

SENATE BILL No. 493

By Committee on Judiciary

2-4

AN ACT concerning certain railroad employees; relating to accidents; testing of train crew members to determine presence of alcohol or drugs.

Be it enacted by the Legislature of the State of Kansas:

Section 1. Testing of train crew members' blood, breath, urine or other bodily substances to determine the presence of alcohol or drugs shall be prohibited in the case of a collision between railroad rolling stock and a motor vehicle or other highway conveyance at a rail-highway grade crossing except upon probable cause to believe that a train crew member is under the influence of alcohol or drugs.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
