Session of 2016

HOUSE BILL No. 2701

By Committee on Taxation

2-12

AN ACT concerning property taxation; relating to oil and gas leases or
properties; determination of value of production, evidence; amending
K.S.A. 2015 Supp. 79-331 and repealing the existing section.

4 5

Be it enacted by the Legislature of the State of Kansas:

6 Section 1. K.S.A. 2015 Supp. 79-331 is hereby amended to read as 7 follows: 79-331. (a) Except as otherwise provided in subsection (b) of this 8 section, in determining the value of oil and gas leases or properties the 9 appraiser shall take into consideration the age of the wells, the quality of 10 oil or gas being produced therefrom, the nearness of the wells to market, 11 the cost of operation, the character, extent and permanency of the market, 12 the probable life of the wells, the quantity of oil or gas produced from the 13 lease or property, the number of wells being operated, and such other facts 14 as may be known by the appraiser to affect the value of the lease or property. 15

16 Whenever a change in any of the factors or figures used in determining 17 the $\frac{8}{8}$ ^{ths} valuation of the production for any oil or gas lease or property is 18 made pursuant to the tax equalization, tax protest or tax grievance 19 proceedings, such change shall apply to the working interest, royalty 20 interest, overriding royalty interest and production payments and, if 21 applicable, a refund of taxes shall be made in the manner prescribed by 22 subsection (1)(1) of K.S.A. 79-2005(1)(1), and amendments thereto.

23 (b) The valuation of the working interest and royalty interest, except 24 valuation of equipment, of any original base lease or property producing 25 oil or gas for the first time in economic quantities on and after July 1 of the 26 calendar year preceding the year in which such property is first assessed 27 shall be determined for the year in which such property is first assessed by 28 determining the quantity of oil or gas such property would have produced 29 during the entire year preceding the year in which such property is first 30 assessed upon the basis of the actual production in such year and by 31 multiplying the income and expenses that would have been attributable to 32 such property at such production level, excluding equipment valuation 33 thereof, if it had actually produced said entire year preceding the year in 34 which such property is first assessed by 60%.

(c) The provisions of subsection (b) of this section shall not apply in
the case of any production from any direct offset well or any subsequent

1 well on the same lease.

2 (d) (1) In order to clarify and express the intent of the legislature 3 regarding the methodology utilized in the determination of fair market 4 value of producing oil and gas leases for property tax purposes, it is hereby 5 declared that the primary and predominant consideration in such 6 determination is, has been and shall be the actual value of oil and gas 7 production severed from the earth.

8 (2) Information used to establish the fair market value of producing 9 oil and gas leases shall be limited to any information regarding 10 production prior to April 1 of the calendar year in which such property is 11 assessed.

(e) The provisions of this act shall apply to all tax years commencingon and after December 31, 2003.

14

Sec. 2. K.S.A. 2015 Supp. 79-331 is hereby repealed.

15 Sec. 3. This act shall take effect and be in force from and after its 16 publication in the statute book.
