

SENATE BILL No. 56

By Senator Emler

1-23

AN ACT establishing a putative father registry; requiring certain actions of putative fathers and prescribing penalties thereto; responsibilities of secretary of social and rehabilitation services; termination of parental rights; amending K.S.A. 59-2133 and 59-2136 and K.S.A. 2002 Supp. 45-221 and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

New Section 1. The provisions of sections 1 through 11, and amendments thereto, shall be known and may be cited as the putative father registry act.

New Sec. 2. As used in this act: (a) "Child" includes an unborn child;

- (b) "putative father" means an individual who is or may be a child's birth father;
- $\left(c\right)$ "registry" means the putative father registry established and maintained pursuant to this act; and
- (d) "secretary" means the secretary of social and rehabilitation services.
- New Sec. 3. The purpose of the putative father registry is to provide a procedure that allows any person who is a putative father to record the registering person's name and address in order to: (a) Receive notice of any action in this state that may terminate any parental rights the registering person may have with respect to the child; and
- (b) submit to the jurisdiction of this state any action pursuant to the uniform interstate family support act with respect to the child.
- New Sec. 4. (a) A person who engages in sexual relations with a member of the opposite sex is presumed to know that a pregnancy could result.
- (b) In addition to any other notice to which the putative father is entitled, a putative father is entitled to notice of termination of parental rights proceedings for the purposes of adoption if the putative father has complied with the requirements of the registry.
- (c) An individual who is not married to the mother but who is presumed to be a father and registers in accordance with this part is entitled to receive notice of a termination of parental rights proceedings.
 - New Sec. 5. (a) The secretary of social and rehabilitation services

 shall establish and maintain a putative father registry which shall record the names and last known addresses of: (1) Any person adjudicated by a court of this state to be the father of a child born out of wedlock if a certified copy of the court order is filed with the registry;

- (2) any person who has filed with the registry, a paternity claim for notification purposes for such child;
- (3) any person who has filed with the registry a notice of intent to claim paternity;
- (4) any person adjudicated by an authorized tribunal of another state or territory of the United States to be the father of such child, if a certified copy of the tribunal's order has been filed with the registry; and
- (5) any person registered with the putative father registry established by the secretary pursuant to K.S.A. 23-9,201, and amendments thereto.
- (b) A paternity claim for notification purposes or a notice of intent to claim paternity filed with the registry by a putative father shall be an admission of paternity and shall include the claimant's full name, date of birth and address at which he may be served with notice; the name and last known address of the mother; and the name, if known, and date of the birth or the expected birth of the child. The person filing the notice shall notify the registry of any change of address pursuant to procedures prescribed by rules and regulations promulgated by the secretary.
- (c) Any person filing a paternity claim for notification purposes or a notice of intent to claim paternity with the registry may revoke such notice, and upon receipt of such revocation by the registry, the effect shall be as if no filing had ever been made.
- (d) The secretary shall not divulge the names and addresses of persons listed with the registry to any person except as authorized by law or upon order of a court for good cause shown.
- (e) The secretary may develop information about the registry and may distribute such information, through their existing publications, to the news media and the public. The secretary shall also make the registration forms available through the department of social and rehabilitation services, the department of health and environment, department of corrections, the clerk of each district court and each local health department. The secretary shall provide a notice that informs the public about the purpose and operation of the registry to be posted in a conspicuous place in each office of the clerk of a district court, driver's license examination station, local health department and county clerk's office. Such notice shall include information regarding where to obtain a registration form, where to register, circumstances under which a putative father is required to register, the period during which a putative father is required to register in order to entitle the putative father to receive notice of an adoption, the information that must be provided for the registry and what other

8 9

actions the putative father is required to take to preserve a right to notice, the consequences of not submitting a timely registration, and the penalties for filing a false claim with the registry.

