EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on SB 423. I am voting no because the increased funding is without accountability measures established by the legislature. Also, the mental health crisis is a statewide problem, not a specific area problem and should be dealt with on a statewide basis. The funding plan going out five years is irresponsible and attempts to control future legislature's appropriation process and will be seen as a promissory note begging for a court case if the funding is not met. – RON HIGHLAND, CHUCK WEBER, RANDY GARBER, KEITH ESAU

MR. SPEAKER: I vote no on SB 423. Nearly a decade has passed without constitutional funding levels. Rather than finding a bipartisan, constitutional solution for the children of Kansas, we are advancing another bill that is likely inadequate. Attempts to fix this have been rejected. How long must we wait? How long must my students wait for adequately funded schools? Now is the time to get this right. Mr. Speaker, I vote no. – BRETT PARKER, NANCY LUSK, STEVE CRUM, CINDY NEIGHBOR, JARROD OUSLEY, JERRY W. STOGSDILL, LOUIS RUIZ, SYDNEY CARLIN

MR. SPEAKER: The current educational system is broken. Student-based budgeting that focuses on student performance, gives financial incentives for schools that meet outcome goals, and allows students an escape from chronically low-performing schools —this would be a step in the right direction that actually addresses the quality of our students' education. We are not willing to take a stand as a legislature, allowing the court demand more money be invested in a broken system, exercising policy-making power it does not have. Mr. Speaker, for these and a multitude of other problematic issues with the current educational system, I vote No on SB 423. – RANDY POWELL

MR. SPEAKER: I vote no on SB 423 because it fails to meet our constitutional and moral obligation to suitably fund the public schools. I therefore vote No on SB 423. – JOHN CARMICHAEL

MR. SPEAKER: I vote YES on SB 423. Although I believe the fiscal note is too high, it's also time to put an end to this litigation. I was sent here from the 112th District to be a problem solver. I don't want to be the problem, I want to be a part of the solution. This is a compromise. I've had the chance to work within 3 different school districts. I've personally seen how rural school districts are struggling. I am a fiscal conservative, but I also want to help hurting districts and put an end to this issue. It's time to be problem solvers. – TORY MARIE ARNBERGER
MR. SPEAKER: While I have serious doubts that the funding levels in SB 423 will be found constitutional by the Kansas Supreme Court, I vote yes on this bill. The only way to find a true solution to this issue would have been to work together, but I also believe we must work to move the process forward. Thank you, Mr. Speaker – EBER PHELPS, JIM GARTNER, CINDY HOLSCHER

MR. SPEAKER: I vote no on SB 423. The Kansas Supreme Court made it clear in October last year that we as a legislature had to get school funding right this time. I am glad that we are finally addressing the issue, but I cannot support a bill that does not solve the problem. I cannot vote for another band-aid fix that will most likely be found unconstitutional, just to bring us back here for special session when the Court makes its ruling. – ANNIE KUETHER, GAIL FINNEY, JOHN ALCALA, BRODERICK HENDERSON, ELIZABETH BISHOP, KC OHAEBOSIM, EILEEN HORN, TIM C. HODGE, PAM CURTIS, PONKA-WE VICTORS, JASON PROBST, HENRY HELGERSON

1) Assessing a fine against any person who violates this act, or rules and regulations adopted thereto, in an amount not to exceed $5,000 per violation;

2) assessing the agency's operating costs and expenses for investigating and enforcing this act;

3) requiring the person to pay restitution for any loss arising from the violation or requiring the person to disgorge any profits arising from the violation;

4) barring the person from future application for licensure pursuant to the act; and

5) requiring such affirmative action as in the judgment of the commissioner which will carry out the purposes of this act.

(b) The commissioner may enter into a consent order at any time with a person to resolve a matter arising under this act, rules and regulations adopted thereto, or an order issued pursuant to this act.

(c) The commissioner may enter into an informal agreement at any time with a person to resolve a matter arising under this act, rules and regulations adopted pursuant thereto, or an order issued pursuant to this act. The adoption of an informal agreement authorized by this subsection shall not be subject to the provisions of K.S.A. 77-501 et seq., and amendments thereto, or K.S.A. 77-601 et seq., and amendments thereto. Any informal agreement authorized by this subsection shall not be considered an order or other agency action, and shall be considered confidential examination material pursuant to K.S.A. 9-513c, and amendments thereto. All such examination material shall also be confidential by law and privileged, shall not be subject to the open records act, K.S.A. 45-215 et seq., and amendments thereto, shall not be subject to subpoena and shall not be subject to discovery or admissible in evidence in any private civil action. The provisions of this subsection shall expire on July 1, 2023, unless the legislature reviews and reenacts this provision pursuant to K.S.A. 45-229, and amendments thereto, prior to July 1, 2023.

(d(e) Any person who knowingly violates any provision of this act shall be guilty of a severity level 9, nonperson felony. Each transaction in violation of this act and each day that a violation continues shall be a separate offense. Whenever a corporation violates any provision of this act, such violation shall be attributed to individual directors, officers and agents who have authorized, ordered or performed any of the acts constituting such violation.

(e(f)) A corporation and its directors, officers and agents may each be prosecuted separately for violations of this act and the acquittal or conviction of one such director, officer or agent shall not abate the prosecution of the others.

(f) Whenever it appears that a person has violated, or is likely to violate, this act,
rules and regulations adopted thereunder, or an order issued pursuant to this act, then
the commissioner may bring an action for injunctive relief to enjoin the violation or
enforce compliance, regardless of whether or not criminal proceedings have been
instituted. Any person who engages in activities that are regulated and require a license
under this act shall be considered to have consented to the jurisdiction of the courts of
this state for all actions arising under this act.

Sec. 27. K.S.A. 2017 Supp. 9-513 is hereby amended to read as follows: 9-513. The
commissioner and the commissioner's designees shall rely on the deputy commissioner
of the banking division established pursuant to K.S.A. 75-3135, and amendments

purpose of protecting the citizens of this state, against financial loss, who purchase

(b) This section shall take effect on and after January 1, 2019.
New Sec. 2. (a) For purposes of Kansas telemedicine act:
(1) "Distant site" means a site at which a healthcare provider is located while providing healthcare services by means of telemedicine.
(2) "Healthcare provider" means a physician, licensed physician assistant, licensed advanced practice registered nurse or person licensed, registered, certified or otherwise authorized to practice by the behavioral sciences regulatory board.
(3) "Originating site" means a site at which a patient is located at the time healthcare services are provided by means of telemedicine.
(4) "Physician" means a person licensed to practice medicine and surgery by the state board of healing arts.
(5) "Telemedicine," including "telehealth," means the delivery of healthcare services or consultations while the patient is at an originating site and the healthcare provider is at a distant site. Telemedicine shall be provided by means of real-time two-way interactive audio, visual, or audio-visual communications, including the application of secure video conferencing or store-and-forward technology to provide or support healthcare delivery, that facilitate the assessment, diagnosis, consultation, treatment, education and care management of a patient's healthcare. "Telemedicine" does not include communication between:
(A) Healthcare providers that consist solely of a telephone voice-only conversation, email or facsimile transmission; or
(B) a physician and a patient that consists solely of an email or facsimile transmission.
(b) This section shall take effect on and after January 1, 2019.
New Sec. 3. (a) The same requirements for patient privacy and confidentiality under the health insurance portability and accountability act of 1996 and 42 C.F.R. § 2.13, as applicable, that apply to healthcare services delivered via in-person contact shall also apply to healthcare services delivered via telemedicine. Nothing in this section shall supersede the provisions of any state law relating to the confidentiality, privacy, security or privileged status of protected health information.
(b) Telemedicine may be used to establish a valid provider-patient relationship.
(c) The same standards of practice and conduct that apply to healthcare services delivered via in-person contact shall also apply to healthcare services delivered via
telemedicine.

(d) (1) A person authorized by law to provide and who provides telemedicine services to a patient shall provide the patient with guidance on appropriate follow-up care.

(2) (A) Except when otherwise prohibited by any other provision of law, when the patient consents and the patient has a primary care or other treating physician, the person providing telemedicine services shall send within three business days a report to such primary care or other treating physician of the treatment and services rendered to the patient in the telemedicine encounter.

(B) A person licensed, registered, certified or otherwise authorized to practice by the behavioral sciences regulatory board shall not be required to comply with the provisions of subparagraph (A).

The provisions of this section shall also apply to the Kansas medical assistance program.

(b) No individual or group health insurance policy, medical service plan, contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society, health maintenance organization or the Kansas medical assistance program shall exclude an otherwise covered healthcare service from coverage solely because such service is provided through telemedicine, rather than in-person contact, or based upon the lack of a commercial office for the practice of medicine, when such service is delivered by a healthcare provider.

(c) The insured’s medical record shall serve to satisfy all documentation for the reimbursement of all telemedicine healthcare services, and no additional documentation outside of the medical record shall be required.

(d) Payment or reimbursement of covered healthcare services delivered through telemedicine may be established by an insurance company, nonprofit health service corporation, nonprofit medical and hospital service corporation or health maintenance organization in the same manner as payment or reimbursement for covered services that are delivered via in-person contact are established.

(1) Prohibit an individual or group health insurance policy, medical service plan, contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society or health maintenance organization that provides coverage for telemedicine or the Kansas medical assistance program from providing coverage for only those services that are medically necessary, subject to the terms and conditions of the covered individual's health benefits plan;

(2) mandate coverage for a healthcare service delivered via telemedicine if such healthcare service is not already a covered healthcare service, when delivered by a healthcare provider subject to the terms and conditions of the covered individual's health benefits plan; or

(3) allow an individual or group health insurance policy, medical service plan,
contract, hospital service corporation contract, hospital and medical service corporation contract, fraternal benefit society or health maintenance organization that provides coverage for telemedicine or the Kansas medical assistance program to require a covered individual to use telemedicine or in lieu of receiving an in-person healthcare service or consultation from an in-network provider.

(f) The provisions of K.S.A. 40-2248 and 40-2249a, and amendments thereto, shall not apply to this section.

(g) This section shall take effect on and after January 1, 2019.

New Sec. 5. Such rules and regulations shall be adopted by December 31, 2018.

(b) The state board of healing arts shall adopt such rules and regulations as may be necessary to effectuate the provisions of Kansas telemedicine act. Such rules and regulation shall be adopted by December 31, 2018.

(d) On or before January 13, 2020, the department of health and environment shall prepare an impact report that assesses the social and financial effects of the coverage mandated by this section, including the impacts listed in K.S.A. 40-2249(a) and (b), and amendments thereto, and shall submit such report to the legislature and the house of representatives standing committee on health and human services, the house of representatives standing committee on insurance, the senate standing committee on public health and welfare and the senate standing committee on financial institutions and insurance.

CONFERENCE COMMITTEE REPORT

MADAM PRESIDENT and MR. SPEAKER: Your committee on conference on Senate amendments to HB 2482 submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 7 through 36;

By striking all on pages 2 through 9;

On page 10, by striking all in lines 1 through 21;

Also, on page 10, following line 21, by inserting:

"New Section 1. The purpose of K.S.A. 2017 Supp. 75-3740e and 75-3740f, and amendments thereto, is to declare that Israel is a prominent trading partner of the state of Kansas and that the state, and those companies that do business by and through the state, in the interest of the state's economic policy, should not boycott trade with Israel. Companies that refuse to deal with United States trade partners such as Israel make discriminatory decisions on the basis of national origin that impair those companies' commercial soundness. Israel is known for its dynamic and innovative approach in many business sectors, and a company's decision to discriminate against persons or entities doing business in Israel or in territories controlled by Israel is an unsound business practice making the company an unduly risky contracting partner. It is also the public policy of the United States, as enshrined in several federal acts, including 50 U.S.C. § 4607, to oppose such boycotts, and congress has concluded as a matter of national trade policy that cooperation with Israel materially benefits United States companies and improves American competitiveness.

Sec. 2. K.S.A. 2017 Supp. 75-3740e is hereby amended to read as follows: 75-
As used in K.S.A. 2017 Supp. 75-3740e and 75-3740f, and amendments thereto:

(a) "Boycott" means engaging in a refusal to deal, terminating business activities or performing other actions that are intended to limit commercial relations with persons or entities doing business in Israel or in territories controlled by Israel, if those actions are taken either:

(1) In compliance with or adherence to calls for a boycott of Israel other than those boycotts to which 50 U.S.C. § 4607(c) applies; or
(2) in a manner that discriminates on the basis of nationality, national origin or religion, and that is not based on a valid business reason;

(b) "company" means a sole proprietorship, an organization, association, corporation, partnership, venture or other entity, its subsidiary or affiliate, that exists for profitmaking purposes or to otherwise secure economic advantage;

(c) "contract" means a written agreement between the state and a company to acquire or dispose of goods or services with an aggregate price of more than $100,000.
"Contract" does not mean a written agreement between the state and an individual to acquire or dispose of goods or services, including employment or consultant services; and

(d) "state" means this state or an agency, board, commission or department of this state.

Sec. 3. K.S.A. 2017 Supp. 75-3740f is hereby amended to read as follows: 75-3740f. (a) Except as provided in subsection (c), the state shall not enter into a contract with an individual or a company to acquire or dispose of services, supplies, information technology or construction, unless such individual or company submits a written certification that such individual or company is not currently engaged in a boycott of goods or services from Israel that constitutes an integral part of business conducted or sought to be conducted with the state.

(b) The state may not adopt a procurement, investment or other policy that has the effect of inducing or requiring a person to boycott the government of Israel or its instrumentalities, or to boycott a person doing business in Israel or territories under its jurisdiction, when such boycott is on the basis of such person's location in such places.

(c) The secretary of administration will approve contracts, or may waive application of this section on any contract with any state agency if the secretary determines that compliance is not practicable.

Also on page 10, in line 22, by striking all after "Supp."; in line 23, by striking "41-2640" and inserting "75-3740e and 75-3740f";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in line 2; in line 3, by striking "consumption" and inserting "state contracts; relating to application of contract requirements regarding anti-Israel boycotts"; also in line 3, by striking all after "Supp."; also in line 4, by striking all before the second "and" and inserting "75-3740e and 75-3740f";
And your committee on conference recommends the adoption of this report.

INTRODUCTION OF GUESTS
There being no objection, the following remarks of Rep. Tarwater are spread upon the Journal:

Good morning, Colleagues.
I am here today to introduce you to some important people from the school my children are attending. The St. Michael the Archangel Catholic School 7th grade is here today. St. Michael’s is located in Leawood, Kansas as part of the Archdiocese of Kansas City in Kansas.
The community of St. Michael the Archangel Catholic School believes:
That children are sacred creations of God. As a Catholic school community – school, home and parish we must provide creative opportunities for children to learn and apply knowledge and skills in ways that draw them closer to God and one another;
That a safe, non-threatening learning environment promotes feelings of self-worth and school pride;
That all children want to and can be loved and respected, while showing love and respect for themselves and others to be successful learners, achieving their highest potential, make good decisions, taking responsibility for their actions;
That educating children is a shared vocation involving home, school and parish. The outstanding St. Michael school community works collaboratively to maintain high standards of excellence and are committed to continuous improvement;
Most importantly, St. Michael the Archangel Catholic School’s first and foremost goal is to get our children into Heaven.
The children you see up here, were chosen because they represent the St. Michaels’ mission well. That mission is to live, love, learn, and go forth to serve like Jesus. Rep. Tarwater introduced the following students: Cade Hintz, Camille Wallick, Brooks Oddo, Grace Heeb, Chris Dodson, Sophia Meyer.
In addition to the students, joining us are Pastor Fr. Brian Schieber, Principal Mike Cullinin, and Social Studies Teacher, Mrs. Jennifer Wells.

(k) The provisions of this section shall be subject to the provisions of K.S.A. 2017 Supp. 72-5144 section 6, and amendments thereto.

(k1) As used in this section:

(1) "Authorized to adopt a local option budget" means that a school district has adopted a resolution pursuant to subsection (c).

(2) "State prescribed percentage" means 30.5% of the total foundation aid of the school district in the current school year.

(3) For purposes of determining the school district's local option budget under subsections (a), (b) and (c), "Total foundation aid" means the same as such term is defined in K.S.A. 2017 Supp. 72-5132, and amendments thereto, except the state aid for special education and related services shall be divided by an amount equal to 85% of
the BASE aid amount, and the resulting quotient shall be used in determining the school district's total foundation aid.

Sec. 9. K.S.A. 2017 Supp. 72-5461, as amended by section 16 of 2018 Substitute for Senate Bill No. 423, is hereby amended to read as follows: 72-5461. (a) Upon receiving an application under K.S.A. 2017 Supp. 72-5460, and amendments thereto, the state board of education shall review the application and examine the evidence furnished in support of the application.

(b)(1) Commencing in school year 2017-2018, the state board of education shall not approve any application submitted during the current school year if such approval would result in the aggregate amount of all general obligation bonds approved by the state board for such school year exceeding the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year adjusted for inflation pursuant to paragraph (4). For any application submitted during the current school year in excess of $175,000,000, the state board shall apply only an amount of $175,000,000 of such application when determining whether the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year has been exceeded. In determining whether to approve an application, the state board shall prioritize applications in accordance with the priorities set forth as follows in order of highest priority to lowest priority:

(A) Safety of the current facility and disability access to such facility as demonstrated by a state fire marshal report, an inspection under the Americans with disabilities act, 42 U.S.C. § 12101 et seq., or other similar evaluation;

(B) enrollment growth and imminent overcrowding as demonstrated by successive increases in enrollment of the school district in the immediately preceding three school years;

(C) impact on the delivery of educational services as demonstrated by restrictive inflexible design or limitations on installation of technology; and

(D) energy usage and other operational inefficiencies as demonstrated by a district-wide energy usage analysis, district-wide architectural analysis or other similar evaluation.

(2) The state board shall not consider a school district’s eligibility for capital improvement state aid, or the amount of capital improvement state aid a school district would be eligible to receive, in determining whether to approve such district’s application.

(3) The provisions of subsection (b)(1) shall not apply to school districts that have not issued any general obligation bonds in the 25 years prior to the current school year.

(4) The state board shall adjust the aggregate principal amount of all general obligation bonds retired in the immediately preceding school year by adding an amount equal to the five-year compounded percentage increase in the producer price index industry data for new school building construction as published by the bureau of labor statistics of the United States department of labor for the five immediately preceding school years.

(e) After reviewing the application and examining the supportive evidence, the state board of education shall issue an order either granting or denying the application. If the application is approved, the applicant board of education shall request the county election officer to hold an election to vote upon the question of issuing the increased amount of bonds in the manner provided by law.
(d) Any application that is denied pursuant to subsection (b) may be tentatively approved by the state board of education for the immediately succeeding school year. The amount of general obligation bonds approved in any such application shall be counted first towards the aggregate amount of all general obligation bonds approved by the state board for such school year.

(e) Commencing in school year 2017-2018, the state board of education shall determine the aggregate principal amount of general obligation bonds retired in the immediately preceding school year.

(f) The provisions of subsections (b), (d) and (e) shall expire on June 30, 2022.

Sec. 10. K.S.A. 2017 Supp. 72-5132, as amended by section 2 of 2018 Substitute for Senate Bill No. 423, 72-5143, as amended by section 4 of 2018 Substitute for Senate Bill No. 423, and 72-5461, as amended by section 16 of 2018 Substitute for Senate Bill No. 423, are hereby repealed.

Absent or not voting: Aurand, Barker, Burroughs, Frownfelter, Huebert, Ohaebosim.

The substitute bill passed.

**EXPLANATIONS OF VOTE**

MR. SPEAKER: We vote No on SB 61. This bill is anything but a fix. A fix implies a mere technical correction of an unintentional error in drafting. Instead, SB 61 undermines the integrity of the process by attempting to pass off a complete reversal of clear legislative intent in SB 423, passed less than one month ago by this very legislature, as a “fix.” In this case, the fix is what’s broken. This is not a good way to legislate, and it should be rejected. – JOHN WHITMER, CHUCK WEBER, LESLIE OSTERMAN, FRANK TRIMBOLI, BLAKE CARPENTER, EMIL BERGQUIST, LEO G. **SB 415**, AN ACT concerning the Kansas state fair; relating to state sales tax revenues collected on the Kansas state fairgrounds; deposit of revenues in state fair capital improvements fund; amending K.S.A. 2017 Supp. 2-223 and repealing the existing section, was considered on final action.

Prayer by Chaplain Brubaker:

Heavenly Father,
It is with a grateful heart,
that we begin this day and week
inviting You to be with us.
None of us can be our best without Your wisdom.
You ask for a broken and contrite heart,
and only when we come to that place,
will You give us direction and wisdom
in our deliberation and decision-making.
As the seriousness of the issues
that still need to be determined crowd in upon us,
give each one courage, discipline and determination
to work together to bring success…
not so much success in our eyes,
but success for those in this great state
who depend upon us to make wise judgments.
In Your Son’s Name, I pray,
Amen.

