Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the

director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

Revenue that is received from the imposition of a local retailers' sales tax ~~which~~ that exceeds the amount of revenue required to pay the costs of a special project for which such revenue was pledged shall be credited to the city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. The director of taxation shall be allowed to assess a reasonable fee for the issuance of such report. Information received by any city or county pursuant to this section shall be confidential, and it shall be unlawful for any officer or employee of such city or county to divulge any such information in any manner. Any violation of this paragraph by a city or county officer or employee is a class A misdemeanor, and such officer or employee shall be dismissed from office. Reports of violations of this paragraph shall be investigated by the attorney general. The district attorney or county

attorney and the attorney general shall have authority to prosecute violations of this paragraph.

Sec. 3. K.S.A. 2018 Supp. 79-3606 is hereby amended to read as follows: 79-3606. The following shall be exempt from the tax imposed by this act:

(a) All sales of motor-vehicle fuel or other articles upon which a sales or excise tax has been paid, not subject to refund, under the laws of this state except cigarettes and electronic cigarettes as defined by K.S.A. 79-3301, and amendments thereto, including consumable material for such electronic cigarettes, cereal malt beverages and malt products as defined by K.S.A. 79-3817, and amendments thereto, including wort, liquid malt, malt syrup and malt extract, that is not subject to taxation under the provisions of K.S.A. 79-41a02, and amendments thereto, motor vehicles taxed pursuant to K.S.A. 79-5117, and amendments thereto, tires taxed pursuant to K.S.A. 65-3424d, and amendments thereto, drycleaning and laundry services taxed pursuant to K.S.A. 65-34,150, and amendments thereto, and gross receipts from regulated sports contests taxed pursuant to the Kansas professional regulated sports act, and amendments thereto;

(b) all sales of tangible personal property or service, including the renting and leasing of tangible personal property, purchased directly by the state of Kansas, a political subdivision thereof, other than a school or educational institution, or purchased by a public or private nonprofit hospital or public hospital authority or nonprofit blood, tissue or organ bank and used exclusively for state, political subdivision, hospital or public hospital authority or nonprofit blood, tissue or organ bank purposes, except when: (1) Such state, hospital or public hospital authority is engaged or proposes to engage in any business specifically taxable under the provisions of this act and such items of tangible personal property or service are used or proposed to be used in such business; or (2) such political subdivision is engaged or proposes to engage in the business of furnishing gas, electricity or heat to others and such items of personal property or service are used or proposed to be used in such business;

(c) all sales of tangible personal property or services, including the renting and leasing of

tangible personal property, purchased directly by a public or private elementary or secondary school or public or private nonprofit educational institution and used primarily by such school or institution for nonsectarian programs and activities provided or sponsored by such school or institution or in the erection, repair or enlargement of buildings to be used for such purposes. The exemption herein provided shall not apply to erection, construction, repair, enlargement or equipment of buildings used primarily for human habitation;

(d) all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, a public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership, that would be exempt from taxation under the provisions of this act if purchased directly by such hospital or public hospital authority, school, educational institution or a state correctional institution; and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or district described in subsection (s), the total cost of which is paid from funds of such political subdivision or district and that would be exempt from taxation under the provisions of this act if purchased directly by such political subdivision or district. Nothing in this subsection or in the provisions of K.S.A. 12-3418, and amendments thereto, shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any political subdivision of the state or any such district. As used in this subsection, K.S.A. 12-3418 and 79-3640, and amendments thereto, "funds of a political subdivision" shall mean general tax revenues, the proceeds of any bonds and gifts or grants-in-aid. Gifts shall not mean funds used for

the purpose of constructing, equipping, reconstructing, repairing, enlarging, furnishing or remodeling facilities that are to be leased to the donor. When any political subdivision of the state, district described in subsection (s), public or private nonprofit hospital or public hospital authority, public or private elementary or secondary school, public or private nonprofit educational institution, state correctional institution including a privately constructed correctional institution contracted for state use and ownership shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or department of corrections concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such contracting entity may apply to the secretary of revenue for agent status for the sole purpose of issuing and furnishing project exemption certificates to contractors pursuant to rules and regulations adopted by the secretary establishing conditions and standards for the granting and maintaining of such status. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials that will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20<sup>th</sup> day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for

which such certificate was issued, the political subdivision, district described in subsection (s), hospital or public hospital authority, school, educational institution or the contractor contracting with the department of corrections for a correctional institution concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto;

