10 sas and concerning its use by state agencies and political or taxing
11 subdivisions.

12

13 *Be it enacted by the Legislature of the State of Kansas:*

14 Section 1. (a) English shall be designated as the official language of
15 the state of Kansas.

16 (b) The official language is designated as the language of any official
17 public document or record and any official public meeting;

18 (1) An official public document or record is any document officially
19 compiled, published or recorded by the state including deeds, publicly
20 probated wills, records of births, deaths and marriages and any other
21 document or record required to be kept open for public inspection pur-
22 suant to the open records act.

23 (2) An official public meeting is any meeting required to be open
24 pursuant to K.S.A. 75-4317 et seq., and amendments thereto.

26 or taxing subdivision of the state shall be required to provide any docu-
27 ments, information, literature or other written materials in any language
28 other than English.

29 Sec. 2. A state agency or political or taxing subdivision, or its officers
30 or employees, may use a language other than the English language as
31 follows:

32 (a) Provide information orally to individuals in the course of deliv-
33 ering services to the general public;

34 (b) comply with federal law;

37 action in a court or in an administrative proceeding;

38 (e) provide instruction in foreign and native American language
39 courses;

40 (f) provide instruction designed to aid students with limited English

1 (h) use terms of art or phrases from languages other than the English
2 language in documents.

3 Sec. 3. A state agency or political or taxing subdivision, and its offi-

8 pamphlets, flyers or other informational materials in languages other than
9 the official language.

10 Sec. 4. No person may be denied employment with the state or any
11 political or taxing subdivision of the state based solely upon that person's
12 lack of facility in a foreign language, except where related to bona fide
13 job needs reflected in the exemptions in section 2, and amendments
14 thereto.

15 Sec. 5. This act shall not be construed in any way to infringe upon
16 the rights of citizens under the constitution of the state of Kansas or the
17 constitution of the United States in the use of language in any private
18 activity. No agency or officer of the state or any political or taxing sub-
19 division of the state may place any restrictions or requirements regarding

22 to government agencies and officers, which communications shall be in
23 the common language as recognized in this act.

24 Sec. 6. This act may not be construed in any way to limit the use of
25 any other language by a tribal government of native Americans located in
26 the state of Kansas. A school district and a tribe, by mutual agreement,
27 may provide for the instruction of students that recognizes the cultural
28 identity of native American children and promotes the use of a common
29 language for communication.

30 Sec. 7. Any citizen of the state of Kansas has standing to bring an
31 action against the state or a political or taxing subdivision of the state to
32 enforce this act. The district court has jurisdiction to hear and decide any
33 such action brought pursuant to this act.

34 Sec. 8. This act shall take effect and be in force from and after its
35 publication in the statute book.
