrees on little and although agreement may be far away, most everyone complains about the weather. Those of us who live in areas where the weather has always been unpredictable seem to have the shortest of memories of when it was ever this cold or when have we ever had such heat. Dear Lord, thank you for making us the way we are, but help us along our earthly journey to be better stewards of the earth you have made and less concerned for our own comfort, for you are the Lord of all. Amen

Invocation by Father Don Davidson:

Dear Lord, how did we ever live before cell phones? Sometimes I wonder about our need to text or call people that we really do not want to visit or see? How did that happen? Although human interaction can be difficult at times, when passions and opinions get the best of us, yet help us to be thankful for the gift you have given us when we get to know and care about each other. No cell phone needed. In your holy name, Amen

The Pledge of Allegiance was led by President Susan Wagle.

SENATE RESOLUTION No. 1720—

A RESOLUTION commemorating the 150th Anniversary of Ottawa University in Ottawa, Kansas.

WHEREAS, Ottawa University traces its roots to a strong partnership between Baptist missionaries and the Ottawa Indian tribe that began prior to Kansas’ statehood;
and

WHEREAS, In 1837, the Reverend Jotham Meeker, his wife, Eleanor Richardson Meeker, and their children moved to the banks of the Marais des Cygnes River to devote themselves to serving as ministers, physicians, teachers and counselors to the Ottawa Indian tribes who had recently been moved to the area; and

WHEREAS, Reverend Meeker inspired others, including John Tecumseh "Taoy" Jones, to take up this work of building a vibrant partnership with the tribal leaders; and

WHEREAS, This partnership between the Kansas Baptist denomination and the Ottawa Indian Tribe, under Taoy Jones' leadership, led to the foundation in 1865 of a school dedicated to the benefit of the children of the Ottawa people, placed on 20,000 acres of land endowed by the Tribe to support the establishment of the institution; and

WHEREAS, The original charter was to form a boarding school for tribal children. Both parties quickly recognized the importance of offering a college-level education and the understanding by members of the Tribe, the Baptists, and the people of Ottawa that a college would serve as an economic growth engine for the emerging community around the Marais des Cygnes; and

WHEREAS, Ottawa University's Christian heritage and respectful partnership with the Ottawa Indians remains alive and powerful today, evidenced by the 2008 agreement between Kevin Eichner, President of the University, and Chief John Ballard of the Ottawa Tribe of Oklahoma to grant, in perpetuity, free tuition, room and board to all certified tribal members who wish to attend either the residential college in Ottawa, Kansas or any of Ottawa University's adult on-campus or online programs. The University also began offering exclusive degree programs online in 2008; and

WHEREAS, Ottawa University's mission is to provide the highest quality liberal arts and professional education in a caring, Christ-centered community of grace – which integrates faith, learning and life; and

WHEREAS, Ottawa University serves more than 4,800 students from 49 states and 16 countries; and

WHEREAS, Ottawa University employs more than 200 Kansans as faculty and staff who are equally committed to ensuring that each and every student receives personal attention and the highest quality education that honors the school's mission and history; and

WHEREAS, There are more than 23,000 distinguished graduates of Ottawa University serving their communities, professions and churches around the world; and

growth and significance; and

WHEREAS, Ottawa University's commitment to education exemplifies the best of Kansas' past, present and future and serves as an inspiration to all Kansans: Now, therefore,

compensation program as provided by this section. The secretary may adopt rules and regulations and establish procedures necessary to administer the shared work unemployment compensation program.

(c) An employer who wishes to participate in the shared work unemployment compensation program must submit a written shared work plan to the secretary for the secretary's approval. plan, the secretary shall notify the employer of the reasons for the denial.

plan expires on the last day of the 12th full calendar month after the effective date of the
shared work plan.

the shared work plan in writing to the secretary before implementing the changes. If the
original shared work plan is substantially modified, the secretary shall reevaluate the
shared work plan and may approve the modified shared work plan if it meets the
requirements for approval under subsection (d). The approval of a modified shared
work plan does not affect the expiration date originally set for that shared work plan. If
substantial modifications cause the shared work plan to fail to meet the requirements for
approval, the secretary shall deny approval to the modifications as provided by
subsection (g).
(j) Notwithstanding any other provisions of the employment security law, an
individual is unemployed and is eligible for shared work benefits in any week in which
the individual, as an employee in an affected unit, works for less than the individual's

employment security law that relates to availability for work, active search for work or
refusal to apply for or accept work with an employer other than the participating
employer.

week in which the secretary finds that:

(4) the individual's normal weekly hours of work and wages have been reduced as described in subsection (k)(3) for a waiting period of one week which occurs within the period the shared work plan is in effect, which period includes the week for which the individual is claiming shared work benefits.

(l) The secretary shall pay an individual who is eligible for shared work benefits under this section a weekly shared work benefit amount equal to the individual's regular weekly benefit amount for a period of total unemployment multiplied by the nearest full percentage of reduction of the individual's hours as set forth in the employer's shared work plan. If the shared benefit amount is not a multiple of $1, the secretary shall reduce the amount to the next lowest multiple of $1. All shared work benefits under this section shall be payable from the fund.

(m) An individual may not receive shared work benefits and regular unemployment compensation benefits in an amount that exceeds the maximum total amount of benefits payable to that individual in a benefit year as provided by subsection (l) of K.S.A. 44-704(j), and amendments thereto.

(n) An individual who has received all of the shared work benefits and regular unemployment compensation benefits available in a benefit year is an exhaustee under K.S.A. 44-704a and 44-704b, and amendments thereto, and is entitled to receive extended benefits under such statutes if the individual is otherwise eligible under such statutes.

(o) The secretary may terminate a shared work plan for good cause if the secretary determines that the shared work plan is not being executed according to the terms and intent of the shared work unemployment compensation program.

(p) Notwithstanding any other provisions of this section, an individual shall not be eligible to receive shared work benefits for more than 26 calendar weeks during the 12-month period of the shared work plan, except that two weeks of additional benefits shall be payable to claimants who exhaust regular benefits and any benefits under any other federal or state extended benefits program during the period July 1, 2003 through June 30, 2004. No week shall be counted as a week for which an individual is eligible for shared work benefits for the purposes of this section unless the week occurs within the 12-month period of the shared work plan.

(q) No shared work benefit payment shall be made under any shared work plan or this section for any week which commences before April 1, 1989.

(r) This section shall be construed as part of the employment security law."

President Wagle announced the Senate would recess to the sound of the gavel to receive reports of standing committees under that order of business.

On motion of Senator Bruce, the Senate adjourned until 2:30 p.m., Wednesday February 25, 2015.
The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.
Invocation by Father Don Davidson:

Dear Lord, every thought we have is a seed and not every seed will grow a beautiful flower, some may grow a disgusting weed. We have the power of guarding our thoughts so we live in a world of beauty and not in a world of thorns. As we reach the time of “turnaround” this session, let us reflect on the seeds we have planted and those still needing to be planted and what we see growing down the road. Truly, dear Lord, you are our Master Gardener. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

POINT OF PERSONAL PRIVILEGE

**EXPLANATION OF VOTE**

Mr. Vice President: I vote “No” on **SB 34**. This bill creates another taxpayer-funded lawyer to search for a problem that doesn’t exist. If there was a need for the Secretary of State to have prosecution powers, other states would adopt such laws. To date, no state in our nation has done so. Additionally, we have 105 county prosecutors and the U.S. Attorney for the District of Kansas ready and willing to prosecute voter fraud cases. I cannot support giving prosecution powers to Kris Kobach, who has proven himself time and time again to be a self-serving partisan politician. For these reasons, I vote “No” on **SB 34**—**ANTHONY HENSLEY**

Senators Francisco and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on **SB 34**.

**SB 56**, AN ACT concerning crimes and punishment; relating to promotion to minors of material harmful to minors; removing an affirmative defense; amending K.S.A. 2014 Supp. 21-6402 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 26; Nays 14; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I recognize that the change we are making simply removes the affirmative defense for materials or devices purchased, leased, or acquired by a public, private or parochial school. Many of us are encouraging the same age students to go to the public library where, for librarians who may have purchased the exact same materials, the affirmative defense would still be in place. I vote “No” on **SB 56**, and hope that we will continue to show the same respect for our teachers that we are granting our librarians.—**MARCI FRANCISCO**

Senators Haley and Holland request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on **SB 56**.

Mr. Vice President: I vote "No" on **SB 56**. Because of the profound chilling effect it has on educators, and from a first amendment perspective, this bill ties their hands; good hands; regulated hands. It prevents them from offering real world perspectives in a structured environment. Most of us recognize that we now live in the 21st century in an era where unstructured exposure to offensive materials is on most streets (sometimes even by so-called church's hateful placards); on television and on the internet, to name but a few such exposures. Students can get information ANY where. Why limit the arena where learning is structured and moderated? It is the responsibility of educators and administrators to ensure that the information they display is accurate and not of a prurient nature, not ours. It should be realized and bears repeating yet again, that Kansas
does not exist in a time-warped vacuum and that the world that exists beyond our classrooms and beyond our State's borders is huge and our children, mostly anyway, will go out into it someday. Attempting to overly shelter youth from what is reality does them ultimately no justice. Instead, it might actually handicap them. Accordingly, again, I vote "No" on SB 56 and hope a more realistic House will fix it.—David Haley

Mr Vice President: I vote "No" on SB 56. As a lifelong educator dedicated to giving students the best education possible, I cannot be part of the chilling effect this bill will have on the quality and accuracy of the education students receive. Teachers should not have to fear criminal persecution when they are working to engage their students in critical thinking around subjects such as art, literature, biology, and human sexuality. At this time in history when young people have access to massive amounts of sexually explicit information courtesy of the internet and various social media, it is a gross disservice to both teachers and students to limit, threaten, or censor those who provide our students with honest, accurate information on difficult subjects.—Tom Hawk

Senators Francisco and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Hawk on SB 56.

Mr. Vice President: I vote "No" on SB 56. Current law already protects minors in their homes, schools and from sex predators. No evidence suggests minors are currently being harmed by public school teachers knowingly showing harmful materials by this bill. School teachers should not be criminalized for doing their jobs. This bill is an attack on teachers and their ability to determine what content is suitable for their students. This bill would have a chilling effect on teachers and librarians, and will lead to self-censorship across educational disciplines in order to avoid potential prosecution. If parents object to materials taught in a public school, multiple alternatives exist to address their concerns. Threatening teachers with a class B nonperson misdemeanor for doing their jobs is dangerous and unacceptable. As Dr. John Richard Schrock wrote, "The new social media and our unregulated internet allow youngsters to have access to pornography and sexually explicit misinformation at very young age. At a time when accurate information is ever more important, this bill will censor that responsible teaching of Kansas students younger than 18 years of age." For these reasons, I vote "No."—Anthony Hensley

Senators Francisco, Holland and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on SB 56.

Mr. Vice President: Current law makes it a crime to display or distribute to a minor material containing nudity, sexual conduct, sexual excitement or sadomasochistic abuse which a reasonable, adult person, applying contemporary community standards, believes to appeal to a prurient interest in sex, to be patently offensive, and to lack serious literary, scientific, educational, artistic or political value. Presently schools, museums, and libraries are given an affirmative defense from prosecution if the nudity is for a bona fide scientific, medical, educational, or cultural purpose. But, faculty and administrators of colleges and universities, and teachers at primary and secondary schools are allowed to disseminate to minors, for any purpose, any such material as part of an approved course of instruction. They are presently exempted from the law. If it is illegal in society at large to exhibit to minors patently offensive material that appeals to
a prurient interest in sex and that has no literary, scientific, educational, artistic or political value, we should expect the same for our children in primary schools, middle schools, and high schools. I vote "Aye" on **SB 56.**—FORREST KNOX

Senators Arpke, Fitzgerald, Holmes, Lynn and Pilcher-Cook request the record to show they concur with the "Explanation of Vote" offered by Senator Knox on **SB 56.**

Mr. Vice President: This bill is a solution looking for a problem. Removing the affirmative defense from K-12 educators is a thinly veiled method of attacking any material which are perceived to be "harmful" to minors. Kansas schools already have in place reasonable safeguards to protect minors from exposure to inappropriate and/or harmful material. This bill infringes on the local control of school curriculum and teaching standards. Threatening teachers and school librarians with a class B nonperson misdemeanor is criminalizing education professionals for doing their job. I vote “No” on **SB 56.**—PAT PETTEY

Senators Francisco and Haley request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on **SB 56.**

Mr. Vice President: Our state laws should safeguard the rights of parents to shield and protect their children from harmful material, especially in schools. When highly offensive sexually explicit material was knowingly posted in a middle school from a sexual education curriculum with phrases that are even blurred out on television, it is clear that pornography and obscene materials are becoming more and more prevalent in our society, and it is all too common to hear of cases where children are not protected from the harm it inflicts. This bill ensures that for materials to be considered harmful to minors, they would have to be patently offensive to prevailing standards in the adult community with respect to what is suitable for minors...," and they must lack "serious literary, scientific, educational, artistic or political value for minors." This law would also give teachers a measure of protection from presenting materials they have serious concerns about. I vote “Aye” on **SB 56.**—MARY PILCHER-COOK

Mr. Vice President: As a public K-12 school teacher in Kansas I have no concerns with **SB 56,** a bill that adds, by my count, 8 words to current law and strikes seven words. Baseless fear and paranoia are no reason to vote against a bill. This is not an attack on teachers. **SB 56** does not provide an affirmative defense for commercial establishments nor does current law. Many commercial establishments sell replicas of the Statute of David, other artwork, and classic literary works those in opposition of the bill claim will be banned, yet they (business owners) are not arrested for allowing minors to view these materials. Why? Because they have literary, scientific, education, artistic or political value. I vote “Aye” on **SB 56.**—GREG SMITH

Senators Abrams, Arpke, Holmes and Melcher request the record to show they concur with the "Explanation of Vote" offered by Senator Smith on **SB 56.**

**SB 62,** **AN ACT** concerning search and rescue and hazardous material response matters; dealing with tort claims immunity; amending K.S.A. 2014 Supp. 75-6102 and repealing the existing section, was considered on final action.

EXPLANATION OF VOTE

Mr. Vice President: I have no doubt that passage of SB 123 would reduce expenditures for the managed care organizations providing Medicaid services through KanCare, although I do not believe the savings will be nearly as great as estimated in the fiscal note for the bill and that some of reduction would be related, not to the bill’s passage, but to the expiration of patents. I am concerned that other private and state entities will see their expenses for emergency care, public safety, hospitalization and incarceration increase if patients cannot get or are unwilling to use a substitute; those costs may not be eligible for a federal match. I will work to promote policies that enhance patient safety and create efficiency without jeopardizing patient access to medication. I vote “No” on SB 123.—MARC FRANCISCO

Senators Haley, Hawk and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on SB 123.

Mr. Vice President: SB 123 repeals a law from 2002 that specifically prohibits preferred drug lists or prior authorization requirements for mental health drugs for Medicaid patients. The 2002 law has prevented any protective oversight for patients and is hindering efforts at improving health care outcomes – in some cases jeopardizing the health and safety of Medicaid patients. Psychotropic drugs are powerful drugs with significant side effects. While patients who are stable on their current medications will be able to continue their prescribed treatment, this bill will help us to address a CMS report that shows Kansas is 46th worst among all states in psychotropic drug use on senior citizens with dementia symptoms and the tripling of the number of children on anti-psychotics in the past fifteen years who are at higher risk for long-term side effects. It is vital that we protect the health and safety of our most vulnerable population in Kansas. I vote “Aye” on SB 123.—MARY PILCHER-COOK

and repealing the existing sections; also repealing K.S.A. 2013 Supp. 38-2310, as amended by section 2 of chapter 131 of the 2014 Session Laws of Kansas, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

THIRTY-THIRD DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, February 26, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle. The roll was called with 40 senators present. Invocation by Father Don Davidson:

Dear Lord, ships and boats are mysterious to me. I am fascinated that while there is so much water everywhere, a heavy ship can float — that is as long as the water is out and the air is in. Maybe there is a lesson that can be learned. When we keep the positive inside, the negative can never cause us to go under. With your help dear Lord, help us always to rise above the negative in our lives. Amen

The Pledge of Allegiance was led by President Susan Wagle.

EXPLANATION OF VOTE

Madam President: I vote “Aye” on SB 45 regarding public permitless concealed carry of weapons by a legal gun owner. Since coming to the Legislature, the most important thing that remains for me to do is to listen, carefully, to the voices of my voting
constituents. Recognizing and respecting the differing views on this concept and on this issue, my support for SB 45 has come down to one immutable fact. Law abiding, legally registered gun owners who should be able to conceal and carry are currently being far outnumbered by illegal gun owners (some, often, criminals) who do conceal and carry. In our society, I prefer to favor the lawful over the lawless. In our society, I vote to now provide the same personal safety and protection to a registered law-abiding gun owning citizen that parallels an unregistered gun possessor. Despite the loss of revenue now required for a CCW permit and the removal of training requirements which could only be good for any shooter, public or private, statistics suggest that “an armed society is a politer society” and again, accordingly Madam President, I vote”Aye”on SB 45.—DAVID HALEY

Senators Abrams, Arpke, Bowers, Bruce, Denning, Fitzgerald, Holmes, Kerschen, King, Knox, LaTurner, Longbine, Lynn, Masterson, Melcher, Ostmeyer, Petersen, Pilcher-Cook, Smith, and Wilborn request the record to show they concur with the "Explanation of Vote" offered by Senator Haley on SB 45.

Madam President: In nearly 40 years of service in the Kansas Legislature, my record on firearms and the 2nd Amendment speaks for itself. Most notably, in 2006, I voted in favor of SB 418 allowing law abiding Kansans to carry concealed firearms. Governor Sebelius vetoed that legislation. In response, I voted to override her veto. As a result, Kansans can now carry concealed firearms after going through sufficient training and licensing. Make no mistake, I support current law. However, I cannot in good conscience support SB 45 because of my uncertainty as to the impact it will have on our state. Will this bill put people in unnecessary danger? Will our state’s business community be adversely affected by way of unneeded liability or potential higher insurance costs? And, could this bill lead to business owners being forced to ban any and all firearms, including concealed firearms currently allowed by law? Without sufficient answers to these questions, I must vote “No.”—ANTHONY HENSLEY

Madam President: Today I stand with many of my colleagues who consider ourselves to be gun rights advocates and supporters of the second amendment. I’ve been consistently endorsed by gun advocacy organizations throughout my career, and I will forever remain a supporter of our second amendment rights. Through the years, I’ve voted in favor of gun right measures, and have been proud to do so with full confidence. I vote “Aye” on SB 45, but unlike so many other gun advocacy votes, I do so today with uncertainty. I hope as the process and this bill evolves, those who have contacted me this week with legitimate concerns on the measure will involve themselves in the process and help the legislature separate fact from fiction to eliminate any unintended consequences. However, today we must vote, and when in doubt, I believe that if we err, we ought to do so on the side of freedom and the continued protection of our most basic constitutional rights.—SUSAN WAGLE

Senators Donovan, Kelly and McGinn request the record to show they concur with the "Explanation of Vote" offered by Senator Wagle on SB 45.

EXPLANATION OF VOTE

Mr. Vice President: I agree that there is a good argument for allowing all school-age children to participate in activities offered by a school district and appreciate the amendments added in committee that keep expectations similar for all those children. However, the state has a responsibility to provide funding and our current school funding formula ties much of that funding to enrollment. I believe it is the responsibility of the legislature to both allow participation and provide funding. Without both, I “Pass” on Sub SB 60.—MARCI FRANCISCO

Senators Haley and Hawk request the record to show they concur with the “Explanation of Vote” offered by Senator Francisco on Sub SB 60.

SB 70, AN ACT concerning teachers; relating to background checks and revocation of licensure; amending K.S.A. 2014 Supp. 72-1397 and 72-1923 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 29; Nays 10; Present and Passing 1; Absent or Not Voting 0.

Present and Passing: Hensley.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I vote “No” on SB 70. When initially applying for a license, teachers must submit their fingerprints for a background check. Fingerprints do not change over time. So, it is unnecessary to require teachers to be fingerprinted every five years when they go to renew their licenses, especially since it is not the standard practice for any other profession. The Kansas State Board of Education already has the authority to revoke, suspend, or censure the license of anyone convicted of any felony. Since 1996, there is no evidence that the board has not taken action to revoke or deny a
license to a teacher or administrator convicted of offenses outlined in current statute. It is time for the Kansas Legislature to stop treating teachers as though they are guilty until proven innocent. I vote “No.”—PAT PETTEY

Senators Francisco, Haley, Hawk, Holland, Kelly and McGinn request the record to show they concur with the "Explanation of Vote" offered by Senator Pettey on SB 70.

SB 77, AN ACT concerning the ethics commission; relating to fees; amending K.S.A. 2014 Supp. 25-4119f, 25-4145 and 46-265 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 36; Nays 4; Present and Passing 0; Absent or Not Voting 0.

Nays: Pilcher-Cook, Powell, Pyle, Tyson.

The bill passed.

SB 78, AN ACT concerning campaign finance; relating to electronic filing of legislative reports; amending K.S.A. 2014 Supp. 25-4148 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 20; Nays 20; Present and Passing 0; Absent or Not Voting 0.

A constitutional majority having failed to vote in favor of the bill, SB 78 did not pass.

EXPLANATION OF VOTE

Mr. Vice President: I vote “No” on SB 78 and sincerely hope that the majority of our colleagues will vote the same and kill this bill now. SB 78 would require all Kansas campaigns for the state senate and the state house of representatives to file campaign finance reports electronically, “online”, so to speak. Currently all such campaigns may file such reports written in long hand and submitted to the commission in person, or by mail or facsimile (fax) by a certain prescribed date. This change will stifle access to running for state office. Not, perhaps, by you or by me or by many legislative incumbents who are already filing campaign reports electronically, but by those candidates who are seeking to run for office and do not have either the ready access to or the requisite skill set to either the internet or to, even, computer equipment. Yes, I know, Madam President, that I am usually the very one to urge this Senate to let go of the past, to move onward progressively...into the future; to “get with the times!” But where access to lawfully pursuing office is challenged, I vote now to embrace the status quo and vote “No” on SB 78. —DAVID HALEY

SB 93, AN ACT concerning postsecondary education; relating to postsecondary career technical education performance-based funding; amending K.S.A. 2014 Supp.
72-4490 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**SB 120**, AN ACT concerning wildlife, parks and tourism; relating to land purchases; amending K.S.A. 2014 Supp. 32-833 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 32; Nays 7; Present and Passing 1; Absent or Not Voting 0.

Present and Passing: Francisco.
The bill passed as amended.

**EXPLANATION OF VOTE**

Mr. Vice President: I fully support the intent of **SB 120** for the Department of Wildlife, Parks and Tourism to use natural resource damage funds to purchase land in the Kansas counties of Cherokee, Crawford, Labette, and Neosho. I am very concerned with the parts of the amendment that were added, without any discussion in committee, to limit the size of the tracts that can be purchased with those funds and also to reduce the size of tracts throughout Kansas that can be purchased by the department without approval by an act of the legislature. I believe it is vital to have public land in Kansas, for the public and for wildlife. Because of the amendment, I vote “Pass” on **SB 120**.—**MARCi FRANCISO**

Mr. Vice President: While I support limiting Kansas, Wildlife and Parks from making purchases for grounds suitable for hunting, I voted no on this bill because an amendment was offered to isolate four counties, and no justification was given.—**CAROLyN McGINN**

**SB 121**, AN ACT concerning the Robert G. (Bob) Bethell joint committee on home and community based services and KanCare oversight; members and meetings; amending K.S.A. 2014 Supp. 39-7,160 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 30; Nays 10; Present and Passing 0; Absent or Not Voting 0.

Wagle, Wilborn, Wolf.

The bill passed, as amended.

**SB 124**, AN ACT concerning solid waste disposal; relating to land-spreading of drilling waste; amending K.S.A. 2014 Supp. 65-3407c and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**SB 125**, AN ACT concerning radioactive materials; relating to by-product material; low-level radioactive waste; naturally occurring radioactive material; amending K.S.A. 48-1603 and 48-1620 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

**SB 150**, AN ACT concerning motor carriers; relating to the regulation thereof; representation before the corporation commission; amending K.S.A. 2014 Supp. 66-1,142b and repealing the existing section, was considered on final action.

The bill passed, as amended.

EXPLANATION OF VOTE

Mr. Vice-President: I believe that the program administered by the Kansas Corporation Commission to plug abandoned oil and gas wells should be continued and support the extension of the sunset of transfers of funds to the Abandoned Oil and Gas Well Fund. I also very much support the changes for those transfers set out in this bill that replace the transfer of $400,000 a year from the State Water Plan Fund with an increased transfer from the Conservation Fee Fund. As the legislature is not providing the statutorily mandated funds to the State Water Plan, it makes sense to stop diverting State Water Plan funds. I vote “Aye” on SB 91.—MARCI FRANCISCO

SB 97, AN ACT concerning animals; relating to contact with dangerous regulated animals; amending K.S.A. 2014 Supp. 32-1301, 32-1306 and 32-1308 and repealing the existing sections.

On roll call, the vote was: Yeas 23; Nays 17; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: Renowned animal expert Jack Hanna, who was referenced as a supporter of SB 97 in the debate, was not in the Natural Resources committee. However, he is on record in a newspaper article. He said, “Wild animals are just that — wild — and they can go off at any time. Something might happen some day at some zoo. We’ve done everything we can do to avoid it, (but) to say something will never happen again is impossible.” IT will happen, and this bill would make it easier to occur. I won’t be responsible for inflicting that kind of pain on a family. I know what that kind of loss feels like and I would not wish it on my worst enemy. I vote “No” on SB 97.—GREG SMITH

EXPLANATION OF VOTE

Mr. Vice President: Over the last several decades past legislatures have made many changes to our defined benefit retirement system, some steps forward and some back, all attempts to improve either benefits or its funding status. In more recent years we have taken some bolder steps in attempt to more aggressively tackle our long term liability; however a multi-billion dollar liability still looms for years to come. Refinancing a portion of that liability can be a beneficial tool, especially in the current rate climate, but until we ultimately get out of the business of a defined benefit model, a model that puts our taxpayers on the line insuring certain returns for some at the expense of others and can rob employees and families of access to their own retirement dollars, we will continue to “fix” things in perpetuity. Even our current fix balloons our annual SGF expenditures for KPERS to a billion dollars in a single year before any hope of trending down. I only vote for SB 168 because I believe it’s a step in the right direction making our system more viable and increases our chances of finding a market based solution that is better for both the employees and taxpayers. I vote “Aye” on SB 168.—TY MASTERS

Our Most Gracious God, this afternoon, I want to lift up the ladies and gentlemen here today who are preparing to do business that will affect the people of the State of Kansas. The individuals in this room have been chosen by their constituents, yet ordained by You for the positions they now hold. As they prepare for the items of this day’s session, we look to the Book of Romans which tells us all: “And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.” Romans 12:2 (NASB). With that all said Father, transform the hearts and minds of these men and women to do Your will whether they acknowledge You or not. Do not allow them to be conformed to special interest groups which may harm men and women, children and families of our great State. May the words out of their mouths be those of the best interests of Kansans who went to the polls to send them to this solemn chamber.