(e) all sales of tangible personal property or services purchased by a contractor for the erection, repair or enlargement of buildings or other projects for the government of the United States, its agencies or instrumentalities, that would be exempt from taxation if purchased directly by the government of the United States, its agencies or instrumentalities. When the government of the United States, its agencies or instrumentalities shall contract for the erection, repair, or enlargement of any building or other project, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificates to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the government of the United States, its agencies or instrumentalities concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. As an alternative to the foregoing procedure, any such contracting entity may apply to the secretary of revenue for agent status for the sole purpose of issuing and furnishing project exemption certificates to contractors pursuant to rules and regulations adopted by the secretary establishing conditions and

standards for the granting and maintaining of such status. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto;

(f) tangible personal property purchased by a railroad or public utility for consumption or movement directly and immediately in interstate commerce;

(g) sales of aircraft including remanufactured and modified aircraft sold to persons using directly or through an authorized agent such aircraft as certified or licensed carriers of persons or property in interstate or foreign commerce under authority of the laws of the United States or any foreign government or sold to any foreign government or agency or instrumentality of such foreign government and all sales of aircraft for use outside of the United States and sales of aircraft repair, modification and replacement parts and sales of services employed in the remanufacture, modification and repair of aircraft;

(h) all rentals of nonsectarian textbooks by public or private elementary or secondary schools;

(i) the lease or rental of all films, records, tapes, or any type of sound or picture transcriptions used by motion picture exhibitors;

(j) meals served without charge or food used in the preparation of such meals to employees of any restaurant, eating house, dining car, hotel, drugstore or other place where meals or drinks are regularly sold to the public if such employees' duties are related to the furnishing or sale of such meals or drinks;

(k) any motor vehicle, semitrailer or pole trailer, as such terms are defined by K.S.A. 8-126,

and amendments thereto, or aircraft sold and delivered in this state to a bona fide resident of another state, which motor vehicle, semitrailer, pole trailer or aircraft is not to be registered or based in this state and which vehicle, semitrailer, pole trailer or aircraft will not remain in this state more than 10 days;

As used in this paragraph, "severing" means the same as defined in K.S.A. 79-4216(k), and

amendments thereto. For all sales of natural gas, electricity and heat delivered through mains, lines or pipes pursuant to the provisions of subsection (w)(1) and (w)(2), the provisions of this subsection shall expire on December 31, 2005;

(x) all sales of propane gas, LP-gas, coal, wood and other fuel sources for the production of heat or lighting for noncommercial use of an occupant of residential premises occurring prior to January 1, 2006;

(y) all sales of materials and services used in the repairing, servicing, altering, maintaining, manufacturing, remanufacturing, or modification of railroad rolling stock for use in interstate or foreign commerce under authority of the laws of the United States;

(z) all sales of tangible personal property and services purchased directly by a port authority or by a contractor therefor as provided by the provisions of K.S.A. 12-3418, and amendments thereto;

(aa) all sales of materials and services applied to equipment that is transported into the state from without the state for repair, service, alteration, maintenance, remanufacture or modification and that is subsequently transported outside the state for use in the transmission of liquids or natural gas by means of pipeline in interstate or foreign commerce under authority of the laws of the United States;

