act, commonly known as medicaid, shall not be expanded, as provided for
in the patient protection and affordable care act, public law 111-148, 124

or other activities related to home health care, long term care, medical
assistance benefits, or other related issues, any moneys paid under such
contract, agreement or accord shall be considered to be an available
resource unless the following restrictions are met: (i) The contract,
agreement or accord must be in writing and executed prior to any services
being provided; (ii) the moneys paid are in direct relationship with the fair
market value of such services being provided by similarly situated and
trained nonlicensed individuals; (iii) if no similarly situated nonlicensed
individuals or situations can be found, the value of services will be based
on federal hourly minimum wage standards; (iv) such individual providing

professional or facility and such contract involves health and welfare
monitoring, pharmacy assistance, case management, communication with
medical, health or other professionals, or other activities related to home
health care, long term care, medical assistance benefits or other related
issues, any moneys paid in advance of receipt of services for such
contracts shall be considered to be an available resource.

(5) Any trust may be amended if such amendment is permitted by the
Kansas uniform trust code.

(f) Eligibility for medical assistance of resident receiving medical
care outside state. A person who is receiving medical care including long-
term care outside of Kansas whose health would be endangered by the
postponement of medical care until return to the state or by travel to return

individual is a resident of Kansas and all other eligibility factors are met.
Persons who are receiving medical care on an ongoing basis in a long-term
medical care facility in a state other than Kansas and who do not return to
a care facility in Kansas when they are able to do so, shall no longer be
eligible to receive assistance in Kansas unless such medical care is not
available in a comparable facility or program providing such medical care
in Kansas. For persons who are minors or who are under guardianship, the
actions of the parent or guardian shall be deemed to be the actions of the
child or ward in determining whether or not the person is remaining
outside the state voluntarily.

limited power of attorney; recovery from estates of deceased recipients. (1)
(A) Except as otherwise provided in K.S.A. 39-786 and 39-787, and

The assignment shall automatically become effective upon the date of approval for such assistance without the requirement that any document be signed by the applicant or recipient. By applying for or receiving medical assistance the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments, representing payments received by the secretary in on behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for assistance and shall remain in effect until the assignment has been terminated in full. The assignment of any rights to payment for medical care from a third party under this subsection shall not prohibit a health care provider from directly billing an insurance carrier for services rendered if the provider has not submitted a claim covering such services to the secretary for payment. Support amounts collected on behalf of persons whose rights to support are assigned to the secretary only under this subsection and no other shall be distributed pursuant to K.S.A. 39-756(d), and amendments thereto, except that any amounts designated as medical support shall be retained by the secretary for repayment of the unreimbursed portion of assistance. Amounts collected pursuant to the assignment of rights to payment for medical care from a third party shall also be retained by the secretary for repayment of the unreimbursed portion of assistance.

(B) Notwithstanding the provisions of subparagraph (A), the secretary of health and environment, or the secretary's designated, is hereby authorized to and shall exercise any of the powers specified in subparagraph (A) in relation to performance of such secretary's duties pertaining to medical subrogation, estate recovery or any other duties assigned to such secretary in article 74 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto.

(2) The amount of any medical assistance paid after June 30, 1992, under the provisions of subsection (e) is: (A) A claim against the property or any interest therein belonging to and a part of the estate of any deceased recipient or, if there is no estate, the estate of the surviving spouse, if any, shall be charged for such medical assistance paid to either or both; and (B) a claim against any funds of such recipient or spouse in any account under K.S.A. 9-1215, 17-2263, 17-2264, 17-5828 or 17-5829, and amendments thereto. There shall be no recovery of medical assistance correctly paid to
or on behalf of an individual under subsection (e) except after the death of
the surviving spouse of the individual, if any, and only at a time when the
individual has no surviving child who is under 21 years of age or is blind
or permanently and totally disabled. Transfers of real or personal property
by recipients of medical assistance without adequate consideration are
voidable and may be set aside. Except where there is a surviving spouse, or
a surviving child who is under 21 years of age or is blind or
permanently and totally disabled, the amount of any medical assistance
paid under subsection (e) is a claim against the estate in any guardianship
or conservatorship proceeding. The monetary value of any benefits
received by the recipient of such medical assistance under long-term care
insurance, as defined by K.S.A. 40-2227, and amendments thereto, shall
be a credit against the amount of the claim provided for such medical
assistance under this subsection. The secretary of health and environment
is authorized to enforce each claim provided for under this subsection. The
secretary of health and environment shall not be required to pursue every
claim, but is granted discretion to determine which claims to pursue. All
moneys received by the secretary of health and environment from claims
under this subsection shall be deposited in the social welfare fund. The
secretary of health and environment may adopt rules and regulations for
the implementation and administration of the medical assistance recovery
program under this subsection.

