

HOUSE BILL No. 2617

AN ACT concerning motor vehicles; relating to driving under the influence of alcohol or drugs; amending K.S.A. 22-3437 and K.S.A. 2007 Supp. 8-1001 and 8-1567 and repealing the existing sections; also repealing K.S.A. 2007 Supp. 8-1567b.

Be it enacted by the Legislature of the State of Kansas:

Section 1. K.S.A. 2007 Supp. 8-1001 is hereby amended to read as follows: 8-1001. (a) Any person who operates or attempts to operate a vehicle within this state is deemed to have given consent, subject to the provisions of this act, to submit to one or more tests of the person's blood, breath, urine or other bodily substance to determine the presence of alcohol or drugs. The testing deemed consented to herein shall include all quantitative and qualitative tests for alcohol and drugs. A person who is dead or unconscious shall be deemed not to have withdrawn the person's consent to such test or tests, which shall be administered in the manner provided by this section.

(b) A law enforcement officer shall request a person to submit to a test or tests deemed consented to under subsection (a): (1) If the officer has reasonable grounds to believe the person was operating or attempting to operate a vehicle while under the influence of alcohol or drugs, or both, or to believe that the person was driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, or was under the age of 21 years while having alcohol or other drugs in such person's system; and one of the following conditions exists: ~~(1)~~ (A) The person has been arrested or otherwise taken into custody for any offense involving operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both, or for a violation of K.S.A. 8-1567a, and amendments thereto, or involving driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, in violation of a state statute or a city ordinance; or ~~(2)~~ (B) the person has been involved in a vehicle accident or collision resulting in property damage; or personal injury or death other than serious injury; or (2) if the person was operating or attempting to operate a vehicle and such vehicle has been involved in an accident or collision resulting in serious injury or death of any person and the operator could be cited for any traffic offense, as defined in K.S.A. 8-2117, and amendments thereto. The traffic offense violation shall constitute probable cause for purposes of paragraph (2). The test or tests under paragraph (2) shall not be required if a law enforcement officer has reasonable grounds to believe the actions of the operator did not contribute to the accident or collision. The law enforcement officer directing administration of the test or tests may act on personal knowledge or on the basis of the collective information available to law enforcement officers involved in the accident investigation or arrest.

(c) If a law enforcement officer requests a person to submit to a test of blood under this section, the withdrawal of blood at the direction of the officer may be performed only by: (1) A person licensed to practice medicine and surgery, licensed as a physician's assistant, or a person acting under the supervision direction of any such licensed person; (2) a registered nurse or a licensed practical nurse; or (3) any qualified medical technician, including, but not limited to, an emergency medical technician-intermediate or mobile intensive care technician, as those terms are defined in K.S.A. 65-6112, and amendments thereto, authorized by medical protocol or (4) a phlebotomist. ~~When presented with a written statement by a law enforcement officer directing blood to be withdrawn from a person who has tentatively agreed to allow the withdrawal of blood under this section, the person authorized herein to withdraw blood and the medical care facility where blood is withdrawn may rely on such a statement as evidence that the person has consented to the medical procedure used and shall not require the person to sign any additional consent or waiver form.~~

(d) A law enforcement officer may direct a medical professional described in this section to draw a sample of blood from a person:

(1) If the person has given consent and meets the requirements of subsection (b);

(2) if medically unable to consent, if the person meets the requirements of paragraph (2) of subsection (b); or

(3) if the person refuses to submit to and complete a test, if the person meets the requirements of paragraph (2) of subsection (b).

(e) When so directed by a law enforcement officer through a written statement, the medical professional shall withdraw the sample as soon as practical and shall deliver the sample to the law enforcement officer or another law enforcement officer as directed by the requesting law enforcement officer as soon as practical, provided the collection of the sample does not jeopardize the person's life, cause serious injury to the person or seriously impede the person's medical assessment, care or treatment. The medical professional authorized herein to withdraw the blood and the medical care facility where the blood is drawn may act on good faith that the requirements have been met for directing the withdrawing of blood once presented with the written statement provided for under this subsection. The medical professional shall not require the person to sign any additional consent or waiver form. In such a case, the person authorized to withdraw blood and the medical care facility shall not be liable in any action alleging lack of consent or lack of informed consent. ~~No person authorized by this subsection to withdraw blood, nor any person assisting in the performance of a blood test nor any medical care facility where blood is withdrawn or tested that has been directed by any law enforcement officer to withdraw or test blood, shall be liable in any civil or criminal action when the act is performed in a reasonable manner according to generally accepted medical practices in the community where performed.~~

~~(d) If there are reasonable grounds to believe that there is impairment by a drug which is not subject to detection by the blood or breath test used, a urine test may be required.~~

(f) Such sample or samples shall be an independent sample and not be a portion of a sample collected for medical purposes. The person collecting the blood sample shall complete the collection portion of a document provided by law enforcement.

