8 warrants duly verified by the ~~county~~ *weed supervisor* or city supervisor, if  
9 such ~~be is~~ employed, or, if no *such* supervisor ~~be is~~ employed, then by *the*

12 such ~~district~~ *jurisdiction* respectively. Any moneys remaining in the  
13 noxious weed eradication fund at the end of any year for which a levy is  
14 made under this section ~~may shall either~~ be transferred to the noxious  
15 weed capital outlay fund for making of capital expenditures incident to the  
16 control of noxious weeds *or remain in the noxious weed eradication fund*  
17 *for use in the next year.*

18 (b) *All records relating to funds received into and spent from both the*  
19 *noxious weed eradication fund and the noxious weed capital outlay fund*

22 Sec. 12. K.S.A. 2017 Supp. 2-1319 is hereby amended to read as  
23 follows: 2-1319. (a) The cost of controlling and eradicating noxious weeds  
24 on all lands or highways owned or supervised by a state agency,  
25 department or commission shall be paid by the state agency, department or  
26 commission supervising such lands or highways from funds appropriated  
27 to its use; on county lands and county roads, on township lands and  
28 township roads, on city lands, streets and alleys by the county, township or  
29 city in which such lands, roads, streets and alleys are located, and from  
30 funds made available for that purpose; on drainage districts, irrigation  
31 districts, cemetery associations and other political subdivisions of the state,  
32 the costs shall be paid from their respective funds made available for the  
33 purpose. If the governing body of any political subdivision owning or  
34 supervising lands infested with noxious weeds within their jurisdiction  
35 fails to control such noxious weeds after 15 days' notice directing any such  
36 body to do so, the board of county commissioners shall proceed to have  
37 ~~proper official methods for the~~ control and eradication ~~methods~~ used upon  
38 such lands, and shall notify the governing body of the political subdivision  
39 by certified mail of the costs of such operations, with a demand for  
40 payment. The governing body of the political subdivision shall pay such  
41 costs from its noxious weed fund, or if no such fund is available, from its  
42 general fund or from any other funds available for such purpose. *A copy of*  
43 *the statement, together with proof of notification, shall at the same time be*

1 filed with the county clerk, and if the amount is not paid within 30 days,  
2 such clerk shall spread the amount upon the tax roll of the *political*  
3 subdivision, and such amount shall become a lien against the entire  
4 territory located within the particular political subdivision, and shall be  
5 collected as other taxes are collected.

6 (b) All moneys collected pursuant to this section shall be paid into the  
7 county noxious weed eradication fund, *or if the noxious weed program is*  
8 *funded primarily through the county general fund, such moneys shall be*  
9 *paid into the county general fund. If the noxious weed program is funded*  
10 *from more than one source, all moneys collected pursuant to this section*  
11 *shall be paid into each source in proportion to its contribution to the*  
12 *noxious weed program.*

13 ~~(c) As used in this section, "governing body" means the board, body,~~  
14 ~~or persons in which the powers of a political subdivision as a body~~  
15 ~~corporate are vested; and "political subdivision" means any agency or unit~~  
16 ~~of the state authorized to levy taxes or empowered to cause taxes to be~~  
17 ~~levied.~~

18 ~~(d) On all other lands the owner thereof shall pay the cost of control~~  
19 ~~and eradication of noxious weeds. Except as provided in K.S.A. 2-1333,~~  
20 ~~and amendments thereto, chemical materials for use on privately owned~~  
21 ~~lands may be purchased from the board of county commissioners at a price~~  
22 ~~fixed by the board of county commissioners which shall be in an amount~~  
23 ~~equal to not less than 50% nor more than 75% of the total cost incurred by~~  
24 ~~the county in purchasing, storing and handling such chemical materials.~~  
25 ~~However, once the tax levying body of a county, city or township has~~  
26 ~~authorized a tax levy of 1.5 mills or more, the board of county~~  
27 ~~commissioners may collect from the owner of privately owned lands an~~  
28 ~~amount equal to 75% but not more than 100% of the total cost incurred by~~  
29 ~~the county in purchasing, storing and handling of chemical materials used~~  
30 ~~in the control and eradication of noxious weeds on such privately owned~~  
31 ~~lands. Whenever official methods of eradication, adopted by the secretary~~  
32 ~~of agriculture, are not followed in applying the chemical materials so~~  
33 ~~purchased, the board of county commissioners may collect the remaining~~  
34 ~~portion of the total cost thereof.~~