(bb) all sales of used mobile homes or manufactured homes. As used in this subsection: (1) "Mobile homes" and "manufactured homes" mean the same as defined in K.S.A. 58-4202, and amendments thereto; and (2) "sales of used mobile homes or manufactured homes" means sales other than the original retail sale thereof;

(cc) all sales of tangible personal property or services purchased prior to January 1, 2012, except as otherwise provided, for the purpose of and in conjunction with constructing, reconstructing, enlarging or remodeling a business or retail business that meets the requirements established in K.S.A. 74-50,115, and amendments thereto, and the sale and installation of machinery and equipment purchased for installation at any such business or retail business, and all sales of tangible personal

property or services purchased on or after January 1, 2012, for the purpose of and in conjunction with constructing, reconstructing, enlarging or remodeling a business that meets the requirements established in K.S.A. 74-50,115(e), and amendments thereto, and the sale and installation of machinery and equipment purchased for installation at any such business. When a person shall contract for the construction, reconstruction, enlargement or remodeling of any such business or retail business, such person shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials, machinery and equipment for incorporation in such project. The contractor shall furnish the number of such certificates to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the owner of the business or retail business a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials, machinery or equipment purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed thereon, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto. As used in this subsection, "business" and "retail business" mean the same as defined in K.S.A. 74-50,114, and amendments thereto. Project exemption certificates that have been previously issued under this subsection by the department of revenue pursuant to K.S.A. 74-50,115, and amendments thereto, but not including K.S.A. 74-50,115(e), and amendments thereto, prior to January 1, 2012, and have not expired will be effective for the term of the project or two years from the effective date of the certificate, whichever occurs earlier. Project exemption certificates that are submitted to the department of revenue prior to

January 1, 2012, and are found to qualify will be issued a project exemption certificate that will be effective for a two-year period or for the term of the project, whichever occurs earlier;

(dd) all sales of tangible personal property purchased with food stamps issued by the United States department of agriculture;

(ee) all sales of lottery tickets and shares made as part of a lottery operated by the state of Kansas;

(ff) on and after July 1, 1988, all sales of new mobile homes or manufactured homes to the extent of 40% of the gross receipts, determined without regard to any trade-in allowance, received from such sale. As used in this subsection, "mobile homes" and "manufactured homes" mean the same as defined in K.S.A. 58-4202, and amendments thereto;

(gg) all sales of tangible personal property purchased in accordance with vouchers issued pursuant to the federal special supplemental food program for women, infants and children;

(hh) all sales of medical supplies and equipment, including durable medical equipment, purchased directly by a nonprofit skilled nursing home or nonprofit intermediate nursing care home, as defined by K.S.A. 39-923, and amendments thereto, for the purpose of providing medical services to residents thereof. This exemption shall not apply to tangible personal property customarily used for human habitation purposes. As used in this subsection, "durable medical equipment" means equipment including repair and replacement parts for such equipment, that can withstand repeated use, is primarily and customarily used to serve a medical purpose, generally is not useful to a person in the absence of illness or injury and is not worn in or on the body, but does not include mobility enhancing equipment as defined in subsection (r), oxygen delivery equipment, kidney dialysis equipment or enteral feeding systems;

(ii) all sales of tangible personal property purchased directly by a nonprofit organization for nonsectarian comprehensive multidiscipline youth development programs and activities provided or

sponsored by such organization, and all sales of tangible personal property by or on behalf of any such organization. This exemption shall not apply to tangible personal property customarily used for human habitation purposes;

(jj) all sales of tangible personal property or services, including the renting and leasing of tangible personal property, purchased directly on behalf of a community-based facility for people with intellectual disability or mental health center organized pursuant to K.S.A. 19-4001 et seq., and amendments thereto, and licensed in accordance with the provisions of K.S.A. 2018 Supp. 39-2001 et seq., and amendments thereto, and all sales of tangible personal property or services purchased by contractors during the time period from July, 2003, through June, 2006, for the purpose of constructing, equipping, maintaining or furnishing a new facility for a community-based facility for people with intellectual disability or mental health center located in Riverton, Cherokee County, Kansas, that would have been eligible for sales tax exemption pursuant to this subsection if purchased directly by such facility or center. This exemption shall not apply to tangible personal property customarily used for human habitation purposes;