(3) By applying for or receiving medical assistance under the
provisions of article 7 of chapter 39 of the Kansas Statutes Annotated, and
amendments thereto, such individual or such individual's agent, fiduciary,
guardian, conservator, representative payee or other person acting on
behalf of the individual consents to the following definitions of estate and
the results therefrom:

(A) If an individual receives any medical assistance before July 1,
2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated,
and amendments thereto, which forms the basis for a claim under
paragraph (2), such claim is limited to the individual's probatable estate as
defined by applicable law; and

(B) if an individual receives any medical assistance on or after July 1,
2004, pursuant to article 7 of chapter 39 of the Kansas Statutes Annotated,
and amendments thereto, which forms the basis for a claim under
paragraph (2), such claim shall apply to the individual's medical assistance
estate. The medical assistance estate is defined as including all real and
personal property and other assets in which the deceased individual had
any legal title or interest immediately before or at the time of death to the
extent of that interest or title. The medical assistance estate includes,
without limitation assets conveyed to a survivor, heir or assign of the
deceased recipient through joint tenancy, tenancy in common,
survivorship, transfer-on-death deed, payable-on-death contract, life estate, trust, annuities or similar arrangement.

(4) The secretary of health and environment or the secretary's designee is authorized to file and enforce a lien against the real property of a recipient of medical assistance in certain situations, subject to all prior liens of record and transfers for value to a bona fide purchaser of record. The lien must be filed in the office of the register of deeds of the county where the real property is located within one year from the date of death of the recipient and must contain the legal description of all real property in the county subject to the lien.

(A) After the death of a recipient of medical assistance, the secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by such recipient.

(B) The secretary of health and environment or the secretary's designee may place a lien on any interest in real property owned by a recipient of medical assistance during the lifetime of such recipient. Such lien may be filed only after notice and an opportunity for a hearing has been given. Such lien may be enforced only upon competent medical testimony that the recipient cannot reasonably be expected to be discharged and returned home. A six-month period of compensated inpatient care at a nursing home or other medical institution shall constitute a determination by the department of health and environment that the recipient cannot reasonably be expected to be discharged and returned home. To return home means the recipient leaves the nursing or medical facility and resides in the home on which the lien has been placed for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. The amount of the lien shall be for the amount of assistance paid by the department of health and environment until the time of the filing of the lien and for any amount paid thereafter for such medical assistance to the recipient. After the lien is filed against any real property owned by the recipient, such lien will be dissolved if the recipient is discharged, returns home and resides upon the real property to which the lien is attached for a continuous period of at least 90 days without being readmitted as an inpatient to a nursing or medical facility. If the recipient is readmitted as an inpatient to a nursing or medical facility for a continuous period of less than 90 days, another continuous period of at least 90 days shall be completed prior to dissolution of the lien.

(5) The lien filed by the secretary of health and environment or the secretary's designee for medical assistance correctly received may be enforced before or after the death of the recipient by the filing of an action to foreclose such lien in the Kansas district court or through an estate probate court action in the county where the real property of the recipient
is located. However, it may be enforced only:

(A) After the death of the surviving spouse of the recipient;
(B) when there is no child of the recipient, natural or adopted, who is
20 years of age or less residing in the home;
(C) when there is no adult child of the recipient, natural or adopted,
who is blind or disabled residing in the home; or
(D) when no brother or sister of the recipient is lawfully residing in
the home, who has resided there for at least one year immediately before
the date of the recipient's admission to the nursing or medical facility, and
has resided there on a continuous basis since that time.

(6) The lien remains on the property even after a transfer of the title
by conveyance, sale, succession, inheritance or will unless one of the
following events occur:

(A) The lien is satisfied. The recipient, the heirs, personal
representative or assigns of the recipient may discharge such lien at any
time by paying the amount of the lien to the secretary of health and
environment or the secretary's designee;
(B) the lien is terminated by foreclosure of prior lien of record or
settlement action taken in lieu of foreclosure; or
(C) the value of the real property is consumed by the lien, at which
time the secretary of health and environment or the secretary's designee
may force the sale for the real property to satisfy the lien.

(7) If the secretary for aging and disability services or the secretary of
health and environment, or both, or such secretary's designee has not filed
an action to foreclose the lien in the Kansas district court in the county
where the real property is located within 10 years from the date of the
filing of the lien, then the lien shall become dormant, and shall cease to
operate as a lien on the real estate of the recipient. Such dormant lien may
be revived in the same manner as a dormant judgment lien is revived under
K.S.A. 60-2403 et seq., and amendments thereto.

