AN ACT concerning employment security law; amending K.S.A. 44-719 and K.S.A. 2004 Supp. 44-703, 44-706, 44-710a and 44-716a and repealing the existing sections.

Be it enacted by the Legislature of the State of Kansas:

Section 1. On and after January 1, 2006, K.S.A. 2004 Supp. 44-703 is hereby amended to read as follows: 44-703. As used in this act, unless the context clearly requires otherwise:

(a) (1) "Annual payroll" means the total amount of wages paid or payable by an employer during the calendar year.

(2) "Average annual payroll" means the average of the annual payrolls of any employer for the last three calendar years immediately preceding the computation date as hereinafter defined if the employer has been continuously subject to contributions during those three calendar years and has paid some wages for employment during each of such years. In determining contribution rates for the calendar year, if an employer has not been continuously subject to contribution for the three calendar years immediately preceding the computation date but has paid wages subject to contributions during only the two calendar years immediately preceding the computation date, such employer's "average annual payroll" shall be the average of the payrolls for those two calendar years.

(3) "Total wages" means the total amount of wages paid or payable by an employer during the calendar year, including that part of remuneration in excess of the limitation prescribed as provided in subsection (o)(1) of this section.

(b) "Base period" means the first four of the last five completed calendar quarters immediately preceding the first day of an individual's benefit year, except that the base period in respect to combined wage claims means the base period as defined in the law of the paying state.

(1) If an individual lacks sufficient base period wages in order to establish a benefit year in the matter set forth above and satisfies the requirements of subsection (g) of K.S.A. 44-705 and subsection (hh) of K.S.A. 44-703, and amendments thereto, the claimant shall have an alternative base period substituted for the current base period so as not to prevent establishment of a valid claim. For the purposes of this subsection, "alternative base period" means the last four completed quarters immediately preceding the date the qualifying injury occurred. In the event the wages in the alternative base period have been used on a prior claim, then they shall be excluded from the new alternative base period.

(2) For the purposes of this chapter, the term "base period" includes the alternative base period.

(c) (1) "Benefits" means the money payments payable to an individual, as provided in this act, with respect to such individual's unemployment.

(2) "Regular benefits" means benefits payable to an individual under this act or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85, other than extended benefits.

(d) "Benefit year" with respect to any individual, means the period beginning with the first day of the first week for which such individual files a valid claim for benefits, and such benefit year shall continue for one full year. In the case of a combined wage claim, the benefit year shall be the benefit year of the paying state. Following the termination of a benefit year, a subsequent benefit year shall commence on the first day of the first week with respect to which an individual next files a claim for benefits. When such filing occurs with respect to a week which overlaps the preceding benefit year, the subsequent benefit year shall commence on the first day immediately following the expiration date of the preceding benefit year. Any claim for benefits made in accordance with subsection (a) of K.S.A. 44-709, and amendments thereto, shall be deemed to be a "valid claim" for the purposes of this subsection if the individual has been paid wages for insured work as required under subsection (e) of K.S.A. 44-705 and amendments thereto. Whenever a week of unemployment overlaps two benefit years, such week shall, for the purpose of granting waiting-period credit or benefit payment with respect thereto, be deemed to be a week of unemployment within that benefit year in which the greater part of such week occurs.

(e) "Commissioner" or "secretary" means the secretary of labor.

(f) (1) "Contributions" means the money payments to the state employment security fund which are required to be made by employers on

account of employment under K.S.A. 44-710, and amendments thereto, and voluntary payments made by employers pursuant to such statute.

(2) “Payments in lieu of contributions” means the money payments to the state employment security fund from employers which are required to make or which elect to make such payments under subsection (e) of K.S.A. 44-710 and amendments thereto.

