

Substitute for HOUSE BILL No. 2398

By Committee on Education

2-21

9 AN ACT concerning school districts; directing boards of education to
10 adopt policies relating to the handling of infectious materials.

11

12 *Be it enacted by the Legislature of the State of Kansas:*

13 Section 1. The board of education of each school district shall adopt
14 policies, or incorporate into existing policies, standards and procedures
15 to limit the exposure of students and faculty to blood, other bodily fluids
16 and other potentially infectious materials. The standards and procedures
17 in the policies shall meet, and may exceed, the standards and procedures
18 established by the Kansas department of health and environment in the
19 exposure control plan of 2003, or the most recent version thereof. The
20 policies adopted by the board shall include provisions for the training of
21 students and faculty relating to such policies of the school district.

22 Sec. 2. This act shall take effect and be in force from and after its
23 publication in the statute book.