The Pledge of Allegiance was led by Rep. Gallagher.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Concannon are spread upon the Journal:
How many of you, or your children, have ever attended a Heart of American Sports Camp in Salina?
How many of you have ever played Pop-A-Shot, the electronic arcade basketball game?
If you have, you have been touched by a couple of the accomplishments of the legendary, Coach Ken Cochran.

My very best friend growing up was Susan Cochran. We were referred to as “the Susans” and were inseparable. I spent lots of time in the Cochran home, and I knew her father as the fun dad with the big personality who teased me relentlessly. I also knew he was the very successful coach of the Marymount Spartans basketball team, who was notoriously tough on the court, but held a deep affection for his players.

Coach Cochran passed away in December. He lived hard and played hard and his 84-year-old heart just couldn’t go anymore. I want to share with you the extraordinary life of Ken Cochran. Susan lives in Chicago and can’t be here today. I have with me Coach Cochran’s granddaughter, June Wiley (who just happens to be a classmate of my son in vet school.) I’ve also asked the Salina Representatives to join us at the well.

Coach Cochran was born in Pratt, although he grew up in Joplin, Missouri. He was a multi-sport athlete, excelling at baseball. He was the starting catcher for the United States Olympic team in 1956 when it was an exhibition sport. After several years coaching high school sports, the Cochrans moved to Salina where he became one of the winningest small college coaches in Kansas. He coached both baseball and basketball at Kansas Wesleyan, but it was at the new basketball program at Marymount College where he found big success, posting a 106-game winning streak at one point. He built them into a national powerhouse, even hosting the Russian Olympic team while on their 1975 United States tour. The Russians won 78-75.

He was one of the first Midwestern coaches to recruit aggressively on the East Coast. He brought many young men to Kansas where he didn’t just teach them basketball, but how to live life. I recall many evenings in their family room with players doing homework, sharing a meal, or just hanging out.

Ken Cochran was inducted into six halls of fame – NAIA, Kansas Sports, Kansas Basketball Coaches Association, Kansas Wesleyan, Graceland College and Joplin, MO.

It was while at Marymount that Coach Cochran started the Heart of American Sports Camps. He estimated 90,000 kids went through his camp. After 40 years with the HOA Camps, he sold the business, which still exists today. During my summers at home from college I occasionally helped with concessions at the camps. One evening, we were sitting in the balcony overlooking the gym during his motivational speech. I happened to be talking to someone else (in other words, not listening) when Susan nudged me and said “Dad just introduced you. Stand up and wave.” I stood up and waved at the 300 cheering teenage boys. When I sat down, I asked “what was that about?” It was then that Susan, dying laughing, told me he had just introduced me as Miss Kansas. My husband and I met Ken, Peggy and Susan for dinner at Brookville a couple years ago. He still called me Miss Kansas!

In 1981, while recovering from his first heart attack, Cochran realized he would have to give up coaching. It was while lying in the hospital bed that he came up with the idea for Pop-A-Shot. The electronic basketball games were manufactured in Salina, distributed throughout the country, and became a global phenomenon. He was fond of saying, “I’ve put more basketballs into people’s hands than anyone other than James Naismith.”
Coach Cochran accomplished many things in his full life, but perhaps his biggest accomplishment was that of a humanitarian. He was loving and compassionate, keeping track of his players throughout life. Since his passing, the family has heard many stories of how he helped someone get a job or someone else through a tough situation. He was on the forefront of civil rights. He sent sports equipment to children in Africa. He raised money for Joplin after the tornado. Many, many things no one ever knew about. He truly had a heart of gold!

He was known for his sense of humor and was always cracking one-liners. Nearing the end of his life, Susan commented to him that he was going to a much more peaceful place. He said, “Yeah, until I get there!”

June, it is an honor for us to have you here to recognize the life of your grandfather. The certificate states “In memory of Ken Cochran for a legacy in athletics as an Olympian, a legendary Hall of Fame Coach, an entrepreneur, and respected humanitarian.”

Rep. Concannon presented June Wiley a framed House certificate in honor of her grandfather’s many achievements.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Markley are spread upon the Journal:

Today I stand before you to honor the Blue Valley Northwest High School 2018 6A State Championship Boys Basketball Team.

Rep. Markley introduced the following members of the team to the Floor. Coach Ed Fritz, Joe Pleasant, Sam Ward, Max Johnson, Andrew Lind, Christian Braun, Jack Chapman, Matt Chapman, Jack Hungerford, Andrew Davis and Nathan Burger.

The boys basketball program at Blue Valley Northwest, led by legendary coach Ed Fritz, is one of the strongest in Kansas. The Huskies have 7 Eastern Kansas League Conference titles. They are four-time state champions winning back to back championships twice. The first were the 2013 and 2014 seasons and the next were the 2017 and 2018 seasons.

Coach Fritz has amassed over 600 wins in his career. He is currently in the Greater Kansas City Basketball Coaches Association Hall of Fame, and he has been recognized as coach of the year several years, most recently in 2018 by ‘USA Today’ and ‘Sports in Kansas’.

The Huskies have had numerous players continue their basketball careers at the collegiate level. Last year, seven Huskies played for a college program. You may recognize the names of two of them: Clayton Custer and Ben Richardson. Clayton and Ben have played together under Coach Fritz since they were in second grade and recently led their University of Loyola-Chicago Ramblers to an appearance in the Final Four. Perhaps we have the next Clayton and Ben standing before us today.

My colleagues, please join me in acknowledging the hard work and accomplishments of these young men and congratulate them on a great winning season.

Rep. Markley presented coach Fritz and his team with a framed House certificate.
INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Landwehr are spread upon the Journal:

It is my pleasure to introduce Sierra Scott, who at 53 years of age, won the first national pageant she entered, and is now the reigning Ms. United States!

A Television News Anchor for more than 30 years, Sierra now hosts two TV shows; one called "Positively Kansas!" on KPTS, and another called "Your View" on COX cable-vision. Both shows focus on only the good things going on in the world. During her years as a TV news anchor she worked in five different cities across the United States, including Tampa, Florida, and Waco, Texas.

A documentary Sierra produced on "Darfur" premiered at the United Nations in Washington, D.C., and was screened at the Film Festival in Toronto.

Kansas Governor Sam Brownback appointed Sierra to serve a 4-year term on the Kansas Children's Cabinet. Sedgwick County Commissioners also appointed her to serve a 4-year term on the intellectual and Developmental Disabilities Advisory Board.

Sierra was a member of the prestigious "Leadership Kansas Class of 2008 and the "Leadership Wichita" class of 2009. Sierra was selected “State-Program Chairman” for the Leadership Kansas Class of 2011 and has served on the Board of Trustees ever since.

Sierra was also chosen a "Woman of the Year" candidate by the Leukemia and Lymphoma Society and was also named "Outstanding Woman of the Year" by the Business and Professional Women.

Sierra has been featured on several national talk shows, has performed as an extra in movies, as a participant on television shows, and has been featured in an international magazine. She also performed in the cast of Broadway style shows.

Sierra currently serves on the Board of Directors for eight charities, including “The Wichita Grand Opera” and “The Wichita Symphony.” She is a past board member of dozens of other charities, including “Dress for Success” and “Habitat for Humanity.”

Sierra has won numerous broadcasting awards, including AP awards for “Best Feature” and “Best Newscast.”

Sierra's first love is traveling. In just the past few years she has spent a week in each of 180 cities in 48 states, and 27 different countries, including Cuba, the Philippines, Dubai, China and Sudan.

In her spare time, of which there isn't much, Sierra loves to ride her mountain bike, read positive and spiritual books, and spend time on the lake with her friends and family.

Sierra graduated with a degree in Broadcast Journalism from Kansas State University in Manhattan, Kansas.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Pittman are spread upon the Journal:

Colleagues, there is a lot of talk these days about immigrants, sanctuary cities and walls. I'm here today to remind my fellow Kansans that this great state, indeed this great
nation, is made up of generations of immigrants.

Therefore, it is my distinct honor and pleasure to introduce one of Leavenworth, Kansas' newest naturalized citizens. This is Mrs. Rachel Minnis, hailing from Shakespeare's hometown, Stratford-upon-Avon. She recently went through the rigorous steps to become a US citizen, and I'd encourage you to test your knowledge on the Constitution as she will know more now than many of us.

Mrs. Minnis is a productive citizen, owning and operating the Excellent Choice restaurant at 1000 N. 7th St, deep in the heart of the First City of Kansas. Here you can get some of the best deep fried catfish, this side of the Mississippi.

So I ask you to join me in recognizing the many faces of immigration and in welcoming Mrs. Rachel Minnis into our country as one of our newest citizens.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Carlin are spread upon the Journal:

More than 3,900 seniors in Kansas contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 7,100 young people who have special needs. Senior Companions help more than 490 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers renovate homes, tutor and mentor youth, respond to natural disasters, provide transportation to medical appointments, serve our veterans and military, deliver meals, help at food pantries, offer free tax preparation services and provide other services through more than 740 groups across Kansas.

In a recent report, the Kansas Association of Senior Corps Directors reported an average of over one million hours in volunteer service is provided each year by Senior Corps Volunteers in these three programs.

Not only do our state and our communities benefit from Senior Corps Volunteers, but, over the past two decades there has been research that indicates volunteering provides individual health benefits, in addition to social ones, to the volunteers.

Today I have with me representatives from two of the three Senior Corps programs: Foster Grandparents – Willie Jones; RSVP Volunteers – Patricia Petty & Linda Doub; and Lori Bishop; Executive Director of the Flint Hills Volunteer Center/RSVP program and President of the Kansas Association of Senior Corps Directors.

At a time when fiscal restraint is a must, National Service is a wise investment of taxpayer dollars and is good for Kansans. Please join with me in thanking these Senior Corps Volunteers who represent these three programs that are truly making a difference in the state of Kansas.

(d) Payment or reimbursement of covered healthcare services delivered through telemedicine may be established by an insurance company, nonprofit health service corporation, nonprofit medical and hospital service corporation or health maintenance organization in the same manner as payment or reimbursement for covered services that are delivered via in-person contact are established.

EXPLANATIONS OF VOTE

Mr. Speaker: While I believe the telemedicine bill has its merits in providing healthcare for Kansans, I cannot vote for HB 2028. The unconstitutional abortion language within the bill is already in statute, and only jeopardizes telemedicine and the expansion of healthcare throughout our state. I vote no on HB 2028. Thank you. – Brett Parker, Nancy Lusk, Elizabeth Bishop, Ponka-We Victors, Jarrod Ousley

Mr. Speaker: I support telemedicine and the access to healthcare in areas of Kansas that don't have providers. I support compelling insurance companies to do the right thing and provide payment for care through telemedicine. Notwithstanding unnecessary abortion language and the non-severability clause, I vote yes on HB 2028. Thank you. – Stan Frownfelter, Pam Curtis

Prayer by Chaplain Brubaker:

Almighty God,
as we begin the work of this day,thank You for Your blessingsand the opportunities we have to show ourselves wise.
In the Letter that James the disciple wrote,we are all admonished with these words:“Do you want to be counted wise,to build a reputation for wisdom?Live well, live wisely, live humbly.
It’s the way you live,not the way you talk that counts.
Real wisdom – God’s wisdom,Begins with a holy life and is characterizedby getting along with others.
It is gentle and reasonable,overflowing with mercy and blessings.
This is how to develop a healthy community—getting along and treating one another with dignity and honor.”May this be so as our leaders finish out their work.
In Your Name I pray, Amen.
(James 3:13-18 – The Message)

The Pledge of Allegiance was led by Rep. Gallagher.

INTRODUCTION OF ORIGINAL MOTIONS AND HOUSE RESOLUTIONS

HOUSE RESOLUTION No. HR 6062 –

HR 6062—A RESOLUTION recognizing Kansas' celebration of the 100th anniversary of the ratification of the 19th Amendment to the Constitution of the United States of America.

WHEREAS, August 20, 2020, signifies the 100th anniversary of the ratification of the 19th Amendment to the Constitution of the United States of America; and

WHEREAS, The ratification of this amendment not only allowed women the right to vote, but it also allowed women to accomplish successes in every industry; and

WHEREAS, Women play a critical leadership role in our country, and there are numerous former, current and future women leaders from the state of Kansas who should be recognized; and

WHEREAS, The Jan Henrie Women's Leadership Foundation of Wichita State University will host a statewide, three-day event on August 13, 14 and 15, 2020, to foster unity, provide training and promote women's leadership throughout the state of Kansas: Now, therefore,

Be it resolved by the House of Representatives of the State of Kansas: That we recognize August 13 through 15, 2020, as Kansas' celebration of the 100th anniversary of the ratification of the 19th Amendment to the Constitution of the United States of America and call upon the people of Kansas to unite as we support the success of women and recognize Kansas women in leadership roles with the appropriate activities, events and programs; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send five enrolled copies of this resolution to Representative Humphries.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Humphries are spread upon the Journal:

As you just heard, August 20, 2020 signifies the 100th anniversary of the ratification of the 19th Amendment—women getting the right to vote. Yes, that is two years away, but Wichita State University is planning a huge event and wanted to get started right away, and get the ball rolling, therefore they decided to go ahead and do the resolution.

On August 13, 14, and 15 they will host a statewide, three-day event.

Interestingly, the U.S. House of Representatives approved the 19th Constitutional Amendment a year before the Senate did. So, things haven’t changed that much in 100 years.

So put those dates on your calendar, and let’s commemorate the passing of this important Amendment!
On motion of Rep. Hineman, the House recessed until 11:30 a.m.

LATE MORNING SESSION

The House met pursuant to recess with Speaker pro tem Schwab in the chair.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote “NO” on HB 2470. While many elements under this bill are very much in favor of supporting business growth, I cannot justify economic improvement over risk to our school children who stand next to the streets and highways before 8:00 am. The unrelenting campaign to push for being able to drink 20 out of 24 hours of the day is an unreasonable and irresponsible move by the state. I cannot, therefore, support this conference committee decision. – ERIC L. SMITH, KEVIN JONES, RON ELLIS, TREVOR JACOBS, JESSE BURRIS, KEITH ESAU

(a) Each public agency shall adopt procedures to be followed in requesting access to and obtaining copies of public records, which procedures shall provide full access to public records, protect public records from damage and disorganization, prevent excessive disruption of the agency's essential functions, provide assistance and information upon request and insure efficient and timely action in response to applications for inspection of public records.

(b) A public agency may require a written request for inspection of public records but shall not otherwise require a request to be made in any particular form. Except as otherwise provided by subsection (c), a public agency shall not require that a request contain more information than the requester's name and address and the information necessary to ascertain the records to which the requester desires access and the requester's right of access to the records. A public agency may require proof of identity of any person requesting access to a public record. No request shall be returned, delayed or denied because of any technicality unless it is impossible to determine the records to which the requester desires access.

(c) If access to public records of an agency or the purpose for which the records may be used is limited pursuant to K.S.A. 45-221 or K.S.A. 2017 Supp. 45-230, and amendments thereto, the agency may require a person requesting the records or
information therein to provide written certification that:

(2) the requester does not intend to, and will not: (A) Use any list of names or addresses contained in or derived from the records or information for the purpose of selling or offering for sale any property or service to any person listed or to any person who resides at any address listed; or (B) sell, give or otherwise make available to any person any list of names or addresses contained in or derived from the records or information for the purpose of allowing that person to sell or offer for sale any property or service to any person listed or to any person who resides at any address listed.

(d) A public agency shall establish, for business days when it does not maintain regular office hours, reasonable hours when persons may inspect and obtain copies of the agency's records. The public agency may require that any person desiring to inspect or obtain copies of the agency's records during such hours so notify the agency, but such notice shall not be required to be in writing and shall not be required to be given more than 24 hours prior to the hours established for inspection and obtaining copies.

(e) Each official custodian of public records shall designate such persons as necessary to carry out the duties of custodian under this act and shall ensure that a custodian is available during regular business hours of the public agency to carry out such duties.

(f) Each public agency shall provide, upon request of any person, the following information:

Sec. 2. K.S.A. 2017 Supp. 59-29a07 is hereby amended to read as follows: 59-29a07. (a) The court or jury shall determine whether, beyond a reasonable doubt, the person is a sexually violent predator. If such determination that the person is a sexually violent predator is made by a jury, such determination shall be by unanimous verdict of such jury. Such determination may be appealed in the manner provided for civil cases in article 21 of chapter 60 of the Kansas Statutes Annotated, and amendments thereto. If the court or jury determines that the person is a sexually violent predator, the person shall be committed to the custody of the secretary for aging and disability services for control, care and treatment until such time as the person's mental abnormality or personality disorder has so changed that the person is safe to be at large. Such control, care and treatment shall be provided at a facility operated by the Kansas department for aging and disability services.

(b) At all times, persons committed for control, care and treatment by the Kansas department for aging and disability services pursuant to the Kansas sexually violent predator act shall be kept in a secure facility and such persons shall be segregated on different units from any other patient under the supervision of the secretary for aging and disability services and commencing June 1, 1995, such persons committed pursuant to the Kansas sexually violent predator act shall be kept in a facility or building separate from any other patient under the supervision of the secretary. The provisions of this subsection secure confinement restriction shall not apply to any reintegration, transitional release or conditional release facility or building utilized in any transitional release program or conditional release program.

(c) The Kansas department for aging and disability services is authorized to enter into an interagency agreement with the department of corrections for the confinement of such persons. Such persons who are in the confinement of the secretary of corrections pursuant to an interagency agreement shall be housed and managed separately from offenders in the custody of the secretary of corrections, and except for occasional instances of supervised incidental contact, shall be segregated from such offenders.

(d) If any person while committed to the custody of the secretary pursuant to the Kansas sexually violent predator act shall be taken into custody by any law enforcement officer as defined in K.S.A. 2017 Supp. 21-5111, and amendments thereto, pursuant to any parole revocation proceeding or any arrest or conviction for a criminal offense of any nature, upon the person's release from the custody of any law enforcement officer, the person shall be returned to the custody of the secretary for further treatment pursuant to the Kansas sexually violent predator act. During any such period of time a person is not in the actual custody or supervision of the secretary, the secretary shall be excused from the provisions of K.S.A. 59-29a08, and amendments thereto, with regard to providing that person an annual examination, annual notice and annual report to the court, except that the secretary shall give notice to the court as soon as reasonably possible after the taking of the person into custody that the person is no longer in treatment pursuant to the Kansas sexually violent predator act and notice to the court when the person is returned to the custody of the secretary for further treatment.

(e) If the court or jury is not satisfied beyond a reasonable doubt that the person is a sexually violent predator, the court shall direct the person's release.
(f) Upon a mistrial, the court shall direct that the person be held at an appropriate secure facility, including, but not limited to, a county jail, until another trial is conducted. Any subsequent trial following a mistrial shall be held within 90 days of the previous trial, unless such subsequent trial is continued as provided in K.S.A. 59-29a06, and amendments thereto.

(g) If the person charged with a sexually violent offense has been found incompetent to stand trial and is about to be released pursuant to K.S.A. 22-3305 and amendments thereto and such person's commitment is sought pursuant to subsection (a), the court shall first hear evidence and determine whether the person did commit the act or acts charged. The hearing on this issue must comply with all the procedures specified in this section. In addition, the rules of evidence applicable in criminal cases shall apply and all constitutional rights available to defendants at criminal trials, other than the right not to be tried while incompetent, shall apply. After hearing evidence on this issue, the court shall make specific findings on whether the person did commit the act or acts charged, the extent to which the person's incompetence or developmental disability affected the outcome of the hearing, including its effect on the person's ability to consult with and assist counsel and to testify on such person's own behalf, the extent to which the evidence could be reconstructed without the assistance of the person and the strength of the prosecution's case. If after the conclusion of the hearing on this issue, the court finds, beyond a reasonable doubt, that the person did commit the act or acts charged, the court shall enter a final order, appealable by the person, on that issue and may proceed to consider whether the person should be committed pursuant to this section.

Sec. 3. K.S.A. 2017 Supp. 59-29a08 is hereby amended to read as follows: 59-29a08. (a) Each person committed under the Kansas sexually violent predator act shall have a current examination of the person's mental condition made once every year. The secretary shall provide the person with an annual written notice of the person's right to petition the court for release over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall also forward the annual report, as well as the annual notice and waiver form, to the court that committed the person under the Kansas sexually violent predator act. The court shall file the notice and the report upon receipt and forward the file-stamped copy to the attorney general. The attorney general shall forward a file-stamped copy of the annual written notice and annual report to the secretary upon receipt.

(b) The person must file a request for an annual review hearing within 45 days after the date the court files the annual written notice. Failure to request a hearing within 45 days pursuant to this subsection waives the person's right to a hearing until the next annual report is filed by the court. A contested annual review hearing for transitional release shall consist of consideration about whether the person is entitled to transitional release. Only a person in transitional release shall be permitted to petition for conditional release. Only a person in conditional release shall be permitted to petition for final discharge after a minimum of five years has passed in which the person has been free of violations of conditions of such person's treatment plan, as provided in K.S.A. 59-29a19(e), and amendments thereto.

