

2016 Kansas Statutes

8-270. Effect of noncompliance. The operation of a vehicle in this state without complying with the provisions of this act shall not be considered as operating the same unlawfully or in violation of law so as to affect the validity of any contract or policy of liability insurance or indemnity against liability for personal injuries or damages to property, or fire, theft or collision insurance carried on such vehicle.

History: L. 1937, ch. 73, § 37; July 1.