As they are in the midst of this session, I want to lift up the families of the Senators in this room along with the families of their staff. Much time is spent on the business of our great State; that it takes a heavy toll on all during this time. Comfort hearts, strengthen minds and give rest to those who are weary of this process. Before we close this prayer, may you strengthen the people of the great State of Kansas. Bless their businesses, farms, families, and those who are serving in our Armed Forces. Be with those who protect our cities, serve our citizens and teach our children. All of these things I ask in the name of Your Risen Son, Jesus Christ! Amen

The Pledge of Allegiance was led by Vice President Jeff King.

SENATE CONCURRENT RESOLUTION No. 1605—
By Committee on Ways and Means

A PROPOSITION to amend sections 6, 7, 8 and 9 of article 11 of the constitution of the state of Kansas; concerning state debts.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the Senate and two-thirds of the members elected (or appointed) and qualified to the House of Representatives concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Sections 6, 7, 8 and 9 of article 11 of the constitution of the state of Kansas are hereby amended to read as follows:

"§ 6. State debts; annual tax proceeds. For the purpose of defraying extraordinary expenses and making public improvements, the state may contract public debts, but such debts shall never, in the aggregate, exceed one million dollars, except as hereinafter provided, including, but not limited to, debts that constitute a general obligation of the state. Every such debt shall be authorized by law for some purpose specified therein, and the vote of a majority two-thirds of all the members elected to each house, to be taken by the yeas and nays, shall be necessary to the passage of such law, and Every such law shall provide for specifying the sources of tax revenue sufficient to pay the

principal of and interest on such debt when it shall become due and, to the extent
deemed necessary by the legislature, impose a tax sufficient to pay the annual
such principal and interest of such debt, and the principal thereof, when it shall
become due; and shall specifically appropriate the proceeds of such taxes to the
payment of such principal and interest; and such appropriation shall not be
repealed nor the taxes postponed or diminished, until the interest and principal of
such debt shall have been wholly paid. The legislature shall appropriate
revenues of the state to pay interest on its debt which is payable in the year for
which such appropriation is made and to pay the principal of such debt, payable
in such year. To the extent that insufficient revenues of the state are available to
pay principal of and interest on such debt when due and payable, the first public
moneys of the state thereafter received shall be set aside and applied to the
payment of the principal of and interest of such debt. Borrowings by the state
that are secured solely by annual appropriations at the discretion of the
legislature shall not be considered debt within the meaning of this section or
section 7 of this article.

"§7. Election on indebtedness. Except as otherwise provided in this
section, no debt shall be contracted by the state except as herein provided, unless
the proposed law for creating such debt shall first be submitted to a direct vote of
the electors of the state at some general a statewide election; and if such
proposed law shall be ratified by a majority of all the votes cast at such general
election, then it shall be the duty of the legislature next after such election to
enact such law and create such debt, subject to all the provisions and restrictions
provided in the preceding section of this article. Public debt may be contracted
without a vote of the electors of the state if: (a) Such debt is contracted pursuant
to section 8 of this article to refund public debt contracted pursuant to section 6
of this article; or (b) except for refunding debt described in (a) of this section,
such debt is contracted pursuant to sections 6 or 8 of this article and at the time
of issuance of such debt, the maximum annual debt service for the current or any
future fiscal year on all outstanding debt issued pursuant to sections 6 and 8 of
this article, including the debt to be issued on such date, will not exceed 6% of
the state revenues available for debt service in the immediately preceding fiscal
year. Debt shall not be considered outstanding to the extent principal and interest
payments are irrevocably provided for from a dedicated escrow established for
such payments.

"§8. Borrowing money by state. The state may borrow money to repel
invasion, suppress insurrection, or defend the state in time of war; but the money
thus raised, shall be applied exclusively to the object for which the loan was
authorized, or to the repayment of the debt thereby created. Refunding of state
debt. The legislature may enact such additional laws, as may be necessary,
permitting the state to refund any public debt contracted pursuant to section 6 of
this article or any moneys borrowed by or on behalf of the state that are secured
solely by annual appropriations at the discretion of the legislature without
further legislative approval.

"§9. Internal improvements; state highway system; flood control;
conservation or development of water resources. The state shall never be a
party in carrying on any work of internal improvement except that: (1) It may
adopt, construct, reconstruct and maintain a state system of highways; but no

general property tax shall ever be laid nor and may issue general obligation
bonds issued by of the state pursuant to sections 6 and 7 of this article or
highway revenue bonds for such highways; (2) it may be a party to flood control
works and works for the conservation or development of water resources; (3) it
may, for the purpose of stimulating economic development and private sector job
creation in all areas of the state, participate in the development of a capital
formation system and have a limited role in such system through investment of
state funds authorized in accordance with law; (4) it may be a party to any work
of internal improvement, whenever any work of internal improvement not
authorized by (1), (2) or (3) is once authorized by a separate bill passed by the
affirmative vote of not less than two-thirds of all members then elected (or
appointed) and qualified to each house, but no general property tax shall ever be
laid nor and may issue general obligation bonds be issued by the state therefor
pursuant to sections 6 and 7 of this article; and (5) it may expend funds received
from the federal government for any public purpose in accordance with the
federal law authorizing the same."

Sec. 2. The following statement shall be printed on the ballot with the amendment
as a whole:

"Explanatory statement. The purpose of this amendment is to clarify and
modernize the provisions of the state constitution which permit the state to
contract for public debt. Under the current constitutional provisions the state
may contract for public debt not to exceed one million dollars upon the
approval of a majority vote of the electors of the state after the debt is
authorized by a vote of a majority of all of the members in each house of the
legislature. The one million dollar limitation would be eliminated and the vote
in each house of the legislature changed from a majority to two-thirds of all of
the members in each house of the legislature. Every law authorizing such debt
would specify the sources of tax revenue sufficient to pay the principal and
interest on the debt. If revenues proved insufficient to pay the principal and
interest the first public moneys received thereafter would be set aside and
applied to the payment of the principal and interest. Public debts could be
contracted which constitute a general obligation of the state. The current
provision to submit the question of approval of the debt to the electors of the
state at a general election is changed to submission at a statewide election and
the following exceptions to the vote of the electors of the state are made: (1)
The debt is contracted to refund other public debt; or (2) the debt contracted
will not exceed 6% of state revenues available for debt service. The current
authorization for the state to borrow money to repel invasion, suppress
insurrection or defend the state in time of war is eliminated and the legislature
is authorized to enact laws allowing the state to refund any public debt without
further legislative approval. The current provision prohibiting a general
property tax from being laid and prohibiting the issuance of general obligation
bonds for certain internal improvements is eliminated.

"A vote for this proposition would provide that debts which constitute a general
obligation of the state could be incurred, that public debts in the aggregate are
not limited to one million dollars, that two-thirds of all of the members of each
house of the legislature would be necessary to authorize a law for a public
debt, that each such law would be required to specify the sources of tax
revenue sufficient to pay the principal and interest on the debt, that if revenues
proved insufficient to pay the principal and interest, the first public moneys
received thereafter would be set aside and applied to the payment of the
principal and interest, that the question of approval of the debt would be
submitted to the electors of the state at a statewide election unless the debt is to
refund public debt or will not exceed 6% of state revenues available for debt
service, that the current authorization for the state to borrow money to repel
invasion, suppress insurrection or defend the state in time of war is eliminated,
that the legislature is authorized to enact laws allowing the state to refund any
public debt without further legislative approval, that the current provision
prohibiting general property tax from being laid and prohibiting the issuance of
general obligation bonds for certain internal improvements is eliminated.

"A vote against this proposition would continue in effect: The current
constitutional provisions relating to contracting for public debt, including the
one million dollar limitation on such debt, the majority vote requirement of
members of each house of the legislature for the approval of a law authorizing
a public debt, the levying of an annual tax sufficient to pay the annual interest
and principal of such debt and appropriations of the proceeds of such tax for
such purposes, which appropriations are not to be repealed or such taxes
postponed or diminished until the debt is fully paid, a direct vote of the
electors on the proposed law for creating any such debt at a general election,
the authorization for the state to borrow money to repel invasion, suppress
insurrection or defend the state in time of war and the prohibition on the use of
a general property tax and the use of general obligation bonds to fund certain
internal improvements."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or
appointed) and qualified to the Senate, and two-thirds of the members elected (or
appointed) and qualified to the House of Representatives shall be entered on the
journals, together with the yeas and nays. The secretary of state shall cause this
resolution to be published as provided by law and shall cause the proposed amendment
to be submitted to the electors of the state at the general election in November in the
year 2016 unless a special election is called at a sooner date by concurrent resolution of
the legislature, in which case it shall be submitted to the electors of the state at the
special election.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senator Powell introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1724—

A RESOLUTION congratulating and commending
Garden City Community College for being named College of the Year
for 2014 by the Rural Community College Alliance.

WHEREAS, Garden City Community College, Garden City, Kansas, has been
honored as College of the Year for 2014 by the Rural Community College Alliance.
Rural Community College Alliance serves as the voice and the national organization for
the nation's 600 rural community and technical colleges. At the recognition ceremony for Garden City Community College, which was held on February 11, 2015, in the U.S. Department of Agriculture building in Washington D.C., U.S. Senator Pat Roberts and U.S. Representative Tim Huelskamp presented the award to Dr. Herbert Swender, President of Garden City Community College; and

WHEREAS, Garden City Community College was selected as the rural college of the year due to its excellence in economic and workforce development, student achievement, financial management, entrepreneurship, student services and impact to the community. In addition, the award was given in honor of Garden City Community College's contribution toward the Pell Grant studies for Kansas and rural America. This is the first study conducted that measured the impact of Pell Grants in rural America; and

WHEREAS, Garden City Community College was established in 1919 and is the longest-serving community college in Kansas. It experienced the largest enrollment increase in Kansas for community colleges in 2014 with a 7% increase; and

WHEREAS, Garden City Community College has earned many accolades over the past three years. It was named to Aspen Institute's top 10% of community colleges in America for 2015, ranked among the top 24 community colleges in the nation by CNN Money Magazine, named "Military Friendly" in 2014 by Military Advanced Education for the third year in a row and was ranked 13th by affordablecolleges.com in its list of the 50 most affordable community colleges in America. Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we congratulate and commend Garden City Community College for being named College of the Year for 2014 by the Rural Community College Alliance. Garden City Community College serves as an example and a model to rural colleges across the United States for its excellence in all areas of operation; and

On emergency motion of Senator Powell SR 1724 was adopted by voice vote.

CONSIDERATION OF APPOINTMENTS

In accordance with Senate Rule 56, the following appointments, submitted by the Governor to the Senate for confirmation were considered.

Senator Bruce moved the following appointments be confirmed as recommended by the Committee on Judiciary.

State Board of Indigents Defense Services:

Samantha Angell, Term ends January 15, 2018

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

Smith, Tyson, Wagle, Wilborn, Wolf.
The appointment was confirmed.

State Board of Indigents Defense Services:
Jeffrey Leiker, Term ends January 15, 2018
On roll call, the vote was: Yea 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.
The appointment was confirmed.

Kansas Court of Appeals:
Kathryn Gardner
On roll call, the vote was: Yea 31; Nays 9; Present and Passing 0; Absent or Not Voting 0.
The appointment was confirmed.

EXPLANATION OF VOTE

Madam President: I vote “No” on the confirmation of Kathryn Gardner to the Kansas Court of Appeals. As the only attorney in the Senate Democratic Caucus (one of but three in our entire Senate) and as Ranking Member of the Senate Judiciary Committee for over a decade and a half; Ms. Gardner constitutes my second confirmation hearing (the first being that of Caleb Stegall) and, now, my second “No” vote since Kansas changed from merit selection to the direct appointment of Court of Appeals justices. Ms. Gardner performed extremely well during the confirmation hearings: alert, adroit, articulate, her composure and demeanor impeccable, her intellect and knowledge of the law, undeniable. She will, potentially, serve well as a Court of Appeals justice. It chagrins me to have to continue to oppose confirmation of good people who are evidently far better versed and proficient in the substance and procedure of the law and of our legal system than I can ever hope to be. But to illustrate my lingering concern, I paraphrase a question asked of the nominee during the hearing, to wit: “(Ms. Gardner) of all of the qualified applicants for this position including sitting judges and several attorneys who have practiced before the appellate and supreme courts for years...as a law clerk, albeit an accomplished one...why you?” A ringing troubling question, indeed, Madam President. Again, due to the questions this process continues to perpetuate, I vote “No” on her appointment.—DAVID HALEY

Madam President: I vote “No” on the confirmation of Kathryn Gardner. In 2005, then-Senator Sam Brownback opposed the nomination of Harriet Miers by President Bush because she didn’t “have a track record” and didn’t “seem to be well-formed in
her judicial philosophy, having never been on the bench.” Eighteen months ago, Governor Brownback nominated his own chief counsel, with no track record or judicial experience, to the Kansas Court of Appeals. On January 29th, Brownback placed another nomination to the Kansas Court of Appeals with no track record or judicial experience. These flawed candidates are the product of the federal model for the selection of judicial appointments. Governor Brownback criticized its results in 2005, and I criticized its results in 2013 and now again in 2015. Merit based selection of judicial appointments ensures qualified candidates for our judiciary. The federal model ensures partisan allies. For these reasons, I vote “No.”—ANTHONY HENSLEY

    Senators Haley, Hawk, Holland and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on the Gardner appointment.

    Madam President: Context is important when quoting someone. Quotes of then-Senator Brownback stating that a judicial nominee had no “paper trail” used by some to describe the background of Kathryn Gardner as a nominee for Judge, Kansas Court of Appeals, have no context. The nominee Senator Brownback was describing, Harriet Miers, had no paper trail save documents concerning her time on the Texas Lottery Commission and some thank you notes she had written. Kathryn Gardner has an impeccable paper trail from her work in the federal courts, is well versed in the law, and demonstrated grace under fire in the two-day confirmation hearing. She answered all questions and explained her judicial philosophy to the committee. I heard not one dissenting vote when the committee recommended her for confirmation. I vote “Aye” on the Gardner appointment.—GREG SMITH

    Senator Lynn requests the record to show she concurs with the "Explanation of Vote" offered by Senator Smith on the Gardner appointment.

On roll call, the vote was: Yeas 31; Nays 9; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.
EXPLANATION OF VOTE

Madam President: This bill is a waste of taxpayer money. The State of Kansas has a School Safety and Security Act. This bill is redundant and requires additional non-instructional time, personnel and expense. Our Kansas school boards are committed to school safety. They live in the school districts in which they are elected and they know their school needs best. This is an alleged crime reporting bill not a safety bill. It requires a list of all policies and plans concerning school security not only be provided to every student, parent and employee, but to any visitor that requests one. That visitor now has the tools to be a future threat to the school’s safety. This bill is a wolf in sheep clothing. I vote "No" on SB 216.—PAT PETTEY

Senator Kelly requests the record to show she concurs with the "Explanation of Vote" offered by Senator Pettey on SB 216.

HB 2053, AN ACT concerning crimes, punishment and criminal procedure; relating to calculation of criminal history; amending K.S.A. 2014 Supp. 21-6810 and 21-6811 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

For the purpose of preparation of the governor’s budget report and related legislative measure or measures for submission to the legislature, the office of information technology services, established in K.S.A. 75-4701, and amendments thereto, shall be considered a separate state agency and shall be titled for such purpose

The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.

For some of us, O Lord, the spring means one thing above all others, the sound of the
umpires calling out balls and strikes and that unmistakable crack when a pitched ball is
belted high and far into the outfield. There is a great joy with the potential of a new
season watching the youngest players to the oldest of veterans. We all believe that this
will be the year. Give us moments of hope, for with hope and your Grace nothing is
impossible. Thank you, O Lord. Amen

**PROTEST**

*Protest of Senator Hensley against House Sub for Senate Bill No. 7*

*March 16, 2015*

Madam President: I hereby exercise my right under Article 2, Section 10, of the Kansas Constitution to protest House Substitute for Senate Bill No. 7.

The funding in this bill for the current school year is based on a funding level that has already been found to be unconstitutionally low. The operational funding for school districts is cut even further (0.4%) for 2016 and 2017.

The current school finance formula, when fully funded, has been found to ensure adequacy and equity as required by the Kansas Constitution.

This bill completely removes the weighting components that ensure that Kansas’ disadvantaged students, specifically African-Americans, Latino-Americans, and other English Language Learners and foreign-born students and students living in poverty receive the same educational opportunities as non-minority and domestic-born students. These weightings evolved over several years based on expert testimony and in response to prior Kansas Supreme Court decisions and were based on the costs needed to educate different students.

Governor Brownback has specifically stated that the purpose of the block grant mechanism is to ensure that the state is not “held hostage” by changing demographics
and increases in the number of students.

Such a statement indicates that this legislation, if enacted into law, will have been enacted for the purpose of eliminating the protections found in the current school finance formula that ensured African-Americans, Latino-Americans, children in poverty and English Language Learners (the members of those “changing demographics”) had equal educational opportunities as non-minority and domestic-born students.

The changes to the calculations for equalization deliberately prorate the level of equity that the State committed to restore through passage of 2014 Senate Substitute for House Bill 2506. The State represented to the Court that the funding of Senate Substitute for House Bill 2506 was secure and we have now done exactly what the Court told us we could not do.

Thus, the passage of this block grant bill represents an intentional refusal to comply with the Supreme Court’s order and renders the representations made by the State to the Gannon trial panel patently false.

Governor Brownback has also said that "This cycle of school finance litigation must end." This block grant bill represents the Governor's unconstitutional, intentional, and futile attempt to evade the clear directives of the Supreme Court and the trial panel.

In sum, by passing this bill, we are all standing witness to the unconstitutional disassembling of public education in the State of Kansas.

The attached printout, SF15-094, shows the bill’s effect on current school district budgets. It creates losses in funding only for districts eligible for equalization funding. This is not in any way constitutional or acceptable for the school children of Kansas.—ANTHONY HENSLEY

Senators Faust-Goudeau, Francisco, Hawk and Kelly request the record show they support the protest offered by Senator Hensley.

Copies of SF15-094 are on file in the office of the Secretary of the Senate and are available for review at any time.

EXPLANATION OF VOTE

Mr. Vice President: I vote “No” on the motion to concur with H Sub SB 7. I believe that this new funding mechanism will create an unfair finance formula for all students, especially for those who are minorities and low income.—OLETHA FAUST-GOUDEAU

Mr. Vice President: The Senate should be discussing how to appropriate school funding, after all, K-12 funding is 53% of our annual state general fund budget. But concurring with changes made to H Sub SB 7 in the House provides for very little discussion. Our current school finance formula takes into account changes in enrollment and other weightings. This bill assumes we should ignore those changes within districts while reducing overall funds that can be used in the classroom. Under the block grant what a district received in 2014-15 determines much of what that district will receive for the next two years. Concerns that some equalization aid is going to “wealthy” districts are ignored; the basis for determining that aid does not change although all of those districts will receive it at differing lower percentages. I agree we need changes in virtual school funding, however this proposal provides more funding per FTE for part-time students and students over the age of 18 in 2015-16 than for the full-time students for whom the program was designed. I am concerned this bill puts the interest of some members of the legislature to have predictability in the state budget ahead of our
responsibility to provide the funding to educate Kansas pupils. I vote “No” on the motion to concur. —MARCI FRANCISCO

Senators Hawk, Hensley and Pettey request the record to show they concur with the "Explanation of Vote" offered by Senator Francisco on H Sub SB 7.

Mr. Vice President: What a sad day for Kansas. Today the Kansas Legislature has chosen to abandon the current school finance formula, a bi-partisan legislative achievement that has withstood the constitutional test of time for well over 20 years, in its efforts to pay for Governor Brownback’s financially devastating and unsustainable tax policies. This legislation has nothing to do with adequately and equitably educating Kansas kids but has everything to do with the pure politics of those who continue to put the desires of the well-heeled special interests ahead of the educational needs of our children. But while Charles and David Koch may have won this particular battle, Mr. Vice President, Kansas families can at least take some small measure of comfort in knowing that our Kansas courts, as yet uncorrupted by the supply side ideology cancer that has metastasized throughout Kansas’ executive and legislative branches of government, are keeping a watchful eye on this legislature’s actions. Sadly, it is now up to them to constitutionally protect the educational rights of those whose voices continue to be ignored in our state capitol building. I vote “No” on H Sub SB 7.—TOM HOLLAND

Mr. Vice President: While I support the concept that the state’s school finance formula needs to be studied, I cannot support the vehicle being used to allow the study. The block grant proposal, as proposed by the Governor, was to hold school districts harmless while a new formula was being developed. H Sub SB 7 does not hold the school districts I represent harmless. This bill reduces funding, eliminates the 2nd count for military districts and offers no certainty as to what future formulas might look like for our schools. I offer my support in developing a new funding formula, but must vote “No” on H Sub SB 7.—JEFF LONGBINE

Mr Vice President: I vote “Yes” on H Sub SB 7. The formula was flawed from the beginning and after 25 years of incrementalism has collapsed under its own weight. The block grant will provide adequate financing over the next two years as we develop a formula to thrive in the modern education environment. The new formula should reward good outcomes and good teachers with less emphasis on structures. Transparent financing and measureable outcomes are main goals of the modern education environment. In 1991 we spent $1.1 billion on K-12 Education. Today we are spending over $4.1 billion. Education is important for the quality of life our citizens enjoy. It is the pillar that creates prosperity across our state. We will not waiver on our quest to create a modern educational finance formula that meets expectations. We must and will be successful in writing a new formula which works for everyone: students, teachers, parents, and the tax payers.—TY MASTERSON

Senators Abrams and Denning request the record to show they concur with the "Explanation of Vote" offered by Senator Masterson on H Sub SB 7.

On motion of Senator Bruce, the Senate adjourned until 2:30 p.m., Tuesday, March 17, 2015.
The Senate was called to order by President Susan Wagle.
The roll was called with 38 senators present.
Senators O'Donnell and Pettey were excused.
President Wagle introduced the guest Chaplain, Reverend Chris Halverson, who served as Chaplain of the United States Senate from 1992 to 1995. He is a guest of Senator Haley, and delivered the invocation:

Father in heaven, open our eyes to the presence of Your kingdom on earth as it is in heaven. Give us, we pray, a vision of Truth and Love working together in Your kingdom among us. Open our eyes to Truth. Cause it to drop in sight like a plumb line, from the peak of the dome to the center of the floor of this Capitol. Open our eyes to Love, the mark of Your kingdom, which embraces saints and sinners alike. As differing priorities, values and ways of governing clash in this chamber, we pray for eyes to see something greater than ourselves, working to bring us together. As those who serve here reach to the stars through difficulties, impress on their conscience the north star of justice and righteousness. And help them see loving kindness as the moderator of all their proceedings, no matter how strongly they differ. As Your Word declares, if we have faith such as to move mountains, or the gift of prophecy to understand all mysteries, or give all our money to the poor, even if we have all these things and are in the right, without love it is in vain and profits nothing! So we earnestly pray for a vision of Truth over falsehood and conviction of loving kindness without malice, that in spite of the circumstances and vicissitudes of life that have come before this body, something wonderful may come of it all. I close this prayer in the name of Jesus, because He is the one who taught me to pray. Amen

The Pledge of Allegiance was led by President Susan Wagle.

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and (2) one-half of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first 0.5% rate of tax shall be apportioned in the manner prescribed by subsection (a); and (B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; (ii) one-fourth shall be apportioned among the county and each city located in
such county, first to the county that portion of the revenue equal to the proportion that
the population of the county residing in the unincorporated area of the county bears to

received by the director of taxation from a countywide sales tax imposed within
Montgomery county pursuant to the election held on November 8, 1994, shall be
remitted to and shall be retained by the county and expended only for the purpose for
which the revenue received from the tax was pledged. All revenue apportioned and paid
from the imposition of such tax to the treasurer of any city prior to the effective date of
this act shall be remitted to the county treasurer and expended only for the purpose for
which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the
effective date of this act, all moneys received by the director of taxation from a

protection service in such city shall be included within the term "total tangible property
tax levies" for such city regardless of its applicability to all tangible property located
within each such city. If the tax is levied by a district which extends across city
boundaries, for purposes of this computation, the amount of such levy shall be
apportioned among each city in which such district extends in the proportion that such
tax levied within each city bears to the total tax levied by the district.

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

Also, HB 2142 be amended on page 4, following line 7, by inserting:
"Sec. 3. K.S.A. 40-2203 is hereby amended to read as follows: 40-2203. (A) Required provisions. Except as provided in paragraph (C) of this section every such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subsection in the words in which the same appear in this section, but the insurer, at its option, may substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner of insurance which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner of insurance may approve.

(1) A provision as follows: " Entire contract; changes: This policy, including the endorsement and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions."

(2) A provision as follows: "Time limit on certain defenses: (a) After two years from the date of issue of this policy no misstatements, except fraudulent misstatement, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two-year period."

The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two year period, nor to limit the application of subsections (B) (1), (2), (3), (4) and (5) in the event of misstatement with respect to age or occupation or other insurance.
A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50, or (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "Incontestable": "After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.
(b) "No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss has existed prior to the effective date of coverage of this policy."

(3) A provision as follows: "Grace period: A grace period of __________ " (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) "days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force." A policy which contains a cancellation provision may add, at the end of the above provision, "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof." A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision, "Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to the last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted."

(4) A provision as follows: "Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium without requiring in connection therewith an application for reinstatement shall reinstate the policy. If the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the 45th day following the date such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement." The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.

(5) A provision as follows: "Notice of claim: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ________________ " (insert the location of such office as the insurer may designate for the purpose), "or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer." In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provisions: "Subject to the
qualification set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

(6) A provision as follows: "Claim forms: The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made."

(7) A provision as follows: "Proofs of loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which the insurer is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required."

(8) A provision as follows: "Time of payment of claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid ______." (insert period for payment which must not be less frequently than monthly) "and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof."

(9) A provision as follows: "Payment of claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death, at the option of the insurer, may be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured." The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer: "If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding $_______" (insert an amount which shall not exceed $1,000), "to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this
provision shall fully discharge the insurer to the extent of such payment. Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person."

(10) A provision as follows: "Physical examinations and autopsy: The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law."

(11) A provision as follows: "Legal actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of five years after the time written proof of loss is required to be furnished."

(12) A provision as follows: "Change of beneficiary: Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy."