(c) The person may retain, or if the person is indigent and so requests the court may appoint, an examiner pursuant to K.S.A. 60-235, and amendments thereto, and the examiner shall have access to all available records concerning the person. If the person
is indigent and makes a request for an examiner, the court shall determine whether the services are necessary and shall determine the reasonable compensation for such services. The court, before appointing an examiner, shall consider factors including the person's compliance with institutional requirements and the person's participation in treatment to determine whether the person's progress justifies the costs of an examination. The appointment of an examiner is discretionary.

(d) At the annual review hearing, the burden of proof shall be upon the person to show probable cause to believe the person's mental abnormality or personality disorder has significantly changed so that the person is safe to be placed in transitional release. The report, or a copy thereof, of the findings of a qualified expert shall be admissible into evidence in the annual review hearing in the same manner and with the same force and effect as if the qualified expert had testified in person. If the person does not participate in the prescribed treatment plan, the person is presumed to be unable to show probable cause to believe the person is safe to be released.

(e) The person shall have a right to have an attorney represent the person at the annual review hearing to determine probable cause, but the person is not entitled to be present at the hearing.

(f) If the person does not file a petition requesting a hearing pursuant to subsection (b), the court that committed the person under the Kansas sexually violent predator act shall then conduct an in camera annual review of the status of the person's mental condition and determine whether the person's mental abnormality or personality disorder has significantly changed so that an annual review hearing is warranted. The court shall enter an order reflecting its determination.

(g) If the court at the annual review hearing determines that probable cause exists to believe that the person's mental abnormality or personality disorder has significantly changed so that the person is safe to be placed in transitional release, then the court shall set a hearing for transitional release on the issue. The person shall be entitled to be present and entitled to the assistance of counsel. The attorney general shall represent the state and shall have a right to have the person evaluated by experts chosen by the state. The person shall also have the right to have experts evaluate the person on the person's behalf and the court shall appoint an expert if the person is indigent and requests an appointment. The burden of proof at the hearing for transitional release shall be upon the state to prove beyond a reasonable doubt that the person's mental abnormality or personality disorder remains such that the person is not safe to be placed in transitional release and if transitonally released is likely to engage in repeat acts of sexual violence.

(h) If, after the hearing for transitional release, the court is convinced beyond a reasonable doubt that the person is not appropriate for transitional release, the court shall order that the person remain in secure commitment. Otherwise, the court shall order that the person be placed in transitional release.

(i) If the court determines that the person should be placed in transitional release, the secretary shall transfer the person to the transitional release program. The secretary may contract for services to be provided in the transitional release program. During any period the person is in transitional release, that person shall comply with any rules or regulations the secretary may establish for this program and every directive of the treatment staff of the transitional release program.

(j) At any time during which the person is in the transitional release program and the treatment staff determines that the person has violated any rule, regulation or
directive associated with the transitional release program, the treatment staff may remove the person from the transitional release program and return the person to the secure commitment facility, or may request the district court to issue an emergency ex parte order directing any law enforcement officer to take the person into custody and return the person to the secure commitment facility. Any such request may be made verbally or by telephone, but shall be followed in written, facsimile or electronic form delivered to the court by not later than 5:00 p.m. of the first day the district court is open for the transaction of business after the verbal or telephonic request was made.

(k) Upon the person being returned to the secure commitment facility from the transitional release program, notice thereof shall be given by the secretary to the court. The court shall set the matter for a hearing within two working days of receipt of notice of the person's having been returned to the secure commitment facility and cause notice thereof to be given to the attorney general, the person and the secretary. The attorney general shall have the burden of proof to show probable cause that the person violated conditions of transitional release. The hearing shall be to the court. At the conclusion of the hearing the court shall issue an order returning the person to the secure commitment facility or to the transitional release program, and may order such other further conditions with which the person must comply if the person is returned to the transitional release program.

(l) For the purposes of this section, if the person is indigent and without counsel, the court shall appoint counsel to assist such person.

Sec. 4. K.S.A. 2017 Supp. 59-29a11 is hereby amended to read as follows: 59-29a11. (a) If a person has previously filed a petition for transitional release, conditional release or final discharge without the secretary for aging and disability services approval and the court determined either upon review of the petition or following a hearing, that the person's petition was frivolous or that the person's condition had not significantly changed so that it is safe for the person to be at large, then the court shall deny the subsequent petition, unless the petition contains facts upon which a court could find the condition of the petitioner had significantly changed so that a hearing was warranted. Upon receipt of a first or subsequent petition from committed persons without the secretary's approval, the court shall endeavor whenever possible to review the petition and determine if the petition is based upon frivolous grounds and if so shall deny the petition without a hearing.

(b) No transitional release or conditional release facility or building shall be located within 2,000 feet of a licensed child care facility, an established place of worship, any residence in which a child under 18 years of age resides, or the real property of any school upon which is located a structure used by a unified school district or an accredited nonpublic school for student instruction or attendance or extracurricular activities of pupils enrolled in kindergarten or any grades one through 12. This subsection shall not apply to any state institution or facility.

(c) Transitional release or conditional release facilities or buildings shall be subject to all regulations applicable to other property and buildings located in the zone or area that are imposed by any municipality through zoning ordinance, resolution or regulation, such municipality's building regulatory codes, subdivision regulations or other nondiscriminatory regulations.

(d) On and after July 1, 2015, the secretary for aging and disability services shall place no more than 16 sexually violent predators in any one county on transitional
release or conditional release.

e) The secretary for aging and disability services shall submit an annual report to the governor and the legislature during the first week of the regular legislative session detailing activities related to the transitional release and conditional release of sexually violent predators. The report shall include the status of such predators who have been placed in transitional release or conditional release including the number of any such predators and their locations; information regarding the number of predators who have been returned to the sexually violent predator treatment program at Larned state hospital along with the reasons for such return; and any plans for the development of additional transitional release or conditional release facilities.

Sec. 5. K.S.A. 2017 Supp. 59-29a19 is hereby amended to read as follows: 59-29a19. (a) If the court determines that the person should be placed on conditional release, the court, based upon the recommendation of the treatment staff and progress review panel, shall establish a plan of treatment which the person shall be ordered to follow. This plan of treatment may include, but shall not be limited to: Provisions as to where the person shall reside and with whom, taking prescribed medications, attending individual and group counseling and any other type of treatment, maintaining employment, having no contact with children, not frequenting facilities, locations, events or otherwise in which children are likely to be present and not engaging in activities in which contact with children is likely having no direct contact with individuals that match the person's victim template, travel restrictions, searches, home visits, substance abuse testing and registration requirements. Upon a showing by the person that the person accepts the plan of treatment and is prepared to follow it, the court shall release the person from the transitional release program.

(b) After a minimum of five years have passed in which the person has been free of violations of conditions of such person's treatment plan, the treatment staff, or other professionals directed by the court may examine such person to determine if the person's mental abnormality or personality disorder has changed so as to warrant such person being considered for final discharge. The person preparing the report shall forward the report to the court. The court shall review the same. If the court determines that probable cause exists to believe that the person's mental abnormality or personality disorder remains such that such person is not appropriate for final discharge, the court shall continue custody of the person with the secretary for placement in a secure facility, transitional release program or conditional release program. Otherwise, the court shall order the person finally discharged. In the event the court does not order final discharge of the person, the person still retains the right to annual reviews.

c) If, after a hearing, the court is convinced beyond a reasonable doubt that the person is not appropriate for final discharge, the court shall continue custody of the person with the secretary for placement in a secure facility, transitional release program or conditional release program. Otherwise, the court shall order the person finally discharged. In the event the court does not order final discharge of the person, the person still retains the right to annual reviews.

(d) At any time during which the person is on conditional release and the professional person designated by the court in the treatment plan to monitor the person's
compliance with it determines that the person has violated any material condition of that
plan, that professional person may request the district court to issue an emergency ex-
parte order directing any law enforcement officers to take the person into custody and
return the person to the secure commitment facility. Any such request may be made
verbally or by telephone, but shall be followed in written, facsimile or electronic copy
form delivered to the court not later than 5:00 p.m. of the first day the district court is
open for the transaction of business after the verbal or telephonic request was made.

(e) Upon the person being returned to the secure commitment facility from
conditional release, notice thereof shall be given by the secretary to the court. The court
shall set the matter for a hearing within two working days of receipt of notice of the
person’s having been returned to the secure commitment facility and cause notice
thereof to be given to the attorney general, the person and the secretary. The attorney
general shall have the burden of proof to show probable cause that the person violated
conditions of conditional release. The hearing shall be to the court. At the conclusion of
the hearing the court shall issue an order returning the person to the secure commitment
facility, to the transitional release program or to conditional release, and may order such
other further conditions with which the person must comply if the person is returned to
either the transitional release program or to conditional release.

(b) The conditional release monitor shall monitor the person’s compliance with the
plan of treatment ordered by the court while on conditional release. The conditional
release monitor shall report the person’s progress on conditional release to the court. At
any time during which the person is on conditional release and the conditional release
monitor determines that the person has violated any material condition of the plan, the
conditional release monitor may request the district court to issue an emergency ex-
parte order directing any law enforcement officer to take the person into custody and
return the person to the secure commitment facility. Any such request shall be made by
sworn affidavit setting forth with specificity the grounds for the entry of such
emergency ex parte order provided to the court by personal deliver, telefacsimile
communication or electronic means prior to the entry of such order and notice of such
request shall be given to the person’s counsel, or if the person is unrepresented, to the
person.

(c) A current examination of the person’s mental condition shall be made in
accordance with K.S.A. 59-29a08, and amendments thereto, and submitted to the court
and the secretary once each year.

(d) Upon the person being returned to the secure commitment facility from
conditional release, notice shall be given by the secretary to the court. The court shall
set the matter for a hearing within two working days of receipt of notice of the person’s
having been returned to the secure commitment facility and cause notice to be given to
the attorney general, the person and the secretary. The attorney general shall have the
burden of proof to show probable cause that the person violated conditions of
conditional release. The hearing shall be to the court. At the conclusion of the hearing,
the court shall issue an order returning the person to the secure commitment facility, to
transitional release, or to conditional release, and may order such other further
conditions with which the person must comply if the person is returned to either
transitional release or conditional release.

(e) After a minimum of five years has passed in which the person has been free of
violations of conditions of such person’s treatment plan, the treatment staff, or other
treatment providers directed by the court, may examine such person to determine if the
person's mental abnormality or personality disorder has significantly changed so as to
warrant such person being considered for final discharge. The individual preparing the
report shall forward the report to the court. The court shall review the same. If the court
determines that probable cause exists to believe that the person's mental abnormality or
personality disorder has so changed that the person is safe to be entitled to final
discharge, the court shall set a formal hearing on the issue. The attorney general shall
have the burden of proof to show beyond a reasonable doubt that the person's mental
abnormality or personality disorder remains such that such person is not appropriate for
final discharge. The person shall have the same rights as enumerated in K.S.A. 59-
29a06, and amendments thereto. Subsequent to either a court review or a hearing, the
court shall issue an appropriate order with findings of fact. The order of the court shall
be provided to the attorney general, the person and the secretary.

(f) If, after a hearing, the court is convinced beyond a reasonable doubt that the
person is not appropriate for final discharge, the court shall continue custody of the
person with the secretary for placement in a secure facility, or on transitional or
conditional release. Otherwise, the court shall order the person finally discharged. In the
event the court does not order final discharge of the person, the person still retains the
right to annual reviews.

(g) The final discharge shall not prevent the person from being prosecuted for
any criminal acts which the person is alleged to have committed or from being subject
in the future to a subsequent commitment under this act.

Sec. 6. K.S.A. 2017 Supp. 59-29a22 is hereby amended to read as follows: 59-
29a22. (a) As used in this section:

(1) "Person" means any individual:
(A) Who is receiving services for mental illness and who is admitted, detained,
committed, transferred or placed in the custody of the secretary for aging and disability
services under the authority of K.S.A. 22-3219, 22-3302, 22-3303, 22-3428a, 22-3429,
22-3430, 59-29a05, 75-5209 and 76-1306, and amendments thereto.
(B) In the custody of the secretary for aging and disability services after being
found a sexually violent predator pursuant to the Kansas sexually violent predator act,
including any sexually violent predator placed on transitional release.

(2) "Restraints" means the application of any devices, other than human force
alone, to any part of the body of the person for the purpose of preventing the person
from causing injury to self or others.

(3) "Seclusion" means the placement of a person, alone, in a room, where the
person's freedom to leave is restricted and where the person is not under continuous
observation.

(4) "Emergency lockdown" means a safety measure used to isolate all or a
designated number of persons greater than one to their rooms for a period necessary to
ensure a safe and secure environment.

(5) "Individual person management plan" means a safety measure used to isolate an
individual person when the person presents a safety or security risk that cannot be
addressed through routine psychiatric methods.

(b) Each person shall have the following statutory rights:

(1) Upon admission or commitment, to be informed orally and in writing of the
person's rights under this section. Copies of this section shall be posted conspicuously
in each facility, and shall be available to the person's guardian and immediate family.

(2) To refuse to perform labor which is of financial benefit to the facility in which
the person is receiving treatment or service. Privileges or release from the facility may
not be conditioned upon the performance of any labor which is regulated by this
subsection. Tasks of a personal housekeeping nature are not considered compensable
labor. A person may voluntarily engage in therapeutic labor which is of financial benefit
to the facility if such labor is compensated in accordance with a plan approved by the
department and if:

(A) The labor is an integrated part of the person's treatment plan;
(B) the labor is supervised by a staff member who is qualified to oversee the
therapeutic aspects of the activity;
(C) the person has given written informed consent to engage in such labor and has
been informed that such consent may be withdrawn at any time; and
(D) the labor involved is evaluated for its appropriateness by the staff of the facility
at least once every 180 days.

(3) To receive adequate treatment appropriate for such person's condition.

(4) To be informed of such person's treatment and care and to participate in the
planning of such treatment and care.

(5) To refuse to consent to the administration of any medication prescribed for
medical or psychiatric treatment, except in a situation in which the person is in a mental
health crisis and less restrictive or intrusive measures have proven to be inadequate or
clinically inappropriate. Treatment for a mental health crisis shall include medication or
treatment necessary to prevent serious physical harm to the person or to others. After
full explanation of the benefits and risks of such medication, the medication may be
administered over the person's objection, except that the objection shall be recorded in
the person's medical record and at the same time written notice thereof shall be
forwarded to the medical director of the treatment facility or the director's designee. Within five days after receiving such notice, excluding Saturdays, Sundays and legal
holidays, the medical director or designee shall deliver to the person's medical provider
the medical director's or designee's written decision concerning the administration of
that medication, and a copy of that decision shall be placed in the person's medical
record.

(A) Medication may not be used as punishment, for the convenience of staff, as a
substitute for a treatment program or in quantities that interfere with a person's
treatment program.

(B) A person will have the right to have explained the nature of all medications
prescribed, the reason for the prescription and the most common side effects and, if
requested, the nature of any other treatments ordered.

(6) To be subjected to restraint, seclusion, emergency lockdown, individual person
management plan, or any combination thereof, only as provided in this subsection.

(A) Restraints, seclusion, or both, may be used in the following circumstances:

(i) If it is determined by medical staff to be necessary to prevent immediate
substantial bodily injury to the person or others and that other alternative methods to
prevent such injury are not sufficient to accomplish this purpose. When used, the extent
of the restraint or seclusion applied to the person shall be the least restrictive measure
necessary to prevent such injury to the person or others, and the use of restraint or
seclusion in a treatment facility shall not exceed three hours without medical
reevaluation. When restraints or seclusion are applied, there shall be monitoring of the person's condition at a frequency determined by the treating physician or licensed psychologist, which shall be no less than once per each 30 minutes. The superintendent of the treatment facility or a physician or licensed psychologist shall sign a statement explaining the treatment necessity for the use of any restraint or seclusion and shall make such statement a part of the permanent treatment record of the person.

(ii) For security reasons during transport to or from the person's unit, including, but not limited to, transport to another treatment or health care facility, another secure facility or court. Any person committed or transferred to a hospital or other health care facility for medical care may be isolated for security reasons within a locked area.

(B) Emergency lockdown may be used in the following circumstances:

(i) When necessary as an emergency measure as needed for security purposes, to deal with an escape or attempted escape, the discovery of a dangerous weapon or explosive device in the unit or facility or the receipt of reliable information that a dangerous weapon or explosive device is in the unit or facility, to prevent or control a riot or the taking of a hostage or for the discovery of contraband or a unit-wide search. An emergency lockdown order may be authorized only by the superintendent of the facility or the superintendent's designee.

(ii) During a period of emergency lockdown, the status of each person shall be reviewed every 30 minutes to ensure the safety of the person, and each person who is locked in a room without a toilet shall be given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated.

(iii) The facility shall have a written policy covering the use of emergency lockdown that ensures the safety of the individual is secured and that there is regular, frequent monitoring by trained staff to care for bodily needs as may be required.

(iv) An emergency lockdown order may only be in effect for the period of time needed to preserve order while dealing with the situation and may not be used as a substitute for adequate staffing.

(C) Individual person management plan may be used in any of the following situations:

(i) As needed when a person demonstrates or threatens substantial injury to others, and routine psychiatric methods have been ineffective or are unlikely to be effective in reducing such risk.

(ii) As needed for safety or security purposes, to deal for the behavioral management in situations including, but not limited to:

(a) Dealing with an escape or attempted escape;

(b) the discovery of a dangerous weapon or explosive device in the unit or facility or the receipt of reliable information that a dangerous weapon or explosive device is in the unit or facility;

(c) to prevent or control a riot or;

(d) the taking of a hostage or;

(e) the disruption of the therapeutic environment on the unit; or

(f) for the discovery of contraband.

(iii) The status of the person shall be reviewed every 30 minutes to ensure the safety of the person.

(D) Restraint, seclusion, emergency lockdown, individual person management plan, or any combination thereof, may be used in any other situation deemed necessary.
by treatment staff for the safety of a person or persons, facility staff or visitors. In all situations, restraint, seclusion, emergency lockdown, or individual person management plan shall never be used as a punishment or for the convenience of staff.

(E) A person may be locked or restricted in such person's room during the night shift if such person resides in a unit in which each room is equipped with a toilet and sink or, if a person does not have a toilet in the room, if such person is given an opportunity to use a toilet at least once every hour, or more frequently if medically indicated.

(7) To not be subject to such procedures as psychosurgery, electroshock therapy, experimental medication, aversion therapy or hazardous treatment procedures without the written consent of the person or the written consent of a parent or legal guardian, if such person is a minor or has a legal guardian provided that the guardian has obtained authority to consent to such from the court which has venue over the guardianship following a hearing held for that purpose.

(8) To individual religious worship within the facility if the person desires such an opportunity, as long as it complies with applicable laws and facility rules and policies. The provisions for worship shall be available to all persons on a nondiscriminatory basis. No individual may be coerced into engaging in any religious activities.

(9) To a humane psychological and physical environment within the hospital facilities. All facilities shall be designed to afford patients with comfort and safety, to promote dignity and ensure privacy. Facilities shall also be designed to make a positive contribution to the effective attainment of the treatment goals of the hospital.

(10) To confidentiality of all treatment records and, as permitted by other applicable state or federal laws, to inspect and, upon receipt of payment of reasonable costs, to receive a copy of such records. The head of any treatment facility or designee who has the records may refuse to disclose portions of such records if the head of the treatment facility or designee states in writing that such disclosure will likely be injurious to the welfare of the person.

(11) Except as otherwise provided, to not be filmed or taped, unless the person signs an informed and voluntary consent that specifically authorizes a named individual or group to film or tape the person for a particular purpose or project during a specified time period. The person may specify in such consent periods during which, or situations in which, the person may not be filmed or taped. If a person is legally incompetent, such consent shall be granted on behalf of the person by the person's guardian. A person may be filmed or taped for security purposes without the person's consent.

(12) To be informed in writing upon or at a reasonable time after admission, of any liability that the patient or any of the patient's relatives may have for the cost of the patient's care and treatment and of the right to receive information about charges for care and treatment services.

(13) To be treated with respect and recognition of the patient's dignity and individuality by all employees of the treatment facility.

(14) To send and receive sealed mail to or from legal counsel, the courts, the secretary for aging and disability services, the superintendent of the treatment facility, the agency designated as the developmental disabilities protection and advocacy agency pursuant to P.L. 94-103, as amended, private physicians and licensed psychologists. A person who is indigent may have reasonable access to letter-writing materials.

(15) To send and receive mail with reasonable limitations. A person's mail is
subject to physical examination and inspection for contraband, as defined by facility rules and policies.

