

2016 Kansas Statutes

20-347. Location of courthouses; chief judge's duties. The chief judge in each judicial district, with the approval of the supreme court, may provide for holding court in locations within such judicial district, other than in the courthouses of the several counties within such district, whenever suitable facilities are available for such purpose.

History: L. 1976, ch. 146, § 39; L. 1999, ch. 57, § 21; July 1.
