

February 6, 2015

The Honorable Larry Powell, Chairperson
Senate Committee on Natural Resources
Statehouse, Room 237-E
Topeka, Kansas 66612

Dear Senator Powell:

SUBJECT: Fiscal Note for SB 124 by Senate Committee on Natural Resources

In accordance with KSA 75-3715a, the following fiscal note concerning SB 124 is respectfully submitted to your committee.

SB 124 would eliminate the sunset date of July 1, 2015 for the land-spreading program managed jointly by the Kansas Department of Health and Environment and the Kansas Corporation Commission. The program provides for the land-spreading of oil and gas drilling waste.

Both the Kansas Corporation Commission and the Kansas Department of Health and Environment indicate that passage of the bill would have no fiscal effect on agency operations.

Sincerely,

Shawn Sullivan,
Director of the Budget
