

STATE OF KANSAS

SENATE CHAMBER

MADAM PRESIDENT:

I move to amend **Senate Substitute for HB 2258**, on page 12, in line 28, after "(12)" by inserting "Non-cooperation with TANF work programs or with child support services may include the refusal of an applicant or recipient who has a current address, current working telephone number or current working email address to provide contact information to the department if a request by the department for such contact information is made personally to such applicant or recipient and received by such applicant or recipient. Non-cooperation with TANF work programs or with child support services shall not include the failure of an applicant or recipient to maintain a telephone number or email address or the failure by an applicant or recipient to update current address, telephone number or email address information with the department for children and families. Non-cooperation shall not include a failure of communication between the department and the applicant or recipient due to the return of mail to the department as undeliverable, disconnection of a telephone number, failure to respond to a telephone voice message or a failure to respond to an email unless there is specific intent by the applicant or recipient to avoid communication with the department.

(13)";

And by redesignating subsections, paragraphs, subparagraphs and clauses accordingly