- (f) If a putative father does not have an address where the putative father can receive notice of a termination of parental rights proceeding, the putative father may designate another person as an agent for the purpose of receiving notice. The putative father shall provide the secretary with the agent's name and the address at which the agent may be served. Service of notice by certified mail, return receipt requested, constitutes service of notice upon the putative father.
- (g) A putative father shall register under this section on a registration form prescribed by the secretary or with a legibly typed or handwritten statement that provides the required information and that is submitted to the secretary in person or by facsimile transmission, mail, private courier or express delivery service. The registration must be signed by the putative father and notarized.
- (h) Except as otherwise provided in this act, information contained within the registry is confidential.
- (i) The secretary is authorized to promulgate rules and regulations to carry out the provisions of this act.
- New Sec. 6. (a) The following persons may request that the secretary search the registry to determine whether a putative father is registered in relation to a child:
 - (1) A representative of the department;
- (2) a representative of an agency that is or may be arranging an adoption;
- (3) a prospective adoptive parent or an attorney representing a prospective adoptive parent in a direct parental placement adoption who has the notarized consent of the birth mother;
 - (4) the mother of the child; or
- (5) any party, or the party's attorney, in an action pursuant to the uniform interstate family support act.
- (b) A request for information about a registration from the secretary must be in writing.
- (c) Not later than five days after receiving a request for a registry search from a person as provided in subsection (a), the secretary shall conduct a search of the putative father registry and submit an affidavit to the requestor verifying the date on which the request was received, the date on which the search was conducted and the results of the search.
- (d) If the secretary finds that one or more putative fathers are registered, the secretary shall submit a copy of each registration form or order with the secretary's affidavit.
 - (e) A court may not issue an order terminating a father's parental

rights unless the secretary's affidavit under subsection (c) is filed with the court.

- (f) The secretary may charge a reasonable fee for responding to a request under this section.
- New Sec. 7. Failure of an agency to post a proper notice under the provisions of this act does not relieve a putative father of the obligation to register in accordance with this act with the putative father registry in order to entitle the putative father, because of registration, to notice of proceedings involving a child who may have been fathered by the putative father.
- New Sec. 8. The secretary shall furnish a certified copy of the putative father's registration form upon written request by: (a) A putative father whose name appears on the registration form being requested;
- (b) a mother whose name appears on the registration form being requested;
- (c) upon reaching majority, a person who was the subject of a registration;

 - (e) a licensed child-placing agency;
 - (f) a court that presides over a pending adoption;
- (g) a representative of the child support enforcement program of the department of social and rehabilitation services; or
- (h) a representative of the secretary involved in an adoption proceeding.
- New Sec. 9. (a) In order to be entitled, because of registration, to receive notice of a termination of parental rights proceeding pursuant to an adoption, a putative father's registration form complying with the requirements of this act must be received by the secretary not later than 72 hours after the child's birth.
- (b) A putative father may file all information required by this act before a child's birth even though the putative father has no actual knowledge that a pregnancy has occurred or that a pregnancy has continued through gestation.
- New Sec. 10. Within three days after the filing of a paternity claim for notification purposes or a notice of intent to claim paternity with the registry pursuant to this act, the secretary shall cause a certified copy of such notice to be mailed by certified mail to: (a) The mother or prospective mother of such child at the last known address shown on the notice; or (b) an agent specifically designated in writing by the mother or prospective mother to receive such notice. The notice shall be admissible in any action for paternity, shall estop the claimant from denying paternity

8 9

of such child after such filing, and shall contain language that the claimant acknowledges liability for contribution to the support and education of the child after birth and for contribution to the pregnancy related medical expenses of the mother.

New Sec. 11. If a notice of intent to claim paternity is not timely filed with the registry pursuant to this act, the mother of a child born out of wedlock or an agent specifically designated in writing by the mother may request, and the secretary shall supply, a certificate that no notice of intent to claim paternity has been filed with the registry and the filing of such certificate shall eliminate the need or necessity of a consent or relinquishment for adoption by the natural father of such child.

- Sec. 12. K.S.A. 2002 Supp. 45-221 is hereby amended to read as follows: 45-221. (a) Except to the extent disclosure is otherwise required by law, a public agency shall not be required to disclose:

the court shall order publication notice of the hearing in such manner as the court deems appropriate has registered with the putative father registry.