The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.

(13) A provision as follows: "Cancellation by insured: The insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such later date as may be specified in such notice. In the event of cancellation or death of the insured, the insurer will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation." When approved by the commissioner, the "cancellation" provision appearing in subsection (B)(8) may be substituted for the above.

(B) Other provisions: Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section, but the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the commissioner of insurance which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner of insurance may approve.

(1) A provision as follows: "Change of occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the
indemnities provided in this policy as the premium paid would have purchased at the
rates and within the limits fixed by the insurer for such more hazardous occupation. If
the insured changes his occupation to one classified by the insurer as less hazardous
than that stated in this policy, the insurer, upon receipt of proof of such change of
occupation, will reduce the premium rate accordingly, and will return the excess pro
rata unearned premium from the date of change of occupation or from the policy
anniversary date immediately preceding receipt of such proof, whichever is the more
recent. In applying this provision, the classification of occupational risk and the
premium rates shall be such as have been last filed by the insurer prior to the occurrence
of the loss for which the insurer is liable or prior to date of proof of change in
occupation with the state official having supervision of insurance in the state where the
insured resided at the time this policy was issued; but if such filing was not required,
then the classification of occupational risk and the premium rates shall be those last
made effective by the insurer in such state prior to the occurrence of the loss or prior to
the date of proof of change in occupation."

(2) A provision as follows: "Misstatement of age: If the age of the insured has been
misstated, all amounts payable under this policy shall be such as the premium paid
would have purchased at the correct age."

(3) A provision as follows: "Other insurance in this insurer: If an accident or
sickness or accident and sickness policy or policies previously issued by the insurer to
the insured be in force concurrently herewith, making the aggregate indemnity for
_________ " (insert type of coverage or coverages) "in excess of ______. " (insert
maximum limit of indemnity or indemnities) "the excess insurance shall be void and all
premiums paid for such excess shall be returned to the insured or to his estate"; or, in
lieu thereof: "Insurance effective at any one time on the insured under a like policy or
policies in this insurer is limited to one such policy elected by the insured, his
beneficiary or his estate, as the case may be, and the insurer will return all premiums
paid for all other such policies."

(4) A provision as follows: "Insurance with other insurers: If there be other valid
coverage, not with this insurer, providing benefits for the same loss on a provision of
service basis or on an expense incurred basis and of which this insurer has not been
given written notice prior to the occurrence or commencement of loss, the only liability
under any expense incurred coverage of this policy shall be for such proportion of the
loss as the amount which would otherwise have been payable hereunder plus the total of
the like amounts under all such other valid coverages for the same loss of which this
insurer had notice bears to the total like amounts under all valid coverages for such loss,
and for the return of such portion of the premiums paid as shall exceed the pro rata
portion for the amount so determined. For the purpose of applying this provision when
other coverage is on a provision of service basis, the 'like amount' of such other
coverage shall be taken as the amount which the services rendered would have cost in
the absence of such coverage." If the foregoing policy provision is included in a policy
which also contains the next following policy provision there shall be added to the
caption of the foregoing provision the phrase "_________ expense incurred benefits."
The insurer, at its option, may include in this provision a definition of "other valid
coverage," approved as to form by the commissioner of insurance, which definition
shall be limited in subject matter to coverage provided by organizations subject to
regulation by insurance law or by insurance authorities of this or any other state of the
United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the commissioner of insurance. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organizations or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(5) A provision as follows: "Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and the return of such portion of the premium paid as shall exceed the pro rata portion for the indemnities thus determined." If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase "other benefits." The insurer, at its option, may include in this provision a definition of "other valid coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner of insurance. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workers compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third-party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(6) A provision as follows: "Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such
proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of $200 or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time." The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50, or (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer, at its option, may include in this provision a definition of "valid loss of time coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the commissioner of insurance or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workers compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.

(7) A provision as follows: "Unpaid premium: Upon the payment of a claim under this policy, any premium then due and unpaid or covered by any note or written order may be deducted therefrom."

(8) A provision as follows: "Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation."

(9) A provision as follows: "Conformity with state statutes: Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes."

(10) A provision as follows: "Illegal occupation: The insurer shall not be liable for any loss to which a contributing cause was the insured's commission of or attempt to commit a felony or to which a contributing cause was the insured's being engaged in an illegal occupation."
(11) A provision as follows: "Intoxicants and narcotics: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured's being intoxicated or under the influence of any narcotic unless administered on the advice of a physician."

(C) Inapplicable or inconsistent provisions: If any provision of this section is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy the insurer, with the approval of the commissioner of insurance, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(D) Order of certain policy provisions: The provisions which are the subject of subsection (A) and (B) of this section, or any corresponding provisions which are used in lieu thereof in accordance with such subsections, shall be printed in the consecutive order of the provisions in such subsections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy, shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

(E) Third-party ownership: The word "insured," as used in this act, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.

(F) Requirements of other jurisdictions: (1) Any policy of a foreign or alien insurer, when delivered or issued for delivery to any person in this state, may contain any provision which is not less favorable to the insured or the beneficiary than the provisions of this act and which is prescribed or required by the law of the state under which the insurer is organized.

(2) Any policy of a domestic insurer, when issued for delivery in any other state or country, may contain any provision permitted or required by the laws of such other state or country.

(G) Filing procedure: The commissioner of insurance may make such reasonable rules and regulations concerning the procedure for the filing or submission of policies subject to this act as are necessary, proper or advisable to the administration of this act. This provision shall not abridge any other authority granted the commissioner of insurance by law.

(H)(1) No policy issued by an insurer to which this section applies shall contain a provision which excludes, limits or otherwise restricts coverage because Medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(2) Violation of this subsection shall be subject to the penalties prescribed by K.S.A. 40-2407 and 40-2411, and amendments thereto.;

EXPLANATION OF VOTE

Mr. Vice President: It is said that imitation is the sincerest form of flattery. I am proud to see that the light that started shining in 2013 with S Sub HB 2141 is inspiring other lights. **EXPLANATION OF VOTE**

Mr. Vice President: I vote “No” on **SB 175.** Despite the pre-text of strict inclusion of only “like-minded” members of religious organizations on college campuses; this bill goes potentially further and can afford organizations opportunity to openly discriminate as to the make up of their body politics based ambiguous standards. What are the litmus tests of your own faith, Mr. Vice President? Shouldn’t an organization on a campus of higher learning be a place to affiliate, to learn, to affirm… or even to change? As a former Republican but now a many multi-year Democrat, I know views can change if exposed to differing, but persuasive, intellect and reason. What better place to learn than on campus? **SB 175** codifies certain tenets of discrimination that should never be considered in any civil state legislature. When Sammy Davis Jr. was asked by Archie Bunker, (on the situation comedy “All in the Family”) “I know you were born black, you had nothing to do with that, but whatever made you become a Jew??” Bigotry can sometimes be comic, but the open ability for quasi-taxpayer supported organizations (along with student fees) to potentially discriminate openly should not be supported in this state and time.—**David Haley**

Senators Faust-Goudeau, Francisco and Hensley request the record to show they concur with the "Explanation of Vote" offered by Senator Haley on **SB 175.**

**SB 193.** AN ACT concerning postsecondary educational institutions; relating to degree program transparency.

EXPLANATION OF VOTE

Mr. Vice President: I appreciate the effort to have a consistent reporting template for post-secondary institutions in Kansas through the passage of SB 193, and for the amendments made in committee and on the floor that I believe improve the template for the prospectus. I am concerned, however, that the requirements for postsecondary institutions to report the salary distribution among their students who become employed in the degree field mean that each institution will need to obtain such specific information from their graduates. That data will likely be less consistent and much more expensive than reliance on existing entry and median salary data that is currently available. I cannot in good conscience, in this year when we have again reduced funding for our post-secondary institutions, add this expensive and possibly misleading requirement. I vote “No” on SB 193.—Marci Francisco

properties;

(b) the ability of the contaminants to move in a form and manner which would
result in exposure to humans and the surrounding environment at levels which exceed
applicable state standards and guidelines or the results of a risk analysis if such
standards and guidelines are not available, which exceed acceptable contaminant
concentrations as determined by a risk analysis that evaluates the property and
surrounding properties as a whole; and

(c) the potential risks associated with proposed cleanup alternatives and the
reliability and economic and technical feasibility of such alternatives.
Sec. 3. K.S.A. 65-34,168 is hereby amended to read as follows: 65-34,168. (a) The department shall provide formal written notification to the applicant that a voluntary cleanup plan has been approved or disapproved within 60 days of submittal of the voluntary cleanup plan by the applicant unless the department extends the time for review to a date certain.

(c) If a voluntary cleanup plan is not approved by the department, the department shall promptly provide the applicant with a written statement of the reasons for denial. If the department disapproves a voluntary cleanup plan based upon the applicant's failure to submit the information required, the department shall notify the applicant of the deficiencies in the information submitted.

(d) The approval of a voluntary cleanup plan by the department applies only to those contaminants and conditions identified on the property based upon the statutes and rules and regulations that exist when the application is submitted.

(e) (1) Upon determination by the department that a voluntary cleanup plan is acceptable, the department shall publish a notice of the determination in a local newspaper of general circulation in the area affected and make the voluntary cleanup plan available to the public. The public shall have 15 days from the date of publication during which any person may submit to the department written comments regarding the voluntary cleanup plan. After 15 days have elapsed, the department may hold a public information meeting if, in the department's judgment, the comments submitted warrant such a meeting or if the applicant requests such a meeting. Upon completion of the public notification and participation process, the department shall make a determination to approve the plan in accordance with this section.

(2) The voluntary cleanup plan and associated documents shall be available for public review upon request from a member of the public.

(3) Such cleanup plan and any associated documents shall be indexed and posted on the website of the Kansas department of health and environment upon determination by the department that a voluntary cleanup plan is acceptable and for at least five years following the no further action determination.

(2) willful submission of false, inaccurate or misleading information by the applicant in the context of the voluntary cleanup plan; or

(3) failure to initiate the plan within 6 months after approval by the department, or failure to complete the plan within 24 months after approval by the department, unless the department grants an extension of time.

Reapplications shall be reviewed by the department. Any reapplication that involves property upon which the condition has substantially changed since approval of the original voluntary cleanup plan shall be treated as a new application and shall be subject to all the requirements of this act.
(h) Within 45 days after the completion of the voluntary cleanup described in the approved voluntary cleanup plan, the applicant shall provide to the department assurance that the plan has been fully implemented. A verification sampling program shall be required by the department to confirm that the property has been cleaned up as described in the voluntary cleanup plan.

Sec. 4. K.S.A. 65-34,169 is hereby amended to read as follows: 65-34,169. (a) After an applicant completes the requirements of this act, the department may determine that no further remedial action is required. Within 60 days after such completion, unless the applicant and the department agree to an extension of the time for review, the department shall provide written notification that a no further action determination has been made.

(b)—(I) The department may consider in issuing this determination that contamination or a release of contamination originates from a source on another property upon which the necessary action which protects human health and the environment is or will be taken by a viable and financially capable person or entity which may or may not be legally responsible for the source of contamination.

(2) The department shall provide written notification of a no further action determination.

(3)—(c) The issuance of a no further action determination by the department applies only to identified conditions on the property and is based upon applicable statutes and rules and regulations that exist as of the time of completion of the requirements.

(1) There is any evidence of fraudulent representation, false assurances, concealment or misrepresentation of the data in any document to be submitted to the department under this act;

(2) the applicant agrees to perform any action approved by the department and fails to perform such action;

(b) This section shall not apply to the expanded lottery act revenues fund, state economic development initiatives fund, the children's initiatives fund, the state water plan fund or the Kansas endowment for youth fund, or to any account of any of such funds.

New Sec. 4. (a) On and after the effective date of this act, any party filing a dispositive motion shall pay a fee in the amount of $195 to the clerk of the district court. A poverty affidavit may be filed in lieu of payment of such fee, as established in
K.S.A. 60-2001, and amendments thereto. The fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto. The fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect such fee. Such fee shall be an item allowable as a cost pursuant to K.S.A. 60-2003, and amendments thereto.

(b) As used in this section, "dispositive motion" means a motion to dismiss, a motion for judgment on the pleadings, a motion for summary judgment or partial summary judgment or a motion for judgment as a matter of law. "Dispositive motion" also shall include any motion determined by a judge to be seeking any disposition described in this subsection, regardless of the title assigned to such motion at the time of filing.

c) The state of Kansas and all municipalities in this state, as defined in K.S.A. 12-105a, and amendments thereto, shall be exempt from paying such fee.

d) The provisions of this section shall not apply to an action pursuant to the code of civil procedure for limited actions.

e) This section shall be part of and supplemental to the code of civil procedure.

Sec. 5. July 1, 2015, K.S.A. 2014 Supp. 8-2107 is hereby amended to read as follows: 8-2107. (a) (1) Notwithstanding any other provisions of the uniform act regulating traffic on highways, when a person is stopped by a police officer for any of the offenses described in subsection (d) and such person is not immediately taken before a judge of the district court, the police officer may require the person stopped, subject to the provisions of subsection (c), to deposit with the officer a valid Kansas driver's license in exchange for a receipt therefor issued by such police officer, the form of which shall be approved by the division of vehicles. Such receipt shall be recognized as a valid temporary Kansas driver's license authorizing the operation of a motor vehicle by the person stopped until the date of the hearing stated on the receipt. The driver's license and a written copy of the notice to appear shall be delivered by the police officer to the court having jurisdiction of the offense charged as soon as reasonably possible. If the hearing on such charge is continued for any reason, the judge may note on the receipt the date to which such hearing has been continued and such receipt shall be recognized as a valid temporary Kansas driver's license until such date, but in no event shall such receipt be recognized as a valid Kansas driver's license for a period longer than 30 days from the date set for the original hearing. Any person who has deposited a driver's license with a police officer under this subsection (a) shall have such license returned upon final determination of the charge against such person.

(2) In the event the person stopped deposits a valid Kansas driver's license with the police officer and fails to appear in the district court on the date set for appearance, or any continuance thereof, and in any event within 30 days from the date set for the original hearing, the court shall forward such person's driver's license to the division of vehicles with an appropriate explanation attached thereto. Upon receipt of such person's driver's license, the division shall suspend such person's privilege to operate a motor vehicle in this state until such person appears before the court having jurisdiction of the offense charged, the court makes a final disposition thereof and notice of such disposition is given by the court to the division. No new or replacement license shall be issued to any such person until such notice of disposition has been received by the division. The provisions of K.S.A. 8-256, and amendments thereto, limiting the suspension of a license to one year, shall not apply to suspensions for failure to appear
as provided in this subsection (a).

(b) No person shall apply for a replacement or new driver's license prior to the return of such person's original license which has been deposited in lieu of bond under this section. Violation of this subsection (b) is a class C misdemeanor. The division may suspend such person's driver's license for a period of not to exceed one year from the date the division receives notice of the disposition of the person's charge as provided in subsection (a).

(c) (1) In lieu of depositing a valid Kansas driver's license with the stopping police officer as provided in subsection (a), the person stopped may elect to give bond in the amount specified in subsection (d) for the offense for which the person was stopped. When such person does not have a valid Kansas driver's license, such person shall give such bond. Such bond shall be subject to forfeiture if the person stopped does not appear at the court and at the time specified in the written notice provided for in K.S.A. 8-2106, and amendments thereto.

(2) Such bond may be a cash bond, a bank card draft from any valid and unexpired credit card approved by the division of vehicles or superintendent of the Kansas highway patrol or a guaranteed arrest bond certificate issued by either a surety company authorized to transact such business in this state or an automobile club authorized to transact business in this state by the commissioner of insurance. If any of the approved bank card issuers redeem the bank card draft at a discounted rate, such discount shall be charged against the amount designated as the fine for the offense. If such bond is not forfeited, the amount of the bond less the discount rate shall be reimbursed to the person providing the bond by the use of a bank card draft. Any such guaranteed arrest bond certificate shall be signed by the person to whom it is issued and shall contain a printed statement that such surety company or automobile club guarantees the appearance of such person and will, in the event of failure of such person to appear in court at the time of trial, pay any fine or forfeiture imposed on such person not to exceed an amount to be stated on such certificate.

(3) Such cash bond shall be taken in the following manner: The police officer shall furnish the person stopped a stamped envelope addressed to the judge or clerk of the court named in the written notice to appear and the person shall place in such envelope the amount of the bond, and in the presence of the police officer shall deposit the same in the United States mail. After such cash payment, the person stopped need not sign the written notice to appear, but the police officer shall note the amount of the bond mailed on the notice to appear form and shall give a copy of such form to the person. If the person stopped furnishes the police officer with a guaranteed arrest bond certificate or bank card draft, the police officer shall give such person a receipt therefor and shall note the amount of the bond on the notice to appear form and give a copy of such form to the person stopped. Such person need not sign the written notice to appear, and the police officer shall present the notice to appear and the guaranteed arrest bond certificate or bank card draft to the court having jurisdiction of the offense charged as soon as reasonably possible.

(d) The offenses for which appearance bonds may be required as provided in subsection (c) and the amounts thereof shall be as follows:

   provided for under subsection (c). The bond shall be in the amount specified in the
   uniform fine schedule in subsection (e) of K.S.A. 8-2118(c), and amendments thereto,
   plus $75 which shall be regarded as a docket fee in any court having jurisdiction over
   the violation of state law.
   (h) When a person is stopped by a police officer for failure to provide proof of

   (c). The bond shall be in the amount of $75, plus $75 which shall be regarded as a
   docket fee in any court having jurisdiction over the violation of state law.
   (i) Except as provided further, the docket fee established in this section shall be the

   shall only be established by an act of the legislature and no other authority is established
   by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015,

   to fund the costs of non-judicial personnel.
Sec. 6. On July 1, 2015, K.S.A. 2014 Supp. 8-2110 is hereby amended to read as
follows: 8-2110. (a) Failure to comply with a traffic citation means failure either to: (1)
Appear before any district or municipal court in response to a traffic citation and pay in
full any fine and court costs imposed; or (2) otherwise comply with a traffic citation as
provided in K.S.A. 8-2118, and amendments thereto. Failure to comply with a traffic
citation is a misdemeanor, regardless of the disposition of the charge for which such
citation was originally issued.
   (b) (1) In addition to penalties of law applicable under subsection (a), when a
   person fails to comply with a traffic citation, except for illegal parking, standing or
   stopping, the district or municipal court in which the person should have complied with
   the citation shall mail notice to the person that if the person does not appear in district
   or municipal court or pay all fines, court costs and any penalties within 30 days from
   the date of mailing notice, the division of vehicles will be notified to suspend the
   person's driving privileges. The district or municipal court may charge an additional fee
   of $5 for mailing such notice. Upon the person's failure to comply within such 30 days
of mailing notice, the district or municipal court shall electronically notify the division of vehicles. Upon receipt of a report of a failure to comply with a traffic citation under this subsection, pursuant to K.S.A. 8-255, and amendments thereto, the division of vehicles shall notify the violator and suspend the license of the violator until satisfactory evidence of compliance with the terms of the traffic citation has been furnished to the informing court. When the court determines the person has complied with the terms of the traffic citation, the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension or suspension action.

(2) (A) In lieu of suspension under paragraph (1), the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable $25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund.

(B) A person whose driver's license has expired during the period when such person's drivers license has been suspended for failure to pay fines for traffic citations, the driver may submit to the division of vehicles a written request for restricted driving privileges, with a non-refundable $25 application fee, to be applied by the division of vehicles for additional administrative costs to implement restricted driving privileges. The division shall remit all restricted driving privilege application fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the division of vehicles operating fund. An individual shall not qualify for restricted driving privileges pursuant to this section unless the following conditions are met: (i) The suspended license that expired was issued by the division of vehicles; (ii) the suspended license resulted from the individual's failure to comply with a traffic citation pursuant to subsection (b)(1); (iii) the traffic citation that resulted in the failure to comply pursuant to subsection (b)(1) was issued in this state; and (iv) the individual has not previously received a stayed suspension as a result of a driving while suspended conviction.

(C) Upon review and approval of the driver's eligibility, the driving privileges will be restricted by the division of vehicles for a period up to one year or until the terms of the traffic citation have been complied with and the court shall immediately electronically notify the division of vehicles of such compliance. If the driver fails to comply with the traffic citation within the one year restricted period, the driving privileges will be suspended by the division of vehicles until the court determines the person has complied with the terms of the traffic citation and the court shall immediately electronically notify the division of vehicles of such compliance. Upon receipt of notification of such compliance from the informing court, the division of vehicles shall terminate the suspension action. When restricted driving privileges are approved pursuant to this section, the person's driving privileges shall be restricted to driving only under the following circumstances: (i) In going to or returning from the person's place of employment or schooling; (ii) in the course of the person's
employment; (iii) in going to or returning from an appointment with a health care provider or during a medical emergency; and (iv) in going to and returning from probation or parole meetings, drug or alcohol counseling or any place the person is required to go by a court.

(c) Except as provided in subsection (d), when the district or municipal court notifies the division of vehicles of a failure to comply with a traffic citation pursuant to subsection (b), the court shall assess a reinstatement fee of $59 for each charge on which the person failed to make satisfaction regardless of the disposition of the charge for which such citation was originally issued and regardless of any application for restricted driving privileges. Such reinstatement fee shall be in addition to any fine, restricted driving privilege application fee, district or municipal court costs and other penalties. The court shall remit all reinstatement fees to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury and shall credit 42.37% of such moneys to the division of vehicles operating fund, 31.78% to the community alcoholism and intoxication programs fund created by K.S.A. 41-1126, and amendments thereto, 10.59% to the juvenile detention facilities fund created by K.S.A. 79-4803, and amendments thereto, and 15.26% to the judicial branch nonjudicial salary adjustment fund created by K.S.A. 2014 Supp. 20-1a15, and amendments thereto.

(d) The district court or municipal court shall waive the reinstatement fee provided for in subsection (c), if the failure to comply with a traffic citation was the result of such person enlisting in or being drafted into the armed services of the United States, being called into service as a member of a reserve component of the military service of the United States, or volunteering for such active duty, or being called into service as a member of the state of Kansas national guard, or volunteering for such active duty, and being absent from Kansas because of such military service. In any case of a failure to comply with a traffic citation which occurred on or after August 1, 1990, and prior to the effective date of this act, in which a person was assessed and paid a reinstatement fee and the person failed to comply with a traffic citation because the person was absent from Kansas because of any such military service, the reinstatement fee shall be reimbursed to such person upon application therefor. The state treasurer and the director of accounts and reports shall prescribe procedures for all such reimbursement payments and shall create appropriate accounts, make appropriate accounting entries and issue such appropriate vouchers and warrants as may be required to make such reimbursement payments.

(e) Except as provided further, the reinstatement fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for such reinstatement. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015. The supreme court may impose an additional charge, not to exceed $22 per reinstatement fee, to fund the costs of non-judicial personnel.

(l) Whenever the record of any arrest, conviction or diversion has been expunged under the provisions of this section or under the provisions of any other existing or former statute, the custodian of the records of arrest, conviction, diversion and incarceration relating to that crime shall not disclose the existence of such records, except when requested by:

If the receiving court collects any of the expenses owed in the case, the receiving court shall pay to the sending court an amount proportional to the sending court's share of the total expenses owed to both counties. The expenses of the sending county shall not be an obligation of the receiving county except to the extent that the sending county's proportion of the expenses is collected by the receiving court. All amounts collected shall first be applied toward payment of the docket fee.

Sec. 19. On July 1, 2015, K.S.A. 2014 Supp. 38-2312 is hereby amended to read as follows: 38-2312. (c) Notwithstanding any other law to the contrary, for any offender who is required to register as provided in the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, there shall be no expungement of any conviction or any part of the offender's criminal record while the offender is required to register as provided in the Kansas offender registration act.

(d) When a petition for expungement is filed, the court shall set a date for a hearing on the petition and shall give notice thereof to the county or district attorney. The petition shall state: (1) The juvenile's full name; (2) the full name of the juvenile as reflected in the court record, if different than (1); (3) the juvenile's sex and date of birth; (4) the offense for which the juvenile was adjudicated; (5) the date of the trial; and (6) the identity of the trial court. Except as otherwise provided by law, a petition for expungement shall be accompanied by a docket fee in the amount of $176. On and after July 1, 2013, through July 1, 2015, The supreme court may impose a charge, not to exceed $19 per case, to fund the costs of non-judicial personnel. All petitions for expungement shall be docketed in the original action. Any person who may have relevant information about the petitioner may testify at the hearing. The court may inquire into the background of the petitioner.

(e) (1) After hearing, the court shall order the expungement of the records and files if the court finds that:

(A) (i) The juvenile has reached 23 years of age or that two years have elapsed since the final discharge; or

(ii) one year has elapsed since the final discharge for an adjudication concerning acts committed by a juvenile which, if committed by an adult, would constitute a
violation of K.S.A. 2014 Supp. 21-6419, and amendments thereto;
   (B) since the final discharge of the juvenile, the juvenile has not been convicted of a felony or of a misdemeanor other than a traffic offense or adjudicated as a juvenile offender under the revised Kansas juvenile justice code and no proceedings are pending seeking such a conviction or adjudication; and
   (C) the circumstances and behavior of the petitioner warrant expungement.
(2) The court may require that all court costs, fees and restitution shall be paid.
(f) Upon entry of an order expunging records or files, the offense which the records or files concern shall be treated as if it never occurred, except that upon conviction of a crime or adjudication in a subsequent action under this code the offense may be considered in determining the sentence to be imposed. The petitioner, the court and all law enforcement officers and other public offices and agencies shall properly reply on inquiry that no record or file exists with respect to the juvenile. Inspection of the expunged files or records thereafter may be permitted by order of the court upon petition by the person who is the subject thereof. The inspection shall be limited to inspection by the person who is the subject of the files or records and the person's designee.
   (g) A certified copy of any order made pursuant to subsection (a) or (d) shall be sent to the Kansas bureau of investigation, which shall notify every juvenile or criminal justice agency which may possess records or files ordered to be expunged. If the agency fails to comply with the order within a reasonable time after its receipt, such agency may be adjudged in contempt of court and punished accordingly.
   (h) The court shall inform any juvenile who has been adjudicated a juvenile offender of the provisions of this section.
   (i) Nothing in this section shall be construed to prohibit the maintenance of information relating to an offense after records or files concerning the offense have been expunged if the information is kept in a manner that does not enable identification of the juvenile.
   (j) Nothing in this section shall be construed to permit or require expungement of files or records related to a child support order registered pursuant to the revised Kansas juvenile justice code.
   (k) Whenever the records or files of any adjudication have been expunged under the provisions of this section, the custodian of the records or files of adjudication relating to that offense shall not disclose the existence of such records or files, except when requested by:
   (1) The person whose record was expunged;
   (2) a private detective agency or a private patrol operator, and the request is accompanied by a statement that the request is being made in conjunction with an application for employment with such agency or operator by the person whose record has been expunged;
   (3) a court, upon a showing of a subsequent conviction of the person whose record has been expunged;
   (4) the secretary for aging and disability services, or a designee of the secretary, for the purpose of obtaining information relating to employment in an institution, as defined in K.S.A. 76-12a01, and amendments thereto, of the Kansas department for aging and disability services of any person whose record has been expunged;
(5) a person entitled to such information pursuant to the terms of the expungement order;
(6) the Kansas lottery, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for employment with the Kansas lottery or for work in sensitive areas within the Kansas lottery as deemed appropriate by the executive director of the Kansas lottery;
(7) the governor or the Kansas racing commission, or a designee of the commission, and the request is accompanied by a statement that the request is being made to aid in determining qualifications for executive director of the commission, for employment with the commission, for work in sensitive areas in parimutuel racing as deemed appropriate by the executive director of the commission or for licensure, renewal of licensure or continued licensure by the commission;
(8) the Kansas sentencing commission; or
(9) the Kansas bureau of investigation, for the purposes of:
   (A) Completing a person's criminal history record information within the central repository in accordance with K.S.A. 22-4701 et seq., and amendments thereto; or
   (B) providing information or documentation to the federal bureau of investigation, in connection with the national instant criminal background check system, to determine a person's qualification to possess a firearm.
   (l) The provisions of subsection (k)(9) shall apply to all records created prior to, on and after July 1, 2011.

