AN ACT concerning the attorney general; relating to duties to investigate and prosecute; law enforcement officers.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) (1) The attorney general shall investigate every death of a person caused by a law enforcement officer engaged in the officer's duties, regardless of whether the person was in detention at the time of the action that resulted in the person's death.

(2) An investigation conducted pursuant to this section shall be a full, reasoned and independent investigation, including the following:

(A) Gathering and analyzing evidence;

(B) conducting witness interviews; and

(C) reviewing investigative reports, scientific evidence and audio and video recordings.

(3) The attorney general shall have exclusive supervision and control of all investigations conducted pursuant to this section. In conducting an investigation, the attorney general has all rights, privileges, powers and duties of a prosecuting attorney, including, but not limited to, the power to issue subpoenas, compel the attendance of witnesses, and compel the production of records and papers that are relevant to the investigation.

(b) When the attorney general believes, as a result of an investigation conducted pursuant to this section, that a prosecution is appropriate, the attorney general shall refer the evidence to a grand jury pursuant to K.S.A. 22-3001, and amendments thereto. The attorney general shall have and may exercise all rights, privileges and power of a prosecutor in such case.

(c) If an indictment is returned by a grand jury, the attorney general shall have sole responsibility to prosecute the case. When prosecuting a case pursuant to this section, the attorney general shall have all rights, privileges, duties and powers of a prosecutor.

(2) The report shall include an explanation of the outcome of the
investigation and any resulting recommendations for systematic reform.
Sec. 2. The attorney general shall collect and record data on each
incident that results in a person being injured or killed by a law
enforcement officer. The attorney general shall report the data collected
pursuant to this section by December 31 of each year to the governor, the
president of the senate and the speaker of the house of representatives. The
attorney general shall also publish such data on the official website of the
attorney general by December 31 of each year.
Sec. 3. This act shall take effect and be in force from and after its
publication in the statute book.