(g) “Employing unit” means any individual or type of organization, including any partnership, association, limited liability company, agency or department of the state of Kansas and political subdivisions thereof, trust, estate, joint-stock company, insurance company or corporation, whether domestic or foreign including nonprofit corporations, or the receiver, trustee in bankruptcy, trustee or successor thereof, or the legal representatives of a deceased person, which has in its employ one or more individuals performing services for it within this state. All individuals performing services within this state for any employing unit which maintains two or more separate establishments within this state shall be deemed to be employed by a single employing unit for all the purposes of this act. Each individual employed to perform or to assist in performing the work of any agent or employee of an employing unit shall be deemed to be employed by such employing unit for all the purposes of this act, whether such individual was hired or paid directly by such employing unit or by such agent or employee, provided the employing unit had actual or constructive knowledge of the employment.

Sec. 2. On and after January 1, 2006, K.S.A. 2004 Supp. 44-710a is hereby amended to read as follows: 44-710a. (a) *Classification of employers by the secretary.* The term “employer” as used in this section refers to contributing employers. The secretary shall classify employers in accordance with their actual experience in the payment of contributions on their own behalf and with respect to benefits charged against their accounts with a view of fixing such contribution rates as will reflect such experience. If, as of the date such classification of employers is made, the secretary finds that any employing unit has failed to file any report required in connection therewith, or has filed a report which the secretary finds incorrect or insufficient, the secretary shall make an estimate of the information required from such employing unit on the basis of the best evidence reasonably available to the secretary at the time, and notify the employing unit thereof by mail addressed to its last known address. Unless such employing unit shall file the report or a corrected or sufficient report as the case may be, within 15 days after the mailing of such notice, the secretary shall compute such employing unit’s rate of contributions on the basis of such estimates, and the rate as so determined shall be subject to increase but not to reduction on the basis of subsequently ascertained information. The secretary shall determine the contribution rate of each employer in accordance with the requirements of this section.

(1) *New employers.* (A) No employer will be eligible for a rate computation until there have been 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer’s account.

(B) (i) Employers who are not eligible for a rate computation shall pay contributions at an assigned rate equal to the sum of 1% plus the greater of the average rate assigned in the preceding calendar year to all employers in such industry sector or the average rate assigned to all covered employers during the preceding calendar year, except that in no instance shall any such assigned rate be less than 2%. Employers engaged in more than one type of industrial activity shall be classified by principal activity. All rates assigned will remain in effect for a complete calendar year. If the sale or acquisition of a new establishment would require reclassification of the employer to a different industry sector, the employer would be promptly notified, and the contribution rate applicable to the new industry sector would become effective the following January 1.

(ii) For purposes of this subsection (a), employers shall be classified by industrial activity in accordance with standard procedures as set forth in rules and regulations adopted by the secretary.

(C) “Computation date” means June 30 of each calendar year with respect to rates of contribution applicable to the calendar year beginning with the following January 1. In arriving at contribution rates for each calendar year, contributions paid on or before July 31 following the computation date for employment occurring on or prior to the computation date shall be considered for each contributing employer who has been subject to this act for a sufficient period of time to have such employer’s rate computed under this subsection (a).

(2) *Eligible employers.* (A) A reserve ratio shall be computed for each eligible employer by the following method: Total benefits charged to the employer's account for all past years shall be deducted from all contributions paid by such employer for all such years. The balance, positive or negative, shall be divided by the employer's average annual payroll, and the result shall constitute the employer reserve ratio.

(B) Negative account balance employers as defined in subsection (d) shall pay contributions at the rate of 5.4% for each calendar year.

(C) Eligible employers, other than negative account balance employers, who do not meet the average annual payroll requirements as stated in subsection (a)(2) of K.S.A. 44-703, and amendments thereto, will be issued the maximum rate indicated in subsection (a)(3)(C) of this section until such employer establishes a new period of 24 consecutive calendar months immediately preceding the computation date throughout which benefits could have been charged against such employer's account by resuming the payment of wages. Contribution rates effective for each calendar year thereafter shall be determined as prescribed below.