Sec. 20. On July 1, 2015, K.S.A. 2014 Supp. 38-2314 is hereby amended to read as follows: 38-2314. (a) Docket fee. The docket fee for proceedings under this code, if one is assessed as provided by this section, shall be $34. Only one docket fee shall be assessed in each case. Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015. The supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.
   (b) Expenses. The expenses for proceedings under this code, including fees and mileage allowed witnesses and fees and expenses approved by the court for appointed attorneys, shall be paid by the board of county commissioners from the general fund of the county.
   (c) Assessment of docket fee and expenses. (1) Docket fee. The docket fee may be assessed or waived by the court conducting the initial sentencing hearing and may be assessed against the juvenile or the parent of the juvenile. Any docket fee received shall be remitted to the state treasurer pursuant to K.S.A. 20-362, and amendments thereto.
   (2) Expenses. Expenses may be waived or assessed against the juvenile or a parent of the juvenile. When expenses are recovered from a party against whom they have been assessed the general fund of the county shall be reimbursed in the amount of the recovery.
   (3) Prohibited assessment. Docket fees or expenses shall not be assessed against the state, a political subdivision of the state, an agency of the state or of a political subdivision of the state or a person acting in the capacity of an employee of the state or of a political subdivision of the state.
(d) **Cases in which venue is transferred.** If venue is transferred from one county to another, the court from which the case is transferred shall send to the receiving court a statement of expenses paid from the general fund of the sending county. If the receiving court collects any of the expenses owed in the case, the receiving court shall pay to the sending court an amount proportional to the sending court's share of the total expenses owed to both counties. The expenses of the sending county shall not be an obligation of the receiving county except to the extent that the sending county's proportionate share of the expenses is collected by the receiving court. Unless otherwise ordered by the court, all amounts collected shall first be applied toward payment of restitution, then toward the payment of the docket fee.

Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015, the supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(b) **Poverty affidavit in lieu of docket fee and exemptions.** The provisions of subsection (b) of K.S.A. 60-2001(b) and K.S.A. 60-2005, and amendments thereto, shall apply to probate docket fees prescribed by this section.

(c) **Disposition of docket fee.** Statutory charges for the law library and for the prosecuting attorneys' training fund shall be paid from the docket fee. The remainder of the docket fee shall be paid to the state treasurer in accordance with K.S.A. 20-362, and amendments thereto.

(d) **Additional court costs.** Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other
fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process outside the state, fees for depositions, transcripts and publication of legal notice, executor or administrator fees, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties or estate as directed by the court. No sheriff in this state shall charge any district court in this state a fee or mileage for serving any paper or process.

Sec. 22. K.S.A. 2014 Supp. 60-256 is hereby amended to read as follows: 60-256.

(a) By a claiming party. A party claiming relief may move, with or without supporting affidavits or supporting declarations pursuant to K.S.A. 53-601, and amendments thereto, for summary judgment on all or part of the claim.

(b) By a defending party. A party against whom relief is sought may move, with or without supporting affidavits or supporting declarations pursuant to K.S.A. 53-601, and amendments thereto, for summary judgment on all or part of the claim.

(c) Time for a motion; response and reply; proceedings. (1) These times apply unless a different time is set by local rule or the court orders otherwise:

(A) A party may move for summary judgment at any time until 30 days after the close of all discovery;

(B) a party opposing the motion must file a response within 21 days after the motion is served or a responsive pleading is due, whichever is later; and

(C) the movant may file a reply within 14 days after the response is served.

(2) The judgment sought should be rendered if the pleadings, the discovery and disclosure materials on file, and any affidavits or declarations show that there is no genuine issue as to any material fact and that the movant is entitled to judgment as a matter of law.

(d) Case not fully adjudicated on the motion. (1) Establishing facts. If summary judgment is not rendered on the whole action, the court should, to the extent practicable, determine what material facts are not genuinely at issue. The court should so determine by examining the pleadings and evidence before it and by interrogating the attorneys. It should then issue an order specifying what facts, including items of damages or other relief, are not genuinely at issue. The facts so specified must be treated as established in the action.

(2) Establishing liability. An interlocutory summary judgment may be rendered on liability alone, even if there is a genuine issue on the amount of damages.

(e) Affidavits or declarations: further testimony. (1) In general. A supporting or opposing affidavit or declaration must be made on personal knowledge, set out facts that would be admissible in evidence and show that the affiant or declarant is competent to testify on the matters stated. If a paper or part of a paper is referred to in an affidavit or declaration, a sworn or certified copy must be attached to or served with the affidavit or declaration. The court may permit an affidavit or declaration to be supplemented or opposed by depositions, answers to interrogatories or additional affidavits or declarations.

(2) Opposing party's obligation to respond. When a motion for summary judgment is properly made and supported, an opposing party may not rely merely on allegations or denials in its own pleading; rather, its response must, by affidavits or by declarations pursuant to K.S.A. 53-601, and amendments thereto, or as otherwise provided in this section, set out specific facts showing a genuine issue for trial. If the opposing party does not so respond, summary judgment should, if appropriate, be entered against that
party.

(f) *When affidavits or declarations are unavailable.* If a party opposing the motion shows by affidavit or by declaration pursuant to K.S.A. 53-601, and amendments thereto, that, for specified reasons, it cannot present facts essential to justify its opposition, the court may:

(1) Deny the motion;

(2) order a continuance to enable affidavits or declarations to be obtained, depositions to be taken or other discovery to be undertaken; or

(3) issue any other just order.

(g) *Affidavits or declarations submitted in bad faith.* If satisfied that an affidavit or declaration under this section is submitted in bad faith or solely for delay, the court must order the submitting party or attorney to pay the other party the reasonable expenses, including attorney's fees, it incurred as a result. An offending party or attorney may be held in contempt.

(h) Fee for filing a motion for summary judgment. (1) On and after July 1, 2014, any party filing a motion for summary judgment shall pay a fee in the amount of $195 to the clerk of the district court.

(2) A poverty affidavit may be filed in lieu of a fee as established in K.S.A. 60-2001, and amendments thereto.

(3) The fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(4) Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee.

(5) The state of Kansas and all municipalities in this state, as defined in K.S.A. 12-105a, and amendments thereto, shall be exempt from paying such fee.

(6) The provisions of this subsection shall not apply to an action pursuant to the code of civil procedure for limited actions.

Sec. 23. On July 1, 2015, K.S.A. 2014 Supp. 60-729 is hereby amended to read as follows: 60-729. (a) Garnishment is a procedure whereby the wages, money or intangible property of a person can be seized or attached pursuant to an order of garnishment issued by the court under the conditions set forth in the order.

(b) On and after July 1, 2014, any party requesting an order of garnishment shall pay a fee in the amount of $7.50 to the clerk of the district court.

(c) A poverty affidavit may be filed in lieu of a fee as established in K.S.A. 60-2001, and amendments thereto.

(d) The fee shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. The fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(e) Except as provided further, the fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2014, through July 1, 2015, The supreme court may impose an additional charge, not to exceed $12.50 per fee, to fund the costs of non-judicial personnel.

(f) The state of Kansas and all municipalities in this state, as defined in K.S.A. 12-105a, and amendments thereto, shall be exempt from paying such fee.

Sec. 24. On July 1, 2015, K.S.A. 2014 Supp. 60-2001 is hereby amended to read as
follows: 60-2001. (a) Docket fee. Except as otherwise provided by law, no case shall be filed or docketed in the district court, whether original or appealed, without payment of a docket fee in the amount of $173 on and after July 1, 2014, to the clerk of the district court. Except as provided further, the docket fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015, The supreme court may impose an additional charge, not to exceed $22 per docket fee, to fund the costs of non-judicial personnel.

(b) Poverty affidavit in lieu of docket fee. (1) Effect. In any case where a plaintiff by reason of poverty is unable to pay a docket fee, and an affidavit so stating is filed, no fee will be required. An inmate in the custody of the secretary of corrections may file a poverty affidavit only if the inmate attaches a statement disclosing the average account balance, or the total deposits, whichever is less, in the inmate's trust fund for each month in: (A) The six-month period preceding the filing of the action; or (B) the current period of incarceration, whichever is shorter. Such statement shall be certified by the secretary. On receipt of the affidavit and attached statement, the court shall determine the initial fee to be assessed for filing the action and in no event shall the court require an inmate to pay less than $3. The secretary of corrections is hereby authorized to disburse money from the inmate's account to pay the costs as determined by the court. If the inmate has a zero balance in such inmate's account, the secretary shall debit such account in the amount of $3 per filing fee as established by the court until money is credited to the account to pay such docket fee. Any initial filing fees assessed pursuant to this subsection shall not prevent the court, pursuant to subsection (d), from taxing that individual for the remainder of the amount required under subsection (a) or this subsection.

(2) Form of affidavit. The affidavit provided for in this subsection shall set forth a factual basis upon which the plaintiff alleges by reason of poverty an inability to pay a docket fee, including, but not limited to, the source and amount of the plaintiff's weekly income. Such affidavit shall be signed and sworn to by the plaintiff under oath, before one who has authority to administer the oath, under penalty of perjury, K.S.A. 2014 Supp. 21-5903, and amendments thereto. The form of the affidavit shall be deemed sufficient if in substantial compliance with the form set forth by the judicial council.

(3) Court review; grounds for dismissal; service of process. The court shall review any petition authorized for filing under this subsection. Upon such review, if the court finds that the plaintiff's allegation of poverty is untrue, the court shall direct the plaintiff to pay the docket fee or dismiss the petition without prejudice. Notwithstanding K.S.A. 60-301, and amendments thereto, service of process shall not issue unless the court grants leave following its review.

(c) Disposition of fees. The docket fees and the fees for service of process shall be the only costs assessed in each case for services of the clerk of the district court and the sheriff. For every person to be served by the sheriff, the persons requesting service of process shall provide proper payment to the clerk and the clerk of the district court shall forward the service of process fee to the sheriff in accordance with K.S.A. 28-110, and amendments thereto. The service of process fee, if paid by check or money order, shall be made payable to the sheriff. Such service of process fee shall be submitted by the sheriff at least monthly to the county treasurer for deposit in the county treasury and
credited to the county general fund. The docket fee shall be disbursed in accordance with K.S.A. 20-362, and amendments thereto.

(d) Additional court costs. Other fees and expenses to be assessed as additional court costs shall be approved by the court, unless specifically fixed by statute. Other fees shall include, but not be limited to, witness fees, appraiser fees, fees for service of process, fees for depositions, alternative dispute resolution fees, transcripts and publication, attorney fees, court costs from other courts and any other fees and expenses required by statute. All additional court costs shall be taxed and billed against the parties as directed by the court. No sheriff in this state shall charge any mileage for serving any papers or process.

Sec. 25. On July 1, 2015, K.S.A. 2014 Supp. 60-2203a is hereby amended to read as follows: 60-2203a. (a) After the commencement of any action in any district court of this state, or the courts of the United States in the state of Kansas or in any action now pending heretofore commenced in such courts, which does not involve title to real estate, any party to such action may give notice in any other county of the state of the pendency of the action by filing for record with the clerk of the district court of such other county a verified statement setting forth the parties to the action, the nature of the action, the court in which it is pending, and the relief sought, which shall impart notice of the pendency of the action and shall result in the same lien rights as if the action were pending in that county. The lien shall be effective from the time the statement is filed, but not to exceed four months prior to the entry of judgment except as provided in subsection (c). The party filing such notice shall within 30 days after any satisfaction of the judgment entered in such action, or any other final disposition thereof, cause to be filed with such clerk of the district court a notice that all claims in such action are released. If the party filing fails or neglects to do so after reasonable demand by any party in interest, such party shall be liable in damages in the same amounts and manner as is provided by law for failure of a mortgagee to enter satisfaction of a mortgage. Upon the filing of such a notice of the pendency of an action the clerk shall charge a fee of $14 and shall enter and index the action in the same manner as for the filing of an original action. Upon the filing of a notice of release, the notice shall likewise be entered on the docket. Except as provided further, the fee established in this subsection shall be the only fee collected or moneys in the nature of a fee collected for the court procedure. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. On and after July 1, 2013, through July 1, 2015, The supreme court may impose an additional charge, not to exceed $22 per fee, to fund the costs of non-judicial personnel.

(b) Any notice of the type provided for in subsection (a) which was filed on or after January 10, 1977, and prior to the effective date of this act shall be deemed to impart notice of the pendency of the action in the same manner as if the provisions of subsection (a) were in force and effect on and after January 10, 1977.

(c) Notwithstanding the foregoing provisions of this section, the filing of a notice of the pendency of an action pursuant to subsection (a) shall create no lien rights against the property of an employee of the state or a municipality prior to the date judgment is rendered if the pleadings in the pending action allege a negligent or wrongful act or omission of the employee while acting within the scope of such employee's employment, regardless of whether or not it is alleged in the alternative that the employee was acting outside of such employee's employment. A judgment against an
employee shall become a lien upon such employee's property in the county where notice is filed pursuant to subsection (a) when the judgment is rendered only if it is found that: (1) The employee's negligent or wrongful act or omission occurred when the employee was acting outside the scope of such employee's employment; or (2) the employee's conduct which gave rise to the judgment was because of actual fraud or actual malice of the employee. In such cases the lien shall not be effective prior to the date judgment was rendered. As used in this subsection (c), "employee" shall have the meaning ascribed to such term in K.S.A. 75-6102, and amendments thereto.

Sec. 26. On July 1, 2015, K.S.A. 2014 Supp. 61-2704 is hereby amended to read as follows: 61-2704. (a) An action seeking the recovery of a small claim shall be considered to have been commenced at the time a person files a written statement of the person's small claim with the clerk of the court if, within 90 days after the small claim is filed, service of process is obtained or the first publication is made for service by publication. Otherwise, the action is deemed commenced at the time of service of process or first publication. An entry of appearance shall have the same effect as service.

(b) Upon the filing of a plaintiff's small claim, the clerk of the court shall require from the plaintiff a docket fee of $35 on and after July 1, 2014, if the claim does not exceed $500; or $55 on and after July 1, 2014, if the claim exceeds $500; unless for good cause shown the judge waives the fee. The docket fee shall be the only costs required in an action seeking recovery of a small claim. No person may file more than 20 small claims under this act in the same court during any calendar year.

(c) Except as provided further, the docket fee established in this section shall be the only fee collected or moneys in the nature of a fee collected for the docket fee. Such fee shall only be established by an act of the legislature and no other authority is established by law or otherwise to collect a fee. (b) The treasurer may enter into agreements with other states to either allow Kansas residents to participate in a plan operated by another state or to allow residents of other states to participate in the Kansas ABLE program.

New Sec. 12. (a) The treasurer may implement the program through use of financial organizations as account depositories and managers. The treasurer may solicit proposals from financial organizations to act as depositories and managers of the program. Financial organizations submitting proposals shall describe the investment instruments which will be held in accounts. The treasurer may select more than one financial organization and investment instrument for the program. The treasurer shall select as program depositories and managers the financial organization, from among the bidding financial organizations, that demonstrates the most advantageous combination, both to potential program participants and this state, of the following factors:
(1) Financial stability and integrity of the financial organization;
(2) the safety of the investment instrument being offered;

If the treasurer terminates or does not renew a management agreement, the treasurer shall take custody of accounts held by such program manager and shall seek to promptly transfer such accounts to another financial organization that is selected as a program manager or depository and into investment instruments as similar to the original instruments as possible.

(d) The treasurer, the department for children and families, the department of health and environment and the department for aging and disability services are authorized to exchange data regarding eligible individuals to carry out the purposes of this act.

New Sec. 13. (a) Any ABLE savings accounts established pursuant to the provisions of this act shall be opened by a designated beneficiary or a conservator or guardian of a designated beneficiary who lacks capacity to enter into a contract and each beneficiary may have only one account. The treasurer may establish a nonrefundable application fee. An application for such account shall be in the form prescribed by the treasurer and contain the:

(1) Name, address and social security number of the account owner;

(2) name, address and social security number of the designated beneficiary, if the account owner is the beneficiary's conservator or guardian;

(A) Change the designated beneficiary of an account to an individual who is a member of the family of the prior designated beneficiary in accordance with procedures established by the treasurer; and

(B) transfer all or a portion of an account to another ABLE savings account, the designated beneficiary of which is a member of the family as defined in section 529A of the federal internal revenue code of 1986, as amended.

(2) No account owner may use an interest in an account as security for a loan. Any pledge of an interest in an account shall be of no force and effect.

(e) (1) If there is any distribution from an account to any individual or for the benefit of any individual during a calendar year, such distribution shall be reported to the federal internal revenue service and each account owner, the designated beneficiary or the distributee to the extent required by state or federal law.

(2) Statements shall be provided to each account owner at least four times each year within 30 days after the end of the three-month period to which a statement relates. The statement shall identify the contributions made during the preceding three-month period, the total contributions made to the account through the end of the period, the value of the account at the end of such period, distributions made during such period and any other information that the treasurer shall require to be reported to the account owner.

(3) Statements and information relating to accounts shall be prepared and filed to the extent required by this act and any other state or federal law.

(f) (1) The program shall provide separate accounting for each designated beneficiary. An annual fee may be imposed upon the account owner for the maintenance of an account.

(2) Moneys in an ABLE savings account:

(A) Shall be exempt from attachment, execution or garnishment as provided by K.S.A. 60-2308, and amendments thereto; and

(B) may be claimed by the Kansas medicaid plan only after the death of the designated beneficiary subject to limitations imposed by the secretary.

New Sec. 14. (a) Nothing in this act shall create or be construed to create any obligation of the treasurer, the state or any agency or instrumentality of the state to guarantee for the benefit of any account owner or designated beneficiary with respect to the:

(1) Return of principal;

(2) rate of interest or other return on any account; or
(3) payment of interest or other return on any account.
(b) The treasurer may promulgate rules and regulations to provide that every contract, application or other similar document that may be used in connection with opening an account clearly indicates that the account is not insured by the state and that the principal deposited and the investment return are not guaranteed by the state.

New Sec. 15. (a) The Kansas ABLE savings program trust fund is hereby established in the state treasury. The fund shall be utilized if the treasurer elects to accept deposits from contributors rather than have deposits sent directly to the program manager. Such fund shall consist of any moneys deposited by contributors in accordance with this act which are not deposited directly with the program manager. All interest derived from the deposit and investment of moneys in such savings trust fund shall be credited to the fund. At the end of any fiscal year, all unexpended and unencumbered moneys in such savings trust fund shall remain therein and not be credited or transferred to the state general fund or to any other fund.

(b) (1) The Kansas ABLE savings expense fund is hereby established in the state treasury. The fund shall consist of moneys received from the ABLE savings program manager, or any governmental or private grants and any state general fund appropriations, if any, for the program.

EXPLANATION OF VOTE

Mr. Vice President: When writing the original amendment last week for the Commerce Committee approval, it was truly my intention to streamline the payroll process of all public employees. Second, I wanted to assure a sense of fairness in the application of prohibitions of payroll deductions for all, not just those that chose to be union members. Third, I felt it was important to keep our government out of the business of fee or donation collections. This also protects the confidentiality of employee discretionary spending. Finally, I believed the state would realize a financial
savings, because it does cost 6½ cents for every paycheck, every pay period, to withhold special deductions. For these reasons I “Oppose” the new amendment. —

Thank you for what you do for the great state of Kansas, it is truly an honor and a privilege to be able to open this meeting with prayer and gratitude for our country. Pray with me:

Almighty and everlasting God, you have revealed your glory through many facets of life. From the depths of the oceans to the heights of the mountains, from the nurturing Great Plains to the austerity of the desert; we can’t help but realize that we are but dust in the wind. With this Lord, we humbly ask to make our time count. Each and every human being knows, deep down inside them, that they were born with a purpose, created not for harm but for good. So it is with this knowledge that we ask continuously to build us up to be men and women after your own heart. Men and women with integrity, leaders bound by truth, servants who are generous, loving, charitable and bold. Lord, bless this institution for the whole of our country, help them to plan and prepare for our future, our children’s future and each succeeding generation. Bless the cities small and large, give them peace to work together, remove from our minds indifference of race and culture. Unite us as a free people, bound to uphold liberty and set on offering mercy and compassion. Help us to apply justice, help us to work through tragedy and give your people rest for the hard labor and jobs that are never ending.

Lord, you are known by many names and our words can’t exhaust your omniscience or your omnipotence, but we trust in you to guide us to do what is right. Bless each person here as they make decisions for the people of Kansas. For the teachers, healthcare providers, farmers and public servants and for those whose work goes unseen. Bless them all with good merit, health and success. May they all be told, “Well done good and faithful servant.”

We ask finally to protect us always, and keep us from temptation and hatred. Watch over our military’s men and women who serve you and this country without hesitation to step in front of evil and those who would like to see us fall. Help us to forgive yet never surrender. We simply ask to bring our Soldiers home so they may enjoy the fruits of their own sacrifice and live in peace with their own families. Lord, give us faith, hope and love in all that we are prescribed to do. We know that much is expected to
those entrusted with responsibility. Let us never take for granted all that we can do through love. Let us love others as we are truly loved. In your name we pray. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

**EXPLANATION OF VOTE**

Mr. Vice President: I “Pass” on **SB 239** concerning a Presidential Preference Primary. We have had this debate, sadly, every four (4) years over the twenty (20) years that I have been here. Whether or not to follow Kansas law and hold a primary election wherein voters from both parties, Republican and Democratic, can nominate their respective nominees for U.S. President is constantly denied. As the twice (2002 and 2006) statewide Democratic nominee for Secretary of State, if elected I pledged to actually hold a Presidential primary election and reject the “can’t afford democracy” theory. The Kansas economy seemingly never has improved enough for the $1.7 million statewide election. Although the amendment I offered was ADDED to strike the statutory requirement for the primary, the loss of individual voter privacy (family members/friends publicly differing) and weaker voter ID and affiliation requirements continue to bother me. Both examples are found in Party Caucus alternatives. Oddly, Republicans will seemingly have far more choices and divisions in 2016. (Cruz; Christie? Paul? Trump? Palin? Carson? Huckabee? Unknowns yet...?) Democrats are gelling on consensus for a proven leader already and are less likely to find divided caucuses or primaries on a nominee who will continue to lead our country for the next four years. On behalf of freedom and privacy of voting choice, and though the Caucus system is not without merit, accordingly, I can but “Pass” on **SB 239**.—DAVID HALEY

EXPLANATION OF VOTE

Mr. Vice President: I vote "No" on S Sub HB 2326. When the governor signed into law S Sub HB 2506, there was a great deal of controversy over eliminating due process rights for teachers. The governor made it clear that it would be left to local control, saying individual school districts still would have the option to negotiate matters related to the terms and conditions of the Professional Negotiations Act. This bill goes beyond what the governor intended by ending fact-finding in the bargaining process, sun setting all current contract provisions on their next expiration date, banning the negotiation of salary provisions beyond “minimum salaries,” and prohibiting districts and unions from negotiating due process provisions in their contracts. For these reasons, I vote "No".—

ANTHONY HENSLEY
Senators Francisco and Kelly request the record to show they concur with the "Explanation of Vote" offered by Senator Hensley on S Sub HB 2326.

Mr. Vice President: The amendment on S Sub HB 2326 does four damaging things: it ends fact-finding in the bargaining process; it sunsets all current contract provisions on their next expiration date; it bans the negotiation of salary provisions beyond “minimum salaries” and it prohibits districts and unions from negotiating due process provisions in their contracts. Only days ago the Kansas Senate, on a 40-0 vote, supported the agreement among KNEA, KSSA, KASB and USA/Kansas on improvements to the Professional Negotiations Act. It finally brought some positive relief and hope for a collaborating future for the Kansas Legislature and Kansas educators. What will help Kansas teachers improve the quality of their instruction and performance of student knowledge is support and money. This bill jeopardizes the high quality of education that Kansans have come to know and expect. I vote "No "on S Sub HB 2326.—Pat Pettey

HB 2336, AN ACT concerning children and minors; relating to juvenile offenders; risk assessment tool; placement in the custody of the secretary of corrections; amending K.S.A. 2014 Supp. 38-2361, 38-2366 and 38-2369 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

On motion of Senator Bruce, the Senate recessed until 2:00 p.m.

The Senate met pursuant to recess with Vice President King in the chair.

(d) The sentencing guidelines grid for nondrug crimes as provided in this section defines presumptive punishments for felony convictions, subject to the sentencing court's discretion to enter a departure sentence. The appropriate punishment for a felony conviction should depend on the severity of the crime of conviction when compared to all other crimes and the offender's criminal history.

(e) (1) The sentencing court has discretion to sentence at any place within the sentencing range. In the usual case it is recommended that the sentencing judge select the center of the range and reserve the upper and lower limits for aggravating and mitigating factors insufficient to warrant a departure.

(2) In presumptive imprisonment cases, the sentencing court shall pronounce the complete sentence which shall include the:

(A) Prison sentence;
(B) maximum potential reduction to such sentence as a result of good time; and
(C) period of postrelease supervision at the sentencing hearing. Failure to pronounce the period of postrelease supervision shall not negate the existence of such period of postrelease supervision.

(3) In presumptive nonprison cases, the sentencing court shall pronounce the:

(A) Prison sentence; and
(B) duration of the nonprison sanction at the sentencing hearing.

