

Note to Conferees:

Welcome to the 2022 Legislative session. It has been an interesting (to say the least) start to the session. There are many changes to the way we are doing business and I wanted to provide some information to you.

Those who wish to testify can either do so virtually or in-person. We will be using WEBEX to provide for virtual meetings. If you have not used it, WEBEX is very similar to Zoom. I will need your email address for Webex. The IT Department will send out calendar invitations to those who will participate directly in the meeting. Anyone else who wants to attend virtually will access the meeting through the Kansas Legislative website.

For those who wish to testify before the Committee, I will need to know 48 hours in advance of the meeting. I will only need an Electronic (PDF) copy of the testimony by 1:00 p.m. the day before the scheduled meeting. You will be able to see the testimony on the Kansas Legislative website once the meeting begins.

I have attached the guidelines for Conferees. Please let me know if you have any questions.
