

2016 Kansas Statutes

40-4604. Same; medically appropriate health care information; advocating on behalf of insured. No health insurer shall prohibit or restrict any participating provider from discussing with or disclosing to any insured or other individual any medically appropriate health care information that such provider deems appropriate regarding the nature of treatment options, the risks or alternatives thereto, the process used or the decision made by such insurer to approve or deny health care services, the availability of alternate therapies, consultations, or tests, or from advocating on behalf of the insured within the utilization review or grievance processes established by the health insurer.

History: L. 1997, ch. 190, § 19; July 1.