(g) If a person must be restrained to collect the sample pursuant to this section, law enforcement shall be responsible for applying any such restraint utilizing acceptable law enforcement restraint practices. The restraint shall be effective in controlling the person in a manner not to jeopardize the person's safety or that of the medical professional or attending medical or health care staff during the drawing of the sample and without interfering with medical treatment.

(h) A law enforcement officer may request a urine sample upon meeting the requirements of paragraph (1) of subsection (b) and shall request a urine sample upon meeting the requirements of paragraph (2) of subsection (b).

(i) If a law enforcement officer requests a person to submit to a test of urine under this section, the collection of the urine sample shall be supervised by persons of the same sex as the person being tested and shall be conducted out of the view of any person other than the persons supervising the collection of the sample and the person being tested, unless the right to privacy is waived by the person being tested. *When possible, the supervising person shall be a law enforcement officer.* The results of qualitative testing for drug presence shall be admissible in evidence and questions of accuracy or reliability shall go to the weight rather than the admissibility of the evidence. *If the person is medically unable to provide a urine sample in such manner due to the injuries or treatment of the injuries, the same authorization and procedure as used for the collection of blood in subsections (d) and (e) shall apply to the collection of a urine sample.*

~~(j)~~ (j) No law enforcement officer who is acting in accordance with this section shall be liable in any civil or criminal proceeding involving the action.

~~(k)~~ (k) Before a test or tests are administered under this section, the person shall be given oral and written notice that: (1) Kansas law requires the person to submit to and complete one or more tests of breath, blood or urine to determine if the person is under the influence of alcohol or drugs, or both;

(2) the opportunity to consent to or refuse a test is not a constitutional right;

(3) there is no constitutional right to consult with an attorney regarding whether to submit to testing;

(4) if the person refuses to submit to and complete any test of breath, blood or urine hereafter requested by a law enforcement officer, the

person's driving privileges will be suspended for one year for the first occurrence, two years for the second occurrence, three years for the third occurrence, 10 years for the fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(5) if the person submits to and completes the test or tests and the test results show for the first occurrence:

(A) An alcohol concentration of .08 or greater, the person's driving privileges will be suspended for 30 days for the first occurrence; or

(B) an alcohol concentration of .15 or greater, the person's driving privileges will be suspended for one year;

(6) if the person submits to and completes the test or tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year for the second, third or fourth occurrence and permanently revoked for a fifth or subsequent occurrence;

(7) if the person is less than 21 years of age at the time of the test request and submits to and completes the tests and the test results show an alcohol concentration of .08 or greater, the person's driving privileges will be suspended for one year except the person's driving privileges will be permanently revoked for a fifth or subsequent occurrence;

(8) refusal to submit to testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both;

(9) the results of the testing may be used against the person at any trial on a charge arising out of the operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both; and

(10) after the completion of the testing, the person has the right to consult with an attorney and may secure additional testing, which, if desired, should be done as soon as possible and is customarily available from medical care facilities ~~and physicians~~ *willing to conduct such testing.*

~~(g)~~ (l) If a law enforcement officer has reasonable grounds to believe that the person has been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, while having alcohol or other drugs in such person's system, the person shall also be provided the oral and written notice pursuant to K.S.A. 8-2,145 and amendments thereto. Any failure to give the notices required by K.S.A. 8-2,145 and amendments thereto shall not invalidate any action taken as a result of the requirements of this section. If a law enforcement officer has reasonable grounds to believe that the person has been driving or attempting to drive a vehicle while having alcohol or other drugs in such person's system and such person was under 21 years of age, the person also shall be given the notices required by K.S.A. 8-1567a, and amendments thereto. Any failure to give the notices required by K.S.A. 8-1567a, and amendments thereto, shall not invalidate any action taken as a result of the requirements of this section.

~~(h)~~ (m) After giving the foregoing information, a law enforcement officer shall request the person to submit to testing. The selection of the test or tests shall be made by the officer. ~~If the person refuses to submit to and complete a test as requested pursuant to this section, additional testing shall not be given unless the certifying officer has probable cause to believe that the person, while under the influence of alcohol or drugs, or both, has operated a vehicle in such a manner as to have caused the death of or serious injury to another person.~~ If the test results show a blood or breath alcohol concentration of .08 or greater, the person's driving privileges shall be subject to suspension, or suspension and restriction, as provided in K.S.A. 8-1002 and 8-1014, and amendments thereto.

