

SESSION OF 2020

**SUPPLEMENTAL NOTE ON HOUSE BILL NO. 2576**

As Recommended by House Committee on  
Taxation

**Brief\***

HB 2576 would accelerate from December 15 to December 10 the date by which county treasurers are required to mail property tax bills.

**Background**

The bill was introduced by Representative Adam Smith, who appeared as a proponent in the House Committee on Taxation hearing on February 18, 2020. He noted property taxes are due on December 20 and pointed to a recent situation in Cheyenne County wherein many taxpayers believed they had insufficient notice prior to the payment deadline. Written-only neutral testimony was provided by the Kansas Association of Counties and Kansas County Treasurers Association.

The House Committee recommended the bill be placed on the Consent Calendar.

A fiscal note prepared by the Division of the Budget indicates the bill would not be expected to have any fiscal impact for the state and a negligible impact, if any, for counties.
