

Journal of the House

TWENTY-EIGHTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, February 15, 2018, 11:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 122 members present.
Reps. Elliott and Neighbor were excused on verified illness.

Prayer by guest chaplain, Rev. David McEvoy, O.Carm., Pastor,
Immaculate Conception-St. Joseph Parish, Leavenworth, and guest of Rep.
Pittman.

Good and gracious God, Creator of the Universe, and Author of Life, we come before You this day with humble hearts, and ask for Your blessing upon each and every member of the Kansas House of Representatives.

You who created the forested hills, tall grass prairies, and treeless plains of our state, who first watched over the People of the South Wind, hear our prayer today.

You who in this Free State born of controversy, fashioned a home for Yankee abolitionists, Exodusters, Volga Germans, native born Americans, and immigrants from around the world, we praise and thank You for the providence You have shown us through the years.

You who have protected Your people through dust storms, blizzards, tornadoes, and hail storms, through a Civil War, a Great Depression, and foreign wars far beyond our shores, send Your powerful blessings this day upon our elected representatives.

Give them the grace to promote the common good of the people of Kansas. Grant them good judgment, a compassionate heart for the less advantaged, and the ability to work together for a more just future for generations to come. Despite every difficulty in their task as legislators, let them be inspired by the endless potential of what might be under the stars. "Ad Astra Per Aspera!"

We make this prayer this day ever trustful of Your loving providence. AMEN!

The Pledge of Allegiance was led by Rep. Arnberger.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proehl are spread upon the Journal:

The Governor signed a Proclamation that today, February 15, 2018, is Kansas Phi Theta Kappa All-State Academic Team Day. And today I am proud to introduce to you the Phi Theta Kappa All-State Academic Team. Ten of those scholars are here on the Floor and the remainder are in the gallery.

Phi Theta Kappa is an International Honor Society for two-year colleges that symbolizes excellence in higher education and a commitment to students. Students with a GPA of 3.5 or higher are invited to join Phi Theta Kappa whose mission is two-fold: to recognize and encourage the academic achievement of two-year college students; and to provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

Fifty-seven students have been named to the All Kansas Academic Team and they represent all nineteen community colleges from across Kansas, Donnelly College and Manhattan Area Technical College and were named to this team based upon their academic achievement, leadership and community service.

Because of their academic achievement, service and leadership they have been awarded scholarships and stipends to help complete their education and I wanted to be sure you were aware of this impressive group of young scholars from the Kansas Community Colleges.

Rep. Proehl introduced the following 2018 Phi Theta Kappa Representatives to the House:

- Kenneth Dodson, Coffeyville Community College
- David Alex Ortiz, Kansas City Kansas Community College
- Amber Helwig, Labette Community College
- Devon Johnson, Highland Community College
- Mark Walthers, Butler Community College
- Iram Gonzalez, Dodge City Community College
- Torrie Pulliam, Neosho County Community College
- Jennifer Schultz, Cloud County Community College – Geary Campus
- Jackie Zimmerman, Independence Community College
- Devyn Chapman, Garden City Community College

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kessinger are spread upon the Journal:

Kansas has a great history of inventions that have added to our state economy as well as enhanced the life of millions. William Purvis and Charles Wilson invented the helicopter in Goodland and the Icee came from Omar Knedlick in Coffeyville. The Interstate Highway system was the brainchild of our native son, Dwight Eisenhower and Alexander Hyde gave us Mentholatum. The creative contributions from Walter Beech and Clyde Cessna made Wichita and Kansas the air capital of the world. The ubiquitous Coleman Lantern was the brainchild of William Coffin Coleman. And let's not ignore the creative genius of Kansan Walter Chrysler in the automotive industry and

Joyce Hall who founded Hallmark cards (more than \$840 million was spent on Valentine's Day yesterday).

Today, we honor another creative genius in Kansas. If necessity is the mother of invention, it is necessity that brings fifth grader Julia Luetje to the House floor today. Julia joined the ranks of Kansas inventors as she is the grand prize winner in the Frito-Lay Dreamvention national competition among 13,000 entrants for her invention, the Storm Sleeper. This is no small honor. Julia takes home the first prize of \$250,000.

The Storm Sleeper came about from Julia's early fear of thunderstorms. She did what most of us have done as she would build forts and barriers of pillows to block out the thunder and lightning. Inspiration came to her and she devised the Storm Sleeper that incorporated pillow and fabric to cover her head while also incorporating those bedtime necessities of a reading light and room for a portable speaker so she could read and listen to music. She bought her supplies at local stores and pieced together the first Storm Sleeper.