(kk) (1) (A) all sales of machinery and equipment that are used in this state as an integral or essential part of an integrated production operation by a manufacturing or processing plant or facility;

(B) all sales of installation, repair and maintenance services performed on such machinery and equipment; and

(C) all sales of repair and replacement parts and accessories purchased for such machinery and equipment.

(2) For purposes of this subsection:

(A) "Integrated production operation" means an integrated series of operations engaged in at a manufacturing or processing plant or facility to process, transform or convert tangible personal property by physical, chemical or other means into a different form, composition or character from that

in which it originally existed. Integrated production operations shall include: (i) Production line operations, including packaging operations; (ii) preproduction operations to handle, store and treat raw materials; (iii) post production handling, storage, warehousing and distribution operations; and (iv) waste, pollution and environmental control operations, if any;

(B) "production line" means the assemblage of machinery and equipment at a manufacturing or processing plant or facility where the actual transformation or processing of tangible personal property occurs;

(C) "manufacturing or processing plant or facility" means a single, fixed location owned or controlled by a manufacturing or processing business that consists of one or more structures or buildings in a contiguous area where integrated production operations are conducted to manufacture or process tangible personal property to be ultimately sold at retail. Such term shall not include any facility primarily operated for the purpose of conveying or assisting in the conveyance of natural gas, electricity, oil or water. A business may operate one or more manufacturing or processing plants or facilities at different locations to manufacture or process a single product of tangible personal property to be ultimately sold at retail;

(D) "manufacturing or processing business" means a business that utilizes an integrated production operation to manufacture, process, fabricate, finish or assemble items for wholesale and retail distribution as part of what is commonly regarded by the general public as an industrial manufacturing or processing operation or an agricultural commodity processing operation. (i) Industrial manufacturing or processing operations include, by way of illustration but not of limitation, the fabrication of automobiles, airplanes, machinery or transportation equipment, the fabrication of metal, plastic, wood or paper products, electricity power generation, water treatment, petroleum refining, chemical production, wholesale bottling, newspaper printing, ready mixed concrete production, and the remanufacturing of used parts for wholesale or retail sale. Such processing operations shall include

operations at an oil well, gas well, mine or other excavation site where the oil, gas, minerals, coal, clay, stone, sand or gravel that has been extracted from the earth is cleaned, separated, crushed, ground, milled, screened, washed or otherwise treated or prepared before its transmission to a refinery or before any other wholesale or retail distribution. (ii) Agricultural commodity processing operations include, by way of illustration but not of limitation, meat packing, poultry slaughtering and dressing, processing and packaging farm and dairy products in sealed containers for wholesale and retail distribution, feed grinding, grain milling, frozen food processing, and grain handling, cleaning, blending, fumigation, drying and aeration operations engaged in by grain elevators or other grain storage facilities. (iii) Manufacturing or processing businesses do not include, by way of illustration but not of limitation, nonindustrial businesses whose operations are primarily retail and that produce or process tangible personal property as an incidental part of conducting the retail business, such as retailers who bake, cook or prepare food products in the regular course of their retail trade, grocery stores, meat lockers and meat markets that butcher or dress livestock or poultry in the regular course of their retail trade, contractors who alter, service, repair or improve real property, and retail businesses that clean, service or refurbish and repair tangible personal property for its owner;

(E) "repair and replacement parts and accessories" means all parts and accessories for exempt machinery and equipment, including, but not limited to, dies, jigs, molds, patterns and safety devices that are attached to exempt machinery or that are otherwise used in production, and parts and accessories that require periodic replacement such as belts, drill bits, grinding wheels, grinding balls, cutting bars, saws, refractory brick and other refractory items for exempt kiln equipment used in production operations;

(F) "primary" or "primarily" mean more than 50% of the time.