(8) Within seven days of receipt of notice by the secretary for
children and families or the secretary's designee of the death of a recipient
of medical assistance under this subsection, the secretary for children and
families or the secretary's designee shall give notice of such recipient's
death to the secretary of health and environment or the secretary's
designee.

(9) All rules and regulations adopted on and after July 1, 2013, and
prior to July 1, 2014, to implement this subsection shall continue to be
effective and shall be deemed to be duly adopted rules and regulations of
the secretary of health and environment until revised, amended, revoked or
nullified pursuant to law.

(h) Placement under the revised Kansas code for care of children or
revised Kansas juvenile justice code; assignment of support rights and
limited power of attorney. In any case in which the secretary for children and families pays for the expenses of care and custody of a child pursuant to K.S.A. 2016 Supp. 38-2201 et seq. or 38-2301 et seq., and amendments thereto, including the expenses of any foster care placement, an assignment of all past, present and future support rights of the child in custody possessed by either parent or other person entitled to receive support payments for the child is, by operation of law, conveyed to the secretary. Such assignment shall become effective upon placement of a child in the custody of the secretary or upon payment of the expenses of care and custody of a child by the secretary without the requirement that any document be signed by the parent or other person entitled to receive support payments for the child. When the secretary pays for the expenses of care and custody of a child or a child is placed in the custody of the secretary, the parent or other person entitled to receive support payments for the child is also deemed to have appointed the secretary, or the secretary's designee, as attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary on behalf of the child. This limited power of attorney shall be effective from the date the assignment to support rights becomes effective and shall remain in effect until the assignment of support rights has been terminated in full.

(i) No person who voluntarily quits employment or who is fired from employment due to gross misconduct as defined by rules and regulations of the secretary or who is a fugitive from justice by reason of a felony conviction or charge or violation of a condition of probation or parole imposed under federal or state law shall be eligible to receive public assistance benefits in this state. Any recipient of public assistance who fails to timely comply with monthly reporting requirements under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary by rules and regulations.

(j) If the applicant or recipient of temporary assistance for needy families is a mother of the dependent child, as a condition of the mother's eligibility for temporary assistance for needy families the mother shall identify by name and, if known, by current address the father of the dependent child except that the secretary may adopt by rules and regulations exceptions to this requirement in cases of undue hardship. Any recipient of temporary assistance for needy families who fails to cooperate with requirements relating to child support services under criteria and guidelines prescribed by rules and regulations of the secretary shall be subject to a penalty established by the secretary.

(k) By applying for or receiving child care benefits or food assistance, the applicant or recipient shall be deemed to have assigned,
pursuant to K.S.A. 39-756, and amendments thereto, to the secretary on behalf of the state only accrued, present or future rights to support from any other person such applicant may have in such person's own behalf or in behalf of any other family member for whom the applicant is applying for or receiving aid. The assignment of support rights shall automatically become effective upon the date of approval for or receipt of such aid without the requirement that any document be signed by the applicant or recipient. By applying for or receiving child care benefits or food assistance, the applicant or recipient is also deemed to have appointed the secretary, or the secretary's designee, as an attorney in fact to perform the specific act of negotiating and endorsing all drafts, checks, money orders or other negotiable instruments representing support payments received by the secretary in behalf of any person applying for, receiving or having received such assistance. This limited power of attorney shall be effective from the date the secretary approves the application for aid and shall remain in effect until the assignment of support rights has been terminated in full. An applicant or recipient who has assigned support rights to the secretary pursuant to this subsection shall cooperate in establishing and enforcing support obligations to the same extent required of applicants for or recipients of temporary assistance for needy families.

(l) (1) A program of drug screening for applicants for cash assistance as a condition of eligibility for cash assistance and persons receiving cash assistance as a condition of continued receipt of cash assistance shall be established, subject to applicable federal law, by the secretary for children and families on and before January 1, 2014. Under such program of drug screening, the secretary for children and families shall order a drug screening of an applicant for or a recipient of cash assistance at any time when reasonable suspicion exists that such applicant for or recipient of cash assistance is unlawfully using a controlled substance or controlled substance analog. The secretary for children and families may use any information obtained by the secretary for children and families to determine whether such reasonable suspicion exists, including, but not limited to, an applicant's or recipient's demeanor, missed appointments and arrest or other police records, previous employment or application for employment in an occupation or industry that regularly conducts drug screening, termination from previous employment due to unlawful use of a controlled substance or controlled substance analog or prior drug screening records of the applicant or recipient indicating unlawful use of a controlled substance or controlled substance analog.

