Statehouse, Room 581B-W
Topeka, Kansas 66612

Dear Representative Proehl:

SUBJECT: Fiscal Note for HB 2167 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2167 is respectfully submitted to your committee.

HB 2167 would permit concrete mixer trucks, antique vehicles, passenger vehicles, and passenger trucks to display license plates on the front of the vehicle. The bill would also require dump trucks with a gross weight of 26,000 pounds to display license plates on the front of the vehicle. The bill would authorize law enforcement officers to issue a warning citation to anyone in violation of displaying a license plate on the front of a dump truck. The authorization to issue a warning would expire and have no effect on and after January 1, 2022.

The Department of Revenue states that HB 2167 would have no fiscal effect on the agency.

Sincerely,