(A) An officer or employee of the facility at which the person is placed may delay delivery of the mail to the person for a reasonable period of time to verify whether the mail contains contraband, as defined by facility rules and policies, or whether the person named as the sender actually sent the mail. If contraband is found, such contraband may be returned to the sender or confiscated by the facility. If the officer or staff member cannot determine whether the person named as the sender actually sent the mail, the officer or staff member may return the mail to the sender along with notice of the facility mail policy.

(B) The superintendent of the facility or the superintendent's designee may, in accordance with the standards and the procedure under subsection (c), authorize a member of the facility treatment staff to read the mail, if the superintendent or the superintendent's designee has reason to believe that the mail could pose a threat to security at the facility or seriously interfere with the treatment, rights, or safety of the person or others.

(C) A person may not receive through the mail any sexually explicit materials, items that are considered contraband, as defined by facility rules and policies, or items deemed to jeopardize the person's individual treatment, another person's treatment or the therapeutic environment of the facility.

(16) Reasonable access to a telephone to make and receive telephone calls within reasonable limits.

(17) To wear and use such person's own clothing and toilet articles, as long as such wear and use complies with facility rules and policies, or to be furnished with an adequate allowance of clothes if none are available.

(18) To possess personal property in a reasonable amount, as long as the property complies with state laws and facility rules and policies, and be provided a reasonable amount of individual storage space pursuant to facility rules and policies. In no event shall a person be allowed to possess or store contraband.

(19) Reasonable protection of privacy in such matters as toileting and bathing.

(20) To see a reasonable number of visitors who do not pose a threat to the safety and security or therapeutic climate of the person, other persons, visitors or the facility.

(21) To present grievances under the procedures established by each facility on the person's own behalf.

(22) To spend such person's money as such person chooses with reasonable limitations, except under the following circumstances: (A) When restricted by facility rules and policies; or (B) to the extent that authority over the money is held by another, including the parent of a minor, a court-appointed guardian of the person's estate or a representative payee. A treatment facility may, as a part of its security procedures, use a trust account in lieu of currency that is held by a person, and may establish reasonable policies governing account transactions.

(c) (1) A person's rights under subsections (b)(15) to (b)(22) may be denied for cause by the superintendent of the facility or the superintendent's designee, or when medically or therapeutically contraindicated as documented by the person's physician, licensed psychologist or licensed master's level psychologist in the person's treatment record. The individual shall be informed in writing of the grounds for withdrawal of the right and shall have the opportunity for a review of the withdrawal of the right in an
informal hearing before the superintendent of the facility or the superintendent's designee. There shall be documentation of the grounds for withdrawal of rights in the person's treatment record.

2) Notwithstanding subsection (c)(1), when the facility makes an administrative decision that applies equally to all persons and there is a legitimate governmental reason for the decision, notice of the decision is all that is required.

(d) The secretary for aging and disability services shall establish procedures to assure protection of persons' rights guaranteed under this section.

(e) No person may intentionally retaliate or discriminate against any person or employee for contacting or providing information to any state official or to an employee of any state protection and advocacy agency, or for initiating, participating in, or testifying in a grievance procedure or in an action for any remedy authorized under this section.

(f) (1) Proceedings under this section or any other appeal concerning an action by the Kansas department for aging and disability services shall be governed under the Kansas administrative procedure act and the Kansas judicial review act. A person appealing any alleged violations of this section or any other agency determination shall exhaust all administrative remedies available through the Larned state hospital, including the sexual predator treatment program, before having any right to request a hearing under the Kansas administrative procedure act.

(2) A final agency determination shall include notice of the right to appeal such determination only to the office of administrative hearings. Within 30 days after service of a final agency determination and the notice of right to appeal, the appellant may file a request for hearing in writing with the office of administrative hearings for a review of that determination. Any request for hearing must be accompanied by a copy of the final agency determination, including all documentation submitted through Larned state hospital and all agency responses. Failure to timely request a hearing constitutes a waiver of the right to any review. The request shall be examined by the presiding officer assigned. If the appellant seeks to challenge the final agency determination on any grounds other than material facts in controversy or agency violation of a relevant rule, regulation or statute, the appellant shall express such allegations with particularity within the request for hearing. If it plainly appears from the face of the request and accompanying final agency determination that the appellant failed to state a claim on which relief could be granted, or the appellant failed to demonstrate exhaustion, the request shall be dismissed. The burden shall be on the appellant to prove by a preponderance of the evidence that the agency action violated a specific rule, regulation or statute. If the request for hearing does not allege a violation of a specific rule, regulation or statute, the burden shall be on the appellant to prove by a preponderance of the evidence that the agency had no legitimate government interest in taking such action. Any dispositive ruling of the hearing officer assigned by the office of administrative hearings shall be deemed an initial order under the Kansas administrative procedure act.

(3) The person shall participate by telephone or other electronic means at any hearing before the office of administrative hearings or any proceeding under the Kansas judicial review act, unless the presiding officer or court determines that the interests of justice require an in-person proceeding. Notwithstanding K.S.A. 77-609, and amendments thereto, if an in-person proceeding is necessary, such proceeding shall be
conducted at the place where the person is committed.

(4) Except as otherwise provided in the Kansas sexually violent predator act and notwithstanding K.S.A. 77-609, and amendments thereto, venue shall be in Pawnee county, Kansas, for all proceedings brought pursuant to the Kansas judicial review act;"

Lord God,
Thank You for this day and the much-needed rain.
I am reminded of the words given to Esther—
that she was placed in her royal position
for such a time as then.
This 2018 State Legislature
is unique in that You have placed these people
here at this particular time
for a particular purpose.
This legislature is different than
any that has come before.
And no future legislature will be just like this one.
They have proven faithful and diligent

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Bishop are spread upon the Journal:

The state of Kansas was only a year old when Congress passed the Morrill Act, establishing land grant colleges and laying the groundwork for the future cooperative extension programs. First focused on agriculture, new programs for families and communities soon followed. We know the rest: 4H, homemaking programs, and then, about 45 years ago, Extension Master Gardeners.

In Kansas today half of our counties have Extension Master Gardener programs. The mission of Master Gardeners is to preserve and beautify the environment and improve the quality of life in the community by providing current research-based horticultural information to the public.

Master Gardeners provide gardening hotlines, answering questions via phone and email; create demonstration gardens and arboretums; conduct garden shows and tours, help with public gardens, promote farmers’ markets, teach classes, mentor community gardens, and more.

In 2017, Extension Master Gardeners provided more than 100,620 hours of volunteer service with a value of more than $2.23 million and created nearly 9,000 events across the state.

After receiving extensive training Master Gardeners are required to donate anywhere from 6 to 20 hours of volunteer service. The average donated during 2017 was 82 hours per EMG.

Master Gardeners fits well with the guiding philosophy of the Cooperative Extension service: a strong belief in the equality of individuals, the possibility of change and progress, the reliability of scientific information, and the power of education.

I am proud to present to you today Ward Upham, Coordinator of the Kansas State University Master Gardener program; Donna Wise, President of the EMG Advisory Board in Sedgwick County; Tom Buller, Douglas County Horticulture Agent; Ariel Whitely, Shawnee County Horticulture Agent; Dennis Patton, Johnson County Horticulture Agent; and Masters Gardeners: Linda Croucher, Carol Fowler, Beth Graham, Brian Basel, Paul Trautman, and Pam Patrick.

Rep. Bishop presented each of her guests with a framed House certificate in recognition of their accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Gallagher are spread upon the Journal:

Today I am sponsoring a resolution celebrating the 25th anniversary of Heart to Heart International (HHI), a humanitarian organization located in Lenexa, Kan. This organization strengthens communities through improving health care access, providing humanitarian development and administering crisis relief worldwide. In its 25 years of operation, Heart to Heart has provided humanitarian service in 130 countries, shipping more than $1.6 billion in aid and logging 1.1 million volunteer hours.

Since the beginning, HHI has been a first responder to disasters all over the world. From floods, tornadoes, hurricanes, earthquakes, typhoons and humanitarian crises, HHI has quickly responded with medical teams, medical supplies, equipment and hygiene health products.

HHI began its mission in 1992 with an airlift to help people in Russia by distributing aid to 32 area hospitals and nine orphanages, which was the largest private humanitarian airlift at that time. Heart to Heart drew its name from that mission to the heart of Russia from the heart of the United States.

In 1993, HHI developed a partnership with the American Association of Family Physicians to create Physicians With Heart. The partnership conducted 20 airlifts throughout Europe and Vietnam and helped mobilize people and resources to improve health, provide medical education and foster the development of family medicine worldwide.

In 1995, HHI launched a partnership with FedEx, whose MD-ll plane was the first American plane to land in Hanoi since the end of the Southeast Asian conflict, and delivered 45 tons of supplies valued at $7 million.

In 1996, HHI delivered $12 million in aid to Calcutta, India, to help Mother Teresa and the Missionaries of Charity and sent medical aid and products to various hospitals in Calcutta.

In 1997, the Goodwill Medical Airlift landed in the People’s Republic of China with 36 tons of medicine and supplies worth $6.2 million.

In 2010, HHI responded to the earthquake in Haiti and helped to hire, train and create Haitian leadership in the medical community to make a meaningful and lasting impact beyond the earthquake, resulting in HHI-trained Haitian medical teams to respond to the devastating effects of Hurricane Matthew in 2016.

In 2014, HHI responded to the Ebola crisis in Liberia by setting up and running an Ebola treatment unit as well as training administrators and teachers in the local school district on safe hygiene practices.

Starting in 2015, HHI has helped to supply medicines, medical supplies, tents and hygiene kits to Syrian refugees.

In 2017, Heart to Heart responded to the hurricanes that hit the US. Gulf and Atlantic coasts and Puerto Rico. When disasters strike, HHI invites volunteers to its Lenexa warehouse to assemble hygiene kits or other materials. My daughter and I did this last September, and the team of volunteers that day assembled hundreds of hygiene kits in a short time. They were shipped out to areas affected by Hurricanes Harvey, Irma and Maria. The HHI operations work like a well-oiled machine.

With this resolution, the Kansas House of Representatives celebrates the 25th
anniversary of Heart to Heart International and commends them for providing vital health and humanitarian services to the most vulnerable and needy populations to help improve global health and welfare. I ask you to join me in adopting this resolution.

Rep. Gallagher introduced the following members of the Heart to Heart staff and board to the House and presented them with a framed House Resolution: Jim Mitchum, CEO; Kim Carroll, COO; Dr. Rick Randolph, chief medical officer; Beb-Eambrecbis, board-chair; Dr Gary Morsch, Johnson Countian of the Year in 2016, vice-chair and one of the co-founders; and Carla Duryee, secretary.

On motion of Rep. Hineman, the House recessed until 11:45 a.m.

LATE MORNING SESSION

The House met pursuant to recess with Speaker Ryckman in the chair.

New Sec. 5. (a) Except as otherwise provided in section 28, and amendments thereto, an application for judicial relief under sections 1 through 31, and amendments thereto, must be made by motion to the court and heard in the manner provided by law or rule of court for making and hearing motions.

(b) Unless a civil action involving the agreement to arbitrate is pending, notice of an initial motion to the court under this act must be served in the manner provided by law for the service of a summons in a civil action. Otherwise, notice of the motion must be given in the manner provided by law or rule of court for serving motions in pending cases.

New Sec. 6. (a) An agreement contained in a record to submit to arbitration any existing or subsequent controversy arising between the parties to the agreement is valid, enforceable and irrevocable, except upon a ground that exists at law or in equity for the revocation of a contract.

(b) The court shall decide whether an agreement to arbitrate exists or a controversy is subject to an agreement to arbitrate.
(c) An arbitrator shall decide whether a condition precedent to arbitrability has been fulfilled and whether a contract containing a valid agreement to arbitrate is enforceable.

(d) If a party to a judicial proceeding challenges the existence of, or claims that a controversy is not subject to, an agreement to arbitrate, the arbitration proceeding may continue, pending final resolution of the issue by the court, unless the court otherwise orders.

New Sec. 7. (a) On motion of a person showing an agreement to arbitrate and alleging another person's refusal to arbitrate, pursuant to the agreement:

(1) If the refusing party does not appear or does not oppose the motion, the court shall order the parties to arbitrate; and

(2) if the refusing party opposes the motion, the court shall proceed summarily to decide the issue and order the parties to arbitrate, unless it finds that there is no enforceable agreement to arbitrate.

(b) On motion of a person alleging that an arbitration proceeding has been initiated or threatened, but that there is no agreement to arbitrate, the court shall proceed summarily to decide the issue. If the court finds that there is an enforceable agreement to arbitrate, it shall order the parties to arbitrate.

(c) If the court finds that there is no enforceable agreement, it may not, pursuant to subsections (a) or (b), order the parties to arbitrate.

(d) The court may not refuse to order arbitration because the claim subject to arbitration lacks merit or grounds for the claim have not been established.

(e) If a proceeding involving a claim referable to arbitration under an alleged agreement to arbitrate is pending in court, a motion under this section must be made in that court. Otherwise, a motion under this section may be made in any court as provided in section 27, and amendments thereto.

(f) If a party makes a motion to the court to order arbitration, the court on just terms shall stay any judicial proceeding that involves a claim alleged to be subject to the arbitration until the court renders a final decision under this section.

(g) If the court orders arbitration, the court on just terms shall stay any judicial proceeding that involves a claim subject to the arbitration. If a claim subject to the arbitration is severable, the court may limit the stay to that claim.

New Sec. 8. (a) Before an arbitrator is appointed and is authorized and able to act, the court, upon motion of a party to an arbitration proceeding and for good cause shown, may enter an order for provisional remedies to protect the effectiveness of the arbitration proceeding to the same extent and under the same conditions as if the controversy were the subject of a civil action.

(b) After an arbitrator is appointed and is authorized and able to act:

(1) The arbitrator may issue such orders for provisional remedies, including interim awards, as the arbitrator finds necessary to protect the effectiveness of the arbitration proceeding and to promote the fair and expeditious resolution of the controversy, to the same extent and under the same conditions as if the controversy were the subject of a civil action; and

(2) a party to an arbitration proceeding may move the court for a provisional remedy only if the matter is urgent and the arbitrator is not able to act timely or the arbitrator cannot provide an adequate remedy.

(c) A party does not waive a right of arbitration by making a motion under
subsection (a) or (b).

New Sec. 9. (a) A person initiates an arbitration proceeding by giving notice in a record to the other parties to the agreement to arbitrate in the agreed manner between the parties or, in the absence of agreement, by certified or registered mail, return receipt requested and obtained, or by service as authorized for the commencement of a civil action. The notice must describe the nature of the controversy and the remedy sought.

(b) Unless a person objects for lack or insufficiency of notice under section 15(c), and amendments thereto, not later than the beginning of the arbitration hearing, the person, by appearing at the hearing, waives any objection to lack of or insufficiency of notice.

New Sec. 10. (a) Except as otherwise provided in subsection (c), upon motion of a party to an agreement to arbitrate or to an arbitration proceeding, the court may order consolidation of separate arbitration proceedings as to all or some of the claims if:

1. There are separate agreements to arbitrate or separate arbitration proceedings between the same persons or one of them is a party to a separate agreement to arbitrate or a separate arbitration proceeding with a third person;

2. the claims subject to the agreements to arbitrate arise in substantial part from the same transaction or series of related transactions;

3. the existence of a common issue of law or fact creates the possibility of conflicting decisions in the separate arbitration proceedings; and

4. prejudice resulting from a failure to consolidate is not outweighed by the risk of undue delay or prejudice to the rights of or hardship to parties opposing consolidation.

(b) The court may order consolidation of separate arbitration proceedings as to some claims and allow other claims to be resolved in separate arbitration proceedings.

(c) The court may not order consolidation of the claims of a party to an agreement to arbitrate if the agreement prohibits consolidation.

New Sec. 11. (a) If the parties to an agreement to arbitrate agree on a method for appointing an arbitrator, that method must be followed, unless the method fails. If the parties have not agreed on a method, the agreed method fails or an arbitrator appointed fails or is unable to act and a successor has not been appointed, the court, on motion of a party to the arbitration proceeding, shall appoint the arbitrator. An arbitrator so appointed has all the powers of an arbitrator designated in the agreement to arbitrate or appointed pursuant to the agreed method.

(b) An individual who has a known, direct and material interest in the outcome of the arbitration proceeding or a known, existing and substantial relationship with a party may not serve as an arbitrator required by an agreement to be neutral.

New Sec. 12. (a) Before accepting appointment, an individual who is requested to serve as an arbitrator, after making a reasonable inquiry, shall disclose to all parties to the agreement to arbitrate and arbitration proceeding and to any other arbitrators any known facts that a reasonable person would consider likely to affect the impartiality of the arbitrator in the arbitration proceeding, including:

1. A financial or personal interest in the outcome of the arbitration proceeding; and

2. an existing or past relationship with any of the parties to the agreement to arbitrate or the arbitration proceeding, their counsel or representatives, a witness or other arbitrators.

(b) An arbitrator has a continuing obligation to disclose to all parties to the
agreement to arbitrate and arbitration proceeding and to any other arbitrators any facts that the arbitrator learns after accepting appointment that a reasonable person would consider likely to affect the impartiality of the arbitrator.

(c) If an arbitrator discloses a fact required by subsection (a) or (b) to be disclosed and a party timely objects to the appointment or continued service of the arbitrator based upon the fact disclosed, the objection may be a ground under section 23(a)(2), and amendments thereto, for vacating an award made by the arbitrator.

(d) If the arbitrator did not disclose a fact as required by subsection (a) or (b), upon timely objection by a party, the court under section 23(a)(2), and amendments thereto, may vacate the award.

(e) An arbitrator appointed as a neutral arbitrator who does not disclose a known, direct and material interest in the outcome of the arbitration proceeding or a known, existing and substantial relationship with a party is presumed to act with evident partiality under section 23(a)(2), and amendments thereto.

(f) If the parties to an arbitration proceeding agree to the procedures of an arbitration organization or any other procedures for challenges to arbitrators before an award is made, substantial compliance with those procedures is a condition precedent to a motion to vacate an award on that ground under section 23(a)(2), and amendments thereto.

New Sec. 13. If there is more than one arbitrator, the powers of an arbitrator must be exercised by a majority of the arbitrators, but all of them shall conduct the hearing under section 15(c), and amendments thereto.

New Sec. 14. (a) An arbitration organization acting in that capacity is immune from civil liability to the same extent as a judge of a court of this state acting in a judicial capacity.

(b) The immunity afforded by this section supplements any immunity under other law.

(c) The failure of an arbitrator to make a disclosure required by section 12, and amendments thereto, does not cause any loss of immunity under this section.

(d) In a judicial, administrative or similar proceeding, an arbitrator or representative of an arbitration organization is not competent to testify, and may not be required to produce records as to any statement, conduct, decision or ruling occurring during the arbitration proceeding, to the same extent as a judge of a court of this state acting in a judicial capacity. This subsection does not apply:

1. To the extent necessary to determine the claim of an arbitrator, arbitration organization or representative of the arbitration organization against a party to the arbitration proceeding; or

2. To a hearing on a motion to vacate an award under section 23(a)(1) or (2), and amendments thereto, if the movant establishes prima facie that a ground for vacating the award exists.

(e) If a person commences a civil action against an arbitrator, arbitration organization or representative of an arbitration organization arising from the services of an arbitrator, organization or representative or if a person seeks to compel an arbitrator or a representative of an arbitration organization to testify or produce records in violation of subsection (d), and the court decides that the arbitrator, arbitration organization or representative of an arbitration organization is immune from civil liability or that the arbitrator or representative of the organization is not competent to
testify, the court shall award to the arbitrator, organization or representative reasonable attorney fees and other reasonable expenses of litigation.

New Sec. 15. (a) An arbitrator may conduct an arbitration in such manner as the arbitrator considers appropriate for a fair and expeditious disposition of the proceeding. The authority conferred upon the arbitrator includes the power to hold conferences with the parties to the arbitration proceeding before the hearing and, among other matters, determine the admissibility, relevance, materiality and weight of any evidence.

(b) An arbitrator may decide a request for summary disposition of a claim or particular issue:

(1) If all interested parties agree; or

(2) upon request of one party to the arbitration proceeding, if that party gives notice to all other parties to the proceeding and the other parties have a reasonable opportunity to respond.

(c) If an arbitrator orders a hearing, the arbitrator shall set a time and place and give notice of the hearing not less than five days before the hearing begins. Unless a party to the arbitration proceeding makes an objection to lack or insufficiency of notice not later than the beginning of the hearing, the party's appearance at the hearing waives the objection. Upon request of a party to the arbitration proceeding and for good cause shown, or upon the arbitrator's own initiative, the arbitrator may adjourn the hearing from time to time as necessary but may not postpone the hearing to a time later than that fixed by the agreement to arbitrate for making the award unless the parties to the arbitration proceeding consent to a later date. The arbitrator may hear and decide the controversy upon the evidence produced, although a party who was duly notified of the arbitration proceeding did not appear. The court, on request, may direct the arbitrator to conduct the hearing promptly and render a timely decision.