~~(i)~~ (n) The person's refusal shall be admissible in evidence against the person at any trial on a charge arising out of the alleged operation or attempted operation of a vehicle while under the influence of alcohol or drugs, or both.

~~(j)~~ (o) If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments thereto, and the test results show a blood or breath alcohol concentration of .04 or greater, the person shall be disqualified from driving a commercial motor vehicle, pursuant to K.S.A. 8-2,142, and amendments thereto. If a law enforcement officer had reasonable grounds to believe the person had been driving a commercial motor vehicle, as defined in K.S.A. 8-2,128, and amendments

thereto, and the test results show a blood or breath alcohol concentration of .08 or greater, or the person refuses a test, the person's driving privileges shall be subject to suspension, or suspension and restriction, pursuant to this section, in addition to being disqualified from driving a commercial motor vehicle pursuant to K.S.A. 8-2,142, and amendments thereto.

~~(k)~~ (p) An officer shall have probable cause to believe that the person operated a vehicle while under the influence of alcohol or drugs, or both, if the vehicle was operated by such person in such a manner as to have caused the death of or serious injury to a person. In such event, such test or tests may be made pursuant to a search warrant issued under the authority of K.S.A. 22-2502, and amendments thereto, or without a search warrant under the authority of K.S.A. 22-2501, and amendments thereto.

~~(l)~~ (q) Failure of a person to provide an adequate breath sample or samples as directed shall constitute a refusal unless the person shows that the failure was due to physical inability caused by a medical condition unrelated to any ingested alcohol or drugs.

~~(m)~~ (r) It shall not be a defense that the person did not understand the written or oral notice required by this section.

~~(n)~~ (s) No test results shall be suppressed because of technical irregularities in the consent or notice required pursuant to this act.

~~(o)~~ (t) Nothing in this section shall be construed to limit the admissibility at any trial of alcohol or drug concentration testing results obtained pursuant to a search warrant.

~~(p)~~ (u) Upon the request of any person submitting to testing under this section, a report of the results of the testing shall be made available to such person.

~~(q)~~ (v) This act is remedial law and shall be liberally construed to promote public health, safety and welfare.

(w) *As used in this section, "serious injury" means a physical injury to a person, as determined by law enforcement, which has the effect of, prior to the request for testing:*

(1) *Disabling a person from the physical capacity to remove themselves from the scene;*

(2) *renders a person unconscious;*

(3) *the immediate loss of or absence of the normal use of at least one limb;*

(4) *an injury determined by a physician to require surgery; or*

(5) *otherwise indicates the person may die or be permanently disabled by the injury.*

New Sec. 2. (a) The testing and method of testing consented to under K.S.A. 8-1001, and amendments thereto, shall not be considered to have been conducted for any medical care or treatment purpose. The results of such test, the person's name whose bodily substance is drawn or tested, the location of the test or procedure, the names of all health care providers and personnel who participated in the procedure or test, and the date and time of the test or procedure are required by law to be provided to the requesting law enforcement officer or the law enforcement officer's designee after the requesting law enforcement officer has complied with K.S.A. 8-1001, and amendments thereto.

(b) All costs of conducting any procedure or test requested by a law enforcement agency and authorized by K.S.A. 8-1001, and amendments thereto, including the costs of the evidence collection kits shall be charged to and paid by the county where the alleged offense was committed. Such county may be reimbursed such costs upon the costs being paid by the defendant as court costs assessed pursuant to K.S.A. 28-172a, and amendments thereto.

(c) The cost assessed under K.S.A. 8-1001, and amendments thereto, shall be the then current medicaid rate for any such procedure or test, or both.

(d) Notwithstanding any other law to the contrary, the collection and delivery of the sample and required information to the law enforcement officer pursuant to K.S.A. 8-1001, and amendments thereto, shall not be subject to the physician-patient privilege or any other law that prohibits the transfer, release or disclosure of the sample or of the required information.

New Sec. 3. No medical care facility, clinical laboratory, medical

clinic, other medical institution, person licensed to practice medicine or surgery, person acting under the direction of any such licensed person, licensed physician assistant, registered nurse, licensed practical nurse, medical technician, emergency medical technician, phlebotomist, health care provider or person who participates in good faith in the obtaining, withdrawal, collection or testing of blood, breath, urine or other bodily substance at the direction of a law enforcement officer pursuant to K.S.A. 8-1001, and amendments thereto, shall incur any civil, administrative or criminal liability as a result of such participation, regardless of whether or not the patient resisted or objected to the administration of the procedure or test.

