

HOUSE Substitute for SENATE BILL No. 145

By Committee on Agriculture

3-25

AN ACT concerning the Kansas pet animal act; relating to seizure and impoundment of animals.

Be it enacted by the Legislature of the State of Kansas:

Section 1. (a) When an animal is seized or impounded pursuant to K.S.A. 47-1706, 47-1707 or 47-1715, and amendments thereto, the owner or person who was in possession of the animal at the time such animal was seized or impounded shall prevent sale, placement or euthanasia of the animal by posting a cash or security bond in an amount sufficient to pay for the animal's care and keeping for a period of at least 30 days, commencing on the date which the animal was seized or impounded. Any such security bond or any security bond as provided in subsection (b) shall be approved by the Kansas animal health department.

(b) Such bond shall be filed with the Kansas animal health department and shall be posted on or before the date of the disposition hearing or within ten days after the animal is seized or impounded, whichever is earlier. At the end of the time for which expenses are covered by the bond if the owner or person who was in possession of the animal at the time it was seized or impounded desires to prevent disposition of the animal, such owner or person shall post a new cash or security bond prior to the previous bond's expiration. At the end of the time for which expenses are covered by the bond, the animal may be sold, placed or euthanized.

(c) The authority seizing or impounding an animal shall give notice by delivering a copy of this section to a person residing on the property where the animal was seized or by posting a copy at the place where the animal was seized.

(d) Nothing in this section shall prevent the euthanasia at any time of an animal seized or impounded which is determined by a licensed veterinarian to be diseased or disabled beyond recovery for any useful purpose.

(e) This act is supplemental to and shall become a part of the Kansas pet animal act.

Sec. 2. This act shall take effect and be in force from and after its publication in the statute book.
