

SENATE BILL No. 224

By Committee on Utilities

2-5

AN ACT concerning electric utilities; providing for competitive bidding for certain power contracts.

Be it enacted by the Legislature of the State of Kansas:

Section 1. On and after January 1, 2002, any new wholesale contract requiring at least three megawatts of electric power be delivered by an electric utility shall be subject to a competitive bid procedure established by the state corporation commission. The state corporation commission shall adopt rules and regulations establishing the requirements, criteria and procedure under which an electric utility will be able to bid on such contracts.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
