

2017 Kansas Statutes

12-890. Registered office; change in location. Each municipal energy agency shall have a registered office, which may be located in the office of the city clerk of one of the member cities and shall have a resident agent in charge of such office for the purpose of accepting any legal process or notice served on the agency. When a municipal energy agency desires to change the location of its registered office, it shall file with the secretary of state and the state corporation commission a certificate of change of location of registered office, stating the new location and effective date of change. When the certificate of change of location has been duly filed, the board of directors may make the change without any further action.

History: L. 1977, ch. 48, § 6; July 1.