(d) At a hearing under subsection (c), a party to the arbitration proceeding has a right to be heard, to present evidence material to the controversy, and to cross-examine witnesses appearing at the hearing.

(e) If an arbitrator ceases or is unable to act during the arbitration proceeding, a replacement arbitrator must be appointed in accordance with section 11, and amendments thereto, to continue the proceeding and to resolve the controversy.

New Sec. 16. A party to an arbitration proceeding may be represented by a lawyer.

New Sec. 17. (a) An arbitrator may issue a subpoena for the attendance of a witness and for the production of records and other evidence at any hearing and may administer oaths. A subpoena must be served in the manner for service of subpoenas in a civil action and, upon motion to the court by a party to the arbitration proceeding or the arbitrator, enforced in the manner for enforcement of subpoenas in a civil action.

(b) In order to make the proceedings fair, expeditious and most cost effective, upon request of a party to or a witness in an arbitration proceeding, an arbitrator may permit a deposition of any witness to be taken for use as evidence at the hearing, including a witness who cannot be subpoenaed for or is unable to attend a hearing. The arbitrator shall determine the conditions under which the deposition is taken.

(c) An arbitrator may permit such discovery as the arbitrator decides is appropriate in the circumstances, taking into account the needs of the parties to the arbitration proceeding and other affected persons and the desirability of making the proceeding fair, expeditious and cost effective.

(d) If an arbitrator permits discovery under subsection (c), the arbitrator may order
a party to the arbitration proceeding to comply with the arbitrator's discovery-related orders, issue subpoenas for the attendance of a witness and for the production of records and other evidence at a discovery proceeding, and take action against a noncomplying party to the extent a court could, if the controversy were the subject of a civil action in this state.

(e) An arbitrator may issue a protective order to prevent the disclosure of privileged information, confidential information, trade secrets and other information protected from disclosure to the extent a court could, if the controversy were the subject of a civil action in this state.

(f) All laws compelling a person under subpoena to testify and all fees for attending a judicial proceeding, a deposition or a discovery proceeding as a witness apply to an arbitration proceeding as if the controversy were the subject of a civil action in this state.

(g) The court may enforce a subpoena or discovery-related order for the attendance of a witness within this state and for the production of records and other evidence issued by an arbitrator in connection with an arbitration proceeding in another state upon conditions determined by the court as to make the arbitration proceeding fair, expeditious and cost effective. A subpoena or discovery-related order issued by an arbitrator in another state must be served in the manner provided by law for service of subpoenas in a civil action in this state and, upon motion to the court by a party to the arbitration proceeding or the arbitration, enforced in the manner provided by law for enforcement of subpoenas in a civil action in this state.

New Sec. 18. If an arbitrator makes a pre-award ruling in favor of a party to the arbitration proceeding, the party may request the arbitrator to incorporate the ruling into an award under section 19, and amendments thereto. A prevailing party may make a motion to the court for an expedited order to confirm the award under section 22, and amendments thereto, in which case the court shall summarily decide the motion. The court shall issue an order to confirm the award, unless the court vacates, modifies or corrects the award under section 23 or 24, and amendments thereto.

New Sec. 19. (a) An arbitrator shall make a record of an award. The record must be signed or otherwise authenticated by an arbitrator who concurs with the award. The arbitrator or the arbitration organization shall give notice of the award, including a copy of the award, to each party to the arbitration proceeding.

(b) An award must be made within the time specified by the agreement to arbitrate or, if not specified therein, within the time ordered by the court. The court may extend or the parties to the arbitration proceeding may agree in a record to extend the time. The court or the parties may do so within or after the time specified or ordered. A party waives any objection that an award was not timely made unless the party gives notice of the objection to the arbitrator before receiving notice of the award.

New Sec. 20. (a) On motion to an arbitrator by a party to an arbitration proceeding, the arbitrator may modify or correct an award:

(1) Upon a ground stated in section 24(a)(1) or (3), and amendments thereto;
(2) because the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceeding; or
(3) to clarify the award.

(b) A motion under subsection (a) must be made and notice given to all parties within 20 days after the movant receives notice of the award.
(c) A party to the arbitration proceeding must give notice of any objection to the motion within 10 days after receipt of the notice.

(d) If a motion to the court is pending under section 22, 23 or 24, and amendments thereto, the court may submit the claim to the arbitrator to consider whether to modify or correct the award:

(1) Upon a ground stated in section 24(a)(1) or (3), and amendments thereto;
(2) because the arbitrator has not made a final and definite award upon a claim submitted by the parties to the arbitration proceedings; or
(3) to clarify the award.

(e) An award modified or corrected pursuant to this section is subject to sections 19(a), 22, 23 and 24, and amendments thereto.

New Sec. 21. (a) An arbitrator may award punitive damages or other exemplary relief if such an award is authorized by law in a civil action involving the same claim and the evidence produced at the hearing justifies the award under the legal standards otherwise applicable to the claim.

(b) An arbitrator may award reasonable attorney fees and other reasonable expenses of arbitration if such an award is authorized by law in a civil action involving the same claim or by the agreement of the parties to the arbitration proceeding.

(c) As to all remedies other than those authorized by subsections (a) and (b), an arbitrator may order such remedies as the arbitrator considers just and appropriate under the circumstances of the arbitration proceeding. The fact that such a remedy could not or would not be granted by the court is not a ground for refusing to confirm an award under section 22, and amendments thereto, or for vacating an award under section 23, and amendments thereto.

(d) An arbitrator's expenses and fees, together with other expenses, must be paid as provided in the award.

(e) If an arbitrator awards punitive damages or other exemplary relief under subsection (a), the arbitrator shall specify in the award the basis in fact justifying and the basis in law authorizing the award and state separately the amount of punitive damages or other exemplary relief.

New Sec. 22. After a party to an arbitration proceeding receives notice of an award, the party may make a motion to the court for an order confirming the award, at which time the court shall issue a confirming order, unless the award is modified or corrected pursuant to section 20 or 24, and amendments thereto, or is vacated pursuant to section 23, and amendments thereto.

New Sec. 23. (a) Upon motion to the court by a party to an arbitration proceeding, the court shall vacate an award made in the arbitration proceeding if:

(1) The award was procured by corruption, fraud or other undue means;
(2) there was:
   (A) Evident partiality by an arbitrator appointed as a neutral arbitrator;
   (B) corruption by an arbitrator; or
   (C) misconduct by an arbitrator prejudicing the rights of a party to the arbitration proceeding;
(3) an arbitrator refused to postpone the hearing upon showing of sufficient cause for postponement, refused to consider evidence material to the controversy, or otherwise conducted the hearing contrary to section 15, and amendments thereto, so as to prejudice substantially the rights of a party to the arbitration proceeding;
(4) an arbitrator exceeded the arbitrator’s powers;
(5) there was no agreement to arbitrate, unless the person participated in the arbitration proceeding without raising the objection under section 15(c), and amendments thereto, not later than the beginning of the arbitration hearing; or
(6) the arbitration was conducted without proper notice of the initiation of an arbitration as required in section 9, and amendments thereto, so as to prejudice substantially the rights of a party to the arbitration proceeding.

(b) A motion under this section must be filed within 90 days after the movant receives notice of the award pursuant to section 19, and amendments thereto, or within 90 days after the movant receives notice of the award pursuant to section 20, and amendments thereto, unless the movant alleges that the award was procured by corruption, fraud or other undue means, in which case, the motion must be made within 90 days after the ground is known or, by the exercise of reasonable care, would have been known by the movant.

c) If the court vacates an award on a ground other than that set forth in subsection (a)(5), it may order a rehearing. If the award is vacated on a ground stated in subsection (a)(1) or (2), the rehearing must be before a new arbitrator. If the award is vacated on a ground stated in subsection (a)(3), (4) or (6), the rehearing must be before the arbitrator who made the award or the arbitrator’s successor. The arbitrator must render the decision in the rehearing within the same time as that provided in section 19(b), and amendments thereto, for an award.

d) If the court denies a motion to vacate an award, it shall confirm the award unless a motion to modify or correct the award is pending.

New Sec. 24. (a) Upon motion made within 90 days after the movant receives notice of the award pursuant to section 19, and amendments thereto, or within 90 days after the movant receives notice of a modified or corrected award pursuant to section 20, and amendments thereto, the court shall modify or correct the award if:

(1) There was an evident mathematical miscalculation or an evident mistake in the description of a person, thing or property referred to in the award;
(2) the arbitrator has made an award on a claim not submitted to the arbitrator and the award may be corrected without affecting the merits of the decision upon the claims submitted; or
(3) the award is imperfect in a matter of form not affecting the merits of the decision on the claims submitted.

(b) If a motion made under subsection (a) is granted, the court shall modify or correct and confirm the award as modified or corrected. Otherwise, unless a motion to vacate is pending, the court shall confirm the award.

c) A motion to modify or correct an award pursuant to this section may be joined with a motion to vacate the award.

New Sec. 25. (a) Upon granting an order confirming, vacating without directing a rehearing, modifying or correcting an award, the court shall enter a judgment in conformity therewith. The judgment may be recorded, docketed and enforced as any other judgment in a civil action.

(b) A court may allow reasonable costs of the motion and subsequent judicial proceedings.

c) On application of a prevailing party to a contested judicial proceeding under section 22, 23 or 24, and amendments thereto, the court may add reasonable attorney
fees and other reasonable expenses of litigation incurred in a judicial proceeding after the award is made to a judgment confirming, vacating without directing a rehearing, modifying or correcting an award.

New Sec. 26.  (a) A court of this state having jurisdiction over the controversy and the parties may enforce an agreement to arbitrate.

(b) An agreement to arbitrate providing for arbitration in this state confers exclusive jurisdiction on the court to enter judgment on an award under sections 1 through 31, and amendments thereto.

New Sec. 27. A motion pursuant to section 5, and amendments thereto, must be made in the court of the county in which the agreement to arbitrate specifies the arbitration hearing is to be held or, if the hearing has been held, in the court of the county in which it was held. Otherwise, the motion may be made in the court of any county in which an adverse party resides or has a place of business or, if no adverse party has a residence or place of business in this state, in the court of any county in this state. All subsequent motions must be made in the court hearing the initial motion unless the court otherwise directs.

New Sec. 28. (a) An appeal may be taken from:

(1) An order denying a motion to compel arbitration;
(2) an order granting a motion to stay arbitration;
(3) an order confirming or denying confirmation of an award;
(4) an order modifying or correcting an award;
(5) an order vacating an award without directing a rehearing; or
(6) a final judgment entered pursuant to sections 1 through 31, and amendments thereto.

(b) An appeal under this section must be taken as from an order or judgment in a civil action.

New Sec. 29. In applying and construing this uniform act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

New Sec. 30. The provisions of sections 1 through 31, and amendments thereto, governing the legal effect, validity and enforceability of electronic records or electronic signatures and of contracts performed with the use of such records or signatures conform to the requirements of section 102 of the electronic signatures in global and national commerce act.

New Sec. 31. Sections 1 through 31, and amendments thereto, do not affect an action or proceeding commenced or right accrued before sections 1 through 31, and amendments thereto, take effect. Subject to section 3, and amendments thereto, an arbitration agreement made before the effective date of sections 1 through 31, and amendments thereto, is governed by article 4 of chapter 5 of the Kansas Statutes Annotated, prior to its repeal.

New Sec. 32. (a) (1) Except as provided in subsection (a)(2), a provision in a trust instrument requiring the mediation or arbitration of disputes between or among beneficiaries, a fiduciary, a person granted nonfiduciary powers under the trust instrument, or any combination thereof, is enforceable.

(2) A provision in a trust instrument requiring the mediation or arbitration of a dispute relating to the validity of a trust is not enforceable, unless all interested persons to the dispute consent to mediation or arbitration of such dispute.
(b) This section shall be part of and supplemental to the Kansas uniform trust code. Sec. 33. K.S.A. 50-6,100 is hereby amended to read as follows: 50-6,100. (a) Each consumer shall have the option of submitting any dispute arising under this act to arbitration. Upon application of the consumer all manufacturers shall submit to such arbitration.

(b) Such arbitration shall be conducted in accordance with the provisions of the uniform arbitration act (K.S.A. 5-401 et seq., sections 1 through 31, and amendments thereto). Any agreement to arbitrate entered into under this section shall ensure the personal objectivity of the arbitrators and the right of each party to present its case, to be in attendance during any presentation made by the other party and to rebut or refute such presentation.

Sec. 34. K.S.A. 66-1712 is hereby amended to read as follows: 66-1712. (a) When any person desires to carry out temporarily any function or activity in closer proximity to any high voltage overhead line than is permitted by this act, the person or persons responsible for the function or activity shall notify the public utility which owns or operates the high voltage overhead line of the function or activity and shall make appropriate arrangements with the public utility for temporary barriers, temporary deenergization and grounding of the conductors, temporary rerouting of electric current or temporary relocating of the conductors before proceeding with any function or activity which would impair the clearances required by this act.

(b) A person or persons requesting a public utility to provide temporary clearances or other safety precautions shall be responsible for payment of only those costs incurred by such utility in the temporary rerouting of electric current or the temporary relocating of the conductors. Upon request, a public utility shall provide a written costs estimate for the work needed to provide temporary rerouting of electric current or temporary relocating of the conductors. Unless otherwise agreed to, or unless circumstances require a longer period of time before work commences in order to assure continuity of service to electric customers, a public utility shall commence work on such temporary rerouting of electric current, temporary relocating of the conductors, temporary barriers or temporary deenergization and grounding of the conductors as may be appropriate, within seven working days after such notification has been made in accordance with subsection (a) of K.S.A. 66-1712(a), and amendments thereto.

(c) If a person requesting a public utility to provide temporary rerouting of electric current or the temporary relocating of the conductors disagrees with the reasonableness of the written costs estimate or the description of the work to be performed, the following options are available to such person:

(1) Such person under protest may pay the utility for the work in accordance with the written cost estimate, but shall be entitled to seek recovery of all or any part of the money so paid in an arbitration proceeding as hereinafter provided; or

(2) prior to directing the work to be performed, the person or persons may submit to binding arbitration, as hereinafter provided, to resolve the issue of the reasonableness of the written cost estimate or the description or extent of the work to be performed by the public utility under such estimate.

(d) Disputes submitted to binding arbitration under this section shall be submitted in accordance with the procedures set forth in K.S.A. 5-401 et seq., sections 1 through 31, and amendments thereto. The decision of the arbitrator or arbitrators as to the reasonableness of the costs or the necessity of the work to be performed shall be final
and binding upon the parties.

"Sec. 2. K.S.A. 2017 Supp. 25-1122 is hereby amended to read as follows: 25-

(a) Any registered voter may file with the county election officer where the person is a resident, or where the person is authorized by law to vote as a former precinct resident, an application for an advance voting ballot. The signed application shall be transmitted only to the county election officer by personal delivery, mail, facsimile or as otherwise provided by law.

(b) If the registered voter is applying for an advance voting ballot to be transmitted in person, the voter shall provide identification pursuant to K.S.A. 25-2908, and amendments thereto.

(c) If the registered voter is applying for an advance voting ballot to be transmitted by mail, the voter shall provide with the application for an advance voting ballot the voter's current and valid Kansas driver's license number, nondriver's identification card number or a photocopy of any other identification provided by K.S.A. 25-2908, and amendments thereto.

(d) A voter may vote a provisional ballot according to K.S.A. 25-409, and amendments thereto, if:

(1) The voter is unable or refuses to provide current and valid identification; or

(2) the name and address of the voter provided on the application for an advance voting ballot do not match the voter's name and address on the registration book. The voter shall provide a valid form of identification as defined in K.S.A. 25-2908, and amendments thereto, to the county election officer in person or provide a copy by mail or electronic means before the meeting of the county board of canvassers. At the meeting of the county board of canvassers the county election officer shall present copies of identification received from provisional voters and the corresponding provisional ballots. If the county board of canvassers determines that a voter's identification is valid and the provisional ballot was properly cast, the ballot shall be counted.

(e) No county election officer shall provide an advance voting ballot to a person who is requesting an advance voting ballot to be transmitted by mail unless:

(1) The county election official verifies that the signature of the person matches that on file in the county voter registration records, except that verification of the voter's signature shall not be required if a voter has a disability preventing the voter from signing. Signature verification may occur by electronic device or by human inspection. In the event that the signature of a person who is requesting an advance voting ballot
does not match that on file, the county election officer shall attempt to contact the
person and shall offer the person another opportunity to provide the person's signature
for the purposes of verifying the person's identity. If the county election officer is
unable to reach the person, the county election officer may transmit a provisional ballot,
however, such provisional ballot may not be counted unless a signature is included
therewith that can be verified; and

(2) the person provides such person's full Kansas driver's license number, Kansas
nondriver's identification card number issued by the division of vehicles, or submits
such person's application for an advance voting ballot and a copy of identification
provided by K.S.A. 25-2908, and amendments thereto, to the county election officer for
verification. If a person applies for an advance voting ballot to be transmitted by mail
but fails to provide identification pursuant to this subsection or the identification of the
person cannot be verified by the county election officer, the county election officer shall
provide information to the person regarding the voter rights provisions of subsection (d)
and shall provide the person an opportunity to provide identification pursuant to this
subsection. For the purposes of this act, Kansas state offices and offices of any
subdivision of the state will allow any person seeking to vote by an advance voting
ballot the use of a photocopying device to make one photocopy of an identification
document at no cost.

(f) Applications for advance voting ballots to be transmitted to the voter by mail
shall be filed only at the following times:

(1) For the primary election occurring on the first Tuesday in August in both even-
numbered and odd-numbered years, between April 1 of such year and the Tuesday of
the week preceding such primary election.

(2) For the general election occurring on the Tuesday following the first Monday in
November in both even-numbered and odd-numbered years, between 90 days prior to
such election and the Tuesday of the week preceding such general election.

(3) For question submitted elections occurring on the date of a primary or general
election, the same as is provided for ballots for election of officers at such election.

(4) For question submitted elections not occurring on the date of a primary or
general election, between the time of the first published notice thereof and the Tuesday
of the week preceding such question submitted election, except that if the question
submitted election is held on a day other than a Tuesday, the final date for mailing of
advance voting ballots shall be one week before such election.

(5) For any special election of officers, at such time as is specified by the secretary
of state.

The county election officer of any county may receive applications prior to the time
specified in this subsection and hold such applications until the beginning of the
prescribed application period. Such applications shall be treated as filed on that date.

(g) Unless an earlier date is designated by the county election office, applications
for advance voting ballots transmitted to the voter in person in the office of the county
election officer shall be filed on the Tuesday next preceding the election and on each
subsequent business day until no later than 12 noon on the day preceding such election.
If the county election officer so provides, applications for advance voting ballots
transmitted to the voter in person in the office of the county election officer also may be
filed on the Saturday preceding the election. Upon receipt of any such properly
executed application, the county election officer shall deliver to the voter such ballots
and instructions as are provided for in this act.

An application for an advance voting ballot filed by a voter who has a temporary illness or disability or who is not proficient in reading the English language or by a person rendering assistance to such voter may be filed during the regular advance ballot application periods until the close of the polls on election day.

The county election officer may designate places other than the central county election office as satellite advance voting sites. At any satellite advance voting site, a registered voter may obtain an application for advance voting ballots. Ballots and instructions shall be delivered to the voter in the same manner and subject to the same limitations as otherwise provided by this subsection.

(h) Any person having a permanent disability or an illness which has been diagnosed as a permanent illness is hereby authorized to make an application for permanent advance voting status. Applications for permanent advance voting status shall be in the form and contain such information as is required for application for advance voting ballots and also shall contain information which establishes the voter's right to permanent advance voting status.

(i) On receipt of any application filed under the provisions of this section, the county election officer shall prepare and maintain in such officer's office a list of the names of all persons who have filed such applications, together with their correct post office address and the precinct, ward, township or voting area in which the persons claim to be registered voters or to be authorized by law to vote as former precinct residents and the present resident address of each applicant. Names and addresses shall remain so listed until the day of such election. The county election officer shall maintain a separate listing of the names and addresses of persons qualifying for permanent advance voting status. All such lists shall be available for inspection upon request in compliance with this subsection by any registered voter during regular business hours. The county election officer upon receipt of the applications shall enter upon a record kept by such officer the name and address of each applicant, which record shall conform to the list above required. Before inspection of any advance voting ballot application list, the person desiring to make the inspection shall provide to the county election officer identification in the form of driver's license or other reliable identification and shall sign a log book or application form maintained by the officer stating the person's name and address and showing the date and time of inspection. All records made by the county election officer shall be subject to public inspection, except that the voter identification information required by subsections (b) and (c) and the identifying number on ballots and ballot envelopes and records of such numbers shall not be made public.

