

2016 Kansas Statutes

2-508. Marking of plots; data and statistics. That it may be known what is planted, methods used and results, each plot or planting shall be plainly and legibly marked for information of visitors to the farm, and the representatives of the board of regents, the superintendents of said farms shall furnish data for a brief printed summary, giving the results in amounts and values at usual market prices, to the county clerk by December 1 of each year, who shall have same printed and give through the county treasurer a copy of the same to each taxpayer with the taxpayer's tax receipt, and to others on request, and to publish same in the official paper of the county.

History: L. 1909, ch. 223, § 5; March 5; R.S. 1923, § 2-508.
