SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2054

As Recommended by House Committee on
Judiciary

Brief*

HB 2054 would amend a provision in the Employment Security Law (Law) regarding information obtained by the Secretary of Labor pursuant to administration of the Law to allow disclosure of such information to public officials or the agents or contractors of a public official in the performance of their public duties. (Under current law, such information may be disclosed only to public employees in the performance of their public duties.) A provision prohibiting further disclosure of information disclosed under the Law would be amended to permit further disclosure for use in the performance of a party's official duties. Those persons subject to penalties for violating the disclosure provisions would be broadened from "the secretary or any officer or employee of the secretary" to "any individual."
