Such sessions may be extended beyond ninety calendar days by an affirmative vote of two-thirds of the members elected to each house. Bills and concurrent resolutions under consideration by the legislature upon adjournment of a regular session held in an odd-numbered year may be considered at the next succeeding regular session held in an even-numbered year, as if there had been no such adjournment.

(a) Joint rules; expiration, adoption, amendment, suspension and revocation; vote required. Joint rules are adopted under the authority of section 8 of article 2 of the Constitution of the State of Kansas and shall govern matters made subject thereto except when otherwise specifically provided by joint rule. Joint rules shall expire at the conclusion of the terms of representatives. Joint rules shall be adopted, amended, suspended and revoked by concurrent resolution of the two houses of the legislature. Concurrent resolutions adopting joint rules shall receive the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house.

(b) Amendment, suspension or revocation of joint rules; previous notice; vote required. After one day's previous notice, joint rules may be amended, suspended or revoked by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house. Upon the filing of such notice in either house, a message shall be sent to the other house advising of the filing of such notice and the reading of the message shall constitute notice to the members of such house. If such previous notice is not given, the affirmative vote of 2/3 of the members then elected (or appointed) and qualified in each house shall be required for the amendment, suspension or revocation of a joint rule.

(c) Amendment, suspension or revocation of joint rules at commencement of legislative session; vote required; conditions. Notwithstanding any provision of this rule to the contrary, no notice shall be required for the adoption of a concurrent resolution amending, suspending or revoking any one or more joint rules at the commencement of a legislative session, and adoption of any such concurrent resolution shall require only the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in each house, subject to the following conditions: (1) The concurrent resolution is sponsored by the speaker or the president, and (2) either (a) a copy thereof is mailed to each member of the legislature by deposit in the United States mails not later than 11:00 p.m. on the Thursday preceding the Monday on which the legislative session is to commence or (b) in lieu of mailing, copies of the concurrent resolution are made available to members on the first day of the legislative session and final action is taken on a subsequent legislative day.

Joint rule 2. Joint sessions. (a) Joint session called by concurrent resolution; vote required; time, place and subject matter. A joint session of the
senate and house of representatives may be called by concurrent resolution adopted by the affirmative vote of not less than a majority of the members elected (or appointed) and qualified in each house of the legislature or as may otherwise be prescribed by law. Any such resolution shall fix the time and place of the joint session, and the subject matter to be considered at the joint session. Joint sessions shall consider only such matters as are prescribed by law or by the concurrent resolution calling such joint session.

(b) **Presiding officer at joint sessions; record of joint session; rules applicable.** The speaker of the house of representatives shall preside at all joint sessions of the senate and house of representatives, and the clerk of the house of representatives shall keep a record of the proceedings thereof and shall enter the record of each such session in the journal of the house of representatives. The rules of the house of representatives and the joint rules of the two houses, insofar as the same may be applicable shall be the rules for joint sessions of the two houses.

(c) **Votes in joint session; taking; requirements.** All votes in a joint session shall be taken by yeas and nays, and in taking the same it shall be the duty of the secretary of the senate first to call the names of the members of the senate, and after which the clerk of the house of representatives shall in like manner call the names of the members of the house. Each member of the senate and the house of representatives present shall be required to vote on all matters considered in joint session, unless excused by a vote of a majority of the members of both houses present.

**Joint rule 3. Conference committee procedure.** (a) **Action by house of origin of bill or concurrent resolution amended by other house.** When a bill or concurrent resolution is returned to the house of origin with amendments by the other house, the house of origin may: (1) Concur in such amendments; (2) refuse to concur in such amendments; or (3) refuse to concur in such amendments and request a conference on the bill or concurrent resolution.

(b) **Concurrence by house of origin; concurrence prior to taking action on conference committee report by other house; final action; effect of failure of motion to concur.** The house of origin of any bill or concurrent resolution may concur in any amendments made by the other house, except that if the bill or concurrent resolution has been referred to a conference committee such action may only be taken prior to the taking of final action upon the conference committee report upon such bill or concurrent resolution by the other house. A vote in the house of origin of any bill or concurrent resolution on a motion to concur in amendments to such bill or concurrent resolution by the other house shall be considered action on the final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion to concur is upon amendments to a bill or
concurrent resolution for which a conference committee has been appointed and action has not been taken upon the report of such committee by the other house and such motion fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and the motion to concur may be renewed but not on the same legislative day. If the motion to concur is upon amendments to a bill or concurrent resolution for which a conference committee has not been appointed and such motion fails, the bill or concurrent resolution shall be deemed to be killed.

(c) Motion to nonconcur; when considered final action; effect of adoption of motion. A vote in the house of origin of any bill or concurrent resolution on a motion to nonconcur or to refuse to concur in amendments to such bill or concurrent resolution by the other house which is not coupled with a request for the appointment of a conference committee shall be considered action on final passage of the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal, and the bill or concurrent resolution shall be deemed killed on the adoption thereof.

(d) House of origin refusal to concur or nonconcur; request for conference; procedure. When a bill or concurrent resolution is returned by either house to the house of origin with amendments, and the house of origin refuses to concur or to nonconcur therein, a conference may be requested by a majority vote of the members present and voting. Such request shall be transmitted to the other house by message which shall include the names of the conferees on the part of the requesting house. Upon receipt of any such message, the receiving house may, in like manner, approve such conference, and shall thereupon notify the requesting house by message stating the names of its conferees.

(e) Membership; appointment; chairperson; house of origin of substitute or materially changed bill or concurrent resolution; meetings of conference committee. Each conference committee shall consist of three members of the senate and three members of the house of representatives, unless otherwise fixed by agreement of the president of the senate and speaker of the house. Senate members shall be appointed by the president of the senate and house members shall be appointed by the speaker of the house of representatives. The president or the speaker may replace any conferee previously appointed by such person. Not less than one member appointed from each house shall be a member of the minority political party of such house except when such representation for such house is waived by the minority leader of such house. In all cases, the first-named member of the house of origin of the bill or concurrent resolution assigned to the committee shall be chairperson of the conference committee. The house of origin of a substitute bill or substitute concurrent resolution shall be the house in which the bill or concurrent resolution in its original form was introduced. The chairperson of a
conference committee on a bill or concurrent resolution the subject matter of which has been ruled to be materially changed shall be a member of the house which amended the bill or concurrent resolution to materially change the subject matter. Each conference committee shall meet on the call of its chairperson. All meetings of conference committees shall be open to the public and no meeting shall be adjourned to another time or place in order to subvert such policy.

(f) Conference committee reports; matters which may be included; report not subject to amendment; house which acts first on report; copies of reports; reports considered under any order of business. Only subject matters which are or have been included in the bill or concurrent resolution in conference or in bills or concurrent resolutions which have been passed or adopted in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution except in any appropriations bill there may be included a proviso relating to any such item of appropriation. Subject to any limitations imposed under the constitution of the state of Kansas, no more than a total of four additional bills or concurrent resolutions or parts of bills or concurrent resolutions in conference or bills or concurrent resolutions or parts of bills or concurrent resolutions which have passed in either one or both houses during the current biennium of the legislature may be included in the report of the conference committee on any bill or concurrent resolution, except that reports of conference committees on any taxation bill are not subject to the limitation contained in this provision. A conference committee report shall not be subject to amendment. The original signed conference committee report shall be submitted to and acted upon first by the house other than the house of origin of the bill or concurrent resolution. Except when a conference committee report is an agree to disagree coupled with a request that a new conference committee be appointed or is a recommendation to accede to or recede from all amendments of the second house, electronic and paper copies of the report shall be made available to all members of the house considering the report not later than 30 minutes before the time of its consideration, except that if the report is more than six pages in length no paper copies will be required to be distributed to individual members provided that at least 10 paper copies of the report are made available to members at the clerk's or secretary's desk at the front of the respective house. By written notice, the majority leader may direct the clerk or secretary to increase from six pages to some greater number of pages the size of conference committee reports that need not be distributed by paper copies to individual members pursuant to this rule. The affirmative vote of \( \frac{2}{3} \) of the members present in the house at the time of consideration of the report shall be sufficient to dispense with distribution of copies of the conference
committee report to all members of that house. Reports of conference committees may be received and considered under any order of business.

(g) Signatures required on conference committee reports. All initial conference committee reports other than an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by all of the conferees. All initial conference committee reports which are an agreement to disagree coupled with a request that a new conference committee be appointed shall be signed by a majority of the conferees appointed in each house. If a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is not adopted, a subsequent conference committee report shall be signed by all conferees unless a subsequent conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed is adopted, in which case a conference committee report subsequent to the adoption of such report shall be signed by a majority of the conferees appointed in each house. All other conference committee reports shall be signed by a majority of the conferees appointed in each house.

(h) Vote to adopt conference committee report final action; effect of failure of motion to adopt conference committee report. The vote to adopt the report of a conference committee, other than a report of failure to agree coupled with a recommendation for appointment of a new conference committee, shall be considered final action on the bill or concurrent resolution and the affirmative and negative votes thereon shall be entered in the journal. If the motion fails, the bill or concurrent resolution shall be deemed to be killed. If the motion on a conference committee report which is an agreement to disagree coupled with a request that a new conference committee be appointed fails, the bill or concurrent resolution shall not be deemed to have been killed thereby and remains in conference.

(i) Report of conference committee unable to agree; effect of failure to request new conference committee; effect of failure of motion to adopt report requesting new conference committee. If a conference committee upon any bill or concurrent resolution is unable to agree, it shall report that fact to both houses. Such report may request that a new conference committee be appointed thereon. If the committee so reports but fails to request the appointment of a new conference committee thereon, the bill or concurrent resolution shall be deemed to have been killed upon the adoption by either house of such report. If the motion to adopt a report requesting the appointment of a new conference committee fails, the bill or concurrent resolution shall be deemed to be killed.

(j) Bills or concurrent resolutions under consideration by conference committees and reports thereof; carryover from odd-numbered to even-
numbered year. Bills or concurrent resolutions under consideration by a conference committee, or a report of which has been filed but no action taken thereon in either house, at the time of adjournment of a regular session of the legislature held in an odd-numbered year shall remain alive during the interim and may be considered by the committee and legislature as the case may be at the regular session held in the following even-numbered year.

Joint rule 4. Deadlines for introduction and consideration of bills. The senate and house of representatives shall observe the following schedule of deadlines in making requests for drafting and in the introduction and consideration of bills.

(a) Bill request deadline for individual members. Except for bills introduced pursuant to (i) of this rule, no request to draft bills, except those made by committees, through their respective chairpersons, shall be made to, or accepted by, the office of the revisor of statutes after the hour of 5:00 p.m. on January 30, 2017, during the 2017 regular session and on January 29, 2018, during the 2018 regular session.

(b) Bill introduction deadline for individual members. Except as provided in (i) of this rule, no bill sponsored by a member or members shall be introduced in either house of the legislature after the hour of adjournment on February 8, 2017, during the 2017 regular session and on February 7, 2018, during the 2018 regular session. Such deadline for the introduction of bills by individual members may be changed to an earlier date in either house at any time by resolution duly adopted by the affirmative vote of not less than a majority of the members then elected (or appointed) and qualified in such house.

(c) Bill request deadline for certain committees. Except for bills to be introduced pursuant to (i) of this rule, no committee except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations and taxation shall make a request to the office of the revisor of statutes for any bill to be drafted for sponsorship by such committee after the hour of 5:00 p.m. on February 6, 2017, during the 2017 regular session and on February 5, 2018, during the 2018 regular session.

(d) Bill introduction deadline for certain committees. Except as provided in (i) of this rule, no bill sponsored by any committee of either house of the legislature, except the committee on ways and means of the senate, the committee on assessment and taxation of the senate, select committees of either house when so authorized, the committee on federal and state affairs of either house or the house committees on calendar and printing, appropriations

(2) the distinct propositions shall be only in the form submitted in the motion to amend;
(3) each proposition must be so distinct that, one being removed, the remainder may stand entirely on their own; and
(4) those portions of a motion to amend a bill as described in Rule 2110 shall be indivisible.
(b) Upon a request to divide a motion to amend a bill or resolution, the presiding officer shall inquire as to whether there is a request for a ruling on germaneness of the motion to amend. If such a request is made, the issue of germaneness shall be determined prior to dividing the motion.

Rule 2108. Motions to Strike Out and Insert.
The rejection of a motion to amend a bill or resolution by striking out and inserting one proposition shall not prevent a motion to strike out and insert another proposition, nor prevent a subsequent motion simply to strike out; nor shall the rejection of a motion simply to strike out prevent a subsequent motion to strike out and insert.

Rule 2109. Identical Motions.
Except upon the unanimous consent of the House, an identical motion to amend a bill or resolution shall not be made a second time on the same legislative day.

Rule 2110. Floor Amendments to Bills Making Appropriations.

This being the day fixed by the constitution of the State of Kansas for the assembling of the 2018 session of the legislature, the House was called to order at 2:00 p.m. by Speaker Ron Ryckman.

Speaker Ryckman announced the appointment of Susan Kannarr as Chief Clerk, Foster Chisholm as Sgt. At Arms and the Rev. Eunice Brubaker as the House Chaplain for 2018.

The roll was called with 124 members present.
Rep. Henderson was excused on verified illness.

Prayer by Chaplain Brubaker:

    Our gracious Lord in heaven,
    Thank you for this new day You have given us
    and for the privilege to be servants of You
    and the people of this great state.
    As our leaders begin this new session,
    my prayer for them is that they will lead
    as King David lead the Israelites thousands of years ago -
    with integrity of heart.
    So many issues will come up and heated passions will arise,
    but through it all,
    help them to maintain integrity of heart.
    Your Word promises that
    “the Lord bestows favor and honor;
    no good thing does he withhold from those whose walk is blameless.”
    Instruct and teach them in the paths of decisions,
    counsel them and watch over them throughout this session.
    In Christ's Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Lakin.

PERSONAL PRIVILEGE

Rep. Lakin announced his resignation, effective today, and thanked the membership for their friendship and support.

HOUSE CONCURRENT RESOLUTION No. HCR 5017—
by Representative Stogsdill

A PROPOSITION to amend section 2 of article 2 of the constitution of the state of Kansas, relating to members of the senate and house of representatives.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Senators and representatives. (a) The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five representatives and forty senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for two-year terms. Senators shall be elected for four-year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

(b) Senators elected at the general election held in 2020 from odd-numbered districts shall be elected for a two-year term for one term only. At the general election in 2022, such senators shall be elected for a four-year term and at each succeeding general election every fourth year for a four-year term. Senators elected from even-numbered districts at the general election in 2020 and thereafter shall be elected for a four-year term."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to stagger terms of members of the senate of the legislature.

A vote for this amendment favors staggering the terms of members of the senate of the legislature by extending the terms of 1/2 of the members of the senate to two years for one term only and thereafter returning such senators to a four-year term.

A vote against this amendment favors retaining current constitutional provisions which do not provide for staggering terms of members of the senate."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2018, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Prayer by Chaplain Brubaker:

Gracious and Loving God,
thank You for the many blessings You have given us.
As these 125 leaders come together the next few weeks
to make serious decisions that impact everyone,
help them to keep the main purpose in mind.
Each one has their own unique personality and preferences in
what needs to be done and how it is to be done.
However, if they keep focused on the purpose,
it will motivate them;
keep their priorities straight;
develop their potential individually and corporately;
and enable them to achieve the purpose for which they are here.
In and of themselves, it may seem impossible—
but with You, all things are possible.
So give them the grace and guidance
in working together to achieve the purpose.
In Christ Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Bishop.

Governor Sam Brownback
2018 State of the State Address
January 9, 2018

Mr. Speaker, Madam President, Members of the Kansas Supreme Court, Legislators, Cabinet Members, friends all.

Let me start with the elephant in the room. There's a question that has been often asked this past year and it's a legitimate one. Will he be back? I'm please to say tonight --- YES! Bill Snyder will be back. He's here with us tonight. Please join me in recognizing the greatest coach in college football history.

Bill Snyder is more than a Coach, he is also a mentor and Chairman of the Kansas Mentoring Council. We honor his mentoring work. It should inspire us all to follow his lead.

2017 was a very exciting year for our beloved Kansas.

We hit another record for most Kansans ever employed, 1.4 million , and the lowest unemployment rate we've seen since 2000.
We opened the longest hiking and biking trail in the state, the Flint Hills Nature Trail, from Herington to Osawatomie, 117 miles of beautiful Kansas. Go try it.

In 2016, Kansas was the only state in the nation to reduce its rate of adult obesity. The rate is still too high but moved in the right direction.

Our state's childhood poverty rate has shrunk to the lowest level we've seen since before the Great Recession.

Our infant mortality rate sits at the lowest point in history.

We opened a new state of the art medical education building at KU Med that will give us the opportunity to educate an additional 50 doctors each year.

We opened the biggest milk drying facility in the US in Garden City, providing us with a great way to export our growing milk production.

The American Royal is moving to Kansas.

This past year also saw the completion of the new National Soccer Training Center in Kansas City.

Our quail population is back, with the highest levels in 20 years.

And our wind energy industry continues to grow dramatically with nearly 30 percent of our electricity now coming from the wind.

Now I have been blessed with the opportunity to travel this state from border to border in various capacities since 1974; when I was elected State President of the Future Farmers of America and me and my Ford F100 3 on the tree pickup started traveling the back roads of Kansas.

Our state is a marvelous place full of beauty and wonder. Our sky is our mountain and our sunsets bear the signature of God. To those who can see it, Kansas is truly amazing.

Now no one ever goes alone on a successful long journey and certainly I have not. My wife Mary and I have traveled this course together.

Would you please join me in recognizing our incredible first lady for her contributions to Kansas?

Family has been there too. My parents, Bob and Nancy, are stooped and gray but still chugging along. Our children have added spice and joy and now three grandchildren.

And our son Mark just became a Marine in December, answering the call to duty. And if Ray Merrick were still here, he would be saying “OOHRAH!!!”

Joining us in the balcony this evening are Major General Joseph Martin and Command Sergeant Major Joseph Cornelison from the 1st Infantry Division at Fort Riley. Please join me in recognizing them.

Would our veterans and current active duty, guard and reservists also please stand and be recognized?
Kansas first responders were quick to answer the call to help our brothers and sisters in Texas in the aftermath of Hurricane Harvey. Over 50 personnel from Kansas went to join the recovery effort. Two of these selfless Kansans are with us today, Paramedic Landon Woodward and Firefighter Chris Stansbury. Please join me in recognizing them.

Topeka Police Officer Aaron Bulmer is also with us this evening. Officer Bulmer saved a 4-year-old child with autism from drowning in a pond last year. When asked about his heroic act, he said “I believe that God put me into that situation. He allowed me to be in the right place at the right time.” Please join me in recognizing him as well.

Would any other current or former first responders from law enforcement, firefighters, or paramedics also please stand and be recognized?

Cortney Holloway, Mike Dettmer and Robert Adcock from the Department of Revenue are also here today. In September Cortney was shot while doing his job in Wichita. He didn't panic, but he did pray. Rather than run, Robert and Mike quickly jumped into action to aid their injured coworker. They applied a tourniquet and kept Cortney alert until emergency services arrived. Please join me in recognizing Cortney Holloway, Robert and Mike for their inspiring and heroic actions that day.

I've had many good friends for the journey, as you have. Friends closer than a brother riding with me at a full gallop across the prairie. And finally, I have been blessed with a staff so loyal they have gladly taken the slings and arrows cast my way. I will be forever grateful for the contributions and dedication they have brought to this office. We all have great staff, let's thank them for making this place work.

With all of this, I am the most blessed man I know.

Traveling this state so many years, you meet lots of wonderful people with great stories. Two individuals stand out.

Rose Harris was 101 when I met her in Pittsburg, Kansas. Raised in a very poor family, she thrived through it all with uncommon faith and beauty. I asked her the biggest lesson she had learned in life. Without hesitation, she said it was when she was a young girl and her Dad went off to work in the mines. She was left in charge of the house and younger children. They were all hungry but had no food. So, Rose went to the outhouse and prayed... “God, we need food!” She came back into the house and a neighbor lady was at the door. She asked if Rose would churn her milk into butter. Rose said she would and she did. The neighbor gave her some of the butter and a few coins for her work. With the money, Rose went to the store and bought a few pieces of meat and they had food. Rose said from then on, she always knew God would provide for them.

I also had the pleasure of meeting a 107-year old World War I veteran in Marysville, Kansas when I was in the Senate. Leo Lange was one of the very few World War I veterans still alive at the time. Mentally sharp, but laying in a deteriorated body, I asked him what was the biggest change he had seen in our nation over his many years. Again, without hesitation, he said, “When I was young we didn't have anything but we were a lot happier.”
Certainly, our material wealth had progressed in his lifetime but has our happiness kept pace? It's a good question for us as policy makers to ponder.

So, on this, my last State of the State message, I will speak from my heart about dreams I have heard from others and have had myself for our wonderful state.

As a dad, I know that every parent's greatest dream is for their children to grow, learn, and succeed.

So, let me address the biggest issue of the session, school finance.

We have received the decree of the Kansas Supreme Court and are putting forth a proposal to comply, as we have done with the prior decisions.

My budget recommendation includes an additional six-hundred million dollars in funding over the next five years. This multi-year approach will provide the time necessary for school districts to plan and spend this additional money more effectively. My proposal does not include a tax increase.

And let me make one thing very clear, the people of Kansas expect results. The Kansas State Board of Education will be responsible for making sure they get them. I suggest they consider the following goals to do so:

First, we should reach a 95% statewide graduation rate.

Second, a minimum of 75% of our students should be continuing their education after graduation, whether that be through attending college, earning a post-secondary certification or joining the military.

Third, we should accelerate the movement of Kansas schools to the Kansans Can model for school redesign launched by the Kansas Department of Education.

To help us stay on course to achieve these goals, I propose five strategic objectives for K-12 education:

First, Kansas has great teachers. We should have a higher average teacher pay than any of our surrounding states.

Second, we should increase the number of school counselors and school psychologists in Kansas schools by 150 positions each year.

Third, we should have at least 50 schools participating in the Kansans Can school redesign project.

Fourth, every Kansas high school should offer at least 15 credit hours of dual credit coursework to every high school student, at no additional cost to parents. This, through a partnership between high schools and the state's institutions of higher learning.

Fifth, they should also offer every Kansas high school student, at no additional cost to parents, the choice of taking either the ACT college entrance exam or the Work Keys assessment.

These goals should be achieved within the next 5 school years.
Six-hundred million dollars is a very significant investment. And Kansans expect to see students in every school in our state thrive and achieve, particularly our students who the Court cited as being inadequately served under our current funding.

We cannot – we must not – repeat the mistakes of others who have gone down the primrose path of thinking that educational results can be forced by massive infusions of taxpayer money alone. Money by itself will not solve the problem.

For the best illustration of this, one need look no further than the Kansas City, Missouri school district, sometimes called America's most costly educational failure. Federal courts supercharged the district with nearly $2 billion in a little more than a decade. When it was all spent, there was little to show in academic improvement – test scores were stagnant, achievement gaps remained, and the dropout rate actually went up. We must learn from this history.

Additionally, we must stop the never-ending cycle of litigation on school finance. I urge the legislature to put a Constitutional amendment on the ballot this year addressing our school finance system. The people need to be heard on this central issue of state government.

Kansas is a dreamer's paradise. Our broad horizons tempt the mind to expansion. Our friendly people invite collaboration to accomplish a dream. A spoken word creates. An encouraging word produces encouragement; a negative word negativity. A dream spoken sets up the architecture for the creative efforts of free men and women to build upon. That is, if that dream captures their hopes for the future even if they can't quite see it yet.

Many of us remember the speech Ronald Reagan gave in front of the Brandenburg Gate where he stated the collective dream of those in the West: “Mr. Gorbachev, tear down this wall.” There were no bulldozers there ready to tear down the Berlin Wall, but its foundation crumbled that day. The spoken word created.

So, let me speak of dreams for our state. My dream for Kansas is to be the best place in America to raise a family and grow a business. I dream of a Kansas whose population is growing faster than the national average because we have created such a dynamic environment. An environment that has many and diverse job opportunities. An environment with a great and affordable quality of life that calls people to Kansas. This will take time, bold effort and creativity but it is achievable. I dream of a Kansas where poverty is on the run; where jobs are plentiful, challenging and enjoyable; where wages and benefits are climbing.

I dream that education in the state is tailored to each student's needs and desires. So that that student has the maximum chance to succeed. That we have more educational options for each K-12 student like we do now for higher education students. I dream schools will be places of accomplishment, where students and parents choose to go: to learn, to achieve and to be challenged. They will be character-forming places that back up the family and produce a stronger person. Where patriotism flourishes, civic duty is instilled and all students achieve.

Kansans dream of having the best cancer care. Everybody in this room has either been
affected personally by cancer or knows someone who has been. One of our own, Representative Rich Proehl, has just come through cancer surgery and we wish him God's speed in his recovery.

I dream of leading the country in developing new treatments to heal old maladies using your own adult stem cells. Hips and knees for some but also your heart and mind. I dream of ending the shortage of rural physicians and dentists that has chronically plagued this state by producing our own dentists and more doctors.

Lieutenant Governor Jeff Colyer is a man who has not only shaped health care policy in this state, but he has dedicated his life to the service of others as a doctor. Whether it is helping a disabled child in Kansas with a cleft palate or a malnourished refugee in places like Sudan, Rwanda, or Syria, my friend Jeff has served others in ways only dreamed about by many of us. Jeff, please stand. Let's recognize his service to this state and our fellow man.

I dream of a future Kansas exporting wind electricity across America. A Kansas known as the Renewable State. It could well be that in the future, those who have the wind resource will flourish like those who now have oil. We are growing as an energy state. Dream with me of an Ogallala Aquifer that never runs dry because the use is sustainable. Of our reservoirs dredged, renewed and supplying the water we need in times of severe drought. Of us having a legal, binding allotment of water from the Missouri River and of an Arkansas River with water in its whole course.

These are possible. We can do it.

Dream with me of a growing and diversifying Air Capitol of the World. With thousands of new jobs, the latest technology and a magnet for precision manufacturing. We will expand in commercial and general aviation. We will build air frames and engines and do extensive maintenance work. We will grow in defense and commercial aircraft manufacturing and drone technology. All the major aircraft manufacturers will have major operations here because Kansas leads the way in aviation! They will say, “If it flies, it must be from Wichita.” We can be an unmanned aerial vehicle hub, where the latest UAV technology is developed, tested and manufactured. We can be to unmanned aerial systems what we are now to general aviation.

I dream that Kansas will continue to be and grow as a major financial services hub. That is happening now in Topeka and Johnson County. We have even more upside in this field.

Dream with me of feeding the world. Meat and bread but we'll expand our place at the table to include the milk you drink and the eggs you eat. Of moving up the value chain. So that the High Plains is known as the place where animal agriculture is done bigger and better than any place else. Agriculture businesses and cattle genetics will headquarter in Kansas City. Around the world of agriculture, Kansas City will be the capital.

The dream for The Legends in Wyandotte County is for it to be a new Kansas City.

If you know our state's history, you know Kansas is where the fight to end slavery began. Now we have another chapter in that saga of man's horrid treatment of each
other. We will fight the scourge of human trafficking like no other state and throw that darkness from our borders. Attorney General Schmidt has been a champion in this fight. Let's recognize his and the legislature's efforts on this issue.

I dream of reconciliation between the races. Where our problems aren't ignored but addressed. Where people of goodwill view the past and the present with clear-eyed honesty and resolve to make things right. This is an honest discussion our country desperately needs.

And finally, I dream of a culture of life where every life at every stage is celebrated and cherished. You have already done much to create this. With all the legislation protecting and honoring life you have passed, there have been 17,000 fewer abortions in the past six years than in the prior six-years. 17,000 we must not go back now!

These are all dreams for Kansas. If they capture any of your own sense for our future, then let us band together, Democrat and Republican, to make them so. It will be a blessing to the people who are so weary of political jousting and just want to see something done.

What say ye? A journey together with a friend is a thing of beauty.

Let me end with a story about one of your former colleagues, Jan Pauls, a friend of mine on the journey. Jan served in this body for over 20 years with distinction and grace. An able legislator with her husband Ron always at her side. She never lost sight of her values and what was important to her. She lost her last election when she wouldn't compromise her values and less than a year later she lost her life. Jan's funeral was a celebration of a warrior gone to her eternal rest.... loved and beloved. Her life was well lived for the God she served. I had seen her alive in a hospital bed three weeks earlier. Gone were the earthly worries that so easily distract us. She was at peace. Can any of us ask for any more? Less than a month after Jan's passing, her replacement in the legislature Patsy Terrell also passed away unexpectedly.

May we have a moment of silence for both of them.

What a striking reminder that life is fleeting. That we must set our sights to fulfilling our purpose without delay. Every day we live in these bodies is important. It is a reminder to live with purpose and to walk in love and service with our brothers and sisters.

Here in Kansas, that is our way of life.

Because of our good people, this good land called Kansas and the blessings of God, I can report to you that the state of our State is indeed strong and promising.

God bless you all.

Almighty God,
For another new day, a fresh new start, we thank You.
As these leaders work on the vision and purpose
for which they are here, continue to guide them in
clarity, connectedness, integrity, strategy and passion.
Give clarity to their purpose;
may they be willing to rise above political affiliation
to work in a spirit of connectedness.
Help each one to work and speak with integrity.
Give them a strategy and plan to work on;

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Garber are spread upon the Journal:

This is Pastor Appreciation Day and I would like to introduce those pastors and their spouses who braved the cold and icy conditions to attend today’s events. Having served in their shoes, I understand the daily challenges they encounter and have the utmost respect for what they do. In today’s hostile social environment, their commitment to their congregations and communities where they live is extremely important. Shedding
light in darkness is often unrewarding in this life. Only in eternity will they realize how much their sacrifice for their fellow human being has impacted our world. Thank you again for your service to God and your communities.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Wednesday, January 17, 2018.
The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 119 members present.
Reps. Henderson and Ruiz were excused on verified illness.
Rep. Sloan was excused on legislative business.
Reps. Campbell and Claeys were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Almighty God,
   For another new day and a fresh new start,
      we thank You.
As we earlier celebrated the birthday of Martin Luther King,
   we were reminded once again of his dream – of his vision.
      Vision is everything for a leader.
The greater the vision, the more potential it has to attract people.
      The more challenging the vision,
the harder people fight to achieve the vision.
God, I pray today that You will give these leaders
   a clear vision for what they need to achieve for
      the people of this great state,
and may that vision bring our leaders together
to work in unity and faith for the vision.
   It is in Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Weber.

STATE OF THE JUDICIARY
January 17, 2018
Chief Justice Lawton R. Nuss

Speaker Ryckman, President Wagle, distinguished members of the House and Senate, honored guests, and my fellow Kansans.

On January 29th, Kansas Day, I will start the 9th year of my privilege of serving in the capacity of chief justice of the supreme court. I thank Speaker Ryckman for generously offering me this fourth opportunity during that time to speak to you about Kansas courts. And I thank President Wagle for graciously agreeing to the scheduling of this event. Mr. Speaker, I also thank you for inviting my judicial colleagues: the justices on the Supreme Court and the judges on the Court of Appeals.

Many years ago when I was in the Marines, the Navy carried us all over the Pacific. On every ship, announcements were made over the intercom system called the "1MC." Announcements began with "Now hear this. Now hear this." The ultimate announcement said that too. But it was followed by, "This is the captain speaking." And sailors and Marines alike dropped whatever they were doing and paid strict attention – because the captain was the ultimate authority on the ship – in all matters. In fact, one I knew displayed a brass plaque that said, "I am the captain of this ship and I will do as I damn well please."

The people of Kansas, in their constitution, wisely decided that no single person would be completely in charge of their ship of state – in all matters. So they separated the powers – and created three equal branches of government. This means that even though at this moment I might say "Now hear this, now hear this, this is the chief justice speaking" – you are not obligated to drop what you are doing, nor obligated to pay strict attention, nor even pay any attention. But if you care about justice in Kansas like our founders did, and I hope you do, then I would ask you to grant me your attention for a few minutes.

Someone once said:

"I . . . believe that the Federal Government has an obligation to enforce the constitutional rights of even the least individual among us, wherever he may be, if those rights are being denied, and to do so at the point of bayonet if necessary."
Now, what wild eyed, left-leaning Hollywood celebrity said that? It was a Hollywood actor all right: named Ronald Reagan at his 1982 presidential news conference. And Reagan said it repeatedly during his presidency.

Perhaps you were surprised to hear President Reagan speak so passionately about government enforcing constitutional rights at the point of a bayonet. After all, he was a proud champion of reducing what he considered governmental "interference" in people's lives. But Reagan recognized a few things in life were essential. Because as governor of California he also had said,

"[A]t any level of government I have always subscribed to a belief that protecting the rights of even the least individual among us – is basically the only excuse the government has for even existing."

Fortunately, we rarely have to resort to bayonets. Instead, constitutional rights are enforced, and protected – for even the lowest person among us – in the Kansas court system as administered by our approximately 1600 employees and 260 judges spread across 105 counties. Some of those employees and judges are with us this afternoon in the gallery behind you. Those in robes are some of the chief judges from around the state who are responsible for the legal proceedings in our 31 judicial districts. They appear here today at their own expense. I will ask all judicial branch personnel there to stand. Please join me in thanking them for their service to our great state.

Now let me share with you some of the things Kansas judges and court employees have been doing.

**eCourt and e-filing**

I will start by updating you on our electronic (or eCourt) project which I first talked about in my speech here in 2011.

One part of that project is electronic filing (or e-filing). As you know, this enables legal documents to be filed with the courts electronically. After years of work, implementation of an e-filing system has been completed for all state courts – in 105 counties and in both the appellate courts. By June, no state court will any longer accept paper filings by attorneys. Completion of this big project was made possible because the 2014 legislature earmarked some docket fee revenues for the project for several years. I join many Kansans in thanking you for those important appropriations. It means that nearly 4 1/2 million court documents have been filed – without people having to travel to the courthouses or put them in the mail.

I mentioned in past years that the long-term eCourt plan has been for e-filing to eventually be integrated with an electronic case management system different from the ones presently used by court personnel in processing cases. These two components of eCourt allow us to shift from a paper-based system to one that will provide judges, court staff, and attorneys with immediate, statewide access to case information, details, and records provided by the Kansas courts.

Just a few examples of the benefits that eCourt will provide:

- Improve case processing in the Courts.
- Increase the efficiency of information delivery to all judges.
- Increase operational efficiency by automating certain activities and
streamlining others.

- Maintain and improve data sharing between various governmental and public entities.
- Enable our employees in any county courthouse to work from their computers on court business for other counties. This alone is a big benefit because it allows the Supreme Court to more effectively and efficiently manage the state's court system.

Eventually, eCourt will also provide the public with statewide 24-hour access to some of the most frequently requested court information – from any computer with an internet connection.

Three years ago the eCourt steering committee began to review exactly how to change from different computer systems in the courts to one centralized case management system. The committee also looked to standardize the various practices currently performed throughout all the state courts. Their long study for the right vendor is now complete. And I am pleased to report that during the last 30 days, a contract was signed with Tyler Technologies of Plano, Texas. The $11.5 million in the contract also comes from docket fees earmarked by the 2014 legislature for this purpose. Tyler has worked well with statewide judicial systems in 13 other states; they were our committee's clear choice.

We anticipate that the statewide eCourt project will be completed within about four years. That day will bring even more uniformity and efficiency to the entire court system to benefit Kansans – one of the greatest achievements since court unification in the 1970's.

In the meantime, we have been expanding our use of existing technology in other areas and embraced the efficiencies it produces.

**Videoconferencing:**

In most of our 31 judicial districts, after arrest, a criminal defendant's first appearance before a judge in the courtroom is conducted by camera from the jail. This saves the time and cost of transporting the hundreds, if not thousands, of defendants to the courtroom and back. Many districts also use video conferencing for similar proceedings: juvenile detention, mental illness hearings, criminal arraignments, or testimony of expert witnesses or KBI lab personnel, all with a view toward savings.

Our Court of Appeals and Office of Judicial Administration both use videoconferencing for certain activities instead of requiring attorneys and others to sustain the expense of coming to Topeka. OJA uses it for training court personnel across the state; the Court of Appeals for oral arguments on some cases.

As for the supreme court, we recently obtained video capability in our Topeka conference room. I had the privilege of being the system's first user. In November, at the invitation of Major General Vic Braden of the 35th Infantry Division, I presented a legal education program for him and the lawyers under his command. By the way, they were in Kuwait at the time. Because of the eight-hour time difference, I had to get up at what the military calls O Dark Thirty. I thank them for their service to us all – 7,000 miles from home.

**Personnel efficiencies:**
The judicial branch has also looked at personnel efficiencies. Our weighted caseload study several years ago allowed us to accurately determine, by actual workloads, how many judges and court clerks were needed and where they were needed in the state. Because the study excluded the 700 employees not working directly in the offices of the clerks of the court, in 2016 we conducted a "position inventory" to address them. These assessments, which are continually updated, help us determine needed personnel levels on an ongoing basis. It also allows us to consider the impact of recent advancements in technology on those staffing needs. We are currently working with the National Center for State Courts to perform a workload study of our more than 300 Court Services Officers (also known as CSO's). Essentially, they supervise offenders on probation.

These studies and our increased use of technology have indeed been valuable tools in modernizing court operations. That in turn benefits the Kansans we all serve.

But as I mentioned from this podium last March, while we are gaining efficiency through them, we are also continuing to lose efficiency – through increased turnover of highly experienced judges and employees. Besides retirement, these losses are primarily because of low compensation. For the same reason, we often have had real trouble finding suitable replacements in many courthouses.

- As you may recall, using a grant, in 2016 we hired the experts from the National Center for State Courts to study the compensation earned by our (1) court employees and (2) district magistrate judges. They looked at compensation levels of these folks in other state court systems, and in comparable positions in local government and private business.

- After you authorized judicial branch personnel a 2½% pay increase last session, for which I publicly thank you, the National Center then updated its findings and conclusions. Among other things, it considered recent increases in employee compensation in the sources it examined last year, such as other states' court systems.

A founding father of our country, Alexander Hamilton, has often been attributed with saying, "The first duty of society is justice." Seemingly at odds with Hamilton's view is the fact that even with last session's 2½% increase:

- Nearly 1/3 of all the employee positions in our justice system still have starting salaries below the 2017 federal poverty level – for a family of four;

- And the fact that every Kansas judicial branch job classification is still below market pay rate, some by as much as 21%.

- Standing in the gallery now is Ms. Penny Timmons, (trial court clerk IV) who represents those of our employees who are paid 20.4% below market. And Ms. Karen Hughes, (word processing tech) who represents our employees paid below the federal poverty level I mentioned.

Thomas Jefferson was a great rival of Hamilton's among the founding fathers. Because like Reagan, President Jefferson believed in smaller government. Even so, Jefferson also believed that, "The most sacred of the duties of a government [is] to do equal and impartial justice to all its citizens." I hope you can appreciate that this most sacred duty of government becomes more difficult to perform when approximately 700 of our justice system's 1600 employees (44%) are still paid about 16.5% below market.
This includes many court services officers, who each year supervise 18,000 convicted criminals on probation, including approximately 3,000 sex offenders. And we can only wonder what Jefferson might have to say about our ability to perform this most sacred duty – when told that nearly one-third of our employees also need to work jobs outside the Judicial Branch to make ends meet. This is five times higher than the Kansas average.

- Now standing in the gallery is Mr. Brad Schuh, (a CSO I) who represents the 700 employees paid 16.5 % below market. And also Ms. Miranda Cummings (managing court reporter) who represents the approximate 500 employees having to work at least one other job to make ends meet.

Let's fast forward from Hamilton and President Jefferson to yet another president, Andrew Jackson – who is considered by many historians to be a great champion of the people. Jackson said,

"All the rights secured to the citizens under the Constitution are worth nothing . . . except guaranteed to them by an independent and virtuous Judiciary."

So let's look at our judiciary. Among the things the compensation study revealed are

- Over 21% is still needed to raise district magistrate judge salaries to market level.
- And more than one-fourth of our magistrate judges who responded to the survey have indicated they are seeking employment outside the judicial branch. The number one reason given? Compensation.

The people's champion, Andrew Jackson, was not alone in his beliefs. An Atchison businessman named Robert Graham was a delegate at the Wyandotte Convention in 1859 – which was established to create a constitution so Kansas could be admitted as the 34th state. Graham told his fellow delegates,

"[E]verything should be done for the purpose of calling to the bench the best legal talent in the country. As a safeguard to the interests of the people, this is of more importance than anything else that will come before us."

This sentiment was echoed by other delegates.

It is a matter of public record, however, that even after last session's increase, today Kansas district judges (the trial judges in your communities), still rank next to last in the nation for what they get paid. Kansas is only ahead of New Mexico.

Last year from this podium I said it is human nature for people to devote their time and money to those things that are most valuable to them. So after recalling these statements of the founders of this country and our state, all Kansans again may want to ask themselves: what value do we place today on the administration of justice in our state? Some may respond that although the National Center's work does provide objective market data based on various sources, it has no bearing on the real world in Kansas. So allow me to share our judicial branch reality.

Actual numbers establish that because of low pay, we are losing more and more good, experienced people in our branch of government. And actual numbers show it also is hard to recruit suitable replacements. First, according to the Bureau of Labor Statistics, the current average turnover rate nationally is 3.2 %. Ours in the judicial
branch? Almost 5 times as high: 15%.

Second, we have also seen a large drop in the number of qualified applicants for our positions. Let me provide some examples.

**Trial Court Clerk II positions (entry level)**

In 2017, the 19th Judicial District (Winfield and Arkansas City) had 11 applicants for two positions. Five of them eventually withdrew, either because they could not take a pay cut or already found a better position elsewhere – so essentially six applicants, down from 42 applicants for two positions in 2010.

Unfortunately, the pay raises from last session have not reversed this downward trend for clerks. Two months ago:

- The 28th Judicial District (Salina and Minneapolis) had only eight applications for an opening, down from 50 for an opening just five years ago.
- The 5th Judicial District (Emporia and Cottonwood Falls) had only 12 applications for an opening, down from 38 just five years ago.
- And the Sedgwick County Court had five openings – but only six applicants. Only three were hired. Last month that court had three openings but only three applicants – of which only one was deemed qualified.

Trying to fill these particular positions will only become more difficult. Starting pay is $11.80 per hour. But recently WalMart announced it is raising its minimum wage to $11 per hour and is adding eligibility for bonuses up to $1000.

For CSO I's (probation officers) the news is regrettably about the same.

- For example, in 2016 the 17th Judicial District in northwest Kansas had only four applications for an opening; down from 21 applications in 2005.