(D) As of each computation date, the total of the taxable wages paid during the 12-month period prior to the computation date by all employers eligible for rate computation, except negative account balance employers, shall be divided into 51 approximately equal parts designated in column A of schedule I as "rate groups," except, with regard to a year in which the taxable wage base changes. The taxable wages used in the calculation for such a year and the following year shall be an estimate of what the taxable wages would have been if the new taxable wage base had been in effect during the entire twelve-month period prior to the computation date. The lowest numbered of such rate groups shall consist of the employers with the most favorable reserve ratios, as defined in this section, whose combined taxable wages paid are less than 1.96% of all taxable wages paid by all eligible employers. Each succeeding higher numbered rate group shall consist of employers with reserve ratios that are less favorable than those of employers in the preceding lower numbered rate groups and whose taxable wages when combined with the taxable wages of employers in all lower numbered rate groups equal the appropriate percentage of total taxable wages designated in column B of schedule I. Each eligible employer, other than a negative account balance employer, shall be assigned an experience factor designated under column C of schedule I in accordance with the rate group to which the employer is assigned on the basis of the employer's reserve ratio and taxable payroll. If an employer's taxable payroll falls into more than one rate group the employer shall be assigned the experience factor of the lower numbered rate group. If one or more employers have reserve ratios identical to that of the last employer included in the next lower numbered rate group, all such employers shall be assigned the experience factor designated to such last employer, notwithstanding the position of their taxable payroll in column B of schedule I.

The amount of the surcharge shall be determined from column B of schedule II of this section. Each negative account balance employer who does not satisfy the requirements to have an average annual payroll, as defined by subsection (a)(2) of K.S.A. 44-703, and amendments thereto, shall be assigned a surcharge of 2%. The reserve fund ratio shall be determined by dividing total assets in the employment security fund provided for in subsection (a) of K.S.A. 44-712, and amendments thereto, excluding all moneys credited to the account of this state pursuant to section 903 of the federal social security act, as amended, which have been appropriated by the state legislature, whether or not withdrawn from the trust fund, and excluding contributions not yet paid on July 31 by total payrolls for contributing employers for the preceding fiscal year which ended June 30.

(B) *Adjustment to taxable wages.* The planned yield as a percent of total wages, as determined in this subsection (a)(3), shall be adjusted to taxable wages by multiplying by the ratio of total wages to taxable wages for all contributing employers for the preceding fiscal year ending June 30, except, with regard to a year in which the taxable wage base changes. The taxable wages used in the calculation for such a year and the following year shall be an estimate of what the taxable wages would have been if the new taxable wage base had been in effect during all of the preceding fiscal year ending June 30.

(C) *Effective rates.* Except with regard to rates for negative account balance employers, employer contribution rates to be effective for the ensuing calendar year shall be computed by adjusting proportionately the experience factors from schedule I of this section to the required yield on taxable wages. For the purposes of this subsection (a)(3), all rates computed shall be rounded to the nearest .01% and for calendar year 1983 and ensuing calendar years, the maximum effective contribution rate shall not exceed 5.4%.

(b) *Successor classification.* (1) (A) For the purposes of this subsection (b), whenever an employing unit, whether or not it is an “employing unit” within the meaning of subsection (g) of K.S.A. 44-703, and amendments thereto, becomes an employer pursuant to subsection (h)(4) of K.S.A. 44-703, and amendments thereto, or is an employer at the time of acquisition and meets the definition of a “successor employer” as defined by subsection (dd) of K.S.A. 44-703, and amendments thereto, and ~~is controlled substantially either directly or indirectly by legally enforceable means or otherwise by the same interest or interests, the employing unit shall acquire the experience rating factors of the predecessor employer~~ thereafter transfers its trade or business, or any portion thereof, to another employer and, at the time of the transfer, there is substantially common ownership, management or control of the two employers, then the unemployment experience attributable to the transferred trade or business shall be transferred to the employer to whom such business is so transferred. These experience factors consist of all contributions paid, benefit experience and annual payrolls of the predecessor employer. The transfer of some or all of an employer’s workforce to another employer shall be considered a transfer of trade or business when, as the result of such transfer, the transferring employer no longer performs trade or business with respect to the transferred workforce, and such trade or business is performed by the employer to whom the workforce is transferred.

(B) If, following a transfer of experience under subparagraph (A), the secretary determines that a substantial purpose of the transfer or business was to obtain a reduced liability for contributions, then the experience

rating accounts of the employers involved shall be combined into a single account and a single rate assigned to such account.

