Any county or city levying a retailers' sales tax is hereby prohibited from administering or collecting such tax locally, but shall utilize the services of the state department of revenue to administer, enforce and collect such tax. Except as otherwise specifically provided in K.S.A. 12-189a, and amendments thereto, such tax shall be identical in its application, and exemptions therefrom, to the Kansas retailers' sales tax act and all laws and administrative rules and regulations of the state department of revenue relating to the Kansas retailers' sales tax shall apply to such local sales tax insofar as such laws and rules and regulations may be made applicable. The state director of taxation is hereby authorized to administer, enforce and collect such local sales taxes and to adopt such rules and regulations as may be necessary for the efficient and effective administration and enforcement thereof.

Upon receipt of a certified copy of an ordinance or resolution authorizing the levy of a local retailers' sales tax, the director of taxation shall cause such taxes to be collected within or without the boundaries of such taxing subdivision at the same time and in the same manner provided for the collection of the state retailers' sales tax. Such copy shall be submitted to the director of taxation within 30 days after adoption of any such ordinance or resolution. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, *except that all moneys collected by the director of taxation pursuant to the authority granted in paragraph (22) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be credited to the Wilson county capital improvements fund.* Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on instruction from the director of taxation, to the treasurer of such county or city.

Revenue that is received from the imposition of a local retailers' sales tax which exceeds the amount of revenue required to pay the costs of a special project for which such revenue was pledged shall be credited to the city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. The director of taxation shall be allowed to assess a reasonable fee for the issuance of such report. Information received by any city or county pursuant to this section shall be confidential, and it shall be unlawful for any officer or employee of such city or county to divulge any such information in any manner. Any violation of this paragraph by a city or county officer or employee is a class A misdemeanor, and such officer or employee shall be dismissed from office. Reports of violations of this paragraph shall be investigated by the attorney general. The district attorney or county attorney and the attorney general shall have authority to prosecute violations of this paragraph.

Sec. 5. K.S.A. 2007 Supp. 12-192 is hereby amended to read as follows: 12-192. (a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner: (1) One-half of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year, and (2)  $\frac{1}{2}$  of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county. All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of .75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner: (A) The revenue received from the first .5% rate of tax shall be apportioned in the manner prescribed by subsection (a) and (B) the revenue received from the rate of tax exceeding .5% shall be apportioned as follows: (i) One-fourth shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year and (ii) one-fourth shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county and (iii) one-half shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless

of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to paragraphs (2), (3)(C), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19) ~~or~~, (20), (22), (23) and (25) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(2) Except as otherwise provided in paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to paragraph (5) of subsection (b) of K.S.A. 12-187, and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

Sec. 6. K.S.A. 2007 Supp. 79-4231 is hereby amended to read as follows: 79-4231. (a) There is hereby created in the state treasury the oil and gas valuation depletion trust fund. The director of taxation shall administer the oil and gas valuation depletion trust fund. All amounts credited to the oil and gas valuation depletion trust fund pursuant to the provisions of K.S.A. 79-4227, and amendments thereto, shall be credited to a separate trust account which shall be established within such fund for each county which in fiscal year 2005 or any fiscal year thereafter had \$100,000 or more in receipts of the excise tax upon the severance and production of oil and gas. Each county's trust account shall be credited in the proportion that the amount of oil and gas valuation depletion trust fund receipts collected from that county bears to the total amount of moneys credited to the oil and gas valuation depletion trust fund pursuant to K.S.A. 79-4227, and amendments thereto. Commencing July 1, 2008, and thereafter on an annual basis, such moneys shall remain credited in such account in trust for such county for distributions pursuant to this section.

(b) For any tax year that the oil and gas leasehold ad valorem valuation of any county, which has a trust account established and maintained in the oil and gas valuation depletion trust fund as provided by this section, is less than 50% of the oil and gas leasehold ad valorem valuation of such county for the second succeeding tax year which commences January 1 following the end of the fiscal year in which the county had \$100,000 or

more in receipts of the excise tax upon the production of oil and gas and the county had a trust account established in the oil and gas valuation depletion trust fund as provided by this section, as certified by the property valuation division, on or before January 15 of the year following such tax year, the director of taxation shall distribute 20% of the moneys credited to such county's trust account to the county treasurer of such county, *except that the director of taxation shall transfer all of the moneys credited to the Wilson county trust account to the Wilson county capital improvement fund in any such tax year until the payment of all costs of financing projects authorized pursuant to section 1, and amendments thereto, has been completed, and at that time the provisions of this subsection related to distributions to the Wilson county treasurer shall be applicable as provided in this subsection.* In any year in which a county's oil and gas leasehold valuation is 50% or more of the oil and gas leasehold valuation of such county for tax year as described in this subsection, such county shall not receive a distribution of trust moneys pursuant to this section for such tax year. On an annual basis, the director of taxation shall certify to the director of accounts and reports the counties entitled to a distribution pursuant to this section. The director of accounts and reports shall draw warrants on the state treasurer payable to the county treasurer of each county entitled to payment from such county's trust account in the oil and gas valuation depletion trust fund upon vouchers approved by the director of taxation.

Sec. 7. K.S.A. 2007 Supp. 12-187, 12-189, 12-192 and 79-4231 are hereby repealed.