(f) Each grid block states the presumptive sentencing range for an offender whose crime of conviction and criminal history place such offender in that grid block. If an offense is classified in a grid block below the dispositional line, the presumptive disposition shall be nonimprisonment. If an offense is classified in a grid block above the dispositional line, the presumptive disposition shall be imprisonment. If an offense is classified in grid blocks 5-H, 5-I or 6-G, the court may impose an optional nonprison sentence as provided in subsection (q).

(g) The sentence for a violation of K.S.A. 21-3415, prior to its repeal, aggravated battery against a law enforcement officer committed prior to July 1, 2006, or a violation of subsection (d) of K.S.A. 2006 Supp. 21-5412(d), and amendments thereto, aggravated assault against a law enforcement officer, which places the defendant's sentence in grid block 6-H or 6-I shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(h) When a firearm is used to commit any person felony, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) If because of the offender's criminal history classification the offender is subject to presumptive imprisonment or if the judge departs from a presumptive probation sentence and the offender is subject to imprisonment, the provisions of this section and K.S.A. 2014 Supp. 21-6807, and amendments thereto, shall apply and the offender shall not be subject to the mandatory sentence as provided in K.S.A. 2014 Supp. 21-5823,
and amendments thereto.

(3) Notwithstanding the provisions of any other section, the term of imprisonment imposed for the violation of the felony provision of K.S.A. 2014 Supp. 8-1025, K.S.A. 8-2,144, K.S.A. 8-1567, subsection (b)(3) of K.S.A. 2014 Supp. 21-5414(b)(3), subsections (b)(3) and (b)(4) of K.S.A. 2014 Supp. 21-5823(b)(3) and (4), K.S.A. 2014 Supp. 21-6412 and K.S.A. 2014 Supp. 21-6416, and amendments thereto, shall not be served in a state facility in the custody of the secretary of corrections, except that the term of imprisonment for felony violations of K.S.A. 2014 Supp. 8-1025 or K.S.A. 8-2,144 or K.S.A. 8-1567, and amendments thereto, may be served in a state correctional facility designated by the secretary of corrections if the secretary determines that substance abuse treatment resources and facility capacity is available. The secretary's determination regarding the availability of treatment resources and facility capacity shall not be subject to review. Prior to imposing any sentence pursuant to this subsection, the court may consider assigning the defendant to a house arrest program pursuant to K.S.A. 2014 Supp. 21-6609, and amendments thereto.

(j) (1) The sentence for any persistent sex offender whose current convicted crime carries a presumptive term of imprisonment shall be double the maximum duration of the presumptive imprisonment term. The sentence for any persistent sex offender whose current conviction carries a presumptive nonprison term shall be presumed imprisonment and shall be double the maximum duration of the presumptive imprisonment term.

(2) Except as otherwise provided in this subsection, as used in this subsection, "persistent sex offender" means a person who:

(A) (i) Has been convicted in this state of a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(A)(i) has at least one conviction for a sexually violent crime, as defined in K.S.A. 22-3717, and amendments thereto, in this state or comparable felony under the laws of another state, the federal government or a foreign government; or

(B) (i) has been convicted of rape, as defined in K.S.A. 21-3502, prior to its repeal, or K.S.A. 2014 Supp. 21-5503, and amendments thereto; and

(ii) at the time of the conviction under subsection (j)(2)(B)(i) has at least one conviction for rape in this state or comparable felony under the laws of another state, the federal government or a foreign government.

(3) Except as provided in subsection (j)(2)(B), the provisions of this subsection shall not apply to any person whose current convicted crime is a severity level 1 or 2 felony.

(k) (1) If it is shown at sentencing that the offender committed any felony violation for the benefit of, at the direction of, or in association with any criminal street gang, with the specific intent to promote, further or assist in any criminal conduct by gang members, the offender's sentence shall be presumed imprisonment. The court may impose an optional nonprison sentence as provided in subsection (q).

(2) As used in this subsection, "criminal street gang" means any organization, association or group of three or more persons, whether formal or informal, having as one of its primary activities:

(A) The commission of one or more person felonies; or

(B) the commission of felony violations of article 57 of chapter 21 of the Kansas
Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, or any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009; and

(C) its members have a common name or common identifying sign or symbol; and

(D) its members, individually or collectively, engage in or have engaged in the commission, attempted commission, conspiracy to commit or solicitation of two or more person felonies or felony violations of article 57 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, K.S.A. 2010 Supp. 21-36a01 through 21-36a17, prior to their transfer, any felony violation of any provision of the uniform controlled substances act prior to July 1, 2009, or any substantially similar offense from another jurisdiction.

(l) Except as provided in subsection (o), the sentence for a violation of subsection (a)(1) of K.S.A. 2014 Supp. 21-5807(a)(1), and amendments thereto, or any attempt or conspiracy, as defined in K.S.A. 2014 Supp. 21-5301 and 21-5302, and amendments thereto, to commit such offense, when such person being sentenced has a prior conviction for a violation of subsection (a) or (b) of K.S.A. 21-3715(a) or (b), prior to its repeal, 21-3716, prior to its repeal, subsection (a)(1) or (a)(2) of K.S.A. 2014 Supp. 21-5807(a)(1) or (2), or subsection (b) of K.S.A. 2014 Supp. 21-5807(b), and amendments thereto, or any attempt or conspiracy to commit such offense, shall be presumptive imprisonment.

(m) The sentence for a violation of K.S.A. 22-4903 or subsection (a)(2) of K.S.A. 2014 Supp. 21-5913(a)(2), and amendments thereto, shall be presumptive imprisonment. If an offense under such sections is classified in grid blocks 5-E, 5-F, 5-G, 5-H or 5-I, the court may impose an optional nonprison sentence as provided in subsection (q).

(n) The sentence for a violation of criminal deprivation of property, as defined in K.S.A. 2014 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, and when such person being sentenced has any combination of two or more prior convictions of subsection (b) of K.S.A. 21-3705(b), prior to its repeal, or of criminal deprivation of property, as defined in K.S.A. 2014 Supp. 21-5803, and amendments thereto, when such property is a motor vehicle, shall be presumptive imprisonment. Such sentence shall not be considered a departure and shall not be subject to appeal.

(o) The sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has no prior convictions for a violation of K.S.A. 21-3701 or 21-3715, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto; or the sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, when such person being sentenced has one or two prior felony convictions for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto; or the sentence for a felony violation of burglary as defined in subsection (a) of K.S.A. 2014 Supp. 21-5807(a), and amendments thereto, when such person being sentenced has one
prior felony conviction for a violation of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto, shall be the sentence as provided by this section, except that the court may order an optional nonprison sentence for a defendant to participate in a drug treatment program, including, but not limited to, an approved after-care plan, if the court makes the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment in the community is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program will serve community safety interests.

A defendant sentenced to an optional nonprison sentence under this subsection shall be supervised by community correctional services. The provisions of subsection (f)(1) of K.S.A. 2014 Supp. 21-6824(f)(1), and amendments thereto, shall apply to a defendant sentenced under this subsection. The sentence under this subsection shall not be considered a departure and shall not be subject to appeal.

(p) The sentence for a felony violation of theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, when such person being sentenced has any combination of three or more prior felony convictions for violations of K.S.A. 21-3701, 21-3715 or 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto; or the sentence for a violation of burglary as defined in subsection (o) of K.S.A. 2014 Supp. 21-5807(o), and amendments thereto, when such person being sentenced has any combination of two or more prior convictions for violations of K.S.A. 21-3701, 21-3715 and 21-3716, prior to their repeal, or theft of property as defined in K.S.A. 2014 Supp. 21-5801, and amendments thereto, or burglary or aggravated burglary as defined in K.S.A. 2014 Supp. 21-5807, and amendments thereto, shall be presumed imprisonment and the defendant shall be sentenced to prison as provided by this section, except that the court may recommend that an offender be placed in the custody of the secretary of corrections, in a facility designated by the secretary to participate in an intensive substance abuse treatment program, upon making the following findings on the record:

(1) Substance abuse was an underlying factor in the commission of the crime;

(2) substance abuse treatment with a possibility of an early release from imprisonment is likely to be more effective than a prison term in reducing the risk of offender recidivism; and

(3) participation in an intensive substance abuse treatment program with the possibility of an early release from imprisonment will serve community safety interests by promoting offender reformation.

The intensive substance abuse treatment program shall be determined by the secretary of corrections, but shall be for a period of at least four months. Upon the successful completion of such intensive treatment program, the offender shall be returned to the court and the court may modify the sentence by directing that a less severe penalty be imposed in lieu of that originally adjudged within statutory limits. If the offender's term of imprisonment expires, the offender shall be placed under the applicable period of postrelease supervision. The sentence under this subsection shall
not be considered a departure and shall not be subject to appeal.

(q) As used in this section, an "optional nonprison sentence" is a sentence which the court may impose, in lieu of the presumptive sentence, upon making the following findings on the record:

1. An appropriate treatment program exists which is likely to be more effective than the presumptive prison term in reducing the risk of offender recidivism; and
2. the recommended treatment program is available and the offender can be admitted to such program within a reasonable period of time; or
3. the nonprison sanction will serve community safety interests by promoting offender reformation.

Any decision made by the court regarding the imposition of an optional nonprison sentence shall not be considered a departure and shall not be subject to appeal.

(r) The sentence for a violation of subsection (c)(2) of K.S.A. 2014 Supp. 21-5413(c)(2), and amendments thereto, shall be presumptive imprisonment and shall be served consecutively to any other term or terms of imprisonment imposed. Such sentence shall not be considered a departure and shall not be subject to appeal.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS
Senator Schmidt introduced the following Senate resolution, which was read:
SENATE RESOLUTION No. 1728—
A RESOLUTION designating March 31, 2015, as
Congenital Diaphragmatic Hernia Awareness Day.

WHEREAS, Congenital Diaphragmatic Hernia (CDH) is a birth defect for which
there is no known cause. A baby born with CDH either has a diaphragm that is missing
or is partially formed. A missing or partially formed diaphragm causes abdominal
organs to migrate into the chest cavity, which then causes undeveloped lungs; and
WHEREAS, Approximately one in every 2,500 newborns are affected by CDH and it affects people of all races and socioeconomic backgrounds. Only 50% of the estimated 500,000 newborns born with CDH since 2000 have survived; and

WHEREAS, Approximately 20 Kansas families are affected by CDH each year. Typically, medical costs are $500,000 to $1,000,000 for each baby and most NICU stays are six to 12 weeks in length. Those with CDH often endure multiple surgeries and possible medical complications beyond their diagnosis, including heart defects, pulmonary complications, gastric and intestinal problems, and developmental delays. At times those with CDH require long-term respiratory and medicinal support; and

WHEREAS, It is important to raise awareness of this congenital defect and to support those diagnosed with it and those advocating for medical research and advances: Now, therefore,

Be it resolved by the Senate of the State of Kansas: That we designate March 31, 2015, as Congenital Diaphragmatic Hernia Awareness Day, and recognize the importance of awareness and research of CDH; and

REPORT ON ENROLLED BILLS

SB 8, SB 45, SB 76, SB 95, SB 108, SB 120, SB 252 reported correctly enrolled, properly signed and presented to the Governor on March 31, 2015.

On motion of Senator Bruce, the Senate adjourned until 10:00 a.m., Wednesday, April 1, 2015.
The Senate was called to order by Vice President Jeff King.
The roll was called with 40 senators present.
Invocation by Father Don Davidson:

Today dear Lord, our thoughts seem to go in two directions. For many Christians, we continue the walk toward Calvary with the destination of Easter. Today is also a day devoted to silliness and the oxymoron of practical joking. Help us Creator God, to not forget the serious nature of this Holy Week and yet remember that you want us to be happy and enjoy the fellowship we have with each other. One is a gift for the moment, the other the gift of eternal life. With your grace, may we experience both. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

INTRODUCTION OF ORIGINAL MOTIONS AND SENATE RESOLUTIONS

Senators Faust-Goudeau and O'Donnell introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1729—

A RESOLUTION congratulating and commending Mayor Carl Brewer for his outstanding leadership and record of service to the city of Wichita.

WHEREAS, Mayor Carl Brewer is a native of Wichita, Kansas and has served the community as a member of the Wichita City Council, representing District 1 from 2001 to 2007. Carl won his first term as mayor in 2007, becoming the first African-American elected mayor for the City of Wichita, and was re-elected in 2011 to a second four-year term; and

WHEREAS, Mayor Brewer graduated from Wichita North High School in 1975 and attended Friends University. Carl was a Boeing/Spirit Operations Manager, Cessna Manufacturing Engineer and Kansas Army National Guard Captain; and

WHEREAS, In his final State of the City address, Mayor Brewer highlighted the recent revitalization of downtown Wichita, expressed his support for a more diversified economy, noted the willingness of city public safety officials to listen to the concerns of citizens and warned of the significant financial challenges that Wichita will soon need to face in the area of infrastructure: Now, therefore,
Be it resolved by the Senate of the State of Kansas: That we congratulate and commend Mayor Carl Brewer for his outstanding leadership and record of service to the city of Wichita; and

Be it further resolved: That the Secretary of the Senate shall send enrolled copies of this resolution to Mayor Carl Brewer, Governor Sam Brownback, Senator Faust-Goudeau and Senator O'Donnell.

On emergency motion of Senator O'Donnell SR 1729 was adopted by voice vote.

Senator Haley introduced the following Senate resolution, which was read:

SENATE RESOLUTION No. 1730—

A RESOLUTION recognizing the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide and designating April 25, 2015, as Kansas Drug Take-Back Day.

WHEREAS, Drug abuse in the United States increasingly means the misuse and abuse of prescription drug medications. Drug overdose is now the second most common cause of accidental death in the nation; and

WHEREAS, Prescription drugs are a substantial factor in a growing number of American deaths considered to be drug induced. Emergency room visits and unintentional deaths from drug overdose involving prescription drugs have increased sharply; and

WHEREAS, National data show that as many as 16 million Americans age 12 or older have abused controlled prescription medications, including pain relievers, tranquilizers, sedatives and stimulants; and

WHEREAS, Barry R. Grissom, United States Attorney, District of Kansas, has declared that "prescription drugs are being used, misused and abused at an alarming rate" and that he is "seeing more cases of accidental poisoning, addiction and overdose deaths. It is not an overstatement to call this an epidemic in the truest sense of the word. It has become a major threat to public health and public safety"; and

WHEREAS, Unused prescription narcotics at home contribute to drug abuse and risks of accidental deaths of children and the elderly. The second leading source of abused prescription drugs is in the home medicine cabinet. The number one source is friends and relatives, who often get the prescription drugs from other people's medicine cabinets. This demonstrates the importance of disposing unused prescription medications rather than leaving them in a medicine cabinet at home; and

WHEREAS, Americans that participated in the U.S. Department of Justice Drug Enforcement Administration's ninth National Prescription Drug Take-Back Day on September 27, 2014, turned in more than 617,150 pounds, or 309 tons, of prescription drugs at 5,495 sites operated by the DEA and 4,076 state, local and tribal law enforcement partners. In Kansas, 7,452 pounds of unused prescription drugs were collected. In the last four years, the biannual initiative has collected a combined total of 4.8 million pounds of unneeded medications; and

WHEREAS, It must be recognized that a drug cabinet full of old or unused prescription medicine is a health hazard, increasing the risk of poison and abuse among adults, teenagers and children across the state and across the nation: Now, therefore,
Be it resolved by the Senate of the State of Kansas: That we recognize the misuse and abuse of prescription drug medications as a major threat to public health and safety in Kansas and nationwide; and

Be it further resolved: That the Secretary of the Senate shall send an enrolled copy of this resolution to Senator Haley.

On emergency motion of Senator Pettey SR 1730 was adopted by voice vote.

FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS

SB 274, AN ACT relating to education; concerning the use of safety belts; establishing the seat belt safety fund; boating safety education courses, exceptions therefrom, certain sailboats; amending K.S.A. 32-1139 and K.S.A. 2014 Supp. 8-2504, 12-4120 and 74-7336 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 33; Nays 2; Present and Passing 5; Absent or Not Voting 0.

Nays: Haley, Pilcher-Cook.

The bill passed, as amended.

EXPLANATION OF VOTE

Madam President: Regrettably, I Vote “No” on SB 274: raising the fee for seat belt violations. I know that seat belts save lives. I voted for the primary seat belt law and its $10 fine and I would do it again today even though we do not know from where, proportionately or, more unsettling, DISPROPORTIONATELY, those primary violations for not wearing a seat-belt are issued. Succinctly, many younger and/or minority communities across Kansas (and America, for that matter) may bear the brunt of the pre-textual stops (i.e.; “What seems to be the trouble, Officer? Why was I pulled
over?” “Seemed like you weren’t wearing a seat belt to me.”) by law enforcement and, accordingly, be paying the overwhelming share of the estimated $750,000 in fines that seat belt infractions ALONE with the passage of SB 274 “raise” ANNUALLY. Madam President, when data collection shows that there is no selective enforcement of our laws disproportionately in “certain” communities or on “certain” demographics of our society, I will return to support for higher fines or stiffer penalties. Coincidentally, the State of Missouri (post, Ferguson) found that law enforcement HAS used traffic fines disproportionately in certain communities and is now outlawing, in a bi-partisan agreement, the same. Seat belts do save lives. I support and enforce their use in the most informal of settings. But the guise of promoting public safety in order to pick the pockets of an underfunded community, which is potentially all that SB 274 represents, does not have my support today.—DAVID HALEY

HB 2003, AN ACT concerning cities; relating to annexation; amending K.S.A. 12-520c and K.S.A. 2014 Supp. 12-520 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 24; Nays 11; Present and Passing 5; Absent or Not Voting 0.

The bill passed, as amended.

HB 2154, AN ACT concerning military matters; amending K.S.A. 48-517 and K.S.A. 2014 Supp. 76-729 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 40; Nays 0; Present and Passing 0; Absent or Not Voting 0.

The bill passed, as amended.

On roll call, the vote was: Yeas 30; Nays 10; Present and Passing 0; Absent or Not Voting 0.

The substitute bill passed, as amended.

EXPLANATION OF VOTE

Madam President: I stand today with a heavy heart. We kind of look at those receiving food assistance as lazy, stay-at-home citizens, but to the contrary, if you check with Secretary Gilmore's DCF, you will find that the majority of their clients actually work. And this is what we call your working poor, those who are too rich to be poor and too poor to be rich. And with our welfare-to-work programs, most of the eligibility requirements are that you work while receiving food benefits. Generally, the head of the households are mothers, and they feed their children. My uncle used to say that we need to help the needy, not the greedy. And there are some bad apples that take advantage of the system. But we shouldn't punish everyone. We should not kick people when they are down. And limiting the withdrawal from the ATM to $25 when most ATMs only allow withdrawals in $20 increments, that's just wrong, and I believe that S Sub HB 2258 is wrong. Today at Senator Hensley's mother's funeral, one of her granddaughters quoted that “we need to bend down and help another up.”—OLETHA FAUST-GOUDEAU

Senators Hawk and Kelly request the record to show they concur with the “Explanations of Vote” offered by Senator Faust-Goudeau on S Sub HB 2258.

Madam President: It is not necessary to put policies of the Department of Children and Families regarding food assistance and temporary assistance to needy families into our statutes; unfortunately many of these policies reduce the assistance from what had been provided in the past. However if we do put these policies into statute, we should do so thoughtfully. It is NOT thoughtful to set a $25 daily limit on cash withdrawn from an ATM when many machines only dispense 20-dollar bills and have fees that may be 10% or more of the amount withdrawn. We are adding confusion in using the same definition for “family group” and “household” and in also referring to a family unit. We may have limited the usefulness of the requirement to name a protective payee when it is required, not of individuals, but of households – can a household have been convicted of the crime of theft? I think the lifetime ban on other adults in a household should be reconsidered and the secretary should have discretion to expand the limits on food assistance and also to allow broad-based categorical eligibility. Most importantly, as we add requirements to work, we should be working to add, not eliminate, jobs. I vote “No” on S Sub HB 2258.—MARCI FRANCISCO

Senators Hawk, Hensley, Kelly and Pettay request the record to show they concur with the “Explanations of Vote” offered by Senator Francisco on S Sub HB 2258.

Madam President: It’s no surprise I vote “No” on S Sub HB 2258. (I actually listened to Father Don’s prayer just a second ago.) Ironically, the passage of this measure; purely designed to make greater difficulties in the application for and the receipt of temporary aid for needy (or “poor”) Kansas families, and shortening the number of months these same families receive this assistance, falls during what many of the Christian faith call “Holy Week.” Leading up to this Sunday, Easter Sunday, many who sit in the Christian church of their choice may reflect on the teachings of Christ, which, at least in all that I
have heard and read states, without equivocation, that we should “love our neighbors, as ourselves”; that we should “do unto others as we would have them do unto you”; that we should show mercy and compassion for the poor, the weak, those less fortunate in general because there, but for the GRACE of God, go you. And God is not mocked. The hypocrisy of this action, especially this week, is galling. By voting “No” on S Sub HB 2258, we reject the mean-spiritedness of legislative intent gone horribly awry. But in so doing, Madam President, I have every opportunity to live out the teachings of my faith, not just by mere words but by deed. Come Sunday, the celebration of the Resurrection of Christ may find me begging forgiveness for an array of sins. But it won’t be for the sin of persecution of the poor as voting for this bill truly does.—DAVID HALEY

Senator Hawk requests the record to show he concurs with the “Explanation of Vote” offered by Senator Haley on S Sub HB 2258.

Madam President: “Then they themselves also will answer, ‘Lord, when did we see You hungry, or thirsty, or a stranger, or naked, or sick, or in prison, and did not take care of You?’ Then He will answer them, ‘Truly I say to you, to the extent that you did not do it to one of the least of these, you did not do it to Me.’ ” I vote “No” on S Sub HB 2258.—TOM HOLLAND

Senators Haley and Kelly request the record to show they concur with the “Explanation of Vote” offered by Senator Holland on S Sub HB 2258.

Madam President: Much to the dismay of many in this body, we have witnessed a textbook example of political theater. Those playing the leading roles in that much extended drama claim that empowering Kansans to overcome hard times and combatting poverty with employment is somehow immoral. They espouse that limiting cash assistance to its intended purpose, not luxury expenditures like concerts, day spas and sporting events is somehow “mean spirited.” I believe that ensnaring individuals in an endless cycle of poverty is truly immoral. Madam President, the policies that would be codified within S Sub HB 2258 are intended to be anything but mean-spirited, because they have a record of success. In 2014 alone, while applying these same guidelines, our state saw over 6,000 TANF recipients find work. Kansans are seeing the number of adults on TANF decline, while the percentage of TANF recipients gaining employment increased. Isn’t this the point of having a temporary assistance program? I vote “aye” on S Sub HB 2258 because those in difficult circumstances need a hand up, not a feckless government handout. We must not merely intend to help those who are less fortunate. We must truly help the less fortunate, and that is what S Sub HB 2258 does.—TERRY BRUCE

Senator O'Donnell requests the record to show he concurs with the “Explanation of Vote” offered by Senator Bruce on S Sub HB 2258.

"New Section 1. (a) For the purpose of financing a portion of the unfunded actuarial pension liability of the Kansas public employees retirement system, the Kansas development finance authority is hereby authorized to issue one or more series of revenue bonds under the Kansas development finance authority act in an amount necessary to provide a deposit or deposits to the Kansas public employees retirement system in a total amount not to exceed $1,000,000,000 plus all amounts required to pay the costs of issuance of the bonds, including any credit enhancement, interest costs and to provide any required reserves for the bonds. No bonds shall be issued until such issuance has been approved by a resolution of the state finance council. The principal amount, interest rates and final maturity of such revenue bonds and any bonds issued to refund such bonds or parameters for such principal amount, interest rates and final maturity shall be approved by a resolution of the state finance council, except that, for any one or more series of revenue bonds issued pursuant to this section, such interest rate, all inclusive cost, shall not exceed 5%. The bonds, and interest thereon, issued pursuant to this section shall be payable from moneys appropriated by the state for such purpose. The bonds, and interest thereon, issued pursuant to this section shall be obligations only of the authority and in no event shall such bonds constitute an indebtedness or obligation of the Kansas public employees retirement system or an indebtedness or obligation for which the faith and credit or any assets of the system are pledged. Neither the state nor the department of administration shall have the power to pledge the full faith and credit or taxing power of the state for debt service on any bonds issued pursuant to this section, and any payment by the department for such purpose shall be subject to and dependent on appropriations by the legislature. Any obligation of the state or the department for payment of debt service on bonds issued pursuant to this section shall not be considered a debt or obligation of the state for the purpose of section 6 of article 11 of the constitution of the state of Kansas.

(b) As used in this section, "unfunded actuarial pension liability" means the unfunded actuarially accrued liability of the state for the state of Kansas' and
participating employers', under K.S.A. 74-4931, and amendments thereto, portion of such liability of the Kansas public employees retirement system, determined as of the later of December 31, 2013, or the end of the most recent calendar year for which an actuarial valuation report is available and certified to the Kansas development finance authority by the executive director of the Kansas public employees retirement system.

(c) (1) The authority may pledge the contract or contracts authorized in subsection (d), or any part thereof, for the payment or redemption of the bonds, and covenant as to the use and disposition of moneys available to the authority for payment of the bonds. The authority is authorized to enter into any agreements necessary or desirable to effectuate the purposes of this section.

(2) The proceeds from the sale of the bonds, other than refunding bonds, issued pursuant to this section, after payment of any costs related to the issuance of such bonds, shall be paid by the authority to the Kansas public employees retirement system to be applied to the payment, in full or in part, of the unfunded accrued pension liability as directed by the Kansas public employees retirement system.

(3) The state hereby pledges and covenants with the holders of any bonds issued pursuant to the provisions of this section that it will not limit or alter the rights or powers vested in the authority by this section, nor limit or alter the rights or powers of the authority, the department of administration or the Kansas public employees retirement system, in any manner which would jeopardize the interest of the holders or any trustee of such holders or inhibit or prevent performance or fulfillment by the authority, the department of administration or the Kansas public employees retirement system with respect to the terms of any agreement made with the holders of the bonds or agreements made pursuant to this section, except that the failure of the legislature to appropriate moneys for any purpose shall not be deemed a violation of this pledge and covenant. The department of administration is hereby specifically authorized to include this pledge and covenant in any agreement with the authority. The authority is hereby specifically authorized to include this pledge and covenant in any bond resolution, trust indenture or agreement for the benefit of holders of the bonds.

(4) Revenue bonds may be issued pursuant to this section without obtaining the consent of any department, division, commission, board or agency of the state, other than the approvals of the state finance council required by this section, and without any other proceedings or the occurrence of any other conditions or other things other than those proceedings, conditions or things which are specifically required by the Kansas development finance authority act.

