

HOUSE BILL No. 2974

By Committee on Education

2-15

AN ACT concerning school district finance; affecting the determination of low enrollment weighting; amending K.S.A. 2001 Supp. 72-6412 and repealing the existing section.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2001 Supp. 72-6412 is hereby amended to read as follows: 72-6412. The low enrollment weighting of each district with under 1,725 enrollment shall be determined by the state board as follows:

(a) Determine the amount of the median budget per pupil for the 1991-92 school year of districts with 75-125 enrollment in such school year;

(b) determine the amount of the median budget per pupil for the 1991-92 school year of districts with 200-399 enrollment in such school year;

(c) determine the amount of the median budget per pupil for the 1991-92 school year of districts with 1,900 or over enrollment;

(d) prescribe a schedule amount for each of the districts by preparing a schedule based upon an accepted mathematical formula and derived from a linear transition between (1) the median budgets per pupil determined under (a) and (b), and (2) the median budgets per pupil determined under (b) and (c). The schedule amount for districts with 0-99 enrollment is an amount equal to the amount of the median budget per pupil determined under (a). The schedule amount for districts with 100-299 enrollment is the amount derived from the linear transition under (1). The schedule amount for districts with 300-1,899 enrollment is the amount derived from the linear transition under (2);

(e) for districts with 0-99 enrollment:

(1) Subtract the amount determined under (c) from the amount determined under (a);

(2) divide the remainder obtained under (1) by the amount determined under (c);

(3) *subtract from enrollment of the district in the current school year the number of pupils, if any, who do not meet the requirements of K.S.A. 72-1046, and amendments thereto, for attendance at school in the district;*

1 ~~(3)~~ (4) multiply the quotient obtained under (2) by the enrollment of
2 the district in the current school year. The product is the low enrollment
3 weighting of the district remainder obtained under (3);

4 (5) determine the number of pupils subtracted from enrollment under
5 (3), if any, who meet the requirements of K.S.A. 72-1046, and amendments
6 thereto, for attendance at school in a district with 100-299 enrollment and
7 multiply the quotient obtained under (f)(2) by the number of pupils de-
8 termined under this provision;

9 (6) determine the number of pupils subtracted from enrollment under
10 (3), if any, who meet the requirements of K.S.A. 72-1046, and amendments
11 thereto, for attendance at school in a district with 300-1,724 enrollment
12 and multiply the quotient obtained under (g)(2) by the number of pupils
13 determined under this provision;

14 (7) determine the number of pupils subtracted from enrollment under
15 (3), if any, who meet the requirements of K.S.A. 72-1046, and amendments
16 thereto, for attendance at school in a district with 1,725 or over enrollment
17 and multiply the quotient obtained under subsection (a)(2) of K.S.A. 2001
18 Supp. 72-6442, and amendments thereto, by the number of pupils deter-
19 mined under this provision;

20 (8) add the products obtained under (5), (6) and (7) to the product
21 obtained under (4). The sum is the low enrollment weighting of the
22 district;

23 (f) for districts with 100-299 enrollment:

24 (1) Subtract the amount determined under (c) from the schedule
25 amount of the district;

26 (2) divide the remainder obtained under (1) by the amount deter-
27 mined under (c);

28 (3) subtract from enrollment of the district in the current school year
29 the number of pupils, if any, who meet the requirements of K.S.A. 72-
30 1046, and amendments thereto, for attendance at school in a district with
31 300 or over enrollment;

32 ~~(3)~~ (4) multiply the quotient obtained under (2) by the enrollment of
33 the district in the current school year. The product is the low enrollment
34 weighting of the district remainder obtained under (3);

35 (5) determine the number of pupils subtracted from enrollment under
36 (3), if any, who meet the requirements of K.S.A. 72-1046, and amendments
37 thereto, for attendance at school in a district with 300-1,724 enrollment
38 and multiply the quotient obtained under (g)(2) by the number of pupils
39 determined under this provision;

40 (6) determine the number of pupils subtracted from enrollment under
41 (3), if any, who meet the requirements of K.S.A. 72-1046, and amendments
42 thereto, for attendance at school in a district with 1,725 or over enrollment
43 and multiply the quotient obtained under subsection (a)(2) of K.S.A. 2001

1 *Supp. 72-6442, and amendments thereto, by the number of pupils deter-*
2 *mined under this provision;*

3 (7) *add the products obtained under (5) and (6) to the product ob-*
4 *tained under (4). The sum is the low enrollment weighting of the district;*

5 (g) *for districts with 300-1,724 enrollment:*

6 (1) *Subtract the amount determined under (c) from the schedule*
7 *amount of the district;*

8 (2) *divide the remainder obtained under (1) by the amount deter-*
9 *mined under (c);*

10 (3) *subtract from enrollment of the district in the current school year*
11 *the number of pupils, if any, who meet the requirements of K.S.A. 72-*
12 *1046, and amendments thereto, for attendance at school in a district with*
13 *1,725 or over enrollment;*

14 ~~(3) (4) multiply the quotient obtained under (2) by the enrollment of~~
15 ~~the district in the current school year. The product is the low enrollment~~
16 ~~weighting of the district. remainder obtained under (3);~~

17 (5) *multiply the quotient obtained under subsection (a)(2) of K.S.A.*
18 *2001 Supp. 72-6442, and amendments thereto, by the number of pupils,*
19 *if any, subtracted from enrollment under (3);*

20 (6) *add the product obtained under (5) to the product obtained under*
21 *(4). The sum is the low enrollment weighting of the district.*

22 (h) *In determining low enrollment weighting under this section, the*
23 *state board shall determine the district in which each pupil, not meeting*
24 *the requirements of K.S.A. 72-1046, and amendments thereto, for attend-*
25 *ance at school in the district in which enrolled, is entitled to attend school*
26 *under the provisions of K.S.A. 72-1046, and amendments thereto.*

27 Sec. 2. K.S.A. 2001 Supp. 72-6412 is hereby repealed.

28 Sec. 3. This act shall take effect and be in force from and after its
29 publication in the statute book.