- (d) In a stepparent adoption, if a mother consents to the adoption of a child who has a presumed father under subsection (a)(1), (2) or (3) of K.S.A. 38-1114 and amendments thereto or such father has registered with the putative father registry, or who has a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction, the consent of such father must be given to the adoption unless such father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption or is incapable of giving such consent. In determining whether a father's consent is required under this subsection, the court may disregard incidental visitations, contacts, communications or contributions. In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent.
- (e) Except as provided in subsection (d), if a mother desires to relinquish or consents to the adoption of such mother's child, a petition shall be filed in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court. The petition may be filed by the mother, the petitioner for adoption, the person or agency having custody of the child or the agency to which the child has been or is to be relinquished. Where appropriate, the request to terminate parental rights may be contained in a petition for adoption. If the request to terminate parental rights is not filed in connection with an adoption proceeding, venue shall be in the county in which the child, the mother or the presumed or alleged father resides or is found. In an effort to identify the father, the court shall determine by deposition, affidavit or hearing, the following:
- (1) Whether there is a presumed father under K.S.A. 38-1114 and amendments thereto;
- (2) whether there is a father whose relationship to the child has been determined by a court;
- (3) whether there is a father as to whom the child is a legitimate child under prior law of this state or under the law of another jurisdiction;
 - (4) whether the mother was cohabitating with a man at the time of

conception or birth of the child;

- (5) whether the mother has received support payments or promises of support with respect to the child or in connection with such mother's pregnancy; and
- (6) whether any man has formally or informally acknowledged or declared such man's possible paternity of the child-; and
- (7) whether any person has registered with the putative father registry as father of such child.
- If the father is identified to the satisfaction of the court, or if more than one man is identified as a possible father, each shall be given notice of the proceeding in accordance with subsection (f).
- (f) Notice of the proceeding shall be given to every person who has registered with the putative father registry as father of such child and identified as the father or a possible father by personal service, certified mail return receipt requested or in any other manner the court may direct. Proof of notice shall be filed with the court before the petition or request is heard.
- (g) If, after the inquiry, the court is unable to identify the father or any possible father and no person has appeared claiming to be the father and claiming custodial rights, the court shall enter an order terminating the unknown father's parental rights with reference to the child without regard to subsection (h). If any person identified as the father or possible father of the child fails to appear or, if appearing, fails to claim custodial rights, such person's parental rights with reference to the child shall be terminated without regard to subsection (h).
- (h) When a father or alleged father appears and asserts parental rights, the court shall determine parentage, if necessary pursuant to the Kansas parentage act. If a father desires but is financially unable to employ an attorney, the court shall appoint an attorney for the father. Thereafter, the court may order that parental rights be terminated, upon a finding by clear and convincing evidence, of any of the following:
- (1) The father abandoned or neglected the child after having knowledge of the child's birth;
 - (2) the father is unfit as a parent or incapable of giving consent;
- (3) the father has made no reasonable efforts to support or communicate with the child after having knowledge of the child's birth;
- (4) the father, after having knowledge of the pregnancy, failed without reasonable cause to provide support for the mother during the six months prior to the child's birth;
- (5) the father abandoned the mother after having knowledge of the pregnancy;
 - (6) the birth of the child was the result of rape of the mother; or
 - (7) the father has failed or refused to assume the duties of a parent

for two consecutive years next preceding the filing of the petition.

In making a finding under this subsection, the court may disregard incidental visitations, contacts, communications or contributions. In determining whether the father has failed or refused to assume the duties of a parent for two consecutive years next preceding the filing of the petition for adoption, there shall be a rebuttable presumption that if the father, after having knowledge of the child's birth, has knowingly failed to provide a substantial portion of the child support as required by judicial decree, when financially able to do so, for a period of two years next preceding the filing of the petition for adoption, then such father has failed or refused to assume the duties of a parent.

- (i) A termination of parental rights under this section shall not terminate the right of the child to inherit from or through the parent. Upon such termination, all the rights of birth parents to such child, including their right to inherit from or through such child, shall cease.
- Sec. 15. K.S.A. 59-2133 and 59-2136 and K.S.A. 2002 Supp. 45-221 are hereby repealed.
- Sec. 16. This act shall take effect and be in force from and after its publication in the statute book.