When she became a national finalist in the Dreamvention contest, a product development firm produced a prototype of the Storm Sleeper. She has now entered the world of being an entrepreneur as well as an inventor as she has a patent pending on the Storm Sleeper. She is also developing a business plan and is gearing up for production and marketing. Please join with me in recognizing the latest Kansas inventor, entrepreneur and creative leader, Julia Luetje.

Rep. Kessinger presented Julia with a framed House certificate in honor of her great achievement.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Crum are spread upon the Journal:

Today I am here with five young men that will probably swim more next weekend than many of you will swim in a life-time. They are not doing it for fun or exercise. They are doing it for kids that are not as fortunate as they are. They are doing it to raise money for Make-A-Wish Kansas.

Coach Kelly Kennedy and I had a group of seniors six years ago, that wanted to give back to their community. Kelly and I had both participated in a Swim-A-Thon in our high school years and thought this would be something this group was capable of. When deciding what group we would donate the money to, it was a no brainer for us. Coach Kennedy's youngest daughter, Aubrey, was diagnosed with a cancerous Wilms tumor when she was four years old. The tumor was the size of a football and Aubrey lost her kidney and had to undergo months of chemo treatment.

Shortly after her treatments were complete, Make-A-Wish Kansas stepped up and gave Aubrey and her family a well-deserved break, a trip to Disney World. The Kennedy family always wanted to give back to Make-A-Wish for this wonderful wish they granted for Aubrey, and Coach Kennedy knew this was going to be payback. So we held our first Swim-To-A-Wish event. Make-A-Wish Kansas didn't really know what to expect out of these two high school coaches and these five crazy high school kids, and honestly, we didn't know what to expect.

First, let me tell you what these boys are going to do next weekend. At four in the afternoon on Friday, a wish-child will start a swimmer with a bell start. That swimmer

will swim one mile and as he touches, swimmer number two gets started and he swims a mile, etc. Then they start on their second mile. Each mile takes them about twenty-five to thirty minutes so they finish the five mile increments in a little under two and a half hours. They will all swim twenty miles, each, for a total of one hundred miles. With only a short two-hour break between swims. They will not finish until sometime around noon on Sunday. That sounds tough, I assure you, it is tougher than you imagine.

When we were getting ready for our first STAW, we decided we would have a modest goal of \$1,200. We were at \$1,600 before we even started to swim. We topped \$5,000 in year one. Immediately we had kids asking if they could do it next year and the next year and the next....you get the idea. Our team had grabbed a hold of this fundraiser and have really taken ownership of it.

We had an anonymous donor approach us in year two and he promised to match our total up to \$5,000. We have had other teams across the state join us in the endeavor. We have had nine different high schools and two college teams join, or are joining us, over these six years. So far, through completed Swim-To-A-Wishes, over \$160,000 has been raised, which means over twenty wishes have been granted due to STAW.

As you might have noticed, there is a STAW flyer on your desk. We have grown so we have a handy on-line donation website set up, hint, hint, hint. As Coach Kennedy and I always say, donate to your local team, if you don't have a local team participating, donate to Campus High School Swimming.

Before I introduce the six people behind me, I want to point out the rest of the Campus Colt State team in the gallery. These kids aren't among the five doing the relay, but many of them and others will come in and do support miles. They will swim next to the relay swimmers so that they are not swimming by themselves. It can be kind of lonely in the pool at 3:00 a.m. on a Friday or Saturday night. Last year we had over one hundred support miles swam.

I'll have the group behind me raise their hands as I call their names. Coach, Kelly Kennedy; Senior, Austin Rector; Senior, Devon Ferris. These last three are all Juniors and were relay swimmers last year, so they will be working on 40 miles for STAW. Blake Chadd, TJ Lolling, and a young man I know pretty well, Daine Crum. Please help me show them your appreciation for the hard work they are doing to grant wishes for kids in Kansas.

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2506**. Kansas already has sufficient tools in place to address blight. **HB 2506** circumvents our current eminent domain statutes by redefining “abandoned property” and by allowing our local governments to expeditiously confiscate, seize or destroy law abiding citizen's private property without compensation, adequate notice, and a legal property title. This is an egregious over reach that deprives some citizens of their private property rights without sufficient due process and it will cause irreparable harm to our most vulnerable citizens that do not have the resources to protect their property. – GAIL FINNEY, VALDENIA C. WINN, BRODERICK HENDERSON