(j) If a person on the permanent advance voting list fails to vote in four consecutive general elections held on the Tuesday succeeding the first Monday in November of each even-numbered and odd-numbered year, the county election officer may mail a notice to such voter. The notice shall inform the voter that the voter's name will be removed from the permanent advance voting list unless the voter renews the application for permanent advance voting status within 30 days after the notice is mailed. If the voter fails to renew such application, the county election officer shall remove the voter's name from the permanent advance voting list. Failure to renew the application for permanent advance voting status shall not result in removal of the voter's name from the voter registration list.
(k) The secretary of state may adopt rules and regulations in order to implement the provisions of this section and to define valid forms of identification.

Sec. 3. K.S.A. 2017 Supp. 25-1124 is hereby amended to read as follows: 25-1124.
(a) Upon receipt of the advance voting ballot, the voter shall cast such voter's vote as follows: The voter shall make a cross or check mark in the square or parentheses opposite the name of each candidate or question for whom the voter desires to vote. The voter shall make no other mark, and shall allow no other person to make any mark, upon such ballot. If the advance voting ballot was transmitted by mail, the voter personally shall place the ballot in the ballot envelope bearing the same number as the ballot and seal the envelope. The voter shall complete the form on the ballot envelope and shall sign the same. Except as provided by K.S.A. 25-2908, and amendments thereto, the ballot envelope shall be mailed or otherwise transmitted to the county election officer. If the advance voting ballot was transmitted to the voter in person in the office of the county election officer or at a satellite advance voting site, the voter may deposit such ballot into a locked ballot box without an envelope.

(b) Any voter who has an illness or physical disability or who is not proficient in reading the English language and is unable to apply for or mark or transmit an advance voting ballot, or any voter who has a disability preventing the voter from signing an application or the form on the ballot envelope, may request assistance by a person who has signed a statement required by subsection (d) in applying for or marking an advance voting ballot, or in signing an application or the form on the ballot envelope if the voter has a disability preventing the voter from signing.

(c) Any voted ballot may be transmitted to the county election officer by the voter or by another person designated in writing by the voter, except if the voter has a disability preventing the voter from writing and signing a statement, the written and signed statement required by subsection (d) shall be sufficient. Any such voted ballot shall be transmitted to the county election officer before the close of the polls on election day.

(d) The county election officer shall allow a person to assist a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an application or advance voting ballot, or to sign for a voter who has a disability preventing the voter from signing an application or advance voting ballot form, provided a written statement is signed by the person who renders assistance to the voter who has an illness or physical disability or who is not proficient in reading the English language and such statement is submitted to the county election officer with the application or ballot. The statement shall be on a form prescribed by the secretary of state and shall contain a statement from the person providing assistance that the person has not exercised undue influence on the voting decision of the voter who has an illness or physical disability or who is not proficient in reading the English language and that the person providing assistance has completed the application, marked the ballot, or signed the application or ballot form as instructed by the voter.

(e) Any person assisting a voter who has an illness or physical disability or who is not proficient in reading the English language in applying for or marking an advance voting ballot, or in signing an application or advance voting ballot form for a voter who has a disability preventing the voter from signing the application or advance voting ballot form, who knowingly fails to sign and submit the statement required by this section or who exercises undue influence on the voting decision of such voter shall be
guilty of a severity level 9, nonperson felony.

Sec. 4. K.S.A. 2017 Supp. 25-1128 is hereby amended to read as follows: 25-1128. (a) No voter shall knowingly mark or transmit to the county election officer more than one advance voting ballot, or set of one of each kind of ballot, if the voter is entitled to vote more than one such ballot at a particular election.

(b) Except as provided in K.S.A. 25-1124, and amendments thereto, no person shall knowingly interfere with or delay the transmission of any advance voting ballot application from a voter to the county election officer, nor shall any person mail, fax or otherwise cause the application to be sent to a place other than the county election office. Any person or group engaged in the distribution of advance voting ballot applications shall mail, fax or otherwise deliver any application signed by a voter to the county election office within two days after such application is signed by the applicant.

(c) Except as otherwise provided by law, no person other than the voter, shall knowingly mark, sign or transmit to the county election officer any advance voting ballot or advance voting ballot envelope.

(d) Except as otherwise provided by law, no person shall knowingly sign an application for an advance voting ballot for another person. This provision shall not apply if a voter has a disability preventing the voter from signing an application or if an immediate family member signs an application on behalf of another immediate family member with proper authorization being given.

(e) No person, unless authorized by K.S.A. 25-1122 or K.S.A. 25-1124, and amendments thereto, shall knowingly intercept, interfere with, or delay the transmission of advance voting ballots from the county election officer to the voter.

(f) No person shall knowingly and falsely affirm, declare or subscribe to any material fact in an affirmation form for an advance voting ballot or set of advance voting ballots.

(g) A voter may return such voter's advance voting ballot to the county election officer by personal delivery or by mail. Upon written designation by the voter, a person other than the voter may return the advance voting ballot by personal delivery or mail, except that a written designation shall not be required from a voter who has a disability preventing the voter from writing or signing a written designation. Any such person designated by the voter shall sign a statement that such person has not exercised undue influence on the voting decisions of the voter and agrees to deliver the ballot as directed by the voter.

(h) Violation of any provision of this section is a severity level 9, nonperson felony.

Sec. 5. K.S.A. 25-1121 is hereby amended to read as follows: 25-1121. It shall be the duty of (a) The secretary of state to prescribe the general forms of advance voting ballots to be used in all primary and general elections and the form of the printed instructions to voters containing a statement of all the requirements of this act, to enable voters to comply with the requirements of this act. Such forms shall be transmitted to the county election officers 35 days before each primary and general election.

(b) The secretary of state shall prescribe the general format of advance voting ballot envelopes. The envelopes shall include signature blocks for the advance voter; a signature block for the person, if any, assisting the advance voter; and a signature block for a person, if any, who signs the advance voting ballot envelope on behalf of the advance voter in situations when the advance voter is physically unable to sign the
envelope.

(c) The advance ballot envelope shall contain the following statement after the
signature block provided for the person who signs the advance ballot envelope on
behalf of a person physically unable to sign such envelope:

"My signature constitutes an affidavit that the person for whom I signed the envelope
is a person who is physically unable to sign such envelope. By signing this envelope, I
swear this information is true and correct, and that signing an advance ballot envelope
under false pretenses shall constitute the crime of perjury."

Sec. 6. K.S.A. 2017 Supp. 21-5903 is hereby amended to read as follows: 21-5903.
(a) Perjury is intentionally and falsely:

(1) Swearing, testifying, affirming, declaring or subscribing to any material fact
upon any oath or affirmation legally administered in any cause, matter or proceeding
before any court, tribunal, public body, notary public or other officer authorized to
administer oaths; or

(2) subscribing as true and correct under penalty of perjury any material matter in
any declaration, verification, certificate or statement as permitted by K.S.A. 53-601, and
amendments thereto or

provided in K.S.A. 25-1121(c), and amendments thereto.

(b) Perjury is a:

a felony charge.

New Sec. 7. (a) After an election and prior to the meeting of the county board of
canvassers to certify the official election results for any election in which the canvassers
certify the results, the county election officer shall conduct a manual audit or tally of
each vote cast, regardless of the method of voting, in 1% of all precincts, with a
minimum of one precinct located within the county. The precinct or precincts shall be
randomly selected and the selection shall take place after the election.

(b) (1) The audit shall be performed manually and shall review all paper ballots
selected pursuant to subsection (a). The audit shall be performed by a sworn election
board consisting of bipartisan trained board members. The county election officer will
determine the members of the sworn election board who will conduct the audit.

(2) The audit will review contested races as follows:

(A) In presidential election years:

(i) One federal race;

(ii) one state legislative race; and

(iii) one county race.

(B) In even numbered non-presidential election years:

(i) One federal race;

(ii) one statewide race;

(iii) one state legislative race; and

(iv) one county race.

(C) In odd-numbered election years, two local races will be randomly selected and
the selection shall take place after the election.

(c) At least five days prior to the audit, notice of the time and location of the audit
shall be provided to the public on the official county website. The audit shall be conducted in a public setting. Any candidate or entity who is authorized to appoint a poll agent may appoint a poll agent for the audit.

(d) The results of the audit shall be compared to the unofficial election night returns and a report shall be submitted to the county election office and to the secretary of state's office prior to the meeting of the county board of canvassers. If a discrepancy is reported between the audit and the unofficial returns and cannot be resolved, the county election officer or the secretary of state may require audits of additional precincts. Once the audit has been completed, the results of the audit shall be used by the county board of canvassers when certifying the official election results.

(e) The secretary of state shall adopt rules and regulations governing the conduct and procedure of the audit, including the random selection of the precincts and offices involved in the audit.

(f) The provisions of this section shall apply to all counties for elections that take place after January 1, 2019.

Sec. 8. K.S.A. 2017 Supp. 25-3104 is hereby amended to read as follows: 25-3104. The original canvass of every election shall be performed by the election boards at the voting places. The county election officer shall present the original returns, together with the ballots, books and any other records of the election, for the purpose of canvass, to the county board of canvassers at any time between 8 a.m. and 10 a.m. on the Monday next following any election held on a Tuesday, except that the county election officer may move the canvass to the second Thursday following the election if notice is published prior to the canvass in a newspaper with general circulation in the county any business day not later than 13 days following any election. Notice of the time and place of the canvass shall be published in a newspaper of general circulation in the county prior to the canvass. For elections not held on a Tuesday, the canvass by the county board of canvassers shall be held on a day and hour designated by it, and not later than the fifth day following the day of such election.

Sec. 9. K.S.A. 2017 Supp. 25-4403 is hereby amended to read as follows: 25-4403. (a) The board of county commissioners and the county election officer of any county may provide an electronic or electromechanical voting system to be used at voting places, or for advance voting in the county at national, state, county, township, city and school primary and general elections and in question submitted elections.

(b) The board of county commissioners of any county in which the board of county commissioners and county election officer have determined that an electronic or electromechanical voting system shall be used may issue bonds to finance and pay for purchase, lease or rental of such a system.

(c) The board of county commissioners and the county election officer of any county may adopt, experiment with or abandon any electronic or electromechanical system herein authorized and approved for use in the state and may use such a system in all or any part of the voting areas within the county or in combination with an optical scanning voting system or with regular paper ballots. Whenever the secretary of state rescinds approval of any voting system, the board of county commissioners and the county election officer shall abandon such the system until changes therein required by the secretary of state have been made, or if the secretary of state advises that acceptable changes cannot be made therein, such the abandonment shall be permanent.

(d) On and after the effective date of this act, no board of county commissioners in
any county may purchase, lease or rent any direct recording electronic system, as defined in K.S.A. 25-4401(d), and amendments thereto. On and after the effective date of this act, no board of county commissioners in any county may purchase, lease or rent any electronic or electromechanical voting system, unless such system:

(1) Provides a paper record of each vote cast, produced at the time the vote is cast; and

(2) has the ability to be tested both before an election and prior to the date of canvass. Such test shall include the ability to match the paper record of the machine to the vote total contained in the machine.

Sec. 10. K.S.A. 2017 Supp. 25-4406 is hereby amended to read as follows: 25-4406. Electronic or electromechanical voting systems approved by the secretary of state:

(e) Further determinations regarding a child removed from the home. If custody has been awarded under subsection (d) to a person other than a parent, a permanency plan shall be provided or prepared pursuant to K.S.A. 2017 Supp. 38-2264, and amendments thereto. If a permanency plan is provided at the dispositional hearing, the court may determine whether reintegration is a viable alternative or, if reintegration is not a viable alternative, whether the child should be placed for adoption or a permanent custodian appointed. In determining whether reintegration is a viable alternative, the court shall consider:

(1) Whether a parent has been found by a court to have committed one of the following crimes or to have violated the law of another state prohibiting such crimes or to have aided and abetted, attempted, conspired or solicited the commission of one of these crimes: (A) Murder in the first degree, K.S.A. 21-3401, prior to its repeal, or K.S.A. 2017 Supp. 21-5402, and amendments thereto; (B) murder in the second degree, K.S.A. 21-3402, prior to its repeal, or K.S.A. 2017 Supp. 21-5403, and amendments thereto; (C) capital murder, K.S.A. 21-3439, prior to its repeal, or K.S.A. 2017 Supp. 21-5401, and amendments thereto; (D) voluntary manslaughter, K.S.A. 21-3403, prior to its repeal, or K.S.A. 2017 Supp. 21-5404, and amendments thereto; or (E) a felony battery that resulted in bodily injury;

(2) whether a parent has subjected the child or another child to aggravated circumstances;

(3) whether a parent has previously been found to be an unfit parent in proceedings
under this code or in comparable proceedings under the laws of another state or the federal government;

(4) whether the child has been in extended out of home placement the custody of the secretary and placed with neither parent for 15 of the most recent 22 months beginning 60 days after the date on which a child in the secretary's custody was removed from the child's home;

(6) whether the secretary has provided the family with services necessary for the safe return of the child to the home; and

(7) whether it is reasonable to expect reintegration to occur within a time frame consistent with the child's developmental needs.

(f) Proceedings if reintegration is not a viable alternative. If the court determines that reintegration is not a viable alternative, proceedings to terminate parental rights and permit placement of the child for adoption or appointment of a permanent custodian shall be initiated unless the court finds that compelling reasons have been documented in the case plan why adoption or appointment of a permanent custodian would not be in the best interests of the child. If compelling reasons have not been documented, the county or district attorney shall file a motion within 30 days to terminate parental rights or a motion to appoint a permanent custodian within 30 days and the court shall hold a hearing on the motion within 90 days of its filing. No hearing is required when the parents voluntarily relinquish parental rights or consent to the appointment of a permanent custodian.

(g) Additional Orders. In addition to or in lieu of any other order authorized by this section:

(1) The court may order the child and the parents of any child who has been adjudicated a child in need of care to attend counseling sessions as the court directs. The expense of the counseling may be assessed as an expense in the case. No mental health provider shall charge a greater fee for court-ordered counseling than the provider would have charged to the person receiving counseling if the person had requested counseling on the person's own initiative.

(2) If the court has reason to believe that a child is before the court due, in whole or in part, to the use or misuse of alcohol or a violation of K.S.A. 2017 Supp. 21-5701 through 21-5717, and amendments thereto, by the child, a parent of the child, or another person responsible for the care of the child, the court may order the child, parent of the child or other person responsible for the care of the child to submit to and complete an alcohol and drug evaluation by a qualified person or agency and comply with any recommendations. If the evaluation is performed by a community-based alcohol and drug safety program certified pursuant to K.S.A. 8-1008, and amendments thereto, the child, parent of the child or other person responsible for the care of the child shall pay a fee not to exceed the fee established by that statute. If the court finds that the child and those legally liable for the child's support are indigent, the fee may be waived. In no event shall the fee be assessed against the secretary.

(3) If child support has been requested and the parent or parents have a duty to support the child, the court may order one or both parents to pay child support and, when custody is awarded to the secretary, the court shall order one or both parents to pay child support. The court shall determine, for each parent separately, whether the parent is already subject to an order to pay support for the child. If the parent is not
presently ordered to pay support for any child who is subject to the jurisdiction of the
court and the court has personal jurisdiction over the parent, the court shall order the
parent to pay child support in an amount determined under K.S.A. 2017 Supp. 38-2277,
and amendments thereto. Except for good cause shown, the court shall issue an
immediate income withholding order pursuant to K.S.A. 2017 Supp. 23-3101 et seq.,
and amendments thereto, for each parent ordered to pay support under this subsection,
regardless of whether a payor has been identified for the parent. A parent ordered to pay
child support under this subsection shall be notified, at the hearing or otherwise, that the
child support order may be registered pursuant to K.S.A. 2017 Supp. 38-2279, and
amendments thereto. The parent shall also be informed that, after registration, the
income withholding order may be served on the parent's employer without further
notice to the parent and the child support order may be enforced by any method allowed
by law. Failure to provide this notice shall not affect the validity of the child support
order.

notice in a subsequent adoption proceeding involving the child. Upon such

Sec. 13. K.S.A. 2017 Supp. 38-2269 is hereby amended to read as follows: 38-2269. (a) When the child has been adjudicated to be a child in need of care, the court may terminate parental rights or appoint a permanent custodian when the court finds by clear and convincing evidence that the parent is unfit by reason of conduct or condition which renders the parent unable to care properly for a child and the conduct or condition is unlikely to change in the foreseeable future.

(b) In making a determination of unfitness the court shall consider, but is not limited to, the following, if applicable:

(1) Emotional illness, mental illness, mental deficiency or physical disability of the parent, of such duration or nature as to render the parent unable to care for the ongoing physical, mental and emotional needs of the child;

3. Failure to carry out a reasonable plan approved by the court directed toward the integration of the child into a parental home; and
4. Failure to pay a reasonable portion of the cost of substitute physical care and maintenance based on ability to pay.

convicted or adjudicated parent's opinions or wishes in regard to the placement of such child.

(i) A record shall be made of the proceedings.

(j) When adoption, proceedings to appoint a permanent custodian or continued permanency planning has been authorized, the person or agency awarded custody of the child shall within 30 days submit a written plan for permanent placement which shall include measurable objectives and time schedules.

Such signage shall include instructions on how to contact the owner's representatives if immediate assistance is needed and how to make an injury report.

(4) The failure of a patron, or the patron's parent or guardian, to report an injury under this subsection shall have no effect on the patron's right to commence a civil action.
(b) The owner of an amusement ride, antique amusement ride, limited-use amusement ride or registered agritourism activity shall notify the department of any serious injury reported by a patron, or any injury caused by a malfunction or failure of an amusement ride or caused by an operator or patron error. Such notification shall be submitted to the department within 72 hours of the time that the operator becomes aware of the injury.

(c) If a serious injury occurs, the equipment or conditions that caused the injury shall be preserved for the purpose of an investigation by the department and such amusement ride shall be immediately removed from service until an investigation is completed or deemed unnecessary by the secretary. Except as provided in subsection (d), if upon notification, the department shall acknowledge receipt of such notice and determine if an investigation of a serious injury is necessary. If an investigation is not commenced within 24 hours after the department receives notification of such injury, then an investigation shall be deemed unnecessary.

(d) If the serious injury results in the death of a patron, the owner shall notify the department of the injury as soon as possible. Such notification shall be by telephone initially with a written notification sent within 24 hours after the initial notice. If the patron's death is related to a major malfunction of the amusement ride, an investigation shall be required and the department shall commence such investigation within 24 hours after receiving initial notice of the injury. No part of the amusement ride or the ride itself, shall be moved or repaired without the written approval of the secretary, or the secretary's designee, except that nothing in this subsection shall be construed so as to hinder emergency response personnel from performing their duties, or to prevent the elimination of an obvious safety hazard. The owner shall provide the department with complete access to the amusement ride and all related premises for the purposes of the investigation and shall provide all information related to the cause of the injury to the department.

(a) Driving a commercial motor vehicle under the influence is operating or attempting to operate any commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while:

(b) (1) Driving a commercial motor vehicle under the influence is:
(A) On a first conviction a class B, nonperson misdemeanor. The person convicted shall be sentenced to not less than 48 consecutive hours nor more than six months' imprisonment, or in the court's discretion, 100 hours of public service, and fined not less than $750 nor more than $1,000. The person convicted shall serve at least 48 consecutive hours' imprisonment or 100 hours of public service either before or as a condition of any grant of probation, suspension or reduction of sentence or parole or other release;
(B) on a second conviction a class A, nonperson misdemeanor. The person convicted shall be sentenced to not less than 90 days nor more than one year's
imprisonment and fined not less than $1,250 nor more than $1,750. The person convicted shall serve at least five consecutive days' imprisonment before the person is granted probation, suspension or reduction of sentence or parole or is otherwise released. The five days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 120 hours of confinement. Such 120 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2017 Supp. 21-6609, and amendments thereto, to serve the five days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of 120 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 120 hours; and

(C) on a third or subsequent conviction a nonperson felony. The person convicted shall be sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than $1,750 nor more than $2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The person convicted, if placed into a work release program, shall serve a minimum of 2,160 hours of confinement. Such 2,160 hours of confinement shall be a period of at least 48 consecutive hours of imprisonment followed by confinement hours at the end of and continuing to the beginning of the offender's work day. The court may place the person convicted under a house arrest program pursuant to K.S.A. 2017 Supp. 21-6609, and amendments thereto, to serve the 90 days' imprisonment mandated by this subsection only after such person has served 48 consecutive hours' imprisonment. The person convicted, if placed under house arrest, shall be monitored by an electronic monitoring device, which verifies the offender's location. The offender shall serve a minimum of 2,160 hours of confinement within the boundaries of the offender's residence. Any exceptions to remaining within the boundaries of the offender's residence provided for in the house arrest agreement shall not be counted as part of the 2,160 hours.

