

## 2021 Kansas Statutes

**75-7c03. License to carry concealed handgun; issuance; form; recognition of licenses issued by other jurisdictions; issuance of authorization documents.** (a) The attorney general shall issue licenses to carry concealed handguns to persons who comply with the application and training requirements of this act and who are not disqualified under K.S.A. 75-7c04, and amendments thereto. Such licenses shall be valid throughout the state for a period of four years from the date of issuance. The availability of licenses to carry concealed handguns under this act shall not be construed to impose a general prohibition on the carrying of handguns without such license, whether carried openly or concealed, or loaded or unloaded.

(b) Except as otherwise provided in subsection (d), the license shall be a separate card, in a form prescribed by the attorney general, that is approximately the size of a Kansas driver's license, shall indicate whether the license is a provisional or standard license and shall bear the licensee's signature, name, address, date of birth and driver's license number or nondriver's identification card number except that the attorney general shall assign a unique number for military applicants or their dependents described in K.S.A. 75-7c05(a)(1) (B), and amendments thereto.

(c) (1) Subject to the provisions of subsection (c)(2), a valid license or permit to carry a concealed firearm issued by another jurisdiction shall be recognized in this state, but only while the holder is not a resident of Kansas.

(2) A valid license or permit that is recognized pursuant to this subsection shall only entitle the lawful holder thereof to carry concealed handguns, as defined by K.S.A. 75-7c02, and amendments thereto, in accordance with the laws of this state while such holder is present in this state. The recognition of a license or permit pursuant to this subsection shall not be construed to impose a general prohibition on the carrying of handguns without such license, whether carried openly or concealed, or loaded or unloaded.

(3) As used in this subsection, the terms "jurisdiction" and "license or permit" shall have the same meanings as provided in K.S.A. 75-7c04, and amendments thereto.

(d) If at any time it becomes impractical for the division of vehicles of the department of revenue to issue physical cards consistent with the requirements of this act and the attorney general determines that the conditions for such impracticality have existed for at least 30 days, the attorney general shall issue an authorization document to each licensee that authorizes the licensee to exercise the rights and privileges to carry a concealed handgun as set forth in this act. Such document shall include the licensee information required under subsection (b) and state that the document is proof that the licensee holds a valid license to carry concealed handguns. All such documents issued during any such period that it is impractical for the division of vehicles of the department of revenue to issue a physical card shall expire 90 days after such conditions have ceased and it is practical for the division of vehicles to resume issuing physical cards.