Sec. 4. K.S.A. 2007 Supp. 8-1567 is hereby amended to read as follows: 8-1567. (a) No person shall operate or attempt to operate any vehicle within this state while:

(1) The alcohol concentration in the person's blood or breath as shown by any competent evidence, including other competent evidence, as defined in paragraph (1) of subsection (f) of K.S.A. 8-1013, and amendments thereto, is .08 or more;

(2) the alcohol concentration in the person's blood or breath, as measured within two hours of the time of operating or attempting to operate a vehicle, is .08 or more;

(3) under the influence of alcohol to a degree that renders the person incapable of safely driving a vehicle;

(4) under the influence of any drug or combination of drugs to a degree that renders the person incapable of safely driving a vehicle; or

(5) under the influence of a combination of alcohol and any drug or drugs to a degree that renders the person incapable of safely driving a vehicle.

(b) No person shall operate or attempt to operate any vehicle within this state if the person is a habitual user of any narcotic, hypnotic, somnifacient or stimulating drug.

(c) If a person is charged with a violation of this section involving drugs, the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(d) Upon a first conviction of a violation of this section, a person shall be guilty of a class B, nonperson misdemeanor and sentenced to not less than 48 consecutive hours nor more than six months' imprisonment, or in the court's discretion 100 hours of public service, and fined not less than \$500 nor more than \$1,000. The person convicted must serve at least 48 consecutive hours' imprisonment or 100 hours of public service either before or as a condition of any grant of probation or suspension, reduction of sentence or parole.

In addition, the court shall enter an order which requires that the person enroll in and successfully complete an alcohol and drug safety action education program or treatment program as provided in K.S.A. 8-1008, and amendments thereto, or both the education and treatment programs.

(e) On a second conviction of a violation of this section, a person shall be guilty of a class A, nonperson misdemeanor and sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than \$1,000 nor more than \$1,500. The person convicted must serve at least five consecutive days' imprisonment before the person is granted probation, suspension or reduction of sentence or parole or is otherwise released. The five days' imprisonment mandated by this subsection may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The court may place the person convicted under a house arrest program pursuant to K.S.A. 21-4603b, and amendments thereto, to serve the remainder of the minimum sentence only after such person has served 48 consecutive hours' imprisonment.

As a condition of any grant of probation, suspension of sentence or parole or of any other release, the person shall be required to enter into and complete a treatment program for alcohol and drug abuse as provided in K.S.A. 8-1008, and amendments thereto.

(f) (1) On the third conviction of a violation of this section, a person

shall be guilty of a nonperson felony and sentenced to not less than 90 days nor more than one year's imprisonment and fined not less than \$1,500 nor more than \$2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this paragraph may be served in a work release program only after such person has served 48 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program. The court may place the person convicted under a house arrest program pursuant to K.S.A. 21-4603b, and amendments thereto, to serve the remainder of the minimum sentence only after such person has served 48 consecutive hours' imprisonment.

(2) The court may order that the term of imprisonment imposed pursuant to paragraph (1) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 21-4704, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person's discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.

The court shall also require as a condition of parole that such person enter into and complete a treatment program for alcohol and drug abuse as provided by K.S.A. 8-1008, and amendments thereto.

(g) (1) On the fourth or subsequent conviction of a violation of this section, a person shall be guilty of a nonperson felony and sentenced to not less than 90 days nor more than one year's imprisonment and fined \$2,500. The person convicted shall not be eligible for release on probation, suspension or reduction of sentence or parole until the person has served at least 90 days' imprisonment. The 90 days' imprisonment mandated by this paragraph may be served in a work release program only after such person has served 72 consecutive hours' imprisonment, provided such work release program requires such person to return to confinement at the end of each day in the work release program.

(2) The court may order that the term of imprisonment imposed pursuant to paragraph (1) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 21-4704, and amendments thereto. The person shall remain imprisoned at the state facility only while participating in the substance abuse treatment program designated by the secretary and shall be returned to the custody of the sheriff for execution of the balance of the term of imprisonment upon completion of or the person's discharge from the substance abuse treatment program. Custody of the person shall be returned to the sheriff for execution of the sentence imposed in the event the secretary of corrections determines: (A) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (B) the person fails to meaningfully participate in the treatment program of the designated facility; (C) the person is disruptive to the security or operation of the designated facility; or (D) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either

is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review. The sheriff shall be responsible for all transportation expenses to and from the state correctional facility.