(3) For purposes of this subsection, machinery and equipment shall be deemed to be used as an integral or essential part of an integrated production operation when used:

(A) To receive, transport, convey, handle, treat or store raw materials in preparation of its placement on the production line;

(B) to transport, convey, handle or store the property undergoing manufacturing or processing at any point from the beginning of the production line through any warehousing or distribution operation of the final product that occurs at the plant or facility;

(C) to act upon, effect, promote or otherwise facilitate a physical change to the property undergoing manufacturing or processing;

(D) to guide, control or direct the movement of property undergoing manufacturing or processing;

(E) to test or measure raw materials, the property undergoing manufacturing or processing or the finished product, as a necessary part of the manufacturer's integrated production operations;

(F) to plan, manage, control or record the receipt and flow of inventories of raw materials, consumables and component parts, the flow of the property undergoing manufacturing or processing and the management of inventories of the finished product;

(G) to produce energy for, lubricate, control the operating of or otherwise enable the functioning of other production machinery and equipment and the continuation of production operations;

(H) to package the property being manufactured or processed in a container or wrapping in which such property is normally sold or transported;

(I) to transmit or transport electricity, coke, gas, water, steam or similar substances used in production operations from the point of generation, if produced by the manufacturer or processor at the plant site, to that manufacturer's production operation; or, if purchased or delivered from off-site, from the point where the substance enters the site of the plant or facility to that manufacturer's production operations;

(J) to cool, heat, filter, refine or otherwise treat water, steam, acid, oil, solvents or other substances that are used in production operations;

(K) to provide and control an environment required to maintain certain levels of air quality, humidity or temperature in special and limited areas of the plant or facility, where such regulation of temperature or humidity is part of and essential to the production process;

(L) to treat, transport or store waste or other byproducts of production operations at the plant or facility; or

(M) to control pollution at the plant or facility where the pollution is produced by the manufacturing or processing operation.

(4) The following machinery, equipment and materials shall be deemed to be exempt even though it may not otherwise qualify as machinery and equipment used as an integral or essential part of an integrated production operation: (A) Computers and related peripheral equipment that are utilized by a manufacturing or processing business for engineering of the finished product or for research and development or product design; (B) machinery and equipment that is utilized by a manufacturing or processing business to manufacture or rebuild tangible personal property that is used in manufacturing or processing operations, including tools, dies, molds, forms and other parts of qualifying machinery and equipment; (C) portable plants for aggregate concrete, bulk cement and asphalt including cement mixing drums to be attached to a motor vehicle; (D) industrial fixtures, devices, support facilities and special foundations necessary for manufacturing and production operations, and materials and other tangible personal property sold for the purpose of fabricating such fixtures, devices, facilities and foundations. An exemption certificate for such purchases shall be signed by the manufacturer or processor. If the fabricator purchases such material, the fabricator shall also sign the exemption certificate; (E) a manufacturing or processing business' laboratory equipment that is not located at the plant or facility, but that would otherwise qualify for exemption under subsection (3)(E); (F) all

machinery and equipment used in surface mining activities as described in K.S.A. 49-601 et seq., and amendments thereto, beginning from the time a reclamation plan is filed to the acceptance of the completed final site reclamation.

