

2016 Kansas Statutes

25-2601. Application of 1968 act. The provisions of this act shall apply to all national, state, county, township, city and school elections, both primary and general. Provisions of this act, which from their context are plainly applicable only to partisan election shall not apply to city and school elections, nor to question submitted elections, nor to any other election provided by law to be nonpartisan or which from the law providing therefor are clearly intended to be nonpartisan. The provisions of this act shall apply to question submitted elections held on the same date as any national and state primary or general election, or on the same date as any city or school primary or general election. Except as provided above, the provisions of this act shall apply to all elections of public special districts for which it is provided by law that the county election officer, county clerk or election commissioner is to conduct the elections, to the extent that the same can be made applicable, unless contrary provision is specifically made by law.