(2) A successor employer as defined by subsection (h)(4) or subsection (dd) of K.S.A. 44-703, and amendments thereto, may receive the experience rating factors of the predecessor employer if an application is made to the secretary or the secretary's designee in writing within 120 days of the date of the transfer.

(3) Whenever an employing unit, whether or not it is an "employing unit" within the meaning of subsection (g) of K.S.A. 44-703, and amendments thereto, acquires or in any manner succeeds to a percentage of an employer's annual payroll which is less than 100% and intends to continue the acquired percentage as a going business, the employing unit ~~(A) shall acquire the same percentage of the predecessor's experience factors if the employer is controlled substantially, either directly or indirectly or by legally enforceable means or otherwise, by the same interest or interests or (B)~~ may acquire the same percentage of the predecessor's experience factors if: ~~(i)~~ (A) The predecessor employer and successor employing unit make an application in writing on the form prescribed by the secretary, ~~(ii)~~ (B) the application is submitted within 120 days of the date of the transfer, ~~(iii)~~ (C) the successor employing unit is or becomes an employer subject to this act immediately after the transfer, ~~(iv)~~ (D) the percentage of the experience rating factors transferred shall not be thereafter used in computing the contribution rate for the predecessor employer, and ~~(v)~~ (E) the secretary finds that such transfer will not tend to defeat or obstruct the object and purposes of this act.

(4) (A) *The rate of both employers in a full or partial successorship under paragraph (1) of this subsection shall be recalculated and made effective on the first day of the next calendar quarter following the date of transfer of trade or business.*

(B) If a successor employer is determined to be qualified under paragraph ~~(1)~~, (2) or (3) of this subsection to receive the experience rating factors of the predecessor employer, the rate assigned to the successor employer for the remainder of the contributions year shall be determined by the following:

~~(A)~~ (i) If the acquiring employing unit was an employer subject to this act prior to the date of the transfer, the rate of contribution shall be the same as the contribution rate of the acquiring employer on the date of the transfer.

~~(B)~~ (ii) If the acquiring employing unit was not an employer subject to this act prior to the date of the transfer, the successor employer shall have a newly computed rate for the remainder of the contribution year which shall be based on the transferred experience rating factors as they existed on the most recent computation date immediately preceding the date of acquisition. These experience rating factors consist of all contributions paid, benefit experience and annual payrolls.

(5) *Whenever an employing unit is not an employer at the time it acquires the trade or business of an employer, the unemployment experience factors of the acquired business shall not be transferred to such employing unit if the secretary finds that such employing unit acquired the business solely or primarily for the purpose of obtaining a lower rate of contributions. Instead, such employing unit shall be assigned the applicable industry rate for a "new employer" as described in subsection (a)(1) of this section. In determining whether the business was acquired solely or primarily for the purpose of obtaining a lower rate of contributions, the secretary shall use objective factors which may include the cost of acquiring the business, whether the employer continued the business enterprise of the acquired business, how long such business enterprise was continued, or whether a substantial number of new employees were hired for performance of duties unrelated to the business activity conducted prior to acquisition.*

(6) Whenever an employer's account has been terminated as provided in subsections (d) and (e) of K.S.A. 44-711, and amendments

thereto, and the employer continues with employment to liquidate the business operations, that employer shall continue to be an “employer” subject to the employment security law as provided in subsection (h)(8) of K.S.A. 44-703 and amendments thereto. The rate of contribution from the date of transfer to the end of the then current calendar year shall be the same as the contribution rate prior to the date of the transfer. At the completion of the then current calendar year, the rate of contribution shall be that of a “new employer” as described in subsection (a)(1) of this section.

~~(6)~~ (7) No rate computation will be permitted an employing unit succeeding to the experience of another employing unit pursuant to this section for any period subsequent to such succession except in accordance with rules and regulations adopted by the secretary. Any such regulations shall be consistent with federal requirements for additional credit allowance in section 3303 of the federal internal revenue code of 1986, and consistent with the provisions of this act.