(5) "Machinery and equipment used as an integral or essential part of an integrated production operation" shall not include:

(A) Machinery and equipment used for nonproduction purposes, including, but not limited to, machinery and equipment used for plant security, fire prevention, first aid, accounting, administration, record keeping, advertising, marketing, sales or other related activities, plant cleaning, plant communications and employee work scheduling;

(B) machinery, equipment and tools used primarily in maintaining and repairing any type of machinery and equipment or the building and plant;

(C) transportation, transmission and distribution equipment not primarily used in a production, warehousing or material handling operation at the plant or facility, including the means of conveyance of natural gas, electricity, oil or water, and equipment related thereto, located outside the plant or facility;

(D) office machines and equipment including computers and related peripheral equipment not used directly and primarily to control or measure the manufacturing process;

(E) furniture and other furnishings;

(F) buildings, other than exempt machinery and equipment that is permanently affixed to or becomes a physical part of the building, and any other part of real estate that is not otherwise exempt;

(G) building fixtures that are not integral to the manufacturing operation, such as utility systems for heating, ventilation, air conditioning, communications, plumbing or electrical;

(H) machinery and equipment used for general plant heating, cooling and lighting;

(I) motor vehicles that are registered for operation on public highways; or

(J) employee apparel, except safety and protective apparel that is purchased by an employer and furnished gratuitously to employees who are involved in production or research activities.

(6) Subsections (3) and (5) shall not be construed as exclusive listings of the machinery and equipment that qualify or do not qualify as an integral or essential part of an integrated production operation. When machinery or equipment is used as an integral or essential part of production operations part of the time and for nonproduction purposes at other times, the primary use of the machinery or equipment shall determine whether or not such machinery or equipment qualifies for exemption.

(7) The secretary of revenue shall adopt rules and regulations necessary to administer the provisions of this subsection;

(ll) all sales of educational materials purchased for distribution to the public at no charge by a nonprofit corporation organized for the purpose of encouraging, fostering and conducting programs for the improvement of public health, except that for taxable years commencing after December 31, 2013, this subsection shall not apply to any sales of such materials purchased by a nonprofit corporation which performs any abortion, as defined in K.S.A. 65-6701, and amendments thereto;

(mm) all sales of seeds and tree seedlings; fertilizers, insecticides, herbicides, germicides, pesticides and fungicides; and services, purchased and used for the purpose of producing plants in order to prevent soil erosion on land devoted to agricultural use;

(nn) except as otherwise provided in this act, all sales of services rendered by an advertising agency or licensed broadcast station or any member, agent or employee thereof;

(ww) all sales of tangible personal property purchased by the habitat for humanity for the exclusive use of being incorporated within a housing project constructed by such organization;

(xx) all sales of tangible personal property and services purchased by a nonprofit zoo that is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, or on behalf of such zoo by an entity itself exempt from federal income taxation pursuant to

section 501(c)(3) of the federal internal revenue code of 1986 contracted with to operate such zoo and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any nonprofit zoo that would be exempt from taxation under the provisions of this section if purchased directly by such nonprofit zoo or the entity operating such zoo. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any nonprofit zoo. When any nonprofit zoo shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to the nonprofit zoo concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials that will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20<sup>th</sup> day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, the nonprofit zoo concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any

agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto;

(yy) all sales of tangible personal property and services purchased by a parent-teacher association or organization, and all sales of tangible personal property by or on behalf of such association or organization;

(zz) all sales of machinery and equipment purchased by over-the-air, free access radio or television station that is used directly and primarily for the purpose of producing a broadcast signal or is such that the failure of the machinery or equipment to operate would cause broadcasting to cease. For purposes of this subsection, machinery and equipment shall include, but not be limited to, that required by rules and regulations of the federal communications commission, and all sales of electricity which are essential or necessary for the purpose of producing a broadcast signal or is such that the failure of the electricity would cause broadcasting to cease;

(aaa) all sales of tangible personal property and services purchased by a religious organization that is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code, and used exclusively for religious purposes, and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any such organization that would be exempt from taxation under the provisions of this section if purchased directly by such organization. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any such organization. When any such

organization shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to such organization concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials that will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20<sup>th</sup> day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, such organization concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto. Sales tax paid on and after July 1, 1998, but prior to the effective date of this act upon the gross receipts received from any sale exempted by the amendatory provisions of this subsection shall be refunded. Each claim for a sales tax refund shall be verified and submitted to the

director of taxation upon forms furnished by the director and shall be accompanied by any additional documentation required by the director. The director shall review each claim and shall refund that amount of sales tax paid as determined under the provisions of this subsection. All refunds shall be paid from the sales tax refund fund upon warrants of the director of accounts and reports pursuant to vouchers approved by the director or the director's designee;

