Testimony in Support of Senate Bill 43

Senate Ethics and Elections Committee  
Chairwoman - Senator Elaine Bowers  
Vice Chair - Senator Randall Hardy  
Ranking Minority - Senator David Haley  
Committee Members

Good morning Madam Chair and members of this Committee.

Thank you for the opportunity to speak in support of Senate Bill-43.

I support Same Day Voter Registration because there is ample evidence that same day registration facilitates voting, especially for people who work during the day. There is no honorable reason for opposing this bill.

Thank you,

Dorothy Billings