(c) *Voluntary contributions.* Notwithstanding any other provision of the employment security law, any employer may make voluntary payments for the purpose of reducing or maintaining a reduced rate in addition to the contributions required under this section. Such voluntary payments may be made only during the thirty-day period immediately following the date of mailing of experience rating notices for a calendar year. All such voluntary contribution payments shall be paid prior to the expiration of 120 days after the beginning of the year for which such rates are effective. The amount of voluntary contributions shall be credited to the employer’s account as of the next preceding computation date and the employer’s rate shall be computed accordingly, except that no employer’s rate shall be reduced more than five rate groups as provided in schedule I of this section as the result of a voluntary payment. An employer not having a negative account balance may have such employer’s rate reduced not more than five rate groups as provided in schedule I of this section as a result of a voluntary payment. An employer having a negative account balance may have such employer’s rate reduced to that prescribed for rate group 51 of schedule I of this section by making a voluntary payment in the amount of such negative account balance or to that rate prescribed for rate groups 50 through 47 of schedule I of this section by making an additional voluntary payment that would increase such employer’s reserve ratio to the lower limit required for such rate groups 50 through 47. Under no circumstances shall voluntary payments be refunded in whole or in part.

(d) As used in this section, “negative account balance employer” means an eligible employer whose total benefits charged to such employer’s account for all past years have exceeded all contributions paid by such employer for all such years.

(e) The secretary of labor shall annually prepare and submit a certification as to the solvency and adequacy of the amount credited to the state of Kansas’ account in the federal employment security trust fund to the governor and the employment security advisory council. The certification shall be submitted on or before December 1 of each calendar year and shall be for the 12-month period ending on June 30 of that calendar year. In arriving at the certification contributions paid on or before July 31 following the 12-month period ending date of June 30 shall be considered. Each certification shall be used to determine the need for any adjustment to schedule III in subsection (a)(3)(A) and to assist in preparing legislation to accomplish any such adjustment.

Sec. 3. K.S.A. 2004 Supp. 44-716a is hereby amended to read as follows: 44-716a. (a) There is hereby created in the state treasury a special fund to be known as the special employment security fund. All interest and penalties collected under the provisions of the Kansas employment security law shall be paid into this fund. No such moneys shall be expended or available for expenditure in any manner which would permit their substitution for, or a corresponding reduction in, federal funds

which in the absence of such moneys would be available to finance expenditures for the administration of the employment security law. Nothing in this section shall prevent such moneys from being used as a revolving fund, to cover expenditures, necessary and proper under the law, for which federal funds have been duly requested but not yet received, subject to the charging of such expenditures against such funds when received. Except as otherwise authorized by this section or by appropriations act, the moneys in this fund may be used by the secretary of labor only for the payment of costs of administration which are found not to have been properly and validly chargeable against federal grants, or other funds, received for or in the employment security administration fund. In addition to the other purposes for which expenditures may be made from the special employment security fund as authorized by this section or by appropriations act, moneys from this fund may be used to finance activities as deemed necessary by the secretary of labor for the efficient operation of activities under or the administration of the employment security law, except that (1) no moneys shall be used for such purposes unless the secretary has determined that no other funds are available or can be properly used to finance expenditures for such purposes, and (2) expenditures during any fiscal year for purposes authorized under this section shall not exceed \$110,000 except upon approval of the state finance council acting on this matter which is hereby characterized as a matter of legislative delegation and subject to the guidelines prescribed by subsection (c) of K.S.A. 75-3711c and amendments thereto. No expenditures of this fund shall be made except on written authorization by the governor and the secretary of labor.

(b) The director of accounts and reports is hereby directed to draw warrants upon the state treasurer against the money in the special employment security fund for the use and purposes authorized under this section upon vouchers, approved by the secretary of labor, and accompanied by the written authorization of the governor and the secretary of labor. The moneys in this fund are hereby specifically made available to replace, within a reasonable time, any moneys received by this state pursuant to section 302 of the federal social security act, as amended, which, because of any action or contingency, have been lost or have been expended for purposes other than, or in amounts in excess of, those necessary for the proper administration of the employment security law. The moneys in this fund shall be continuously available to the secretary of labor for expenditure in accordance with the provisions of this section and shall not lapse at any time or be transferred to any other fund, except as otherwise authorized in subsection (c) or subsection (d).

