*Be it enacted by the Legislature of the State of Kansas:*

Section 1. K.S.A. 72-8213 is hereby amended to read as follows: 72-8213. (a) As used in this act, the term “school building” means any building or structure operated or used for pupil attendance purposes by the board of education of a unified school district and the word “enrollment” has the meaning ascribed thereto in the school district equalization act.

(b) ~~(1) Subject to provision (2) of this subsection, the board of education of a unified school district shall not close any school building except as provided in this section.~~

~~(2) The provisions of this section shall be deemed alternative to the provisions of K.S.A. 72-8233, and amendments thereto, and no procedure or authorization under such statute shall be limited by the provisions of this section. Nothing in this section shall operate or be construed so as to abrogate, limit, or affect in any way the provisions of any law administered by the state fire marshal or any rules and regulations adopted pursuant to any such law.~~

~~(c) (1) The provisions of this subsection apply to unified school districts with under 1,600 enrollment.~~

~~(2) The board shall not close any school building that is being operated on the effective date of this act unless and until the board has adopted and implemented a plan for closing such school building. A plan for closing a school building shall contain procedures in conformity with the provisions of this subsection.~~

~~(3) A plan for closing a school building may be adopted and implemented by a board upon a finding by the board that the school building should be closed in order to enhance the quality of education and improve the school system of the unified school district.~~

~~(4) A plan for closing a school building shall contain the following procedures:~~

~~(A) The board of education shall adopt a resolution stating its inten-~~

1 tion to close the affected school building. Such resolution shall include  
2 the reasons for the proposal to close the school building, the name of the  
3 affected school building, the school building or buildings to which the  
4 involved pupils shall be reassigned, and the time, date and place of a  
5 public hearing to be held on the proposal to close such school building.

6 —(B)— A public hearing on the board's proposal to close a school building  
7 shall be held after adoption of the resolution thereon. Public notice of  
8 the time, date, place and purpose of such public hearing shall be pub-  
9 lished in a newspaper of general circulation in the school district at least  
10 once a week for two consecutive weeks.

11 —(C)— Subsequent to the public hearing provided for in paragraph (B),  
12 the board of education, after considering all the testimony and evidence  
13 brought forth at the public hearing, shall make a final decision as to the  
14 closing of the affected school building. The decision shall be in writing  
15 and shall be published at least once in a newspaper of general circulation  
16 in the unified school district. The final decision either to close the affected  
17 school building or not to close the affected school building shall be im-  
18 plemented by the board in accordance with its plan unless a petition in  
19 opposition to implementation of the same, signed by not less than 5% of  
20 the registered electors residing within the unified school district, is filed  
21 with the county election officer of the home county of the school district  
22 within 45 days after publication of the final decision. If such a petition is  
23 filed, the county election officer shall hold an election upon the question  
24 of whether such school building should be closed or, at the request of  
25 the board of education, shall submit the question to the registered elec-  
26 tors of the unified school district at the next primary or general election  
27 of the unified school district. Such election shall be held jointly with other  
28 elections held at the same time insofar as is practicable as provided for  
29 by K.S.A. 25-2011, and amendments thereto. All registered electors re-  
30 siding within the unified school district may vote at the election. The  
31 board shall not close any affected school building pending any election  
32 to be held under the provisions of this paragraph. If a majority of those  
33 voting at such election are not in favor of closing the affected school  
34 building, the school building shall not be closed. If a majority of the votes  
35 at such election are in favor of closing the affected school building, the  
36 board shall close the school building in accordance with the plan.

37 —(d) The board of education of any unified school district with 1,600  
38 or more enrollment may close any of its school buildings at any time the  
39 board finds the buildings should be closed to improve the school system  
40 of the unified school district. The closing of any school building under

4 require a majority vote of the members of the board of education and  
5 shall require no other procedure or approval.

6 ~~(d)~~ (d) If any territory has been or is hereafter attached or transferred  
7 to any unified school district, any school building in the territory so at-  
8 tached or transferred may be closed by the board of education upon  
9 majority vote of the members of the board of education and shall require  
10 no other procedure or approval.

11 ~~(e)~~ (e) Nothing in this section shall be deemed to restrict or limit the  
12 authority of any board to change the use of any school building, so long  
13 as such school building is operated or used for pupil attendance purposes.

14 ~~(f)~~ (f) Whenever a unified school district, by election, has been au-  
15 thorized to issue general obligation bonds to construct and equip a school  
16 building to meet the needs of the entire unified school district, the board  
17 of education of such district may close and discontinue the use of any  
18 other one or more school buildings within such district if the school build-  
19 ing so constructed adequately serves, directly or indirectly, the educa-  
20 tional needs theretofore served by the school building or buildings closed.  
21 The closing of any school building under this subsection shall require a  
22 majority vote of the members of the board of education and shall require  
23 no other procedure or approval.

20 enrolled in such discontinued kindergarten, grades, courses or units of  
21 instruction. The closing of any school building under authority of this  
22 subsection shall require a majority vote of the members of the board of  
23 education and shall require no other procedure or approval. ~~The provi-  
24 sions of this subsection shall be deemed alternative to the provisions of  
25 K.S.A. 72-8213, and amendments thereto, and the procedure and au-