(2) Any applicant for or recipient of cash assistance whose drug screening results in a positive test may request that the drug screening specimen be sent to a different drug testing facility for an additional drug screening. Any applicant for or recipient of cash assistance who requests
an additional drug screening at a different drug testing facility shall be required to pay the cost of drug screening. Such applicant or recipient who took the additional drug screening and who tested negative for unlawful use of a controlled substance and controlled substance analog shall be reimbursed for the cost of such additional drug screening.

(3) Any applicant for or recipient of cash assistance who tests positive for unlawful use of a controlled substance or controlled substance analog shall be required to complete a substance abuse treatment program approved by the secretary for children and families, secretary of labor or secretary of commerce, and a job skills program approved by the secretary for children and families, secretary of labor or secretary of commerce. Subject to applicable federal laws, any applicant for or recipient of cash assistance who fails to complete or refuses to participate in the substance abuse treatment program or job skills program as required under this subsection shall be ineligible to receive cash assistance until completion of such substance abuse treatment and job skills programs. Upon completion of both substance abuse treatment and job skills programs, such applicant for or recipient of cash assistance may be subject to periodic drug screening, as determined by the secretary for children and families. Upon a second positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be ordered to complete again a substance abuse treatment program and job skills program, and shall be terminated from cash assistance for a period of 12 months, or until such recipient of cash assistance completes both substance abuse treatment and job skills programs, whichever is later. Upon a third positive test for unlawful use of a controlled substance or controlled substance analog, a recipient of cash assistance shall be terminated from cash assistance, subject to applicable federal law.

(4) If an applicant for or recipient of cash assistance is ineligible for or terminated from cash assistance as a result of a positive test for unlawful use of a controlled substance or controlled substance analog, and such applicant for or recipient of cash assistance is the parent or legal guardian of a minor child, an appropriate protective payee shall be designated to receive cash assistance on behalf of such child. Such parent or legal guardian of the minor child may choose to designate an individual to receive cash assistance for such parent's or legal guardian's minor child, as approved by the secretary for children and families. Prior to the designated individual receiving any cash assistance, the secretary for children and families shall review whether reasonable suspicion exists that such designated individual is unlawfully using a controlled substance or controlled substance analog.

(A) In addition, any individual designated to receive cash assistance on behalf of an eligible minor child shall be subject to drug screening at
any time when reasonable suspicion exists that such designated individual
is unlawfully using a controlled substance or controlled substance analog.
The secretary for children and families may use any information obtained
by the secretary for children and families to determine whether such
reasonable suspicion exists, including, but not limited to, the designated
individual's demeanor, missed appointments and arrest or other police
records, previous employment or application for employment in an
occupation or industry that regularly conducts drug screening, termination
from previous employment due to unlawful use of a controlled substance
or controlled substance analog or prior drug screening records of the
designated individual indicating unlawful use of a controlled substance or
controlled substance analog.

(B) Any designated individual whose drug screening results in a
positive test may request that the drug screening specimen be sent to a
different drug testing facility for an additional drug screening. Any
designated individual who requests an additional drug screening at a
different drug testing facility shall be required to pay the cost of drug
screening. Such designated individual who took the additional drug
screening and who tested negative for unlawful use of a controlled
substance and controlled substance analog shall be reimbursed for the cost
of such additional drug screening.

(C) Upon any positive test for unlawful use of a controlled substance
or controlled substance analog, the designated individual shall not receive
cash assistance on behalf of the parent's or legal guardian's minor child,
and another designated individual shall be selected by the secretary for
children and families to receive cash assistance on behalf of such parent's
or legal guardian's minor child.

(5) If a person has been convicted under federal or state law of any
offense which is classified as a felony by the law of the jurisdiction and
which has as an element of such offense the manufacture, cultivation,
distribution, possession or use of a controlled substance or controlled
substance analog, and the date of conviction is on or after July 1, 2013,
such person shall thereby become forever ineligible to receive any cash
assistance under this subsection unless such conviction is the person's first
conviction. First-time offenders convicted under federal or state law of any
offense which is classified as a felony by the law of the jurisdiction and
which has as an element of such offense the manufacture, cultivation,
distribution, possession or use of a controlled substance or controlled
substance analog, and the date of conviction is on or after July 1, 2013,
such person shall become ineligible to receive cash assistance for five
years from the date of conviction.

(6) Except for hearings before the Kansas department for children
and families or, the results of any drug screening administered as part of
the drug screening program authorized by this subsection shall be confidential and shall not be disclosed publicly.

(7) The secretary for children and families may adopt such rules and regulations as are necessary to carry out the provisions of this subsection.

(8) Any authority granted to the secretary for children and families under this subsection shall be in addition to any other penalties prescribed by law.

Sec. 3. K.S.A. 2016 Supp. 39-709 is hereby repealed.

Sec. 4. This act shall take effect and be in force from and after its publication in the statute book.