(2) In addition, for any conviction pursuant to subsection (b)(1)(C), at the time of the filing of the judgment form or journal entry as required by K.S.A. 22-3426 or K.S.A. 2017 Supp. 21-6711, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The court shall determine whether the offender, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the offender. The risk and needs of the offender shall be determined by use of a risk
assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the aging and disability services department designated treatment provider and the offender. An offender for whom a warrant has been issued by the court alleging a violation of such supervision shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it is found the offender has violated the provisions of this supervision, the court shall determine whether the time from the issuing of the warrant to the date of the court's determination of an alleged violation, or any part of it, shall be counted as time served on supervision. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof. The term of supervision may be extended at the court's discretion beyond one year, and any violation of the conditions of such extended term of supervision may subject such person to the revocation of supervision and imprisonment in jail of up to the remainder of the original sentence, not the term of the extended supervision.

(3) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment shall be served consecutively to any other minimum mandatory penalty imposed for a violation of this section, or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of K.S.A. 8-1567(a)(4) or (a)(5), and amendments thereto, as incorporated in this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not
constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the: (1) Division a record of all prior convictions obtained against such person for any violation of any of the motor vehicle laws of this state; and (2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(i) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall: (1) Disqualify the person from driving a commercial motor vehicle under K.S.A. 8-2,142, and amendments thereto; and (2) suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(j) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this section as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(k) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the: (A) Division
of vehicles a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and (B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution. The county or district attorney shall accept such referral and pursue a disposition of such violation, and shall not refer any such violation back to the city attorney.

(l) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance or resolution.

(m) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) subsection (a) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or two of the three more of such alternatives prior to submission of the case to the fact finder.

(n) For the purpose of determining whether a conviction is a first, second, third or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of K.S.A. 8-1567, and amendments thereto, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that such section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account: (A) This section; (B) refusing to submit to a test to determine the presence of alcohol or drugs, K.S.A. 2017 Supp. 8-1025, and amendments thereto; (C) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto; (D) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or K.S.A. 2017 Supp. 21-5405(a)(3) or (a)(5), and amendments thereto; (E) aggravated battery as described in K.S.A. 2017 Supp. 21-5413(b)(3) or (b)(4), and amendments thereto; and (F) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "Conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime described in subsection (n)(2); and (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (n)(1) or (n)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice
for an act which was committed on a military reservation and which would constitute a crime described in subsection (n)(1) or (n)(2) if committed off a military reservation in this state jurisdiction that would constitute an offense that is comparable to the offense described in subsection (n)(1) or (n)(2):

(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(5) multiple convictions of any crime described in subsection (n)(1) or (n)(2) arising from the same arrest shall only be counted as one conviction.

(o) For the purposes of determining whether an offense is comparable, the following shall be considered:

(1) The name of the out-of-jurisdiction offense;

(2) the elements of the out-of-jurisdiction offense; and

(3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.

(p) For the purpose of this section:

(1) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(2) "imprisonment" shall include any restrained environment in which the court and law enforcement agency intend to retain custody and control of a defendant and such environment has been approved by the board of county commissioners or the governing body of a city; and

Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2017 Supp. 75-52,113, and amendments thereto."

(2) The court may order that the term of imprisonment imposed pursuant to subsection (b)(1)(D) or (b)(1)(E) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 2017 Supp. 21-6804, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person's discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.
(3) In addition, for any conviction pursuant to subsection (b)(1)(C), (b)(1)(D) or (b)
(1)(E), at the time of the filing of the judgment form or journal entry as required by
K.S.A. 22-3426 or K.S.A. 2017 Supp. 21-6711, and amendments thereto, the court shall
cause a certified copy to be sent to the officer having the offender in charge. The court
shall determine whether the offender, upon release from imprisonment, shall be
supervised by community correctional services or court services based upon the risk
and needs of the offender. The risk and needs of the offender shall be determined by use
of a risk assessment tool specified by the Kansas sentencing commission. The law
enforcement agency maintaining custody and control of a defendant for imprisonment
shall cause a certified copy of the judgment form or journal entry to be sent to the
supervision office designated by the court and upon expiration of the term of
imprisonment shall deliver the defendant to a location designated by the supervision
office designated by the court. After the term of imprisonment imposed by the court, the
person shall be placed on supervision to community correctional services or court
services, as determined by the court, for a mandatory one-year period of supervision,
which such period of supervision shall not be reduced. During such supervision, the
person shall be required to participate in a multidisciplinary model of services for
substance use disorders facilitated by a Kansas department for aging and disability
services designated care coordination agency to include assessment and, if appropriate,
referral to a community based substance use disorder treatment including recovery
management and mental health counseling as needed. The multidisciplinary team shall
include the designated care coordination agency, the supervision officer, the Kansas
department for aging and disability services designated treatment provider and the
offender. An offender for whom a warrant has been issued by the court alleging a
violation of this supervision shall be considered a fugitive from justice if it is found that
the warrant cannot be served. If it is found the offender has violated the provisions of
this supervision, the court shall determine whether the time from the issuing of the
warrant to the date of the court's determination of an alleged violation, or any part of it,
shall be counted as time served on supervision. Any violation of the conditions of such
supervision may subject such person to revocation of supervision and imprisonment in
jail for the remainder of the period of imprisonment, the remainder of the supervision
period, or any combination or portion thereof. The term of supervision may be extended
at the court's discretion beyond one year, and any violation of the conditions of such
extended term of supervision may subject such person to the revocation of supervision
and imprisonment in jail of up to the remainder of the original sentence, not the term of
the extended supervision.

(4) In addition, prior to sentencing for any conviction pursuant to subsection (b)(1)
(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug
evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments
thereto. The person shall be required to follow any recommendation made by the
provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of violating this section or an
ordinance which prohibits the acts that this section prohibits who had one or more
children under the age of 14 in the vehicle at the time of the offense shall have
such person's punishment enhanced by one month of imprisonment. This imprisonment
must be served consecutively to any other minimum mandatory penalty imposed for a
violation of this section or an ordinance which prohibits the acts that this section
prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of this section involving drugs subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(f) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to $5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

(1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and
(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division including any finding regarding the alcohol concentration in the offender's blood or breath. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(i) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of this section, or a violation of an ordinance of any city or resolution of any county which prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account: (A) Refusing to submit to a test to determine the presence of alcohol or drugs, K.S.A. 2017 Supp. 8-1025, and amendments thereto; (B) Driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto; (C) Operating a vessel under the influence...
of alcohol or drugs, K.S.A. 32-1131, and amendments thereto;  (D) (C) involuntary manslaughter while driving under the influence of alcohol or drugs, K.S.A. 21-3442, prior to its repeal, or K.S.A. 2017 Supp. 21-5405(a)(3) or (a)(5), and amendments thereto; (E) (D) aggravated battery as described in K.S.A. 2017 Supp. 21-5413(b)(3) or (b)(4), and amendments thereto; and (F) (E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes: (A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of a crime an offense described in subsection (i)(2); and (B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another state which would constitute a crime described in subsection (i)(1) or (i)(2); and (C) receiving punishment under the uniform code of military justice or Kansas code of military justice for an act which was committed on a military reservation and which would constitute a crime described in subsection (i)(1) or (i)(2) if committed off a military reservation in this state jurisdiction that would constitute an offense that is comparable to the offense described in subsection (i)(1) or (i)(2);

(4) multiple convictions of any crime described in subsection (i)(1) or (i)(2) arising from the same arrest shall only be counted as one conviction;

(5) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(6) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(j) For the purposes of determining whether an offense is comparable, the following shall be considered:

(1) The name of the out-of-jurisdiction offense;

(2) the elements of the out-of-jurisdiction offense; and

(3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.

(k) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(k)(l)(1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a
violation of such ordinance which is concurrent with the jurisdiction of the district court
over a violation of this section, notwithstanding that the elements of such ordinance
violation are the same as the elements of a violation of this section that would
constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the
convicted person pay restitution to any victim who suffered loss due to the violation for
which the person was convicted.

(m) (1) Upon the filing of a complaint, citation or notice to appear alleging a
person has violated a city ordinance prohibiting the acts prohibited by this section, and
prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division a record of all prior convictions obtained against such person for any
violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record
information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a
violation of this section that would constitute, and be punished as, a felony, the city
attorney shall refer the violation to the appropriate county or district attorney for
prosecution.

(n) No plea bargaining agreement shall be entered into nor shall any judge
approve a plea bargaining agreement entered into for the purpose of permitting a person
charged with a violation of this section, or a violation of any ordinance of a city or
resolution of any county in this state which prohibits the acts prohibited by this section,
to avoid the mandatory penalties established by this section or by the ordinance. For the
purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-
4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea
bargaining.

(o) The alternatives set out in subsections (a)(1), (a)(2) and (a)(3) subsection (a)
may be pleaded in the alternative, and the state, city or county may, but shall not be
required to, may elect one or two of the three more of such alternatives prior to
submission of the case to the fact finder.

(p) As used in this section: (1) "Alcohol concentration" means the number of
grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(2) "imprisonment" shall include any restrained environment in which the court and
law enforcement agency intend to retain custody and control of a defendant and such
environment has been approved by the board of county commissioners or the governing
body of a city; and

(3) "drug" includes toxic vapors as such term is defined in K.S.A. 2017 Supp. 21-
5712, and amendments thereto.

(q) (1) The amount of the increase in fines as specified in this section shall be
remitted by the clerk of the district court to the state treasurer in accordance with the
provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of remittance of
the increase provided in this act, the state treasurer shall deposit the entire amount in the
state treasury and the state treasurer shall credit 50% to the community alcoholism and
intoxication programs fund and 50% to the department of corrections alcohol and drug
abuse treatment fund, which is hereby created in the state treasury.

(2) On and after July 1, 2011, the amount of $250 from each fine imposed pursuant
to this section shall be remitted by the clerk of the district court to the state treasurer in
accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 2017 Supp. 75-52,113, and amendments thereto;"

the Lord your God will set you high above all the nations of the world.
You will experience all these blessings if you obey the Lord your God:
Your towns and your fields will be blessed.
Your children and your crops will be blessed.
The offspring of your herds and flocks will be blessed.
Your fruit and bread baskets will be blessed.
Wherever you go and whatever you do, you will be blessed.”

   (2) Statements shall be provided to each account owner at least four times each year within 30 days after the end of the three-month period to which a statement relates. The statement shall identify the contributions made during the preceding three-month period, the total contributions made to the account through the end of the period, the value of the account at the end of such period, distributions made during such period and any other information that the treasurer shall require to be reported to the account owner.

Sec. 2. K.S.A. 2017 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

(iii) The federal net operating loss deduction, except that the federal net operating loss deduction shall not be added to an individual's federal adjusted gross income for tax years beginning after December 31, 2016.

(iv) Federal income tax refunds received by the taxpayer if the deduction of the taxes being refunded resulted in a tax benefit for Kansas income tax purposes during a prior taxable year. Such refunds shall be included in income in the year actually received regardless of the method of accounting used by the taxpayer. For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(viii) The amount of any costs incurred for improvements to a swine facility, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 2017 Supp. 79-32,204, and amendments thereto.

(ix) The amount of any ad valorem taxes and assessments paid and the amount of any costs incurred for habitat management or construction and maintenance of improvements on real property, claimed for deduction in determining federal adjusted gross income, to the extent the same is claimed as the basis for any credit allowed pursuant to K.S.A. 79-32,203, and amendments thereto.

(x) Amounts received as nonqualified withdrawals, as defined by K.S.A. 2017 Supp. 75-643, and amendments thereto, if, at the time of contribution to a family postsecondary education savings account, such amounts were subtracted from the federal adjusted gross income pursuant to K.S.A. 79-32,117(c)(xv), and amendments thereto, or if such amounts are not already included in the federal adjusted gross income.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 2017 Supp. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 2017 Supp. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

Notice also shall be given in an independent adoption to a legal guardian of the child or individual in loco parentis, unless waived by the party entitled to notice.

(c) In an agency adoption, notice of the hearing on the petition shall be given to the consenting agency, the parents or possible parents, any relinquishing party and any person who has physical custody of the child at least 10 calendar days before the hearing, unless waived by the party entitled to notice.

(c) The costs of the adoption proceedings shall be paid by the petitioner or as assessed by the court.

Sec. 19. K.S.A. 2017 Supp. 59-2136 is hereby amended to read as follows: 59-2136.

(a) The provisions of this section shall apply where a relinquishment or consent to
an adoption has not been obtained from a parent and K.S.A. 59-2124 and 59-2129, and amendments thereto, state that the necessity of a parent's relinquishment or consent can be determined under this section.

(b) Insofar as practicable, the provisions of this section applicable to the father also shall apply to the mother and those applicable to the mother also shall apply to the father.

(c) In stepparent adoptions under subsection (d), the court may appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. In all other cases, the court shall appoint an attorney to represent any father who is unknown or whose whereabouts are unknown. If no person is identified as the father or a possible father, or if the father's whereabouts are unknown, the court shall order publication notice of the hearing in such manner as the court deems appropriate.

(d) In a stepparent adoption, if a mother consents to the adoption of a child who has a presumed father under subsection (a)(1), (2) or (3) of K.S.A. 2017 Supp. 23-2208, and amendments thereto, or who has a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction, the consent of such father must be given to the adoption unless such father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption or is incapable of giving such consent. In determining whether a father's consent is required under this subsection, the court may disregard incidental visitations, contacts, communications or contributions. In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent. The court may consider the best interests of the child and the fitness of the nonconsenting parent in determining whether a stepparent adoption should be granted.

(e) Except as provided in subsection (d), if a mother desires to relinquish or consents to the adoption of such mother's child, a petition shall be filed in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court. The petition may be filed by the mother, the petitioner for adoption, the person or agency having custody of the child or the agency to which the child has been or is to be relinquished. Where appropriate, the request to terminate parental rights may be contained in a petition for adoption.

(d) (1) A petition to terminate parental rights may be filed as part of a petition for adoption or as an independent action. If the request to terminate parental rights is not filed in connection with as part of an adoption proceeding, venue shall be in the county in which the child, the mother or the presumed or alleged father or a parent resides or is found.

(2) The petition may be filed by a parent, the petitioner for adoption, the person or agency having legal custody of the child, or the agency to which the child has been relinquished.

(3) Absent a finding of good cause by a court with jurisdiction under this act, a proceeding to terminate parental rights shall have precedence over any proceeding.
involving custody of the child under the Kansas family law code, K.S.A. 23-2101 et seq., and amendments thereto, or the protection from abuse act, K.S.A. 60-3101 et seq., and amendments thereto, until a final order is entered on the termination issues or until further orders of the court.

(e) In an effort to identify the father, the court shall determine by deposition, affidavit or hearing, the following:
   (1) Whether there is a presumed father under K.S.A. 2017 Supp. 23-2208, and amendments thereto;
   (2) whether there is a father whose relationship to the child has been determined by a court;
   (3) whether there is a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction;
   (4) whether the mother was cohabitating with a man at the time of conception or birth of the child;
   (5) whether the mother has received support payments or promises of support with respect to the child or in connection with such mother's pregnancy; and
   (6) whether any person has formally or informally acknowledged or declared such person's possible paternity of the child.

If the father is identified to the satisfaction of the court, or if more than one man is identified as a possible father, each shall be given notice of the proceeding in accordance with subsection (f).

(f) Notice of the proceeding shall be given to every person identified as the father or a possible father by personal service, certified mail return receipt requested or in any other manner the court may direct. Notice shall be given at least 10 calendar days before the hearing, unless waived by the person entitled to notice. Proof of notice or waiver of notice shall be filed with the court before the petition or request is heard.

(g) (1) If, after the inquiry, the court is unable to identify the father or any possible father and no person has appeared claiming to be the father and claiming custodial rights, the court shall enter an order terminating the unknown father's parental rights with reference to the child without regard to consideration of subsection (h).

   (2) If any person identified as the father or possible father of the child fails to appear or, if appearing, fails to claim custodial rights, such person's parental rights with reference to the child shall be terminated without regard to consideration of subsection (h).

(h) (1) When a father or alleged father appears and asserts claims parental rights, the court shall determine parentage, if necessary pursuant to the Kansas parentage act, K.S.A. 2017 Supp. 23-2201 et seq., and amendments thereto. If a father desires but is financially unable to employ an attorney, the court shall appoint an attorney for the father. Thereafter, the court may order that parental rights be terminated and find the consent or relinquishment unnecessary, upon a finding by clear and convincing evidence, of any of the following:
   (A) The father abandoned or neglected the child after having knowledge of the child's birth;
   (B) the father is unfit as a parent or incapable of giving consent;
   (C) the father has made no reasonable efforts to support or communicate with the child after having knowledge of the child's birth;
   (D) the father, after having knowledge of the pregnancy, failed without reasonable
cause to provide support for the mother during the six months prior to the child's birth; 
(E) the father abandoned the mother after having knowledge of the pregnancy; 
(F) the birth of the child was the result of rape of the mother; or 
(G) the father has failed or refused to assume the duties of a parent for two consecutive years preceding the filing of the petition.

(2) In making a finding whether parental rights shall be terminated under this subsection, the court may:
(A) Consider and weigh the best interest of the child; and 
Shall consider all of the relevant surrounding circumstances; and 
(B) may disregard incidental visitations, contacts, communications or contributions.

(3) In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent.

(4) For the purposes of this subsection, "support" means monetary or non-monetary assistance that is reflected in specific and significant acts and sustained over the applicable period.

EXPLANATIONS OF VOTE

MR SPEAKER: I vote NO on SB 284. Passage of the bill will result in taxpayer-financed discrimination against adoptive parents based on their religion or sexual orientation. If the bill does not pass, faith-based agencies who want to accept taxpayer money might have to choose between abandoning the families and children that they have been serving or placing children with gay couples, but no agency will be forced to leave the state. I would hope that when faced with such a decision, our faith-based
agencies would find that their highest religious value is to continue to do the important, compassionate work that they have been doing. – Boog Highberger

Mr. Speaker: I vote no on SB 284, not because I don't value faith-based adoption. On the contrary, I very much do support faith-based adoption. I vote no on SB 284 because I do not support permitting taxpayer dollars to subsidize discriminatory practices in the great state of Kansas. – Joy Koesten, Sydney Carlin

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. E. Smith are spread upon the Journal:

Today, being our last day of this session and this term, we celebrate the sacrifices and willingness of our state’s law enforcement officers. Men and women across our great state have chosen a profession intentionally placing themselves between our families and danger. We refer to this group of men and women of law enforcement as the Thin Blue Line. The Thin Blue Line is representative of the fragility of our liberty. These dedicated professionals have millions of contacts with the public EVERY day.
As officers of my generation mature and I watch many of my colleagues of 20 plus years retire, young officers are moving into those positions of trust and it is up to my
generation to ensure that the new officers of today fulfill that obligation generations before us and them were tasked with. We are the profession that is the working edge of the shield to protect our Constitution. Unique to this obligation is the office of the Sheriff. Our first duty is to ensure that the rights guaranteed under the Constitution are never abandoned or eroded.

About 17-18 years ago, my son wore a pair of shorts, a t-shirt, a gun belt and a badge that we had given him. He would call from the kitchen for me, asking for backup. Little did I realize the endgame to this decision. I spent the next 12 years trying to discourage my son from following my footsteps into this profession. The danger and the liability had become much greater than when I started. However, here he stands beside me, a co-worker at my department. About two months ago, I answered his first genuine call for backup while I was on duty. I explain to you the surreal nature of that moment and the learning curve that I had inherited. Today, you see us in our work uniform, the tools of our trade we carry with us everywhere as we are rural deputies and backup officers are few and far between.

Anyone entering law enforcement today is facing an enormous challenge of scrutiny and second guessing unlike anything I have had to endure in the past. The sacrifices our officers will endure today are greater than those of the past. While we acknowledge the danger of the job through memorials for officers lost in the line of duty, there are millions of officers and former officers today who suffer the wounds and injuries that do not show up in any statistics. Many retired officers bear the scars of too many scenes etched in their minds, too many close calls, and perhaps an injury or two that left them with a limp or a shortened life. The sacrifices are hard to explain, especially to a young officer like my son, but I know that he has had a good education about what this is about, about what his obligations are and I am so very proud of him.

I wanted to be able to invite my department up here to introduce them to you. The men who took over for me during the past two years. Unfortunately that did not work out, but I would still like to thank my sheriff, Randy Rogers, for working through this with me.

Today and during law Enforcement appreciation week, May 14th-18th, I ask the body to recognize the law enforcement officers in your districts and let them know when they are doing a good job. Please shake the hand of the officers you see in the Capitol today. Kansas was fortunate not to lose officers this year, but today, we recognize those officers who gave all. Thank you, body, I cannot tell you how much I appreciate being here with you and being able to work with you. May God bless you and keep you safe while we are apart. Thank you.