And unfortunately, the recent pay raises have not reversed this downward trend for CSO's. Three months ago:

- The 28th Judicial District (Salina and Minneapolis) had only 11 applicants; down from 38 in 2011.

**Average cost of turnover**

The National Center described some of the hidden cost of underpaying employees – which results in turnover. As mentioned, our turnover rate is nearly five times higher than the national average.

Among the relevant factors considered in this cycle of inefficiency were the time and energy spent on recruiting, interviewing, and hiring new employees, with existing employees trying to cover all the work until the vacancies are filled. And then time and energy is spent on training the new person – by existing employees who again have to put aside their regular duties. If this increase in turnover and decline in applicants continues to worsen, at some point we will find ourselves – particularly in the smaller, rural counties – with no suitable applicants. And because Kansas statute requires at least one judge per county, that means the only judge in the county will be doing all the court's work.

Putting aside the obvious inefficiencies, the real question then becomes: how many judges will be willing to perform all these court functions in these counties – when
today many of our magistrate judges already want to leave their existing workloads for higher paying jobs? In light of this reality, an even more important question may arise: do you want to continue to keep at least one judge in each of our 105 counties if we are unable to hire any suitable staff to support them? That is a policy question for this legislature to consider. I take no position on it today.

Getting down to brass tacks, what do all these people in the Judicial Branch do for the money you currently invest in them?

Well, last fiscal year, they processed almost 400,000 new cases filed in the district courts. This caseload included more than 20,000 felony cases and more than 14,000 misdemeanor cases. In addition to supervising convicted criminals on probation, they protected almost 7,000 children who were in need of care by ruling on requests related to their safety and wellbeing. And they protected nearly 14,000 people by issuing restraining orders – to say nothing of the probate, juvenile, domestic, traffic, and other cases. Among the thousands of civil cases filed were those by Kansas business owners to collect money owed them.

Last week the governor said from this podium, that we "will fight the scourge of human trafficking like no other state and throw that darkness from our borders." In response to his request for us to recognize the efforts of the Attorney General and the legislature on this issue, General Schmidt got a standing ovation. Rightfully so. But with this renewed emphasis on increasing the numbers of people prosecuted for these terrible crimes, we need to remember where the Attorney General – and all of the prosecutors of this state – will go to do that: the Kansas courts whose personnel will shoulder these increased caseloads. The same can be said for any other new legislation passed to achieve the worthy goals of protecting human rights, criminalizing conduct, or both.

Let me return to a few examples of the many other things the courts have done.

Committee on fees, fines, and bonds:

We are all painfully aware of the problems that were disclosed in the city of Ferguson, Missouri. Although municipal court problems of that magnitude have not arisen in Kansas, your supreme court has nevertheless been proactive. First, I have communicated with the judge who served as the Chief Justice of Missouri at that time.

Second, we have created a committee to review bonding practices, fines, and fees of the more than 300 municipal courts in Kansas. Among other things, the committee will examine the operations of these courts and compile a "best practices" model for them to follow. Committee members from across the state include Rep. Brad Ralph of Dodge City. The committee has now met twice – with more to come. It will report its ultimate findings to not only our judicial administrator but also the League of Kansas Municipalities.

With that municipal courts committee as a model, a number of chief judges have asked the supreme court to later form a similar one for our state court system. While best practices and some degree of uniformity are worthy goals, the real foundation for the entire project is the desire to maintain Kansans' faith in their system of justice. So if problems are found, we intend to see they are fixed.

Specialty Courts:
Specialty, or problem-solving courts, differ from the usual courts because they coordinate services provided to criminal offenders with direct supervision by a judge. Most of these are drug courts which attempt to address an offender's underlying substance abuse problems — problems that often lead to a frustrating cycle of criminal offenses, incarceration, and then more offenses. National research has shown that drug courts can be effective in reducing offender recidivism. That in turn saves considerable judicial — and correctional — resources. To date, some variation of drug courts — ranging from juvenile drug courts to those limited to defendants addicted to meth — exist in 10 of our 31 judicial districts.

But the tradeoff for these rewards continues to be more judicial time: they often require intense supervision by judges, in addition to that by their regular probation officers. Despite this extra work, several more districts are looking to start drug courts in 2018 because they see the benefits for the individuals and the state.

Other types of specialty courts have been established with this same goal in mind. Veterans' court in Johnson County was created for those who have committed misdemeanors or lower-level felonies and who are eligible for treatment by the Veterans Administration. Like drug courts, the veterans' court offers alternatives to incarceration. A recent graduate of the 18-month long program credits it with turning him away from suicide after his return from a combat tour in Afghanistan.

Similarly, Douglas County District Court established a Behavioral Health Court to target those whose mental health issues may have contributed to the low level, nonviolent criminal charges against them. The goal is to dismiss the charges after a period of successful intervention and treatment.

And other judicial districts have similar nontraditional courts with similar goals. The 29th Judicial District, Wyandotte County, has "mental health court." Lyon County in the 5th Judicial District has "Home Court" for supervising low risk juvenile offenders with capable parental involvement. And three districts have juvenile truancy courts. All of these specialty courts operate pursuant to Supreme Court Rule that adopts statewide operating standards for such courts.

Supreme Court travel:

My last topic on the State of the Kansas judiciary concerns the appellate courts continuing to take their proceedings directly to the people of Kansas. The Court of Appeals has heard its cases argued across the state for years — recently in Hugoton and Ulysses in southwest Kansas.

As for the supreme court, most recently we heard cases in Winfield and Emporia. This spring we will be in northwest Kansas. Like others, that session will be held in the evening — so that people who work during the day can come and see for themselves, who we are, what we do, and how we do it. To date, Hays has the record turnout: nearly 700 people attended. But Goodland is where Justice Luckert grew up. So we may see that record broken as people come out to see their "hometown achiever."

CONCLUSION:

In closing, for the good work you have done for Kansans in these difficult times, I want to express my gratitude. Now I am well aware you are still facing many challenges during this legislative session. Maybe some of the biggest ones ever.
From my remarks this afternoon, clearly one challenge is this: If things continue on this financial path in the judicial branch, there are serious concerns about our ability to administer the quality of justice that Kansans have come to expect and deserve. But I believe that you will continue to take fair account of the needs of the Judicial Branch – our judges and employees – as we continue to enforce the constitutional rights held so dear by Ronald Reagan. And continue to provide justice embraced by the founders of not only this nation but also this great state.

I began with a quote from President Reagan. Let me end with one from another president, our fellow Kansan, Dwight Eisenhower. Sixty years ago, President Eisenhower said:

"If civilization is to survive, it must choose the rule of law. . . . [W]e honor not only the principle of the rule of law, but also those judges, legislators, lawyers and law-abiding citizens who actively work to preserve our liberties under law."

His words ring so true today. If justice, liberty and the rule of law are not to wither in Kansas, but to thrive, then as the man from Abilene said, we all need to work together. And we need your help as legislators. It's nice to have an occasion like this to get to know each other a little better. So we invite you to a reception outside the old Supreme Court chamber after my remarks. My fellow judges and I look forward to introducing ourselves and visiting with you there, and to talk about how to implement what Eisenhower said.

I bid you Godspeed. And to wish you, as they say on ships, "Fair winds and following seas." Thank you.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Thursday, January 18, 2018.

Prayer by Chaplain Brubaker:

Most gracious and loving God,
for Your mercies that are new every morning, thank You.
Yesterday, one of our native sons was honored
with the Congressional Gold Medal.
As he received his award, speaking through his wife,
Senator Bob Dole said something that as leaders,
we would do well to adopt.
“Leadership begins with the long view.”
It would be so easy to settle for short-term solutions.
However, good leaders will take the time
to study, listen, learn and work towards solutions
that will make an impact for the long term

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Clark are spread upon the Journal:

I would like to welcome the Kansas Agriculture and Rural Leadership Program Class XIV. The KARL Program enhances rural and agricultural representation, improves professionalism, increases community involvement, sharpens promotional skills, boosts urban support and understanding, reduces isolationism, and enriches the quality of life in the state of Kansas.

KARL conducts nine in-state seminars and three study/travel seminars (national and international) during the program's two years. These seminars develop individual leadership skills and focus on issues and problems facing leaders on the local, state,
national and international levels.

Potential KARL participants are identified by key agricultural and rural leaders. KARL selects each class of 30 state and local leaders through profile forms, screening and interviews.

Please join me in welcoming the members of the KARL Class XIV who are with us today: Amanda Ahrens, Leoti; Daniel Anderes, Junction City; Tyson Anderson, Marysville; Jancey Hall, Neodesha; Patrice Herrmann, Dodge City; Lucy Hesse, Wichita; Jordan Hildebrand, Manhattan; Lynn Moore, Pittsburg; Brian Sieker, Chase; and Matt Weeks, Olathe.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

Good Morning:

This year marked the 32nd national observance of the Dr. Martin Luther King federal holiday. This past Monday marked the 89th birthday of the slain civil rights leader. The holiday was established in 1983. In 1994, Congress designated the holiday as a national day of service, and charged the Corporation for National and Community Service to help promote the effort. Keep in mind, the holiday is not just for black people, but for all Americans.

MONTGOMERY, ALA., BUS BOYCOTT, DEC. 5, 1955,
KING’S FIRST MAJOR SPEECH AS A CIVIL RIGHTS LEADER

“There comes a time when people get tired. We are here this evening to say to those who have mistreated us so long that we are tired – tired of being kicked about by the brutal feet of oppression….

“We have no alternative but to protest. For many years, we have shown amazing patience. We have sometimes given our white brothers the feeling that we liked the way we were being treated. But we come here tonight to be saved, to be saved from the patience that makes us patient with anything less than freedom and justice.”

EXCERPT FROM THE ESSAY
“LETTER FROM A BIRMINGHAM JAIL,” APRIL 16, 1963

“We know through painful experience that freedom is never voluntarily given by the oppressor; it must be demanded by the oppressed. We have waited for more than 340 years for our constitutional and God-given rights. The nations of Asia and Africa are moving with jetlike speed toward the goal of political independence, and we still creep at horse and buggy pace toward the gaining of a cup of coffee at a lunch counter….

”A just law is a manmade code that squares with the moral law or the law of God. An unjust law is a code that is out of harmony with the moral law… Any law that uplifts human personality is just. Any law that degrades human personality is unjust. All segregation statutes are unjust because segregation distorts the soul and damages the personality. It gives the segregator a false sense of superiority, and the segregated a false sense of inferiority.
“(Segregation) ends up relegating persons to the status of things. So segregation is not only politically, economically and sociologically unsound, but it is morally wrong and sinful.”

MEMPHIS, APRIL 3, 1968, 
THE DAY BEFORE KING’S DEATH

“I don’t know what will happen now. We’ve got some difficult days ahead. But it really doesn’t matter with me now. Because I’ve been to the mountaintop. Like anybody, I would like to live a long life. Longevity has its place. But I’m not concerned about that now. I just want to do God’s will. And He’s allowed me to go up to the mountain, and I’ve looked over and I’ve seen the promised land. I may not get there with you, but I want you to know that we as a people will get to the promised land. So I’m happy tonight. I’m not fearing any man.”

In 2013 my husband and I visited the National Civil Rights Museum at the Lorraine Motel in Memphis, Tennessee, where Dr. King was assassinated. He was in Memphis to speak to the Sanitation Workers, who were on strike. As I walked around the museum, I was overwhelmed with emotions. It is difficult to describe what I felt, but it included sadness and gratitude. Dr. King gave his life to make the lives of others better, and also, for all of us, so we could all realize our dreams.

Dr. King was an ordinary man, and a minister, who helped to accomplish many extraordinary things. We know his legacy and his dream. I ask, what will be our legacy – what is our dream? Serving in the Kansas Legislature is not only a privilege and honor but provides many opportunities for each of us to make a difference in the lives of our constituents. You have heard me mention my Father and Mother before, and how I wish they were sitting upstairs in the gallery. They would be so proud to see their daughter standing at this podium. My parents were Welborn and Ethel Williams. It is my honor to serve in this chamber and I will continue to try and make a difference in the lives of others.

I will close with a quote from Dr. King - “Injustice anywhere is a threat to Justice everywhere.”

Thank you for listening and for providing me this opportunity to recognize Dr. Martin Luther King, Jr.

COMMITTEE ASSIGNMENT CHANGES

Speaker Ryckman announced the appointment of Rep. Phelps to replace Rep. Lusker on Committee on Agriculture on Monday, January 22.
INTRODUCTION OF GUESTS

There being no objection the following remarks of Rep. Seiwert are spread upon the Journal:

Philosopher Edmund Burke once said, “The only thing necessary for the triumph of evil is for good men to do nothing.” Today we stand together on the anniversary of the historic Supreme Court Case, Roe v. Wade. We stand together as good men and women who will not let evil triumph.

Kansas has come far in the past seven years. We’ve gone from a state that almost completely disregarded the value of life to one of the most pro-life states in the nation. As the Governor said in his State of the State address, over the past six years, there have been 17,000 fewer abortions than in the prior six years. The Women’s Right to Know Act was introduced last session, ensuring that women are given full information in abortion clinics. Simon’s Law was also passed, protecting the lives of hospitalized babies.

Hardworking Kansans have made these accomplishments possible. Julie Samaniego is one such Kansan. Julie is the founder of the faith-based organization Circle of Love. Circle of Love brings hope and empowerment to women while assisting them through their adoption journey with great care and respect, and mentoring them for years after. Adoptive couples find encouragement and clarity in their adoption journey. They learn how to develop relationships with their birth families and practice healthy boundaries and unconditional love.

Julie’s 30 years of adoption advocacy have helped countless women who have chosen life and adoption for their baby. Last year, she was named as a 2017 Angels in Adoption awardee for her outstanding advocacy. The bipartisan Congressional Coalition on Adoption Institute and Senator Pat Roberts honored Julie and the 120 other awardees at a ceremony in Washington, D.C.

Being named an “Angel” is a true honor and testament to Julie's tireless work to protect life and dignity.

Through her work, Julie Samaniego has not allowed evil to triumph. But the fight is not over. On this day, we come together in support of human dignity and the most sacred God-given right: the right to Life, May we continue to follow the example of people like Julie, and those Kansans and Americans who work everyday to protect the unborn.

Please join us this afternoon at 12:45 on the South steps of the Capitol for the Rally for Life.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Tuesday, January 23, 2018.
The House met pursuant to adjournment with Speaker Ryckman in the chair.

Prayer by Chaplain Brubaker:

God Almighty,
Your Word says
“I will guide you along the best pathway for your life.
I will advise you and watch over you.”
Each day our leaders face many options.
Many times, they do not know which option to take.
May they realize that You desire that they
seek out Your direction and walk in faith with You.
They are fully aware they are fallible and don’t have all the answers.
Therefore, it is vital that You impart to them
Godly wisdom and discernment.
Keep them humble before You,
considerate of one another,
and diligent in seeking the right and just solutions.
I pray this in the Name of Jehovah-Jireh,
the Great Provider, Amen.
(Psalm 32:8, NLT)

It is my honor, on behalf of the 491,000 students in our public school classrooms in this great state of Kansas and the House Education Committee, to introduce to you some remarkable educators who are simply great teachers.

They love what they do. They challenge their students to do more, to be more, and to expect more.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Houser are spread upon the Journal:

I would like to recognize a few members of the Cherokee County Sheriff’s department and local fire departments today for their acts of selflessness and bravery exhibited during the rescue of a person from a vehicle in a very dangerous situation.

The headlines read “Rescue Personnel Pull Man From Overturned Vehicle Submerged in Creek”

Just after 7:00 pm. on Thursday, January 11, 2018, emergency personnel were dispatched to the area of Southwest 90th and Clem Road, where a passerby saw the tail lights of an overturned 2002 Nissan SUV, submerged in a creek.
Cherokee County Sheriff’s Deputies Noble Dobkins and Matt Hatfield arrived on
scene along with Lola Township Fire Department Lieutenant Jack Getman.

Upon their arrival, they heard the driver and sole occupant screaming for help as he was trapped inside the vehicle, which now had water inside of it.

Deputy Hatfield attempted to get to the driver, but was unable to reach him in the waist deep water.

Deputy Dobkins then spotted a cable, which had been strung across the creek as part of a fence. The cable was near the vehicle, so he began to walk on it and was able to get on top of the overturned SUV. The doors, however, were locked, so they were still unable to reach the driver.

Firefighters from Lola Township and the Columbus Fire Department began arriving at that time and one of them retrieved a tow rope. Deputy Hatfield took the rope and connected it to a tow rope Deputy Dobkins had. Deputy Hatfield then used his patrol vehicle to pull the SUV on its side. Once on its side, emergency personnel were able to break one of the windows, allowing the driver to be pulled from the vehicle.

In order to get Woods back to the street, a ladder was extended to the vehicle and the driver was placed on a backboard so rescue personnel could pass him along until he was back to the roadway.

Woods was then transported to Mercy Maude Norton Hospital in Columbus, before being transported to Mercy in Joplin to be treated for his injuries and low core body temperature.

I wholeheartedly agree with the Sheriff when he said "There is no question, considering the frigid temperatures on Thursday night, this crash could have ended in a much more tragic way. I'm proud of the quick thinking and courageous acts demonstrated by law enforcement and Firefighters at the scene, which no doubt resulted in the saving of the driver’s life," concluded Sheriff Groves.

Standing with me are Sheriff Dave Groves, his deputies Noble Dobkins and Matt Hatfield. I also want to recognize Firemen Jack Getman and Kale Kitterman for their efforts in the rescue. Please join me in congratulating these men for a job well done.

Rep. Houser presented framed House certificates to his guests.

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

HOUSE CONCURRENT RESOLUTION No. HCR 5022—
By Representative Miller

A PROPOSITION to amend section 2 of article 2 of the constitution of the state of Kansas, relating to members of the senate and house of representatives.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection:

Section 2 of article 2 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Senators and representatives. (a) The number of representatives and senators shall be regulated by law, but shall not exceed one hundred twenty-five /125 representatives and forty /40 senators. Representatives and senators shall be elected from single-member districts prescribed by law. Representatives shall be elected for
two-year terms. Senators shall be elected for four-year terms. The terms of representatives and senators shall commence on the second Monday of January of the year following election.

(b) (1) On and after January 1, 2022, the number of representatives and senators shall be regulated by law; but shall not exceed 123 representatives and 41 senators. Senators shall be elected from single-member districts prescribed by law. Representatives shall be elected from single-member districts with three representative districts within each senate district.

(2) Representatives shall be elected for two-year terms.

(3) Senators elected at the general election held in 2024 from odd-numbered districts shall be elected for a two-year term for one term only. At the general election in 2026, such senators shall be elected for a four-year term and at each succeeding general election every fourth year for a four-year term. Senators elected from even-numbered districts at the general election in 2024 and thereafter shall be elected for a four-year term."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to reduce the number of representatives to 123 representatives and to increase the number of senators to 41 senators. It will also require that three representatives be elected from each one of three districts created within each senate district. The amendment would also stagger the terms of the members of the senate of the legislature.

"A vote in favor of this amendment would reduce the number of representatives to 123 representatives and increase the number of senators to 41. It will also require each senate district to contain three representative districts. Finally, the amendment will stagger the terms of members of the senate.

"A vote against this amendment would retain the current constitutional provisions relating to the number and terms of members of the legislature."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2018, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

Prayer by Chaplain Brubaker:

Almighty God and Creator,
Thank You for this day in which we celebrate
the 157th Anniversary of the State of Kansas.
Thank You for watching over this state all these years,
for the many blessings You have bestowed upon us.

Lord, for those who love ice cream,
I am sure they are grateful for former legislators who changed the law
that previously made it illegal to serve ice cream on cherry pie in Kansas!

What was that all about?
Perhaps these legislators could make a significant law like that this year—
like making coffee the official drink of Kansas.
In all seriousness, Lord, we are grateful
for our state – our leaders – our citizens.

We are truly blessed.
And, as for the Sunflower State Showdown, give them a good game - Go Cats.
I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Crum.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 122 members present.

Prayer by Chaplain Brubaker:

   Dear God, the Great I Am,
   We have this beautiful day because You are;
   we are here because You are.
   As our leaders work together
   on the various issues at hand,
   help them to work together and not be like the
   two men who rode a tandem bike up a hill.
   After much effort, they finally made it.
   As the front rider proclaimed,
   “that was a tough ride,”
   the second rider responded with,
   “sure was, and if I hadn’t kept the brake on
   we might have slipped backwards.”
   It may seem at times that when one is pushing ahead,
   the other is holding the brake down.
   Give them a spirit of unity, cooperation and working together today.
   Lord, I understand an accident just occurred
   with a train carrying U.S. Representatives.
   Please be there in that situation,
   guiding first responders in the rescue
   and being near to those injured.
   In Your Son’s Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Hawkins.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Delperdang are spread upon the Journal:

Last November 9th, 2017 there was a newspaper headline that read: “Kansas Science Teacher wins $25,000 Milken Educator Award.”

The Milken Educator Awards, hailed by Teacher magazine as the "Oscars of Teaching," has been opening minds and shaping futures for 30 years. Research shows teacher quality is the driving in-school factor behind student growth and achievement. The initiative not only aims to reward great teachers, but also to celebrate, elevate, and activate those innovators in the classroom who are guiding America's next generation of
leaders. Milken Educators believe, "The future belongs to the educated."

That Kansas Teacher is Heidi Albin.

Heidi is the only Milken Educator Award winner from Kansas this year, and is among up to 45 honorees who will receive this national recognition for 2017-18.

Bringing science to life is second nature to Heidi Albin, a science teacher at Complete High School Maize (CHSM), an alternative school that educates students in grades 9-12 who struggled in a traditional high school setting. Heidi's effect, permeating beyond the classroom walls and into the school's culture, is changing lives.

Her first priority is to make her students scientists. Albin designed a self-paced, multi-science curricula with numerous programs and real-life experiences that deeply engage them while teaching ownership, responsibility and character. Her community garden enables students and their "partners"—retirement home residents—to work side-by-side and learn gardening skills and ecology. An agricultural program, including chick hatching and husbandry, demonstrates biology, while her partnership with WILD Kansas (a student organization focusing on outdoor education activities) promotes the environment and conservation. When surveyed, 23 percent of her students said they were interested in science before taking her class. That percentage increased to 82 percent after experiencing Albin's innovative instruction and activities.

Additionally, Heidi set aside a service day for students to volunteer within the community. This included raising funds to acquire Kinsey, a therapy dog, as an opportunity to help students cope with depression and anxiety. Loving and being loved by Kinsey has unified students and teachers, leading to a less stressful environment aiding in academic success and student retention.

When Heidi discovered students lacked hope about their future, she implemented an individualized plan of study for each student that included; classes to take, potential careers, guest speakers, job shadows and interview preparation skills.

Not only did the students' future perceptions and self-worth develop, so did concrete parts of their learning such as; improved attendance, reduced dropouts and increased graduation rates. 95% of her students graduate high school and 92% are either employed or enrolled in higher education 5 years after graduation.

Heidi's initiatives make a difference in her school district and across the state. She shares her science curriculum with other schools in the district and statewide, and co-authored "186 Days of Character," a yearlong, cross-curricular and character-building program she implemented at Complete High School, Maize - which the state shared with hundreds of educators throughout Kansas.

Heidi has also presented at state and national conferences about her science curriculum and character-building programs.

Working with students to achieve their goals outside the classroom is one of the hallmarks of a great educator. Heidi Albin not only sparks a passion for science in her students, but also puts them on a path to become productive citizens.

“Heidi Albin is literally changing lives."

She is a great example of Kansas' outstanding teachers. She is an amazing young educator, and the relationships and bonds she creates with her students are remarkable.

Thank you, Heidi, for what you do!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Whitmer are spread upon the Journal:

Established 50 years ago, by the Kansas Legislature, the Kansas Law Enforcement Training Center or KLETC serves as the central law enforcement training facility for our state and as headquarters for all law enforcement training in Kansas.

In those 50 years of operations, KLETC has had only 3 Directors.

KLETC, a unit of the University of Kansas Continuing Education and University Outreach is located at the former naval air station, situated south of the Hutchinson and west of Yoder in Reno County, Kansas. Its mission is “the promotion and development of improved law enforcement personnel and procedures throughout the state, and the training center shall offer to qualified applicants such programs and courses of instruction designed to fulfill this end.”

KLETC directly trains the overwhelming majority of municipal, county and state law enforcement officers in Kansas, and oversees, supervises and monitors the training of the remaining officers at eight authorized and certified academy programs operated by local law enforcement agencies and the Kansas Highway Patrol.

In my role as Chairman of the Kansas Commission on Peace Officers’ Standards and Training I have had the distinct pleasure of participating in several KLETC graduation ceremonies and I would encourage you to attend one if you have a chance. The next graduation is March 30th, I have a complete list of 2018 graduation dates in my office and would be happy to pass them along if anyone would like to attend to support graduates from your district.

Joining us today are: Neeli Bendapudi, Provost & Executive Vice Chancellor of The University of Kansas; Dave Cook, Vice Chancellor of The University of Kansas; Ed Pavey, Director KLETC; Darin Beck, Associate Director, KLETC; Ron Gould, Assistant Director, KLETC; Tim Brant, Assistant Director, KLETC.

One last thing I’d like to mention, of those 3 KLETC Directors I mentioned earlier, Director Pavey is the longest serving Director at 23½ years, and he served as the Assistant Director for 4 years’ prior to his appointment in 1994 as KLETC’s 3rd Director.

Director Pavey, on behalf of my colleagues and the people of Kansans whom we are privileged to represent I’d like to thank you and your talented team for your dedication and your service to our state.

WHEREAS, We, the free people of the United States of America, declare war on the businesses, systems and organizations that benefit from the industry of human trafficking. We believe that those who exploit the innocent should be prevented from manipulating the system of law. The government must bring the full weight of its legal and judicial systems against individuals or organizations that seek to enslave a human being. The government must evaluate punishments for the perpetrators of human trafficking crimes to ensure they fit the level of damage that victims incur: Now, therefore,
Be it resolved by the House of Representatives of the State of Kansas: That it is time to educate ourselves on human trafficking issues and how we may unknowingly perpetrate human trafficking through entertainment, consumerism and social media. It is time to unite in the battle against slavery – no matter our race, religion or nationality. America must link arms as one community and demand freedom for all. Finally, we declare our intentions to systematically dismantle every network and harbor that allows trafficking to flourish and to protect and safeguard every innocent person. May God have mercy on our souls should we not honor the intent and purpose of this document and may every human being enjoy freedom now; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Finch.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Finch are spread upon the Journal:

Today we mark the observance of National Freedom Day. On this date in 1865 President Abraham Lincoln signed the joint resolution that proposed the 13th Amendment to the United States Constitution. That amendment reads in pertinent part, “Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place subject to their jurisdiction.”

Major Richard Wright Senior, himself a former slave was instrumental in beginning the observance of National Freedom Day. And in 1948 his efforts became law when President Harry S. Truman signed a bill proclaiming February 1 as National Freedom Day.

While we celebrate freedom on this day, we must recognize that slavery and indentured servitude are not dead. It is estimated that 17,000 or more people in the United States live as slaves. They are manipulated through force, fraud, or coercion to become slaves performing commercial sex acts or labor. The Department of Homeland Security estimates that human trafficking is second only to the international drug trade in terms of money raised for criminal enterprises. Every year there are hundreds of thousands of victims trafficked across international borders to be used as slaves and more than 20 million of our fellow men and women around the globe suffer the cruel fate of living in bondage.

Today we recognize the efforts of the Topeka Rescue Mission to combat modern slavery. I am joined by Barry Feaker and members of the TRM staff. They have launched a new initiative, Freedom Now USA. This organization is being built in all 50 states to support state efforts to eradicate human trafficking, and to declare war against human trafficking and modern-day slavery. By passing this resolution the Kansas House recognizes the efforts of the Topeka Rescue Mission and Freedom Now USA to end this scourge and make sure that future Freedom Days find all people living in freedom from the evil of slavery.

Please join me in voting “yes” today to send a powerful and unified message to traffickers everywhere, that in this state, the Free State, the place where the battle that led to the 13th Amendment began, the great state of Kansas slavery will not stand.

Representative Finch introduced Mr. Feaker and members of the Topeka Rescue
Mission staff to the House.

Sec. 5. K.S.A. 2017 Supp. 75-7c20 is hereby amended to read as follows: 75-7c20.
(a) The carrying of a concealed handgun shall not be prohibited in any public area of any state or municipal building unless such public area has adequate security measures to ensure that no weapons are permitted to be carried into such public area and the public area is conspicuously posted with either permanent or temporary signage approved by the governing body, or the chief administrative officer, if no governing body exists, in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.
(b) The carrying of a concealed handgun shall not be prohibited throughout any state or municipal building in its entirety unless such building has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.
(c) No state agency or municipality shall prohibit an employee from carrying a concealed handgun at the employee's work place unless the building has adequate security measures at all public access entrances to ensure that no weapons are permitted to be carried into such building and the building is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.
(d) (1) It shall not be a violation of the personal and family protection act for a person to carry a concealed handgun into a state or municipal building, or any public area thereof, so long as that person has authority to enter through a restricted access entrance into such building, or public area thereof, that provides adequate security measures at all public access entrances and the building, or public area thereof, is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.
(2) Any person, who is not an employee of the state or a municipality and is not otherwise authorized to enter a state or municipal building through a restricted access entrance, shall be authorized to enter through a restricted access entrance, provided such person:
(A) is authorized by the chief law enforcement officer, governing body, or the chief administrative officer, if no governing body exists, to enter such state or municipal building through a restricted access entrance;
(B) is issued an identification card by the chief law enforcement officer, governing body, or the chief administrative officer, if no governing body exists, which includes such person's photograph, name and any other identifying information deemed necessary by the issuing entity, and which states on the identification card that such person is authorized to enter such building through a restricted access entrance; and
(C) executes an affidavit or other notarized statement that such person acknowledges that certain firearms and weapons may be prohibited in such building and that violating any such regulations may result in the revocation of such person's authority to enter such building through a restricted access entrance.
The chief law enforcement officer, governing body, or the chief administrative officer, if no governing body exists, shall develop criteria for approval of individuals subject to this paragraph to enter the state or municipal building through a restricted access entrance. Such criteria may include the requirement that the individual submit to a state and national criminal history records check before issuance and renewal of such authorization and pay a fee to cover the costs of such background checks. An individual
who has been issued a concealed carry permit by the state of Kansas shall not be required to submit to another state and national criminal records check before issuance and renewal of such authorization. Notwithstanding any authorization granted under this paragraph, an individual may be subjected to additional security screening measures upon reasonable suspicion or in circumstances where heightened security measures are warranted. Such authorization does not permit the individual to carry a concealed weapon into a public building, which has adequate security measures, as defined by this act, and which is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.

(c) A state agency or municipality that provides adequate security measures in a state or municipal building and which conspicuously posts signage in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto, prohibiting the carrying of a concealed handgun in such building shall not be liable for any wrongful act or omission relating to actions of persons carrying a concealed handgun concerning acts or omissions regarding such handguns.

(d) A state agency or municipality that does not provide adequate security measures in a state or municipal building and that allows the carrying of a concealed handgun shall not be liable for any wrongful act or omission relating to actions of persons carrying a concealed handgun concerning acts or omissions regarding such handguns.

(e) Nothing in this act shall limit the ability of a corrections facility, a jail facility or a law enforcement agency to prohibit the carrying of a handgun or other firearm concealed or unconcealed by any person into any secure area of a building located on such premises, except those areas of such building outside of a secure area and readily accessible to the public shall be subject to the provisions of subsection (a).

(f) Nothing in this section shall limit the ability of the chief judge of each judicial district to prohibit the carrying of a concealed handgun by any person into courtrooms or ancillary courtrooms within the district provided the public area has adequate security measures to ensure that no weapons are permitted to be carried into such public area and the public area is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.

(g) The governing body or the chief administrative officer, if no governing body exists, of any postsecondary educational institution, as defined in K.S.A. 74-2201b, and amendments thereto, may exempt any building of such institution, including any buildings located on the grounds of such institution and any buildings leased by such
institution, or any public area thereof, from this section until July 1, 2017, by stating the reasons for such exemption and sending notice of such exemption to the Kansas attorney general. (1) Except as provided in subsection (i)(2), a postsecondary educational institution may prohibit the carrying of concealed handguns in any building of such institution, including any buildings located on the grounds of such institution and any buildings leased by such institution, or any public area thereof, provided that the building or public area thereof is conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.

(2) A postsecondary educational institution shall not prohibit the holder of a license issued pursuant to or recognized by this act from carrying a concealed handgun in any building of such institution or public area thereof, unless such building or public area has adequate security measures to ensure that no weapons are permitted to be carried into such building or public area and there is signage conspicuously posted in accordance with K.S.A. 2017 Supp. 75-7c10, and amendments thereto.

(k) The provisions of this section shall not apply to:

(l) Nothing in this section shall be construed to prohibit any law enforcement officer, as defined in K.S.A. 2017 Supp. 75-7c22, and amendments thereto, who satisfies the requirements of either K.S.A. 2017 Supp. 75-7c22(a) or (b), and amendments thereto, from carrying a concealed handgun into any state or municipal building, or any public area thereof, in accordance with the provisions of K.S.A. 2017 Supp. 75-7c22, and amendments thereto, subject to any restrictions or prohibitions imposed in any courtroom by the chief judge of the judicial district.

Father God,
Thank you for this day You have given us.
We are reminded of the great words of St. Francis of Assisi:
“Lord, make me an instrument of your peace.
Where there is hatred let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
and where there is sadness, joy.”
In your hands, we are instruments that can accomplish that
which can shape the future for greater good.
Help us as Your instruments to work together in harmony.
This I pray, Amen.

The Pledge of Allegiance was led by Rep. Aurand.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kessinger are spread upon the Journal:

Blue Valley North High School is renowned for its academics. For example, achievements in the past year include:
• Six Presidential Scholar candidates
• Four perfect ACT scores
• 16 National Merit Scholarship Semifinalists and 14 Finalists
• Two national Hispanic Scholars
• BVN is home to the 2017 Kansas Teacher of the Year, Mr. Jason Sickel.
• Named one of America’s most challenging high schools the past 10 years by the Washington Post. And many more academic accolades.

This school year has brought some unaccustomed football recognition to the school as the Blue Valley North Mustangs defeated two-time defending champion Derby High School for the Kansas State 6A football championship.

It was a wild ride to the championship as the Mustangs advanced to the title game with a 44-37 double overtime win over rival Blue Valley High School. My fellow Johnson County representative from the Blue Valley High School district is here to uphold his end of a friendly wager we had on the game, as evidenced by him wearing a Blue Valley North Championship shirt.

North captured the title by defeating Derby 49-42, and became the only Blue Valley 6A school to take the title.

Football championships are uncharted ground for Blue Valley North. When Coach Andy Sims took over as head coach in 2014, the team had only one total win in the previous three years. His first year as coach, Sims’ team won two games. He is now here to accept our recognition for winning a state title.

Others here today are: Graham Mertz, Miles Emery, Dylan Freburg, Ander Johnson, and Thatcher Robertson.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Victors are spread upon the Journal:

Today is Kansas Native American Legislative Day, a day to honor the government-to-government relationship between our four tribes and the state. There are over 500 federally recognized tribes in the United States, each with their own culture, spirituality, traditions, and language.
In the late 19th century, tribes were restricted to reservations. Many Native American children were taken to boarding schools, where they were required to speak only English and were persecuted for speaking their tribal language. As a result of this horrifying atrocity, Native American languages were dead or dying. By the late 20th century, more than half of Native Americans in the U.S. lived in urban areas, where English was their everyday language. Today, the few remaining Native American languages are usually only spoken by tribal elders. However, this trend is being reversed by the younger generation, many of whom have taken it upon themselves to learn and preserve their tribal language.

Today, I want to showcase two tribal youth – Gerald Wahwahsuck, Jr. from the Sac and Fox Nation of Kansas, and Panosh Wabaunsee from the Prairie Band Potawatomi Nation – who are fluent in their native language. They understand the importance of preserving their culture for future generations. Please join me in recognizing them and encouraging them to continue to learn their culture. Weblahha!

Rep. Victors presented her guests with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Williams are spread upon the Journal:

Members of the Body, it is my honor today to introduce you to the Rose Hill High School two-time State Volleyball Champions. These young women, led by Head Coach Melissa Segovia, clinched the 2016 and the 2017 4A Division I State Volleyball Championship.

This highly decorated team has accumulated a host of awards including four players making the 4A Division I State Tournament team, four receiving the Kansas Volleyball Association 4A Division I All State Honors with one named Co-Player of the Year, and two players receiving the Wichita Eagle All Metro Team Designation: one hitter and one setter. Almost every member of this group of extraordinary young women athletes holds an all-time career record or single match record in Rose Hill volleyball. In addition, Head Coach Segovia was named Kansas Volleyball Association 4A Division I Volleyball Coach of the Year award in both 2016 and 2017.

Segovia attributes success to the support of the families, administration, staff, and community and, of course, the tireless efforts put forth by all the girls, especially the seniors who set the tone for the season. In the Coach’s words, “players realized that there’s a lot that goes into a championship. Hard work, dedication, mental fortitude, and simply showing up every day” goes a long way in building a winning team.

Rep. Williams introduced the following members of the team to the House in recognition of their achievements: Hunter Gunnarson, Morgan Gunnarson, Sarah Lazar, Emily Witt, Danyel Yardley, Emily Adler, Paeten Burke, Breckynn Myers, Analisa Pennington, Gracie Van Driel, Emma Cunningham, Rylie Baker, Haley Thrush. Coaches: Melissa Segovia, Elaine Witt, Jennifer Goering and Superintendent, Randal Chickadonz.

COMMITTEE OF THE WHOLE

On motion of Rep. Landwehr, Committee of the Whole report, as follows, was adopted:

Recommended that HB 2502 be passed.

Committee report to HB 2446 be adopted; and the bill be passed as amended.

Roll call was demanded on motion of Rep. Parker to amend HB 2438, on page 1, following line 6, by inserting:
"New Section 1. (a) The legislature finds and declares that:
(1) The state of Kansas is a significant purchaser of internet services;
(2) implementation of the principles of net neutrality is necessary for the state to ensure efficient procurement of goods and services and to ensure delivery of predictable, stable and high quality internet services; and
(3) a majority of state services are exclusively online and, without principles of net neutrality in place, internet service providers could limit Kansas citizens' ability to receive state services, which could dramatically deepen the digital divide and exacerbate challenges faced by the poorest citizens in accessing state services.

(b) The state shall not enter into a contract with any internet service provider that fails to meet the requirements of this section. To be eligible to receive a contract from the state for the provision of internet services:

(1) An internet service provider shall not:
   (A) Block lawful content, applications, services or nonharmful devices, subject to reasonable network management that is disclosed to the consumer;
   (B) throttle, impair or degrade lawful internet traffic on the basis of internet content, application or service, or use of a nonharmful device, subject to reasonable network management that is disclosed to the consumer;
   (C) engage in paid prioritization; or
   (D) unreasonably interfere with or unreasonably disadvantage:
      (i) End users' ability to select, access and use internet services or lawful internet content, applications, services or devices of their choice; or
      (ii) a content, application, service or device provider's ability to make lawful content, applications, services or devices available to end users.

(2) An internet service provider shall publicly disclose to all of its customers in the state:
   (A) Information upon the network and internet transport management practices for all internet services; and
   (B) performance and commercial terms of the provider's internet services sufficient for consumers to make informed choices regarding the use of such services and for content, application, service or device providers to develop, market and maintain internet offerings.

(c) The secretary of administration may adopt rules and regulations for the administration of this act.

(d) As used in this section:

   (1) "Internet service" means a mass-market retail service that provides the capability to transmit data to and receive data from all or substantially all internet endpoints without regard to delivery technology or infrastructure used to provide such service.
   (2) "State" means this state or any agency, institution, department, board, commission, office or officer of this state;"

And by renumbering sections accordingly;

Also on page 1, in the title, in line 1, by striking "projects"; also in line 1, after the semicolon by inserting "relating to state agencies; prohibiting state contracts with internet service providers that do not adhere to net neutrality policies;"

Rep. Highland requested a ruling on the amendment being germane to the bill. The Rules Chair ruled the amendment was germane.

Governor Jeff Colyer
Address to Joint Session
February 7, 2018

Mr. Speaker, Madam President, colleagues, honored leaders of our Tribal nations, friends, my fellow Kansans, it is an honor to stand before you today as Governor. Please let me begin by formally introducing the new First Lady, and most importantly, the love of my life, Ruth Colyer.

Last Wednesday, we began our first day at 5:30 am and visited our family farm, went to mass, visited a school for kids with special needs, then came to the Capitol for
the formal inauguration and receptions. We finally pulled up to our garage at home after 10 pm, Ruth looked at me with those big beautiful brown eyes and said, “Be sure to bring the trashcan in, Governor”

With Ruth and our daughters Dominique and Serena by my side I shared with you my vision for a Kansas that called each of us to the service of others. As someone who sat in these desks for four years as a Representative and a Senator, --actually right up there, two seats in--I know that service is important to each of you. You leave your family for months at a time. You work nights and you work weekends. You miss basketball games and grandkids' birthdays to be here working for your constituents. And, let's be honest, I know you don't do it for the money. On our very best days, of which there are many, it is about serving Kansans and not about ourselves. Thank you for your service.

We don't talk a lot about service in Kansas. But service is central to the Kansas character. Serving our neighbors is what connects us as human beings. And that connection can be passed on from generation to generation, just as it was for Seaman High School Senior, Natalie Ford.

As a junior last year, Natalie was the recipient of my Lt. Governor's Service Award for the work she did at iCare Foodbank in Southeast Topeka. Natalie wanted to make a difference in the lives of real people. Rather than just talking about it, or posting about it on Facebook, Natalie decided to act. At an early age, she started spending her mornings during her summer vacation volunteering at iCare, helping less fortunate Kansans make healthy food selections and bring food home to their families. She would take the recipients through the store and then load their groceries into the car. But what makes an eighth grader voluntarily get out of bed early in the summertime to do that? For Natalie, it was the example of her grandmother, Scarlett Ford, whom Natalie describes as a mentor and example of someone who gives back to those around her.

Service passed down from generation to generation is a legacy we can give our children. Natalie and her Grandma Scarlett are both here in the audience today. Let's have them stand and be recognized.

Now as I told you before, I keep a surgeon's schedule, not a politician's. It has been a busy but productive few days. On my first full day as governor I began meeting with the Republican and Democratic leadership. Some hadn't been in the Governor's office in years - similar to my own experience as a legislator. We spoke about working together, solving problems and changing the tone. Thank you, and I hope to meet with each of you in the coming weeks and months.