35 Sec. 13. K.S.A. 2-1320 is hereby amended to read as follows: 2-1320.  
36 In case the county weed supervisor or city weed supervisor enters upon  
37 land or furnishes weed control materials pursuant to a contract or an  
38 agreement with an owner, operator or supervising agent of noxious weed  
39 infested land for the control of such noxious weeds and, as a result of such  
40 weed control methods, there are any unpaid accounts outstanding by  
41 December 31 of each year, the *board of* county commissioners or  
42 governing body of the city shall immediately notify or cause to be notified,  
43 such owner with an itemized statement as to the cost of material, labor and

1 use of equipment and further stating that if the amount of such statement is  
2 not paid to the county or city treasurer wherein such real estate is located  
3 within 30 days from the date of such notice, a penalty charge of 10% of the  
4 amount remaining unpaid shall be added to the account and the total  
5 amount thereof shall become a lien upon such real estate. The unpaid  
6 balance of such account and such penalty charge shall draw interest from  
7 the date of entering into such contract at the rate prescribed for delinquent  
8 taxes pursuant to K.S.A. 79-2004, and amendments thereto. A copy of the  
9 statement, together with proof of notification, shall at the same time be  
10 filed with the register of deeds in such county and the county or city clerk,  
11 as the case may be, and if such amount is not paid within the next 30 days  
12 the county or city clerk, as the case may be, shall spread the amount of  
13 such statement upon the tax roll prepared by the clerk and such amount  
14 shall become a lien against the entire contiguous tract of land owned by  
15 such person or persons of which the portion so treated is all or a part, and  
16 shall be collected as other taxes are collected, and all moneys so collected  
17 shall be paid into the noxious weed eradication fund, ~~except that not more~~  
18 ~~than 5% of the assessed valuation of the entire contiguous tract of land of~~  
19 ~~which the portion so treated is all or a part shall be spread on the tax rolls~~  
20 ~~against such land in any one year or, if the noxious weed program is~~  
21 ~~funded primarily through the county general fund, such moneys shall be~~  
22 ~~paid into the county general fund. If the noxious weed program is funded~~  
23 ~~from more than one source, all moneys collected pursuant to this section~~  
24 ~~shall be paid into each source in proportion to its contribution to the~~  
25 ~~noxious weed program. If any land subject to a lien imposed under this~~  
26 ~~section is sold or transferred, the entire remaining unpaid balance of such~~  
27 ~~account plus any accrued interest and penalties shall become due and~~  
28 ~~payable prior to the sale or transfer of ownership of the property, and upon~~  
29 ~~collection shall be paid to the noxious weed eradication fund or, if the~~  
30 ~~noxious weed program is funded primarily through the county general~~  
31 ~~fund, such moneys shall be paid into the county general fund. If the~~  
32 ~~noxious weed program is funded from more than one source, all moneys~~  
33 ~~collected pursuant to this section shall be paid into each source in~~  
34 ~~proportion to its contribution to the noxious weed program.~~

35 Sec. 14. K.S.A. 2017 Supp. 2-1322 is hereby amended to read as  
36 follows: 2-1322. (a) The board of county commissioners, or the governing  
37 body of incorporated cities, cooperating with the secretary of agriculture,  
38 shall purchase or provide for needed and necessary equipment and  
39 necessary chemical ~~material~~ *materials* for the control and eradication of  
40 noxious weeds. The board of county commissioners of any county or the  
41 governing body of any city may use any equipment or *apply any chemical*  
42 *materials* purchased as provided for in this section, upon the highways,  
43 streets and alleys *and county-owned or managed property*, for the

2 been declared noxious ~~by legislative action~~ *weeds*.

