Background

House Sub. for SB 126

The House Committee on Children and Seniors created this substitute bill by removing the contents of SB 126, as amended by the Senate Committee of the Whole, regarding restrictions on persons interacting with child care facilities, and inserting the contents of HB 2019, as amended by the House Committee, regarding the Task Force. [*Note: Only the background for HB 2019 is provided below since the contents of SB 126, as amended by the Senate Committee, were removed and are no longer applicable to the substitute bill. Background information on SB 126 may be found in the supplemental note for SB 126, as amended by the Senate Committee of the Whole.*]

HB 2019

The bill was introduced by the House Committee on Children and Seniors at the request of the 2016 Special

Committee on Foster Care Adequacy. In the House Committee Hearing, no proponent or opponent testimony was provided.

Neutral testimony was provided by a representative of DCF. The DCF representative stated oversight of the foster care system is provided through federal reviews, statewide audits, the Division of Post Audit, oversight by the Kansas Attorney General's Office, and numerous additional workgroups and task forces on child welfare issues. The DCF representative stated the Task Force may result in duplication and diminished efficiency in light of the federal and State agency and court oversight of the child welfare system already in place.

The House Committee created the substitute bill by removing the contents of SB 126, as amended by the Senate Committee of the Whole, and inserting the contents of HB 2019, as amended by the House Committee. The House Committee amended HB 2019 to change the name of the Task Force and change the title of the bill to: reflect the name change; make changes to the duties of the Task Force; require the Task Force to submit a corrective action plan at the beginning of the regular 2018 Legislative Session and progress reports at the beginning of each regular session of the Legislature thereafter, and delete other reporting requirements; change the type of data and information DCF is required to provide, upon request; alter Task Force membership, appointing authority, and terms; and change the sunset date of the Task Force and the effective date of the bill.

The fiscal note prepared by the Division of the Budget on HB 2019, as introduced, stated Legislative Administrative Services estimates additional annual expenditures of \$51,978 from the State General Fund for salaries, mileage, and subsistence for six meetings of the Task Force. The estimate includes \$40,537 for the expenses of 12 legislators, \$9,773 for the expenses of 5 non-legislator members, and \$1,668 for the salary of a Committee Assistant. The LCC would have to

approve these expenditures. Any fiscal effect associated with HB 2019 is not reflected in *The FY 2018 Governor's Budget Report*.