At the time of the filing of the judgment form or journal entry as required by K.S.A. 21-4620 or 22-3426, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the offender in charge. The law enforcement agency maintaining custody and control of a defendant for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the secretary of corrections within three business days of receipt of the judgment form or journal entry from the court and notify the secretary of corrections when the term of imprisonment expires and upon expiration of the term of imprisonment shall deliver the defendant to a location designated by the secretary. After the term of imprisonment imposed by the court, the person shall be placed in the custody of the secretary of corrections for a mandatory one-year period of postrelease supervision, which such period of postrelease supervision shall not be reduced. During such postrelease supervision, the person shall be required to participate in an inpatient or outpatient program for alcohol and drug abuse, including, but not limited to, an approved aftercare plan or mental health counseling, as determined by the secretary and satisfy conditions imposed by the Kansas parole board as provided by K.S.A. 22-3717, and amendments thereto. Any violation of the conditions of such postrelease supervision may subject such person to revocation of postrelease supervision pursuant to K.S.A. 75-5217 et seq., and amendments thereto and as otherwise provided by law.

(h) Any person convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 14 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(i) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the defendant by the court.

(j) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(k) (1) Except as provided in paragraph (5), in addition to any other penalty which may be imposed upon a first conviction of a violation of this section, the court may order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(2) The court shall not order the impoundment or immobilization of a motor vehicle driven by a person convicted of a violation of this section if the motor vehicle had been stolen or converted at the time it was driven in violation of this section.

(3) Prior to ordering the impoundment or immobilization of a motor vehicle or vehicles owned by a person convicted of a violation of this section, the court shall consider, but not be limited to, the following:

(A) Whether the impoundment or immobilization of the motor vehicle would result in the loss of employment by the convicted person or a member of such person's family; and

(B) whether the ability of the convicted person or a member of such person's family to attend school or obtain medical care would be impaired.

(4) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(5) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. If the lease on the convicted person's motor vehicle subject to impoundment or immobilization expires in less than one year from the date of the impoundment or immobilization, the time of impoundment or immobilization of such vehicle shall be the amount of time remaining on the lease.

(1) (1) Except as provided in paragraph (3), in addition to any other penalty which may be imposed upon a second or subsequent conviction of a violation of this section, the court shall order that each motor vehicle owned or leased by the convicted person shall either be equipped with an ignition interlock device or be impounded or immobilized for a period of two years. The convicted person shall pay all costs associated with the installation, maintenance and removal of the ignition interlock device and all towing, impoundment and storage fees or other immobilization costs.

(2) Any personal property in a vehicle impounded or immobilized pursuant to this subsection may be retrieved prior to or during the period of such impoundment or immobilization.

(3) As used in this subsection, the convicted person's motor vehicle or vehicles shall include any vehicle leased by such person. If the lease on the convicted person's motor vehicle subject to impoundment or immobilization expires in less than two years from the date of the impoundment or immobilization, the time of impoundment or immobilization of such vehicle shall be the amount of time remaining on the lease.

(m) The court shall report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings or a complaint alleging a violation of this section to the division. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(n) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) "Conviction" includes being convicted of a violation of this section or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging a violation of this section;

(2) "conviction" includes being convicted of a violation of a law of another state or an ordinance of any city, or resolution of any county, which prohibits the acts that this section prohibits or entering into a diversion agreement in lieu of further criminal proceedings in a case alleging a violation of such law, ordinance or resolution;

(3) any convictions occurring during a person's lifetime shall be taken into account when determining the sentence to be imposed for a first, second, third, fourth or subsequent offender;

(4) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(5) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(o) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(p) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof. Except as specifically provided by this subsection, the minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this act for the same violation, and the maximum penalty in any such ordinance or resolution

shall not exceed the maximum penalty prescribed for the same violation. *On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.*

Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted. Except as provided in paragraph (5), any such ordinance or resolution may require or authorize the court to order that the convicted person's motor vehicle or vehicles be impounded or immobilized for a period not to exceed one year and that the convicted person pay all towing, impoundment and storage fees or other immobilization costs.

(2) The court shall not order the impoundment or immobilization of a motor vehicle driven by a person convicted of a violation of this section if the motor vehicle had been stolen or converted at the time it was driven in violation of this section.

(3) Prior to ordering the impoundment or immobilization of a motor vehicle or vehicles owned by a person convicted of a violation of this section, the court shall consider, but not be limited to, the following:

(A) Whether the impoundment or immobilization of the motor vehicle would result in the loss of employment by the convicted person or a member of such person's family; and

(B) whether the ability of the convicted person or a member of such person's family to attend school or obtain medical care would be impaired.