(d) The department of administration and the authority are authorized to enter into one or more contracts to implement the payment arrangement that is provided for in this section. The contract or contracts shall provide for payment of the amounts required to be paid pursuant to this section and shall set forth the procedure for the transfer of moneys for the purpose of paying such moneys. The contract or contracts shall contain such terms and conditions, including principal amount, interest rates and final maturity, as shall be approved by resolution of the state finance council and shall include, but not be limited to, terms and conditions necessary or desirable to provide for repayment of and to secure any bonds of the authority issued pursuant to this section.
(e) The approvals by the state finance council required by subsections (a) and (d) are hereby characterized as matters of legislative delegation and subject to the guidelines prescribed in K.S.A. 75-3711e(c), and amendments thereto. Such approvals may be given by the state finance council when the legislature is in session.

Sec. 2. K.S.A. 2014 Supp. 74-4914d is hereby amended to read as follows: 74-4914d. Any additional cost resulting from the normal retirement date and retirement before such normal retirement date for security officers as provided in K.S.A. 74-4914c, and amendments thereto, and disability benefits as provided in K.S.A. 74-4914e, and amendments thereto, shall be added to the employer rate of contribution for the department of corrections as otherwise determined under K.S.A. 74-4920, and amendments thereto, except that the employer rate of contribution for the department of corrections including any such additional cost added to such employer rate of contribution pursuant to this section shall in no event exceed the employer rate of contribution for the department of corrections for the immediately preceding fiscal year by more than the following amounts expressed as a percentage of compensation upon which security officers contribute during the period: (a) For the fiscal year commencing in calendar years 2010 through 2012, an amount not to exceed more than 0.6% of the amount of the immediately preceding fiscal year; (b) for the fiscal year commencing in calendar year 2013, an amount not to exceed more than 0.9% of the amount of the immediately preceding fiscal year; (c) for the fiscal year commencing in calendar year 2014, an amount not to exceed more than 1% of the amount of the immediately preceding fiscal year; (d) for the fiscal year commencing in calendar year 2015, the employer rate of contribution shall be 10.91%, except that if bonds issued pursuant to section 1, and amendments thereto, have debt service payments that are fully or partially financed through the use of capitalized interest, or have capitalized interest-only debt service payments, the employer rate of contribution shall be an amount not to exceed more than 1.1% of the amount of the immediately preceding fiscal year; and (e) for the fiscal year commencing in calendar year 2016, the employer rate of contribution shall be 10.81%, except that if bonds issued pursuant to section 1, and amendments thereto, have debt service payments that are fully or partially financed through the use of capitalized interest, or have capitalized interest-only debt service payments, the employer rate of contribution shall be an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year; and (f) in each subsequent calendar year, an amount not to exceed more than 1.2% of the amount of the immediately preceding fiscal year. As used in this section, "capitalized interest" means interest payments on the bonds that are pre-funded or financed from bond proceeds as part of the issue for a specified period of time in order to offset one or more initial debt service payments.

Sec. 3. K.S.A. 2014 Supp. 74-4920 is hereby amended to read as follows: 74-4920. (1) (a) Upon the basis of each annual actuarial valuation and appraisal as provided for in subsection (2)(a) of K.S.A. 74-4908(3)(a), and amendments thereto, the board shall certify, on or before July 15 of each year, to the division of the budget in the case of the state and to the agent for each other participating employer an actuarially determined estimate of the rate of contribution which will be required, together with all accumulated contributions and other assets of the system, to be paid by each such participating employer to pay all liabilities which shall exist or accrue under the system, including amortization of the actuarial accrued liability as determined by the board. The
board shall determine the actuarial cost method to be used in annual actuarial valuations, to determine the employer contribution rates that shall be certified by the board. Such certified rate of contribution, amortization methods and periods and actuarial cost method shall be based on the standards set forth in subsection (3)(a) of K.S.A. 74-4908(3)(a), and amendments thereto, and shall not be based on any other purpose outside of the needs of the system.

(b) (i) For employers affiliating on and after January 1, 1999, upon the basis of an annual actuarial valuation and appraisal of the system conducted in the manner provided for in K.S.A. 74-4908, and amendments thereto, the board shall certify, on or before July 15 of each year to each such employer an actuarially determined estimate of the rate of contribution which shall be required to be paid by each such employer to pay all of the liabilities which shall accrue under the system from and after the entry date as determined by the board, upon recommendation of the actuary. Such rate shall be termed the employer's participating service contribution and shall be uniform for all participating employers. Such additional liability shall be amortized as determined by the board. For all participating employers described in this section, the board shall determine the actuarial cost method to be used in annual actuarial valuations to determine the employer contribution rates that shall be certified by the board.

(ii) The board shall determine for each such employer separately an amount sufficient to amortize all liabilities for prior service costs which shall have accrued at the time of entry into the system. On the basis of such determination the board shall annually certify to each such employer separately an actuarially determined estimate of the rate of contribution which shall be required to be paid by that employer to pay all of the liabilities for such prior service costs. Such rate shall be termed the employer's prior service contribution.

(2) The division of the budget and the governor shall include in the budget and in the budget request for appropriations for personal services the sum required to satisfy the state's obligation under this act as certified by the board and shall present the same to the legislature for allowance and appropriation.

(3) Each other participating employer shall appropriate and pay to the system a sum sufficient to satisfy the obligation under this act as certified by the board.

(4) Each participating employer is hereby authorized to pay the employer's contribution from the same fund that the compensation for which such contribution is made is paid from or from any other funds available to it for such purpose. Each political subdivision, other than an instrumentality of the state, which is by law authorized to levy taxes for other purposes, may levy annually at the time of its levy of taxes, a tax which may be in addition to all other taxes authorized by law for the purpose of making its contributions under this act and, in the case of cities and counties, to pay a portion of the principal and interest on bonds issued under the authority of K.S.A. 12-1774, and amendments thereto, by cities located in the county, which tax, together with any other fund available, shall be sufficient to enable it to make such contribution. In lieu of levying the tax authorized in this subsection, any taxing subdivision may pay such costs from any employee benefits contribution fund established pursuant to K.S.A. 12-16,102, and amendments thereto. Each participating employer which is not by law authorized to levy taxes as described above, but which prepares a budget for its expenses for the ensuing year and presents the same to a governing body which is authorized by law to levy taxes as described above, may
include in its budget an amount sufficient to make its contributions under this act which may be in addition to all other taxes authorized by law. Such governing body to which the budget is submitted for approval, may levy a tax sufficient to allow the participating employer to make its contributions under this act, which tax, together with any other fund available, shall be sufficient to enable the participating employer to make the contributions required by this act.

(5) (a) The rate of contribution certified to a participating employer as provided in this section shall apply during the fiscal year of the participating employer which begins in the second calendar year following the year of the actuarial valuation.

(b) (i) Except as specifically provided in this section, for fiscal years commencing in calendar year 1996 and in each subsequent calendar year, the rate of contribution certified to the state of Kansas shall in no event exceed the state's contribution rate for the immediately preceding fiscal year by more than 0.2% of the amount of compensation upon which members contribute during the period.

EXPLANATION OF VOTE

Madam President: I ask to “Pass” on the conference committee report on SB 228. I recognize that we need to reduce the actuarial liability on our Kansas Public Employees Retirement System and I understand that there are arguments in favor of passing bonds to address that issue. We must honor our commitments to our employees. However I am very concerned that we have asked our state employees, many of whom have not been given a raise in a number of years, to pay a higher percentage of their salary into the program at the same time we allowed the employer, the State of Kansas, to reduce their statutorily required contributions. The state should be contributing our fair share. The bonds are an additional chance to raise funds and I hope it will be a good investment for the state.—MARC FRANCISCO

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee of the Whole amendments, as follows: on page 12, following line 3, by inserting:

"New Sec. 11. (a) On and after January 1, 2016, any owner or lessee of one or more passenger vehicles or trucks registered for a gross weight of 20,000 pounds or less, who is a resident of Kansas, upon compliance with the provisions of this section, may be issued one omega psi phi license plate for each such passenger vehicle or truck. Such license plates shall be issued for the same time as other license plates upon proper registration and payment of the regular license fee as provided in K.S.A. 8-143, and amendments thereto, and either the payment to the county treasurer of the logo use royalty payment established by omega psi phi or the presentation of the annual logo use authorization statement provided for in subsection (b).

(b) Omega psi phi may authorize the use of its logo to be affixed on license plates as provided by this section. Any royalty payment received pursuant to this section shall be used to support omega psi phi. Any motor vehicle owner or lessee annually may apply to omega psi phi for the use of such logo. Upon annual application and payment
to either: (1) Omega psi phi in an amount of not less than $25 nor more than $100 as a logo use royalty payment for each license plate to be issued, omega psi phi shall issue to the motor vehicle owner or lessee, without further charge, a logo use authorization statement, which shall be presented by the motor vehicle owner or lessee at the time of registration; or (2) the county treasurer of the logo use royalty payment for each license plate to be issued.

(c) Any applicant for a license plate authorized by this section may make application for such plates not less than 60 days prior to such person's renewal of registration date, on a form prescribed and furnished by the director of vehicles, and any applicant for such license plate shall either provide the annual logo use authorization statement provided for in subsection (b) or pay to the county treasurer the logo use royalty payment established by omega psi phi. Application for registration of a passenger vehicle or truck and issuance of the license plate under this section shall be made by the owner or lessee in a manner prescribed by the director of vehicles upon forms furnished by the director.

(d) No registration or license plate issued under this section shall be transferable to any other person.

(e) The director of vehicles may transfer the omega psi phi license plates from a leased vehicle to a purchased vehicle.

(f) Renewals of registration under this section shall be made annually, upon payment of the fee prescribed in subsection (a), in the manner prescribed in K.S.A. 8-132(b), and amendments thereto. No renewal of registration shall be made to any applicant until such applicant either provides to the county treasurer either the annual logo use authorization statement provided for in subsection (b) or the payment of the logo use royalty payment as established by omega psi phi. If such logo use authorization statement is not presented at the time of registration or faxed by omega psi phi, or the annual logo use royalty payment is not made to the county treasurer at the time of registration, the applicant shall be required to comply with K.S.A. 8-143, and amendments thereto, and return the license plate to the county treasurer of such person's residence.

(g) Omega psi phi shall:
(1) Pay the initial cost of silk-screening for license plates authorized by this section; and
(2) provide to all county treasurers a toll-free telephone number where applicants can call omega psi phi for information concerning the application process or the status of their license plate application.

(h) Omega psi phi, with the approval of the director of vehicles and subject to the availability of materials and equipment, shall design a plate to be issued under the provisions of this section.

(i) As a condition of receiving the omega psi phi license plate and any subsequent registration renewal of such plate, the applicant must provide consent to the division authorizing the division's release of motor vehicle record information, including the applicant's name, address, logo use royalty payment amount, plate number and vehicle type to omega psi phi and the state treasurer.

(j) Annual logo use royalty payments collected by county treasurers under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance the
state treasurer shall deposit the entire amount in the state treasury to the credit of the
omega psi phi royalty fund, which is hereby created in the state treasury and shall be
administered by the state treasurer. All expenditures from the omega psi phi royalty
fund shall be made in accordance with appropriation acts upon warrants of the director
of accounts and reports issued pursuant to vouchers approved by the state treasurer or
the state treasurer's designee. Payments from the omega psi phi royalty fund to the
appropriate designee of omega psi phi shall be made on a monthly basis."

CONFERENCE COMMITTEE REPORT

Madam President and Mr. Speaker: Your committee on conference on
Senate amendments to HB 2064 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on
conference further agrees to amend the bill as printed with Senate Committee
amendments, as follows:

On page 4, following line 3, by inserting:
"Sec. 4. K.S.A. 2014 Supp. 40-2,118 is hereby amended to read as follows: 40-
2,118. (a) For purposes of this act a "fraudulent insurance act" means an act committed
by any person who, knowingly and with intent to defraud, presents, causes to be
presented or prepares with knowledge or belief that it will be presented to or by an
insurer, purported insurer, broker or any agent thereof, any written, electronic,
electronic impulse, facsimile, magnetic, oral, or telephonic communication or statement
as part of, or in support of, an application for the issuance of, or the rating of an insurance policy for personal or commercial insurance, or a claim for payment or other benefit pursuant to an insurance policy for commercial or personal insurance which such person knows to contain materially false information concerning any fact material thereto; or conceals, for the purpose of misleading, information concerning any fact material thereto.

(b) An insurer that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed shall provide to the commissioner, on a form prescribed by the commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may require.

(c) Any other person that has knowledge or a good faith belief that a fraudulent insurance act is being or has been committed may provide to the commissioner, on a form prescribed by the commissioner, any and all information and such additional information relating to such fraudulent insurance act as the commissioner may request.

(d) (1) Each insurer shall have antifraud initiatives reasonably calculated to detect fraudulent insurance acts. Antifraud initiatives may include: fraud investigators, who may be insurer employees or independent contractors; or and an antifraud plan submitted to the commissioner no later than July 1, 2007. Each insurer that submits an antifraud plan shall notify the commissioner of any material change in the information contained in the antifraud plan within 30 days after such change occurs. Such insurer shall submit to the commissioner in writing the amended antifraud plan.

The requirement for submitting any antifraud plan, or any amendment thereof, to the commissioner shall expire on the date specified in paragraph (2) of this subsection (d).

(2) Any antifraud plan, or any amendment thereof, submitted to the commissioner for informational purposes only shall be confidential and not be a public record and shall not be subject to discovery or subpoena in a civil action unless following an in camera review, the court determines that the antifraud plan is relevant and otherwise admissible under the rules of evidence set forth in article 4 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto. The provisions of this paragraph shall expire on July 1, 2016, unless the legislature reviews and reenacts the provisions pursuant to K.S.A. 45-229, and amendments thereto.

(e) Except as otherwise specifically provided in subsection (a) of K.S.A. 2014 Supp. 21-5812(a), and amendments thereto, and K.S.A. 44-5,125, and amendments thereto, a fraudulent insurance act shall constitute a severity level 6, nonperson felony if the amount involved is $25,000 or more; a severity level 7, nonperson felony if the amount is at least $5,000 but less than $25,000; a severity level 8, nonperson felony if the amount is at least $1,000 but less than $5,000; and a class C nonperson misdemeanor if the amount is less than $1,000. Any combination of fraudulent acts as defined in subsection (a) which occur in a period of six consecutive months which involves $25,000 or more shall have a presumptive sentence of imprisonment regardless of its location on the sentencing grid block.

(f) In addition to any other penalty, a person who violates this statute shall be ordered to make restitution to the insurer or any other person or entity for any financial loss sustained as a result of such violation. An insurer shall not be required to provide coverage or pay any claim involving a fraudulent insurance act.
(g) This act shall apply to all insurance applications, ratings, claims and other
benefits made pursuant to any insurance policy.

Sec. 5. K.S.A. 2014 Supp. 40-22a13 is hereby amended to read as follows: 40-
22a13. On and after July 1, 2011, for the purposes of K.S.A. 40-22a13 through 40-
22a16, and amendments thereto:

(a) "Adverse decision" means a utilization review determination by a third-party
administrator, a health insurance plan, an insurer or a health care provider acting on
behalf of an insured that a proposed or delivered health care service which would
otherwise be covered under an insured's contract is not or was not medically necessary
or the health care treatment has been determined to be experimental or investigational
and:

(1) If the requested service is provided in a manner that leaves the insured with a
financial obligation to the provider or providers of such services; or

(2) the adverse decision is the reason for the insured not receiving the requested
services.

(b) "Emergency medical condition" means:

(1) The sudden, and at the time, unexpected onset of a health condition that
requires immediate medical attention, where failure to provide medical attention would
result in a serious impairment to bodily functions, serious dysfunction of a bodily organ
or part or would place a person's health in serious jeopardy;

(2) a medical condition where the time frame for completion of a standard external
review would seriously jeopardize the life or health of the insured or would jeopardize
the insured's ability to regain maximum function; or

(3) a medical condition for which coverage has been denied based on a
determination that the recommended or requested health care service or treatment is
experimental or investigational, if the insured's treating physician certifies, in writing,
that the recommended or requested health care service or treatment for the medical
condition would be significantly less effective if not promptly initiated.

(c) "External review organization" means an entity that conducts independent
external reviews of adverse decisions pursuant to a contract with the commissioner.

Such entity shall have experience serving as the external quality review organization in
health programs administered by the state of Kansas, or be a nationally accredited
external review organization which utilizes health care providers actively engaged in
the practice of their profession in the state of Kansas who are qualified and credentialed
with respect to the health care service review. In the event the entity has no Kansas
providers available who are qualified and credentialed with respect to the review of any
case, the external review organization shall have the discretion to employ health care
providers who actively engage in such health care provider's practice outside the state of
Kansas.

(d) "Health insurance plan" means any hospital or medical expense policy, health,
hospital or medical service corporation contract, and a plan provided by a municipal
group-funded pool, or a health maintenance organization contract offered by an
employer or any certificate issued under any such policies, contracts or plans.

(e) "Insured" means the beneficiary of any health insurance company, fraternal
benefit society, health maintenance organization, nonprofit hospital and medical service
corporation, municipal group-funded pool, and the self-funded coverage established by
the state of Kansas, or any hospital or medical expense, health, hospital or medical
service corporation contract or a plan provided by a municipal group-funded pool.

(f) "Insurer" means any health insurance company, fraternal benefit society, health maintenance organization, nonprofit hospital and medical service corporation, provider sponsored organizations, municipal group-funded pool and the self-funded coverage established by the state of Kansas for its employees.

Sec. 6. K.S.A. 40-2203 is hereby amended to read as follows: 40-2203. (A) Required provisions. Except as provided in paragraph (C) of this section every such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subsection in the words in which the same appear in this section, but the insurer, at its option, may substitute for one or more of such provisions corresponding provisions of different wording approved by the commissioner of insurance which are in each instance not less favorable in any respect to the insured or the beneficiary. Such provisions shall be preceded individually by the caption appearing in this subsection or at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner of insurance may approve.

(1) A provision as follows: "*Entire contract; changes:* This policy, including the endorsement and the attached papers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions."

(2) A provision as follows: "*Time limit on certain defenses:* (a) After two years from the date of issue of this policy no misstatements, except fraudulent misstatement, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two-year period."

The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two year period, nor to limit the application of subsections (B) (1), (2), (3), (4) and (5) in the event of misstatement with respect to age or occupation or other insurance.

A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50, or (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "*Incontestable*: "After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.

(b) "*No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss has existed prior to the effective date of coverage of this policy."

(3) A provision as follows: "*Grace period: A grace period of _________ " (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies and "31" for all other policies) "days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force." A policy which contains a cancellation provision may add, at the end
of the above provision, "subject to the right of the insurer to cancel in accordance with the cancellation provision hereof." A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision, "Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to the last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted."

(4) A provision as follows: "Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium without requiring in connection therewith an application for reinstatement shall reinstate the policy. If the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the 45th day following the date such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement." The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.

(5) A provision as follows: "Notice of claim: Written notice of claim must be given to the insurer within 20 days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the insured or the beneficiary to the insurer at ____________" (insert the location of such office as the insurer may designate for the purpose), "or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer." In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provisions: "Subject to the qualification set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every six months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of six months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

(6) A provision as follows: "Claim forms: The insurer, upon receipt of a notice of
claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within 15 days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made."

(7) A provision as follows: "Proofs of loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within 90 days after the termination of the period for which the insurer is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required."

(8) A provision as follows: "Time of payment of claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid _____" (insert period for payment which must not be less frequently than monthly) "and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof."

(9) A provision as follows: "Payment of claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death, at the option of the insurer, may be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured." The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer: "If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding $______" (insert an amount which shall not exceed $1,000), "to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment. Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical, or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not required that the service be rendered by a particular hospital or person."
(10) A provision as follows: "Physical examinations and autopsy: The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law."

(11) A provision as follows: "Legal actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of five years after the time written proof of loss is required to be furnished."

(12) A provision as follows: "Change of beneficiary: Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy."

The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.

(13) A provision as follows: "Cancellation by insured: The insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt of such notice or on such later date as may be specified in such notice. In the event of cancellation or death of the insured, the insurer will promptly return the unearned portion of any premium paid. The earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation." When approved by the commissioner, the "cancellation" provision appearing in subsection (B)(8) may be substituted for the above.

(B) Other provisions: Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section, but the insurer may, at its option, use in lieu of any such provision a corresponding provision of different wording approved by the commissioner of insurance which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the commissioner of insurance may approve.

(1) A provision as follows: "Change of occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provided in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more
recent. In applying this provision, the classification of occupational risk and the
premium rates shall be such as have been last filed by the insurer prior to the occurrence
of the loss for which the insurer is liable or prior to date of proof of change in
occupation with the state official having supervision of insurance in the state where the
insured resided at the time this policy was issued; but if such filing was not required,
then the classification of occupational risk and the premium rates shall be those last
made effective by the insurer in such state prior to the occurrence of the loss or prior to
the date of proof of change in occupation."
(2) A provision as follows: "Misstatement of age: If the age of the insured has been
misstated, all amounts payable under this policy shall be such as the premium paid
would have purchased at the correct age."
(3) A provision as follows: "Other insurance in this insurer: If an accident or
sickness or accident and sickness policy or policies previously issued by the insurer to
the insured be in force concurrently herewith, making the aggregate indemnity for
_________" (insert type of coverage or coverages) "in excess of _______" (insert
maximum limit of indemnity or indemnities) "the excess insurance shall be void and all
premiums paid for such excess shall be returned to the insured or to his estate"; or, in
lieu thereof: "Insurance effective at any one time on the insured under a like policy or
policies in this insurer is limited to one such policy elected by the insured, his
beneficiary or his estate, as the case may be, and the insurer will return all premiums
paid for all other such policies."
(4) A provision as follows: "Insurance with other insurers: If there be other valid
coverage, not with this insurer, providing benefits for the same loss on a provision of
service basis or on an expense incurred basis and of which this insurer has not been
given written notice prior to the occurrence or commencement of loss, the only liability
under any expense incurred coverage of this policy shall be for such proportion of the
loss as the amount which would otherwise have been payable hereunder plus the total of
the like amounts under all such other valid coverages for the same loss of which this
insurer had notice bears to the total like amounts under all valid coverages for such loss,
and for the return of such portion of the premiums paid as shall exceed the pro rata
portion for the amount so determined. For the purpose of applying this provision when
other coverage is on a provision of service basis, the 'like amount' of such other
coverage shall be taken as the amount which the services rendered would have cost in
the absence of such coverage." If the foregoing policy provision is included in a policy
which also contains the next following policy provision there shall be added to the
caption of the foregoing provision the phrase "_________ expense incurred benefits."
The insurer, at its option, may include in this provision a definition of "other valid
coverage," approved as to form by the commissioner of insurance, which definition
shall be limited in subject matter to coverage provided by organizations subject to
regulation by insurance law or by insurance authorities of this or any other state of the
United States or any province of Canada, and by hospital or medical service
organizations, and to any other coverage the inclusion of which may be approved by the
commissioner of insurance. In the absence of such definition such term shall not include
group insurance, automobile medical payments insurance, or coverage provided by
hospital or medical service organizations or by union welfare plans or employer or
employee benefit organizations. For the purpose of applying the foregoing policy
provision with respect to any insured, any amount of benefit provided for such insured
pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(5) A provision as follows: "Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice (including the indemnities under this policy) bear to the total amount of all like indemnities for such loss, and the return of such portion of the premium paid as shall exceed the pro rata portion for the indemnities thus determined." If the foregoing policy provision is included in a policy which also contains the next preceding policy provision there shall be added to the caption of the foregoing provision the phrase "_________ other benefits." The insurer, at its option, may include in this provision a definition of "other valid coverage," approved as to form by the commissioner of insurance, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the commissioner of insurance. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute (including any workers compensation or employer's liability statute) whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third-party liability coverage shall be included as "other valid coverage." The provisions of this paragraph shall not apply to any individual policy of accident and sickness insurance, as defined in K.S.A. 40-2201, and amendments thereto.

(6) A provision as follows: "Relation of earnings to insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of $200 or the
sum of the monthly benefits specified in such coverages, whichever is the lesser, nor
shall it operate to reduce benefits other than those payable for loss of time." The
foregoing policy provision may be inserted only in a policy which the insured has the
right to continue in force subject to its terms by the timely payment of premiums (1)
until at least age 50, or (2) in the case of a policy issued after age 44, for at least five
years from its date of issue. The insurer, at its option, may include in this provision a
definition of "valid loss of time coverage," approved as to form by the commissioner of
insurance, which definition shall be limited in subject matter to coverage provided by
governmental agencies or by organizations subject to regulation by insurance law or by
insurance authorities of this or any other state of the United States or any province of
Canada, or to any other coverage the inclusion of which may be approved by the
commissioner of insurance or any combination of such coverages. In the absence of
such definition such term shall not include any coverage provided for such insured
pursuant to any compulsory benefit statute (including any workers compensation or
employer's liability statute), or benefits provided by union welfare plans or by employer
or employee benefit organizations.

(7) A provision as follows: "Unpaid premium: Upon the payment of a claim under
this policy, any premium then due and unpaid or covered by any note or written order
may be deducted therefrom."

(8) A provision as follows: "Cancellation: The insurer may cancel this policy at
any time by written notice delivered to the insured, or mailed to his last address as
shown by the records of the insurer, stating when, not less than five days thereafter,
such cancellation shall be effective; and after the policy has been continued beyond its
original term the insured may cancel this policy at any time by written notice delivered
or mailed to the insurer, effective upon receipt or on such later date as may be specified
in such notice. In the event of cancellation, the insurer will return promptly the
unearned portion of any premium paid. If the insured cancels, the earned premium shall
be computed by the use of the short-rate table last filed with the state official having
supervision of insurance in the state where the insured resided when the policy was
issued. If the insurer cancels, the earned premium shall be computed pro rata.
Cancellation shall be without prejudice to any claim originating prior to the effective
date of cancellation."

(9) A provision as follows: "Conformity with state statutes: Any provision of this
policy which, on its effective date, is in conflict with the statutes of the state in which
the insured resides on such date is hereby amended to conform to the minimum
requirements of such statutes."

(10) A provision as follows: "Illegal occupation: The insurer shall not be liable for
any loss to which a contributing cause was the insured's commission of or attempt to
commit a felony or to which a contributing cause was the insured's being engaged in an
illegal occupation."

(11) A provision as follows: "Intoxicants and narcotics: The insurer shall not be
liable for any loss sustained or contracted in consequence of the insured's being
intoxicated or under the influence of any narcotic unless administered on the advice of a
physician."

