

2016 Kansas Statutes

75-411. Reports to governor or legislature; access to office by governor or committee. He or she shall make report and give information to the governor, or either branch of the legislature, respecting all matters referred to him or her by the governor, or either house of the legislature, when required; and the governor, or a committee of either or both houses of the legislature, shall have free access to his or her office for the inspection and examination of all books, papers, records and proceedings.

History: L. 1879, ch. 166, § 31; March 20; R.S. 1923, 75-411.