(c) In addition to expenditures authorized by this section, the director of accounts and reports may transfer funds from the special employment security fund to the accounting services recovery fund as provided in K.S.A. 75-3728b and 75-6210 and amendments thereto.

(d) In addition to expenditures authorized by this section, the director of accounts and reports is directed and authorized to transfer funds from the special employment security fund to the department of labor federal indirect cost offset fund on July 1 of each year in the amount contained in appropriation bills to be expended from the federal indirect cost offset fund for that fiscal year.

(e) In addition to expenditures authorized by this section, the director of accounts and reports is directed and authorized to transfer funds from the special employment security fund to the clearing account of the employment security fund to be expended in the payment of interest due employers from erroneously collected contributions or benefit cost payments as provided in subsection (h) of K.S.A. 44-717 and amendments thereto.

(f) *In addition to expenditures authorized by this section, the director of accounts and reports is directed and authorized to transfer funds from the special employment security fund to the clearing account of the employment security fund to be expended in the payment of fees assessed for*

the electronic payments or credit card payments of contributions, benefit cost payments or reimbursing payments in lieu of contributions from employers.

Sec. 4. On and after January 1, 2006, K.S.A. 44-719 is hereby amended to read as follows: 44-719. (a) Any person who makes a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or other payment under this act, either for such person or for any other person, shall be guilty of theft and shall be punished in accordance with the provisions of K.S.A. 21-3701 and amendments thereto.

(b) Any employing unit or any officer or agent for any employing unit or any other person who makes a false statement or representation knowing it to be false, or who knowingly fails to disclose a material fact, to prevent or reduce the payment of benefits to any individual entitled thereto, or to avoid becoming or remaining subject hereto or to avoid or reduce any contribution or other payment required from an employing unit under this act, or who willfully fails or refuses to make any such contributions or other payment or to furnish any reports required hereunder or to produce or permit the inspection or copying of records as required hereunder, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or both such fine and imprisonment. Each such false statement or representation or failure to disclose a material fact and each day of such failure or refusal shall constitute a separate offense.

(c) Any person who willfully violates any provision of this act or any rule and regulation adopted by the secretary hereunder, the violation of which is made unlawful or the observance of which is required under the terms of this act, and for which a penalty is neither prescribed herein or provided by any other applicable statute, shall be punished by a fine of not less than \$20 nor more than \$200, or by imprisonment for not longer than 60 days, or by both such fine and imprisonment, and each day such violation continues shall be deemed to be a separate offense.

(d) (1) Any person who has received any amount of money as benefits under this act while any conditions for the receipt of benefits imposed by this act were not fulfilled in such person's case, or while such person was disqualified from receiving benefits, shall in the discretion of the secretary, either be liable to have such amount of money deducted from any future benefits payable to such person under this act or shall be liable to repay to the secretary for the employment security fund an amount of money equal to the amount so received by such person. After a period of five years, the secretary may waive the collection of any such amount of money when the secretary has determined that the payment of such amount of money was not due to fraud, misrepresentation, or willful nondisclosure on the part of the person receiving such amount of money, and the collection thereof would be against equity or would cause extreme hardship with regard to such person. The collection of benefit overpayments which were made in the absence of fraud, misrepresentation or willful nondisclosure of required information on the part of the person who received such overpayments, may be waived by the secretary at any time if such person met all eligibility requirements of the employment security law during the weeks in which the overpayments were made.