On day two as governor, I visited great communities across Kansas like El Dorado, Pittsburg and Independence. Many Kansans shared with me their willingness to work for a new day in Kansas. I was truly humbled.

I announced major staff changes that I have been quietly implementing. I have a new policy team, communications team, and management team. There are 6 major changes to the cabinet.

We will have a new Secretary of KDHE. The Secretary of the Department for Children and Families, the Chief of Information Technology, the Secretary of
Commerce, the Chief Budget Officer, and the Lt. Governor will all be new. We will manage Kansas more like a business. I am restructuring the executive office to include a Chief Operating Officer to manage and respond more effectively and professionally--more like a major corporation.

On Saturday, Kansans from Salina to Garden City to Emporia shared their ideas. And the best advice came from Carolyn in Salina who said, “There's a reason your car has a small rear-view mirror and a big windshield. Let's go forward. Remember that.”

There are some who say Kansas is in an unwinnable situation. Yes, it is tough, but these are the times we relish. When I worked for President Reagan, even at the darkest hours of the Soviet Union and deep stagflation, he kept a plaque on his desk that read “It CAN be done.” These are the times that set history for the next century. I believe our best days are ahead of us.

Let's be very clear – we have some significant challenges to overcome. As a surgeon, I'm going to deal with problems head on, without rancor and always with compassion. But there are some things that need to change, right here, right now. I like to think of those in three big categories: Reform, Jobs, and Education.

Let's begin with Reform.

First of all, I expect a safe and professional workplace – free from sexual harassment. To anyone here that has experienced these evils, I want you to know that you've been heard. You have value and you have my respect.

I want to thank the Women's Foundation, legislative leaders, and my fellow Kansans who insist we have a professional workplace. My commitment to you is that harassment in any form, at any time, in any place, will not be tolerated in my Administration. Monday, I signed my first Executive Order which First requires all Cabinet Agencies to update their sexual harassment prevention policies. Every employee, every intern, every contractor shall receive the material.

Second, it requires every state employee, every manager, even every intern to undergo sexual harassment prevention training. This will happen annually.

Third, allegations of sexual harassment will be investigated promptly and appropriate disciplinary action shall be taken swiftly.

I also want to thank Senate President Susan Wagle for her leadership on establishing a culture of respect and responsibility in THIS building, the People's House. Kansas government must be more transparent. The Kansas Constitution says, “All political power is inherent in the people…” In my travels around the state, I've talked to many Kansans, who express their desire for more sunlight on government dealings.

I applaud the actions taken by Speaker Ryckman, Majority Leader Hineman, and others to make the legislative process more transparent. Already, we've seen moves to end anonymous bills and to broadcast live and archive all committee proceedings. I also support Senator Wagle's proposal to require lobbyist registration for those attempting to influence executive officials. I believe transparency required of the Legislature, should also be required for the Executive Branch.

A group of legislators, led by Senate Minority Leader Anthony Hensley and House Minority Leader Jim Ward, have put forth several transparency proposals as well. Many of you are working hard on this issue, and your efforts deserve recognition and support.
Thank you. Now it's time for the executive branch to do its part.

Tomorrow, I will sign four executive orders, that take important steps to make Kansas government more transparent:

1. First, we will no longer charge Kansans for open records requests of less than 100 pages.

2. Second, we will institute policies to ensure the Administration relies on official email accounts to conduct state business.

3. Third, I will implement performance metrics for Cabinet Agencies so Kansans can see how we perform.

4. Fourth, we are launching a website to serve as a one-stop-shop for Cabinet Agencies to post open meetings, locations and materials.

Transparency is key to better accountability and accountability is the key to real results. Let's make this happen.

Kansas was founded on the idea that all people have value. EVERYONE has a God-given right to life and liberty. As a doctor, I've seen newborn babies, who no one gave a chance, thrive. I've seen mothers frightened by a scary ultrasound, only to rejoice at their child's wedding 20 years later.

When Kansas first entered the Union, two of our first laws emphasized basic human dignity. As a free state, Kansas prohibited slavery. The same Founders--whose names appear on these walls--passed laws prohibiting abortion. That same constitution that prohibited slavery did NOT mention a RIGHT to an abortion. Yet, a Kansas Court issued a ruling which argues the framers of the Kansas constitution imagined abortion as a separate constitutional right.

This is violence against basic facts. This cannot stand. We are a pro-life state.

On the issue of life, the stakes are SO high, the issue is SO foundational, the people of Kansas MUST have the final say. Next, let's talk about Jobs. Job growth and enhancing the quality of life for all Kansans must be our highest priority.

So, here's my vision for Kansas: Over the next few years, I want us to work together to steadily and professionally build Kansas to be a vibrant, growing state. In short, I want our children to see their best future right here in Kansas. I want my adventurous daughters to see their dreams—serving others—come true right here in Kansas.

There's some good news to report here. According to the most recent data, the Kansas unemployment rate is 3.4%. That's one of the lowest in the country, and the lowest our state has seen in more than seventeen years!

But I also know, if you travel around our state, listening to people and hearing their stories, it's impossible to miss the real-world struggles still faced by so many Kansas families. A rising tide lifts all boats, but too many of our people seem to be stranded on dry land. An expanding economy with opportunities for higher income and rising standards of living only works if our citizens have the right tools to make the most of their own lives.

Did you know there are more than 48,000 unfilled jobs in our state today? Many of those have high wages and great opportunities for advancement. All over the state,
especially in small towns, employers tell me they would hire more workers if they could find them. Truly, we have jobs looking for people.

More and better jobs for Kansans is important to me personally. On my second full day as Governor I was visiting Pittsburg, and as we all know Southeast Kansas continues to struggle. Without prior warning, I stopped in to visit the KANSASWORKS office which helps people looking for work. John Pettus and his team of professionals provide personalized job search assistance. They are truly dedicated to helping Kansans find good jobs.

To address this issue my Administration will be launching a program called the My (Re) Employment Plan. My (Re)Employment Plan,” will provide, free of charge, a skills assessment, resume, interview and networking assistance, and labor market information highlighting current in-demand jobs. This program is designed to help our friends and neighbors get back to earning paychecks and working good jobs.

Other Kansans have the talent and drive but not the immediate technical skills to find a good paying job. The budget proposal includes significant investments in career and technical education. It will give Kansas high school students the opportunity to learn technical skills before they've even received their high school diplomas. Older students can also learn skills needed to compete for in-demand jobs. It will increase the apprentice program, and support the jobs of the future. These modest, but effective, investments will pay long-term dividends, particularly in rural areas.

Now, here's a troubling fact we all must face—-Several other states are trying to steal our title of Air Capital of the World. Today we say to them with one voice, “NOT ON OUR WATCH.”

I've been working with our state's largest private employer, Spirit Aerosystems, and in December they announced plans to invest more than $1 Billion dollars and hire more than 1000 Kansans. That's a $1 million-dollar investment for EVERY job. These are the great-paying high-tech jobs that will stay with us for generations.

In talking with Spirit and other aviation leaders, we've come to learn the real challenge is filling these positions with qualified workers. These are great jobs. They will provide a great life and opportunities for many families.

The budget also helps Wichita maintain its title of Air Capital of the World, with its investments in the National Institute for Aviation Research and the National Center for Aviation Training. I support these investments and hope you'll join me in advocating for them as you work through the budget process.

Speaking of investments, when I was sitting in these seats 10 years ago, I voted to support the T-WORKS program. While that transportation plan was not fully accomplished, we can do better. We must end the highway funding sweeps and build an effective plan that promotes economic development and strengthens our transportation network.

Let's talk about another issue that is washing across America. Many businesses say they have problems finding workers who can pass a drug test. This is a big reason why so many Kansans aren't benefitting from a growing economy. This scourge does not respect ethnicity, age, rich or poor, parent or child or county. Hundreds of our neighbors have died.
Believe it or not, the average life expectancy in the United States decreased the last two years, and many experts cite the opioid and meth epidemics as a primary cause. I've seen this first hand among my own patients.

This legislature has taken some important first steps but we need a comprehensive approach. The good news is, we have one of the top national experts leading our efforts. You know him well: Dr. Greg Lakin—physician, lawyer, addiction specialist, former legislator—will head a task force to work with you to implement short and long-term solutions.

And he's not the only legislator we've turned to for their expertise. I am also tasking our new Chief Budget Officer, Larry Campbell to fully engage a zero-based, performance budgeting process.

New technologies offer new affordable solutions. Together we can make long-term improvements to the budget. Please join me in thanking Dr. Lakin and Larry Campbell for their service in the legislature and their continued contributions to Kansas in their new roles.

We take seriously our responsibility to care for Kansas children in crisis. The Legislature, led by Health Chair Schmidt and others, has been working energetically along with Secretary Meier-Hummel and other key stakeholders, to reform this system. I want to take a moment to personally thank each of you who have been so willing to work on this important issue.

One need only pick up a newspaper to see examples of the extreme evil that exists in this world. Just weeks ago, we read of parents in California that held their children captive for years, starving and chaining them to their beds. In Kansas, we've had our own tragedies, too terrible to recount here.

Unfortunately, government will never be capable of preventing all these evils. But, we can and we must do better. Secretary Meier-Hummel and I stood together to announce several important proposals to give children and families around the state the help they need. The Secretary is working with outside experts on a top-to-bottom review of our state's child welfare system.

We need funding to achieve the following goals:

- hire additional child welfare field staff,
- establish emergency placement options so there are no more kids sleeping in offices,
- hire additional investigative staff to track down missing foster children,
- and invest in new community based family preservation and family strengthening programs.

I know for a fact that each and every person in this room cares deeply about the plight of abused children in our state. Please join me as we fight for the most vulnerable children in our state.

Another area we must address is supporting those in our communities with mental illness. In the last three weeks, I have visited four Community Mental Health Centers. We are in the process of rebuilding that system. The Legislative Mental Health Task Force provides some excellent recommendations to build the best mental health system
in the country.

I suggest to you, one model for our work on mental health reform is the RSI facility in Wyandotte County. This collaboration was led by my friends, Majority Leader Jim Denning and Representative Kathy Wolfe Moore. Thank you for your important work.

Bringing together local law enforcement, mental health centers, and health providers, we've created a place that provides superior service for those with mental illness. It saves state and local resources for others who truly need it. My administration will begin work on several of these suggestions immediately. We stand ready to work with you to ensure those in our communities with mental illness receive top-notch care with the dignity and the respect they deserve.

As a surgeon and governor, I insist on regularly evaluating progress and continuous improvement. Which brings us to the topic of KanCare. I welcome and appreciate the legislative involvement in the future of the program.

This is critical. Chairman Hawkins and others have been particularly helpful as we look to improve the program. So, here are my priorities for KanCare moving forward:

• Improve outcomes for those we serve.
• Bend the cost curve down.
• Fix the eligibility system.
• We must draw down additional Medicaid funding to treat substance abuse and mental illness.
• Support additional work opportunities for able bodied adults which encourage better health outcomes

Our new Secretary Jeff Andersen at KDHE, along with our new Medicaid Director and Chief Medical Officer bring great experience and expertise to this team. These positions will be critical to tackling the Medicaid eligibility backlog issue and resolving problems for the benefit of clients and providers alike. I want to work with you to make sure this crucial program continues to improve for the betterment of the more than 400,000 Kansans it serves.

Finally, and perhaps the most pressing question in many of your minds, where will we go on education? And before we get to the elephant in the room, let me first thank you to the legislature for the remarkable investments you have made in early childhood education. Early childhood education works.

On my first day as governor, I had the opportunity to visit a public school in my hometown of Hays. I want you to know that your Governor is a supporter of public education. In Kansas, we invest in our schools, not because a court tells us to, but because we want to invest in our children and our future. We invest in teachers because they invest in our kids. We support things like the Kansans Can Redesign program because we are willing to do hard things for the youth of this state.

And now I want you to think about something. Governor Bob Docking, Governor Bob Bennett, Governor John Carlin, Governor Mike Hayden, Governor Joan Finney, Governor Bill Graves, Governor Kathleen Sebelius, Governor Mark Parkinson, Governor Sam Brownback, and Governor Jeff Colyer

The last ten Governors of Kansas. Five Democrats and Five Republicans. Fifty
years and counting. That's longer than the Cold War. All ten governors have had the specter of education lawsuits overshadowing education. This must end now.

To some in politics, leadership is about being a bully or being the loudest, shrillest voice in the room. To others it's about staking out a position and never compromising. To me, leadership is about setting a vision and bringing people together to achieve common goals. And, as a former legislator, I know that you don't appreciate being told what to do by a governor, or anyone else for that matter. And I think the reaction to a recent State of the State address is plenty evidence of that.

What I learned from President Reagan is that we develop principles that allow us to resolve our issues. As the sign on his desk and now mine says, “It can be done.” With that in mind, I will offer a framework that I hope you can see fit to support:

1. We must keep our schools open.
2. We need a definitive solution that ends the school finance lawsuits FOR GOOD.
3. Increased investments in K-12 Education must come through a phased in approach that doesn't increase the tax burden on Kansas families and ensures schools can effectively allocate any new funds they receive.
4. Lastly, and most importantly, we must insist on accountability and improved outcomes.

I will sign school finance legislation that meets these objectives. This will not be easy, but public servants and leaders are not called to make the easy choices. We're here to do the right thing, and the right thing is never easy.

As I close today, I want you to know that I intend to be the most approachable Governor in Kansas history. Please know that I see you as a partner and am excited to listen to your ideas about moving our state forward. I began this speech by thanking you for your service to the state and your constituents.

And I would like to end this speech with the same challenge that closed my inaugural address: I challenge you to give yourself to your fellow man. I challenge you to put our long-term interests ahead of short term political gain. I challenge all of us to come together, to work together. To show the world that Kansas is the true heart of America.

Thank you. May God bless you. And may God continue to bless the Great State of Kansas.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Thursday, February 8, 2018.
The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 123 members present.

Rep. Osterman was excused on excused absence by the Speaker.

Prayer by Rep. Phelps:

Heavenly Father, we pause this Thursday morning for reflection. So often as humans we seem to lose our way and wonder, ”How did we get here?” We put our faith in maps and guides and think that if we just find the right one, all our problems will go away. Help us to remember that even as we despair others are on much darker paths and need our help more than ever. Grant us the ability to recognize that our own differences are minor compared to the real challenges faced by the people we represent. Renew in us our charge: to help those less fortunate live out the same prairie optimism that exists for all Kansans. Whether that is road, schools or maps, please help us complete our work .

And finally, you have given us many gifts, with one of those being Chaplain Brubaker. She is not feeling well today and we ask that you grant her a day of rest and recovery.

In Your Most Holy Name we pray, Amen

The Pledge of Allegiance was led by Rep. Concannon.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Murnan are spread upon the Journal:

Please join me in congratulating the Pittsburg High School Speech and Debate Team on their recognition of being named a “Top 100 Schools” in the nation by the National Speech and Debate Association. The Association recognizes programs based on many criteria but the bottom line is that this award is the highest honor bestowed by the

association and demonstrates an outstanding commitment to teaching students essential life skills including communication, research, listening, writing and organization. These kids are representing the 75 members of their team. That team makes up almost 10% of the student population.

As many of you in this chamber know, these kids get up early on Saturday mornings, dress up and go talk about policy. Sounds like us…except these kids don’t get free breakfast like we do.

The team is led by Mrs. Julie Laflen. Julie has been a teacher for nine years. As a first year teacher she was our youngest daughter's teacher and I count our family lucky to have had such a strong, smart and focused role model for our daughter. As a community member, I know that a school is only as good as it’s teachers…Pittsburg Community Schools can offer extremely high quality programming because of people like Mrs. Laflen.

These kids will be in our chairs someday. And we will be well served.

Rep. Murnan presented the Pittsburg High School students and Mrs. Laflen with a framed House certificate in recognition of their achievement.

Prayer by Chaplain Brubaker:

Lord God in Heaven,
We are grateful for this beautiful day You have given us.
As these leaders address the resolutions and bills before them,
some bills will be passed or defeated just as fast as speed skating.
Other bills may exhaust our leaders as though they
just finished a biathlon.
For some of the resolutions,
leaders may feel like lying down on a sled
and racing through the discussion at top speed
as though in a luge race.
Some of these resolutions may call for the
courage and bravery of snowboarding.
Others may go through as smooth as figure skating.
I do ask that you keep our leaders from
breaking out into a fight as characterized by ice hockey.
They need to keep their teeth!!
As with the Winter Olympics,
there will be some who will win, and some will lose.
But the one thing for them to always remember—
is WHO they are representing.
I ask for Your blessing, Amen.

The Pledge of Allegiance was led by Rep.Waymaster.

Prayer by Chaplain Brubaker:

Gracious and loving God,
thank You for the many blessings You give to us each day.
As we get closer to the last day for committee meetings,
the work may seem to increase, and the days grow a bit longer.
Help our leaders to know they can find rest in You,
and that their hope comes from You.
As they consider and decide on many issues,
some may not know how to go or what to do.
Remind them of Your promise that
“whether they turn to the right or to the left,
their ears will hear a voice behind them saying,
‘this is the way; walk in it.’”
May they know they can trust Your leading,
for You are our refuge, rock and fortress.
This I pray in Your Name, Amen.
(Isaiah 30:21, NIV)

The Pledge of Allegiance was led by Rep. Rahjes.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Lewis are spread upon the Journal:

It is my pleasure to introduce to you Miss Kansas' Outstanding Teen 2017 - Taylor Clark

Taylor Clark was crowned Miss Kansas’ Outstanding Teen in June 2017 in Pratt, Kansas. Taylor resides in St. John, Kansas and attends St. John High School. Her parents are Natalie and Bill Clark. Taylor performed a drum solo to “In the Mood/Sing, Sing, Sing” and aspires to obtain a degree in Music Education with the hopes of becoming a Band Director. Taylor is an Honor Student and will spend her year of service as Miss Kansas’ Outstanding Teen promoting her personal platform “STEAM for Teens!” as well as Miss America’s National Platform, Children’s Miracle Network Hospitals. Taylor hopes to positively impact the lives of teens across our state by introducing them to personalized learning through STEAM (Science, Technology, Engineering, Arts, and Mathematics). In her free time, Taylor loves to attend and perform in local plays, and is a history fanatic.

Rep. Lewis presented Miss Clark with a framed House certificate.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Horn are spread upon the Journal:

Today, I have the honor to welcome seven high school students to the Kansas Capitol and the Senate. The students represent four countries – Germany, Italy, Moldova and Pakistan and are spending an academic year learning about our country first-hand by living with a host family.

This effort is coordinated by the Council on International Education Exchange program (CIEE). The CIEE program is our country’s oldest and largest nonprofit study abroad and intercultural exchange organization.

Programs such as this promote citizen diplomacy with an understanding and mutual respect between communities and nations by an exchange of ideas and experiences. While learning about America’s society they are educating our children about this culturally diverse world.

Before introducing the students, I wish to thank the CIEE Local Coordinator, Anita Sass, who works to place students with host families. She is accompanying these students today.

Rep. Horn introduced the following students to the body and welcomed them to Kansas:

- Allessandra Maltempi, Italy - Free State High School, Lawrence
- Saskia Nowak, Germany - Lawrence High School, Lawrence
- Fritz Wisser, Germany - Wellsville High School, Wellsville
- Mathes Trauer, Germany - Wellsville High School, Wellsville
- Sophie Simon, Germany - Baldwin High School, Baldwin City
- Iana Cuznetov, Moldova - Lawrence High School, Lawrence
- Prah Haider, Pakistan - Baldwin High School, Baldwin City
MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Claeys, HR 6043, A RESOLUTION urging the Federal Aviation Administration to accept Kansas’ application for the Unmanned Aerial Systems Integration Pilot Program, was adopted.

There being no objection, the following remarks of Rep. Claeys are spread upon the Journal:

Before us today is HR 6043, a resolution supporting the Kansas Department of Transportation application for the FAA Unmanned Aircraft Systems Integration Pilot Program.

Kansas was the first state in the nation to appoint a Director of Unmanned Aircraft Systems, and the first to have an operational Unmanned Traffic Management system in place for state agencies, 138 airports and 37 higher education institutions.

Our UAS Joint Task force is made up of 17 state agencies, universities and associations working together to deliver economic development using safe UAS operational practices.

We are leading the way in this emerging industry, and there would be no better way to punctuate our position in Unmanned Aircraft Systems than to win selection as a state capable of integrating unmanned aircraft systems into the national airspace.

Here in Kansas, we are the Air Capital of the World, not just because of our factories, but based on the expertise of our people. Letters of support have been sent from partners from the entire federal delegation, the office of the governor, the Kansas Senate, our higher education institutions and our private partners (too many to list, but a sample includes) Black and Veatch, Westar Energy, Kansas Farm Bureau, Garmin, Airmap, AT&T, Microsoft and dozens of others.

Your vote today will add the Kansas House of Representatives to the list of supporters of the Kansas application for the FAA Unmanned Aircraft Systems Integration Pilot Program.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Holscher are spread upon the Journal:

I ask all of you here today: “What’s your superpower?” For those who are here today, their superpower is setting free the wrongly convicted. Cheryl Pilate, an attorney from the Overland Park area, along with the Midwest Innocence Project have worked tirelessly on cases in our region.
Joining us today are Cheryl Pilate of Pilate, Morgan, LLC and Tricia Bushnell, director of the Midwest Innocence Project.
Most recently, their efforts led to the exoneration of Lamonte McIntyre, a resident of Kansas City, Kansas. Mr. McIntyre spent over 20 years in prison for a murder he did not commit. In addition to McIntyre, in the past two years, Richard Jones and Floyd Bledsoe have also benefited from the dedication and expertise of Midwest Innocence Project; these men were released from prison after spending 18 and 16 years respectively for crimes they did not commit. Mr. McIntyre, Mr. Bledsoe and Mr. Jones are joining us today in the gallery.

Many of you likely know another former exoneree in the Johnson County area. My friend Darryl Burton is a Congregational Care Pastor at Church of the Resurrection in Leawood, Kansas. Prior to serving in the ministerial field, Mr. Burton was behind bars in Missouri for a murder he did not commit. Due to the dedication and efforts of Mrs. Pilate, Darryl was released from prison in 2008 after serving 24 years. Darryl now spends his time spreading his message about his journey of faith and forgiveness.

Thank you, Cheryl, along with Tricia and everyone at Midwest Innocence Project for your dedication to our people and to justice.

Rep. Holscher presented a framed House certificate to representatives from the Midwest Innocence Project in appreciation of their efforts.

REPORT ON ENGROSSED BILLS

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Thursday, February 15, 2018.

The roll was called with 122 members present.
Reps. Elliott and Neighbor were excused on verified illness.

Good and gracious God, Creator of the Universe, and Author of Life, we come before You this day with humble hearts, and ask for Your blessing upon each and every member of the Kansas House of Representatives.

You who created the forested hills, tall grass prairies, and treeless plains of our state, who first watched over the People of the South Wind, hear our prayer today.

You who in this Free State born of controversy, fashioned a home for Yankee abolitionists, Exodusters, Volga Germans, native born Americans, and immigrants from around the world, we praise and thank You for the providence You have shown us through the years.

You who have protected Your people through dust storms, blizzards, tornadoes, and hail storms, through a Civil War, a Great Depression, and foreign wars far beyond our shores, send Your powerful blessings this day upon our elected representatives.

Give them the grace to promote the common good of the people of Kansas. Grant them good judgment, a compassionate heart for the less advantaged, and the ability to work together for a more just future for generations to come. Despite every difficulty in their task as legislators, let them be inspired by the endless potential of what might be under the stars. “Ad Astra Per Aspera!”

We make this prayer this day ever trustful of Your loving providence. AMEN!

The Pledge of Allegiance was led by Rep. Arnberger.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Proehl are spread upon the Journal:

The Governor signed a Proclamation that today, February 15, 2018, is Kansas Phi Theta Kappa All-State Academic Team Day. And today I am proud to introduce to you the Phi Theta Kappa All-State Academic Team. Ten of those scholars are here on the Floor and the remainder are in the gallery.

Phi Theta Kappa is an International Honor Society for two-year colleges that symbolizes excellence in higher education and a commitment to students. Students with a GPA of 3.5 or higher are invited to join Phi Theta Kappa whose mission is two-fold: to recognize and encourage the academic achievement of two-year college students; and to provide opportunities for individual growth and development through participation in honors, leadership, service and fellowship programming.

Fifty-seven students have been named to the All Kansas Academic Team and they represent all nineteen community colleges from across Kansas, Donnelly College and Manhattan Area Technical College and were named to this team based upon their academic achievement, leadership and community service.

Because of their academic achievement, service and leadership they have been awarded scholarships and stipends to help complete their education and I wanted to be sure you were aware of this impressive group of young scholars from the Kansas Community Colleges.

Rep. Proehl introduced the following 2018 Phi Theta Kappa Representatives to the House:

• Kenneth Dodson, Coffeyville Community College
• David Alex Ortiz, Kansas City Kansas Community College
• Amber Helwig, Labette Community College
• Devon Johnson, Highland Community College
• Mark Walthers, Butler Community College
• Iram Gonzalez, Dodge City Community College
• Torrie Pulliam, Neosho County Community College
• Jennifer Schultz, Cloud County Community College – Geary Campus
• Jackie Zimmerman, Independence Community College
• Devyn Chapman, Garden City Community College

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Kessinger are spread upon the Journal:

Kansas has a great history of inventions that have added to our state economy as well as enhanced the life of millions. William Purvis and Charles Wilson invented the helicopter in Goodland and the Icee came from Omar Knedlick in Coffeyville. The Interstate Highway system was the brainchild of our native son, Dwight Eisenhower and Alexander Hyde gave us Mentholatum. The creative contributions from Walter Beech and Clyde Cessna made Wichita and Kansas the air capital of the world. The ubiquitous Coleman Lantern was the brainchild of William Coffin Coleman. And let’s not ignore the creative genius of Kansan Walter Chrysler in the automotive industry and
Joyce Hall who founded Hallmark cards (more than $840 million was spent on Valentine’s Day yesterday).

Today, we honor another creative genius in Kansas. If necessity is the mother of invention, it is necessity that brings fifth grader Julia Luetje to the House floor today. Julia joined the ranks of Kansas inventors as she is the grand prize winner in the Frito-Lay Dreamvention national competition among 13,000 entrants for her invention, the Storm Sleeper. This is no small honor. Julia takes home the first prize of $250,000.

The Storm Sleeper came about from Julia’s early fear of thunderstorms. She did what most of us have done as she would build forts and barriers of pillows to block out the thunder and lightning. Inspiration came to her and she devised the Storm Sleeper that incorporated pillow and fabric to cover her head while also incorporating those bedtime necessities of a reading light and room for a portable speaker so she could read and listen to music. She bought her supplies at local stores and pieced together the first Storm Sleeper.

When she became a national finalist in the Dreamvention contest, a product development firm produced a prototype of the Storm Sleeper. She has now entered the world of being an entrepreneur as well as an inventor as she has a patent pending on the Storm Sleeper. She is also developing a business plan and is gearing up for production and marketing. Please join with me in recognizing the latest Kansas inventor, entrepreneur and creative leader, Julia Luetje.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Crum are spread upon the Journal:

Today I am here with five young men that will probably swim more next weekend than many of you will swim in a life-time. They are not doing it for fun or exercise. They are doing it for kids that are not as fortunate as they are. They are doing it to raise money for Make-A-Wish Kansas.

Coach Kelly Kennedy and I had a group of seniors six years ago, that wanted to give back to their community. Kelly and I had both participated in a Swim-A-Thon in our high school years and thought this would be something this group was capable of. When deciding what group we would donate the money to, it was a no brainer for us. Coach Kennedy’s youngest daughter, Aubrey, was diagnosed with a cancerous Wilms tumor when she was four years old. The tumor was the size of a football and Aubrey lost her kidney and had to undergo months of chemo treatment.

Shortly after her treatments were complete, Make-A-Wish Kansas stepped up and gave Aubrey and her family a well-deserved break, a trip to Disney World. The Kennedy family always wanted to give back to Make-A-Wish for this wonderful wish they granted for Aubrey, and Coach Kennedy knew this was going to be payback. So we held our first Swim-To-A-Wish event. Make-A-Wish Kansas didn’t really know what to expect out of these two high school coaches and these five crazy high school kids, and honestly, we didn’t know what to expect.

First, let me tell you what these boys are going to do next weekend. At four in the afternoon on Friday, a wish-child will start a swimmer with a bell start. That swimmer
will swim one mile and as he touches, swimmer number two gets started and he swims a mile, etc. Then they start on their second mile. Each mile takes them about twenty-five to thirty minutes so they finish the five mile increments in a little under two and a half hours. They will all swim twenty miles, each, for a total of one hundred miles. With only a short two-hour break between swims. They will not finish until sometime around noon on Sunday. That sounds tough, I assure you, it is tougher than you imagine.

When we were getting ready for our first STAW, we decided we would have a modest goal of $1,200. We were at $1,600 before we even started to swim. We topped $5,000 in year one. Immediately we had kids asking if they could do it next year and the next year and the next….you get the idea. Our team had grabbed a hold of this fundraiser and have really taken ownership of it.

We had an anonymous donor approach us in year two and he promised to match our total up to $5,000. We have had other teams across the state join us in the endeavor. We have had nine different high schools and two college teams join, or are joining us, over these six years. So far, through completed Swim-To-A-Wishes, over $160,000 has been raised, which means over twenty wishes have been granted due to STAW.

As you might have noticed, there is a STAW flyer on your desk. We have grown so we have a handy on-line donation website set up, hint, hint, hint. As Coach Kennedy and I always say, donate to your local team, if you don’t have a local team participating, donate to Campus High School Swimming.

Before I introduce the six people behind me, I want to point out the rest of the Campus Colt State team in the gallery. These kids aren’t among the five doing the relay, but many of them and others will come in and do support miles. They will swim next to the relay swimmers so that they are not swimming by themselves. It can be kind of lonely in the pool at 3:00 a.m. on a Friday or Saturday night. Last year we had over one hundred support miles swam.

I’ll have the group behind me raise their hands as I call their names. Coach, Kelly Kennedy; Senior, Austin Rector; Senior, Devon Ferris. These last three are all Juniors and were relay swimmers last year, so they will be working on 40 miles for STAW. Blake Chadd, TJ Lolling, and a young man I know pretty well, Daine Crum. Please help me show them your appreciation for the hard work they are doing to grant wishes for kids in Kansas.

EXPLANATION OF VOTE

Mr. Speaker: I vote NO on HB 2506. Kansas already has sufficient tools in place to address blight. HB 2506 circumvents our current eminent domain statues by redefining “abandoned property” and by allowing our local governments to expeditiously confiscate, seize or destroy law abiding citizen’s private property without compensation, adequate notice, and a legal property title. This is an egregious over reach that deprives some citizens of their private property rights without sufficient due process and it will cause irreparable harm to our most vulnerable citizens that do not have the resources to protect their property. – Gail Finney, Valdenia C. Winn, Broderick Henderson

THIRTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, MONDAY, FEBRUARY 19, 2018, 11:00 A.M.

The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 121 members present.
Reps. Kuether and Proehl were excused on verified illness.
Rep. Concannon was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Heavenly Father,
    thank You for the blessing of a new week.
    Today as we celebrate Presidents’ Day
    and honor the 45 Presidents of the United States,
    may some of their words bring us encouragement.
    “It is by a thorough knowledge of the whole subject
    that people are enabled to judge correctly of the past
    and to give a proper direction to the future.” (James Monroe)
    Anyone worth their salt will stick up for what they believe is right,
    but it takes a slightly better person
    to acknowledge instantly
    and without reservation that they are in error.”
    (Andrew Jackson)
    “Times change, and we change with them.” (William Henry Harrison)
    “An honorable defeat is better than a dishonorable victory.” (Millard Fillmore)
    And lastly, a great word from President Teddy Roosevelt:
    “If you could kick the person in the pants
    responsible for most of your trouble,
    you wouldn’t sit for a month.”
    Help us to learn from these wise words.
    Today, Lord, we remember Rev. Fred Hollomon
    who passed away last week.
He served as a faithful chaplain here in the House as well as the Senate.
Be with his family in this time of loss.
    In Your Name I pray, Amen.

The Pledge of Allegiance was led by Rep. Lewis.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hoffman are spread upon the Journal:

This morning I am honored to introduce to you some of Kansas’ finest; members of the 2018 State Future Farmers of America leadership. FFA was officially formed in 1928 when 33 students for 18 states gathered at a hotel during the American Royal Livestock Show in Kansas City, Missouri. Concerned with the growing trend of that time, boys losing interest and leaving the farm, the organization was formed to offer “a greater opportunity for self-expression and for the development of leadership. In this way they will develop confidence in their own ability and pride in the fact that they are farm boys.” Of course, today with approximately 200 programs and 9800 members across the State of Kansas, the focus is not just on “farm boys” but on anyone interested in being a future agriculture leader. Today’s FFA students are the leaders and innovators of tomorrow who will be responsible for ensuring a safe and stable food and fiber supply for the growing world population.

Rep. Hoffman introduced the following students to the House:

- Eli Ohlde - President, Clifton-Clyde
- John Kennedy - Vice President, Jackson Heights
- Marie Reveles - Secretary, Hays
- Quentin Umphenour - Treasurer, Jayhawk-Linn
- Riley Sleichter - Reporter, Abilene
- Skyler Denio - Sentinel, Hoxie

EXPLANATION OF VOTE

Mr. Speaker: I vote no on HB 2486. In 1986 when I was celebrating the birth of my first grandchild, my friend in Chanute, Kansas, was picking up pieces of her life. Her son and four other teenagers were in a golf cart that was hit by a car. I believe two were killed and my friend’s son spent a year in a hospital and suffers today from his head injuries. I cannot support this bill. Golf carts go too slow for highway use. – SYDNEY CARLIN

"Section 1. K.S.A. 2017 Supp. 44-510d is hereby amended to read as follows: 44-510d.(a) Where disability, partial in character but permanent in quality, results from the injury, the injured employee shall be entitled to the compensation provided in K.S.A. 44-510h and 44-510i, and amendments thereto. The injured employee may be entitled to payment of temporary total disability as defined in K.S.A. 44-510c, and amendments thereto, or temporary partial disability as defined in subsection (a)(1) of K.S.A. 44-510e(a)(1), and amendments thereto, provided that the injured employee shall not be entitled to any other or further compensation for or during the first week following the injury unless such disability exists for three consecutive weeks, in which event compensation shall be paid for the first week. Thereafter compensation shall be paid for temporary total or temporary partial disability as provided in the following schedule, 66⅔% of the average weekly wages to be computed as provided in K.S.A. 44-511, and amendments thereto, except that in no case shall the weekly compensation be more than the maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(b) If there is an award of permanent disability as a result of the injury there shall be a presumption that disability existed immediately after the injury and compensation is to be paid for not to exceed the number of weeks allowed in the following schedule:

(1) For loss of a thumb, 60 weeks.
(2) For the loss of a first finger, commonly called the index finger, 37 weeks.
(3) For the loss of a second finger, 30 weeks.
(4) For the loss of a third finger, 20 weeks.
(5) For the loss of a fourth finger, commonly called the little finger, 15 weeks.
(6) Loss of the first phalange of the thumb or of any finger shall be considered to be equal to the loss of 1/2 of such thumb or finger, and the compensation shall be 1/2 of the amount specified above. The loss of the first phalange and any part of the second phalange of any finger, which includes the loss of any part of the bone of such second phalange, shall be considered to be equal to the loss of 2/3 of such finger and the compensation shall be 2/3 of the amount specified above. The loss of the first phalange and any part of the second phalange of a thumb which includes the loss of any part of the bone of such second phalange, shall be considered to be equal to the loss of the entire thumb. The loss of the first and second phalanges and any part of the third
proximal phalange of any finger, shall be considered as the loss of the entire finger. Amputation through the joint shall be considered a loss to the next higher schedule.

(7) For the loss of a great toe, 30 weeks.
(8) For the loss of any toe other than the great toe, 10 weeks.
(9) The loss of the first phalange of any toe shall be considered to be equal to the loss of \(\frac{1}{2}\) of such toe and the compensation shall be \(\frac{1}{2}\) of the amount above specified.

(11) For the loss of a hand, 150 weeks.

(13) For the loss of an arm, excluding the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures, 210 weeks, and for the loss of an arm, including the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures, 225 weeks.
(14) For the loss of a foot, 125 weeks.
(15) For the loss of a lower leg, 190 weeks.
(16) For the loss of a leg, 200 weeks.
(17) For the loss of an eye, or the complete loss of the sight thereof, 120 weeks.
(18) Amputation or severance below the wrist shall be considered as the loss of a hand. Amputation at the wrist and below the elbow shall be considered as the loss of the forearm. Amputation at or above the elbow shall be considered loss of the arm. Amputation below the ankle shall be considered loss of the foot. Amputation at the ankle and below the knee shall be considered as loss of the lower leg. Amputation at or above the knee shall be considered as loss of the leg.
(19) For the complete loss of hearing of both ears, 110 weeks.
(20) For the complete loss of hearing of one ear, 30 weeks.
(21) Permanent loss of the use of a finger, thumb, hand, shoulder, arm, forearm, toe, foot, leg or lower leg or the permanent loss of the sight of an eye or the hearing of an ear, shall be equivalent to the loss thereof. For the permanent partial loss of the use of a finger, thumb, hand, shoulder, arm, toe, foot or leg, or the sight of an eye or the hearing of an ear, compensation shall be paid as provided for in K.S.A. 44-510c, and amendments thereto, per week during that proportion of the number of weeks in the foregoing schedule provided for the loss of such finger, thumb, hand, shoulder, arm, toe, foot or leg or the sight of an eye or the hearing of an ear; but in no event shall the compensation payable hereunder for such partial loss exceed the compensation payable under the schedule for the total loss of such finger, thumb, hand, shoulder, arm, toe, foot or leg, or the sight of an eye or the hearing of an ear, exclusive of the healing period. As used in this paragraph (21), "shoulder" means the shoulder joint, shoulder girdle, shoulder musculature or any other shoulder structures.
(22) For traumatic hernia, compensation shall be limited to the compensation under K.S.A. 44-510h and 44-510i, and amendments thereto, compensation for temporary total disability during such period of time as such employee is actually unable to work on account of such hernia, and, in the event such hernia is inoperable, weekly compensation during 12 weeks, except that, in the event that such hernia is operable, the unreasonable refusal of the employee to submit to an operation for surgical repair of
such hernia shall deprive such employee of any benefits under the workers compensation act.

(23) Loss of or loss of use of a scheduled member shall be based upon permanent impairment of function to the scheduled member as determined using the fourth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein, until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be determined by using the sixth edition of the American medical association guides to the evaluation of permanent impairment, if the impairment is contained therein.

(24) Where an injury results in the loss of or loss of use of more than one scheduled member within a single extremity, the functional impairment attributable to each scheduled member shall be combined pursuant to the fourth edition of the American medical association guides for evaluation of permanent impairment—until January 1, 2015, but for injuries occurring on and after January 1, 2015, shall be combined pursuant to the sixth edition of the American medical association guides to the evaluation of permanent impairment, and compensation awarded shall be calculated to the highest scheduled member actually impaired.

(c) Whenever the employee is entitled to compensation for a specific injury under the foregoing schedule, the same shall be exclusive of all other compensation except the benefits provided in K.S.A. 44-510h and 44-510i, and amendments thereto, and no additional compensation shall be allowable or payable for any temporary or permanent, partial or total disability, except that the director, in proper cases, may allow additional compensation during the actual healing period, following amputation. The healing period shall not be more than 10% of the total period allowed for the scheduled injury in question nor in any event for longer than 15 weeks. The return of the employee to the employee's usual occupation shall terminate the healing period.

(d) The amount of compensation for permanent partial disability under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section:

(1) Payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by $66\frac{2}{3}\%$; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto;

(2) weeks payable shall be determined as follows: (A) Determine the weeks of benefits provided for the injury on schedule; (B) determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (C) subtract the weeks of temporary compensation calculated in subsection (d)(2)(B) from the weeks of benefits provided for the injury as determined in subsection (d)(2)(A); and (D) multiply the weeks as determined in subsection (d)(2)(C) by the percentage of permanent partial impairment of function as determined under subsection (b)(23).

The resulting award shall be paid for the number of weeks at the payment rate until fully paid or modified. Under no circumstances shall the period of permanent partial disability run concurrently with the period of temporary total or temporary partial disability.

Sec. 2. K.S.A. 2017 Supp. 44-510e is hereby amended to read as follows: 44-510e. (a) In case of whole body injury resulting in temporary or permanent partial general disability not covered by the schedule in K.S.A. 44-510d, and amendments thereto, the
employee shall receive weekly compensation as determined in this subsection during
the period of temporary or permanent partial general disability not exceeding a
maximum of 415 weeks.

(1) Weekly compensation for temporary partial general disability shall be 66\(\frac{2}{3}\)\% of
the difference between the average weekly wage that the employee was earning prior to
the date of injury and the amount the employee is actually earning after such injury in
any type of employment. In no case shall such weekly compensation exceed the
maximum as provided for in K.S.A. 44-510c, and amendments thereto.

(2) (A) Permanent partial general disability exists when the employee is disabled in
a manner which is partial in character and permanent in quality and which is not
covered by the schedule in K.S.A. 44-510d, and amendments thereto. Compensation for
permanent partial general disability shall also be paid as provided in this section where
an injury results in:

(i) The loss of or loss of use of a shoulder, arm, forearm or hand of one upper
extremity, combined with the loss of or loss of use of a shoulder, arm, forearm or hand
of the other upper extremity;

(ii) the loss of or loss of use of a leg, lower leg or foot of one lower extremity,
combined with the loss of or loss of use of a leg, lower leg or foot of the other lower
extremity; or

(iii) the loss of or loss of use of both eyes.

(B) The extent of permanent partial general disability shall be the percentage of
functional impairment the employee sustained on account of the injury as established by
competent medical evidence and based on the fourth edition of the American medical
association guides to the evaluation of permanent impairment, if the impairment is
contained therein, until January 1, 2015, but for injuries occurring on and after January
1, 2015, based on the sixth edition of the American medical association guides to the
evaluation of permanent impairment, if the impairment is contained therein.

(C) An employee may be eligible to receive permanent partial general disability
compensation in excess of the percentage of functional impairment ("work disability")
if:

(i) The percentage of functional impairment determined to be caused solely by the
injury exceeds 7\(\frac{1}{2}\)% to the body as a whole or the overall functional impairment is
equal to or exceeds 10% to the body as a whole in cases where there is preexisting
functional impairment; and

(ii) the employee sustained a post-injury wage loss, as defined in subsection (a)(2)
(E) of K.S.A. 44-510e(a)(2)(E), and amendments thereto, of at least 10% which is
directly attributable to the work injury and not to other causes or factors.

