***Insurance Code Amendments—Limited Line Established***

On and after January 1, 2018, the bill amends the law establishing qualifications for licensure in one or more lines of authority. Under continuing law, agents may receive qualifications for a license in one or more of the following lines of authority: life, accident and health or sickness, property, casualty, variable life and variable annuity products, personal lines, credit, crop insurance, title insurance, travel insurance, pre-need funeral insurance, and bail bond insurance. The bill adds to this list of qualifications by inserting self-service storage unit insurance. This insurance will be defined as:

- A limited line insurance relating to the rental of self-service storage units, including:
  - Personal effects insurance that provides coverage to renters of storage units at the same facility for the loss of, or damage to, personal effects that occurs at the same facility during the rental period; and
  - Any other coverage the Commissioner may approve as meaningful and appropriate in connection with the rental of storage units.

The bill further provides such insurance may be issued only in accordance with the criteria established by the bill.

***Fingerprinting Requirements for Resident Agent Licensure***

The bill amends a provision in the Uniform Insurance Agents Licensing Act concerning application requirements for resident agent licensure to authorize the fingerprinting of resident insurance agent applicants for the purposes of obtaining a state and national criminal history record check.

Under the bill, the Commissioner is permitted to require an applicant be fingerprinted and submit to a state and national criminal history record check. The fingerprints will be used to identify the applicant and to determine whether the applicant has a record of criminal arrests and convictions in Kansas or in other jurisdictions:

- The Commissioner is authorized to submit the applicant's fingerprints to the Kansas Bureau of Investigation and the Federal Bureau of Investigation for the respective criminal history record checks. As part of this procedure, local and state law enforcement officers and agencies are required to assist the Commissioner in taking and processing an applicant's fingerprints and release all records of an applicant's arrests and convictions to the Commissioner; and
- The Commissioner is authorized to conduct, or have a third party conduct, a background check on the applicant.

The bill further provides that whenever the Commissioner requires fingerprinting, a background check, or both, any of the associated costs for this process must be paid by the applicant. The bill also states the Commissioner is permitted to use the information obtained from a background check, fingerprinting, and the applicant's criminal history only for the purposes of verifying the identification of any applicant and in the official determination of the fitness of the applicant to be issued a license as an insurance agent.

Finally, the bill specifies that a person applying for a license who was fingerprinted and submitted to a state and national criminal history record check within the past 12 months in connection with the successful issuance or renewal of any other State-issued license is permitted to submit proof of good standing to the Commissioner instead of submitting to the new fingerprinting and criminal history record check requirements provided in the bill.

Under continuing law, the Commissioner is permitted to determine whether an applicant has committed delinquent acts. Additionally, the law allows any applicant whose application is denied the opportunity for a hearing in accordance with the provisions of the Kansas Administrative Procedure Act.