(C) Inapplicable or inconsistent provisions: If any provision of this section is in
whole or in part inapplicable to or inconsistent with the coverage provided by a
particular form of policy the insurer, with the approval of the commissioner of
insurance, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of the provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

(D) **Order of certain policy provisions:** The provisions which are the subject of subsection (A) and (B) of this section, or any corresponding provisions which are used in lieu thereof in accordance with such subsections, shall be printed in the consecutive order of the provisions in such subsections or, at the option of the insurer, any such provision may appear as a unit in any part of the policy, with other provisions to which it may be logically related, provided the resulting policy, shall not be in whole or in part unintelligible, uncertain, ambiguous, abstruse, or likely to mislead a person to whom the policy is offered, delivered or issued.

(E) **Third-party ownership:** The word "insured," as used in this act, shall not be construed as preventing a person other than the insured with a proper insurable interest from making application for and owning a policy covering the insured or from being entitled under such a policy to any indemnities, benefits and rights provided therein.

(F) **Requirements of other jurisdictions:** (1) Any policy of a foreign or alien insurer, when delivered or issued for delivery to any person in this state, may contain any provision which is not less favorable to the insured or the beneficiary than the provisions of this act and which is prescribed or required by the law of the state under which the insurer is organized.

(2) Any policy of a domestic insurer, when issued for delivery in any other state or country, may contain any provision permitted or required by the laws of such other state or country.

(G) **Filing procedure:** The commissioner of insurance may make such reasonable rules and regulations concerning the procedure for the filing or submission of policies subject to this act as are necessary, proper or advisable to the administration of this act. This provision shall not abridge any other authority granted the commissioner of insurance by law.

(H) (1) No policy issued by an insurer to which this section applies shall contain a provision which excludes, limits or otherwise restricts coverage because medicaid benefits as permitted by title XIX of the social security act of 1965 are or may be available for the same accident or illness.

(c) (1) Contracts authorized by this section may be entered into with state or federal
agencies or political subdivisions of the state of Kansas, including contracts for
participation in the collection program authorized by K.S.A. 75-6201 et seq., and
amendments thereto. Such contracts also may be entered into with private firms or
individuals selected by a procurement negotiation committee in accordance with K.S.A.
75-37,102, and amendments thereto, except that the attorney general, judicial
administrator shall designate a representative to serve as the chief administrative officer
member of such committee and that the other two members of such committee shall be
designated by the director of purchases and the judicial administrator.

(2) Prior to negotiating any contract for collection services, this procurement
negotiation committee shall advertise for proposals, negotiate with firms and
individuals submitting proposals and select among those submitting such proposals the
party or parties to contract with for the purpose of collection services.

(3) The attorney general, supreme court may adopt rules and regulations as deemed
appropriate for the administration of this section, including procedures to be used in the
negotiation and execution of contracts pursuant to this section and procedures to be
followed by those who utilize collection services under such contracts.

(4) For purposes of this section, the agencies, firms or individuals with whom
contracts are entered under this section shall be known as contracting agents. The
attorney general, judicial administrator shall publish a list of the contracting agents for
use by courts or beneficiaries under orders of restitution who desire to utilize the
collection services of such agents.

(5) Each contract entered pursuant to this section shall provide for a fee to be paid
to or retained by the contracting agent for collection services. Such fee shall be
designated as the cost of collection hereunder, and shall not exceed 33% of the amount
collected. The cost of collection shall be paid from the amount collected, but shall not
be deducted from the debts owed to courts or restitution. If a contracting agent uses the
debt setoff procedures pursuant to K.S.A. 75-6202 et seq., and amendments thereto, to
recover debts owed to the courts, the contracting agent's cost of collection for debt
recovered through that program shall be the amount established by contract minus the
collection assistance fee imposed by the director of accounts and reports of the
department of administration pursuant to K.S.A. 75-6210, and amendments thereto.

(d) Judicial districts of the state of Kansas are authorized to utilize the collection
services of contracting agents pursuant to this section for the purpose of collecting all
outstanding debts owed to courts. Subject to rules and orders of the Kansas supreme
court, each judicial district may establish by local rule guidelines for the compromise of
court costs, fines, attorney fees and other charges assessed in district court cases.

(e) Any beneficiary under an order of restitution entered by a court after this section takes effect is authorized to utilize the collection services of contracting agents pursuant to this section for the purpose of collecting all outstanding amounts owed under such order of restitution.

(f) Contracts entered hereunder shall provide for the payment of any amounts collected to the clerk of the district court for the court in which the debt being collected originated, after first deducting the collection fee. In accounting for amounts collected from any person pursuant to this section, the district court clerk shall credit the person's amount owed in the amount of the net proceeds collected and shall not reduce the amount owed by any person by that portion of any payment which constitutes the cost of collection pursuant to this section.

(g) With the appropriate cost of collection paid to the contracting agent as agreed upon in the contract hereunder, the clerk shall then distribute amounts collected hereunder as follows:

1. When collection services are utilized pursuant to subsection (d), all amounts shall be applied against the debts owed to the court as specified in the original judgment creating the debt;

2. When collection services are utilized pursuant to subsection (e), all amounts shall be paid to the beneficiary under the order of restitution designated to receive such restitution, except where that beneficiary has received recovery from the Kansas crime victims compensation board and such board has subrogation rights pursuant to K.S.A. 74-7312, and amendments thereto, in which case all amounts shall be paid to the board until its subrogation lien is satisfied.

(h) Whenever collection services are being utilized against the same debtor pursuant to both subsections (d) and (e), any amounts collected by a contracting agent shall be first applied to satisfy subsection (e) debts, debts pursuant to an order of restitution. Upon satisfaction of all such debts, amounts received from the same debtor shall then be applied to satisfy subsection (d) debts, debts owed to courts.

(2) Contracting agent, as defined in K.S.A. 75-719, and amendments thereto, with which a district court contracts to collect debts owed to such court. Such contracting agent may directly establish a debt setoff account with the director for the sole purpose of collecting debts owed to courts.

Sec. 7. K.S.A. 2014 Supp. 75-6204 is hereby amended to read as follows: 75-6204.

(a) Subject to the limitations provided in this act, if a debtor fails to pay to the state of Kansas or any state agency, foreign state agency, municipality or the federal department of the treasury an amount owed, the director may setoff such amount and a reasonable collection assistance fee determined in accordance with K.S.A. 75-6210, and amendments thereto, against any money held for, or any money owed to, such debtor by the state or any state agency.

(b) The director may enter into an agreement with a municipality for participation
in the setoff program for the purpose of assisting in the collection of a debt as defined by K.S.A. 75-6202, and amendments thereto. The director shall include in any such agreement a provision requiring the municipality to certify that the municipality has made at least three attempts to collect a debt prior to submitting such debt to setoff pursuant to this act.

(c) (1) Except as provided in subsection (c)(2), the director shall add the cost of collection and the debt for a total amount subject to setoff against a debtor.

(2) Any debts due and owing to an individual, the state of Kansas or an agency of another state that are being enforced by the Kansas department for children and families under part D of title IV of the federal social security act, 42 U.S.C. § 651 et seq., as amended, shall not have the cost of collection added to the debt owed and subject to setoff. Such cost of collection shall be paid by the Kansas department for children and families.

Sec. 8. K.S.A. 75-6209 is hereby amended to read as follows: 75-6209. (a) In accordance with the applicable times under K.S.A. 75-6208, and amendments thereto, the director shall complete the setoff by adding and retaining the collection assistance fee permitted by K.S.A. 75-6210, and amendments thereto, and transferring the net proceeds collected for credit or payment and by refunding any outstanding balance to the debtor.

(b) Upon completing the setoff, the director shall notify the debtor in writing of the action taken along with an accounting of the action taken. If there is an outstanding balance after setoff, the notice under this section shall accompany the balance when refunded.

(c) When a setoff is completed against earnings of an employee for any pay period and the setoff does not fully liquidate the debt due, further setoff in subsequent pay periods may be made without further certifications or notice to the debtor, except that the director shall notify the debtor in writing of the action taken and give an accounting thereof. The debtor may request an opportunity for hearing in regard to any further setoff in subsequent pay periods by making a written request therefor to the director. Any such request shall not stay future setoffs, but such hearing shall be held within a reasonable time, not to exceed 15 days after the request, unless a longer time has been agreed to by the debtor. Hearings under this subsection shall be conducted in accordance with the provisions of the Kansas administrative procedure act. Orders resulting from hearings under this subsection shall not be subject to administrative review.

Sec. 9. K.S.A. 2014 Supp. 75-6210 is hereby amended to read as follows: 75-6210. (a) Upon completion of a setoff transaction, the director shall transfer the net proceeds collected to the account or fund of the state agency, foreign state agency or municipality to which the debt was owed.

(b) (1) From the gross proceeds collected by the director through setoff, the director shall retain a reasonable collection assistance fee in an amount based on cost, as determined by generally accepted cost allocation techniques, except that in the case of transactions for collection of debts arising from the employment security law such fee shall not exceed $300 for any transaction. Except as provided further, the director shall add the collection assistance fee to the debt after the debt is submitted to the director in accordance with K.S.A. 75-6206, and amendments thereto. Any debts due and owing to an individual, the state of Kansas or an agency of another state that are being enforced
by the Kansas department for children and families under part D of title IV of the federal social security act, 42 U.S.C. § 651 et seq., as amended, shall not have the collection assistance fee added to the debt owed and subject to setoff, and such fee shall be paid by the Kansas department for children and families.

(2) The director shall retain a reasonable collection assistance fee from the gross proceeds of collections through setoff on behalf of a municipality as specified in an agreement entered into pursuant to K.S.A. 75-6204, and amendments thereto, or foreign state agency in such amount as specified in the reciprocal agreement entered into pursuant to K.S.A. 75-6215, and amendments thereto.

(3) The collection assistance fee shall be paid as an additional cost for all debts owed to the court when the court utilizes debt setoff procedures pursuant to K.S.A. 75-6202 et seq., and amendments thereto. The collection assistance fee shall be retained from the amount collected, but shall not be deducted from the debts owed to the court.

(4) The director may credit a portion of the collection assistance fee to the appropriate account or fund of any other state agency that has incurred expenses in assisting in the collection of the debt.

(5) The amount of the collection assistance fee retained by the director shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the accounting services recovery fund.

(c) Upon receipt by the state agency, foreign state agency or municipality of the net proceeds collected, the state agency, foreign state agency or municipality shall credit the debtor's obligation in the amount of the gross proceeds collected.

(d) Except as otherwise prescribed by the director or the secretary of administration, any state agency, foreign state agency or municipality which receives any payment from a debtor after notification to the debtor under K.S.A. 75-6206, and amendments thereto, other than payments collected pursuant to K.S.A. 44-718, and amendments thereto, or collected through the federal government or judicial process, shall remit the collection assistance fee imposed under subsection (b) to the director which shall be credited to the accounting services recovery fund. If a state agency fails to remit the collection assistance fee as required by this subsection, the director may transfer an amount equal to such collection assistance fee from the appropriate account or fund of the state agency to the accounting services recovery fund. If a foreign state agency or municipality fails to remit the collection assistance fee as required by this subsection, the director may seek collection of such fee in such manner as may be allowed by law.

(e) In cases involving the collection of debts arising from the employment security laws, the entire amount collected shall be credited to the employment security fund and the collection assistance fee shall be transferred from the special employment security fund to the accounting services recovery fund.

EXPLANATION OF VOTE

Madam President: The responsibility of approving an appointment by the governor is one that we do not take lightly and so we must oppose this selection. As mayor of Mission, Laura McConwell publicly supported and pushed for an excise tax, known as the “driveway tax,” that was forced on Mission real estate owners that was ruled to be illegal by the Kansas attorney general. The ordinance stipulated that churches, non-profits and charities typically exempt from property taxes under state law, would be charged a fee calculated by estimating the average number of trips vehicles make on and off a property. The advocacy for this tax after information was acquired about the illegality of the tax is an indication of poor judgment. We vote "No" on this appointment.—MARY PILCHER-COOK

MESSAGES FROM THE GOVERNOR

SB 8, SB 76, SB 108, SB 120, SB 252 signed into law April 6, 2015.
SB 95 approved on April 7, 2015.

MESSAGE FROM THE GOVERNOR

H Sub SB 117 — Veto Message from the Governor

While I appreciate the legislature’s hard work on this legislation, I believe this bill is premature. To over-regulate or improperly regulate an emerging industry before the marketplace actors make proper arrangements is to invite more problems, not less.

Kansas should be known as a state that embraces economic growth and innovation. The jobs created by this new industry can bring opportunity to many Kansas families. An open and free marketplace often results in higher quality products at a more affordable price.
This will allow companies like Uber to continue and expand operations in Kansas, where they otherwise would not be able to do so.

I applaud the discussions that have taken place nationally between the emerging ride-sharing industry and insurance companies. Similar discussions now need to take place with the banking community, which understandably wants to ensure its financial interests are also protected.

I also applaud the legislature’s interest in protecting the safety of our citizens. I strongly support background checks for ride-sharing drivers. However, the ride-sharing industry believes the background requirement as currently written, weakens rather than strengthens, the level of scrutiny placed on its potential drivers.

Therefore, I believe more time, more collaboration, and more discussion will ultimately result in a better public policy product for Kansas. In the meantime, local municipalities will regulate the ride-sharing industry just as they have always done with traditional passenger transportation companies. At this moment in time, they are better equipped to understand the unique and emerging challenges and opportunities the ride-sharing industry brings to their communities.

Though I am vetoing this bill, I am also calling upon ride-sharing companies, insurers, banks and credit unions, to work with our legislature to resolve their differences. These discussions have already begun among Uber and many major insurance companies. The same should begin with banks and credit unions. I look forward to reviewing a new bill that results from these conversations.

Pursuant to Article 2, Section 14(a) of the Constitution of the State of Kansas, I hereby veto House Substitute for Senate Bill 117.

Dated: April 20, 2015
Signed: SAM BROWNBACK
Governor of Kansas

Journal of the Senate

FIFTY-SIXTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Friday, May 1, 2015, 8:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 27 senators present.
Senators Denning, Donovan, Holmes, King, LaTurner, Longbine, Love, Masterson, Melcher, O'Donnell, Pettey, Smith and Wolf were excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father,
The men and women of this Senate are strong, gifted and influential but we desire
that You even increase their influence. Give them an even stronger influence today...that
the power of right and righteousness would permeate this body for the good of the state
and the good of the country. When we see the growing turmoil and disruption across
this nation, we’re grateful for how You’ve kept Your hand on Kansas. But Lord, we
need You to bless us even more. There’s an environment...an atmosphere that You’ve
promised to bless. You said in Ecclesiastes 4:9-12 that two are better than one and a
cord of three strands is not easily broken. So Lord, please stimulate an environment of
unity in this body that the “together power” of synergy will be manifest. Let each man
and woman in this body begin to experience, in fresh, new and exciting ways, the
synergistic power of being united; a power that could only come from You as they come
together and strive for harmony (Ephesians 4:3). As their strengths, gifts and abilities
come together in support of one another, may their power of influence increase and
abound. In retrospect, let the citizens of this state, one day declare “what a blessing it
was to have had them serve.” Thank You Lord, for hearing our prayer. In the Name of
Jesus. Amen

The Pledge of Allegiance was led by President Susan Wagle.

Heavenly Father, Thanks for the start of a new day...a new week...a new month. Thanks for Your consistent faithfulness toward us. Yet Lord, there are certain ways in which we really need Your help. There are some things to which we are blind; things for which we need Your insight. Your Holy Word records in Mark 10:46-52, and again in Luke 18:35-43, how a certain blind man cried out to You and You opened his eyes. As we cry out to You today, would You do it again and open our eyes? Help us see how to be better; ...better men and women, in demonstrating Your Lordship. ...better husbands and wives, in replicating Your love ...better fathers and mothers, better sisters and brothers. Lord, show us how to be better servants to the people. To the glory of Your presence in this place and in these people; to the honor of Your precious name, Thank You for hearing this prayer. "Sec. 4. K.S.A. 2014 Supp. 12-520 is hereby amended to read as follows: 12-520.
(a) Except as hereinafter provided, the governing body of any city, by ordinance, may annex land to such city if any one or more of the following conditions exist:
   (1) The land is platted, and some part of the land adjoins the city.
   (2) The land adjoins the city and is owned by or held in trust for the city or any agency thereof.
   (3) The land adjoins the city and is owned by or held in trust for any governmental unit other than another city except that no city may annex land owned by a county without the express permission of the board of county commissioners of the county other than as provided in subsection (f).
   (4) The land lies within or mainly within the city and has a common perimeter with the city boundary line of more than 50%.
   (5) The land if annexed will make the city boundary line straight or harmonious and some part thereof adjoins the city, except no land in excess of 21 acres shall be annexed for this purpose.
   (6) The tract is so situated that 2/3 of any boundary line adjoins the city, except no tract in excess of 21 acres shall be annexed under this condition.
   (7) The land adjoins the city and a written petition for or consent to annexation is filed with the city by the owner.
   (b) No portion of any unplatted tract of land devoted to agricultural use of 21 acres or more shall be annexed by any city under the authority of this section without the written consent of the owner thereof.
   (c) No city may annex, pursuant to this section, any improvement district incorporated and organized pursuant to K.S.A 19-2753 et seq., and amendments thereto, or any land within such improvement district. The provisions of this subsection shall apply to such improvement districts for which the petition for incorporation and organization was presented on or before January 1, 1987.
   (d) Subject to the provisions of this section and subsection (e) of K.S.A. 12-520a(e), and amendments thereto, a city may annex, pursuant to this section, any fire district or any land within such fire district.
   (e) Whenever any city annexes any land under the authority of paragraph 2 of subsection (a) which does not adjoin the city, tracts of land adjoining the land so annexed shall not be deemed to be adjoining the city for the purpose of annexation under the authority of this section until the adjoining land or the land so annexed adjoins the remainder of the city by reason of the annexation of the intervening territory.
   (f) No city may annex the right-of-way of any highway under the authority of this section unless at the time of the annexation the abutting property upon one or both sides thereof is already within the city or is annexed to the city in the same proceeding. The board of county commissioners may notify the city of the existence of the right-of-way of any highway which has not become part of the city by annexation and which has a common boundary with the city. The notification shall include a legal description and a map identifying the location of the highway. The governing body of the city shall certify by ordinance that the certification is correct and declare the highway, or portion of the highway extending to the center line where another city boundary line abuts the
opposing side of the highway, annexed to the city as of the date of the publication of the ordinance. (g) The governing body of any city by one ordinance may annex one or more separate tracts or lands each of which conforms to any one or more of the foregoing conditions. The invalidity of the annexation of any tract or land in one ordinance shall not affect the validity of the remaining tracts or lands which are annexed by the ordinance and which conform to any one or more of the foregoing conditions.

(h) No city may utilize any provision of this section to annex a narrow corridor of land to gain access to noncontiguous tracts of land. The corridor of land must have a tangible value and purpose other than for enhancing future annexations of land by the city.

(i) No land shall be annexed pursuant to subsections (a)(1), (4), (5) and (6) without express consent of the board of county commissioners by resolution adopted within 30 days following the conclusion of the hearing on the proposed annexation as required by K.S.A. 12-520a, and amendments thereto.

Sec. 5. K.S.A. 12-520c is hereby amended to read as follows: 12-520c. (a) The governing body of any city may by ordinance annex land not adjoining the city if the following conditions exist:

1. The land is located within the same county as the city;
2. The owner or owners of the land petition for or consent in writing to the annexation of the land; and
3. The board of county commissioners of the county, by a decision of the members thereof, find and determine that the annexation of the land will not hinder or prevent the proper growth and development of the area or that of any other incorporated city located within the county.

(b) No land adjoining any land annexed by any city under the provisions of this section shall be deemed to be adjoining the city for the purpose of annexation under any other act or section of this act until the adjoining land or the land annexed under this section shall adjoin the remainder of the city by reason of the annexation of the intervening territory.

(c) Whenever the governing body of any city deems it advisable to annex land under the provisions of this section, the governing body shall by resolution request the board of county commissioners of the county to make a finding as required under subsection (a)(3) of this section. The city clerk shall file a certified copy of such the resolution with the board of county commissioners who shall, within thirty (30) days following the receipt thereof of the resolution, make findings and notify the governing body of the city of the board's decision. Such findings shall be spread at length upon the journal of proceedings of said board. The failure of such board to spread such findings upon the journal shall not invalidate the same.

Any owner or city aggrieved by the decision of the board of county commissioners may appeal from the decision of such board to the district court of the county in the manner and method set forth in K.S.A. 19-223, and amendments thereto. Any city so appealing shall not be required to execute the bond prescribed therein;";

Journal of the Senate

FIFTY-EIGHTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Tuesday, May 5, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 40 senators present.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, Our Creator and Sustainer, Under the dome of this building, in the House and here in the Senate, we have men and women struggling with the heavy responsibility of deciding what’s right for the citizens. We know that You’re here with us, in every room under this dome. We know because You promised in Matthew 28:20 and Hebrews 13:5 that You’d never leave us. But what we really need Lord, is the awareness of Your presence. Like that old dilapidated violin, we need a touch from the Master’s Hand. Like the old master tuning the instrument, tighten those of us who are too loose and loosen those of us who are too tight. Help each of us to get in tune and in harmony with Your purposes. Lord, supernaturally blend the hearts, intentions and decisions of these servants; so that many under this dome and across this state will be made aware that we have been touched by the Master’s Hand. Thank You Lord, that by faith, we can look forward to it. In Jesus name, so be it and Amen

The Pledge of Allegiance was led by President Susan Wagle.

EXPLANATION OF VOTE

Madam President: I vote "No" on HB 2005. To paraphrase concerns expressed in a recent editorial by a respected Kansas newspaper; this bill, in part, is "...about court funding and it risks both the balance of powers and the ability of the State's judiciary to function ..." autonomously of the Legislature's purse-strings. I respect and have sworn to uphold Kansas' and the United States', THREE branches of government as provided for in the Constitutions of both: Executive, Legislative and Judicial. Last year's (2014) bill began to tie judicial funding to policy initiatives when the Legislature (over my objection then too) took away the Supreme Court's power to appoint chief district judges or to then directly control their appropriations. This year, this bill (HB 2005)
apparently once again shows blatant disrespect for our State's Constitution. We should instead insure that the Judiciary has funding and independence. Accordingly, as the ranking member of Senate Judiciary, I vote "No" on HB 2005.—DAVID HALEY

S Sub HB 2095, AN ACT concerning retirement and pensions; relating to the Kansas public employees retirement system; employment after retirement; special provisions for certain retireants; certain duties of the joint committee on pensions, investments and benefits; amending K.S.A. 46-2201 and K.S.A. 2014 Supp. 74-4914 and 74-4937 and repealing the existing sections.

FIFTY-NINTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Wednesday, May 6, 2015, 10:00 a.m.

The Senate was called to order by Vice President Jeff King.
The roll was called with 37 senators present.
Senators Haley, Holland and LaTurner were excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, We’re in desperate need of profitability. Decisions need to be made that are cost-effective. You said through the prophet Haggai 2:8 that all the silver and gold is Yours and in James 1:17, You said all the good favors come down from You. So, Lord we’re asking for financial blessings for Kansas. But like Solomon, help us to prefer wisdom and understanding...to prefer the ability to see things from Your perspective before making decisions. When Solomon asked for that in 1 Kings 3:9, You answered his request for wisdom, and then in verse 13, blessed him with abundant wealth and honor. Lord, as vital as our need is for finances, would You regularly remind us to make the pursuit of Your wisdom and Your righteousness our priority? And remind us that we are then to trust You for the resources, because according to Psalm 50:10, every cow in Kansas belongs to You. In Jesus Name, Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Invocation by Reverend Cecil T. Washington:

Heavenly Father, On this National Day of Prayer, we know that everyone in the nation is not praying. Everyone in Kansas is not praying. Father, I would dare say that everyone under this dome is not really praying. Although it’s a national call, everyone is not heeding it. But since we’re in this thing together, help those of us who do pray to intercede in love for those of us who don’t. You said in James 5:16 that the effective prayer of a righteous person, one who truly prays, has the power to accomplish much. So Lord, we stand here today, in prayer for a world of people, including many loved ones, that don’t seem to be praying at all. We pray that Your saving grace will bring life to those who are spiritually dead, revive those who are lethargic and set on fire those who are frozen. Would You bring this nation…even this state to a turning point. Convict us of faulty ways. Convince us of true ways and Convert us to Your ways. Let the fragrance of our prayers be precious and pleasing to You, that the power of our prayers be unmistakable. In the name of Jesus, Amen and Amen

The Pledge of Allegiance was led by President Susan Wagle.

Sec. 7. K.S.A. 2014 Supp. 82a-1605 is hereby amended to read as follows: 82a-1605. (a) The state may participate with a sponsor in the development, construction or renovation of a class II multipurpose small lake project if the sponsor has a general plan which has been submitted to and approved by the chief engineer in the manner provided by K.S.A. 24-1213 and 24-1214, and amendments thereto. If the Kansas water office determines that additional public water supply storage shall be needed in that area of the state within 20 years from the time such project is to be completed and a water user is not available to finance public water supply storage, the state may include future use public water supply storage in the project. The Kansas water office shall apply for a water appropriation right sufficient to insure a dependable yield from public water supply storage. The Kansas water office shall be exempt from all applicable fees imposed pursuant to K.S.A. 82a-701 et seq., and amendments thereto, for such applications. The Kansas water office shall have authority to adopt rules and regulations relative to the inclusion of public water supply storage in proposed projects under this act and the disposition of state-owned water rights and associated public water supply storage space in such projects.

(b) In a class II project, the state may assume initial financial obligations for public water supply storage in watersheds by entering into long-term contracts with the federal government. In order to provide security to the federal government, the state may grant assignments of water rights, either appropriation rights or water reservation rights; assignments of rights under existing or prospective water purchase contracts; assignments, mortgages or other transfers of interests in real property held by the state and devoted to the specific small lake project for which security is sought; or may
provide other security that is permissible under state law and acceptable by the federal
government. Instead of contracting to repay costs under long-term contracts, the state
may pay all of the required costs of the public water supply storage in a lump sum.

(c) The sponsor of such class II project shall be responsible for acquiring land
rights and for the costs of operation and maintenance of such project. The state or
federal government may provide up to 50% of the engineering and construction costs
and up to 50% of the costs of land rights associated with recreation features. Subject to
the provisions of subsection (d), the state may pay up to 100% of the engineering and
construction costs of flood control and public water supply storage. All other costs of
such project, including land, construction, operation and maintenance shall be paid by
the sponsor.

(d) The state shall not participate in the costs of public water supply storage in a
renovation project unless the Kansas water office determines that renovation is the most
cost effective alternative for such storage. The state shall be authorized to pay only up
to 50% of the engineering and construction costs of public water supply storage in such
a renovation project.