In such cases, the extent of work disability is determined by averaging together the
percentage of post-injury task loss demonstrated by the employee to be caused by the
injury and the percentage of post-injury wage loss demonstrated by the employee to be
caused by the injury.

(D) "Task loss" shall mean the percentage to which the employee, in the opinion of
a licensed physician, has lost the ability to perform the work tasks that the employee
performed in any substantial gainful employment during the five-year period preceding
the injury. The permanent restrictions imposed by a licensed physician as a result of the
work injury shall be used to determine those work tasks which the employee has lost the
ability to perform. If the employee has preexisting permanent restrictions, any work
tasks which the employee would have been deemed to have lost the ability to perform, had a task loss analysis been completed prior to the injury at issue, shall be excluded for the purposes of calculating the task loss which is directly attributable to the current injury.

(E) "Wage loss" shall mean the difference between the average weekly wage the employee was earning at the time of the injury and the average weekly wage the employee is capable of earning after the injury. The capability of a worker to earn post-injury wages shall be established based upon a consideration of all factors, including, but not limited to, the injured worker's age, physical capabilities, education and training, prior experience, and availability of jobs in the open labor market. The administrative law judge shall impute an appropriate post-injury average weekly wage based on such factors. Where the employee is engaged in post-injury employment for wages, there shall be a rebuttable presumption that the average weekly wage an injured worker is actually earning constitutes the post-injury average weekly wage that the employee is capable of earning. The presumption may be overcome by competent evidence.

(i) To establish post-injury wage loss, the employee must have the legal capacity to enter into a valid contract of employment. Wage loss caused by voluntary resignation or termination for cause shall in no way be construed to be caused by the injury.

(ii) The actual or projected weekly value of any employer-paid fringe benefits are to be included as part of the worker's post-injury average weekly wage and shall be added to the wage imputed by the administrative law judge pursuant to K.S.A. 44-510c(a)(2)(E), and amendments thereto.

(iii) The injured worker's refusal of accommodated employment within the worker's medical restrictions as established by the authorized treating physician and at a wage equal to 90% or more of the pre-injury average weekly wage shall result in a rebuttable presumption of no wage loss.

(F) The amount of compensation for whole body injury under this section shall be determined by multiplying the payment rate by the weeks payable. As used in this section: (1) The payment rate shall be the lesser of: (A) The amount determined by multiplying the average weekly wage of the worker prior to such injury by 66\(\frac{2}{3}\)%; or (B) the maximum provided in K.S.A. 44-510c, and amendments thereto; (2) weeks payable shall be determined as follows: (A) Determine the weeks of temporary compensation paid by adding the amounts of temporary total and temporary partial disability compensation paid and dividing the sum by the payment rate above; (B) subtract from 415 weeks the total number of weeks of temporary compensation paid as determined in subparagraph (F)(2)(A), excluding the first 15 such weeks; and (3) multiply the number of weeks as determined in subparagraph (F)(2)(B) by the percentage of functional impairment pursuant to subsection (a)(2)(B) or the percentage of work disability pursuant to subsection (a)(2)(C), whichever is applicable.

(3) When an injured worker is eligible to receive an award of work disability, compensation is limited to the value of the work disability as calculated above. In no case shall functional impairment and work disability be awarded together.

The resulting award shall be paid for the number of disability weeks at the payment rate until fully paid or modified. c) An injured employee whose injury or disability has been established under the workers compensation act may rely, if done in good faith, solely or partially on treatment by prayer or spiritual means in accordance with the tenets of practice of a church or religious denomination without suffering a loss of benefits subject to the following conditions:

(1) The employer or the employer's insurance carrier agrees thereto in writing either before or after the injury;

(2) the employee submits to all physical examinations required by the workers compensation act;
(3) the cost of such the treatment shall be paid by the employee unless the employer or insurance carrier agrees to make such the payment;

(4) the injured employee shall be entitled only to benefits that would reasonably have been expected had such the employee undergone medical or surgical treatment; and

(5) the employer or insurance carrier that made an agreement under paragraph (1) or (3) of this subsection may withdraw from the agreement on 10 days' written notice.

(d) In any employment to which the workers compensation act applies, the employer shall be liable to each employee who is employed as a duly authorized law enforcement officer, firefighter, driver of an ambulance as defined in subsection (b) of K.S.A. 65-6112(d), and amendments thereto, an ambulance attendant as defined in subsection (d) of K.S.A. 65-6112(f), and amendments thereto, or a member of a regional emergency medical response team as provided in K.S.A. 48-928, and amendments thereto, including any person who is serving on a volunteer basis in such capacity, for all reasonable and necessary preventive medical care and treatment for hepatitis to which such the employee is exposed under circumstances arising out of and in the course of employment.

(e) It is presumed that the employer's obligation to provide the services of a health care provider, and such the medical, surgical and hospital treatment, including nursing, medicines, medical and surgical supplies, ambulance, crutches, apparatus and transportation to and from the home of the injured employee to a place outside the community in which such the employee resides, and within such the community if the director, in the director's discretion, so orders, including transportation expenses computed in accordance with subsection (a) of K.S.A. 44-515(a), and amendments thereto, shall terminate upon the employee reaching maximum medical improvement. Such The presumption may be overcome with medical evidence that it is more probably true than not that additional medical treatment will be necessary after such the time as that the employee reaches maximum medical improvement. INTRODUCTION OF GUESTS

Jobs for Americas Graduates-Kansas, also known as JAG-K, has 68 programs in 33 school districts across Kansas. This year, more than 3100 students are part the JAG-K family. JAG-Kansas is an in-school program that works to move students toward high school graduation and on to a successful career path. JAG-Kansas has a graduation rate of 93%, with 89% moving on toward post-secondary education, vocational training, military service or full-time employment.
Today, I am pleased to introduce the three statewide JAG-K Career Association officers joining us on the floor of the House of Representatives: President, Linda Moyo of Newton High School; Vice President Tyrese DeLaCruz of Field Kindley High School in Coffeyville, Secretary Antonio Cooper of Junction City High School.

In the gallery are some of the more than 200 JAG-Kansas students and their Career Specialists who are with us today in the Capitol. I have visited my JAG-K program at East High in Wichita, and I know many of my colleagues have JAG-K programs in their districts. JAG-K students will be leaving invitations to visit their program in your office this afternoon. Please make time to see this outstanding program at work. Welcome Jobs for America’s Graduates-Kansas!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Murnan are spread upon the Journal:

Please join me in recognizing the 30th Anniversary of the passage of Public Law 99-457 which established early intervention services for children, birth to age 3, and their families.

You may know it as tiny-K or Infant Toddler Services in your community. Early childhood intervention programs provide services to infants and toddlers who have a developmental delay or disability. Science and research have shown that the period between birth and three years is a critical time in a child’s development and offers a unique opportunity to change the life-course of a child with an identified developmental delay.

We know for sure the earlier a child with a developmental delay or disability receives services and support, the better. Oftentimes this intervention eliminates the need for future services in the school district.

In 2017, more than 10,000 children between birth and three years of age received early intervention services from networks in Kansas. On cold and icy days like today, occupational therapists, physical therapists, teachers, social workers and speech language pathologists are traveling the roads of Kansas to go to the homes of babies and toddlers to provide service to the child and their family.

So please join me in congratulating these folks who represent tiny-K networks in Kansas on the 30 year anniversary of this important law and to thank them for what they do every day.

EXPLANATION OF VOTE

Mr. Speaker: I vote yes on HB 2448. It better meets the needs of our corrections staff. However, this bill may demonstrate how past increases in KPERS benefits have affected us. When we increase benefits without increasing funding we contribute to an unfunded liability. We already have a commitment to our employees made by legislatures decades ago requiring another $200 million annually. We are challenged to keep their promises, and need to remain vigilant to not pass our promises to future taxpayers. In addition to increasing KPERS contributions, we have competing and constitutional interests in our budget formula. We can do this. But we must finish the job. – STEVEN C. JOHNSON, BLAINE FINCH, SHANNON FRANCIS, RICHARD J. PROEHL.

HB 2454, AN ACT concerning children and minors; relating to the revised Kansas juvenile justice code; review hearings; dispositional hearing; amending K.S.A. 2017 Supp. 38-2343 and 38-2360 and repealing the existing sections, was considered on final action.

The bill passed, as amended.

EXPLANATIONS OF VOTE

MR. SPEAKER: I am voting for HB 2534 for the simple purpose of clarifying language about what “exhibition of acceleration” is so that the officers and the courts know what it is they can prosecute. It doesn't add a violation and it lessens the penalty to that level of a speeding ticket. We are only asking for clarifying language in the existing statute and lessening the penalty. – Eric Smith

MR. SPEAKER: I vote YES on HB 2534. Kansas appellate courts have found the provisions of current law relating to exhibition of acceleration or speed to be unconstitutionally vague. Cities across the state have incorporated this language in their standard traffic ordinances. HB 2534 provides clarity in the law which is needed. Intentionally operating a vehicle in a manner that causes rapid acceleration to the extent the tires break traction with the road is a dangerous act which places the welfare of the public at risk. – J. Russell Jennings

Appointments shall be made in the manner provided by law for filling vacancies in the office of a member of the house of representatives.

Sec. 5. K.S.A. 2017 Supp. 25-101 is hereby amended to read as follows: 25-101.

(a) On the Tuesday succeeding the first Monday in November of each even-numbered year, there shall be held a general election to elect officers as follows:

(1) At each alternate election, prior to the year in which the term of office of the
president and vice-president of the United States will expire, there shall be elected the electors of president and vice-president of the United States to which the state may be entitled at the time of such election;

(2) at each such election, when the term of a United States senator for this state shall expire during the next year, there shall be elected a United States senator;

So, we come before You to acknowledge that without You, we have nothing of value to bring to the table, but with You, we have everything we need. With that in mind, we thank You for Your provision of wisdom and knowledge.

And, we ask that above all, we'd be filled, guided, and motivated by Your great love in both motive and action. Touch us afresh this day to conduct ourselves in a manner befitting to this high calling of public service, and in a way that honors Your name.

EXPLANATION OF VOTE

Mr. Speaker: I vote No on HB 2509. Unlike other areas of county budgets, elections affect the basic right of citizens to select their government officials. Controlling the Election Commissioner through control of the budget can only result in disenfranchised voters through fewer polling places, fewer poll workers, longer lines, eliminating notices for elections, and causing delays in counting the results. The very people who are canvassing the results of an election should not also have power over the process of the election. For these reasons, I vote No on HB 2509. – Keith Esau, John Carmichael

EXPLANATION OF VOTE

Mr. Speaker: I vote yes on HB 2599 because “Wichita” license plates will benefit the Wichita Parks Foundation. The foundation is vital to improving Wichita parks, many of which are in my district. That said, license plates are for identification of vehicles, not a billboard for state sponsored political speech. Today it’s “Choose Life.” Tomorrow will it be “Have an Abortion?” Our First Amendment rights are sacred, but our political, religious and moral beliefs belong on a bumper sticker, not a government sanctioned license plate. Notwithstanding this, for today, I vote yes on HB 2599. – John Carmichael

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on HB 2674. Telemedicine saves lives. Kansas law already requires face to face consultation with a physician prior to termination of a pregnancy. With or without the “Abortion” provision, this will remain the law. The presence of the “Abortion” provision invites litigation costing hundreds of thousands, if not millions of dollars, which could be better used to reduce terminations of pregnancy through child care assistance to single mothers. Instead, we will pay lawyers and endanger telemedicine in Kansas. Notwithstanding this fact, I vote yes on HB 2674. –

**EXPLANATION OF VOTE**

**Mr. Speaker:** I vote NO on **HB 2457**. Asbestos is a known human carcinogen and yet for years, worker’s lives have been placed at risk due to exposure from this occupational health hazard, including, but not limited to: firefighters, veterans, machinists, and locomotive engineers. This is an unnecessary law that would impact very few cases in Kansas. It sends the wrong message to those injured workers (and their family) who’s lives have been shortened due to asbestos exposure. I cannot support any measure that would limit or make filing claims more difficult for individuals who have been dealt a death sentence from exposure to asbestos. – **Pam Curtis**

HOUSE CONCURRENT RESOLUTION No. HCR 5027—
By Representative Aurand

HCR 5027—A CONCURRENT RESOLUTION delegating the power to establish the appropriate minimum funding levels for public elementary and secondary education to certain private entities.

WHEREAS, In 2001, the legislature commissioned a study by the firm of Augenblick and Myers to provide an analysis of the cost to provide a public school system for grades kindergarten through 12; and

WHEREAS, In 2005, the legislature directed the division of legislative post audit to conduct a study and provide further analysis of the cost to provide a public school system for grades kindergarten through 12; and

WHEREAS, In the case of Montoy v. State, the Kansas supreme court essentially ruled that, by requesting such a cost analysis, the legislature effectively delegated its constitutional responsibility to establish appropriate minimal funding levels for elementary and secondary education to nonelected private entities performing such analysis; and

WHEREAS, In the case of Gannon v. State, the Kansas supreme court has strongly recommended that the legislature once again engage professional public school cost analysts to determine the cost of a constitutionally adequate public school system; and

WHEREAS, The legislature has once again engaged a professional public school cost analyst to make a determination of the cost of a constitutionally adequate public school system, even though section 6 of article 6 of the constitution of the state of Kansas unequivocally states that it is the legislature's duty to set finance policy for the public school system in Kansas: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas, the Senate concurring therein: That the legislature hereby delegates the authority to establish appropriate minimal funding levels for the state's public school system to the professional cost study analysts who have contracted with the legislature to make such determination; and
Be it further resolved: That since the citizens of Kansas have not been given the opportunity to amend the constitution of the state of Kansas so as to more clearly state that the constitutional authority to establish finance policy for the public school system in this state lies solely with the legislature, the legislature shall continue to delegate such authority at such times and in such manner as necessary; and

Be it further resolved: That the Secretary of State shall send enrolled copies of this resolution to the members of the Legislative Coordinating Council and each justice of the Kansas Supreme Court.

Your Word reminds us; "Do not fear, for I have redeemed you; I have called you by name; you are mine! When you pass through the waters, I will be with you; and through the rivers, they will not overflow you. When you walk through the fire, you will not be scorched, nor will the flames burn you, for I am the Lord Your God."
We intercede for those who are going through difficult times. Be it health, finances, new realities or old emotional enemies. As their days are, might their strength be also.
We pray for divine insight, wisdom and clarity of purpose upon all who make decisions affecting our state and nation.
In the name of the One who gives spiritual light.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Elliott are spread upon the Journal:

Today we celebrate Kansas Aviation Day and recognize a few of the companies and institutions which have contributed over the years in maintaining Kansas and Wichita as the Air Capital of the World.
Aviation has been part of our state’s heritage for over a century. In fact, this year marks the 100th anniversary of Clyde Cessna’s first flight of an aircraft he built in Wichita. Imagine if Walter Beech, Clyde Cessna, and Lloyd Stearman, whose early company later merged with Boeing, had decided to set up shop elsewhere other than Kansas. Glad they chose our state!

In 2016, the Aerospace products and parts sector in Kansas created a total payroll of $2.27 billion for 29,283 state residents among 165 entities. Kansas aerospace products and parts accounted for 23.9% of all state exports last year. With recent announcements to add workforce and to make substantial capital investment by major players, there is much to be optimistic about.

The aviation industry has touched me personally for most of my life. My late father was an executive at Beech Aircraft Corporation, which is in my House district in East Wichita. I currently live less than a mile from the original Beech factories and airfield where I learned to fly back in the 70’s. Many of these production facilities were built during World War II and are still functioning. While there have been changes in ownership over the years for Beech and Cessna Aircraft Company, now both under the umbrella of Textron Aviation, the legacy continues for Wichita to be the hub for generating 21st century research and design of aerospace products.

Spirit AeroSystems, created in 2005, is a major contractor to Boeing for the 737 airliner providing the fuselage, nacelles, and control surfaces. In February, Spirit delivered the 10,000th completed fuselage unit which are railed out to Washington state for final assembly.

Bombardier Business Aircraft is a leading producer of business and regional jet aircraft. The first LearJet flew in Wichita in 1963 and was one significant sign of how high performance business jets would evolve under Bombardier’s guidance.

Lee Aerospace, in Wichita, is a leading producer of composite products parts and tooling for both general and commercial aviation clients. Lee was named the Governor’s 2017 Kansas Exporter of the Year.

The National Institute for Aviation Research is located on the campus of Wichita State University. One of their current projects is assisting Lockheed on the development of the airframe for the new generation F35 Stealth Fighter Jet. As needs for a highly trained and skilled workforce accelerate, training programs created through Wichita Area Technical College and the National Center for Aviation Training will play key roles in developing related curriculum and programs. WATC is joining forces with Wichita State University in creating the WSU Campus of Applied Sciences and Technology, which will become operational this July.

FlightSafety International provides pilot orientation and aircraft maintenance for a good portion of products designed and built in south central Kansas. You can enjoy tracing Wichita’s early beginnings in aviation by viewing many artifacts and exhibits housed at the Kansas Aviation Museum in southeast Wichita on the old Wichita Municipal Airport site attached to McConnell Air Force Base.

I would like to introduce representatives from these companies: Peggy Deiter - Bombardier Business Aircraft; Clint Strong and Nissa Poulson - FlightSafety International; Barb Kramer and Magan Bearman - Kansas Aviation Museum; Misty McAninch - Lee Aerospace; Tom Aldag - National Institute for Aviation Research; Josh Wells - Spirit AeroSystems; Stephanie Harder - Textron Aviation; James Hall -Wichita Area Technical College/National Center for Aviation Training.
I hope you will take time out of your schedule to check out the exhibits, chat with the company representatives, and grab lunch. Please join me in recognizing these companies and thanking them for their many contributions to the aviation/aerospace industry in Kansas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Trimmer are spread upon the Journal:

Today we are celebrating National Speech and Debate day a day early. Why? We will be Pro Forma tomorrow and high school students all over the State will be traveling to competitions, so it is now or never.

After more than fifty years of involvement in speech and debate activities, I still believe these activities are among the very best educational endeavors a student can pursue.

Students learn:
- To be on time
- To be part of a team and rely on a partner
- To research and understand a point of view
- To communicate with people of different backgrounds and views
- To speak clearly and in an organized manor
- To defend a position with logic, reasoning, and evidence
- To listen and understand opposing arguments
- To work now for a delayed reward

To name just a few of the skills these activities teach.

Today, we have the Topeka High Speech and Debate team here to help us celebrate. Students are: Nell DeCoursey Brennan, Jesse Reed, Grace Hatesohl, Gemma Flores and Coach Dustin Rimmey.

Please join me in recognizing speech and debate programs around the state and across the nation.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Parker are spread upon the Journal:

I want to welcome to the House of Representatives two groups: the Kansas Chapter of the Council on Islamic-American Relations, or CAIR and Kansas Interfaith Action. Joining me today are Moussa Elbayoumy, Dr. Sofia Khan, Dr. Mohamed Abouodah and Rev. Sarah Oglesby-Dunegan.
They have brought a group to the Capitol for the 3rd annual Muslim Advocacy Day. Many Muslims, Christians, Jews, Unitarians and others have come here today to meet with legislators and to attest to the fact that Muslim Kansans are a valued and valuable part of our state and our communities.

This event is one of the only Muslim Advocacy Days throughout the country that is designed as an interfaith event. We stand together in love and support of our Muslim brothers and sisters, and strongly oppose any efforts to target or vilify them. We sum up our beliefs in two phrases: We are all equal in God’s eyes, and we all have the right to equal protection under the law.

EXPLANATION OF VOTE

I vote yes on HB 2359. The legislation is a classic example of far too little, far too late. Four years ago, the Legislative Post Audit Committee warned the legislature of serious cyber security risks. Since then, the Department of Commerce, on at least two occasions the Secretary of State, and now KDADS have released tens of thousands of Kansans' personal information through incompetence. Even today we don't know how many penetrations of our computer data systems have occurred. Knowing we could do better, but with the hope this bill is not just window dressing, I vote yes on HB 2359. – JOHN CARMICHAEL

I invite you to pray with me.
Lord God, the supreme lawgiver, judge, and Savior. I thank You for this blessed nation where we are free to worship You. Many in foreign nations long for what we have. I thank You for each lawmaker in this state and their predecessors who enshrined in their constitution their gratefulness to You for our “civil and religious privileges.” We have been given many privileges: life, minds for reasoning, hearts for loving well, and people to serve. I pray for wisdom to use them all for Your glory as we seek to do justice, love mercy and walk humbly.
I ask that temptations to look out only for one’s own interests would be defeated, that you would empower this body to seek the perfect peace that only You provide. I pray for them Lord, for many have concerns weighing on them, related to a business, a relationship that is hurting, the health problem of a loved one, or personal pain in their soul. We attempt to defeat evil in this world and to make it to the stars with great difficulty. I praise You, You who created the stars and defeated evil on a bloody hill, conquering sin and bringing life abundant to needy souls.

Amen

May this day be one that enables us to move beyond past differences into a united body only doing what is best for everyone, great and small alike.

May this day be one that challenges us to the best, not only in ourselves, but in each other.

May this day be one that seeks justice for the oppressed, provision for the disadvantaged, and hope for those without hope.

May this day be one where righteousness is the overriding agenda of the day regardless of the political cost.

COMMITTEE ASSIGNMENT CHANGES

REPORT ON ENGROSSED BILLS
HB 2416, HB 2606 reported correctly engrossed March 6, 2018.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Thursday, March 8, 2018.
The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 121 members present.
Rep. Gallagher was excused on verified illness.
Reps. Blex, Davis and Seiwert were excused on excused absence by the Speaker.

Prayer by guest chaplain, Reverend Richard Sundermeyer, pastor, Family Life Church of the Nazarene, Topeka.

Before we begin, today the chaplain of the Kansas House, Rev. Eunice Brubaker, begins chemo treatment. Let us observe a moment of silence to lift her up in our thoughts and prayers.

Almighty God, as we progress forward with the work that is before this legislative body, we continue to seek Your wisdom and direction to make right and just decisions.

The moment we spent in prayer for our chaplain reminds us of the deep need that so many in our great state also have for healing. We never want to forget, omit or neglect them in the circumstances which they face.

Where there is physical need, we ask for hearts of compassion to know how to offer hope and comfort.

Where there is emotional need, we ask for the ability to provide care and concern for their deep-seated needs.

Where there is monetary need, we ask for Your divine provision in order to assist them as they seek to work their way through their circumstances.

Where there is spiritual need, we ask You to move in them and over them so that they will experience the depths of Your shalom...deep-seated contentedness.

Most of all, we ask for Your heart of compassion and love to under-gird everything we are tasked to consider and act on.

We thank You for giving us this day.
In Jesus name I pray these things, Amen.

The Pledge of Allegiance was led by Rep. Wheeler.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Mason, HR 6050, A RESOLUTION strengthening the sister-state relations between the State of Kansas and Taiwan, was adopted.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Mason are spread upon the Journal:

Colleagues: This morning, we will vote on the adoption of HR 6050, “Strengthening the sister-state relations between the State of Kansas and Taiwan.”

In 2017, Taiwan was Kansas’ 12th largest export market in the world and 5th largest export market in Asia, representing a total value of 197 million dollars. The goods Kansas exports to Taiwan include processed food products, agricultural products, computer & electronic products, leather and allied products, and many more.
According to 2015 data, Taiwan contributes a total 26,762 jobs in Kansas. Taiwan-affiliated companies located in Kansas include GARMIN, Hyper Tech Computers, and Sun Marble Company.

An important development, as mentioned in the resolution, is that Kansas and Taiwan signed a memorandum of understanding, in September 2017, on the mutual recognition and exchange of driver licenses. People from Kansas are now granted reciprocity for their driver's license in Taiwan, if they work or study there, and vice versa.

With us, this morning, are Director General Jerry Chang and Forester Lee from the Taipei Economic and Cultural Office in Denver. Mr. Chang has an impressive resume in government service to his nation. His career spans nearly 26 years, and includes assignments in Singapore, Hungary, and New York, to name a few.

Please join me, this morning, in a warm welcome for our honored guests.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Patton are spread upon the Journal:

Since 1947, Youth of the Year has been the Boys & Girls Clubs of America’s premier recognition program, celebrating the extraordinary achievements of Club members. Each year, one exceptional young person from a Boys & Girls Club rises to the role of National Youth of the Year. The National Youth of the Year serves as both an exemplary ambassador for Boys & Girls Club youth and as a strong voice for all of our nation’s young people.

The journey to being named National Youth of the Year begins locally and progresses to state, regional, and national levels, with an additional military phase for members of affiliated Youth Centers on U.S. military installations.

With me this morning are the following 2018 Youth of the Year candidates:
- Christopher Burrell – Boys & Girls Clubs of South Central Kansas
- Tavian Gray – Boys & Girls Clubs of Hutchinson
- Ruth Gathunguri – Boys & Girls Club of Lawrence
- Juleonna Stevenson – Boys & Girls Club of Coffeyville
- Ivy Auletti – Boys & Girls Club of Manhattan
- Isabel Calle – Fort Riley CYS Boys & Girls Club
- Carlos Vega – Fort Leavenworth CYS Boys & Girls Club

Last night, Ruth Gathunguri was named the state youth of the year who will move on to regional and national competitions, and Isabel Calle was named Kansas military youth of the year. Please join me in congratulating all of these outstanding students!

**FINAL ACTION ON BILLS AND CONCURRENT RESOLUTIONS**

**HB 2757**, AN ACT concerning school districts; relating to teacher contracts; due process; amending K.S.A. 2017 Supp. 72-2252, 72-2253, 72-2254 and 72-2260 and repealing the existing sections, was considered on final action.

On roll call, the vote was: Yeas 73; Nays 48; Present but not voting: 0; Absent or not voting: 4.

Yea: Alcala, Alford, Arnberger, Baker, Ballard, Becker, Bishop, Brim, Burroughs, Carlin, Carmichael, Clayton, Concannon, Cox, Crum, S., Curtis, Deere, Dierks, Dietrich, Elliott, Ellis, Finney, Frownfelter, Gartner, Good, Helgerson, Henderson,

Present but not voting: None.

Absent or not voting: Blex, E. Davis, Gallagher, Seiwert.

The bill passed.

EXPLANATIONS OF VOTE

Mr. Speaker: I vote no on HB 2757. Teachers, like those in my own family, are professionals and culture-makers in our communities. They should be called to highest possible standards. Good teachers do not need state-mandated extra protections, and it does a disservice to the profession to offer state-mandated special protection to those who should not have them. – Susan Humphries

Mr. Speaker: We vote No on HB 2757. Local control should be more than a campaign slogan we all use on our campaign postcards. If we truly believe in it, we should stand by it – not make exceptions when special interest unions declare they want a state mandate. HB 2757 undermines local control by involving the state in an area that belongs with local school boards that are duly elected by local citizens for the very purpose of deciding these policy questions. We believe in and stand with our quality teachers and against this infringement on local school districts. – John Whitmer, Eric Smith, Trevor Jacobs, Michael Houser, Blake Carpenter, Leo Delperdang, Willie Dove, Kristey Williams, Randy Powell, Brenda Landwehr, Emil Bergquist, Jack Thimesch, John Barker, Ron Highland, Daniel Hawkins, John Resman, Ken Rahjes, Ken Corbet, Kyle Hoffman, Chuck Weber, Keith Esau, Leslie Osterman, Francis Awerkamp

Mr. Speaker: I vote YES on HB 2757. Although I do support local control, I also see that our teachers do not feel valued in our great state, which is unfortunate. I do wish that paras and family support workers were a part of this bill, but I do understand that they are hourly employees and do not sign a contract. If this bill is successfully signed into law, then I look forward to no longer hearing that the State of Kansas has a teacher shortage as due process seems to be argued as a recruiting tool. – Tory Marie Arnberger

Mr. Speaker: I vote NO on HB 2757. I support teachers having legal due process, but I do not support this legislation. Teachers should expect that they will not be terminated without good reason. Meaningful due process should derive from local Boards. I cannot support legislation that allows a single person from outside of a community to usurp Board authority. Communities elect school board members and charge them with this specific responsibility and authority. This legislation is an
unwarranted interference in the local board’s authority. We can do better. Hopefully, school districts will embrace due process in Negotiated Agreements to address their stated challenges of recruitment and retention. – BRADLEY RALPH, STEVE HUEBERT, KEVIN JONES, FRED PATTON

HB 2758, AN ACT concerning school districts; relating to publication of bullying policies; amending K.S.A. 2017 Supp. 72-6147 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 120; Nays 1; Present but not voting: 0; Absent or not voting: 4.

Nays: Houser.
Present but not voting: None.
Absent or not voting: Blex, E. Davis, Gallagher, Seiwert.

The bill passed.

EXPLANATION OF VOTE

MR. SPEAKER: Even though I support the anti-bullying provisions of HB 2758, I must vote against forcing our local school boards to implement an unfunded state mandate. I just voted against a bill because it took local control from our school districts. I believe to take a stand means to take a stand. You cannot have it both ways just when it fits your agenda. – MICHAEL HOUSER

Lord, I would ask that you give them wisdom and patience as they seek what is best for all of the people they serve. Father, I ask that you bless them with your presence as they seek to legislate on behalf of others. Lord, help them learn from each other. I pray that all of us would be learning from you, that we would be seeking to understand what is best, and what is pleasing in your sight. We know Lord that it may not be what we are comfortable with, what we are familiar with, or even what we agree with. Please allow these servants to hear from you today Father.

A manufacturer, contractor or common entity or an affiliate that enforces against any vehicle dealer any such performance measurement criteria shall, upon the request of the dealer, describe in writing to the dealer, in detail, how the performance measurement criteria were calculated and uniformly applied and shall also provide any data upon which it relied in reaching the performance standard and applying it to the dealer"; and the bill be passed as amended.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Monday, March 12, 2018.
The House met pursuant to adjournment with Speaker Ryckman in the chair.

Reps. Gallagher, Kuether and Phillips were excused on verified illness.
Rep. Francis was excused on legislative business.

You are the creator and sustainer of all things, your Word tells us that through You governments rise and fall, and so we ask that you would bless our government, that you would bless the men and women who serve this state and country so diligently. Father we ask that you would give our leaders wisdom and insight that their service might be pleasing in your sight, that their decisions might be for your honor and the people’s good. We ask heavenly Father that you would grant us favor in your sight that laws might be passed that would protect the lowly and help the downtrodden, that they would bring comfort and stability to the orphan and help for the helpless. Father, give our leaders a spirit of unity that they might serve with the humility of Christ as they put others before themselves. Give them the sacrificial love of Christ that they would love their neighbor as Christ loved us and gave up His life that we might be forgiven. Lord help these men and women seek the good of this state in a way that is pleasing in your sight, that through their efforts and decisions you would see fit to increase the peace and prosperity of your people, that justice might flow through the streets and peace might reign in our homes, that families might flourish and business might prosper. We ask that you would protect and guide these men and women as they serve your people so faithfully. Give them strength and perseverance, protect their families and loved ones, sustain them in their service we ask.
And we ask it that you might receive honor, that your name might be exalted and that your people might flourish, and we ask it in the name that is above every name, the precious name of our Savior, Jesus Christ. Amen.

The Pledge of Allegiance was led by Rep. Lusker.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Eplee are spread upon the Journal:

As I considered this Point of Personal Privilege moment I was at first very hesitant to present you with the information I am about to share. But as I meditated and prayed on this the words just came, and I realized I had to take this brief moment in time to thank you Body for the work you do in attempting to direct and help keep our children, young adults safe. You make a difference.

Last Wednesday you took action to pass HB 2758. And while not perfect this bill goes a long way in starting that process of trying to keep our youth at our schools safe and more protected from cyber bullying. I want to personally thank the representative from South Leavenworth who carried the bill and shared his own personal story. And thank you to the Body for passing it.

Standing before you today are senior students of Atchison H.S. and I promise to get to their celebration reason for being here very shortly. I love Atchison High. All 3 of my own children went through Atchison High and it helped set their trajectory. My graduates are doing great things as a result of their time at Atchison High.

But these students here with me and in the gallery have experienced unimaginable loss in the past two months. Two of their classmates have fallen victim to suicide. While both situations were different and complicated - they centered around some of the issues we discussed last Wednesday.

They were students just like these standing before you. They laughed together, played together, joked together, studied together, learned together, cried together, loved together and ultimately lost together. We are processing that loss - that grief. And so, for the lives of Josh and Tanner I would respectfully ask for a moment of silence here on the floor to celebrate their lives.

Atchison Adrenaline is the premiere Varsity Show Choir at our High School in Atchison, KS. They are one of the only competitive Show Choirs in the state. Adrenaline competes each year in State Contests and Show choir competitions around the country. They have received the highest “Superior” rating in choral performance at State Contest the last 6 years. Adrenaline students have also received many “Superior” ratings at Regional and State solo, ensemble contests. As a show choir, they have also been undefeated in their division for the past 4 years. They consistently place in finals competition, outscoring schools 4 times their size. They have also been nominated for the Aspire Award of Most Promising New Program and are currently ranked in the top 100 competitive Show Choirs in the nation.

Senior Members include: Bruce Dolenz, Teagan Hanson, Libby Harper, Raegan Huntington, Emily Jaloma, Jackson Latner, Piper Myers, Dana Richards, Andie Shults, Derek Thompson, Olivia Wabski, Brennan Wheatley and Nathan Stone.
And their Director is The Amazing Sam Dollins. They are accompanied by Kay Dolenz. The underclassmen of Adrenaline are in the Gallery. I would ask for an unofficial “Meeting at the Rail” immediately on adjournment to watch and hear Adrenaline in action in our Rotunda.

And now please join me in celebrating the wonderful accomplishments of Adrenaline Show Choir from Atchison, KS. Rep. Eplee presented framed House certificates to the director in recognition of Adrenelines' achievements.

MARCH 12, 2018

EXPLANATIONS OF VOTE

Mr. Speaker, I vote No on SB 405. This bill has been promoted as a way to create jobs and investment. Yet, long before this legislation, Tyson Foods had laid out plans to build a poultry plant in Kansas, showing the state already is attractive. Furthermore, discussion centered on the demands of industry with less concern for local communities. Amendments offered by Representatives Karleskint and Horn would have equitably balanced the requests of industry with the protection of Kansans – and I would’ve supported a bill with those provisions. Currently, SB 405 leans too heavily in favor of one group while largely dismissing the welfare of the broader public. – Jason Probst

Mr. Speaker, SB 405, also known as the chicken bill is being passed before SB 414 that is on the consent calendar today, and is known as the egg bill. By voting yes today, we are answering the age old question that the chicken has in fact come before the egg. I vote yes. – Scott Schwab

Mr. Speaker, I vote “Aye” on SB 405. We, as Kansans, take considerable pride in the fact that our farmers feed an ever-increasing share of the world's population; improving the quality of life thereof. We, also, have grown accustomed to being able to walk into our corner store and find a nearly limitless supply of food, fibre, and protein to feed and nourish our own families. It's unrealistic to believe that either of those is sustainable, if we limit the means of production. I vote “Aye” on SB 405. – Les Mason

Mr. Speaker: While we recognize the possible environmental concerns related to SB 405 we also recognize the need for economic opportunities and job growth in Kansas. SB 405 is a necessary first step in allowing farmers the opportunity to add value to their operation and grow the state's economy. This bill also establishes regulations where none currently exist while preserving the rights of local voters to decide for themselves if this industry fits their community. Mr. Speaker we vote YES on SB 405. – John Whitmer, Leo Delperdang, Blake Carpenter, Leslie Osterman, Frank Trimboli, Keith Esau, Randy Powell

REPORTS OF STANDING COMMITTEES

Committee on Federal and State Affairs recommends HB 2427 be amended by substituting a new bill to be designated as "Substitute for HOUSE BILL NO. 2427," as follows:

(Sub HB 2427 was thereupon introduced and read by title.)

REPORT ON ENGROSSED BILLS

HB 2106, HB 2362 reported correctly engrossed March 9, 2018.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Tuesday, March 13, 2018.
The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 119 members present. 
Reps. Gallagher and Phillips were excused on verified illness.
Reps. Blex, Holscher, Neighbor and Pittman were excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Lord God,  
Thank You for this new day.  
May we not take it for granted  
but live it to its fullest for Your glory.  
It is such a humbling privilege and honor  
to pray for these leaders daily.  
These men and women are addressed each day  
with many different titles – representative, leader,  
“the” government, politicians –  
and then there are those titles that some offer  
that I wouldn’t shame You or them by repeating them.  
The reality is that these men and women are  
fathers, mothers, grandfathers, grandmothers;  
brothers, sisters, aunts and uncles;  
friends, companions and best buds.  
They are just normal human beings created by You  
who want to make a difference and serve a purpose  
in what they do in life.  
Help all those who have opinions about all the issues  
remember that in reality these people are like the rest of us  
and deserve respect and dignity.  
Above all, help our elected leadership in here  
to remember that about themselves.  
They are your creation.  
This I pray in Your Name, Amen.

The Pledge of Allegiance was led by Rep. Houser.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Weber are spread upon the Journal:

Good morning colleagues, I am grateful for your attention.

Because March is national Cerebral Palsy Awareness Month, it seemed appropriate to highlight a brief story about the people behind a home-grown organization that’s advocating each day for those experiencing cerebral palsy and other disabilities.

This story begins in the 1960’s and a Western Kansas native with cerebral palsy who came to Wichita for his education. Upon completing that education he discovered a harsh reality: there was no place for him to go—except back home.

Frustrated with the lack of opportunities after all his hard work, the young man called his Wichita speech pathologist—Jack Jonas Jr.—and told him: “It’s not what you did FOR me, it’s what you did TO me.”

Put another way, he told Jack: you equipped me with a dream—living and working independently. But without a path and a place to fulfill those dreams, life is empty.

Is that not a universal truth for all of us?

Jack Jonas took these words to heart and in 1972 founded the Cerebral Palsy Research Foundation in Wichita. The CPRF mission: promote and research employment opportunities and independence for people with disabilities.

With the help of Wichita innovative-thinking entrepreneurs like Pizza Hut co-founder Dan Carney, Dan Taylor, and others, CPRF is now an international model for their mission.

If you own and drive a car in Kansas, your license plate is manufactured at CPRF’s affiliate organization—Center Industries in Wichita.

Employees there might make their living at a specially modified work station designed to promote optimal efficiency.

They might live at The Timbers, the first HUD property in the nation built specifically for people with disabilities to live independently.

They might get to work and live life with the help of a personally customized wheelchair provided through the innovative Wheelchair and Posture Seating Clinic program at CPRF.

The CPRF mission includes employment for people with disabilities in the IT sector, digital document imaging, mailroom operations, data services, products for the aerospace industry, and more.

CPRF’s Center Industries now employs more than 280 people, with 75% of their direct labor force comprised of people with disabilities.

Like all of us, they work and pay taxes.

CPRF also offers meaningful interaction for a range of people with disabilities through its Day Services Program. One of those fortunate clients is our son Billy Weber, standing here with me today.
Also joining me here is Mr. Pat Jonas, son of Founder Jack Jonas. Pat serves as President and CEO of CPRF. Joining us in the gallery is Patrick Terick, a familiar face to many of you and a longtime employee of CPRF who has not only survived, but thrived living with cerebral palsy.

CPRF is a Kansas treasure. It’s a shining example of how the God-given compassion of the human heart and a business-savvy mission-driven philosophy can help create an environment and opportunities where people with disabilities can be as independent—financially and personally—as they choose.

Please join me in welcoming these faces of the disability community and the unending Kansas spirit of perseverance they represent.

The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 122 members present.

Rep. Gallagher was excused on verified illness.

Reps. Deere and Finney were excused on excused absence by the Speaker.

Prayer by guest chaplain, Tobias Schlingensiepen, Senior Minister, First Congregational Church, Topeka.

O God, let us be present to you. In the Gospel of Matthew, in chapter 25, verses 31-40, we read:

When the Son of Man comes in his glory, and all the angels with him, then he will sit on the throne of his glory. All the gentiles will be gathered before him, and he will separate people one from another as a shepherd separates the sheep from the goats, and he will put the sheep at his right hand and the goats at the left. Then the king will say to those at his right hand, “Come, you that are blessed by my Father, inherit the kingdom prepared for you from the foundation of the world; for I was hungry and you gave me food, I was thirsty and you gave me something to drink, I was a stranger and you welcomed me, I was naked and you gave me clothing, I was sick and you took care of me, I was in prison and you visited me.” Then the righteous will answer him, “Lord, when was it that we saw you hungry and gave you food, or thirsty and gave you something to drink? And when was it that we saw you a stranger and welcomed you, or naked and gave you clothing? And when was it that we saw you sick or in prison and visited you?” And the king will answer them, “Truly I tell you, just as you did it to one of the least of these who are members of my family, you did it to me.”

O God, these words tell us that, even those who do not know the Son of Man, serve him, if they address the needs of their vulnerable neighbors. These words are an implicit warning to those who call themselves Christians, shouting “Lord! Lord!” and yet do not do the will of their Father in heaven. You desire that we seek you in the midst of the vulnerable, the oppressed, and the afflicted. And you make our eternal destiny dependent on our doing so.
Lord, I pray for the men and women who have been called to represent the people of Kansas in this house in every bill they deliberate, may they be mindful of the criteria by which we will all be judged; in every bill they vote upon, may they know that You are the One who ultimately tallies their votes.

Give them the courage to receive and live by your mercy. Amen.

The Pledge of Allegiance was led by Rep. Murnan.

Today is Kansas Non-Profit Day at the State House. We have volunteers and leaders representing more than 20 nonprofits in the Capitol today, showcasing their organizations mission-based work and the economic impact of nonprofits in Kansas.

To give you a bit of history of nonprofits in Kansas…we have 27,000 nonprofits in Kansas. We, Kansans give 1.8 billion to charities each year AND they employ 9% of the state’s workforce.

So today, in the Capitol, we have over 20 non-profit organizations in the Rotunda and on the first floor. Many will take your blood pressure! You are also encouraged to write a note to a child in your life in celebration of Absolutely Incredible Kids Day.

All legislators are welcome to join the Y and the other Kansas nonprofits here today at a Networking Reception from 4:30 – 6:30 p.m. at the Dillon House across the street.

Please join in giving a round of applause for all the amazing work these great individuals do for our great State of Kansas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Garber are spread upon the Journal:

Good morning Colleagues. I have several honors to give today. Please hold your applause until all are acknowledged.

Each year as summer ends and school begins, High School athletes and coaches across the nation are thinking about the possibility of winning a State Football Championship. In 2017 the dream came true for the Sabetha Bluejays as they traveled to Hutchinson to compete in the Class 3A title game.

