The Honorable Steve Huebert, Chairperson  
House Committee on Local Government  
Statehouse, Room 149-S  
Topeka, Kansas 66612

Dear Representative Huebert:

**SUBJECT:** Fiscal Note for HB 2539 by House Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2539 is respectfully submitted to your committee.

HB 2539 would give boards of county commissioners all the powers granted in K.S.A. 12-1750 through 12-1756. The boards would be allowed to repair or remove structures located within the unincorporated area of the county.

The Kansas Association of Counties indicates that current statute would allow the county to receive payment for the costs associated with the removal or repair of the structure. HB 2539 would have a fiscal effect depending on how the cost associated with the removal and repair of the structure was repaid. Because of this, the fiscal effect cannot be estimated.

Sincerely,

Shawn Sullivan,  
Director of the Budget