PERSONAL PRIVILIGE

There being no objection, the following remarks of Reps. Whitmer and Carmichael are spread upon the Journal:

Director Pavey's law enforcement background includes serving nearly 21 years with the Sedgwick County Sheriff’s Department, retiring in 1989 at the rank of Division Commander. Immediately following his retirement, Ed joined KLETC as assistant director, and became the Center’s director in 1994. He is just the third director in the training center’s 50 year history and officials estimate that 10,000 new officers have graduated from the center’s basic training program during Pavey’s tenure. Ed’s legacy will be in the men and women of law enforcement who he mentored and cultivated for nearly thirty years and the people of Kansas will be forever grateful for his service.
Ed, on behalf of the Kansas House of Representatives, I would like to thank you for your dedication and your service and present you with this official tribute from the Kansas Legislature requested by Representative Carmichael and myself and it reads: Be it hereby known to all that sincere congratulations are offered honoring KLETC Director Ed Pavey for his half-century career of dedicated service to law enforcement and the people of Kansas with best wishes for the future.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Jennings are spread upon the Journal:

In one week the Jennings family will be joining thousands of other Kansans in celebrating a milestone in the lives of their children, graduation. Julie Jennings, the eldest of my two daughters, will be graduating from Kansas University Medical School with her Doctorate in Advance Practice Nursing and my youngest daughter, Jodie Jennings Werth will be graduating from the University of Missouri Kansas City with her Doctorate in Dental Surgery. Julie will soon begin work at a cardiology practice in Kansas City which is associated with St. Lukes Hospital and Jodie will be returning to western Kansas to practice dentistry in Russell.

We are exceedingly proud of the accomplishments of these two young women but are quick to acknowledge there were many who played a critical role in their ultimate success. I wish to express my gratitude to all who have contributed to their growth and development. The public-school teachers at Lakin U.S.D. 215 prepared them for college, Ft. Hays State University and Washburn University prepared them for graduate studies and KU and UMKC prepared them for their chosen field in health care. Congratulations to Julie and Jodie and thank you to all who contributed to their success.

The secretary shall reconsider the application and make a determination within 30 days of receiving all additional information to be considered before approving any pending applications submitted after the denied applicant's original submission date. (e) If the application is approved, the secretary shall provide written notice to the applicant stating:

1. The applicant is an approved investment company; and
2. the amount of the applicant’s approved growth capital and credit-eligible capital contributions.

The secretary shall first award lapsed growth capital pro rata to each approved investment company that was awarded
less than its requested growth capital in the order in which the application was received. Each recipient approved investment company may allocate its approved credit-eligible capital contributions to its investors who submitted affidavits in its discretion. Any remaining growth capital and available tax credits may be awarded by the secretary to successful new applicants.

(g) Application fees submitted to the department shall be deposited in the state treasury and credited to the ad astra rural jobs fund. New Sec. 5. An approved investment company, before making a funding, shall request a written opinion from the department stating whether the business in which it proposes to invest is a rural business concern. The department shall respond to a request with its determination within 15 business days of receiving such request. If the department fails to respond within 15 business days of receiving the request, the business for which determination is sought shall be considered a rural business concern. The department's determination shall govern whether the business is considered a rural business concern for purposes of sections 1 through 11, and amendments thereto, except for a failure of a rural business concern to complete and maintain any agreed relocations of its principal business operations or for fraud.

New Sec. 6. (a) There shall be allowed as a credit against the tax liability of a taxpayer subject to the tax imposed under the Kansas income tax act, the annual tax on net income pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, and the retaliatory tax imposed pursuant to K.S.A. 40-253, and amendments thereto, for taxpayers that make a credit-eligible capital contribution to an approved investment company and that receive a tax credit certificate issued under this section. The credit shall not be sold or transferred to any other entity, except an affiliate nor allocated to a taxpayer's partners, shareholders or members.

(b) The taxpayer shall earn a vested credit equal to the amount of the taxpayer's credit-eligible capital contribution to the approved investment company upon providing documentation to the department of the contribution. Upon review and approval of the documentation, the department shall issue a tax credit certificate in the amount of the tax credit approval by the department to the taxpayer. The taxpayer may claim an amount up to 20% of the tax credit certificate authorized under this section for each of the five tax years beginning on or after the second anniversary of the closing date, exclusive of amounts carried forward under subsection (c).

(c) If the amount of the tax credit exceeds the taxpayer's tax liability for the taxable year, the amount thereof which exceeds the tax liability may be carried forward for deduction from the taxpayer's tax liability in the succeeding taxable year or years until the total amount of the tax credit has been deducted from tax liability, except that no such tax credit shall be carried forward for deduction after the fifth taxable year succeeding the taxable year in which such credit initially was claimed.

(d) The maximum amount of credits claimed in any one fiscal year by all taxpayers pursuant to this section shall not exceed $10,000,000, exclusive of amounts carried
forward under subsection (c).

New Sec. 7. (a) The secretary shall revoke a tax credit certificate issued under section 6, and amendments thereto, upon a determination by the secretary of commerce that any of the following occur with respect to an approved investment company before it exits the program in accordance with subsection (f):

1. The approved investment company does not invest 100% of its growth capital in funding within two years of the closing date;

2. the approved investment company, after investing 100% of its growth capital in fundings, fails to maintain that investment until the sixth anniversary of the closing date. An investment shall be considered maintained by an approved investment company even if the investment has been sold or repaid, if the approved investment company reinvests an amount equal to the capital returned to or recovered by the approved investment company from the original investment, exclusive of any profits realized, in another funding within twelve months of the receipt of such capital. Periodic amounts received as repayment of principal pursuant to regularly scheduled amortization payments on a funding shall be treated as maintained if the amounts are reinvested in one or more fundings by the end of the following calendar year. The amount of funding that will be included towards satisfaction of the requirements of this paragraph with respect to any one rural business concern, collectively with any fundings in affiliates of such rural business concern, shall not exceed the greater of $6,500,000 and 20% of the approved investment company’s total growth capital;

3. the approved investment company, before exiting the program, makes a distribution or payment that results in the approved investment fund having less than 100% of its growth capital invested in fundings or available for investment in fundings and held as cash or other marketable securities;

4. the approved investment company invests funding in a rural business concern that, directly or indirectly through an affiliate, owns, has the right to acquire an ownership interest in, makes a loan to, or makes an investment in the approved investment company, an affiliate of the approved investment company, or an investor in the approved investment company. This paragraph shall not apply to investments in publicly traded securities by a rural business concern or an owner or affiliate of such rural business concern. For purposes of this paragraph, an approved investment company shall not be considered an affiliate of a rural business concern solely as a result of its funding; or

5. the approved investment company invests funding in a rural business concern that fails to meet or maintain an agreed relocation of its principal business operations.

(b) Before revoking one or more tax credit certificates pursuant to subsection (a), the secretary shall notify the approved investment company of the reasons for the pending revocation. The approved investment company shall have 90 days from the date of such notice to correct the violations to the satisfaction of the secretary and avoid revocation of the tax credit certificate. The approved investment company shall be charged $5,000 per day until the violation is corrected, and such amounts shall be deposited in the state treasury to the credit of the ad astra rural jobs fund.

(c) If the secretary revokes a tax credit certificate, the department of revenue shall make an assessment for the amount of the credit claimed by the certificate holder before the certificate was revoked.

(d) If tax credit certificates are revoked under this section, the associated growth
capital and credit-eligible capital contributions do not count toward the limit on total
growth capital and credit-eligible capital contributions described under section 4(b), and
amendments thereto. The secretary shall first award reverted growth capital pro rata to
each approved investment company that was awarded less than its requested growth
capital. Any remaining growth capital may be awarded by the department to new
approved investment companies.

New Sec. 8. (a) After the sixth anniversary of the closing date, an approved
investment company shall be allowed to exit the program if none of the approved
investment company's tax credit certificates were revoked or are pending revocation.
The secretary shall approve the exit of the approved investment company from the
program and the regulations of sections 1 through 11, and amendments thereto, within
60 days of receiving a request to exit.

(b) If the number of jobs created or retained by the rural business concerns that
received fundings from an approved investment fund through the date of the proposed
distribution is:

(1) Less than 60% of the amount projected in the approved investment fund's
business plan filed as part of its application for certification, then the state shall receive
30% of any distribution or payment to an equity holder in an approved investment fund
in excess of the sum of the amount of equity capital invested in the approved investment
fund by such equity holder and an amount equal to any projected increase in the equity
holder's federal or state tax liability, including penalties and interest, related to the
equity holder's ownership, management or operation of the approved investment fund; or

(2) greater than 60% but less than 100% of the amount projected in the approved
investment fund's business plan filed as part of its application for certification, then the
state shall receive 15% of any distribution or payment to an equity holder in an
approved investment fund in excess of the sum of the amount of equity capital invested
in the approved investment fund by such equity holder and an amount equal to any
projected increase in the equity holder's federal or state tax liability, including penalties
and interest, related to the equity holder's ownership, management or operation of the
approved investment fund.

For purposes of this subsection (b), the secretary shall reduce the projected job
creation projection in the approved investment fund's business plan pro rata based on
the actual amount of growth capital received by the approved investment fund to the
total amount of growth capital for which the approved investment fund applied.

(c) The secretary shall not revoke a tax credit certificate due to any actions of an
approved investment company that occur after the date the department acknowledges an
approved investment company's exit from the program.

(d) Moneys received by the secretary pursuant to this section shall be deposited in
the state treasury to the credit of the ad astra rural jobs fund.

New Sec. 9. (a) Each approved investment company shall submit a report to the
department on or before the fifth business day after the second anniversary of the
closing date containing:

(1) The approved investment company's bank statements evidencing each funding;
(2) the name and location of each business receiving funding, including evidence
that the business qualified as a rural business concern at the time the investment was made;
(3) the number of employment positions created or retained as a result of the
approved investment company's fundings as of December 31 of the preceding year; and
(4) other information necessary for the department to administer the program.
(b) On or before April 30 of each year following the year in which the report
required under subsection (a) is due, the approved investment company shall submit an
annual report to the department containing:
   (1) The number of employment positions created or retained as a result of the
       approved investment company's fundings as of December 31 of the preceding calendar
       year;
   (2) the average annual salary of such positions; and
   (3) any other information required by the department.

New Sec. 10. The secretary of revenue and the secretary of commerce may
promulgate rules and regulations to implement the provisions of the ad astra rural jobs
act.

New Sec. 11. (a) Except as provided in subsection (b), the provisions of the ad astra
rural jobs act shall sunset on December 31 of the seventh year following the effective
date of this act.
(b) Nothing in this section shall be construed so as to preclude a taxpayer that
makes a credit-eligible capital contribution prior to the sunset of the ad astra rural jobs
act from claiming tax credits relating to such investment after the sunset of this act.

Sec. 12. K.S.A. 2017 Supp. 12-17,169 is hereby amended to read as follows: 12-

       by election of voters or pledged to bond repayment prior to the approval of the STAR
       bond project;
   (D) at the option of the county in a city STAR bond project district, from a pledge
       of all of the tax increment revenues received by the county from any local sales and use

       STAR bond project district established pursuant to K.S.A. 2017 Supp. 12-17,165, and
       amendments thereto, except for amounts committed to other uses by election of voters
       or pledged to bond repayment prior to the approval of a STAR bond project;
   (E) in a county STAR bond project district, from a pledge of 100% of the tax
       increment revenue received by the county from any county sales and use tax, but
       excluding any portions of such taxes that are allocated to the cities in such county
       pursuant to K.S.A. 12-192, and amendments thereto, which are collected from

(F)(i) For STAR bond districts submitted to the secretary for approval pursuant to K.S.A. 2017 Supp. 12-17,165(b), and amendments thereto, prior to January 1, 2019, and for any modifications to the district as provided by K.S.A. 2017 Supp. 12-17,171, and amendments thereto, and any STAR bond projects developed in that district or in modifications to that district, from a pledge of all or a portion of the tax increment revenue received from any state sales taxes which are collected from taxpayers doing business within that portion of the city's or county's STAR bond project district occupied by a STAR bond project, except that;

(ii) for STAR bond districts submitted to the secretary for approval pursuant to K.S.A. 12-17,165(b), and amendments thereto, on or after January 1, 2019, and for any modifications to the district as provided by K.S.A. 2017 Supp. 12-17,171, and amendments thereto, and any STAR bond projects developed in that district or in any modifications to that district, the maximum portion of the tax increment revenue received from state sales taxes to be pledged as described by subsection (a)(1)(F)(i) shall be capped at a rate that is 85% of the state sales tax rate. When an existing business located in this state relocates into or becomes part of a STAR bond project district, the secretary of revenue and the secretary of commerce shall certify the appropriate amount of base year revenue of the business as provided in K.S.A. 2017 Supp. 12-17,162(dd), and amendments thereto. The state sales and use tax portion of any tax increment revenue from the business in excess of the amount of base year revenue shall be capped as provided in this clause; and

(G) at the option of the city or county and with approval of the secretary, from all or a portion of the transient guest tax of such city or county;

(H) at the option of the city or county and with approval of the secretary: (i) From a pledge of all or a portion of increased revenue received by the city or county from franchise fees collected from utilities and other businesses using public right-of-way within the STAR bond project district; or (ii) from a pledge of all or a portion of the revenue received by a city or county from local sales taxes or local transient guest and local use taxes; or

(I) by any combination of these methods.

The city or county may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under subsection (a)(1) shall not be general obligations of the city or the county, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in subsection (a)(1) and such bonds shall so state on their face.

(3) Bonds issued under the provisions of subsection (a)(1) shall be special obligations of the city or county and are declared to be negotiable instruments. Such bonds shall be executed by the mayor and clerk of the city or the chairperson of the board of county commissioners and the county clerk and sealed with the corporate seal
of the city or county. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city or by resolution of the county.

All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals: (i) The authority under which such special obligation bonds are issued; (ii) such bonds are in conformity with the provisions, restrictions and limitations thereof; and (iii) that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in subsection (a)(1).

(4) Any city or county issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(b) (1) Subject to the provisions of subsection (b)(2), any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking, establishment or redevelopment of any major motorsports complex, as defined in K.S.A. 2017 Supp. 12-17,162(k), and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in subsection (a)(1) or by any combination of these sources; and (B) subject to the provisions of subsection (b)(2), from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in subsection (b)(3), before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 2017 Supp. 12-17,166(b), and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 2017 Supp. 12-17,166(c), and amendments thereto, that it may issue such bonds to finance the proposed STAR bond project. The governing body may issue the bonds unless within 60 days following the conclusion of the public hearing on the proposed STAR bond project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds in accordance with this section. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 2017 Supp. 12-17,165, and amendments thereto, that the proposed STAR bond project district will have an adverse effect on the county or school district.

(3) As an alternative to subsection (b)(2), any city which adopts a STAR bond project plan for a major motorsports complex, but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 2017 Supp.
12-17,166(e), and amendments thereto, and has not acquired property in the STAR bond project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to subsection (a)(1). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any major motorsports complex project in which the project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the project costs for the major motorsports complex project. Such temporary notes shall not be issued and the city shall not acquire property in the STAR bond project area until the requirements of subsection (b)(2) or (b)(3), whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. Such bonds shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing full faith and credit tax increment bonds under the provisions of this subsection may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

c (1) For each project financed with special obligation bonds payable from the revenues described in subsection (a)(1), the city or county shall prepare and submit to the secretary by October 1 of each year, a report describing the status of any projects within such STAR bond project area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how such revenue has been spent, the projected amount of such revenue and the anticipated use of such revenue. The department of commerce shall compile this information and submit a report annually to the governor and the legislature by February 1 of each year.

(2) (A) In addition to the report referenced in paragraph (1), the department of commerce, in cooperation with the department of revenue, shall submit a report to the senate commerce committee and the house commerce, labor and economic development committee by January 31 of each session. The report shall include the following information for the last three calendar years and the most current year-to-date information available with respect to each STAR bond district:

(i) The amount of sales tax collected, and the amount of any "base" sales taxes being allocated to the district;
(ii) the total amount of bond payments and other expenses incurred;
(iii) the total amount of bonds issued and the balance of the bonds, by district and
by project in the district;
   (iv) the remaining cash balance in the project to pay future debt service and other expenses;
   (v) any new income producing properties being brought into a district and the base revenue going to the state general fund and incremental sales tax increases going to the district with respect to such properties;
   (vi) the amount of bonds issued to repay private investors in the project with calculations showing the private and state share of indebtedness;
   (vii) the percentage of local effort sales tax actually committed to the district compared to the state’s share of sales tax percentage committed to the district;
   (viii) the number of out-of-state visitors to a project, a discussion of the visitor attraction properties of projects in the districts, and a comparison of the number of out-of-state visitors with the number of in-state visitors; and
   (ix) if any information or data is not available, an explanation as to why it is not available.

(B) Either the senate commerce committee or the house committee on commerce, labor and economic development may amend the information required in the report with additional requests and clarification on a going forward basis.

(d) A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project costs as defined in K.S.A. 2017 Supp. 12-17,162, and amendments thereto, to implement the STAR bond project plan.

(e) With respect to a STAR bond project district established prior to January 1, 2003, for which, prior to January 1, 2003, the secretary made a finding as provided in subsection (a) that a STAR bond project would create a major tourism area for the state, such special obligation bonds shall be payable both as to principal and interest, from a pledge of all of the revenue from any transient guest, state and local sales and use taxes collected from taxpayers as provided in subsection (a) whether or not revenues from such taxes are received by the city.

Sec. 13. K.S.A. 2017 Supp. 79-32,160a is hereby amended to read as follows: 79-32,160a. such the credit is allowed, but in the case where the qualified business facility investment was made prior to January 1, 1996, not in excess of 50% of such the tax. Such The portion shall be an amount equal to the sum of the following:

(d) The credit allowed by subsection (a) for each qualified business facility employee and for qualified business facility investment shall be a one-time credit. If the amount of the credit allowed under subsection (a) exceeds the tax imposed by the Kansas income tax act on the taxpayer's Kansas taxable income, the premium tax and privilege fees imposed pursuant to K.S.A. 40-252, and amendments thereto, or the privilege tax as measured by the net income of financial institutions imposed pursuant to article 11 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, for the taxable year, or in the case where the qualified business facility investment was made prior to January 1, 1996, 50% of such the tax imposed upon the amount which exceeds such the tax liability or such the portion thereof may be carried over for credit in the same manner in the succeeding taxable years until the total amount of such the credit is used. Conferees on part of House

The motion of Rep. Johnson to adopt the conference committee report on S Sub for HB 2228 did not prevail. The bill was killed.

Call of the House was demanded.

On roll call, the vote was: Yeas 59; Nays 59; Present but not voting: 0; Absent or not voting: 7.

Present but not voting: None.

Absent or not voting: Alford, Barker, Claeyys, Helgerson, Hibbard, Holscher, Schwab.
EXPLANATIONS OF VOTE

Mr Speaker: We have waited all session to return money to Kansas taxpayers due them under the federal tax law. While there are good parts of this bill, there are also questionable parts, and there are items that should have been included but aren't. It does not raise the standard deduction and does too little for average Kansans who are working hard just to make ends meet. However, in the end, this bill does prevent a tax INCREASE that would harm our economy and hurt Kansans, so Mr. Speaker, we reluctantly vote yes on **S Sub for HB 2228**. – **JOHN WHITMER, RANDY POWELL, KEITH ESAU, LEO DELPERDANG, JESSE BURRIS, TREvor JACOBS, LEslIE osteRMANN, Chuck WEBER, SUSAN HUMPHRIES, Blake carpENTER, WILLIE DOve, EMIL BERGQUIST, FRANK TRIMBOLI, ERIC SMITH, JOHN REsMAN**

Mr. Speaker: This tax bill includes many good provisions that allow Federal windfall dollars to be returned to taxpayers, yet it fails to consider 2/3 of Kansas taxpayers by not including a standard deduction increase. Those Kansans who need the tax cut most will not receive it. It also continues the fiscally irresponsible policy of allowing sales tax exemptions to a select few. This unfair practice narrows our tax base. Good tax policy broadens the base and lowers the rate, but not today, not with this bill. Yet, there is just enough good. Mr. Speaker: I vote aye on **S Sub for HB 2228**. – **KRISTEY WILLIAMS, JACK THIMESCH, LONNIE CLARK, TROY WAYMASTER, ADAM SMITH, SUSAN CONCANNON**

Mr Speaker: Since 2005, K.S.A. 72-5192 makes the appropriation of funding for K-12 general state aid, supplemental state aid and special education the first priority in our budget process. The 2008 recession caused 5 rounds of budget cuts in 2009, Gannon was filed in 2010. In January 2013, the Gannon ruling called the tax cuts of 2012 “self-inflicted,” and the argument that the state could not afford more funding due to the downturn, while simultaneously cutting taxes, “completely illogical.” I fear that arguing $525 million over 5 years as our best effort while simultaneously cutting revenues is once again, completely illogical. I vote NO on **S Sub for HB 2228**. – **MEliSsa ROOKER, John CARMICHAEL**

Speaker Ryckman assumed the chair.
