

2017 Kansas Statutes

74-4986f. Affiliation with system by educational institution for university police officers; definitions. As used in this act:

(a) "Educational institution" means any state educational institution under the control and supervision of the state board of regents; and

(b) "university police officer" means university police officers employed by the chief executive officer of any educational institution. Wherever the word "policeman" is used in K.S.A. 74-4951 *et seq.*, and amendments thereto, such word shall be construed to include the words "university police officer."

History: L. 1988, ch. 302, § 26; July 1.