(bbb) all sales of food for human consumption by an organization that is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code of 1986, pursuant to a food distribution program that offers such food at a price below cost in exchange for the performance of community service by the purchaser thereof;

(ccc) on and after July 1, 1999, all sales of tangible personal property and services purchased by a primary care clinic or health center the primary purpose of which is to provide services to medically underserved individuals and families, and that is exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code, and all sales of tangible personal property or services purchased by a contractor for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any such clinic or center that would be exempt from taxation under the provisions of this section if purchased directly by such clinic or center, except that for taxable years commencing after December 31, 2013, this subsection shall not apply to any sales of such tangible personal property and services purchased by a primary care clinic or health center which performs any abortion, as defined in K.S.A. 65-6701, and amendments thereto. Nothing in this subsection shall be deemed to exempt the purchase of any construction machinery, equipment or tools used in the constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities for any such clinic or center. When any such clinic or center shall contract for the purpose of constructing, equipping, reconstructing, maintaining, repairing, enlarging, furnishing or remodeling facilities, it shall obtain

from the state and furnish to the contractor an exemption certificate for the project involved, and the contractor may purchase materials for incorporation in such project. The contractor shall furnish the number of such certificate to all suppliers from whom such purchases are made, and such suppliers shall execute invoices covering the same bearing the number of such certificate. Upon completion of the project the contractor shall furnish to such clinic or center concerned a sworn statement, on a form to be provided by the director of taxation, that all purchases so made were entitled to exemption under this subsection. All invoices shall be held by the contractor for a period of five years and shall be subject to audit by the director of taxation. If any materials purchased under such a certificate are found not to have been incorporated in the building or other project or not to have been returned for credit or the sales or compensating tax otherwise imposed upon such materials that will not be so incorporated in the building or other project reported and paid by such contractor to the director of taxation not later than the 20<sup>th</sup> day of the month following the close of the month in which it shall be determined that such materials will not be used for the purpose for which such certificate was issued, such clinic or center concerned shall be liable for tax on all materials purchased for the project, and upon payment thereof it may recover the same from the contractor together with reasonable attorney fees. Any contractor or any agent, employee or subcontractor thereof, who shall use or otherwise dispose of any materials purchased under such a certificate for any purpose other than that for which such a certificate is issued without the payment of the sales or compensating tax otherwise imposed upon such materials, shall be guilty of a misdemeanor and, upon conviction therefor, shall be subject to the penalties provided for in K.S.A. 79-3615(h), and amendments thereto;

(ddd) on and after January 1, 1999, and before January 1, 2000, all sales of materials and services purchased by any class II or III railroad as classified by the federal surface transportation board for the construction, renovation, repair or replacement of class II or III railroad track and facilities used directly in interstate commerce. In the event any such track or facility for which

materials and services were purchased sales tax exempt is not operational for five years succeeding the allowance of such exemption, the total amount of sales tax that would have been payable except for the operation of this subsection shall be recouped in accordance with rules and regulations adopted for such purpose by the secretary of revenue;

(eee) on and after January 1, 1999, and before January 1, 2001, all sales of materials and services purchased for the original construction, reconstruction, repair or replacement of grain storage facilities, including railroad sidings providing access thereto;

(fff) all sales of material handling equipment, racking systems and other related machinery and equipment that is used for the handling, movement or storage of tangible personal property in a warehouse or distribution facility in this state; all sales of installation, repair and maintenance services performed on such machinery and equipment; and all sales of repair and replacement parts for such machinery and equipment.