Although not picked as a serious contender at the start of the season, the team improved each game and found themselves competing in the State finals against the Marysville Bulldogs, a team known for their high-octane offense. While Sabetha’s rushing offense was very good, having set the State record of 88 rushing attempts in a single game, the team prided itself on defense. When the Bulldogs lined up inside the Bluejay five-yard line for what would be their last chance to win the game, both team’s
faithful followers held their breath. The defense once again answered the call with their twenty-fourth interception of the year. With time running out, the Bluejay quarterback only needed to take a knee to secure the victory.

Coach Michael and his staff had instilled in the team beginning with the first practice that each team member was an important part of whatever success they had. I ask the team members on the floor to please raise your hand as I call your name. The remainder of the team and the coaching staff are present in the gallery today.

Juniors: Elliot Strahm, Braden Cox, Mason Engelken, Joe Gruber and Cauy Rokey.

Sophomore: Gabe Garber

It is also my honor to recognize Coach Garrett Michael for being selected the 2017 Kansas State High School Football “Coach of the Year”. Coach Michael and his coaching staff did a phenomenal job in guiding these young men to a State Championship. But in my opinion, Coach Michael and his philosophy of “Faith, Family and Football” has prepared them for success in the future. Coach, thank you for your part in shaping the lives of the Sabetha High School students who look to you for guidance.

Finally, it is my pleasure to recognize Junior Elliot Strahm for his recent success. A few weeks ago, four members of the Sabetha wrestling team competed at the 3-2-1A state wrestling tournament in Hays. Elliot was crowned State Champion in the 285-pound weight class. Congratulations Elliot and good luck next year.

Please join me in congratulating The Sabetha Bluejays Football team, Coach Michael and Elliot for their successes.

Rep. Garber presented his guests with framed House certificates in honor of their accomplishments.

COMMITTEE ASSIGNMENT CHANGES

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Thursday, March 15, 2018.
The House met pursuant to adjournment with Speaker pro tem Schwab in the chair.

The roll was called with 123 members present.
Rep. Gallagher was excused on verified illness.
Rep. Markley was excused on excused absence by the Speaker.

Prayer by Chaplain Brubaker:

Creator God,
Well it’s that time of the year again…
the madness of March…
both here on the House floor as well as the basketball floor.
To build a successful team,
traits such as humility, passion, unity, servanthood and thankfulness
are necessary in order to be winners.
Character is also a necessary trait in that
if you are willing to work with athletes and enhance their character,
then wins will come.
Everyone on the team may not have the same level of experience,
but when you put them together working, something happens.

When the mindset is to honor the weakest player,
they will have the chance to become a strong player.
This formula for success is not just for the ball court,
but if practiced here in the chamber,
can bring about accomplishment and victories for all.
I pray that this may be so.
In Your Name, Amen.

The Pledge of Allegiance was led by Rep. Jacobs.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. A. Smith are spread upon the Journal:

I am proud to present to you a very special group of people – the 2018 Leadership Wallace County Class.
It’s not often that the 120th District gets the opportunity to welcome and recognize citizens from northwest Kansas in the House of Representatives since it takes about 5 1/2 hours to travel to Topeka. It’s not for lack of accomplishment, however. In Wallace
County alone we have had a state champion football team and head coach of the year from Weskan and a state champion boys basketball team from Sharon Springs in the last few years. Beyond our schools, we have also had many citizens receive statewide recognition and honors for their professional work and achievements.

Regardless of the award, all successes have one thing in common: leadership, and rural Kansas is not deficient on leadership. I actually believe the smaller your community, the more opportunities you have to step up and be a leader. And we learn that young. We grow up in schools where it is just natural to be involved in everything. You don’t choose which sports to go out for... you go out for all of them! The same goes for band and choir, drama, scholar’s bowl, 4-H & FFA, and many other activities. Leadership opportunities that begin at an early age lay the foundation for the mentality that you truly CAN do anything if you set your mind to it.

For anyone that has the vision to see a new path and the passion to follow that path regardless of what obstacles life puts in your way, the world is a canvas just waiting for your brush.

There are many quotes about leadership, but one of my favorite comes from General Douglas MacArthur – “A true leader has the confidence to stand alone, the courage to make tough decisions, and the compassion to listen to the needs of others. They do not set out to be leaders, but become one by the equality of their actions and the integrity of their intent.”

The members of this year's class are: Steven Paul, leader; Nicole Popp, leader; Margaret Figurilli, Lindsey Larson, Michelle Collins, Jessi Schmidt, Erick Bergquist, Michael Chaney and Sharon Rohr.

These leaders represent a wide variety of industries and occupations in Wallace County, but they share some common characteristics. They each have the vision and the passion to make a positive difference in their community.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Hibbard are spread upon the Journal:

First, I would like to introduce the 2017 State Champions in 2A Cross Country: Colin Bedell, Braydon Gaulding, Austin Moffet, Asher Seivers, Kobe Forsyth, Jordan Smith, Hadley Splechter and Coach Rex McVey.

Not only did this group of young men excel in their sport, but their achievements in the classroom have been exemplified by also winning the 2A Scholars Bowl. Scholar Bowl members include: Kobe Forsyth, Julius Hodges, Nolan Jones, Josh King, Jordan Smith, Hadley Splechter and Coach Collette Jacobs.

I would also like to recognize Principal Karl Hamm and Superintendent Greg Brown and congratulate them for interweaving academics and athletics to develop a well-rounded student body.

Join me in congratulating these Yates Center Wildcats!

Rep. Hibbard presented the teams with framed House certificates in honor of their achievements.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Horn are spread upon the Journal:

Today it is my privilege to welcome the Kansas Regional Afterschool Ambassadors and the Kansas Enrichment Network to the Capitol today.

Eighty percent of youth’s time is spent outside of the regular school day. After-school, before school and summer learning opportunities help keep Kansas youth safe, inspire them to learn and support working families. These programs provide a broad array of additional services designed to reinforce and complement the regular academic studies such as: hands-on experiments that excite students about science, technology, engineering and math, access to physical activity, drug and violence prevention programs, formal and informal mentoring, counseling programs, art, music, health and wellness activities, and technology education programs.

More than 70,000 students in Kansas participate in after school programs, yet 132,000 would participate in a program if one were available. For every one student enrolled in a program, two are waiting to get in.

The Kansas Regional Afterschool Ambassadors are working hard to create and sustain these wonderful out of school opportunities for youth in their communities. I encourage you to reach out to learn more about these youth, the Kansas Regional Afterschool Ambassadors, and the Kansas Enrichment Network.

On behalf of these organizations, with me today are: Rachel Willis, Jennifer Anderson, Tony Yungeberg, Kristina Mason, Kellar Musser, KC Kong, Tina Bulleigh, Issac Clark, Kevin Jones, Thaliah Lopez, Kamara Lewis.

Please join me in thanking them for their important work on behalf of Kansas kids.

Prayer by guest chaplain, Everett Schultz, Interim Pastor, First Mennonite Church, Pretty Prairie, and guest of Rep. Seiwert.

Dear heavenly Father,
I come before You this morning thanking You for this great state of Kansas and that this House still opens its' sessions with prayer. I pray that You will lead and guide these people to understand and discern Your direction for our state. Please empower the people in this room to have the fortitude and strength to face the issues of the day with truth.

The world faces many challenges today with the threat of nuclear war, of civil unrest, and of the taking of innocent life in all areas of society. Forgive us for removing prayer and the mention of Your name from schools, and from turning away from Your principles as a society. Our turning away from You has led to a loss of moral decency and so I pray Father that You will move the people in this room to be able to stand for what our forefathers fought and died for to provide a society where God was respected and revered. Help these people to stand strong for Godly moral values in all the decisions they make for our state.

But most importantly, help each one here to know that you love them and that You sent Your Son to die for each one of them so that they might have eternal life with You in heaven.

In Thy name I pray. Amen.

The Pledge of Allegiance was led by Rep. Seiwert.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Finney and Rep. Dietrich are spread upon the Journal:

We are very excited today as we celebrate Women’s History Month and Celebrate Women in Public Office Day by recognizing a few of our own groundbreaking female legislators who are currently serving in the Legislature and those that have come before us.

In addition, only 203 women have ever served in the Kansas Legislature/House, including only eight women of color. Six African American women, (Verdis Robinson, Ruby Gilbert, Barbara Ballard, Valdenia Winn, Oletha Faust-Goudeau and Gail Finney), one Latin American (Delia Garcia) and one Native American (Ponka-We Victors).

Currently, there are 32 ladies now serving in the House and 15 in the Senate. A few of those special barrier breaking women include: Susan Wagle, the first woman to be elected Speaker pro-tem and the first woman elected as Senate President. Barbara Ballard, the first African-American woman elected to the Kansas House without having been appointed first; and Ponka-We Victors, the first Native American woman elected to the House. We also would like to take this time to recognize the three women that are currently serving as House Committee Chairs – Erin Davis, Children and Seniors and also Joint Committee on Special Claims Against the State; Kristy Williams, Local Government; and Brenda Landwehr, Social Services Budget.

Today we are also recognizing a local resident that has broken barriers here in Topeka to become the city’s first Hispanic Mayor, Ms. Michelle De La Isla. She is Topeka’s second female mayor, following Joan Wagnon, and she is Topeka’s first employed mayor and the first mayor who is a single parent. She is also a diversity and inclusion representative for Westar Energy. Previously, she had represented south Topeka’s District 5 on the city council since April 2013, and she was the executive director of Topeka Habitat for Humanity from 2010 until she took her job with Westar in 2015. She also earned a degree from Wichita State University. Interestingly, today is also her birthday! Help us wish her a very Happy Birthday.
We sincerely appreciate all of their service to the State of Kansas. Please join us in recognizing our current female leaders.

The Representatives presented Mayor De La Isla with a framed House certificate in recognition of her accomplishments.

Thank you for the rain and the promise of spring. Thank you for sending your son as a sacrifice for all to take away our sins and provide redemption.

    We also know you are in control even when things seem out of control. You have appointed leaders among us, and I ask that you bless them with wisdom and knowledge to guide our decisions. Help each of us to recognize you as the creator of all and that nothing exists without you. Once again, guide us and the decisions we make for the State of Kansas. Be with Eunice as she undergoes treatment. Give her strength and be near to her. Finally Lord, bless this Legislature and do your will through the policies we move forward. To your honor and glory, I pray this in Jesus name. Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Brim are spread upon the Journal:

Last year, we listened to several success stories that involved some of our current legislators. If you have been affected by someone who has experience as a kidney donor or recipient, please come down and join us.
Be it hereby known to all that:

Official recognition is extended in honor of Kansas Kidney Awareness & Organ Donation Day

Most of you do not know that I was diagnosed with chronic kidney failure at the age of 27. Thanks to God, amazing doctors, and medications, I am here today.

On March 20, 2018, organizations promoting awareness of chronic kidney disease, dialysis, and organ transplantation are providing education about the risks of kidney disease and blood pressure screenings. Early and accurate identification of kidney disease is a critical component of efforts to reduce the negative health and economic impacts on Kansans. One organ donor can save the lives of more than eight people.

In observance of March as National Kidney Month and April as National Donate Life Month, we encourage all Kansas legislators and residents to honor organ donors and those living with chronic kidney disease.

Today, I would like to honor several people: Alonzo Jamison, Colleen Jamison and Shekinah Bailey – Most of you know Alonzo as a KU basketball star from 1988-1992. I also know him as a father. I had the honor of teaching his twin daughters who are now in college. About four years ago, Alonzo went on dialysis because of end-stage kidney disease brought on by diabetes. Many people were tested, but he couldn’t find a match. One day, Shekinah Bailey saw a post on Colleen’s Facebook page. These are his words, “Not only is this a bad situation for him for a standard of living, but as a society, this is a huge drain on our insurance. When you start to look at all these different factors, it just hit me in the face that this is a no-brainer. Why are people not lined up to help people out? This one we can actually cure. We can fix this.”

I would also like to recognize:

Angela Zaynaug Chowdhury – Living Kidney Donor
Pat Avila – Living Kidney Donor
Tom Weathers – Kidney Recipient

In the gallery and throughout the Capitol, we have the Kansas Kidney Coalition, National Kidney Foundation serving western Missouri, Kansas, and Oklahoma, and The University of Kansas Health System Center for Transplantation.

Rep. Brim presented framed House certificates to her guests.

On motion of Rep. Hineman, the House adjourned until 11:00 a.m., Wednesday, March 21, 2018.

Holy One, Spirit of Truth:
Once, for a nation delivered from slavery to become your faithful people, you commanded according to Deuteronomy, Chapter 24: “Don’t take advantage of poor or needy workers, whether they are fellow Israelites or strangers who live in your land or your cities. Pay them their wages the same day, before the sun sets, because they are poor, and their very life depends upon that pay.”

Look down, 0 Holy One, Source of wisdom and love: these civil servants bow their heads day in and day out over the details, the right wording, the precise figures. Those details are important. They make things happen. They need careful attention. Help these Representatives to know they do not labor in vain: this hard work is appreciated. But do not bow them too low with the burden of the fine print. Do not let the paperwork and the theoretical studies and the bottom line overtake their awareness that the very lives of real people depend upon each person in this room, every single day.

Help us not to be so mired in the little things, 0 God, that we lose sight of the biggest things: your love for all of creation, and your extravagant dream of a world where all may thrive. Amen.

The Pledge of Allegiance was led by Rep. Proehl.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Weigel are spread upon the Journal:

I want to ask you to join me today in congratulating Paramedic Mindy Toy, a 2017 winner of the American Ambulance Association Star of Life Award, for contributions of an ambulance professional who has gone above and beyond the call of duty.

Mindy was nominated by her peers for her service to the community and the EMS profession. Supervisory personnel made a final determination. Mindy and her family were flown to Washington, D.C. in June 2017 to receive the award. She was the only AMR Kansas employee to receive the award for her life-saving skills.

Mindy has been a paramedic since 2015 and is also a field training officer. She was also nominated for this award again for 2018 – but because she received it the previous year, was not eligible this year.

One last point – in her high school years she did some baby-sitting. Yes, she babysat my three kids, although no life-saving skills were needed.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Elliott are spread upon the Journal:

Good morning:

I am pleased to recognize Maureen Botros of Wichita as a recipient of the 2018 Prudential Spirit of Community Award. This annual award recognizes the top two students in each state and the District of Columbia for outstanding acts of volunteerism. In its 23rd year, this program is conducted by Prudential Financial in partnership with the National Association of Secondary School Principals.

Joining her today are her parents, Dr. Mag and Maureen Botros and brother George. Reeny, as she likes to be called, is a Home School Senior and was nominated by the Girl Scouts of Kansas Heartland in Wichita. The Girl Scouts honored her with the National Young Woman of Distinction in 2017.

She has founded a series of week long technology camps promoting the idea that girls can succeed in STEM fields (Science, Technology, Engineering, and Math) without sacrificing their femininity. Her other accomplishments include designing a bio-responsive workout wear device called “Illumi-cize,” which measures heart-rate and displays the results via colored lights on accessories such as hair bows and necklaces. Reeny’s objective was to combat child obesity with Illumi-cize and the camps she hosted both in the U. S. and Mexico, allowed high school participants to design their own versions of these accessories.

She participated in the White House Science Fair in 2015 and was only one of eight exhibitors to present and discuss her Illumi-cize project with President Obama. Reeny has many other awards including Kansas Junior Academy of Science, where she earned first place in 2015. She presented her Illumi-cize project to the American Association for the Advancement of Science the same year. Reeny also found time to go on a medical mission trip to Haiti with her father. Please join me in congratulating Reeny as
a recipient of the 2018 Prudential Spirit of Community Award and her volunteer
service, peer leadership and community spirit.

Rep. Elliott presented Reeny with a framed House certificate in honor of her
impressive achievements.

Journal of the House

FIFTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, March 22, 2018, 11:00 a.m.

The House met pursuant to adjournment with Speaker Ryckman in the chair.

The roll was called with 125 members present.

Prayer by guest chaplain, The Reverend Dr. Dane Sommer, Director of Ministry, Children's Mercy Hospital, Kansas City and guest of Rep. Markley.

O great and glorious God, we open our hearts and souls to your grace and love. We may envision you in different ways, we may call you by different names, yet we are unified – as President Lincoln said – by the imperative to “own [our] dependence upon the overruling power of God.”

We ask for a blessing upon this assembly. Help us realize that the air in this chamber is different than anywhere else: it is sacred, it is holy. Unified, we breathe in the concerns of the disempowered and downtrodden. We breathe in the needs of those who are fragile and forgotten. We breathe in the vision that all people have equal value in your eyes and in your embrace.

We pray for all the children and young people of our great state and every child everywhere, that all children will have health and wholeness, that those who are broken will be surrounded with healing resources, and that the innocence and resilience of every child will be protected.

Bless every Member of this Beloved House that they may serve with grace and a sense of divine empowerment. And bless the proceedings of this day, as we pray in your holy name. Amen.

The Pledge of Allegiance was led by Rep. Markley.

It is my honor, on behalf of the 490,000 students in our public school classrooms in this great state of Kansas, to introduce to you some truly outstanding teachers who are masters of their craft. “Master” is the operative word here.
These 7 teachers standing before you know how to create an exceptional learning experience for students to carry with them throughout their lives. They are outstanding teacher leaders in their buildings, they are admired for their unique and innovative classroom instruction, and they are fully engaged in their communities.

These are remarkable educators who love what they do and are passionate about making a positive difference in the lives of their students.

It is my honor to introduce the 2018 Kansas Master Teachers of the Year who are from all across our state and who represent 160 years of classroom experience.

With us today we have:

Rep. Dietrich presented each Master Teacher with a House certificate in recognition of their achievement.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Hibbard are spread upon the Journal:

Good morning colleagues.

I would like to share with you a personal interest story about a couple of young men we have watched grow up.

Kendall and Kolby Beitz weighed just a little over two pounds each when they were born. Their mother has been a lifelong friend of ours and their father wrestled on the same team as our son for Eureka in the early 1990’s.

A few days after they were born, Cindy and I went to the Neonatal Intensive Care Unit at Wesley Hospital to see them, and though they were very small, they were doing well. I told their mom, Tara, that the biggest problem she was going to have with those boys was to keep them out of the same weight class. I had forgotten that I had made that comment, but Tara reminded me recently that I had.

At a young age, they started wrestling and this past month, we had the opportunity to go to Hays and watch Kendall complete a perfect 44-0 record and win the 106 lb. weight class state championship for the second year and Kolby won his first state
championship in the 113 lb. weight class and finished with a 37-2 record.
Not only are these boys good wrestlers, but they are also very fine young citizens. They have mentored many kids in the junior wrestling program and helped with lots of younger kids in the 4-H program.
In the gallery today are approximately forty 4-H members from Greenwood County whose lives these boys have touched and I ask that you join us in congratulating Kendall and Kolby Beitz, 3-2-1 A State Wrestling Champions.
Rep. Hibbard presented Kendall and Kolby each with a framed House certificate in honor of their championships.

Prayer by Chaplain Brubaker:

Heavenly Father,

thank You for this beautiful day.

For our leaders today,

I pray You will give them godly wisdom

as they tackle the issues at hand.

Help them not to react to the urgent

at the expense of acting on the important.

Keep them from being weary or discouraged

in their various responsibilities.

And rather than trying to accomplish tasks

in their own strength and wisdom,

I pray that each one may learn

to rest in Your love

and be open to listening to your voice.

I pray this, knowing You hear my prayer

and You answer.

And be with the Jayhawks

as You were with the Wildcats.

In Your Son’s Name, Amen.

Prayer by Chaplain Brubaker:

Almighty God,
We thank You for a brand-new day—
a new week—a new start with many things to accomplish.
As Your Word in the Book of Proverbs encourages us,
Help these leaders to listen to what You say,
and to treasure Your commands.
May they tune their ears to wisdom,
and concentrate on understanding.
Encourage them to be willing to cry out for insight,
and ask for understanding.
Help them to fear You and gain your knowledge.
If they do these things,
You have promised a treasure of common sense;
You will shield those who walk with integrity;
You will guard the paths of those who are just;
and You will protect those who are faithful to You.
I ask this for each of these leaders
In Your Name,
Amen.
(Proverbs 2:1-8 paraphrased)

The Pledge of Allegiance was led by Rep. Horn.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on HB 2778. The legislation we passed last year deprived Kansans of their First Amendment right to freedom of political expression though economic boycott and required allegiance to beliefs held by the governor and a majority of the legislature. It also prohibited the practice of sincerely held religious beliefs. Presently, the Supreme Court extends these rights to corporations and this bill continues to violate those rights, making Kansas liable for additional attorney fees. Because the bill restores these rights to individuals I reluctantly vote yes on HB 2778. – JOHN CARMICHAEL

MR. SPEAKER: I vote no on HB 2778. Although I strongly support Israel’s partnership with our state, I cannot vote for this bill. Someone please show me where government is given the authority to dictate with whom a private business may or may not do business with. – MICHAEL HOUSER

MR. SPEAKER: I vote yes on HB 2778. BDS, is a form of economic terrorism that targets Israel for being Israel. It is anti-Semitic in its intentions. In the Holy Bible, in the book of Genesis 12:3, God says, “I will bless those who bless you, and I will curse him who curses you; and in you, all of the families of the earth shall be blessed.” I choose this day to bless and stand with the nation of Israel. – TREVOR JACOBS, KEVIN JONES, JESSE BURRIS

SB 331, AN ACT concerning the department of wildlife, parks and tourism; relating to state parks; establishing the Flint Hills advisory council; designating Flint Hills trail state park and Little Jerusalem Badlands state park; amending K.S.A. 2017 Supp. 32-837 and repealing the existing section, was considered on final action.

On roll call, the vote was: Yeas 99; Nays 24; Present but not voting: 0; Absent or not voting: 2.

Present but not voting: None.

Absent or not voting: Claeys, Schwab.

The bill passed, as amended.

4. establish that neither the presence of cannabinoid components or metabolites in a person's bodily fluids, nor conduct related to the medical use of cannabis by a custodial or noncustodial parent, grandparent, pregnant woman, breastfeeding mother, legal guardian or other person charged with the well being of a child, or infant, shall form the sole or primary basis for any action or proceeding by a child welfare agency, family or juvenile court, because their child or ward, is a medical cannabis patient, or a newborn, or child of breastfeeding mother has presence of cannabinoids, because the mother is a medical cannabis patient. This subsection shall apply only to conduct in compliance with the Kansas safe access act;

5. establish patient protection for the purposes of medical care, including organ transplants, and that a qualifying patient's medical use of cannabis does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care, nor be used to violate a registered qualifying patient on probation or parole;

6. establish protection for patients and caregivers that, unless required by federal law or required to obtain federal funding, no landlord may refuse to rent a dwelling unit to a person or take action against a tenant solely on the basis of an individual's status as a qualifying patient or identification cardholder under the Kansas safe access act;

7. ensure that patient and caregiver insurance coverage as any type shall not be
endangered because of a person’s status as a medical cannabis patient;

(8) guarantee that medicine availability to any patient shall not be restricted and that it shall be available to all medical cannabis patients in any environment where other medications are allowed;

(9) establish that a patient or caregiver may assert the medical purpose for using cannabis as a defense, or appeal, to any prosecution or conviction of an offense involving cannabis intended for the patient’s medical use, and that this defense shall be presumed valid where the evidence shows that:

(A) A medical provider has stated that, in the medical provider’s professional opinion, after having completed a full assessment of the patient’s medical history and current medical condition, the patient is likely to receive, or would have received, therapeutic or palliative benefit from the medical use of cannabis to treat or alleviate the patient’s medical condition or symptoms associated with the patient’s medical condition;

(B) the patient and the patient’s designated primary caregiver, or cultivating caregiver, if any, were collectively in possession of a quantity of cannabis that was not more than reasonably necessary to ensure the uninterrupted availability of cannabis for the purpose of treating or alleviating the patient’s medical condition or symptoms associated with the patient’s medical condition; and

(C) the registered qualifying patient, cultivating caregiver or designated primary caregiver was engaged in the acquisition, possession, cultivation, manufacture, use or transportation of cannabis or paraphernalia, or both, relating to the administration of cannabis solely to treat or alleviate the patient’s medical condition or symptoms associated with the patient’s medical condition.

The person may assert the medical purpose for using cannabis in a motion to dismiss, and the charges shall be dismissed following an evidentiary hearing where the person shows the elements listed in subparagraphs (A), (B) and (C); and if a patient demonstrates the patient’s medical purpose for using cannabis pursuant to this section, the patient and the patient’s designated caregiver, or cultivating caregiver, shall not be subject to the following for the registered qualifying patient’s use of cannabis for medical purposes:

(i) Disciplinary action by an occupational or professional licensing board or bureau; or

(ii) forfeiture of any interest in or right to property.

(10) recognize established federal protection for native American growers, collectives and compassion centers. Kansas shall in no way impede the rights of indigenous peoples;

(11) recognize that workers compensation should cover medical cannabis as it would all other medications;

(12) guarantee that medical cannabis patients shall fully retain all rights, including their second amendment rights;

(13) establish that medical cannabis patients will be protected from warrantless drug enforcement administration’s medical record searches; and

(14) remove cannabis, and all places listed as medical cannabis, and all parts of all varieties of the plant cannabis whether growing or not, the seeds thereof, the resin extracted from any part of the plant, and every compound, manufacture, salt, derivative, mixture or preparation of the plant, its seeds or resin. It does not include the mature stalks of the plant, fiber produced from the stalks, oil or cake made from the seeds of
the plant, any other compound, manufacture, salt, derivative, mixture or preparation of
the mature stalks, the resin extracted therefrom, fiber, oil, or cake or the sterilized seed
of the plant, which is incapable of germination, chapter 65 article 41 of the Kansas
Statutes Annotated, and amendments thereto, as listed in K.S.A. 65-4105(d)(16), 65-
4101(o), 65-4107, 65-4109, 65-4111 and 65-4113, and amendments thereto.

(b) The Kansas safe access act shall not prevent the seizure or forfeiture of cannabis
exceeding the amounts allowed under the Kansas safe access act and not meeting
exceptions listed in section 8, and amendments thereto.

(c) Any cannabis, cannabis paraphernalia, illicit property or interest in illicit
property that is possessed, owned or used in connection with the medical use of
cannabis as allowed under the Kansas safe access act, or acts incidental to such use,
shall not be seized or forfeited.

(d) A person shall not be subject to arrest, prosecution or penalty in any manner or
be denied any right or privilege, including, but not limited to, civil penalty or
disciplinary action by a court or occupational or professional licensing board or bureau,
simply for being in the presence or vicinity of the medical use of cannabis as allowed
under the Kansas safe access act or for assisting a patient with using or administering
 cannabis. A person shall not be subject to arrest, prosecution or penalty in any manner,
 or be denied any right or privilege, including, but not limited to, civil penalty or
disciplinary action by a court or occupational or professional licensing board or bureau
for providing a registered qualifying patient, a registered designated primary caregiver
or cultivating caregiver with cannabis paraphernalia for purposes of a registered
patient's medical use of cannabis.

(e) Fraudulent representation to a law enforcement official of any fact or
circumstance relating to the medical use of cannabis to avoid arrest or prosecution shall
be punishable by a fine of $500, which shall be in addition to any other penalties that
may apply for making a false statement or for the use of cannabis other than use
undertaken pursuant to the Kansas safe access act.

(f) Any identification cardholder who sells cannabis to a person who may not
possess cannabis for medical purposes under the Kansas safe access act shall result in
the cardholder's identification card being revoked and such identification cardholder's
shall be subject to other penalties for the unauthorized sale of cannabis.

(g) Where a state-funded or locally funded law enforcement agency encounters an
individual who, during the course of the investigation, credibly asserts that such
individual is an identification cardholder or an entity whose personnel credibly asserts
that it is a compassion center, the law enforcement agency shall not provide any
information from any cannabis-related investigation of the person to any law
enforcement authority that does not recognize the protection of the Kansas safe access
act, and any prosecution of the individual, individuals or entity for a violation of the
Kansas safe access act act shall be conducted pursuant to the laws of this state.

(h) The act also protects card holding-non resident patients traveling through the
state of Kansas.

(i) If the department fails to adopt temporary rules and regulations to implement the
Kansas safe access act within 180 days of the effective date of the Kansas safe access
act, a patient, prospective board member or prospective principal officer of a
compassion center may commence an action in a court of competent jurisdiction to
compel the department to perform the actions mandated pursuant to the provisions of
the Kansas safe access act.

(j) If the cannabis compliance agency fails to issue a valid identification card in response to a valid application or renewal submitted pursuant to the Kansas safe access act within 20 days of its submission, the identification card shall be deemed granted and a copy of the identification application, copy of renewal application, receipt from application submittal or receipt from application renewal shall be deemed a valid identification card.

(k) If, at any time after the 180 days following the effective date of the Kansas safe access act, the department is not accepting applications, including if it has not created rules and regulations allowing patients to submit applications, a notarized statement by a patient containing the information required in an application, pursuant to section 5, and amendments thereto, together with a written certification from their medical provider, shall be deemed a valid identification card.

(l) An interim process shall be developed by the cannabis compliance agency allowing approved patients to legally purchase medical cannabis and medical cannabis products from legal states until such products are made fully available in Kansas.

(m) The provisions of law making the possession, therapeutic use, manufacture, cultivation of cannabis unlawful shall not apply to a registered qualifying patient or to a registered qualifying patient's primary caregiver or cultivating caregiver who possesses or cultivates cannabis for the personal medical purposes of the patient upon the written or oral recommendation or approval of a medical provider.

(n) Nothing in the Kansas safe access act shall be construed as granting to the cannabis compliance agency, the compassion board or the Kansas department of health and environment the power to fix prices for medical cannabis, but such entities shall monitor pricing to prevent price gouging and protect the interests of patients. No price caps may be instituted without the consultation of the compassion board.

(o) Patient-owned collectives may grow, distribute or sell, or both distribute and sell, medical cannabis and medical cannabis products on a non-profit basis to their members.

(p) Duly designated primary caregivers, and cultivating caregivers, who consistently attend to registered qualifying patients' needs, may charge for their labor and services in providing medical cannabis.

(q) Nothing in the Kansas safe access act shall be construed as interfering with a Kansas citizen's right to purchase hemp-based products as otherwise authorized by law.

New Sec. 4. (a) The purpose of this section is to prohibit any medical provider from being punished or denied any right or privilege for having recommended cannabis for medical therapeutic use to a qualifying patient. This section sets forth general standards and requirements for medical providers, and establishes guidelines for diagnosing registered qualifying patients as having a debilitating medical condition and, as such, shall have coverage under the Kansas safe access act, whether it is temporary disability or illness, due to injury or surgery, or a permanent disability or illness that substantially limits the ability of the person to conduct one or more major life activities, as defined in the Americans with disabilities act of 1990 (ADA) (public law 101-336); or if not alleviated, may cause serious harm to the patient's safety or physical or mental health. The cannabis compliance agency intends the guidelines in this section to help maintain the integrity of Kansas medical providers recommending medical cannabis.

(b) A medical provider shall not be subject to arrest, prosecution or penalty in any
manner or be denied any right or privilege, including, but not limited to, civil penalty or
disciplinary action by the state board of healing arts or by any other occupational or
professional licensing board or bureau solely for providing written certifications, or
otherwise stating that in the medical provider's professional opinion a patient is likely to
receive therapeutic benefit from the medical use of cannabis in treating or alleviating
the patient's medical condition or symptoms associated with the medical condition.

(c) Nothing in the Kansas safe access act shall prevent a professional licensing
board from sanctioning a medical provider for failing to properly evaluate a patient's
medical condition or otherwise violating the standard of care for evaluating medical
conditions.

(d) For medical providers to qualify to recommend medical cannabis, they must
fulfill requirements as outlined by the cannabis compliance agency.

(e) Continuing education units covering medical cannabis are available online, and,
if approved by the board of healing arts or the board of nursing, medical providers will
be encouraged to take courses in the endocannabinoid system (ECS), basic cannabis
science, cannabis and palliative care and classes on dosage and delivery systems.

(f) Seminars on Kansas safe access act compliance shall be made available by the
cannabis compliance agency in every county for all medical providers and first
responders, either in person or by teleconference.

(g) All medical provider educational and seminar information shall be provided on
the cannabis compliance agency webpages.

(h) Medical providers must reevaluate registered qualifying patients annually and
provide the registered qualifying patient with an updated recommendation.

(i) Recommendations shall not be for any specific total weight or amount of end
product, but shall be for targeted therapeutic levels and actionable metrics of
cannabinoids.

New Sec. 5. (a) The purpose of this section is to set forth general standards and
requirements for the issuance of medical cannabis patient and caregiver identification
cards. This section provides unimpeded and legal access to medical cannabis patients,
and prevents the diversion of medical cannabis to the black market.

(b) The department shall establish and maintain a program under the cannabis
compliance agency for the issuance of identification cards to registered qualified
patients or primary caregivers who submit the following in accordance with the
cannabis compliance agency's rules and regulations:

(1) A written certification;
(2) an application with a $10 fee or $10 renewal fee;
(3) the name, address and date of birth of the qualifying patient, except that if the
applicant is homeless, no address is required;
(4) the name, address and telephone number of the qualifying patient's medical
provider;
(5) the name, address and date of birth of the designated primary caregiver, if any,
by the qualifying patient;
(6) a statement signed by the registered qualifying patient, pledging not to divert
cannabis to anyone who may not possess cannabis pursuant to the Kansas safe access
act; and
(7) a signed statement from the designated primary caregiver, if any, a statement
signed by the cultivating caregiver, if any, agreeing to be designated as the patient's
designated primary caregiver or cultivating caregiver and pledging not to divert cannabis to anyone who may not possess cannabis pursuant to the Kansas safe access act.

c) The cannabis compliance agency shall not issue an identification card to a qualifying patient who is younger than 18 years of age unless:

1. The qualifying patient's medical provider has explained the potential risks and benefits of the medical use of cannabis to the custodial parent or legal guardian with responsibility for health care decisions for the qualifying patient;
2. The custodial parent or legal guardian with responsibility for health care decisions for the qualifying patient consents in writing to:
   A. Allow the qualifying patient's medical use of cannabis;
   B. Serve as the qualifying patient's designated primary caregiver;
   C. Control the acquisition of the cannabis, the dosage and the frequency of the medical use of cannabis by the qualifying patient; or
3. The qualifying patient is an emancipated minor and has been held by the courts to be capable of conducting one's own affairs, including medical care.

d) An identification card, or its equivalent, that is issued under the laws of another state, district, territory, commonwealth or insular possession of the United States that allows, in the jurisdiction of issuance, a visiting qualifying patient to possess cannabis for medical purposes shall have the same force and effect as an identification card issued by the cannabis compliance agency.

1. Upon verification by the state of origin verification system, or documents sent by the state of origin governing medical cannabis to the cannabis compliance agency, out-of-state patients can purchase medicine, per the recommendation of their home state provider, or per home state regulations.
2. A copy of their card and all other information will be entered into the compassion center patient database and also kept in hard copy.
3. All files must be retained for as long as the compassion center is operational.
4. If the compassion center should close, the cannabis compliance agency and the compassion board are to have a process in place within 180 days of the effective date of the Kansas safe access act for either secure destruction or storage of registered qualifying patient files.

e) The cannabis compliance agency shall verify the information contained in an application or renewal submitted pursuant to this section and shall approve or deny an application or renewal within 15 days of receipt.

1. The cannabis compliance agency may not deny an application or renewal only if the applicant did not provide the information required pursuant to this section, but the application must be returned and the missing information provided. The application information will not be entered into the system and will be considered as a non-submittal.
2. The cannabis compliance agency may deny an application if the applicant previously had an identification card revoked for violating the Kansas safe access act or if the cannabis compliance agency determines that the information provided was falsified.
3. Applicants may appeal first rejections to the compassion board for review. Rejection of an application or renewal by the compassion board is considered a final department action subject to judicial review. All administrative proceedings are subject
to the Kansas administrative procedure act and in accordance with the judicial review act.

(f) The cannabis compliance agency shall issue an identification card to the designated caregiver, if any, who is named in a qualifying patient's approved application, provided that the designated primary caregiver meets the requirements of section 5, and amendments thereto.

(1) The cannabis compliance agency shall notify the qualifying patient who has designated someone to serve as the patient's primary caregiver, if an identification card will not be issued to the designated primary caregiver.

(2) A designated primary caregiver shall be issued an identification card each time the designated primary caregiver is designated by a qualifying patient.

(g) The cannabis compliance agency shall issue temporary identification cards to qualifying patients and to designated primary caregivers at the time of approval and upon payment of a $10 fee, and permanent cards within 30 days of approving an application or renewal.

(h) Each identification card shall expire one year after the date of issuance, unless the medical provider states in the written certification that the medical provider believes the qualifying patient would only benefit from medical cannabis until a specified earlier or later date, then the identification card shall expire on that date.

(i) Identification cards shall contain all of the following:

(1) The name, address and date of birth of the qualifying patient;
(2) the name, address and date of birth of the designated primary caregiver, if any;
(3) the date of issuance and expiration date of the identification card;
(4) a random 20-digit alphanumeric identification number, containing at least four numbers and at least four letters, that is unique to the cardholder;
(5) if the cardholder is a designated primary caregiver, the random identification number of the registered qualifying patient the designated caregiver is assisting;
(6) a photograph;
(7) a barcode for scanning; and
(8) a holographic seal.

(j) The following notifications and cannabis compliance agency responses are required:

(1) A registered qualifying patient shall notify the cannabis compliance agency of any change of name, address or designated primary caregiver, or if the registered qualifying patient ceases to have a debilitating medical condition, within 30 days of such change by the web pages or customer service phone number. A registered qualifying patient who fails to notify the cannabis compliance agency of any of these changes may be subject to a civil penalty of no more than $150 levied by the department;

(2) any registered designated primary caregiver, cultivating caregiver or compassion center employee must notify the cannabis compliance agency of any change in name or address within 30 days of such change. A registered designated primary caregiver, cultivating caregiver or compassion center employee who fails to notify the cannabis compliance agency of any of these changes may be subject to a civil penalty of no more than $150 levied by the cannabis compliance agency;

(3) when a cardholder notifies the cannabis compliance agency of any changes listed in this subsection, the cannabis compliance agency shall issue the cardholder a
new identification card within 10 days of receiving the updated information and a $10 fee. If the person notifying the cannabis compliance agency is a registered qualifying patient, the cannabis compliance agency shall also issue the patient's registered designated caregiver, if any, a new identification card within 10 days of receiving the updated information;

(4) when a registered qualifying patient ceases to be a registered qualifying patient or changes the registered designated primary caregiver, or cultivating caregiver, the cannabis compliance agency shall notify the designated primary caregiver, or cultivating caregiver, within 10 days. The registered designated primary caregiver's or cultivating caregiver's protections under the Kansas safe access act as to that qualifying patient shall expire 10 days after notification by the cannabis compliance agency; and

(5) if a cardholder loses the identification card, the cardholder shall notify the cannabis compliance agency within 10 days of losing the identification card and submit a $10 fee within 30 days of losing the card. Within five days after such notification, the cannabis compliance agency shall issue a new identification card.

(k) Mere possession of, or application for, an identification card shall not constitute probable cause or reasonable suspicion, nor shall it be used to support the search of the person or property of the person possessing or applying for the identification card. The possession of, or application for, an identification card shall not preclude the existence of probable cause if probable cause exists on other grounds.

(l) The following confidentiality rules shall apply, and all the health insurance portability and accountability act of 1996 (HIPAA; pub.l. 104–191, 110 stat. 1936, enacted August 21, 1996) guidelines shall be in force:

(1) Applications and supporting information submitted by the qualifying patient's designated primary caregivers, and including information regarding their designated primary caregivers and medical providers, are confidential;

(2) applications and supporting information submitted by compassion centers, and compassion center personnel operating in compliance with the Kansas safe access act, including the physical addresses of compassion centers, are confidential; and

(3) the cannabis compliance agency shall maintain a confidential list of the persons to whom the cannabis compliance agency has issued identification cards. Individual names and other identifying information on the list shall be confidential, exempt from the Kansas open records act, and not subject to disclosure, except to authorize employees of the cannabis compliance agency as necessary to perform official duties of the cannabis compliance agency.

(m) The verification system must include the following data security features:

(1) Any time an authorized user enters five invalid registry identification numbers within five minutes, that user cannot log in to the system again for 10 minutes;

(2) the server must reject any log-in request that is not over an encrypted connection; and

(3) any hard drive containing cardholder information must be destroyed once it is no longer in use, and the department shall retain a signed statement from a department employee confirming the destruction.

(n) The application for qualifying patient's identification card shall include a question asking whether the patient would like the compassion board to notify the patient of any clinical studies regarding cannabis' risk or efficacy that seek human subjects. The compassion board shall inform those patients who answer in the
affirmative of any such studies it is notified of that will be conducted in the United States.

(o) Medical providers must reevaluate a registered qualifying patient annually and provide the registered qualifying patient with an updated recommendation. The registered qualifying patient must provide the updated recommendation to the cannabis compliance agency for identification card renewal 30 days prior to expiration of the current identification card. Failure to register an updated recommendation with the cannabis compliance agency may result in suspended benefits.

(p) The cannabis compliance agency may make exceptions, at its discretion, based on hardship circumstances of registered qualifying patients or other considerations.

(q) The cannabis compliance agency may establish a sliding scale of patient application and renewal fees based upon a qualifying patient's family income and the department may accept donations from private sources in order to reduce the application and renewal fees.

New Sec. 6. The purpose of this section is to set forth general standards and requirements for the licensing and regulation of compassion centers. This section is intended to provide safe and regulated access to medical cannabis and protect the health of patients by implementing and enforcing congruent standard operating procedures for all licensed compassion centers. The following provisions govern the registration of compassion centers:

(a) The cannabis compliance agency shall register a compassion center and issue a registration certificate, with a random 20-digit alphanumeric identification number, within 90 days of receiving an application for a compassion center if the following conditions are met:

1. The prospective compassion center provided the following:
   A. An application or renewal fee;
   B. the legal name of the compassion center;
   C. the physical address of the compassion center and the physical address of one additional location, if any, where cannabis will be cultivated, neither of which may be within 1,000 feet of real property comprising a public or private elementary, vocational or secondary school or a public or private college, junior college or university, or a playground or housing facility owned by a public housing authority, or within 100 feet of a public or private youth center, public swimming pool, drug treatment facility, commercial daycare or video arcade facility;
   D. the name, address and date of birth of each principal officer and board member of the compassion center;
   E. the name, address and date of birth of any person who is an agent of or employed by the compassion center;
   F. operating regulations that include procedures for the oversight of the compassion center, procedures to ensure accurate record-keeping, patient database security, security of patient paper files, and security measures to deter and prevent unauthorized entrance into areas containing cannabis and the theft of cannabis, and proof of compliance with any other oversight rules and regulations issued by the cannabis compliance agency under subsection (b);
   G. if the city or county in which the compassion center would be located has enacted reasonable zoning restrictions, a sworn and truthful statement that the registered compassion center would be in compliance with those restrictions;
(H) issuing the compassion center a registration would not be in violation of a reasonable limitation on the number of registered compassion centers that can operate in the jurisdiction in which it would operate; and

(I) principal officers and board members will be elected to office by patient and caregiver members of the collective and will be subject to a background check at the time of nomination.