(2) Any benefit erroneously paid which is not repaid shall bear interest at the rate of 1.5% per month or fraction of a month. If the benefit was received as a result of fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue from the date of the final determination of overpayment until repayment plus interest is received by the secretary. If the overpayment was without fraud, misrepresentation or willful nondisclosure of required information, interest shall accrue upon any balance which remains unpaid two years after the final determination of overpayment is made and shall continue until payment plus accrued interest is received by the secretary. Interest collected pur-

suant to this section shall be paid into the special employment security fund, except that interest collected on federal administrative programs shall be returned to the federal government. Upon written request and for good cause shown, the secretary may abate any interest or portion thereof provided for by this subsection (d)(2). Interest accrued may not be paid by money deducted from any future benefits payable to such persons liable for any overpayment.

(3) Unless collection is waived by the secretary, any such amount shall be collectible in the manner provided in subsection (b) of K.S.A. 44-717 and amendments thereto for the collection of past due contributions. The courts of this state shall in like manner entertain actions to collect amounts of money erroneously paid as benefits, or unlawfully obtained, for which liability has accrued under the employment security law of any other state or of the federal government.

(e) Any employer or person who willfully fails or refuses to pay contributions, payments in lieu of contributions or benefit cost payments or attempts in any manner to evade or defeat any such contributions, payments in lieu of contributions or benefit cost payments or the payment thereof, shall be liable for the payment of such contributions, payments in lieu of contributions or benefit cost payments and, in addition to any other penalties provided by law, shall be liable to pay a penalty equal to the total amount of the contributions, payments in lieu of contributions or benefit cost payments evaded or not paid.

(f) (1) *It shall be unlawful for an employing unit to knowingly obtain or attempt to obtain a reduced liability for contributions under subsection (b)(1) of K.S.A. 44-710a and amendments thereto through manipulation of the employer's workforce, or for an employing unit that is not an employing unit at the time it acquires the trade or business, to knowingly obtain or attempt to obtain a reduced liability for contributions under subsection (b)(5) of K.S.A. 44-710a and amendments thereto, or any other provision of K.S.A. 44-710a and amendments thereto related to determining the assignment of a contribution rate, when the sole or primary purpose of the business acquisition was for the purpose of obtaining a lower rate of contributions, or for a person to knowingly advise an employing unit in such a way that results in such a violation, such employing unit or person shall be subject to the following penalties:*

(A) *If the person is an employer, then such employer shall be assigned the highest rate assignable under K.S.A. 44-710a, and amendments thereto, for the rate year during which such violation or attempted violation occurred and the three rate years immediately following this rate year. However, if the employer's business is already at such highest rate for any year, or if the amount of increase in the employer's rate would be less than 2% for such year, then a penalty rate of contributions of 2% of taxable wages shall be imposed for such year. Any moneys resulting from the difference of the computed rate and the penalty rate shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215 and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.*

(B) *If the person is not an employer, such person shall be subject to a civil money penalty of not more than \$5,000. All fines assessed and collected under this section shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215 and amendments thereto. Upon receipt of each such remittance, the state treasurer shall deposit the entire amount in the state treasury to the credit of the special employment security fund.*

(2) *For purposes of this subsection, the term "knowingly" means having actual knowledge of or acting with deliberate ignorance or reckless disregard for the prohibition involved.*

(3) *For purposes of this subsection, the term "violates or attempts to violate" includes, but is not limited to, any intent to evade, misrepresentation or willful nondisclosure.*

(4) (A) *In addition to, or in lieu of, any civil penalty imposed by paragraph (1) if, the director of employment security or a special assistant attorney general assigned to the department of labor, has probable cause to believe that a violation of this subsection (f) should be prosecuted as a crime, a copy of any order, all investigative reports and any evidence in the possession of the division of employment security which relates to such violation, may be forwarded to the prosecuting attorney in the county in which the act or any of the acts were performed which constitute a violation of this subsection (f). Any case which a county or district attorney fails to prosecute within 90 days shall be returned promptly to the director of employment security. The special assistant attorney general assigned to the Kansas department of labor shall then prosecute the case, if, in the opinion of the special assistant attorney general, the acts or practices involved still warrant prosecution.*

(B) *Violation of this subsection (f) shall be a level 9, nonperson felony.*

(5) *The secretary shall establish procedures to identify the transfer or acquisition of a business for purposes of this section.*

