72-5152. Same; adjustment of at-risk student enrollment. (a) If a student submits an application for free meals under the national school lunch act on or before the date on which the enrollment of the school district is calculated and it is later determined by the school district or the department of education that the student should not have been eligible for free meals, the school district or the department shall notify the state board of such determination. Except as provided in subsection (b), upon receipt of such notice, the state board shall recompute the adjusted enrollment of the school district and the general fund budget of the school district based on the adjusted enrollment of the school district excluding the at-risk student weighting and high-density at-risk student weighting, if any, assigned to such student.

(b) If a student becomes ineligible to receive free meals under the national school lunch act for failure to submit, in a timely manner, any documentation necessary for verification of eligibility as required by the national school lunch act, but subsequently submits such documentation, such student shall not be excluded from the calculation of the adjusted enrollment of the school district if the school district forwards a copy of such documentation to the state board no later than January 14 of the school year.