(e) The Kansas water office may recover the state's costs incurred in providing
public water supply storage in such class II project, and interest on such costs, by
selling such storage and the associated water rights. Interest on such costs shall be
computed at a rate per annum which is equal to the greater of: (1) The average rate of
interest earned the past calendar year on repurchase agreements of less than 30 days' duration entered into by the pooled money investment board, less 5%; or (2) four percent equal to the average of the monthly net earnings rate for the pooled money investment portfolio for the preceding calendar year for each year of storage.

Sec. 8. K.S.A. 2014 Supp. 82a-1606 is hereby amended to read as follows: 82a-
1606. (a) The state may participate with a sponsor in the development, construction or
renovation of a class III multipurpose small lake project if the sponsor has a general
plan which has been submitted to and approved by the chief engineer in the manner
provided by K.S.A. 24-1213 and 24-1214, and amendments thereto. If public water
supply storage is included in the project, the sponsor of such class III project shall pay
for 100% of the costs associated with the public water supply storage portion of such
project unless the Kansas water office determines that additional public water supply
storage shall be needed in that area of the state within 20 years from the time such
project is to be completed and a sponsor is not available to finance 100% of the costs
associated with the public water supply storage, the state may participate in the future
use public water supply storage costs of the project. If the state participates in the public
water supply storage costs, the Kansas water office shall apply for a water appropriation
right sufficient to insure a dependable yield from public water supply storage. The
Kansas water office shall be exempt from all applicable fees imposed pursuant to
K.S.A. 82a-701 et seq., and amendments thereto, for such applications. The Kansas
water office shall have authority to adopt rules and regulations relative to the inclusion
of public water supply storage in proposed projects under this act and the disposition of
state-owned water rights and associated public water supply storage space in such
projects.

(b) The sponsor of such class III project shall be responsible for acquiring land
rights and for the costs of operation and maintenance of the project. The state may
provide up to 50% of the engineering and construction costs and up to 50% of the costs
of land rights associated with recreation features. Subject to the provisions of subsection (c), the state may pay up to 100% of the engineering and construction costs of flood control storage and public water supply storage. All other costs of such project, including land, construction, operation and maintenance, shall be paid by the sponsor.

(c) The state shall not participate in the costs of public water supply storage in a renovation project unless the Kansas water office determines that renovation is the most cost effective alternative for such storage. The state shall be authorized to pay only up to 50% of the engineering and construction costs of public water supply storage in such a renovation project.

(d) The Kansas water office may recover the state's costs incurred in providing public water supply storage in such class III project, and interest on such costs, by selling such storage and the associated water rights. Interest on such costs shall be computed at a rate per annum which is equal to the greater of: (1) The average rate of interest earned the past calendar year on repurchase agreements of less than 30 days' duration entered into by the pooled money investment board; less 5%; or (2) four percent equal to the average of the monthly net earnings rate for the pooled money investment portfolio for the preceding calendar year for each year of storage."

On page 1, by striking all in lines 6 through 36;
On page 2, by striking all in lines 1 through 8 and inserting:
"New Section 1. (a) The attorney general may determine by a preponderance of the evidence after an investigation that a public agency has violated K.S.A. 45-215 et seq., and amendments thereto, and may, at any time prior to the filing of an action pursuant to K.S.A. 45-222, and amendments thereto, either enter into a consent order with the public agency or issue a finding of violation to the public agency.

(1) If the attorney general enters into a consent order with the public agency, the consent order:

(A) May contain admissions of fact and any or all of the following:
   (i) Require completion of training approved by the attorney general concerning the requirements of K.S.A. 45-215 et seq., and amendments thereto;
   (ii) impose a civil penalty as provided for in K.S.A. 45-223, and amendments thereto, in an amount not to exceed $250 for each violation; and
   (iii) set forth the public agency's agreement that it will comply with the requirements of the open records act, K.S.A. 45-215 et seq., and amendments thereto; and

(B) shall bear the signature of the head of the public agency, of any officer found to have violated the provisions of K.S.A. 45-215 et seq., and amendments thereto, and of any other person required by the attorney general. If the public agency is a governing body, all of the members of the governing body shall sign the consent order.

(2) If the attorney general issues a finding of violation to the public agency, the finding may contain findings of fact and conclusions of law and require the public agency to do any or all of the following:

(A) Cease and desist from further violation;

(B) comply with the provisions of K.S.A. 45-215 et seq., and amendments thereto;

(C) complete training approved by the attorney general concerning the requirements of K.S.A. 45-215 et seq., and amendments thereto; and

(D) pay a civil penalty as provided for in K.S.A. 45-223, and amendments thereto, in an amount not to exceed $500 for each violation.

(b) The attorney general may require submission of proof that requirements of any consent order entered pursuant to subsection (a)(1) or any finding of violation issued pursuant to subsection (a)(2) have been satisfied.

(c) (1) The attorney general may apply to the district court to enforce a consent order pursuant to subsection (a)(1) or finding of violation pursuant to subsection (a)(2). Prior to applying to the district court, the attorney general shall make a demand to the public agency to comply with the consent order or finding of violation and afford reasonable opportunity for the public agency to cure the violation.

(2) An enforcement action under this section may be filed in the district court of the county where the consent order or finding of violation is issued or is effective. The district court of any county shall have jurisdiction to enforce any consent order or finding of violation.

(3) In any enforcement action under this section, the court on its own motion, or on the motion of either party, may view the records in controversy in camera before reaching a decision.

(4) If the district court finds the attorney general did not abuse the attorney general's discretion in entering into the consent order or issuing the finding of violation, the district court shall enter an order that:
(A) Enjoins the public agency to comply with the consent order or finding of violation;

(B) imposes a civil penalty as provided for in K.S.A. 45-223, and amendments thereto. The penalty shall be set by the court in an amount not less than the amount ordered by the attorney general, nor more than $500 for each violation;

(C) requires the public agency to pay the attorney general's court costs and costs incurred in investigating the violation; and

(D) provides for any other remedy authorized by K.S.A. 45-222(a), and amendments thereto, that the court deems appropriate.

(A) Except as provided in subsection (c)(5)(B), may require the public agency to pay the attorney general's reasonable attorney fees; and

Lord, You said in James 1:5, that if any of us was in need of wisdom, we’d receive it in plentiful supply, if we asked You for it. Lord, while we’re searching and researching, trying to find the wisest answers to our questions, and solutions for our problems, remind us that You are our number one resource. Remind us to pray. And when the day comes that our work down here is done…when instead of gathering behind these desks, we gather around Your throne…when the Lamb’s Book of eternal life, in Revelations 21:27, is opened and that final roll call is taken, we’ll look to You, to declare our presence. in the Name of Jesus, the Lamb that was slain. Invocation by Reverend Cecil T. Washington:

Dear Lord, I often wonder the validity, when we call You Lord. The question You raised in Luke 6:46-49, was how could someone call You Lord and not do what You say? Help us by the guidance of Your Holy Word and the leading of Your Holy Spirit, first, to KNOW what You say. Then Lord, inspire us with the determination to DO what You say. We want the decisions arising from these halls to be demonstrations of our obedience to You. You said calling You Lord without obeying You was foolish and would demonstrate we were building on an inadequate foundation. In Matthew 22:36-40, You gave us the greatest of all laws; to love You with everything we have. And the second, was to love one another. You then summed it up by saying all the laws hung on those two. Again, Lord, please let all the decisions…all the laws arising from this place, reflect the validity of our obedience to Your Lordship. In the Name of Him, in Whom I stand, Jesus the Christ. Amen

The Pledge of Allegiance was led by Vice President Jeff King.

Heavenly Father, On the fourth day of creation, in Genesis 1:16, You created the sun, the larger light to rule and govern the day; then the moon, the lesser light to rule and govern the night. Lord, when considering the brilliance of a moonlit night, it’s amazing to realize that the moon is governing the night but with no light of its own, that it’s receiving and then reflecting the light of the sun. Lord, help us to remember, that in a like manner, we have no light of our own. When people consider the brilliance of some of our work, give us the humility to deflect the praise and point them to You. As we work together throughout these halls, remind all of us, the Senators and the supporting staff, that we have no light of our own. Keep us humbly seeking to receive light from You and be a reflection of that to others. Let all of the good that is accomplished here in governing be an echo of Your goodness, Your unifying love, Your empathy, Your compassion and Your wisdom. As the moon could produce no light apart from the sun keep us determined to never be apart from You, but to dwell with You forever. In Jesus name. Amen and Amen

official primary election ballot for national and state offices and the official primary election ballot for county and township offices of each political party shall be arranged on the ballot, printed, voted, and canvassed in the same manner as is now or hereafter provided by law for the arrangement, printing, voting, and canvassing of official general ballots for national and state offices and official general ballots for county and township offices, except as otherwise provided by law.

(b) The official primary election ballot for municipal elections in odd-numbered years shall be arranged and printed by the county election officer.

Sec. 32. K.S.A. 25-212 is hereby amended to read as follows: 25-212. (a) In case there are nomination petitions or declarations of intention to become a candidate on file for more than one candidate or for more than one pair of candidates for governor and lieutenant governor, of the same party for any national or state office, the secretary of state shall divide the state or appropriate part thereof, into as many divisions as there are names to go on such party ballot for that office. Such divisions shall be as nearly equal in number of members of such party as is convenient without dividing any one county. In making such division the secretary of state shall take the alphabetical list of counties in regular order until the secretary of state gets the required proportion of party members of such party based upon the party affiliation lists as shown by the certificates of the respective county election officers, and so on through the list of counties until the secretary of state gets the proper proportion of party members in each division. The secretary of state shall also take the alphabetical list of candidates or pairs of candidates in regular order and in certifying to the county election officer the list of names for whom nomination petitions or declarations of intent to become a candidate have been filed, shall place one name or pair of candidates at the head of the list in the first division of counties, another in the second division, and so on with all the candidates for any particular office, so that every candidate or pair of candidates for any office shall be at the head of the list in one division of the state and second in another division thereof, and so forth. When, in the case of candidates for the office of congressman, district judge, district magistrate judge, state senator, state representative or state board of education member, the secretary of state finds that the secretary of state cannot get a fair proportion of party members to give each candidate for congressman, district judge, district magistrate judge, state senator, state representative or state board of education member in any given district an equitable or fair opportunity to have the candidate's name first on the ballot in the respective counties of the district, the secretary of state shall order the county election officers in the various counties of the district to rotate the names of the candidates for such district offices according to precinct. If voting machines are used the arrangement of names of candidates or pair of candidates for all offices on the voting machines shall be rotated, as near as may be, according to precinct.

The arrangement of the names certified by the secretary of state shall govern the county election officer in arranging the primary election ballot, and the county election officer in preparing the ballot for such officer's county shall follow the same arrangement as provided in this section for the secretary of state, for the candidates nominated for county offices, using the township and precincts of the county in making the division.

(b) The secretary of state by rules and regulations adopted on or before July 1, 2016, shall establish the arrangement of names as provided by law for the official primary ballot for municipal elections.
Sec. 33. K.S.A. 2014 Supp. 25-213 is hereby amended to read as follows: 25-213.
(a) At all national and state primary elections, the national and state offices as specified
for each in this section shall be printed upon the official primary election ballot for
national and state offices and the county and township offices as specified for each in
this section shall be printed upon the official primary election ballot for county and
township offices.
(b) The official primary election ballots shall have the following heading:

ballots may be printed in one or more columns. The names certified by the secretary of
state or county election officer shall be printed on official primary election ballots and
no others. In case there are no nomination petitions or declarations on file for any
particular office, the title to the office shall be printed on the ballot followed by a blank
line with a square, and such title, followed by a blank line, may be printed in the list of
candidates published in the official paper. No blank line shall be printed following any
office where there are nomination petitions or declarations on file for the office except
following the offices of precinct committeeman and precinct committeewoman.

(c) Except as otherwise provided in this section, no person's name shall be printed
more than once on either the official primary election ballot for national and state
offices or the official primary election ballot for county and township offices. No name
that is printed on the official primary election ballot as a candidate of a political party
shall be printed or written in as a candidate for any office on the official primary
election ballot of any other political party. If a person is a candidate for the unexpired
term for an office, the person's name may be printed on the same ballot as a candidate
for the next regular term for such office. The name of any candidate on the ballot may
be printed on the same ballot as such candidate and also as a candidate for precinct committeeman or committeewoman. No name that is printed on the official primary election ballot for national and state offices shall be printed or written in elsewhere on such ballot or on the official primary election ballot for county and township offices except for precinct committeeman or committeewoman. No name that is printed on the official primary election ballot for county and township offices shall be printed or written in on the official primary election ballot for national and state offices or elsewhere on such county and township ballot except for precinct committeeman or committeewoman.

(d) No person shall be elected to the office of precinct committeeman or precinct committeewoman where no nomination petitions or declarations have been filed, unless the person receives at least five write-in votes. As a result of a primary election, no person shall receive the nomination and no person's name shall be printed on the official general election ballot when no nomination petitions or declarations were filed, unless the person receives votes equal in number to not less than 5% of the total of the current voter registration designated in the state, county or district in which the office is sought, as compiled by the office of the secretary of state, except that a candidate for township office may receive the nomination and have such person's name printed on the ballot where no nomination petitions or declarations have been filed if such candidate receives three or more write-in votes. No such person shall be required to obtain more than 5,000 votes.

(e) The secretary of state by rules and regulations shall develop the official ballot for municipal elections in odd-numbered year elections.

Sec. 34. K.S.A. 25-610 is hereby amended to read as follows: 25-610. (a) The secretary of state shall furnish to each county election officer forms for ballots in their respective counties. The secretary of state shall prepare a rotation of the different candidates appearing on the official general ballot for the national and state offices for each such office. Such rotation shall be developed and arranged so that each candidate shall have an equal opportunity as near as practicable for the respective offices to which they are nominated. In case there is more than one candidate for any national or state office, the secretary of state shall divide the state or part thereof, into as many divisions as there are names to go on the ballot for each particular office. In making such division the secretary of state shall divide, in regular order, the alphabetical list of counties into the required number of divisions, in such a manner that all divisions are as nearly equal as convenient in the number of registered voters in such division as compiled by the office of the secretary of state. The secretary of state, in certifying the list of names of candidates to the county election officers, shall assign, in regular order from the alphabetical list of candidates for each office, the ballot position for each candidate in such a manner that every candidate for any office shall occupy a different ballot position in each division. When, in the case of candidates for national or state offices elected on less than a statewide basis, the secretary of state finds it impossible to make a division which allows each such candidate in any given district an equitable or fair opportunity to have such candidate's name first on the ballot in the respective counties of the district, the secretary of state shall order the county election officers in the various counties of the district to rotate the names of the candidates for such district offices according to precinct to obtain an equitable division. The names of candidates for the same office but for different terms of service therein shall be arranged in groups
according to the length of their respective terms.

In the case of the governor and lieutenant governor running together, when the word "candidate" is used in this section, it shall mean pair of candidates.

(b) The secretary of state shall establish the general election ballot styles for general elections in odd-numbered year elections for municipalities by rules and regulations adopted on or before July 1, 2016.

Sec. 35. K.S.A. 2014 Supp. 25-611 is hereby amended to read as follows: 25-611.

(a) The official general ballot for county and township offices may be separate from the official general ballot for national and state offices or may be combined with the official general ballot provided for in K.S.A. 25-601, and amendments thereto. Sec. 7. K.S.A. 2014 Supp. 21-6815 is hereby amended to read as follows: 21-6815.

(a) Except as provided in subsection (b), the sentencing judge shall impose the presumptive sentence provided by the sentencing guidelines unless the judge finds substantial and compelling reasons to impose a departure sentence. If the sentencing judge departs from the presumptive sentence, the judge shall state on the record at the time of sentencing the substantial and compelling reasons for the departure.

(b) Subject to the provisions of subsection (b) of K.S.A. 2014 Supp. 21-6817(b), and amendments thereto, any fact that would increase the penalty for a crime beyond the statutory maximum, other than a prior conviction, shall be submitted to a jury and proved beyond a reasonable doubt.

(c) (1) Subject to the provisions of subsections (c)(3) and (e), the following nonexclusive list of mitigating factors may be considered in determining whether substantial and compelling reasons for a departure exist:

   (A) The victim was an aggressor or participant in the criminal conduct associated with the crime of conviction.
   (B) The offender played a minor or passive role in the crime or participated under
circumstances of duress or compulsion. This factor may be considered when it is not sufficient as a complete defense.

(C) The offender, because of physical or mental impairment, lacked substantial capacity for judgment when the offense was committed. The voluntary use of intoxicants, drugs or alcohol does not fall within the purview of this factor.

(D) The defendant, or the defendant's children, suffered a continuing pattern of physical or sexual abuse by the victim of the offense and the offense is a response to that abuse.

(E) The degree of harm or loss attributed to the current crime of conviction was significantly less than typical for such an offense.

(F) The offender committed such crime as a result of an injury, including major depressive disorder, polytrauma, post-traumatic stress disorder or traumatic brain injury, connected to service in a combat zone, as defined in subsection (c)(3), of the federal internal revenue code of 1986, in the armed forces of the United States of America. As used in this subsection, "major depressive disorder," "polytrauma," "post-traumatic stress disorder" and "traumatic brain injury" shall mean the same as such terms are defined in K.S.A. 2014 Supp. 21-6630, and amendments thereto.

(2) Subject to the provisions of subsection (c)(3), the following nonexclusive list of aggravating factors may be considered in determining whether substantial and compelling reasons for departure exist:

(A) The victim was particularly vulnerable due to age, infirmity, or reduced physical or mental capacity which was known or should have been known to the offender.

(B) The defendant's conduct during the commission of the current offense manifested excessive brutality to the victim in a manner not normally present in that offense.

(C) The offense was motivated entirely or in part by the race, color, religion, ethnicity, national origin or sexual orientation of the victim or the offense was motivated by the defendant's belief or perception, entirely or in part, of the race, color, religion, ethnicity, national origin or sexual orientation of the victim whether or not the defendant's belief or perception was correct.

(D) The offense involved a fiduciary relationship which existed between the defendant and the victim.

(E) The defendant, 18 or more years of age, employed, hired, used, persuaded, induced, enticed or coerced any individual under 16 years of age to:

(i) Commit any person felony;

(ii) assist in avoiding detection or apprehension for commission of any person felony; or

(iii) attempt, conspire or solicit, as defined in K.S.A. 2014 Supp. 21-5301, 21-5302 and 21-5303, and amendments thereto, to commit any person felony.

That the defendant did not know the age of the individual under 16 years of age shall not be a consideration.

(i) "Crime of extreme sexual violence" is a felony limited to the following:

(a) A crime involving a nonconsensual act of sexual intercourse or sodomy with any person;
(b) a crime involving an act of sexual intercourse, sodomy or lewd fondling and touching with any child who is 14 or more years of age but less than 16 years of age and with whom a relationship has been established or promoted for the primary purpose of victimization;

e) commercial sexual exploitation of a child, as defined in K.S.A. 2014 Supp. 21-6422, and amendments thereto, if the victim is less than 14 years of age.

(ii) "Predatory sex offender" is an offender who has been convicted of a crime of extreme sexual violence as the current crime of conviction and who:

(a) Has one or more prior convictions of any crimes of extreme sexual violence. Any prior conviction used to establish the defendant as a predatory sex offender pursuant to this subsection shall also be counted in determining the criminal history category; or

(b) suffers from a mental condition or personality disorder which makes the offender likely to engage in additional acts constituting crimes of extreme sexual violence.

(iii) "Mental condition or personality disorder" means an emotional, mental or physical illness, disease, abnormality, disorder, pathology or condition which motivates the person, affects the predisposition or desires of the person, or interferes with the capacity of the person to control impulses to commit crimes of extreme sexual violence.

(G) The defendant was incarcerated during the commission of the offense.

(H) The crime involved two or more participants in the criminal conduct, and the defendant played a major role in the crime as the organizer, leader, recruiter, manager or supervisor.

In determining whether aggravating factors exist as provided in this section, the court shall review the victim impact statement.

(3) If a factual aspect of a crime is a statutory element of the crime or is used to subclassify the crime on the crime severity scale, that aspect of the current crime of conviction may be used as an aggravating or mitigating factor only if the criminal conduct constituting that aspect of the current crime of conviction is significantly different from the usual criminal conduct captured by the aspect of the crime.

(d) In determining aggravating or mitigating circumstances, the court shall consider:

(1) Any evidence received during the proceeding;

(2) the presentence report;

(3) written briefs and oral arguments of either the state or counsel for the defendant; and

(4) any other evidence relevant to such aggravating or mitigating circumstances that the court finds trustworthy and reliable.

e) Upon motion of the prosecutor stating that the defendant has provided substantial assistance in the investigation or prosecution of another person who is alleged to have committed an offense, the court may consider such mitigation in determining whether substantial and compelling reasons for a departure exist. In considering this mitigating factor, the court may consider the following:
(1) The court's evaluation of the significance and usefulness of the defendant's assistance, taking into consideration the prosecutor's evaluation of the assistance rendered;
(2) the truthfulness, completeness and reliability of any information or testimony provided by the defendant;
(3) the nature and extent of the defendant's assistance;
(4) any injury suffered, or any danger or risk of injury to the defendant or the defendant's family resulting from such assistance; and

(1) The nature of the crime charged and the circumstances surrounding it;
(2) any special characteristics or circumstances of the defendant;

(4) whether there is a probability that the defendant will cooperate with and benefit from diversion;
(5) whether the available diversion program is appropriate to the needs of the defendant;

(7) if subsection (a)(6) applies to the defendant, whether there is a probability that the defendant will cooperate with and benefit from inpatient or outpatient treatment from any treatment facility or program operated by the United States department of defense, the United States department of veterans affairs or the Kansas national guard with the consent of the defendant, as a condition of diversion;
(8) the impact of the diversion of the defendant upon the community;
(9) recommendations, if any, of the involved law enforcement agency;
(10) recommendations, if any, of the victim;
(11) provisions for restitution; and
(12) any mitigating circumstances.
(b) A county or district attorney shall not enter into a diversion agreement in lieu of further criminal proceedings on a complaint if:
(1) The complaint alleges a violation of K.S.A. 8-1567 or K.S.A. 2014 Supp. 8-1025, and amendments thereto, and the defendant: (A) Has previously participated in diversion upon a complaint alleging a violation of that statute or an ordinance of a city in this state which prohibits the acts prohibited by that statute; (B) has previously been convicted of or pleaded nolo contendere to a violation of that statute or a violation of a law of another state or of a political subdivision of this or any other state, which law prohibits the acts prohibited by that statute; or (C) during the time of the alleged violation was involved in a motor vehicle accident or collision resulting in personal

SIXTY-FIFTH DAY

SENATE CHAMBER, TOPEKA, KANSAS
Thursday, May 14, 2015, 10:00 a.m.

The Senate was called to order by President Susan Wagle.
The roll was called with 38 senators present.
Senators Haley and Hawk were excused.
Invocation by Reverend Cecil T. Washington:

Heavenly Father, The days here are winding down. The clock is ticking while Your Word in Ephesians 5:16 and Colossians 4:5, talks to us about time; not so much about calendar time that is continuously being measured as it passes and expires, but more so about the use of time and the importance of how it is used. You have admonished each of us, to use for Your purposes, the particular period of time that You have allotted. You’ve set limits to our existence. Time is short. And the opportunity for service exists only within those limits. While we cannot control the continuous passing of time, You’ve cautioned us to be good stewards over the time that we’ve been given. Lord, I’m reminded of little Johnny. When his mother’s repeated calls reached that stern authoritative pitch, Johnny, who was outside playing with his friends, said, “Gotta Go Now!” One day, we’ll hear that authoritative call from You. And the word to our friends will be, “Gotta Go Now!” But you’ve put the awareness of eternity in our hearts (Ecclesiastes 3:11). So help us make good investments during the time we have and reap benefits in eternity. When the time of our stewardship has concluded and the work on this side is done, let us hear those precious words from You, in Matthew 25:21, “Servant, well done.” I come to You in the precious name of Jesus. Amen and Amen

The Pledge of Allegiance was led by President Susan Wagle.

Senator McGinn rose on a Point of Personal Privilege to introduce her administrative assistant, Rita Hamman, who is retiring after 15 years of legislative service. She thanked Rita for all her years of professional service to the State of Kansas.
Senators honored Rita with a standing ovation.

SENATE RESOLUTION No. 1748—

A RESOLUTION congratulating and commending Dr. Brenda S. Dietrich for her more than 40 years of dedicated service in education upon her retirement from Auburn-Washburn school district in 2015.

WHEREAS, Auburn-Washburn Superintendent Dr. Brenda S. Dietrich is to retire at the end of the 2014-2015 school year, after more than 40 years of dedicated service in education; and

WHEREAS, Dr. Dietrich has served the Auburn-Washburn school district for 14 years. One of her first tasks as superintendent was to implement Shawnee County's first district-wide full-day kindergarten program. The program was made possible when patrons approved classroom expansion in a 2000 bond election; and

WHEREAS, The Auburn-Washburn school district has seen steady growth from 5,072 students in 2001 to an anticipated enrollment of around 6,100 this upcoming school year. Dr. Dietrich oversees a $45 million operating budget with approximately 1,000 employees. Auburn-Washburn is the second largest district in Shawnee County and the 15th largest in Kansas; and

WHEREAS, During Dr. Dietrich's tenure in the Auburn-Washburn school district, test scores have risen steadily despite fluctuating changes in state aid. The district met such challenges prudently and continued to make improvements in all aspects of educational and extra-curricular opportunities for students; and

WHEREAS, Programs that have been added since Dr. Dietrich took her position as superintendent of Auburn-Washburn back in 2001 include full-day kindergarten, expansion of elementary art, Mandarin Chinese, international baccalaureate diploma program, Air Force JROTC program, AB/BC calculus, AP chemistry, and Tallgrass Student Learning Center, all of which serve to keep Auburn-Washburn students achieving at the highest levels; and

WHEREAS, In 2007, Dr. Dietrich led the district through a successful $67.95 million bond campaign and redistricting of four elementary school boundaries. The bond allowed for the construction of Farley Elementary School, Topeka's first new school in 20 years. In addition, Washburn Rural Middle School and Washburn Rural High School received substantial expansion and remodeling. All elementary schools were expanded and remodeled as well, with many safety, security and technology improvements; and
WHEREAS, Dr. Dietrich graduated from McPherson High School and received her Bachelor of Science Degree in Elementary Education from Kansas State University in 1975. She also has an M.A. and Ph.D. in Education Administration from the University of Missouri. Dr. Dietrich taught for nine years before becoming an administrator and is now in her 40th year in education. Prior to leading Auburn-Washburn, she was Superintendent of Schools for five years in the Hampden-Wilbraham Regional School District in Wilbraham, Massachusetts; and

WHEREAS, Dr. Dietrich was named the 2007 Kansas Superintendent of the Year by the Kansas School Superintendents Association and was one of four finalists for National Superintendent of the Year; and

WHEREAS, Dr. Dietrich is actively engaged in professional activities throughout the community and state.