(2) Principal officer and board member candidates cannot be excluded for any offense consisting of conduct for which the Kansas safe access act would likely have prevented a conviction, but the conduct either occurred prior to the enactment of the Kansas safe access act or was prosecuted by an authority other than the state of Kansas, whether as a patient or caregiver. Candidates who can prove their past convictions would have been negated by the Kansas safe access act by providing to the cannabis compliance agency medical records from the time of the conviction for the patient, or records that the patient was receiving care from a caregiver, cannot be excluded from consideration. None of the prospective principal officers or board members may serve as a principal officer or board member if they have served as a principal officer or board members for a registered compassion center that had its registration certificate revoked. None of the principal officers or board members may be younger than 21 years of age.

(3) The compassion center has been approved for registration by the cannabis compliance agency.

(4) Not later than 180 days after the effective date of the Kansas safe access act the cannabis compliance agency, in consultation with the compassion board, shall adopt any further rules and regulations establishing application and renewal fees for registry identification cards and compassion center registration certificates, including reasonable rules and regulations governing:

(A) The form and content of compassion center registration and renewal applications;
(B) the minimum oversight requirements for registered compassion centers;
(C) the minimum record-keeping requirements for registered compassion centers;
(D) the minimum security requirements for registered compassion centers; and
(E) the procedures for suspending or terminating the registration of a registered compassion center that violates the provisions of the Kansas safe access act or the rules and regulations promulgated pursuant to this section.

(b) The cannabis compliance agency, in consultation with the compassion board, shall design rules and regulations with the goal of protecting against diversion and theft without imposing an undue burden on the registered compassion centers or compromising the confidentiality of registered qualifying patients and their registered designated primary caregivers.

(c) Any dispensation record that a registered compassion center is required to keep shall track transactions according to the registered qualifying patient's registered designated primary caregivers' and registered compassion centers' registry identification numbers, rather than their names, to protect their confidentiality.

(d) A registered compassion center shall not be subject to prosecution or search, except by the cannabis compliance agency pursuant to section 7, and amendments thereto, seizure or penalty in any manner or be denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a court or business licensing board or entity, solely for acting in accordance with the Kansas safe access act and
cannabis compliance agency rules and regulations to acquire, possess, cultivate, manufacture, deliver, transfer, transport, supply or dispense cannabis, cannabis-based products or related supplies and educational materials to registered qualifying patients, to registered designated primary caregivers on behalf of registered qualifying patients or to other registered compassion centers.

(e) A registered compassion center may not dispense, deliver or otherwise transfer cannabis to a person other than another registered compassion center, an identification card-carrying patient or an identification card-carrying patient's registered designated primary caregiver.

(f) A compassion center shall implement security measures to deter and prevent entry into and theft from restricted access areas containing cannabis or currency.

(g) A compassion center shall submit changes to the floor plan or security plan to the cannabis compliance agency for pre-approval.

(h) The compassion center shall implement security measures to protect the premises, registered qualifying patients, designated caregivers and compassion center agents including, but not limited to the following:

   (1) Establish a locked door or barrier between the facility's entrance and the limited access area. The limited access area shall only be accessible to registered qualifying patients, designated caregivers, principal officers and agents, service professionals conducting business with the compassion center, and persons authorized by the Kansas safe access act;
   
   (2) prevent individuals from remaining on the premises if they are not engaging in activity permitted by the Kansas safe access act;
   
   (3) develop a policy that addresses the maximum capacity and patient flow in the waiting rooms and patient care areas;
   
   (4) dispose of cannabis in accordance with the Kansas safe access act;
   
   (5) during hours of operation, store all cannabis in an established restricted access area accessible only to specifically authorized agents. The minimum number of compassion center agents essential for efficient operations shall be in the restricted access areas;
   
   (6) when the compassion center is closed, store all cannabis and currency in a secure locked safe or vault and in a manner as to prevent diversion, theft or loss;
   
   (7) keep all safes, vaults and any other equipment or cannabis storage areas securely locked and protected from unauthorized entry;
   
   (8) keep an electronic daily log of compassion center agents with access to the safe or vault and knowledge of the access code or combination;
   
   (9) keep all locks and security equipment in good working order and operational at all times;
   
   (10) prohibit keys, if applicable, from being left in the locks, or stored or placed in a location accessible to persons other than specifically authorized personnel;
   
   (11) prohibit accessibility of security measures, including combination numbers, passwords or electronic or biometric security systems to persons other than specifically authorized agents;
   
   (12) ensure that the outside perimeter of the compassion center premises is sufficiently lit to facilitate surveillance;
   
   (13) ensure that trees, bushes and other foliage within direct proximity of the compassion center premises do not grow in abundance, so as to deter a person or
persons from concealing themselves from sight;

(14) develop emergency policies and procedures for securing all product and currency following any instance of diversion, theft, or loss of cannabis, and conduct an assessment to determine whether additional safeguards are necessary; and

(15) develop sufficient additional safeguards in response to any special security concerns, or as required by the cannabis compliance agency.

(i) The cannabis compliance agency may request or approve alternative security provisions that it determines are an adequate substitute for a security requirement specified in the Kansas safe access act. Any additional protections may be considered by the cannabis compliance agency in evaluating overall security measures.

(j) A compassion center shall provide additional security as needed and in a manner appropriate for the community where it operates.

(k) Restricted access areas:

(1) All restricted access areas must be identified by the posting of a sign that shall be a minimum of 12" x 12" and that states "Do not enter – restricted access area – access restricted to authorized personnel only" in lettering no smaller than one inch in height.

(2) All restricted access areas shall be clearly described in the floor plan of the registered premises, in the form and manner determined by the cannabis compliance agency, reflecting walls, partitions, counters and all areas of entry and exit. The floor plan shall show all storage, disposal and retail sales areas.

(3) All restricted access areas must be secure, with locking devices that prevent access from the limited access areas.

(4) All service professionals conducting business with the compassion center and visitors must obtain a numbered visitor identification badge prior to entering a restricted access area, and shall be escorted at all times by a compassion center agent authorized to enter the restricted access area. All visitors must be logged in and out, and that log shall be maintained for five years on-site and available for inspection by the cannabis compliance agency at all times. All visitor identification badges shall be returned upon exit.

(l) Security and alarm systems:

(1) A compassion center shall have an adequate security plan and security system to prevent and detect diversion, theft or loss of cannabis, currency or unauthorized intrusion using commercial-grade equipment installed by a Kansas licensed private alarm contractor or private alarm contractor agency that shall, at a minimum, include:

(A) a perimeter alarm on all entry points and perimeter windows;

(B) a failure notification system that provides an audible, text or visual notification of any failure in the surveillance system. The failure notification system shall provide an alert to designated compassion center agents within five minutes after the failure, either by telephone, email or text message;

(C) a duress alarm, panic button and alarm, holdup alarm or after hours intrusion detection alarm that by design and purpose will directly or indirectly notify, by the most efficient means, the public safety answering point (PSAP) for the law enforcement agency having primary jurisdiction;

(D) unobstructed video surveillance of all enclosed compassion center areas, unless prohibited by law, including all points of entry and exit that shall be appropriate for the normal lighting conditions of the area under surveillance. The cameras shall be directed
so all areas are captured, including, but not limited to, safes, vaults, sales areas and areas where cannabis is stored, handled, dispensed or destroyed. Cameras shall be angled to allow for facial recognition, the capture of clear and certain identification of any person entering or exiting the compassion center area and in lighting sufficient during all times of night or day;

(E) unobstructed video surveillance of outside areas, the storefront and the parking lot, that shall be appropriate for the normal lighting conditions of the area under surveillance. Cameras shall be angled so as to allow for the capture of facial recognition, clear and certain identification of any person entering or exiting the compassion center, the immediate surrounding area and license plates of vehicles in the parking lot;

(F) twenty-four hour recordings from all video cameras available for immediate viewing by the cannabis compliance agency upon request. Recordings shall not be destroyed or altered and retained for at least 90 days. Recordings shall be retained as long as necessary if the compassion center is aware of the loss or theft of cannabis or a pending criminal, civil or administrative investigation or legal proceeding for which the recording may contain relevant information;

(G) the ability to immediately produce a clear, color still photo from the surveillance video, either live or recorded;

(H) a date and time stamp embedded on all video surveillance recordings. The date and time shall be synchronized and set correctly and shall not significantly obscure the picture;

(1) Compassion center employees cannot be excluded from employment due to any offense consisting of conduct for which the Kansas safe access act would likely have prevented a conviction, but the conduct either occurred prior to the enactment of the Kansas safe access act or was prosecuted by an authority other than the state of Kansas, whether as a patient or caregiver. Compassion center employees who can prove their past convictions would have been negated by the Kansas safe access act by providing to the cannabis compliance agency medical records from the time of the conviction for the patient or records that the patient was receiving care from a caregiver cannot be excluded from consideration.

(2) The board of the compassion center will conduct a background check of each compassion center employee in order to carry out this provision.

writing of the name, address and date of birth of any new compassion center employee
and shall submit a fee in an amount of $25 before a new compassion center employee
begins working at the registered compassion center.

internal revenue service to qualify as a not-for-profit entity.

3) If the entity makes a profit during any period, this excess must be returned to
members by way of health support services, income-based pricing, sliding scale product
pricing, free medicine for hospice patients, donated into the broader community or put

Security should include, but not be limited to, cameras, security employees and secured
doors.

(h) County and city governments may enact reasonable limits, taking into

of registered compassion centers that can operate in their jurisdictions and may enact
zoning regulations that reasonably limit registered compassion centers to certain areas
of their jurisdictions, after public hearings on the subject.

(i) Before cannabis may be dispensed to a designated primary caregiver or a
registered qualifying patient, a compassion center employee must scan the identification
card of the registered qualifying patient, or if applicable, the identification card of the
designated primary caregiver transporting the cannabis to the patient, and must verify each of the following:

(1) That the identification card presented to the registered compassion center is valid;

(2) that the person presenting the card is the person identified on the identification card presented to the compassion center employee; and

(3) that the amount to be dispensed would not cause the registered qualifying patient to exceed such person's limit of obtaining the amount of cannabis recommended by the medical provider for any 30-day period.

(j) After verifying the information in section 7(i), and amendments thereto, but before dispensing cannabis to a registered qualifying patient or a registered designated primary caregiver on a registered qualifying patient's behalf, a compassion center employee must make an entry in the verification system:

(1) Specifying how much cannabis is being dispensed to the registered qualifying patient;

(2) whether it was dispensed directly to the registered qualifying patient or to the registered qualifying patient's registered designated caregiver:

   (A) The entry must include the date and time the cannabis was dispensed;

   (B) the batch number and harvest batch lot number;

   (C) the strain names; and

   (D) the dosage guidelines from their medical provider recommendation;

(3) upon first visit, the employee must also scan a copy of the patient's recommendation document, given by the patient's medical provider, into the compassion center patient data base, and keep a copy in a hard copy patient file. These must be updated every time a patient's recommended dosages are modified by the patient's medical provider;

(4) all electronic patient files must be backed up and kept within a secure server;

(5) all patient files will be given federal health insurance portability and accountability act protections under the health insurance portability and accountability act of 1996 (HIPAA; pub.l. 104–191, 110 Stat. 1936, enacted August 21, 1996); and

(6) if a patient wishes the employee of the compassion center to communicate with their medical provider, then release-of-information forms will need to be signed for both parties.

(k) No compassion center employees shall be subject to arrest, prosecution, search, seizure or penalty in any manner or denied any right or privilege, including, but not limited to, civil penalty or disciplinary action by a court or occupational or professional licensing board or entity, solely for working for a registered compassion center in accordance with the Kansas safe access act and cannabis compliance agency rules and regulations to acquire, possess, cultivate, manufacture, deliver, transfer, transport, supply or dispense cannabis, cannabis-based products, related supplies, and educational materials to registered qualifying patients, to registered designated primary caregivers on behalf of registered qualifying patients or to other registered compassion centers.

dispensing machine that contains medical cannabis may be located. It must comply with all rules and regulations promulgated by the cannabis compliance agency for its use, including, but not limited to, real-time updates into the compassion center tracking system, registered qualifying patient cards must be scanned by kiosk at the beginning of a transaction. If the kiosk cannot read the card, or the card does not read as valid, the kiosk shall reject the transaction and a notify compassion center employee.

(o) Medical cannabis and medical cannabis products may not be consumed on the premises of the compassion center.

(p) Compassion centers selling clones and seedlings to compassion centers, researchers, patients, primary caregivers or cultivating caregivers are exempt from K.S.A. 2-2113 and 2-2120, and amendments thereto, and any other statutes.

(q) Potency quantifications for medical cannabis and medical cannabis products shall be accessible to compassion center patients in three ways:

(1) Labels in display cases;
(2) labels on products; and

(r) When medical cannabis is received from medical cannabis cultivation facilities, registered qualifying patient or cultivating caregivers for purchase, storage or donation consideration by the collective compassion center, and the medical cannabis has not already been tested at a certified testing facility, it must be subjected to an initial contaminants inspection before being sent out to a certified testing facility, or in the case of stored patient overages, be sent to storage:

(1) Certified and licensed product intake processors shall utilize a minimum 30X microscope for a first screening that analyzes and detects contamination of:

(A) Pathogenic molds;
(B) rot; or
(C) spider mites and other insects.

(2) In the event that the screening results indicate the presence of quantities of any substance determined to be injurious to health, such products shall be immediately quarantined and immediate notification made to the cannabis compliance agency shall be made, and the adulterated product shall be documented and properly destroyed.

(3) Food handling procedures must be followed by all processors.

(s) A compassion center shall establish written policies and procedures addressing inventory controls. The compassion center shall submit these written policies and procedures, including any updates, to the cannabis compliance agency prior to implementation.

New Sec. 8.  (a) The purpose of this section is to establish guidelines regarding the supply and allowances of cannabis for registered qualifying patients. It sets forth general standards and requirements for supply, storing, donations, damages, overages and emergency supply. This section is intended to help maintain an uninterrupted supply of medical cannabis and prevent any diversion to the black market.

(b) An identification card-carrying patient shall not directly, through a designated primary caregiver or through a compassion center, obtain more than their medical-provider-recommended dosage of cannabis from registered compassion centers in any 30-day period. The exceptions to the 30-day supply are:

(1) Medical patients who can prove that hardship, either financial or physical,
would be imposed by monthly travel; or

(2) allowance for patient growers to store overages for out-of-season use, or donate to compassion center for indigent members free medicine program.

(A) Overages will be stored in rented lock boxes within compassion centers.

(B) Compassion centers will enter submissions into tracking database and generate receipts for patients.

(C) Patients will be able to withdraw from lock boxes per their 30-day supply.

(D) Patients must notify the compassion center of expected overages at least 30 days after harvesting and upon completion of the curing process and file an electronic overage form.

(E) The form will list the patient identification number, name and contact information, vehicle information, including license plate information, estimate of expected overage amount, estimated date of harvest and the estimated date the overage amount is expected to arrive at the compassion center.

(F) The form will be filed at the compassion center and the compassion center will send a copy to the cannabis compliance agency. The compassion center will note all form information into the patient database file accessible to law enforcement.

(G) The cannabis overage stock, once fully cured, must be stored in a sealed glass jar.

(H) The cannabis overage stock should be examined under a 30X microscope upon receipt at the compassion center. Any stock contaminated by mold, mites or pests must be disposed of per section 22. Patients can request the same testing upon receiving their overage stock out of storage.

(3) Patients do not have to take a full 30-day supply at any one visit.

(4) To guarantee a constant and uninterrupted supply, plants are allowed in all five stages of growth: Germinating, seedling, vegetative, flowering and curing.

(5) Crop failure or damage will be reported to the cannabis compliance agency within 24 hours by electronic form with accompanying pictures and supporting documentation. The cannabis compliance agency may require an onsite inspection. Upon verification, affected patient or patients of the primary caregiver, or cultivating caregiver, will be directed to the closest compassion center for any emergency medicine replacement needs.

(6) A registered compassion center may not obtain cannabis from outside the state of Kansas, except when collective medical cannabis cultivation facilities may negotiate for the use of proprietary strains from other states by seeds and cuttings.

(7) If the medical provider feels it is necessary for the patient to have an amount over their normal allotment, the exception will be granted, and:

(A) The medical provider will provide written documentation to the patient.

(B) The medical provider will provide written documentation to the cannabis compliance agency.

(C) The written documentation will be noted in the registry file.

(D) A copy of the written documentation will be kept in the registered qualifying patient file at the compassion center, if applicable, and posted at the registered qualifying patient grow site, or cultivating caregiver grow site, if applicable.

(E) A copy shall be on file in the home of the registered qualifying patient.

(F) A copy shall be on the person of the registered qualifying patient during transport.

It sets forth general standards and requirements for cultivation, best practices, security, workforce education and health and safety standards. This section is intended to help maintain an uninterrupted supply of pharmaceutical-grade medical cannabis, establish standard operating procedures and safety standards, promote sustainable agricultural practices and prevent any diversion to the black market.

(a) To qualify to label any product as "grown by ecologically sustainable standards" the medical cannabis cultivation facility must follow guidelines in subsection (b) and (c).

(b) The United States Department of Agriculture (USDA) will not inspect medical cannabis growing operations. Instead, cultivating caregivers with more than five patients and a medical cannabis cultivation facility must work with third-party certification agencies that offer certification for producers of ecologically sustainable cannabis products to a private standard that is similar to internationally accepted organic standards like the USDA organic standards and the EU organic standards.

(1) All medical cannabis crops must be inspected by a third-party ecologically sustainable certification agency inspector and earn their seal of approval to be sold in compassion centers.

(2) All agricultural products used must be materials that have been approved for use in organic farming or gardening by the EPA, WSDA organic program, the CDFA organic input material program and other USDA accredited materials review programs.

(3) A medical cannabis cultivation facility must be ready to provide the following information to third-party inspectors:

(A) A detailed description of the operation to be certified;
(B) a history of substances applied to the land during the previous three years;
(C) the ecologically sustainable products grown, raised or processed; and
(D) a written ecologically sustainable system plan describing the practices and substances to be used.

(c) Environmentally protective practices shall be utilized to reduce the carbon footprint and environmental impact of any medical cannabis cultivation facility. Medical cannabis cultivation facilities must employ ecologically sustainable development practices. Such an inspection and rating program should be developed through the cannabis compliance agency.

(1) During growing season, outdoor gardens can be grown to reduce environmental impact. During out-of-growing season, medical cannabis cultivation facilities must use energy efficient greenhouses considering:

(A) The effects of glazing materials on heat loss and light transmission, ways to reduce infiltration and nighttime heating losses;
(B) using greenhouse heating units;
(C) the effect of heat distribution on heating costs;
(D) planning ways to maximize space utilization;

(4) Solar, wind and other renewable energy sources shall be the main methods of power supply. No onsite fossil fuel generators may be used, except as backup emergency power, never as a main supply. Grid power is also allowed as backup energy source.
(5) Only 5, 4 and 2 hydro-safe resins may be used in aquaponics and hydroponic systems.
(6) Polystyrene beads shall not be used in hydroponic systems.
(7) Methods that are not allowed and may be subject to fines by the Kansas department of agriculture – water resources board are listed in the Kansas water appropriation act, K.S.A. 82a-701 et seq., and amendments thereto, and K.S.A. 42-303 and 42-313, and amendments thereto. The forgoing statutes should be consulted and followed regarding:

   (G) greywater recycling and filtering which is mandated and implemented pursuant to all standards outlined in rules and regulations adopted by the cannabis compliance agency; and
   (H) cisterns which are recommended.
(d) All collective medical cannabis cultivation facilities should be clearly marked with signs on all sides denoting the site as a medical growing operation in compliance with this statute.
(1) All cultivation facilities will utilize a seed-to-sale tracking system.
(2) All grows will be lot controlled. If specific strains are for a specific patient, or group of patients:
   (A) Their member numbers will also be listed in the tracking system and the harvest batch lot associated with it;
   (B) food-handling standards also apply to medical cannabis cultivation facility grows; and
   (C) the site must be monitored 24 hours a day, utilizing:
      (i) Cameras;
      (ii) security employees;
      (iii) alarms;
(iv) key card entry doors and gates;
(v) fencing at a six foot minimum, with concertina wire at the top; and
(vi) optional biometric security technology.
(e) Food handling standards must apply to medical cannabis cultivation facility trim rooms and bagging rooms.
(f) All collective medical cannabis cultivation facilities will be placed in rural, low-population areas and may supply compassion centers located in other areas.
(g) Medical cannabis cultivation facilities may sell the stalks and vegetation (leaves) of male or female plants to farmers for use as livestock feed, following all process requirements, to be defined by the cannabis compliance agency.
(h) Medical cannabis cultivation facilities must comply with all laws on environmental audits in K.S.A. 60-3332, 60-3334 and 60-3338, and amendments thereto.
(i) Crops must be a minimum of six feet away from surrounding fence.
(j) Medical cannabis cultivation facilities may supply, but not limited be to, research programs, compassion centers and medical cannabis product manufacturers.
(k) Medical cannabis cultivation facilities must obtain and carry appropriate insurance and cannabis-crop-specific insurance, when available.
(l) Medical cannabis cultivation facilities selling clones and seedlings to compassion centers, researchers, patients, primary caregivers or cultivating caregivers are exempt from K.S.A. 2-2113 and K.S.A. 2-2120, and amendments thereto.
(m) Medical cannabis cultivation facilities may not obtain cannabis from outside the state of Kansas, except when collective medical cannabis cultivation facilities may negotiate for the use of proprietary strains from other states through seeds and cuttings.
(n) The medical cannabis cultivation facility's water supply shall be tested annually for contaminants and demonstrate results below the EPA maximum contaminant levels for organic and inorganic contaminants. If a water treatment system is needed, the department may require more frequent testing.
(o) Soil used to cultivate cannabis shall be tested annually and must meet the United States agency for toxic substance and disease registry's environmental media evaluation guidelines for residential soil levels.
(p) For each batch that water or soil fails to meet the standards, the cultivation facility shall perform and document both a root-cause analysis and any corrective action taken.
(q) The cultivation facility shall maintain the results of all testing for no less than five years.
(r) The cannabis compliance agency reserves the right to require additional testing. Copies of the results of such testing shall be sent to the cannabis compliance agency. The agency reserves the right to order recalls or destruction.
(s) All greenhouse infrastructure, hardware, and all other applicable structures or systems must be UL listed.
(t) All indoor cultivation facilities are bound by sustainability guidelines and must follow any cannabis compliance agency guidelines to reduce indoor pollution.
(u) Synthetic nutrients must be food grade and comply with guidelines in this section.

New Sec. 10. (a) The purpose of this section is to establish guidelines regarding the cultivation of cannabis by cultivating caregivers and patient growers. It sets forth
general standards and requirements for cultivation best practices, security, workforce education, and health and safety standards. This section is intended to help maintain an uninterrupted supply of pharmaceutical grade medical cannabis, establish standard operating procedures and safety standards, promote sustainable agricultural practices and prevent any diversion to the black market.

(b) All patient and caregiver cultivation sites should be clearly marked with signs on all sides denoting the site as a medical growing operation in compliance with the Kansas safe access act.

c) Patient growers may cultivate only as much as required for the patient's own medical use within the confines of the recommendation of their medical provider or the exceptions in section 8, and amendments thereto, taking into consideration the patient's chosen delivery method.

(d) Depending on the number of kinds of oils or plants the patient may need, and the patient dosing regimen, they may grow as many strains in various levels of growth to keep a continuous oil supply based on the recommendation of their medical provider or the exceptions defined in section 8, and amendments thereto.

e) A copy of the provider's recommendations should be kept at the registered qualifying patient's home and the cultivating caregiver's home or at the cultivation site, if different from the cultivating caregiver's home.

(f) Caregiver cultivation must meet ecological standards set forth in section 9, and amendments thereto.

g) Cultivating caregivers that exceed the five-patient limit must also adhere to the standards in section 9, and amendments thereto, and are subject to process inspections by the cannabis compliance agency for standard compliance.

(h) Cultivating caregivers that exceed 10 registered qualifying patients must apply for licensure as a cultivating facility, and if approved, will be bound by all the requirements set forth in section 9, and amendments thereto. If not approved, cultivating caregivers can appeal to the cannabis compliance agency. The cannabis compliance agency will consider the needs of patients served by the cultivating caregiver such as:

1) Geographic hardship of patients;
2) if the strain exclusivity dictates need of this cultivating caregiver;
3) cultivating caregiver is excluded for qualifying as cultivation facility because they cannot meet all requirements of section 9, and amendments thereto, and to do so would induce an undue financial hardship; and
4) any other considerations deemed pertinent by the cannabis compliance agency.

If an appeal is denied, cultivating caregivers must conform to a patient-count limit of less than 10.

(i) Clean grow room standards and food handling standards also apply to cultivating caregiver growing operations.

(j) Cultivating caregivers must obtain and carry appropriate insurance, and cannabis crop specific insurance, when available.

(k) Cultivating caregivers cannot be denied a license for any offense consisting of conduct for which the Kansas safe access act would likely have prevented a conviction, but the conduct either occurred prior to the enactment of the Kansas safe access act or was prosecuted by an authority other than the state of Kansas, whether as a patient or caregiver. Candidates who can prove their past convictions would have been negated by the Kansas safe access act by providing to the cannabis compliance agency medical
records from the time of the conviction for the patient, or records that the patient was receiving care from a caregiver, cannot be excluded from consideration.

New Sec. 11. (a) Workforce education is mandatory for all cannabis industry positions. Required training information will be available through the cannabis compliance agency and the agency's webpages.

(b) Positions that require training, or an equivalent resume, are:
(1) Designated primary caregivers;
(2) medical cannabis cultivation facility workers;
(3) processors;
(4) cultivating caregivers;
(5) manufacturers; and
(6) compassion center employees.

c) Medical care medical provider training is considered separate from cannabis industry positions, and is covered under section 4, and amendments thereto.

New Sec. 12. (a) The purpose of this section is to establish guidelines regarding the standards and regulations pertaining to public use of medical cannabis, prevention of impaired driving, establish employer, registered qualifying patient employees, business owner rights and the rights of students who are registered qualifying patients. Kansas safe access act shall not permit any person to do any of the following, nor shall it prevent the imposition of any civil, criminal or other penalties for any such actions:

(1) Undertake any task while impaired.

(2) Nothing in the Kansas safe access act shall be construed to require any person or establishment in lawful possession of a commercial business property to allow a guest, client, customer or other visitor to consume cannabis on or in that property. The Kansas safe access act shall not limit a person, or entity in lawful possession of a commercial business property, or an agent of such person or entity, from expelling a person who consumes cannabis without permission from such property owner.

(3) The Kansas safe access act does not prevent any employer from setting their own policies regarding the accommodation of employee's medical need to use cannabis in any workplace, or disciplining any employee working while impaired, so long as, a qualifying patient shall not be considered to be impaired solely because of the presence of metabolites or components of cannabis.

(4) Unless an employer establishes by a preponderance of the evidence that the lawful use of medical cannabis has impaired the employee's ability to perform the employee's job responsibilities, it shall be unlawful to take any adverse employment action against an employee who is an identification card-carrying patient using medical cannabis consistent with the provisions of the Kansas safe access act based on either:

(A) The employee's status as a registry identification cardholder; or

(B) the employee's positive drug test for cannabis components or metabolites.

(5) For the purposes of this section, an employer may consider an employee's ability to perform the employee's job responsibilities to be impaired when the employee manifests specific articulable symptoms of impairment while working that decreases or lessens the employee's performance of the duties or tasks of the employee's job position. If an employer has a drug testing policy and an employee or job applicant tests positive for cannabis, the employer shall offer the employee or job applicant an opportunity to present a legitimate medical explanation for the positive test result and shall provide written notice of the right to explain to the employee or job applicant. Within three
working days after receiving notice the employee or job applicant may submit information to the employer to explain the positive test result. As part of an employee's or job applicant's explanation for the positive test result, the employee or job applicant may present a doctor's recommendation for medical cannabis or their patient identification card, or both.

(6) Nothing in this section shall restrict an employer's ability to prohibit or take adverse employment action for being impaired during work hours, or require an employer to commit any act that would cause the employer to be in violation of federal law or that would result in the loss of a federal contract or federal funding.

(7) Impaired drivers are not protected by the Kansas safe access act while operating, navigating or being in actual physical control of any motor vehicle, school bus, public transport, aircraft or motorboat. The following caveats apply:

(A) The presence of metabolites does not automatically denote impairment. Registered qualifying patients who medicate daily may have a high metabolite level and yet also have a higher tolerance to psychoactive effects.

(B) Current technologies, even those that can measure metabolite levels, cannot accurately gauge impairment.

(C) Roadside testing for impairment remains the best method to evaluate drivers.

(D) A registered qualifying patient's various disabilities may also impact roadside test results, and an effort should be made by law enforcement to set guidelines that include this consideration.

(8) Educational outreach to prevent driving while impaired will be posted on the cannabis compliance agency webpages via printable information and instructional videos, and educational materials will be available at each compassion center via posters and informational sheets.

(9) No registered qualifying patient may consumes medical cannabis on the grounds of any preschool, primary, secondary or post-secondary school.

(A) Juvenile registered qualifying patients receiving medication from the school nurse, parent or caregiver may receive medication on school grounds.

(B) Post-secondary registered qualifying patients shall not be impeded from medicating per their medical provider's recommendation, either individually or by the facilitation of their primary caregiver, if they have one, on school grounds as long as the delivery method does not violate section 12, and amendments thereto.

(C) Juvenile and post-secondary registered qualifying patients shall not be impeded from participation in any extracurricular activities, or regular school activities, simply because they are a registered qualifying patient.

(b) No patient may consume cannabis in or on any form of public transportation.

New Sec. 13. (a) The Kansas safe access act establishes the compassion board, a volunteer advisory board. The compassion board will be responsible for guiding policy on behalf of patients, medical providers and the public, with focus on continuous process improvement to better serve the needs of all to facilitate research, work with researchers, liaison with other Kansas agencies and organizations, liaison with law enforcement and the cannabis compliance agency.

(b) There is hereby established a compassion board:

(1) The board shall consist of 11 members appointed by the secretary of health and environment, after a nomination and application process. The secretary, insofar as possible, shall appoint persons from different geographical areas and persons who
represent various economic regions, preferably with experience in the health care field, social work field, not-for-profit patient care sector, the field of cannabis research, industry, advocacy or cannabis medicine.

(2) If a vacancy occurs on the board, the secretary shall appoint a person to fill the vacant position for the unexpired term, if any, within a period of not more than 30 days.

(3) Members of the board shall be appointed for renewable three-year terms.

(4) The public shall have an open communication path to comment on board member rulings and performance, as well as an appeals process established so that appeals of rulings can be heard.

(5) The board shall advise the secretary about the administration of the Kansas safe access act and shall perform such duties as are required by the act.

(6) Members of the board attending meetings of the board, or attending a subcommittee meeting thereof authorized by the board, shall be reimbursed amounts provided in K.S.A. 75-3223(e), and amendments thereto, from moneys appropriated to the department of revenue from the Kansas safe access act taxes from the cannabis tax fund established by section 14, and amendments thereto.

(7) Members of the board cannot be excluded for any offense consisting of conduct for which the Kansas safe access act would likely have prevented a conviction, but the conduct either occurred prior to the enactment of the Kansas safe access act or was prosecuted by an authority other than the state of Kansas, whether as a patient or caregiver. Candidates who can prove their past convictions would have been negated by the Kansas safe access act by providing to the cannabis compliance agency medical records from the time of the conviction for the patient or records that the patient was receiving care from a caregiver cannot be excluded from consideration.

New Sec. 14. (a) This section establishes a cannabis tax fund under the Kansas department of revenue. The Kansas department of revenue shall work in conjunction with the cannabis compliance agency and the compassion board to implement fair tax policies established under the Kansas safe access act.

(b) The cannabis tax fund is hereby established within the Kansas department of revenue.

(c) Medical cannabis patients will be taxed at a flat 6% rate at compassion center point of purchase for medical cannabis and medical cannabis products only. All other products, such as delivery items, tools for use of medicine, storage containers and similar products may be subject to sales tax.

(d) Funds will be deposited into the cannabis tax fund managed by the Kansas department of revenue and distributed by the same at a distribution of 2% to the state, 2% to the county and 2% to the city. Funds from the cannabis tax fund, after meeting costs of Kansas safe access act infrastructure expenses, will be expended for medical cannabis research, public health, mental health, substance abuse, school health, school substance abuse and school mental health programs exclusively.

(e) As the cannabis industry is often forced to a cash only business model:

(1) Compassion centers and collectives may pay taxes by cash, cashier's checks and money orders at their local revenue office;

(2) compassion centers and collectives will need to be able to pay these taxes on a daily or weekly basis, so they are not accumulating large amounts of cash and being placed at a higher risk for crime;

(3) patients, compassion centers and collectives will not be assessed any excise tax
or any sales tax and shall not be subject to K.S.A. 79-5210, and amendments thereto, for any medical cannabis, or medical cannabis product;

(4) any county, city, township or jurisdiction that opts out of participation in the Kansas safe access act will be excluded from any tax benefit, other than what is derived from state benefit from the Kansas safe access act;

(5) sales tax can be levied on any product, item or device in a compassion center that is not medical cannabis or a medical cannabis product; and

(6) medical cannabis edible products qualify as medicine, and shall not be taxed under the Kansas food sales tax K.S.A. 79-3633 through 79-3639, and amendments thereto.

New Sec. 15. (a) The purpose of this section is to establish guidelines and standards for packaging and labeling for medical cannabis and medical cannabis products to ensure all of the necessary and relevant information to be enforced by the cannabis compliance agency is included. While there are slight differences in the labeling requirements for each category of medical cannabis product, all include identical parameters that mandate the type of packaging for medical cannabis products. The Kansas safe access act requires that each package or container of medical cannabis, medical cannabis product and medical cannabis concentrate includes necessary and relevant information for consumers, does not include health and physical benefit claims, is easily accessible to consumers, and is clear, easy to read and noticeable. The cannabis compliance agency shall develop a standardized package and label template and shall develop a standardized list of information to be included on labels, including, but not limited to, the following:

(1) Every medical cannabis product sold must leave the store in a package or container that is child-resistant.

(2) If the medical cannabis product packaging is not child-resistant, the compassion center must place that container within an exit package that is child resistant and opaque so that the product cannot be seen from outside the packaging, with the exception of brown glass and sublingual syringes.

(3) Identification and consumer warning labels must be affixed to every individual container of medical cannabis, medical cannabis-infused product or medical cannabis edible.

(b) Every compassion center must ensure the following information is affixed to every container holding a medical cannabis product:

New Sec. 16. (a) The purpose of this section is to establish guidelines and standards for packaging and labeling for medical cannabis edible products to ensure all of the necessary and relevant information to be enforced by the cannabis compliance agency is included. While there are slight differences in the labeling requirements for each category of medical cannabis edible products, all include identical parameters that mandate the type of packaging for medical cannabis edible products. The Kansas safe access act requires that each package or container of medical cannabis edible products includes necessary and relevant information for consumers, does not include health and physical benefit claims, is easily accessible to consumers, and is clear, easy to read and noticeable. The cannabis compliance agency shall develop a standardized label template or templates and shall develop a standardized list of information to be included on labels. Edible medical cannabis products must include the following information, in addition to the information required by the guidelines of section 15, and amendments thereto:
(1) This wording: "The intoxicating effects of this product may be delayed three to six hours.");
(2) an ingredient list including all ingredients used to manufacture the edible medical cannabis product;
(3) a statement regarding required refrigeration if the medical cannabis product is perishable;
(4) that the standardized serving size for this product includes no more than 10 milligrams of active tetrahydrocannabinol and a list on the package of all
pharmacologically active ingredients; and

(e) All containers for liquids shall clearly demark each standardized serving of liquid edible in a way that enables a reasonable person to intuitively determine how much of the product constitutes a single serving of active tetrahydrocannabinol. The portion of the container that clearly demarks each standardized serving of liquid edible medical cannabis shall not be opaque.

(f) Liquid edible containers that include a dropper or measuring device shall ensure that the device allows a reasonable person to intuitively measure and serve a single serving of active tetrahydrocannabinol.

New Sec. 17. (a) The purpose of this section is to ensure that every medical cannabis cultivation facility and medical cannabis products manufacturing facility label each shipping container and container of medical cannabis with all of the necessary and relevant information for the receiving medical cannabis establishment. In addition, this section clarifies basic shipping container requirements. The purpose is to ensure the regulated community applies proper labeling techniques on all medical cannabis products.

(b) Every medical cannabis cultivation facility and medical cannabis products manufacturing facility must ensure that all medical cannabis is placed within a sealed, tamper-evident shipping container that contains no more than one pound of medical cannabis prior to transport or transfer of any medical cannabis products to another medical cannabis establishment.

New Sec. 18. (a) The purpose of this section is to ensure that every medical cannabis cultivation facility and medical cannabis products manufacturing facility labels each shipping container and container of medical cannabis concentrates with all of the necessary and relevant information for the receiving medical cannabis establishment. In addition, this section clarifies basic shipping container requirements. The cannabis compliance agency shall ensure every medical cannabis cultivation facility and medical cannabis products manufacturing facility applies proper labeling techniques to all medical cannabis concentrates.

herbicides used during the cultivation of the medical cannabis used to produce the
medical cannabis concentrate; and

(6) a complete list of solvents and chemicals used to create the medical cannabis
concentrate.

e) Every medical cannabis cultivation facility or medical cannabis products
manufacturing facility shall affix a label to a shipping container in which a medical
cannabis concentrate is placed. The label shall contain a statement asserting that the
medical cannabis concentrate was tested pursuant to section 19, and amendments
thereto, and any requirements made by the cannabis compliance agency.

f) A medical cannabis testing facility shall test every harvest batch lot used to
produce the medical cannabis concentrate for molds, mildew, filth, microbials,
herbicides, pesticides, fungicides, harmful chemicals and residual solvents, poisons or
toxins.

g) When a medical cannabis testing facility tests the production batch lots of the
medical cannabis concentrate within a shipping container for potency, every medical
cannabis cultivation facility or medical cannabis products manufacturing facility shall
ensure that a label is affixed to the shipping container with a cannabinoid potency
profile expressed as a percentage.

h) When a medical cannabis cultivation facility or a medical cannabis products
manufacturing facility packages a medical cannabis concentrate within a container that
is then placed within a shipping container, each container shall be affixed with a label
containing all of the information required by section 19, and amendments thereto, and
any requirements made by the cannabis compliance agency.

New Sec. 19. (a) The purpose of this section is to establish guidelines of
independent testing and certification testing facilities for medical cannabis and medical
cannabis products. The cannabis compliance agency shall require licensees to test
medical cannabis to ensure, at a minimum, that products sold for human consumption
do not contain contaminants that are injurious to health and to ensure correct labeling.

(b) No independent testing facility may handle, test or analyze cannabis or cannabis
products unless the independent testing facility:

(1) Has been registered by the cannabis compliance agency;

(2) is independent from all other persons and entities involved in the medical
cannabis industry, such that no board member, officer, manager, owner, partner,
principal stakeholder or member of a registered organization has an interest or voting
right in the testing facility performing medical cannabis testing;

(3) has a provisional registration from the cannabis compliance agency;

(4) has established standard operating procedures that provide for adequate chain of
custody controls for samples transferred to the independent testing facility for testing; and

(5) is registered with a third-party accrediting body, such as the American association for laboratory accreditation (A2LA) or the ANSI-ASQ national accreditation board (AClass), and the assessment and accreditation process was carried out by a third-party accreditation body that is itself accredited to the ISO 17011 standard, certified under the clinical laboratory improvement act (CLIA) and participates in inter-laboratory comparison proficiency testing (ILC/PT) and in association of commercial cannabis laboratories (ACCL).

c) All testing facilities shall include all of their methods that have public health implications on their scope of accreditation. This includes, at a minimum, cannabinoids, pesticides, microbiology, residual solvents and water activity per the standards outlined in the American herbal pharmacopoeia cannabis inflorescence and leaf monograph, which shall be the standard for all testing facilities:

1) Testing facilities shall pass rigorous and regular proficiency testing programs, covering all methods on the accreditation scope that carry public health implications. Proficiency testing must be administered by a body that is accredited to the ISO 17043 standard.

2) Testing facilities shall be managed by a full-time onsite chemist, with a doctoral degree in a relevant field or at least four years of experience specific to analytical chromatography.

3) Testing facilities shall notify the cannabis compliance agency within one business day after the testing facility obtains notice of any kind that the facility's accreditation has been denied, suspended or revoked.

d) A medical cannabis cultivation facility shall:

1) Collect a random, homogenous sample for testing by segregating harvest batch lots of individual strains of flowers and then selecting a random sample from various locations from within each harvest batch lot in an amount required by the medical cannabis testing facility and no less than 2.5 grams;

2) designate an individual responsible for collecting each sample, and that individual shall:

A) Prepare a signed statement showing that each sample has been randomly selected for testing;

B) provide the signed statement to the medical cannabis testing facility; and

C) maintain a copy as a business record; and

3) transport the sample to the medical cannabis testing facility's licensed premises in compliance with this section, and any requirements made by the cannabis compliance agency.

e) A medical cannabis cultivation facility shall segregate the entire harvest batch lot from which the testing sample was selected until the medical cannabis testing facility reports the results from its tests:

1) During this period of segregation, the medical cannabis cultivation facility that provided the sample shall maintain the harvest batch lot in a secure, cool and dry location to prevent the medical cannabis from becoming contaminated or losing its efficacy;

2) the facility that provided the sample may not sell or transport any medical cannabis from the segregated batch lot until the medical cannabis testing facility has
completed its testing and provided those results in writing to the medical cannabis cultivation facility that provided the sample; and

(3) shall maintain the test results as a business record.

(f) A licensed testing facility shall issue a certificate of analysis for each harvest batch lot with supporting data to report both of the following:

(1) Listing the chemical profile, including, but not limited to, all of the following:
   (A) Tetrahydrocannabinol (THC);
   (B) tetrahydrocannabinolic acid (THCA);
   (C) cannabidiol (CBD);
   (D) cannabidiolic acid (CBDA);

   (F) cannabigerol (CBG);
   (G) cannabiol (CBN); and
   (H) any other compounds required by the cannabis compliance agency.

