

Disapproval of ERO No. 46, Kansas Energy Office; HR 6031

HR 6031 disapproves Executive Reorganization Order (ERO) No. 46, which was issued by the Governor on January 30, 2020.

ERO 46 would have established the Kansas Energy Office (Energy Office) as an independent entity, effective July 1, 2020, rather than continue it within the Kansas Corporation Commission (KCC). The ERO stated the Energy Office would be under the direction of the Director of the Kansas Energy Office (Director). The Director would have been appointed by the Governor. The ERO would have transferred the balances of all funds and accounts appropriated to the KCC for activities related to the Energy Office from the KCC to the Energy Office.
