I have a few comments on the Redistricting process:

Please make the process as nonpartisan as possible.

Ideally, set up an independent committee to draw the boundaries.

Use regular shapes my as much as possible. There is no reason for districts to look like jigsaw puzzle pieces.

Keep small communities and towns together. The district line in Haysville runs right through the middle of town.

Keep the US Representative districts much as they are.

Sincerely,  
J.C. Moore.