(2) That the presence of contaminants does not exceed the levels that are the lesser of either the most current version of the American herbal pharmacopoeia monograph or the cannabis compliance agency's standards. For purposes of this paragraph, contaminants includes, but is not limited to, all of the following:
   (A) Residual solvent or processing chemicals;
   (B) foreign material, including, but not limited to, hair, insects or similar or related adulterant;
   (C) microbiological impurity, including total aerobic microbial count, total yeast mold count, P. aeruginosa, aspergillus spp., S. aureus, aflatoxin B1, B2, G1 or G2 or ochratoxin A;
   (D) whether the batch is within specification for odor and appearance;
   (E) residual levels of volatile organic compounds shall be below the lesser of either the specifications set by the United States pharmacopeia (U.S.P. chapter 467) or those set by the cannabis compliance agency; and
   (F) methods:

      (ii) 3M petrifilm and real-time polymerase chain-reaction (qPCR) technology, gas chromatography with flame ionized detection (FID) to test over 35 commonly found terpenes; and
      (iii) utilizing a combination of gas chromatography/FID, headspace analysis and mass spectrometry for residual solvent testing.

(g) The cannabis compliance agency shall require that a test batch be submitted to a specific medical cannabis testing facility for testing to verify compliance, perform investigations, compile data or address a public health and safety concern through test batch samples:

(1) A medical cannabis testing facility shall establish a standard minimum weight of medical cannabis and medical cannabis concentrate that must be included in a test batch for every type of test that it conducts, but must be at least 2.5 grams;

(2) a medical cannabis testing facility must establish a standard number of finished product it requires to be included in each test batch of medical cannabis-infused product
for every type of test that it conducts;

(3) a medical cannabis testing facility may not accept a test batch that is smaller than its standard minimum amount; and

(4) a medical cannabis testing facility may not accept a test batch or sample that it knows was not taken in accordance with the Kansas safe access act or any additional cannabis compliance agency sampling procedures or was not collected by qualified personnel.

(h) If medical cannabis, medical cannabis concentrate or medical cannabis-infused product fails a contaminant test, then the medical cannabis testing facility shall immediately notify the medical cannabis cultivation facility or medical cannabis product manufacturer that submitted the sample for testing and report the failure in accordance with all cannabis compliance agency procedures.

(i) If medical cannabis, medical cannabis concentrate or medical cannabis-infused product is found to have a contaminant in levels exceeding those established as permissible under this section, then it shall be considered to have failed contaminant testing. Notwithstanding the permissible levels established in this section, the cannabis compliance agency may determine, upon good cause and reasonable grounds, that a particular test batch presents a risk to the public health or safety and therefore shall be considered to have failed a contaminant test.

(j) For purposes of the microbiological test a CO2 and solvent-based extracts sample shall be deemed to have passed if it satisfies the recommended microbial and fungal limits for cannabis products in colony forming units per gram (CFU/g) set out in the American herbal pharmacopoeia monograph as follows:

Testing shall be for specific pesticides listed in this section and any and all solvents, permitted or not permitted, under section 20, and amendments thereto:

(A) Butanes;
(B) heptanes;
(C) benzene;
(D) toluene;

(p) A medical cannabis testing facility shall notify the cannabis compliance agency if a test batch lot is found to contain levels of a contaminant not listed within this section that could be injurious to human health if consumed.

New Sec. 20. (a) A medical cannabis testing facility shall test and report results for any cannabinoid, provided the test is conducted in accordance with the cannabis compliance agency's medical cannabis testing facility certification policy statement.

(b) For potency tests:

(1) Conducted on medical cannabis and medical cannabis concentrate, results must be reported by listing a single percentage concentration for each cannabinoid that represents an average of all samples within the test batch lot;

(2) conducted on medical cannabis-infused product results, results must be reported by listing the total number of milligrams contained within a single medical cannabis-infused product unit for sale for each cannabinoid and affirming the tetrahydrocannabinol content is homogeneous; and

(3) conducted on medical cannabis, testing must occur on dried and cured medical cannabis that is ready for sale.

(c) If the tetrahydrocannabinol content of a medical cannabis-infused product is determined through testing not to be homogeneous then it shall be considered to have failed potency testing.
(d) A medical cannabis-infused product shall be considered not to be homogeneous if 10% of the infused portion of the medical cannabis-infused product contains more than 20% of the total tetrahydrocannabinol contained within the entire medical cannabis-infused product.

(e) Potency levels of edibles must meet standards set forth in section 19, and amendments thereto.

(f) A potency variance for cannabis-infused products and edibles of no more than plus or minus 5% is allowed.

(g) The cannabis compliance agency shall determine procedures to address potency misrepresentations.

(h) (1) If the sample failed the testing, the entire batch lot from which the sample was taken, the sample shall, if applicable, be recalled as provided for by standards set forth by the cannabis compliance agency, and disposed of in accordance with section 22, and amendments thereto;

(2) if the sample failed any test other than pesticides and metals, the batch lot may be used to make a CO2 or solvent-based extract. After processing, the CO2 or solvent-based extract must still pass all required tests.

(i) The testing facility shall file with the cannabis compliance agency an electronic copy of each testing facility test result for any test batch that does not pass the microbiological, mycotoxin, metals or pesticide chemical residue test at the same time that it transmits those results to the cultivation center.

(j) In addition, the testing facility shall maintain the test results for at least five years and make them available at the cannabis compliance agency's request.

(k) A medical cannabis manufacturer must develop and implement a written quality assurance program that assesses the chemical and microbiological composition of medical cannabis.

(l) Assessment includes a profile of the active ingredients, including shelf life, and the presence of inactive ingredients and contaminants. A medical cannabis manufacturer shall use these testing results to determine appropriate storage conditions and expiration dates.

(m) The testing facilities shall develop procedures and the manufacturer must follow written procedures for sampling medical cannabis that require the manufacturer to:

(1) Conduct sample collection in a manner that provides analytically sound and representative samples;

(2) document every sampling event and provide this documentation to the cannabis compliance agency upon request;

(3) describe all sampling and testing plans in written procedures that include the sampling method and the number of units per batch to be tested;

(4) ensure that random samples from each batch:

(A) Are taken in an amount necessary to conduct the applicable test;

(B) are labeled with the batch unique identifier;

(C) are submitted for testing;

(D) have their results retained for at least five years;

(E) are rejected, if a medical cannabis batch fails to meet established standards, specifications, and any other relevant quality control criteria;

(F) follow the cannabis compliance agency guidelines for responding to results
indicating contamination, and determining the source of contamination; and

(G) have the documentation of test results, assessments and destruction of medical cannabis retained for at least five years; and

(5) the quality assurance program must include procedures for performing stability testing of each product type produced to determine product shelf life that addresses:

(A) Sample size and test intervals based on statistical criteria for each attribute examined to ensure valid stability estimates;
(B) storage conditions for samples retained for testing; and
(C) reliable and specific test methods; and

(6) stability studies must include:

(A) Medical cannabis testing at appropriate intervals;
(B) medical cannabis testing in the same container-closure system in which the product is marketed; and

(C) testing medical cannabis for reconstitution at the time of dispensing, as directed in the labeling, and after the samples are reconstituted.

(n) If shelf-life studies have not been completed before the implementation of the Kansas safe access act, a medical cannabis manufacturer may assign a tentative expiration date, based on any available stability information. The manufacturer must concurrently conduct stability studies to determine the actual product expiration date.

(o) After the manufacturer verifies the tentative expiration date or determines the appropriate expiration date, the medical cannabis manufacturer must include that expiration date on each batch of medical cannabis products, and provide supporting documentation to the cannabis compliance agency. Stability testing must be repeated if the manufacturing process or the product's chemical composition is changed.

(p) A medical cannabis manufacturer must retain a uniquely labeled reserve sample that represents each batch of medical cannabis and store it under conditions consistent with product labeling. The reserve sample must be stored in the same immediate container-closure system in which the medical cannabis is marketed, or in one that has similar characteristics. The reserve sample must consist of at least twice the quantity necessary to perform all the required tests. A medical cannabis manufacturer must retain the reserve for at least one year following the batch's expiration date.

(q) If the cannabis compliance agency deems that public health may be at risk, the cannabis compliance agency may require the manufacturer to retest any sample of plant material or medical cannabis product.

(r) A cultivation facility shall not be required to sample and test cannabis, if the batch was previously sampled, and the sample was tested by another cultivation facility and determined to have passed the testing requirements of this section and can provide such documentation to the cannabis compliance agency.

(s) If a sample does not pass testing, the producer shall determine whether remediation is appropriate, and test another sample from the batch at issue or identify processes that will render the dried cannabis or cannabis-derived product safe and retest in accordance with the requirements of this section. If the batch cannot be remediated to where it meets the testing requirements of this section, the cultivation facility shall notify the cannabis compliance agency within 24 hours, and confirm the destruction and disposal of the dried cannabis or concentrated cannabis-derived product per the guidelines laid out in section 22, and amendments thereto.

(t) A testing facility must submit its quality control manual to the cannabis
compliance agency.

However, the cannabis compliance agency shall always retain the authority to select the independent consultant regardless of whether mutual agreement can be reached; and

(2) the compassion center shall be responsible for all costs associated with the independent health and sanitary audit.
(e) The cannabis compliance agency shall determine when an audit by an independent consultant is necessary. The following is a non-exhaustive list of examples that may justify an independent audit:

1. The cannabis compliance agency has reasonable grounds to believe that the compassion center is in violation of one or more of the requirements set forth in this section or other applicable public health or sanitary laws, rules or regulations; and

2. the cannabis compliance agency has reasonable grounds to believe that the compassion center was the cause or source of contamination of medical cannabis, medical cannabis concentrate, or medical cannabis-infused product;

(f) A compassion center must pay for and timely cooperate with the cannabis compliance agency's requirement that it undergo an independent health and sanitary audit in accordance with this section, and the cost of audit must be comparable to audit fees across industries.

(g) If the cannabis compliance agency has objective and reasonable grounds to believe, and finds upon reasonable ascertainment of the underlying facts, that the public health, safety, or welfare, imperatively requires emergency action, and incorporates such findings into its order, it may order summary suspension of the compassion center's license. Prior to or immediately following the issuance of such an order, the compassion center may attempt to come to a mutual agreement with the cannabis compliance agency to suspend its operations until the completion of the independent audit and the implementation of any required remedial measures.

(h) If an agreement cannot be reached or the cannabis compliance agency, in its sole discretion, determines that such an agreement is not in the best interests of the public health, safety or welfare, then the cannabis compliance agency will promptly institute license suspension or revocation procedures.

(i) If an agreement to suspend operations is reached, then the compassion center may continue to care for its inventory, and conduct any necessary internal business operations, but it may not sell any medical cannabis, medical cannabis concentrate, or medical cannabis-infused product, to a patient or other medical cannabis business, during the period of time specified in the agreement.

New Sec. 25. (a) Failure to comply with this section may constitute a license violation affecting public safety. The purpose of this section is to establish minimum health and safety regulation for optional premises cultivation operations. The section prohibits an optional premises cultivation operation from treating, or otherwise adulterating medical cannabis with any chemical, or other compound whatsoever to alter its color, appearance, weight or smell. The cannabis compliance agency may require an independent consultant conduct an independent health and sanitary audit of an optional premises cultivation operation. This section explains when an independent health and sanitary audit may be deemed necessary and sets forth possible consequences of a medical cannabis business' refusal to cooperate or pay for the audit. The cannabis compliance agency intends this section to help maintain the integrity of Kansas' medical cannabis businesses.

(b) An optional premises cultivation operation may be subject to inspection of its licensed premises by the local fire department, building inspector or code enforcement officer to confirm that no health or safety concerns are present. The inspection may result in additional specific standards to meet local licensing authority restrictions related to medical cannabis or other local businesses. An annual fire safety inspection
may result in the required installation of fire suppression devices or other means necessary for adequate fire safety.

(c) General sanitary requirements. An optional premises cultivation operation shall take all reasonable measures and precautions to ensure the following:

(1) That any person who, by medical examination or supervisory observation, is shown to have, or appears to have, an illness, open lesion, including boils, sores, or infected wounds or any other abnormal source of microbial contamination for whom there is a reasonable possibility of contact with medical cannabis shall be excluded from any operations which may be expected to result in such contamination until the condition is corrected;

(3) that litter and waste are properly removed and the operating systems for waste disposal are maintained in an adequate manner so that they do not constitute a source of contamination in areas where medical cannabis is exposed;

(4) that floors, walls and ceilings are constructed in such a manner that they may be adequately cleaned and kept clean and kept in good repair;

(5) that there is adequate lighting in all areas where medical cannabis is stored and where equipment or utensils are cleaned;

(8) that toxic cleaning compounds, sanitizing agents and distillation process materials shall be identified, held, stored and disposed of in a manner that protects against contamination of medical cannabis or medical cannabis concentrate, and in a manner that is in accordance with any applicable local, state or federal law, rules and regulations or ordinances. All ecologically sustainable pesticide must be stored and disposed of in accordance with the information provided on the product's label;

(9) that all contact surfaces, including utensils and equipment used for the preparation of medical cannabis or medical cannabis concentrate shall be cleaned and sanitized as frequently as necessary to protect against contamination. Equipment and utensils shall be so designed and of such material and workmanship as to be adequately cleanable, and shall be properly maintained. Only sanitizers and disinfectants registered
with the environmental protection agency shall be used in an optional premises cultivation operation and used in accordance with labeled instructions;

(10) that the water supply shall be sufficient for the operations intended and shall be derived from a source that is a regulated water system. Private water supplies shall be derived from a water source that is capable of providing a safe, and adequate supply of water to meet the licensed premises needs;

e) The total amount of each ecologically sustainable pesticide or other sustainable agricultural chemical applied.

(f) The chemicals shall described in sections 9 and 19, and amendments thereto, shall not be used in medical cannabis cultivation. Possession of chemicals and containers from prohibited chemicals upon the licensed premises shall be a violation of this section.

(g) An optional premises cultivation operation shall not treat or otherwise adulterate medical cannabis with any chemical or other compound whatsoever to alter its color, appearance, weight or smell.

(h) Independent health and sanitary audit for cultivation facilities, cannabis compliance agency may require a health and sanitary audit. When the cannabis compliance agency determines a health and sanitary audit by an independent consultant is necessary, it may require an optional premises cultivation operation to undergo such an audit.

(1) The scope of the audit may include, but shall not be limited to, whether the optional premises cultivation operation is in compliance with the requirements set forth in this section and other applicable public health or sanitary laws and rules and regulations:

(A) In such instances, the cannabis compliance agency may attempt to mutually agree upon the selection of the independent consultant with an optional premises cultivation operation. However, the cannabis compliance agency always retains the authority to select the independent consultant regardless of whether mutual agreement can be reached; and

(B) the optional premises cultivation operation will be responsible for all costs associated with the independent health and sanitary audit.

(2) The cannabis compliance agency has discretion to determine when an audit by an independent consultant is necessary. The following is a non-exhaustive list of examples that may justify an independent audit:

(A) An optional premises cultivation operation does not provide requested records related to the use of ecologically sustainable pesticide or other sustainable agricultural chemicals during in the cultivation process;

(i) (1) If the cannabis compliance agency has objective, and reasonable grounds to believe, and finds upon reasonable ascertainment of the underlying facts that the public health, safety, or welfare imperatively requires emergency action, and incorporates such findings into its order, it may order summary suspension of the optional premises cultivation operation's license.

(2) Prior to or following the issuance of such an order, optional premises cultivation operation may attempt to come to a mutual agreement with the cannabis compliance agency to suspend its operations until the completion of the independent audit and the implementation of any required remedial measures.

(3) If an agreement cannot be reached or the cannabis compliance agency, in its sole discretion, determines that such an agreement is not in the best interests of the public health, safety or welfare, then the cannabis compliance agency will promptly institute license suspension or revocation procedures.

(4) If an agreement to suspend operations is reached, then the optional premises cultivation operation may continue to care for its inventory and conduct any necessary internal business operations but it may not sell, transfer or wholesale medical cannabis or medical cannabis concentrate to other medical cannabis business during the period of time specified in the agreement.

(j) Violation affecting public safety. Failure to comply with this section may constitute a license violation affecting public safety.

A medical cannabis-infused products manufacturer must maintain copy of all reports received from a certified industrial hygienist and professional engineer on its licensed premises. Notwithstanding any other law, section or regulation, compliance with this section is not satisfied by storing these reports outside of the licensed premises. Instead the reports must be maintained on the licensed premises until the licensee ceases production of medical cannabis concentrate on the licensed premises;

(4) ensure that all equipment, counters and surfaces used in the production of a medical cannabis concentrate must be food-grade and must not react adversely with any of the distillation process materials to be used in the licensed premises. Additionally, all counters and surface areas must be constructed in a manner that reduces the potential development of microbials, molds and fungi and can be easily cleaned;

(5) ensure that the room in which medical cannabis concentrate shall be produced must contain an emergency eye-wash station;

(6) ensure that a professional grade, closed-loop extraction system capable of recovering the food grade alcohol used to produce CO2 medical cannabis concentrate:

(A) UL or ETL Listing;

(B) if the system is UL or ETL listed, then a medical cannabis-infused products manufacturer may use the system in accordance with the manufacturer's instructions; and

(C) if the system is not UL or ETL listed, then there must a designer of record. If the designer of record is not a professional engineer, then the system must be peer reviewed by a professional engineer. In reviewing the system, the professional engineer
shall review and consider any information provided by the system’s designer or manufacturer;

(7) ensure that all materials used in the extraction process are food-grade or at least 99% pure:

(A) A medical cannabis-infused products manufacturer must obtain a material safety data sheet for each distillation process material used or stored on the licensed premises. A medical cannabis-infused products manufacturer must maintain a current copy of the material safety data sheet and a receipt of purchase for all distillation process materials used or to be used in an extraction process; and

(B) a medical cannabis-infused products manufacturer is prohibited from using denatured alcohol to produce a medical cannabis concentrate;

(8) ensure that all distillation process material distillation process materials or other distillation process material materials, chemicals and waste are stored in accordance with all applicable laws, rules and regulations. At no time may a medical cannabis-infused products manufacturer store more distillation process material on its licensed premises than the maximum amount established for that licensed premises by the certified industrial hygienist or professional engineer;

(9) ensure that the appropriate safety and sanitary equipment, including personal protective equipment, is provided to, and appropriately used by, each owner or occupational licensee engaged in the production of a distillation process medical cannabis concentrate; and

(10) ensure that an occupational licensee is present at all times during the production of a distillation process material based medical cannabis concentrate whenever an extraction process requires the use of pressurized equipment.

e) Ethanol and isopropanol. If a medical cannabis-infused products manufacturer only produces distillation process material based medical cannabis concentrate using ethanol or isopropanol at its licensed premises and no other distillation process material, then it shall be considered exempt from the requirements in paragraph 4 of this section and instead must follow the requirements in paragraph 3 of this rule. Regardless of which section is followed, the ethanol or isopropanol must be food grade or at least 99% pure and denatured alcohol cannot be used.

(f) Violation affecting public safety. Failure to comply with this section may constitute a license violation affecting public safety.

New Sec. 30. Any provision or section of the Kansas safe access act act being held invalid as to any person or circumstances shall not affect the application of any other provision or section of the Kansas safe access act act that can be given full effect without the invalid provision or section or application, and to this end, the provisions of the Kansas safe access act act are severable."

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Finney are spread upon the Journal:

Today Representative Elliott and I would like to formally recognize and celebrate the 100th Anniversary of The Henry J. Allen house located at 255 N. Roosevelt in Wichita. Famous American architect, Frank Lloyd Wright (1867-1959), was commissioned to design the home in 1915 and the house was occupied by early 1918 by Henry and Elsie Allen. Henry Allen, owner and publisher of the Wichita Beacon at the time, now called the Wichita Eagle Newspaper, was Kansas’ 21st Governor from (1919-23) and a U.S. Senator from (1929-30).

The Allen House is one of only two Frank Lloyd Wright-designed buildings in Kansas. The other is Wichita State University’s Corbin Education Center. Wright designed the house while working on the Imperial Hotel in Tokyo and the square structure, with its enclosed lily pool and garden, has a notably Japanese aesthetic. It is one of the last "Prairie Style" homes built by Wright and is considered one of his finest designs because of its angles, colors, leaded glass, light fixtures and custom furnishings.

Reportedly, the house was designed and built for $29,000. The Allen House is now priceless as a piece of Wichita’s heritage, and a magnet for Wright aficionados from around the world. It is currently run by the Allen House Foundation as a museum under the stewardship of the Wichita Center for the Arts. The house was listed on the National Register of Historic Places on March 7, 1973.

For those of you who may be interested in seeing or learning more about this architectural treasure, it is open for tours or you can visit their website at www.flwrightwichita.org for more information.

Accepting this recognition today for the Allen House Foundation are Mr. Howard Ellington, Executive Director and Restoration Architect; and Ms. Amy Reep, Operations Manager.

Please join us in recognizing the 100th Anniversary of the Henry J. Allen House.

(a) The carrying of a concealed handgun shall not be prohibited in any building unless such building is conspicuously posted in accordance with rules and regulations adopted by the attorney general.
(b) Nothing in this act shall be construed to prevent any private employer from restricting or prohibiting by personnel policies persons from carrying a concealed handgun while on the premises of the employer's business or while engaged in the duties of the person's employment by the employer, except that no employer may
prohibit possession of a handgun in a private means of conveyance, even if parked on the employer's premises.

   (2) "building" shall not include any structure, or any area of any structure, designated for the parking of motor vehicles; and
   (3) "public employer" means the state and any municipality as those terms are defined in K.S.A. 75-6102, and amendments thereto, except the term "public employer" shall not include school districts.

(i) Nothing in this act shall be construed to authorize the carrying or possession of a handgun where prohibited by federal law.

(j) The attorney general shall adopt rules and regulations prescribing the location, content, size and other characteristics of signs to be posted on a building where carrying a concealed handgun is prohibited pursuant to subsections (a) and (b). Such regulations shall prescribe, at a minimum, that:

   (2) the signs be posted at eye level of adults using the entrance and not more than 12 inches to the right or left of such entrance;
   (3) the signs not be obstructed or altered in any way; and
   (4) signs which become illegible for any reason be immediately replaced.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Pittman are spread upon the Journal:

Theater has changed since most of us went to school, especially my older colleagues. I had my day on stage, but it was nothing like the performance I went to at my local
Leavenworth High School last fall. I went to a show called Tarzan and the stage set, the sound, the costume design by students, the use of the aisle and other aspects of the theater were amazing – Off-Broadway quality in my estimation.

Today I am proud to sponsor the Educational Theatre and International Thespian Society as we celebrate “Theatre in Our Schools” day at the Capitol. Today we recognize the importance of theatre in our schools and communities and how it impacts lives.

You may wonder why I am the sponsor. Well, a student from Leavenworth High School served as only one of 6 International Thespian Officers last year and I have one of the most dynamic theater program organizers in the state, Ms. Jennifer Morgan. More importantly, across the state, Kansas Thespians maintains 98 active Thespian or Junior Thespian troupes with over 2900 active Junior High and High School Thespian members.

The Kansas Thespians group has become a leader for theatre in our schools across the nation, leading the way in excellence. We recognize today that Kansas Thespians Society has been recognized as a Gold Honor Chapter by The Educational Theatre Association 2017. AND perhaps more remarkable is that Kansas highs schools have garnered four of only 11 spots among all other states to perform at The International Thespian Festival this summer.

Not only do we look at our particular excellence in drama, but we take the time to recognize the benefits of theater as an important part of our Kansas curriculum. Students who took four years of classes in the arts scored an average of 92 points higher on their SATs to those that took a year or less. They learn so much about the skills in our Kansas Can initiative around socializing, team work, and other life skills outside of traditional academic curriculum.

With that, in honor of today's “Theatre in our Schools Day” at the Capitol, students from all around Kansas are here today.

In the gallery, we have students from the following High Schools: Leavenworth, Eisenhower, Hayden, Goddard, Olathe South, Olathe North, Salina, Topeka High, Topeka West, Valley Center, and Wichita West.

On the floor with me today, are the Kansas State Thespian State Officers, members of the State Steering Committee and other Thespians.

Emily Martin (Olathe North), Anna Hastings (Olathe South), Audrey Burgoon (Salina), Thomas Yambo-Rios (Leavenworth), Jared Miller (Wichita West), Jayden Wills (Wichita West), Faith Lopez (Leavenworth), Analisa Chavez-Munoz (Hayden), Kat Bacon (Goddard) and Isabel Lazos (Valley Center), Amberly Nash (Goddard), Dominic Santiago (Valley Center), Caleb Rose (Valley Center),

Others in attendance: Chad Nulik from Salina – Kansas Thespians Chapter Director and Jennifer Morgan Beuchat from Leavenworth – Kansas Thespian State Board Public Relations. Let's give these students here and in the gallery and across Kansas a big round of applause.

MOTIONS AND RESOLUTIONS OFFERED ON A PREVIOUS DAY

On motion of Rep. Gallagher, HR 6055, A RESOLUTION urging the small business community in Kansas to assist in developing a model for saving for retirement that can be accessible to working Kansans, was adopted.

The following remarks of Rep. Gallagher are spread upon the Journal:

HR 6055 is a resolution urging the small business community in Kansas to assist in developing a model for saving for retirement that is accessible to working Kansans.

This resolution was requested by AARP Kansas. The AARP Public Policy Institute has provided the following statistics regarding Kansans and their access to retirement savings plans and their preparedness for retirement.

Access to an employer-based retirement plan is critical for building financial security later in life. Yet, about 42 percent of Kansas’ private sector employees – roughly 423,000 – work for an employer that does not offer a retirement plan. Significant numbers of workers at all levels of earnings and education do not have the ability to use payroll deductions to save for retirement.

Small-business employees are less likely to have a retirement plan. Workers in Kansas businesses with fewer than 100 employees are much less likely to have access to a plan (64 percent without access) than workers in larger businesses (28 percent without access). And, only 20 percent of those who work for businesses with fewer than 10 employees have access to a retirement plan at work.

Workers at all education levels do not have a plan. About 68 percent of workers who did not have a high school degree did not have an employer-provided retirement plan – a much higher percentage than workers with some college (45 percent) or a bachelor’s degree or higher (29 percent).

Workers at all earnings levels do not have a plan. More than 338,000 Kansas employees with annual earnings of $40,000 or less did not have access to a workplace plan. These workers represent about 80 percent of the 423,000 employees without an employer-provided retirement plan.

Access to a plan differs substantially by race and ethnicity. About 56 percent of Hispanic workers and about 45 percent of African Americans lacked access to an employer-provided retirement plan.

Social Security is essential to retirement security, but its average retirement benefit in Kansas is only $1,281 a month. And, 47.9% of Kansans rely on Social Security for 50 percent or more of their retirement income.
Nearly 45 percent of working-age households in the United States do not own any retirement assets, and among those who do save for retirement in Kansas, the average 401(k) balance is only about $23,000.

Research shows that offering a person a way to save for retirement through their job dramatically increases their ability to save, and workers are 20 times more likely to save for retirement if they can do so automatically out of their paycheck.

Access to payroll deduction retirement savings plans allows individuals to build their own economic security. Such plans help workers achieve economic security through their own efforts. Greater access could also help improve economic mobility and reduce wealth disparity.

AARP Kansas’ data show that, regardless of political affiliation, 68% of those surveyed believe that the state should do more to encourage retirement savings. Half of all households are at risk of financial insecurity in retirement, causing taxpayers to shoulder the burden of ensuring that retirees have their basic needs met through social safety net programs. Kansas could save $51.7 million on public assistance programs between 2018 and 2032 if lower-income retirees save enough to increase their retirement income by $1,000 more per year.

Making it easier for small businesses to offer a retirement plan to their workers and making it easier for employees to save their own money for retirement should be a high priority for policymakers. It is in the best interest of Kansas small business employees, Kansas small business owners, taxpayers and for the state of Kansas to take action to enable Kansans to prepare for their futures and allow them to be self-sufficient in retirement, rather than depend on government services.

HR 6055 resolves that the Kansas House of Representatives encourage Kansans to prepare for retirement in a financially secure manner, to develop a retirement plan individually or through the workplace and to support state leaders in taking any and all measures necessary to make this an obtainable goal.

HR 6055 further resolves that we urge Kansas’ small business community and employees to join with the Legislature and the State Treasurer to assist in developing a model for saving for retirement through the workplace that is accessible to working Kansans.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Ohaebosim are spread upon the Journal:
This year marks Storytime Village’s fourth annual Literacy Day at the Capitol. The event is sponsored by the Kansas African American Affairs Commission and Butler Community College. Joining Storytime Village for this impactful day are high school students from throughout the state, including Literacy Champions from the Independent School and students from East High School in Wichita, KS. The East High School choir will be featured during the Literacy Champions Luncheon at noon.
The theme for Literacy Day at the Capitol is “Why Reading Matters.” It will address the literacy achievement gap in the state of Kansas by mobilizing high school students to raise their voices and bring awareness to the critical issue. The day will feature panel discussions, workshops and the opportunity to network and discuss these important issues with state leaders. A Kansas youth will be named the “Outstanding Youth Literacy Advocate” during our Literacy Champions Luncheon.
The mission of Storytime Village, Inc., with the support of parents and the community, is to inspire a lifelong love of reading for underserved Kansas children from birth to age eight.

MR. SPEAKER: We vote yes on HB 2773 even though we completely oppose the inclusion of the “Eddie the Eagle” advertisement for the NRA. The NRA program can be chosen by a school board if they so elect. It should not be given specific reference in this bill over any other gun safety program. We also have concerns that we take time away from curriculum areas such as reading, math, science, or history to include instruction on a topic that can be easily accessed in other forums outside of our public schools. – JERRY STOGSDILL, DENNIS “BOOG” HIGHTBERGER, BRETT PARKER, KC OHAEBOSIM, ELIZABETH BISHOP, JARROD OUSEY, EILEEN HORN, SYDNEY CARLIN, BARBARA BALLARD, NANCY LUSK, CINDY NEIGHBOR, JASON PROBST, STEVE CRUM, VIRGIL WIEGEL, GAIL FINNEY, VIC MILLER, CINDY HOLSCHER, KATHY WOLF MOORE, MONICA MURNAN, BRODERICK HENDERSON, JOHN ALCALA, JOHN CARMICHAEL, JIM GARTNER

MR. SPEAKER: I voted “YES” to HB 2773. This bill requires the State Board of Education to develop and adopt statewide Standards for school safety and security plans for each school district. This includes evaluation of the building’s infrastructure and attendance centers for compliance with the standards. HB 2773 also includes training of school district employees on school safety and security policies and procedures and conducting of student drills on emergency situations. This is not the overall answer to school security measures. But, is a good first step in providing a safe and secure learning environment for Kansas Schools. – LEO DELPERDANG, DANIEL HAWKINS

MR. SPEAKER: I vote “NAY” on HB 2773. Since 2013, a Kansas “unified school district…… may permit any employee…… to carry a concealed handgun in any [of its] building[s].” This and the possibility that a school district employee could be carrying a concealed firearm arguably deters, or could deter, a mass shooting. Further, an armed employee could stymie a mass shooting. Additionally, HB 2773 impinges on a school district’s ability to, based on local circumstances and with assistance from local law enforcement, better secure its facilities. Since after April 20, 1999, this could and should have been done. Thank you, Mr. Speaker. – JESSE BURRIS, RANDY GARBER

(a) Designate by explicit description or by appropriate reference of all vehicles with respect to which coverage is to be granted;

(b) insure the person named and any other person, as insured, using any such vehicle with the expressed or implied consent of such named insured, against loss from the liability imposed by law for damages arising out of the ownership, maintenance or use of any such vehicle within the United States of America or the Dominion of Canada, subject to the limits stated in such policy;

(c) state the name and address of the named insured, the coverage afforded by the policy, the premium charged and the policy period;

(d) contain an agreement or be endorsed that insurance is provided in accordance with the coverage required by this act;

(e) contain stated limits of liability, exclusive of interest and costs, with respect
to each vehicle for which coverage is granted, not less than $25,000 because of bodily injury to, or death of, one person in any one accident and, subject to the limit for one person, to a limit of not less than $50,000 because of bodily injury to, or death of, two or more persons in any one accident, and to a limit of not less than $25,000 because of harm to or destruction of property of others in any one accident; or

(2) if the owner has an alcohol or drug-related conviction as defined in K.S.A. 8-1013, and amendments thereto, on or after July 1, 2018, and in the immediately preceding five years, contain stated limits of liability, exclusive of interest and costs, with respect to each vehicle for which coverage is granted, not less than $100,000 because of bodily injury to, or death of, one person in any one accident and, subject to the limit for one person, to a limit of not less than $300,000 because of bodily injury to, or death of, two or more persons in any one accident, and to a limit of not less than $25,000 because of harm to or destruction of property of others in any one accident;

The owner of a motorcycle, as defined by K.S.A. 8-1438, and amendments thereto or motor-driven cycle, defined by K.S.A. 8-1439, and amendments thereto, who is the named insured, shall have the right to reject in writing insurance coverage including such benefits for injury to a person which occurs while the named insured is operating or is a passenger on such motorcycle or motor-driven cycle; and unless the named insured requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy when the named insured has rejected the coverage in connection with a policy previously issued by the same insurer. The fact that the insured has rejected such coverage shall not cause such motorcycle or motor-driven cycle to be an uninsured motor vehicle;

(g) notwithstanding any omitted or inconsistent language, any contract of insurance which an insurer represents as or which purports to be a motor vehicle liability insurance policy meeting the requirements of this act shall be construed to obligate the insurer to meet all the mandatory requirements and obligations of this act;

(h) notwithstanding any other provision contained in this section, any insurer may exclude coverage required by subsections (a), (b), (c) and (d) of this section while any insured vehicles are:

(1) Rented to others or used to carry persons for a charge, however, such exclusion shall not apply to the use of a private passenger car on a share the expense basis; or

(2) being repaired, serviced or used by any person employed or engaged in any way in the automobile business. This does not apply to the named insured, spouse or relative residents; or the agents, employers, employees or partners of the named insured, spouse or resident relative; and

(i) in addition to the provisions of subsection (h) and notwithstanding any other provision contained in subsections (a), (b), (c) and (d) of this section, any insurer may exclude coverage:

(1) For any damages for which the United States government might be liable for the insured's use of the vehicle;

(2) for any damages to property owned by, rented to, or in charge of or transported

(3) for any obligation of an insured, or the insured's insurer under any type of workers' compensation or disability or similar law;

(4) for liability assumed by an insured under any contract or agreement;

(5) if two or more vehicle liability policies apply to the same accident, the total limits of liability under all such policies shall not exceed that of the policy with the highest limit of liability;

(7) for any damages to any person who would be covered for such damages under a nuclear energy liability policy;

(8) for any obligation of the insured to indemnify another for damages resulting from bodily injury to the insured's employee by accident arising out of and in the course of such employee's employment;

(9) for bodily injury to any fellow employee of the insured arising out of and in the course of such employee's employment;

Abba Father,
today we are grateful for Your unconditional love.
As we wrap up the business for the day
and head into a long weekend to celebrate Passover and Easter,
may each one be reminded of Your grace, mercy and love.
Not one of us are deserving of Your unmerited favor,
but we all are so thankful for it.
It is because of Your great love for mankind
that we have this Easter weekend to celebrate.
Please give everyone safe travels,

In Christ’s Name I pray, Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Karleskint are spread upon the Journal:

Representative Karleskint asked all Vietnam Veterans to join him at the well.
Good morning colleagues. I rise on this point of personal privilege to recognize National Vietnam Veterans Day.
National Vietnam War Veterans Day is a commemorative holiday in the United States which recognizes the veterans and their families for the sacrifices they made during the Vietnam War. It is also a day to give proper recognition to the men and women who returned home from that war and didn’t receive a proper welcome home. Some states have passed resolutions recognizing the Veterans. In 2017, the date of the holiday was
set as March 29th by President Trump. The day is known as National Vietnam War Veterans Day.

The Vietnam War was a very divisive and difficult time for the United States and many veterans didn’t get the recognition for their service they needed to receive. This is why commemorating this holiday is so important.

Of the 2.7 million who served in Vietnam, more then, 58,000 were killed, 304,000 were wounded. It is estimated that over 271,000 Vietnam Veterans suffer from post-traumatic stress disorder. It is also estimated by the Veterans Administration that there are 500 Vietnam Vets dying each day.

Eleven years of combat left its imprint on a generation. Thousands returned home bearing shrapnel and scars, still more were burdened by invisible wounds of PTSD, of Agent Orange, of memories that will never fade.

One of the war’s most profound tragedies, is that many of these men and women came home to be shunned, ridiculed, or neglected to face treatment unbefitting their courage. On this National Vietnam Veterans Day, I encourage you to show all who have worn the uniform of the United States the respect and dignity, they deserve.

(a) (1) In order to accomplish the mission for Kansas education, the state board shall design and adopt a school district accreditation system based upon improvement in performance that equals or exceeds the educational goal set forth in K.S.A. 2017 Supp. 72-3218(c), and amendments thereto, and is measurable. The state board shall hold all school districts accountable to the Kansans can outcomes, or any successor outcomes established by the state board, through the Kansas education systems accreditation rules and regulations, or any successor accreditation system adopted by the state board. The state board shall establish rigorous accountability measures in the areas of social emotional learning, kindergarten readiness, individual plans of study, graduation and postsecondary success. The state board also shall ensure that all school districts and the public schools operated by such districts have programs and initiatives in place for providing those educational capacities set forth in K.S.A. 2017 Supp. 72-3218(c), and amendments thereto. On or before January 15, 2018, and

The board shall ensure compatibility between the statewide assessments and the curriculum standards established pursuant to subsection (b). and objectives. Site councils may make recommendations and proposals to the school
board regarding budgetary items and school district matters, including, but not limited

INTRODUCTION OF BILLS AND CONCURRENT RESOLUTIONS

The following resolution was introduced and read by title:

HOUSE CONCURRENT RESOLUTION No. HCR 5029—
By Committee on Taxation

HCR 5029—A PROPOSITION to amend section 6 of article 6 of the constitution of the state of Kansas; declaring the power to appropriate state funds for education to be exclusively a legislative power.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:
Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 6 of article 6 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 6. Finance. (a) The legislature may levy a permanent tax for the use and benefit of state institutions of higher education and apportion among and appropriate the same to the several institutions, which levy, apportionment and appropriation shall continue until changed by statute. Further appropriation and other provision for finance of institutions of higher education may be made by the legislature.

(b) As all political power is inherent in the people, the legislature shall determine suitable provision for finance of the educational interests of the state. The determination of the total amount of funding that constitutes suitable provision for finance of the educational interests of the state is exclusively a legislative power; and shall be made as provided by law. Such power is committed to the legislature under article 2 of this constitution and shall be shown due respect by the other branches of government. No court, or other tribunal, established by this constitution or otherwise by law shall alter; amend, repeal or otherwise abrogate such power; nor shall such power be exercised by, either directly or indirectly, by any such court or other tribunal.

(c) No tuition shall be charged for attendance at any public school to pupils required by law to attend such school, except such fees or supplemental charges as may be authorized by law. The legislature may authorize the state board of regents to establish tuition, fees and charges at institutions under its supervision.

(d) No religious sect or sects shall control any part of the public educational funds."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to state that the financing of the educational interests of this state is exclusively a legislative power and cannot be altered or revoked by any state court.

A vote for this proposition would make financing of the educational interests of this state determined solely by state law, and would not be subject to amendment or repeal by any state court.

A vote against this proposition would retain the current provision in the Kansas constitution, which has been interpreted by the Kansas supreme court as empowering that court to order the Kansas legislature to fund public schools in whatever amounts that the Kansas supreme court may determine necessary."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives, and two-thirds of the members elected (or appointed) and qualified to the Senate shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2018, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Koesten are spread upon the Journal:

Colleagues – In the 4th Century, Aristotle argued that a citizen’s ability to articulate his thoughts and beliefs was the only way to clarify what the public really wanted to achieve, and without this rhetorical capability the city-state would die. Aristotle believed that through logic and reasoning, rhetorical skills were as important as physical skills in that through rhetoric one could assist in the defense of truth and justice; persuade a less informed audience; and ensure that all sides are considered.

It was through Aristotle’s teachings that the foundation of policy debate as we know it today was formed. And, today I rise with immense pride to recognize members of my academic home at the Communication Studies Department and the University of Kansas.

Since 1885, KU has cultivated one of the most successful policy debate programs in the country. And so today, I offer a resolution congratulating and commending the University of Kansas debate team of Quram Robinson and Will Katz for their NCAA National Championship.

   (4) the duties of the treasurer; and
   (5) a list of participating learning entities.

Sec. 21. (a) To establish an account, the parent of a qualified student shall enter into a written agreement with the treasurer, in a manner and on a form prescribed by the treasurer.

(b) The agreement between the parent of a qualified student and the treasurer shall
provide:
   (1) The qualified student shall not enroll full-time in the qualified student's resident school district;
   (2) the qualified student shall receive instruction from a participating learning entity or postsecondary educational institution;
   (3) the parent shall comply with all requirements and rules and regulations of the program; and
   (4) the money in the qualified student's account shall only be expended as authorized by this program.

   (c) Only one account may be established for each qualified student. A parent acting on behalf of more than one qualified student shall have a separate written agreement for each qualified student.

   (d) A written agreement entered pursuant to the Kansas school closure contingency act shall have a term of one year, but may be terminated early pursuant to subsection (e). Such written agreement shall be executed on or before August 1 of the current school year. Such written agreement may be renewed annually by August 1 upon the written consent of the parent and the treasurer in a manner determined by the treasurer, except the parent may submit a request to the treasurer for an extension of time for renewal not to exceed 30 days. Failure to renew a written agreement does not preclude renewal of such written agreement in a subsequent year. A written agreement that has been terminated pursuant to subsection (c) shall not be renewed.

   (e) (1) A written agreement may be terminated by the treasurer upon a determination that:
       (A) Money in an account has been used for purposes other than those allowed by the program;
       (B) the qualified student no longer satisfies the definition of a "qualified student";
       or
       (C) the qualified student enrolls in such student's resident school district on a full-time basis.
       (2) A written agreement may be terminated by a parent at any time. To terminate a written agreement, such parent shall notify the treasurer in writing of such termination.
       (3) When a written agreement is terminated, the account associated with such agreement shall be deemed no longer active, and the treasurer shall close the account in accordance with section 22(d)(2), and amendments thereto.

