9 AN ACT concerning insurance; providing coverage for telemedicine;  
10 amending K.S.A. 2006 Supp. 40-2,103 and 40-19c09 and repealing the  
11 existing sections.  
12

13 *Be it enacted by the Legislature of the State of Kansas:*

14 New Section 1. (a) (1) Any individual or group health insurance pol-  
15 icy, medical service plan, contract, hospital service corporation contract,  
16 hospital and medical service corporation contract, fraternal benefit society  
17 or health maintenance organization which provides coverage for accident  
18 and health services and which is delivered, issued for delivery, amended  
19 or renewed on or after January 1, 2008, shall also provide coverage for  
20 telemedicine.

21 (2) Such telemedicine coverage shall be provided in a manner deter-  
22 mined in consultation with the attending physician and the patient. Such  
23 coverage may be subject to annual deductibles and coinsurance provisions  
24 as may be deemed appropriate and as are consistent with those estab-  
25 lished for other benefits under the plan or coverage.

26 (b) Each individual or group health insurance policy, medical service  
27 plan, contract, hospital service corporation contract, hospital and medical  
28 service corporation contract, fraternal benefit society or health mainte-  
29 nance organization which provides coverage for accident and health serv-  
30 ices which provides medical and surgical benefits shall provide written  
31 notice, as currently required, to all enrollees, insureds or subscribers re-  
32 garding the coverage required by this section.

33 (c) No individual or group health insurance policy, medical service  
34 plan, contract, hospital service corporation contract, hospital and medical  
35 service corporation contract, fraternal benefit society or health mainte-  
36 nance organization which provides coverage for accident and health serv-  
37 ices which provides medical and surgical benefits shall:

38 (1) Deny to a patient eligibility, or continued eligibility, to enroll or  
39 to renew coverage under the terms of the plan, solely for the purpose of  
40 avoiding the requirements of this section; and

41 (2) penalize or otherwise reduce or limit the reimbursement of an  
42 attending provider, or provide incentives (monetary or otherwise) to an  
43 attending provider, to induce such provider to provide care to an individ-

1 ual participant or beneficiary in a manner inconsistent with this section.

2 (d) The provisions of this section shall not apply to any policy or  
3 certificate which provides coverage for any specified disease, specified  
4 accident or accident only coverage, credit, dental, disability income, hos-  
5 pital indemnity, long-term care insurance as defined by K.S.A. 40-2227  
6 and amendments thereto, vision care or any other limited supplemental  
7 benefit nor to any medicare supplement policy of insurance as defined  
8 by the commissioner of insurance by rule and regulation, any coverage  
9 issued as a supplement to liability insurance, workers' compensation or  
10 similar insurance, automobile medical-payment insurance or any insur-  
11 ance under which benefits are payable with or without regard to fault,  
12 whether written on a group, blanket or individual basis.

13 (e) For the purposes of this section:

14 (1) "Emergency services" shall have the meaning ascribed to it in  
15 K.S.A. 40-4603 and amendments thereto.

16 (2) "Physician" shall have the meaning ascribed to it in K.S.A. 40-  
17 4603 and amendments thereto.

18 (3) "Provider" shall have the meaning ascribed to it in K.S.A. 40-4603  
19 and amendments thereto.

20 (4) "Telecommunications services" means providing the means of  
21 transmission, between or among points specified by the user, of infor-  
22 mation of the user's choosing, without change in the form or content of  
23 the information as sent and received, including, but not limited to two-  
24 way video or data messages.

25 (5) "Telemedicine" means the use of telecommunications services to  
26 link health care practitioners and patients in different locations. Tele-  
27 medicine includes any of the following provided through the use of tel-  
28 ecommunications services:
