The Honorable Jeff Longbine, Chairperson  
Senate Committee on Financial Institutions and Insurance  
Statehouse, Room 235-E  
Topeka, Kansas 66612

Dear Senator Longbine:

**SUBJECT:** Fiscal Note for SB 303 by Senate Committee on Ways and Means

In accordance with KSA 75-3715a, the following fiscal note concerning SB 303 is respectfully submitted to your committee.

Under the provisions of SB 303 coverage for autism spectrum disorder would not be required in qualified health plans.

The Kansas Insurance Department indicates that the state would face some liability for this coverage if SB 303 is not enacted. It is not possible at this time to make an exact fiscal estimate because of the many variables that would affect the liability.

Sincerely,

Shawn Sullivan,  
Director of the Budget