3 (b) Except as provided in K.S.A. 2-1333, and amendments thereto,  
4 the board of county commissioners shall sell chemical ~~material~~ *materials*  
5 to the landowners in ~~their~~ *its* jurisdiction ~~who have been assessed a tax by~~  
6 ~~the county~~ at a price fixed by the board of county commissioners ~~which~~  
7 ~~shall be~~ in an amount equal to not less than 50% nor more than 75% of the  
8 total cost incurred by the county in purchasing, storing and handling such  
9 chemical materials used in the control and eradication of noxious weeds,  
10 and may make such charge for the use of machines or other equipment and  
11 operators as may be deemed by ~~them~~ *the board of county commissioners*  
12 sufficient to cover the actual cost of operation. However, once the tax  
13 levying body of a county, city or township has ~~authorized a tax levy of~~  
14 ~~appropriated a budget equivalent to~~ 1.5 mills or more, the board of county  
15 commissioners may collect from the landowners in their jurisdiction an  
16 amount equal to 75% but not more than 100% of the total cost incurred by  
17 the county in purchasing, storing and handling of chemical materials used  
18 in the control and eradication of noxious weeds.

19 (c) *The board of county commissioners of a county that funds its*  
20 *noxious weed program from the county general fund shall sell chemical*  
21 *materials to the landowners in its jurisdiction who have been assessed a*  
22 *tax by the county at a price fixed by the board of county commissioners in*  
23 *an amount equal to not less than 50% nor more than 75% of the total cost*  
24 *incurred by the county in purchasing, storing and handling such chemical*  
25 *materials used in the control and eradication of noxious weeds, and may*  
26 *make such charge for the use of machines or other equipment and the*  
27 *operators as may be deemed by the board of county commissioners*  
28 *sufficient to cover the actual cost of operation. However, once the tax*  
29 *levying body of a county, city or township has appropriated a budget*  
30 *equivalent to 1.5 mills or more, the board of county commissioners may*  
31 *collect from the landowners in its jurisdiction an amount equal to 75% but*  
32 *not more than 100% of the total cost incurred by the county in purchasing,*  
33 *storing and handling of chemical materials used in the control and*  
34 *eradication of noxious weeds.*

35 (d) Whenever official methods ~~of~~ *for the control and eradication of*  
36 *noxious weeds* adopted by the secretary ~~of agriculture~~ are not used in  
37 applying the chemical ~~material~~ *materials* purchased, the board of county  
38 commissioners may collect the remaining portion of the total cost thereof  
39 from the landowner.

40 ~~(d)~~(e) The board of county commissioners, township boards, and the  
41 governing body of cities shall keep a record showing purchases of ~~material~~  
42 *chemical materials* and equipment for *the* control and eradication of

1 body of cities shall also keep a complete itemized record showing sales for  
2 cash or charge sales of ~~material~~ *chemical materials* and shall maintain a  
3 record of charges and receipts for use of equipment owned by each county  
4 or city on public and private land. Such records shall be open to inspection  
5 by citizens of Kansas at all times.

6 (f) *All moneys collected from the sales of chemical materials and the*  
7 *charges for the use of machines shall be deposited into the noxious weed*  
8 *eradication fund or, if the noxious weed program is funded primarily*  
9 *through the county general fund, such moneys shall be paid into the*  
10 *county general fund. If the noxious weed program is funded from more*  
11 *than one source, all moneys collected pursuant to this section shall be*  
12 *paid into each source in proportion to its contribution to the noxious weed*  
13 *program for the purpose of paying for the purchase of additional chemical*  
14 *materials as provided in this section and for the cost of the control and*  
15 *eradication of noxious weeds as provided in this act.*