(6) *For purposes of subsection (f):*

(A) *“Person” has the meaning given such term by section 7701(a)(1) of the internal revenue code of 1986;*

(B) *“trade or business” shall include the employer’s workforce; and*

(C) *the provisions of K.S.A. 21-3206 and K.S.A. 21-3207, and amendments thereto, shall apply.*

(7) *This subsection (f) shall be interpreted and applied in such a manner as to meet the minimum requirements contained in any guidance or regulation issued by the United States department of labor.*

Sec. 5. K.S.A. 2004 Supp. 44-706 is hereby amended to read as follows: 44-706. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection (a). Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual’s weekly benefit amount. An individual shall not be disqualified under this subsection (a) if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing health care provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual’s regular work or comparable and suitable work was not available; as used in this paragraph (1) “health care provider” means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to enlist in the armed forces of the United States, but was rejected or delayed from entry;

(4) the individual left work because of the voluntary or involuntary transfer of the individual’s spouse from one job to another job, which is for the same employer or for a different employer, at a geographic location which makes it unreasonable for the individual to continue work at the individual’s job;

(5) the individual left work because of hazardous working conditions;

in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph (5), "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of (A) the safety measures used or the lack thereof, and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment (as defined for purposes of the federal trade act of 1974), and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of (A) the rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted, (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted, and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties which is in violation of an ordinance or statute;

(10) the individual left work because of a violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such agreement for the settlement of disputes before terminating;

(11) after making reasonable efforts to preserve the work, the individual left work due to a personal emergency of such nature and compelling urgency that it would be contrary to good conscience to impose a disqualification; or

(12) (A) the individual left work due to circumstances resulting from domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at or en route to or from the individual's place of employment; or

(ii) the individual's need to relocate to another geographic area in order to avoid future domestic violence; or

(iii) the individual's need to address the physical, psychological and legal impacts of domestic violence; or

(iv) the individual's need to leave employment as a condition of receiving services or shelter from an agency which provides support services or shelter to victims of domestic violence; or

(v) the individual's reasonable belief that termination of employment is necessary to avoid other situations which may cause domestic violence and to provide for the future safety of the individual or the individual's family.

(B) An individual may prove the existence of domestic violence by providing one of the following:

- (i) A restraining order or other documentation of equitable relief by a court of competent jurisdiction; or
- (ii) a police record documenting the abuse; or
- (iii) documentation that the abuser has been convicted of one or more of the offenses enumerated in articles 34 and 35 of chapter 21 of the Kansas Statutes Annotated, and amendments thereto, where the victim was a family or household member; or
- (iv) medical documentation of the abuse; or
- (v) a statement provided by a counselor, social worker, health care provider, clergy, shelter worker, legal advocate, domestic violence or sexual assault advocate or other professional who has assisted the individual in dealing with the effects of abuse on the individual or the individual's family; or
- (vi) a sworn statement from the individual attesting to the abuse.

(C) No evidence of domestic violence experienced by an individual, including the individual's statement and corroborating evidence, shall be disclosed by the department of labor unless consent for disclosure is given by the individual.

(b) If the individual has been discharged for misconduct connected with the individual's work. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and has had earnings from insured work of at least three times the individual's determined weekly benefit amount, except that if an individual is discharged for gross misconduct connected with the individual's work, such individual shall be disqualified for benefits until such individual again becomes employed and has had earnings from insured work of at least eight times such individual's determined weekly benefit amount. In addition, all wage credits attributable to the employment from which the individual was discharged for gross misconduct connected with the individual's work shall be canceled. No such cancellation of wage credits shall affect prior payments made as a result of a prior separation.

(1) For the purposes of this subsection (b), "misconduct" is defined as a violation of a duty or obligation reasonably owed the employer as a condition of employment. The term "gross misconduct" as used in this subsection (b) shall be construed to mean conduct evincing extreme, willful or wanton misconduct as defined by this subsection (b). Failure of the employee to notify the employer of an absence shall be considered prima facie evidence of a violation of a duty or obligation reasonably owed the employer as a condition of employment.
