

March 4, 2015

The Honorable Rob Olson, Chairperson
Senate Committee on Utilities
Statehouse, Room 236-E
Topeka, Kansas 66612

Dear Senator Olson:

SUBJECT: Fiscal Note for SB 253 by Senate Committee on Federal and State Affairs

In accordance with KSA 75-3715a, the following fiscal note concerning SB 253 is respectfully submitted to your committee.

SB 253 would amend current law to create a January 1, 2016 sunset for the Renewable Energy Standards Act. The bill would also delete all references to net renewable generation capacity for calendar years 2016 through 2020.

The League of Kansas Municipalities indicates that it is not possible to estimate the fiscal effect of the bill on Kansas cities. Passage of the bill would have no fiscal effect for the Kansas Corporation Commission.

Sincerely,

Shawn Sullivan,
Director of the Budget
