Subject: 30*30 initiative MTG comments

To our elected officials, my name is Chris Bartel of Lyon county ks. I am sending this email representing myself and numerous friends and neighbors in Lyon and Greenwood counties. We wish to tell you as our elected officials, we are all very much against the 30x30 initiative and heritage areas and request you represent us in such a manner. God bless and thank you for your service.

Chris Bartel
Madison, KS