Sec. 22. (a) (1) There is hereby established in the state treasury the Kansas school closure contingency fund to be administered by the state treasurer. Money in the Kansas school closure contingency fund shall be expended only for the purposes established in the Kansas school closure contingency act. All moneys received pursuant to section 23, and amendments thereto, shall be deposited in the state treasury in accordance with the provisions of K.S.A. 75-4215, and amendments thereto, and shall be credited to the Kansas school closure contingency fund.

   (2) On or before the 10th of each month, the director of accounts and reports shall transfer from the state general fund to the Kansas school closure contingency fund interest earnings based on:
       (A) The average daily balance of moneys in the Kansas school closure contingency fund; and
       (B) the net earnings rate of the pooled money investment portfolio for the
preceding month.

(b) Upon execution of an agreement in accordance with section 20, and amendments thereto, the treasurer shall establish an account in the Kansas school closure contingency fund in the state treasury in the name of the qualified student. Upon establishment of such account, the treasurer shall notify the resident school district of the establishment of such an account for the qualified student.

(c) (1) (A) The treasurer shall transfer to a qualified student's account in the Kansas school closure contingency fund an aggregate annual amount equal to the BASE aid, as defined in K.S.A. 2017 Supp. 72-5132, and amendments thereto, for the immediately preceding school year, plus an amount equal to the per student proportion of that portion of the qualified student's resident school district's state foundation aid that is directly attributable to such district's weightings for the immediately preceding school year. The treasurer shall make such transfers in quarterly installments pursuant to a schedule determined by the treasurer.

(B) In addition to any amounts transferred to a qualified student's account pursuant to subparagraph (A), the treasurer shall transfer to a qualified student's account an amount equal to the fees for transportation provided by a participating learning entity required for the qualified student to travel to and from such participating learning entity. Prior to any such transfer, the participating learning entity shall certify the fees for such transportation. In no event shall such transfer exceed $750.

(2) If a qualified student enrolls in such student's resident school district on a part-time basis, such qualified student or such student's parent shall notify the treasurer and the treasurer shall prorate the amount to be transferred under subsection (c)(1)(A).

(3) The treasurer may deduct a percentage of the amount to be transferred into an account pursuant to subsection (c)(1)(A) as reimbursement for the administrative costs of implementing the provisions of such act as follows:

(A) Up to 5% each year for the first two years money is transferred to a qualified student's account under subsection (c)(1)(A); and

(B) up to 2.5% the third year and each subsequent year money is transferred to a qualified student's account under subsection (c)(1)(A).

(4) No transfers shall be made to any qualified student's account after such student has graduated from high school.

(d) (1) Each account shall remain active until:

(A) A written agreement is terminated pursuant to section 21, and amendments thereto;

(B) the student graduates from high school; or

(C) there are two consecutive years of nonrenewal of an agreement.

(2) When the treasurer determines an account is no longer active, the treasurer shall close the account and certify the amount of funds remaining in the account to the director of accounts and reports. Such certified amount shall be transferred from the closed account to the Kansas school closure contingency fund.

(e) The treasurer shall develop a system for payment of services by participating parents by electronic funds transfer. However, such system shall not require parents to be reimbursed for out-of-pocket expenses. All transfers shall be only for expenditures approved by the treasurer. The treasurer may contract with a third party for the purposes of this subsection.

Sec. 23. (a) The treasurer shall notify the state board of education as to the names
of the students participating in the program and the resident school district of each such student.

(b) For school year 2018-2019, and each school year thereafter, a qualified student shall be counted in the enrollment of such qualified student's resident school district for the purposes of calculating the amount of the state foundation aid per student for the school district. An amount equal to the BASE aid, as defined in K.S.A. 2017 Supp. 72-5132, and amendments thereto, plus an amount equal to the per student proportion of that portion of the qualified student's resident school district's state foundation aid that is directly attributable to such district's weightings for the immediately preceding school year, shall be multiplied by the total number of qualified students in such school district who are participating in the program and have not graduated from high school. The state board of education shall certify the resulting product to the director of accounts and reports. Upon receipt of such certification, the director shall transfer such certified amount from the state general fund to the Kansas school closure contingency fund established in section 22, and amendments thereto.

(c) For school year 2018-2019 and each school year thereafter, the state board shall deduct from the amount of state foundation aid for each school district an amount equal to the amount certified under subsection (b).

Sec. 24. (a) Moneys in the qualified student's account may be accessed by such qualified student's parent, but shall only be expended by such parent for the following purposes:

1. Tuition and fees charged by a participating learning entity;
2. Textbooks and other supplies required by a participating learning entity;
3. Educational therapies or services provided by a licensed or accredited education provider;
4. Tutoring services provided by a certified tutor;

10. Tuition and fees charged by a postsecondary educational institution; and
11. Any other education expenses approved by the treasurer.

(b) The treasurer shall notify the parent of any expenditures from a qualified student's account that do not meet the requirements of subsection (a). Such parent shall repay the cost of any such expenditures within 30 days of notification by the treasurer.

(c) Except as provided in section 22(d), and amendments thereto, funds remaining in an account at the end of a school year shall roll over to the next succeeding school year.

(d) A participating learning entity providing education services purchased with funds from an account shall not share, refund or rebate any portion of such funds to the parent or qualified student. Any such refund or rebate shall be made directly into the qualified student's account.

(e) No personal deposits may be made into an account.
(f) (1) The treasurer shall conduct or contract to conduct annual audits of school closure contingency accounts to ensure compliance with the provisions of this act. The treasurer shall also conduct or contract to conduct random and quarterly audits of school closure contingency accounts as needed to ensure compliance with the Kansas school closure contingency act.

(2) If the treasurer determines money in an account has been used for purposes other than those allowed by subsection (a), the treasurer may:

(A) Prohibit expenditures from the account until such time as determined by the treasurer;
(B) prorate amounts to be deposited in such account under section 22, and amendments thereto, by an amount equal to the total amount used for purposes other than those allowed by subsection (a); or

If the applicant is unable to provide such additional information, the treasurer may deny the application.

(c) The treasurer shall conduct, or contract for the performance of, an audit of a participating learning entity selected at random each year to determine whether the participating learning entity is compliant with the requirements of subsection (a).

(d) (1) The treasurer may revoke a participating learning entity's approval if the treasurer determines the participating learning entity:

(A) Has routinely failed to comply with the provisions of the Kansas school closure contingency act or applicable rules and regulations; or
(B) has failed to provide any educational services required by law to a qualified student receiving instruction from the entity if the entity is accepting payments made from such student's account.

(2) Prior to revoking a participating learning entity's approval, the treasurer shall notify such participating learning entity of impending revocation and the reason for such revocation. The participating learning entity shall have 30 days from the time it was notified to cure the matter identified in the notice. If the participating learning entity fails to cure within 30 days, such participating learning entity's approval shall be
revoked. A participating learning entity whose approval has been revoked shall not be allowed to participate in the program until such time the treasurer determines such participating learning entity is in compliance with the requirements of such act.

(3) If the treasurer revokes a participating learning entity's approval, the treasurer shall immediately notify each parent of a qualified student participating in the program and receiving instruction from such participating learning entity.

(e) The treasurer may notify the attorney general or the district attorney of the county where the participating learning entity is located if a participating learning entity's approval was revoked because of misuse of money paid from an account.

Prayer by guest chaplain, Pastor Kyle Borg, Reformed Presbyterian Church, Winchester, and guest of Rep. Ellis.

O God of Grace,
This morning I direct my heart to you as Lord of heaven earth,
You uphold the world by the power of your Word,
You direct the footsteps of each person according to your counsel,
You influence even the heart of the king which is in your hand.
Your goodness is from the rising of the sun to the setting of the same,
Displayed in every corner of creation,
Manifest in every good thing,
And expressed in the governments and authority you have appointed.

O Lord, grant to this legislative body today the company of your favor,
Grant knowledge to discern,
Grant wisdom to govern,
Grant equity to establish,
Grant mercy to succeed,
Grant humility to prosper,
And grant, O Lord, your glory to triumph that all may know you are Lord.
From you I ask these things not because they are deserved or earned, but
Because you are gracious and kind,
Because you are patient and long-suffering,
Because you are slow to anger and abounding in love.
From you, O Father, I ask this in the name of Jesus Christ, the King of kings, and Lord of lords. Amen.
The Pledge of Allegiance was led by Rep. Davis.

Rep. Gartner presented the team with a framed House certificate in honor of their achievement.

**INTRODUCTION OF GUESTS**

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:

I wanted to take a moment to recognize a few guests with us today on behalf of a very successful program – the KU Medical Center Scholars in Rural Health. Joining us today are Dr. Gerold Minns, Dean of the University of Kansas School of Medicine, Wichita; Dr. Mike Kennedy, Associate Dean for Rural Health Education and Professor of Family Medicine, KU, Kansas City and Dr. James Kallail, Associate Dean for Research and Director of Scholars in Rural Health for KU, Wichita; and Haley Bowers Lowell, 2018 University of Kansas Medical School Graduate.

The scholars program began in 1997 and was named the Scholars in Primary Care and Scholars in Rural Health program. About ten years ago it was changed to Scholars in Rural Health to define the intent as a rural program. Scholars in Rural Health selects up to 14 college juniors from rural areas who intend to become physicians in a primary care field, such as family medicine, internal medicine or general pediatrics. Participants agree to maintain good grades and to spend 40 hours shadowing a physician in their hometown during their undergraduate study, along with other course work.
In return, they are guaranteed admission to KU Medical School – WITH qualifications: they must be a Kansas resident, live in a rural community, ACT/SAT Score at or above the 75th percentile, demonstrate evidence of the dedication and compassion necessary to be a competent and caring physician. Once accepted, the student must meet guidelines – some of which are a degree from an accredited college, fulfillment of KU School of Medicine prerequisites, GPA greater than 3.5, a satisfactory score on the MCAT, satisfactory completion of shadow hours and written assignments and participation in the orientation and annual meetings and uphold the high ethical and behavioral standards required of medical students and physicians.

The KU School of Medicine has long been recognized as a national leader in the training of rural physicians and now has three campuses that provide the full four-year educational program.

To quote one of our guests – Dr. Kallail, the scholars program “is one small piece” of addressing the state workforce issue in rural settings. One national report gathering facts from rural, primary care physicians over 20 years, discovered a medical student is more likely to end up practicing primary care in a rural area if – they grew up in a rural area, they are married, they are older and attended a public medical school.

I believe KU Med has found part of the rural health solution and it works due to the students they choose to participate. One last piece – of the 14 Rural Scholars this year – 12 out of 14 matched Family Medicine, 8 of the 12 matched in Kansas. Another solid year for the KU Medical Center Scholars in Rural Health! Please join me in giving a warm Kansas House welcome to our guests from KU Medical School and to Haley Bowers Lowell who we know will stay in Kansas as a rural Doctor!

Mr. Speaker, I vote no on **HB 2445**. – John Whitmer, Trevor Jacobs, Randy Powell, Kevin Jones

Mr. Speaker: I vote yes on **HB 2445**. It bothers me that the court expects schools to address problems that the schools cannot fix. Likely there is no amount of money that can ever fix the underlying issue. That issue: a lack of moral and ethical center for too many folks these days. Broken families and addictions create havoc on the learning ability of students. How can a student be prepared to learn if their home situation is
unstable? As I said, schools cannot fix that, but schools may be the next best solution or situation for many of these children. Resources to address these, and other issues, is not a perfect solution either but is one of the few options available. – Don Schroeder

Mr. Speaker: I vote yes on HB 2445. I do so with much reservation. I do believe the equity problems have been fixed. I also believe that the funding for the 2018-19 school year meets the adequacy portion. However, the rest of the funding I believe, will not meet adequacy. I am in hopes that the Supreme Court will keep schools open and allow us to increase funding in the out years as we have the true numbers of revenue after July this year. I believe that a more bi-partisan approach could have resolved my concerns on this bill. – Steven G. Crum

Mr. Speaker: I do not believe that the funding levels in HB 2445 are sufficient to meet the Supreme Court mandate that the Legislature adequately fund public schools. I also do not believe that the process involved bi-partisan input. That said, I am willing to act in a bi-partisan fashion anyway and give the bill a chance. I vote yes on HB 2445 with reservation. – Ed Trimmer, Eber Phelps, Cindy Holscher, Barbara Ballard

Mr. Speaker: Though it pains me as an educator, I vote no on HB 2445. The Kansas Supreme Court made it clear that we need to show our work in adequately funding education. A plan based on previously constitutional levels and adjusted for inflation would make a strong argument to the court. Instead, we have recycled the same failed talking points from last year and focused not on what is constitutional, but on what we choose to say we can afford. Though I hope I am wrong, I expect this bill to be found inadequate. – Brett Parker

Heavenly Father,

thank You for blessing each of us
with a new day.
As these leaders are wrapping up some business
that is crucial and perhaps controversial,
I ask for a spirit of calm and cooperation.
Help them to take the content seriously,
but not themselves.
Help them to take responsibility for the consequences
of their actions and words –
even when they don’t think it’s their fault.
Help them to consider other’s feelings,
even when they may think others are hypersensitive.
Help them to do what they can,
then to trust You for the rest.
Most of all, remind them often that
You are ready, willing and want
to provide them with Your wisdom and guidance.
In Your Name, Amen.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Carpenter are spread upon the Journal:

Today I am joined on the floor by talented young ladies who are truly uncommon. These young women are the 2018 Basketball 6A State Champions. They focus on being
“uncommon” in everything they do. They focus not only on the details of doing things the right way on the court, but also on the details of doing things the right way in their own lives. This season the team has fully invested in being “uncommon.” They are a team full of talent, however they are way more concerned about playing for one another than as individuals. This attitude took them to great heights this year. It allowed them to lift the state championship trophy high in the air.

Off the court, the players have invested their time into working with the young girls who look up to them. They have also participated in community service, such as roadside assistance for the Wichita Marathon.

The team’s total GPA is 3.2.

The Derby team has been to four state final games; 1984, 1985, 2017, and 2018. In 2017, they lost by only two points. This season was the very first time the Derby High School Girls Basketball team won the State Championship. USA Today ranked the Derby girls’ basketball team at #10 in the Frontier Region that includes all high schools in the states of Kansas, Oklahoma, Arkansas, Texas, New Mexico, Colorado, Utah, Idaho, Montana, and Wyoming.

Rep. Carpenter introduced the team to the House.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Koesten are spread upon the Journal:

Colleagues, in 1912, in the midst of the Progressive Era and at a time when women in the United States couldn’t yet vote, Juliette Gordon Low envisioned an organization that would prepare girls to meet their world with courage, confidence, and character. It was under her leadership in her hometown of Savannah, Georgia that the Girl Scout Movement was born and redefined what was possible for themselves and for girls everywhere.

Today, it is my honor to welcome the Leawood Cadettes, Troop 108.

These 6th grade girls have been together since 1st grade and over the years they have climbed towers at Ironwoods Park, built fires, taken archery class, and camped under the stars. They have filled backpacks for hungry students, collected personal hygiene items for citizens in need, contributed cookie funds to a dog rescue, and sang Christmas carols to memory care patients in nursing homes.
They have also hosted World Thinking Day for their service unit and earned their Bronze award. Over the years, they have sent hundreds of cases of cookies to our troops serving in Afghanistan.

In short, these girls work together to make the world a better place with courage, confidence, and character.

Rep. Koesten introduced the following troop members to the House:

- Evie Burgess
- Mae Briggs
- Rylee Lipplegoos
- Ellison Clark
- Claire Younger
- Amira Dvorak
- Cami Boyce
- Ella Kirwin

I would also like to acknowledge troop leader, Kristi Burgess and all the other parents who make time to support and guide their daughters and the daughters of others: Ann Briggs and her younger daughter Erin; Wendy Kirwin; Kristen Younger and her younger daughter Lauren.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

On emergency motion of Rep. Dietrich, HR 6059, by Reps. Dietrich, Alford, Baker, Bishop, Blex, Brim, Burroughs, Clark, Clayton, Cox, Crum, Curtis, Deere, Dierks, Elliott, Ellis, Eplee, Finney, Gallagher, Garber, Good, Hoffman, Holscher, Horn, Huebert, Judd-Jenkins, Kelly, Kessinger, Koesten, Lewis, Markley, Mason, Mastroni, Murnan, Neighbor, Ohaebosim, Orr, Ousley, Patton, Phelps, Resman, Ryckman, Sawyer, Schreiber, Schroeder, Schwab, Seiwert, Sloan, Smith, Swanson, Tarwater and Wheeler, as follows, was introduced and adopted:

HOUSE RESOLUTION No. HR 6059—

HR 6059—A RESOLUTION recognizing the month of April as Child Abuse Prevention Month.

WHEREAS, Children are key to the state's future success, prosperity and quality of life and, while children are our most valuable resource, they are also our most vulnerable; and

WHEREAS, Children have a right to be safe and to be provided an opportunity to thrive, learn and grow; and

WHEREAS, Child abuse and neglect can be prevented by supporting and strengthening Kansas' families, which can help provide children the opportunity to
develop healthy, trusting family bonds, and, consequently, prevent the far-reaching effects of maltreatment and build the foundations of communities; and

WHEREAS, Since it is our duty as a community to extend a helping hand to children and families in need, we must come together as partners to make the voices of our children heard by all; and

WHEREAS, By providing safe, stable and nurturing relationships for our children, free of violence, abuse and neglect, we can ensure that Kansas’ children will grow to their full potential as the next generation of leaders, and thus help to secure the future of this state and nation: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize the month of April as Child Abuse Prevention Month; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send an enrolled copy of this resolution to Representative Dietrich.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Dietrich are spread upon the Journal:

The month of April is Child Abuse Prevention Month and you all have a Pinwheel on your desk with a letter from the Children and Seniors Committee.

The pinwheel is the national symbol for child abuse prevention serving as a reminder that children should be raised in safe, stable and nurturing environments free from abuse and neglect.

Today we join the Kansas Children’s Service League through this resolution in their efforts to raise awareness for the need to prevent child abuse and neglect. With us is Dona Booe, CEO and President of KCSL. Her organization has advocated for children for 125 years and has impacted the lives of more than 40,000 children and families each year by focusing on preventing child abuse, strengthening families and empowering parents and youth.

Each of us can help by remembering the simple phrase, “if you see something, say something.” Report child abuse and neglect and support community service interventions that mitigate childhood and family risk factors. Children are key to our state’s future success, prosperity and quality of life, and, while children are our most valuable resource, they are also our most vulnerable.

Child abuse and neglect can be prevented by supporting and strengthening Kansas’ families, which can help provide children the opportunity to develop healthy, trusting family bonds and prevent the far-reaching effects of abuse.

I hope you will agree that it is our duty to extend a helping hand to children and families in need to ensure that Kansas’ children will grow to their full potential as the next generation of leaders and help to secure the future of this state and nation.

Therefore, be it resolved by the House of Representatives of the State of Kansas that we recognize the month of April as Child Abuse Prevention Month and thank Dona Booe and Kansas Children’s Service League for their great work preventing child abuse in Kansas.

(A) Licenses issued to persons who are at least 21 years of age, but less than 65 years of age shall expire on the sixth anniversary of the date of birth of the licensee which is nearest the date of application;

(B) Licenses issued to persons who are 65 years of age or older shall expire on the fourth anniversary of the date of birth of the licensee which is nearest the date of application;

(D) licenses issued to an offender, as defined in K.S.A. 22-4902, and amendments
thereto, who is required to register pursuant to the Kansas offender registration act, K.S.A. 22-4901 et seq., and amendments thereto, shall expire every year on the date of birth of the licensee; or

(E) licenses issued to persons who are less than 21 years of age shall expire on the licensee's twenty-first 21st birthday.

(2) All renewals under: (A) Paragraph (1) (A) shall expire on every sixth anniversary of the date of birth of the licensee; (B) paragraph (1) (B) and (C) shall expire on every fourth anniversary of the date of birth of the licensee; (C) paragraph (1) (C) shall expire on every fifth anniversary of the date of birth of the licensee; (D) paragraph (1)(D) shall expire every year on the date of birth of the licensee; and (E) paragraph (1)(E), if a renewal license is issued, shall expire on the licensee's twenty-first 21st birthday. No driver's license shall expire in the same calendar year in which the original license or renewal license is issued, except that if the foregoing provisions of this section shall require the issuance of a renewal license or an original license for a period of less than six calendar months, the license issued to the applicant shall expire in accordance with the provisions of this subsection.

(b) If the driver's license of any person expires while such person is outside of the state of Kansas and such person is on active duty in the armed forces of the United States, or is the spouse or a person who is residing with and is a dependent of such person on active duty, the license of such person shall be renewable, without examination, at any time prior to the end of the sixth month following the discharge of such person from the armed forces, or within 90 days after residence within the state is reestablished, whichever time is sooner. If the driver's license of any person under this subsection expires while such person is outside the United States, the division shall provide for renewal by mail, as long as the division has a photograph or digital image of such person maintained in the division's records. A driver's license renewed under the provisions of this subsection shall be renewed by mail only once.

(c) At least 30 days prior to the expiration of a person's license the division shall mail a notice of expiration or renewal application to such person at the address shown on the license. The division shall include with such notice a written explanation of substantial changes to traffic regulations enacted by the legislature.

(d) (1) Except as provided in paragraph (2), every driver's license shall be renewable on or before its expiration upon application and payment of the required fee and successful completion of the examinations required by subsection (e). Application for renewal of a valid driver's license shall be made to the division in accordance with rules and regulations adopted by the secretary of revenue. Such application shall contain all the requirements of subsection (b) of K.S.A. 8-240(h), and amendments thereto. Upon satisfying the foregoing requirements of this subsection, and if the division makes the findings required by K.S.A. 8-235b, and amendments thereto, for the issuance of an original license, the license shall be renewed without examination of the applicant's driving ability. If the division finds that any of the statements relating to revocation, suspension or refusal of licenses required under subsection (b) of K.S.A. 8-240(h), and amendments thereto, are in the affirmative, or if it finds that the license held by the applicant is not a valid one, or if the applicant has failed to make application for renewal of such person's license on or before the expiration date thereof, the division may require the applicant to take an examination of ability to exercise ordinary and reasonable control in the operation of a motor vehicle as provided in K.S.A. 8-235d,
and amendments thereto.

(2) Any licensee, whose driver's license expires on their twenty-first 21st birthday, shall have 45 days from the date of expiration of such license to make application to renew such licensee's license. Such license shall continue to be valid for such 45 days or until such license is renewed, whichever occurs sooner. A licensee who renews under the provisions of this paragraph shall not be required by the division to take an examination of ability to exercise ordinary and reasonable control in the operation of a motor vehicle as provided in K.S.A. 8-235d, and amendments thereto.

(e) (1) Prior to renewal of a driver's license, the applicant shall pass an examination of eyesight. Such examination shall be equivalent to the test required for an original driver's license under K.S.A. 8-235d, and amendments thereto. A driver's license examiner shall administer the examination without charge and shall report the results of the examination on a form provided by the division.

(2) In lieu of the examination of the applicant's eyesight by the examiner, the applicant may submit a report on the examination of eyesight by a physician licensed to practice medicine and surgery or by a licensed optometrist. The report shall be based on an examination of the applicant's eyesight not more than three months prior to the date the report is submitted, and it shall be made on a form furnished by the division to the applicant.

(3) The division shall determine whether the results of the eyesight examination or report is sufficient for renewal of the license and, if the results of the eyesight examination or report is insufficient, the division shall notify the applicant of such fact and return the license fee. In determining the sufficiency of an applicant's eyesight, the division may request an advisory opinion of the medical advisory board, which is hereby authorized to render such opinions.

(4) An applicant who is denied a license under this subsection (e) may reapply for renewal of such person's driver's license, except that if such application is not made within 90 days of the date the division sent notice to the applicant that the license would not be renewed, the applicant shall proceed as if applying for an original driver's license.

(5) When the division has good cause to believe that an applicant for renewal of a driver's license is incompetent or otherwise not qualified to operate a motor vehicle in accord with the public safety and welfare, the division may require such applicant to submit to such additional examinations as are necessary to determine that the applicant is qualified to receive the license applied for. Subject to paragraph (6) of this subsection, in so evaluating such qualifications, the division may request an advisory opinion of the medical advisory board which is hereby authorized to render such opinions in addition to its duties prescribed by subsection (b) of K.S.A. 8-255b(b), and amendments thereto. Any such applicant who is denied the renewal of such a driver's license because of a mental or physical disability shall be afforded a hearing in the manner prescribed by subsection (e) of K.S.A. 8-255(c), and amendments thereto.

(6) Seizure disorders which are controlled shall not be considered a disability. In cases where such seizure disorders are not controlled, the director or the medical advisory board may recommend that such person be issued a driver's license to drive class C or M vehicles and restricted to operating such vehicles as the division determines to be appropriate to assure the safe operation of a motor vehicle by the licensee. Restricted licenses issued pursuant to this paragraph shall be subject to
suspension or revocation. For the purpose of this paragraph, seizure disorders which are controlled means that the licensee has not sustained a seizure involving a loss of consciousness in the waking state within six months preceding the application or renewal of a driver's license and whenever a person licensed to practice medicine and surgery makes a written report to the division stating that the licensee's seizures are controlled. The report shall be based on an examination of the applicant's medical condition not more than three months prior to the date the report is submitted. Such report shall be made on a form furnished to the applicant by the division. Any physician who makes such report shall not be liable for any damages which may be attributable to the issuance or renewal of a driver's license and subsequent operation of a motor vehicle by the licensee.

EXPLANATION OF VOTE

Mr. Speaker: I vote No on the conference committee report for HB 2597. The CCR contains HB 2509 which puts the election budget under control of the county commission. Unlike other areas of county budgets, elections affect the basic right of citizens to select their government officials. Controlling the Election Commissioner through control of the budget will only result in disenfranchised voters causing fewer polling places, fewer poll workers, longer lines, eliminating advanced ballot application notices for elections, and delays in counting the results. The very people who are canvassing the results of elections should not also have power over the process of elections. For these reasons, I vote No on HB 2597. – KEITH ESAU, JOHN CARMICHAEL, JESSE BURRIS

(2) rank the school districts from low to high on the basis of the amounts of assessed valuation per student determined under subsection (b)(1);

(3) identify the amount of the assessed valuation per student located at the 81.2 percentile of the amounts ranked under subsection (b)(2);

(4) divide the assessed valuation per student of the school district as determined under subsection (b)(1) by the amount identified under subsection (b)(3); and

(5) (A) if the quotient obtained under subsection (b)(4) equals or exceeds one, the school district shall not receive supplemental state aid; or

(B) if the quotient obtained under subsection (b)(4) is less than one, subtract the quotient obtained under subsection (b)(4) from one, and multiply the difference by the amount of the local option budget of the school district for the immediately preceding school year. The resulting product is the amount of supplemental state aid the school district is to receive for the school year.

(c) Payments of supplemental state aid shall be distributed to school districts on the dates prescribed by the state board. The state board shall certify to the director of accounts and reports the amount due each school district, and the director of accounts
and reports shall draw a warrant on the state treasurer payable to the treasurer of the school district. Upon receipt of the warrant, the treasurer of the school district shall credit the amount thereof to the supplemental general fund of the school district to be used for the purposes of such fund.

(d) For the purposes of determining the total amount of state moneys paid to school districts, all moneys appropriated as supplemental state aid shall be deemed to be state moneys for educational and support services for school districts.

Sec. 6. On and after July 1, 2018, K.S.A. 2017 Supp. 72-5148 is hereby amended to read as follows: 72-5148. (a)(1) The transportation weighting of each school district shall be determined by the state board as follows:

(1) Determine the total expenditures of the school district during the preceding school year from all funds for transporting students of public and nonpublic schools on regular school routes;

(2) determine the sum of: (A) The number of students who were included in the enrollment of the school district in the preceding school year who resided less than $2\frac{1}{2}$ miles by the usually traveled road from the school building such students attended and for whom transportation was made available by the school district; and (B) the number of nonresident students who were included in the enrollment of the school district for the preceding school year and for whom transportation was made available by the school district;

(3) determine the number of students who were included in the enrollment of the district in the preceding school year who resided $2\frac{1}{2}$ miles or more by the usually traveled road from the school building such students attended and for whom transportation was made available by the school district;

(4) multiply the number of students determined under subsection (a)(3) by 2.8;

(5) divide the amount determined under subsection (a)(2) by the product obtained under subsection (a)(4);

(6) add one to the quotient obtained under subsection (a)(5);

(7) multiply the sum obtained under subsection (a)(6) by the amount determined under subsection (a)(3);

(8) divide the amount determined under subsection (a)(1) by the product obtained under subsection (a)(7). The resulting quotient is the per-student cost of transportation;

(9) on a density-cost graph, plot the per student cost of transportation for each school district;

(10) construct a curve of best fit for the points so plotted;

(11) locate the index of density for the school district on the base line of the density cost graph and from the point on the curve of best fit directly above this point of index of density follow a line parallel to the base line to the point of intersection with the vertical line, which point is the formula per student cost of transportation of the school district;

(12) divide the formula per student cost of transportation of the school district by the BASE aid; and

(13) multiply the quotient obtained under subsection (a)(12) by the number of students who are included in the enrollment of the school district, are residing $2\frac{1}{2}$ miles or more by the usually traveled road to the school building they attend, and for whom transportation is being made available by, and at the expense of, the district.

(A) Divide the BASE aid amount for the current school year by the BASE aid
amount for school year 2018-2019:

(B) multiply the number of transported students by the per capita allowance that corresponds to the density figure for the school district as determined in subsection (a) (2):

(C) multiply the product obtained under subsection (a)(1)(B) by 1.00;

(D) multiply the product obtained under subsection (a)(1)(C) by the quotient obtained under subsection (a)(1)(A);

(E) divide the product obtained under subsection (a)(1)(D) by the current year

BASE amount. The result is the transportation weighting of the school district.

(2) The per capita allowance shall be determined using the following chart:

(b) (1) For school years 2017-2018 through 2020-2021, the transportation weighting of the school district shall be either the product determined under subsection (a)(13), or that portion of such school district's general state aid for school year 2016-2017 that was attributable to the school district's transportation weighting, whichever is greater.

(2) For school year 2021-2022, and each school year thereafter, the transportation weighting of the school district shall be the product determined under subsection (a)(13).

(3) In no event shall the transportation weighting of the school district result in the portion of such school district's state foundation aid attributable to the transportation weighting being in excess of 110% of such school district's total expenditures from all funds for transporting students for the immediately preceding school year.

(c) For the purpose of providing accurate and reliable data on student transportation, the state board is authorized to adopt rules and regulations prescribing procedures that school districts shall follow in reporting pertinent information, including uniform reporting of expenditures for transportation.

(d) As used in this section:

(1) "Curve of best fit" means the curve on a density-cost graph drawn so the sum of the distances squared from such line to each of the points plotted on the graph is the least possible.

(2) "Density-cost graph" means a drawing having: (A) A horizontal or base line divided into equal intervals of density, beginning with zero on the left; and (B) a scale for per-student cost of transportation to be shown on a line perpendicular to the base line at the left end thereof, such scale to begin with zero dollars at the base line ascending by equal per student cost intervals.

(3) "Index of density" means the number of students who are included in the enrollment of a school district in the current school year, are residing the designated distance or more by the usually traveled road from the school building they attend, and for whom transportation is being made available on regular school routes by the school district, divided by the number of square miles of territory in the school district. "Density figure" means the area of the school district in square miles divided by the

number of transported students.

(2) "Transported students" means the number of students who were included in the enrollment of the school district in the preceding year who resided 2\(\frac{1}{2}\) miles or more by the usually traveled road from the school building such students attended and for whom transportation was made available.

Sec. 7. On and after July 1, 2018, K.S.A. 2017 Supp. 72-5149 is hereby amended to read as follows: 72-5149. (a) The low enrollment weighting of each school district shall be determined by the state board as follows:

(1) For school districts with an enrollment of fewer than 100 students, multiply the enrollment of the school district by 1.014331. The resulting product is the low enrollment weighting of the school district;

(2) for school districts with an enrollment of at least 100 students, but fewer than 300 students:

(A) subtract 100 from the enrollment of the school district;

(B) multiply the difference obtained under subsection (a)(2)(A) by 9.655;

(C) subtract the product obtained under subsection (a)(2)(B) from 7,337;

(D) divide the difference obtained under subsection (a)(2)(C) by 3,642.4;

(E) subtract one from the quotient obtained under subsection (a)(2)(D); and

(F) multiply the difference obtained under subsection (a)(2)(E) by the enrollment of the school district. The resulting product is the low enrollment weighting of the school district;

(3) for school districts with an enrollment of at least 300 students, but fewer than 1,622 students:

(A) subtract 300 from the enrollment of the school district;

(B) multiply the difference obtained under subsection (a)(3)(A) by 1.2375;

(C) subtract the product obtained under subsection (a)(3)(B) from 5,406;

(D) divide the difference obtained under subsection (a)(3)(C) by 3,642.4;

(E) subtract one from the quotient obtained under subsection (a)(3)(D); and

(F) multiply the difference obtained under subsection (a)(3)(E) by the enrollment of the school district. The resulting product is the low enrollment weighting of the school district.

(b) For school districts with an enrollment of at least 1,622 students, multiply the enrollment of the school district by 0.03504. The resulting product is the high enrollment weighting of the school district.

Sec. 8. K.S.A. 2017 Supp. 72-5150 is hereby amended to read as follows: 72-5150. The bilingual weighting of each school district shall be determined by the state board as follows:

(a) Determine the full-time equivalent enrollment in approved programs of bilingual education during the preceding school year and multiply such enrollment by 0.395;

(b) determine the number of students enrolled in approved programs of bilingual education during the preceding school year and multiply such enrollment by 0.185; and

(c) the bilingual weighting shall be either the amount determined under subsection (a) or (b), whichever is greater.

Sec. 9. On and after July 1, 2018, K.S.A. 2017 Supp. 72-5151 is hereby amended to read as follows: 72-5151. (a) The at-risk student weighting of each school district shall be determined by the state board as follows:
(1) Determine the number of at-risk students included in the enrollment of the school district; and

(2) for a school district with an enrollment that consists of 10% or more at-risk students, multiply the number determined under subsection (a)(1) by 0.484. The resulting sum is the at-risk student weighting of the school district; or

(3) for a school district with an enrollment that consists of less than 10% at-risk students, multiply the number of students equal to 10% of such school district's enrollment by 0.484. The resulting sum is the at-risk student weighting of the school district. A school district whose at-risk student weighting is determined pursuant to this paragraph shall submit a report to the state board in such form and manner as required by the state board that identifies those students enrolled in such school district who are receiving at-risk program services and the criteria each such student satisfies in order to receive at-risk program services. The state board shall adopt rules and regulations that establish the criteria for eligibility for at-risk program services. The provisions of this paragraph shall only apply to those school districts that offer instruction in kindergarten and grades one through twelve.

(b) Except as provided in subsection (b)(4), the high-density at-risk student weighting of each school district shall be determined by the state board as follows:

(1) (A) If the enrollment of the school district is at least 35% at-risk students, but less than 50% at-risk students:

(i) Subtract 35% from the percentage of at-risk students included in the enrollment of the school district;

(ii) multiply the difference determined under subsection (b)(1)(A)(i) by 0.7; and

(iii) multiply the product determined under subsection (b)(1)(A)(ii) by the number of at-risk students included in the enrollment of the school district; or

(B) if the enrollment of the school district is 50% or more at-risk students, multiply the number of at-risk students included in the enrollment of the school district by 0.105; or

(2) (A) if the enrollment of a school in the school district is at least 35% at-risk students, but less than 50% at-risk students:

(i) Subtract 35% from the percentage of at-risk students included in the enrollment of such school;

(ii) multiply the difference determined under subsection (b)(2)(A)(i) by 0.7; and

(iii) multiply the product determined under subsection (b)(2)(A)(ii) by the number of at-risk students included in the enrollment of such school; or

(B) if the enrollment of a school in the school district is 50% or more at-risk students, multiply the number of at-risk students included in the enrollment of such school by 0.105; and

(C) add the products determined under subsections (b)(2)(A)(iii) and (b)(2)(B) for each such school in the school district, respectively.

(3) The high-density at-risk weighting of the school district shall be the greater of the product determined under subsection (b)(1) or the sum determined under subsection (b)(2)(C).

(4) Commencing in school year 2018-2019, school districts that qualify to receive the high-density at-risk weighting pursuant to this section shall spend any money attributable to the school district's high-density at-risk weighting on the at-risk best practices developed by the state board pursuant to K.S.A. 2017 Supp. 72-5153(d), and
amendments thereto. If a school district that qualifies for the high-density at-risk weighting does not spend such money on such best practices, the state board shall notify the school district that it shall either spend such money on such best practices or shall show improvement within five years of notification. Improvement shall include, but not be limited to, the following: (A) The percentage of students at grade level on state math and English language arts assessments; (B) the percentage of students that are college and career ready on state math and English language arts assessments; (C) the average composite ACT score; or (D) the four-year graduation rate. If a school district does not spend such money on such best practices and does not show improvement within five years, the school district shall not qualify to receive the high-density at-risk weighting in the succeeding school year.

(5) The provisions of this subsection shall expire on July 1, 2019.

Sec. 10. K.S.A. 2017 Supp. 72-5155 is hereby amended to read as follows: 72-5155. (a) The career technical education weighting of each school district shall be determined by the state board by multiplying the full-time equivalent enrollment in approved career technical education programs during the preceding school year by 0.5. The resulting product is the career technical education weighting of the school district.

(b) The provisions of this section shall expire on July 1, 2019.

Sec. 11. On and after July 1, 2018, K.S.A. 2017 Supp. 72-5170 is hereby amended to read as follows: 72-5170. (a) (1) In order to accomplish the mission for Kansas education, the state board shall design and adopt a school district accreditation system based upon improvement in performance that equals or exceeds the educational goal set forth in K.S.A. 2017 Supp. 72-3218(c), and amendments thereto, and is measurable. The state board shall hold all school districts accountable to the Kansans can outcomes, or any successor outcomes established by the state board, through the Kansas education systems accreditation rules and regulations, or any successor accreditation system adopted by the state board. The state board shall establish rigorous accountability measures in the areas of social emotional learning, kindergarten readiness, individual plans of study, graduation and postsecondary success. The state board also shall ensure that all school districts and the public schools operated by such districts have programs and initiatives in place for providing those educational capacities set forth in K.S.A. 2017 Supp. 72-3218(c), and amendments thereto. On or before January 15, 2018, and each January 15 thereafter, the state board shall prepare and submit a report on the school district accreditation system to the governor and the legislature.

(2) The accountability measures established pursuant to paragraph (1) shall be applied both at the district level and at the school level. Such accountability measures shall be reported by the state board for each school district and each school by publication on the internet website of the state department of education. Each school district also shall report such accountability measures for such school district and each school operated by such district by publication on such school district's internet website.

(3) If a school district is not fully accredited and a corrective action plan is required by the state board, such corrective action plan, and any subsequent reports prepared by the state board regarding the progress of such school district in implementing and executing such corrective action plan, shall be published on the state department of education's internet website and such school district's internet website.

(4) If a school district is not accredited, the superintendent, or the superintendent's designee, shall appear before the committee on education of the house of
representatives and the committee on education of the senate during the regular legislative session that occurs during the same school year in which such school district is not accredited. Such school district shall provide a report to such committees on the challenges and obstacles that are preventing such school district from becoming accredited.

(b) The state board shall establish curriculum standards that reflect high academic standards for the core academic areas of mathematics, science, reading, writing and social studies. The curriculum standards shall be reviewed at least every seven years. Nothing in this subsection shall be construed in any manner so as to impinge upon any school district's authority to determine its own curriculum.

(c) The state board shall provide for statewide assessments in the core academic areas of mathematics, science, reading, writing and social studies. The board shall ensure compatibility between the statewide assessments and the curriculum standards established pursuant to subsection (b). Such assessments shall be administered at three grade levels, as determined by the state board. The state board shall determine performance levels on the statewide assessments, the achievement of which represents high academic standards in the academic area at the grade level to which the assessment applies. The state board should specify high academic standards both for individual performance and school performance on the assessments.

(d) Each school year, on such date as specified by the state board, each school district shall submit the Kansas education system accreditation report to the state board in such form and manner as prescribed by the state board.

(e) Whenever the state board determines that a school district has failed either to meet the accreditation requirements established by rules and regulations or standards adopted by the state board or provide curriculum based on state standards and courses required by state law, the state board shall so notify the school district. Such notice shall specify the accreditation requirements that the school district has failed to meet and the curriculum that it has failed to provide. Upon receipt of such notice, the board of education of such school district is encouraged to reallocate the resources of the school district to remedy all deficiencies identified by the state board.

(f) Each school in every school district shall establish a school site council composed of the principal and representatives of teachers and other school personnel, parents of students attending the school, the business community and other community groups. School site councils shall be responsible for providing advice and counsel in evaluating state, school district, and school site performance goals and objectives and in determining the methods that should be employed at the school site to meet these goals and objectives. Site councils may make recommendations and proposals to the school board regarding budgetary items and school district matters, including, but not limited to, identifying and implementing the best practices for developing efficient and effective administrative and management functions. Site councils also may help school boards analyze the unique environment of schools, enhance the efficiency and maximize limited resources, including outsourcing arrangements and cooperative opportunities as a means to address limited budgets.

(c) A performance audit of bilingual education funding. The audit should evaluate the method of counting students for bilingual education funding, the level of the bilingual weighting under the act and how school districts are expending moneys provided for bilingual education. (d) A study of statewide virtual school programs administered in other states. The study shall include, but not be limited to, the following:

(1) The aggregate cost incurred by each state administering a virtual school program, and the cost incurred by individual school districts or schools within each state;

(2) the resources necessary for the implementation of each virtual school program, including, but not limited to, personnel, equipment, software and facility usage;

(3) the scope of each virtual school program; and

(4) the effectiveness of each virtual school program with respect to student performance and outcomes.

The audit shall be conducted during fiscal year 2024, and the final audit report shall be submitted to the legislature on or before January 15, 2024.

(e) (1) A performance audit to provide a reasonable estimate of the cost of providing educational opportunities for every public school student in Kansas to achieve the performance outcome standards adopted by the state board of education. This performance audit shall be conducted three times as follows:

(A) During fiscal year 2019, and the final report submitted to the legislature on or before January 15, 2019;

(B) during fiscal year 2022, and the final report submitted to the legislature on or before January 15, 2023; and

(C) during fiscal year 2025, and the final report submitted to the legislature on or before January 15, 2024.

(2) Each performance audit required under this subsection shall:

(A) Include reasonable estimates of the costs of providing specialized education services as required by law, including, but not limited to, special education and related
services, bilingual education and at-risk programs; and
